TUMKUR DISTRICT.

(DEVELOPMENT BRANCH).

Notification dated 15th January 1951.

No. R.D3. P.R. 91—50-51. It is hereby notified for the information of the public that the term of the existing constitution of the several village panchayets in Sira Taluk is extended for a period of three months from 1st January 1951 to end of March 1951 under Section 12 of the V. P. Act of 1926 as this extension is necessary for holding fresh elections to the village panchayets.

8205

(DEVELOPMENT BRANCH).

Notification dated 19th January 1951.

No. R. D3-P. R. 93—50-51. Under Section 4 (1) of the Mysore Village Panchayets Act of 1926, as amended from time to time and rules framed thereunder, it is proposed for regrouping a separate village panchayet to Aralikere in Chiknaikanahalli Taluk with effect from 15th February 1951. Objections to the proposal, if any, may be preferred in writing to the Sub-Division Officer, Tiptur Sub-Division, within one month from the date of publication of this notification in the official Gazette. Objections received from this date will be rejected.

B. M. ABU BAKER,

8283 *Dy. Commr.*

OFFICE OF THE ASSESSING OFFICER, TOWN MUNICIPALITY, TIPTUR.

Notification dated 11th January 1951.

No. H. C. 19—50-51. Under Section 61 (b) (i) as detailed in Schedule 1-A (1) (a) of the Mysore Town Municipalities Act, 1933, and letter No. 7436-45—Ml. 16-49-1, dated 19th January 1950 from the General Secretary to Government of Mysore.

It is hereby notified for the information of the Public within the Municipal limits of Tiptur Town.

That the revision of assessment on houses and vacant sites on annual letting value and on area, respectively has been completed and the same has been kept in the office of the President, Town Municipal Council, Tiptur. The owners of the houses or other property, by themselves or through their agents may have access to the assessment list and

they are permitted to take extracts from the list during office hours from 11 A.M. to 5 P.M. on every working days

Objections, if any, to the revision of assessment may be preferred in writing to the Assessing Officer, Tiptur Town Municipality on or before 12th February 1951.

Objections received after that date will not be considered. The revision of assessment will come into force from 1951-52.

That the objections received by the Assessing officer will be heard by the revising authority on 15th February 1951 between 11 A.M. to 5 P.M. at the Municipal Office, Tiptur.

A. SURAPPA CHETTY,
Assessing Officer.

OFFICE OF THE MUNICIPAL COMMISSIONER, CITY MUNICIPALITY, MYSORE.

Notification dated 20th December 1950.

No. C. 3. P. 4—49-50. Notice is hereby given to the inhabitants of the Municipality of Mysore City that the Municipal Council desires to impose a tax on shops or places of business as contemplated under Section 64 (XII) of the City Municipalities Act, 1933 and Schedule VI appended thereto and defined in the Rules appended.

Any inhabitant of the Municipality objecting to the proposed tax may, within one month from the date of this notice send his objection in writing to the Municipal Council.

N.B.—This cancels Notification dated 16th August 1949 published in the *Mysore Gazette* dated 1st September 1949.

C. NARASIMHA MURTHY,
Ml. Commr.

1430

RULES.

Rules and Bye-laws framed by the City Municipal Council under Section 49 (*h*) of the Mysore City Municipalities' Act for the Assessment and levy of tax on shops and places of business :—

1. Every person, who within the limits of the City Municipality, owns or uses a shop or a place of business for carrying on or transacting any trade or business shall get his name registered in the registers maintained in the Municipal office for the purpose of levy of this tax and shall pay the tax at the rates specified in the schedule as payable within fifteen days after notification by the Municipal Council that the tax would be levied and shall renew the registration from year to year after paying tax.

2. In these rules the word "person" shall include a firm, company or association or a co-operative institution.

3. In these rules the word "shop" means and includes a place of business where any trade is carried on, agencies or branches of a firm, company or association or a co-operative concern and also places where merchandise is either stored or stocked or manufactured.

4. Every person who starts any business or trade shall do so only after getting his name entered in the registers maintained for the purpose.

5. The Revenue Officer or any other officer appointed by the Municipal Council as Assessor of Shop-Tax shall receive the applications for the registration under these bye-laws and fix the classification under which the applicant has to pay the tax as under in the schedule.

The Assessor of Shop-Tax in determining the class to which the trade or business belongs shall take into consideration the nature of business, the locality in which the business is conducted, the rental value of the building and other relevant factors.

7. The application for registration shall be made in the prescribed form appended to these rules.

8. The Assessor or Shop-Tax shall within ten days from the date of receipt of the application, register the application and issue a notice fixing the class under which the applicant has to pay the tax.

9. The applicant shall within seven days from the date of notice under bye-law No. 8 pay the tax fixed for the class to which he is assigned by the Assessor of Shop-Tax.

10. The Assessor of Shop-Tax shall issue a certificate showing the number, classification and the tax paid and the period for which tax has been paid.

11. The person to whom the certificate is issued shall display this certificate in a prominent place in his shop or place of business.

12. In case where a person carries on a business or trade for less than six months continuously in the year only half the tax will be collected from the person.

13. The tax leviable under these rules on a firm, company or association may be levied and collected from any member of that firm, company or association.

14. When a person has more than one shop or place of business or branches or separate godowns, he will be liable to register each shop separately and pay the tax separately on each of them.

15. If a place of business is sub-let each portion is liable to be registered and taxed separately.

16. Any person who has paid the tax for the whole year and closes his shop or place of business during such period is entitled to a refund of the half the tax if the unexpired period is not less than six months and if he has given notice in writing of the fact of his closing the shop or place of business.

17 Application shall be made to the Municipal Commissioner, within 15 days before the commencement of each official year for the renewal of the certificate of registration issued under this bye-law with the tax payable under the schedule.

18. The registration certificate shall not be transferable. In the case of certificates lost duplicates may at the discretion of the Municipal Commissioner or of the officer authorised by him be issued on production of satisfactory evidence that the certificate is lost and on payment of one rupee for each duplicate.

19. An appeal from the order of the Assessor of Shop-tax shall lie to the Municipal Commissioner and the appeal shall be made within ten days from the date of the order appealed from.

20. Every occupier of building or land within the limits of the City Municipality, Mysore, shall furnish within three days of the requisition a list in writing containing the names of all persons occupying such building and specifying the business or trade of every such person.

21. Every person who changes either the designation of his firm or business or trade or his place of business shall within seven days of such change give intimation thereof to the Municipal Commissioner.

22. On failure to furnish the required information or on furnishing information which is untrue, under rules 20 and 21 of these bye-laws, such person shall on conviction be punishable with fine which may extend to Rs. 500.

23. An appeal lies to the Municipal Council from the Order of the Municipal Commissioner passed under these bye-laws. The appeal shall be filed within thirty days from the date of communication of the order that is disputed. Court fee stamps of the value of twelve annas shall be affixed to the appeal petitions.

24. A person infringing any of the rules 4 to 20 shall be liable on conviction to pay a fine not exceeding Rs. 100 in addition to other penalties he has to suffer under this law.

OFFICE OF THE ASSESSING OFFICER, TOWN MUNICIPAL COUNCIL, KRISHNARAJANAGAR.

Notification dated 18th January 1951.

(*Under Section 68 of the Town Municipal Act, 1933*).

It is hereby notified for the information of the rate-payers of Krishnarajanagar Town Municipality—

1. That the revision of Assessment on buildings and lands within Krishnarajanagar Town limits undertaken recently has since been completed and the Assessment list prepared is kept open for inspection by every person claiming to be either owner or occupier of property included in the list by himself or by his agent during office hours on all working days except on Sundays and other Holidays in the Municipal Office and the revised assessment will come into effect from 1950-51.

2. That the relevant objections to the assessment revised, or to the rental value fixed, if any, in respect of special notice issued separately may be presented in writing to the Municipal Office, Krishnarajanagar, either in person or through their agents on or before 8th March 1951. Objections received after this date will not be considered.

3. The objections will be heard by the revising authority or any committee appointed by the Municipal Council in the Municipal office on 15th March 1951. The owners or occupiers of such properties may appear either in person or through their agents before the revising authority on the said date.

1464 M. SIDDAIAH, *Assessing Officer.*

OFFICE OF THE PRESIDENT, DISTRICT BOARD, HASSAN DISTRICT.

Notification dated 16th January 1951.

No. B1. D.B.C. 84—50-51. It is hereby notified for information of the public that in connection with Rathotsavam of Sri Yoganarasimhaswamy at Gorur, Hassan Taluk, on 13th February 1951, the annual District Board Cattle Fair will be held at Gorur from 12th February 1951 to end of 17th February 1951. Prizes will be awarded as usual to the best cattle coming to the Cattle Fair.

Those who will assemble at the cattle fair will have to bring their rations along with them.

Further particulars may be obtained from the Office of the President, District Board, Hassan, during office working hours or by writing.

No. C4. C.411—50-51. It is hereby notified for the information of the public that objections, if any, in the matter of holding a weekly shandy in S. No. 88 (Government thope) in Taridal village, Goribidnur Taluk, on every Monday in the week may be presented in writing to this office within one month from the date of this notification. Any objections received after that date will not be taken into consideration.

1479 C. H. VENKATARAMANAPPA, *President.*

OFFICE OF THE PRESIDENT TOWN MUNICIPAL COUNCIL, HUNSUR.

Notice dated 12th January 1951.

(*Under Schedule VII, Cl. (b) of S. 62, Town Municipalities Act*)

No. O. C. 69—50-51. Notice is hereby given to the inhabitants of the Municipality of Hunsur, that the Municipal Council desires to impose a rate on buildings on the basis of 'ten months' rental in lieu of the rate now in force, namely, rate on the basis of market value.

Any inhabitant of the Municipality objecting to the proposed tax may, within one month from the date of this notice, send his objections in writing to Municipal Council.

RULES.

(*Proposed under Cl. (a) of S. 62 of Town Municipalities Act.*)

Under Section 46 (*h*), in lieu of Bye-law in Schedule 1-A (1) "Rate on Buildings at eight annas for every Rs. 100 or portion of Rs. 100 of the market value etc.," the following bye-law be inserted: "Tax on buildings—rate on buildings at a rate equivalent to ten months' rental value."

OFFICE OF THE ASSESSING OFFICER, MUDGERE.

Notification dated 25th January 1951.

No. M. C. 144—50-51. It is hereby notified for the information of the owners or occupiers of house and site properties of Mudgere Town :—

1. That the Revision of Assessment on buildings and sites undertaken in December 1950, has since been completed and the assessment list so prepared is kept open for inspection by any owner or occupier of house and site properties, by himself or his authorised agent during office hours on all working days in the Municipal Office and the revised assessment will come into effect from 1st April 1951 (year 1951-52).

2. That the relevant objections to the proposed valuation and assessment may be presented in writing to the President, Municipal Council, Mudigere, or to the Assessing Officer, either in person or through agents on or before 26th February 1951. Objections received after this date will not be heard.

3. That the objections, so received, within the above date will be disposed of by the Municipal Council (Revising Authority) on 5th March 1951 at its meeting.

The owners, occupiers on their authorised agents may appear in person before the revising authority on the said date and urge their objections at the time of revision, if they desire to do so.

NOTIFICATIONS RELATING TO LOCAL SELF-GOVERNMENT.

LOCAL SELF-GOVERNMENT SECRETARIAT.

Dated 3rd February 1951.

No. 11584—Ml. 46-50-34. Under Section 23 (2) (C) of the Mysore Town Municipalities Act, 1933, Sri K. V. Narasappa, is elected President of the Shikarpur Town Municipal Council, Shimoga District, *vice* Sri G. M. Siddaramappa.

By Order of His Highness the Maharaja.

8774

Dated 9th February 1951.

No. L. 11763—Ml. 43-50-18. Under Section 10 (4) of the Mysore Minor Municipalities Act, 1933, Sri S. N. Narayanachar is elected Vice-President of the Belur Minor Municipal Council, Hassan District.

By Order of His Highness the Maharaja.

8915

Dated 10—13th February 1951.

No. L. 11829—Ml. 61-50-10. Under Section 4 (1) of the Mysore Minor Municipalities Act, 1933, as amended from time to time, it is hereby notified that it is proposed to fix as noted below the limits of the Y. N. Hosakote Minor Municipality, Pavagada Taluk.

Any person objecting to the above proposal may send his objection with reasons therefor in writing to the Deputy Commissioner, Tumkur District, Tumkur within three months from the date of this Notification. Objections received after the expiry of this period will not be considered.

The Municipal Boundary of the Y. N. Hosakote Minor Municipality, will be as follows :—

North :—The boundary line commences from the Municipal Boundary stone where the north-western boundary stone of Survey No. 1 of the Y. N. Hosakote Village, is situated and runs along southern bounary of Survey No. 1 up to the south-eastern boundary stone of Survey No. 244 of the village.

East :—Then the line takes its course towards the south, meeting the Municipal Boundary stone which is situated very near to the Y. N. Hosakote-Bheemanakunte Road and passes along the western boundary lines of Survey Nos. 244 and 245 of the village up to the south-western boundary stone of Survey No. 245 and then it takes an easterly direction running along the southern boundary of Survey No. 245 up to north-eastern boundary stone of Survey No. 245 and takes its course towards north and runs along the eastern boundary of Survey No. 245 up to south-eastern boundary stone of Survey No. 261 and takes a turn towards east running along the southern boundary of Survey No. 261 upto north-eastern boundary stone of Survey No. 255 of the village and takes southerly direction and passes through the western boundary of Survey No. 255 crossing the Y. N. Hosakote-Pavagada Road and meets Municipal Boundary stone where south-western boundary stone of Survey No. 216 is situated.

South :—The Boundary line takes its course towards west and runs along through the northern boundary lines of Survey Nos. 246 and 243 of the village meeting the Municipal Boundary stone where north-western boundary stone of Survey No. 246 is situated up to the south-western boundary stone of Survey No. 233 of the village.

West :—Then running northwards, it crosses the Y. N. Hosakote-Megalapalya Road and passes along through the boundary lines of Survey Nos. 233, 232 and 217 and crossing the Y. N. Hosakote-Gowdathimmanahalli Road meets the first Municipal Boundary stone at the point of the north-western boundary stone of Survey No. 1 of the same village from where it commenced.

By Order of His Highness the Maharaja.

1645 H. SIVALINGAPPA, *President.*

OFFICE OF THE ASSESSING OFFICER, MUNICIPAL COUNCIL, KOPPA, CHIKMAGALUR DISTRICT.

Notification dated 17th February 1951.

No. Mlc. 54—50-51. It is hereby notified for the information of the owners or occupiers of house and site properties in the municipal limits of Koppa Town—

1. that the revision of assessment work to impose taxes in the form of a rate on buildings and vacant sites in Koppa Town, has been taken up by the Assessing Officer;

2. that for the purpose of making such assessment, the Assessor will make inspection of the property;

3. that the owner or occupier of such buildings and vacant sites, shall within a period of 15 days from the date of this notification, furnish in writing to the undersigned a true return to the best of his knowledge and belief and subscribed with his signature—

(*a*) as to the name and place of abode of the owner or occupier or of both.

(*b*) as to the dimensions of such building or vacant site, the annual letting value or other valuation thereof.

Failure to furnish the required information will result in the assessment being made, as per the judgment of the Assessing Officer, with reference to the alternate best information that may be procured on the spot, as also with reference to the present house list and other relevant Municipal Registers.

OFFICE OF THE PRESIDENT, TOWN MUNICIPAL COUNCIL, SAGAR.

Notification dated 27th February 1951.

Revision of Assessment in Sagar Town Municipality on the basis of rental value.

No. H. C. 151—50-51. In accordance with Government Order No. L. 7436 45—M. L. 162-49-1, dated 19th January 1950 according sanction to the levy of assessment on lands and buildings in Sagar Town Municipality based on rental value, the Municipal Council Sagar Town, have at their meeting held on 26th February 1951 passed a resolution to levy assessment on lands and buildings in Sagar Town Municipality at the rate of 6 per cent on the annual letting of buildings instead of levying it on the market value as at present and have accordingly approved the rules framed under clause (h) of Section 46 of the Town Municipalities Act of 1933 as amended from time to time.

Any inhabitant of Sagar Town Municipality objecting to the said levy of the said tax on the basis of the rental value may, within one month from the publication of the said Notification, send his objection in writing to the Municipal Council during office hours on all working days. Any objection received after the said date will not be considered.

H. SIVALINGAPPA,
President.

1715

OFFICE OF THE ASSESSING OFFICER, MUNICIPAL COUNCIL, KOPPA, CHIKMAGALUR DISTRICT.

Notification dated 17th February 1951.

No. Mlc. 54—50-51. It is hereby notified for the information of the owners or occupiers of house and site properties in the municipal limits of Koppa Town—

1. that the revision of assessment work to impose taxes in the form of a rate on buildings and vacant sites in Koppa Town, has been taken up by the Assessing Officer;

2. that for the purpose of making such assessment, the Assessor will make inspection of the property;

3. that the owner or occupier of such buildings and vacant sites, shall, within a period of 15 days from the date of this notification, furnish in writing to the undersigned a true return to the best of his knowledge and belief and subscribed with his signature—

(*a*) as to the name and placeof abode of the owner or occupier or of both.

(*b*) as to the dimensions of such building or vacant site, the annual letting value or other valuation thereof.

Failure to furnish the required information will result in the assessment being made, as per the judgment of the Assessing Officer, with reference to the alternate best information that may be procured on the spot, as also with reference to the present house list and other relevant Municipal Registers.

LOCAL SELF-GOVERNMENT SECRETARIAT.

Dated 9th April 1951.

No.L. 128—Ml. 38-50-28. Under Section 23 (2) (c) of the Mysore Town Municipalities Act, 1933, Sri H. M. Guruswami Gowda, is elected President of the Hoskote Town Municipal Council, Bangalore District.

By Order of His Highness the Maharaja,

227

Dated 11th April 1951.

No. L. 223—Ml. 61-50-12. Under Section 4 (1) of the Mysore Minor Municipalities Act, 1933, as amended from time to time and the rules framed thereunder, it is hereby notified that the Mirle Minor Municipal Council proposes to alter the Municipal Boundary of the Town to include all lands, roads, foot-paths, tanks and buildings, etc., as shown in the revised boundary statement given hereunder—

Persons objecting to the proposed alterations of the Municipal Boundary may within three months from the date of this notification, prefer their objections, in writing, with reasons, therefor through the Deputy Commissioner, Mysore District, Mysore, to the Government. Objections received after the prescribed time will not be considered. The proposed boundary of Mirle Minor Municipality is as follows :—

The revised boundary's starting point is from Sri Yoganarasimhaswamy Temple, which is to the South of the Town and proceeds eastward, along with the southern boundary of Survey Nos. 209 and 208, on the bank of Hale Hosanala and Survey No. 207 and passing in the centre of Survey No. 203 to again follow the southern boundary of Survey No. 196, where it crosses the Chamaraja Left Branch Channel. Again proceeding in the southern boundary of Survey No. 1098 to cross " ತಡದ ಕಡುವಿನ ಓಣಿ " and passing through Survey No. 184, to reach the Chamaraja Left Branch Channel Bank which is at the end points of southern boundary of Survey No. 180 and proceeding northwards accross the High Road of Hampapur and Ramanathpur to follow the eastern boundary of Survey No. 54 and crossing " ಬೀಚನಹಳ್ಳಿ ಓಣಿ " there, continuing in the eastern boundary of Survey No. 38 to follow " ಹನುಮನಹಳ್ಳಿ ಓಣಿ " and ನರಚನಹಳ್ಳಿ ಗಡಿ " to join the North-East boundary point (ಮಿರ್ಲೆ ರವಿನೂ ಗಡಿ) and thereon coming westwards, crossing Mirle-Hosagrahar Road to join and proceed in the lane which is by the side of Northern boundary of Survey No. 9 and crossing Chamaraja Left Branch Channel turning southwards on the bank of the said Channel to follow the eastern boundary of Survey Nos. 7 and 6 to join and proceed in Mirle-Hosagrahar Road, which runs at the southern boundary of Survey No. 1051 and which meets Mirle-Saligrama Road. Proceeding westwards in the said road up to Sri Hunasamma Temple and turning southwards on the bank of Hale Hosanala and following southern boundary of Survey No. 977 and coming back eastwards to join Hale Hosanala Bank near the tank and proceeding southwards to meet the starting point, *i.e.*, Sri Yoganarasimhaswamy Temple.

By Order of His Highness the Maharaja,

M. S. SWAMINATHAN,
Secretary to Government,
Local Self-Government Department.

OFFICE OF THE COMMISSIONER, CORPORATION OF THE CITY OF BANGALORE.

Dated 26th March 1951.

NOTICE.

No. A. 1-C-15/50. The following draft bye-laws are published under Section 371 of the City of Bangalore Municipal Corporation Act, 1949, for the information of the public. The drafts will be proceeded with as laid down in sub-section (b) of Section 371 of the Act. Printed copies of the draft bye-laws are kept at the Municipal Offices (City and Civil Station areas) for public inspection and all persons are permitted to pursue them at any reasonable time free of charge. Printed copies of the draft bye-laws will also be sold to any person requiring them on payment of one anna per draft bye-law.

MIR SAFDAR HUSSAIN,
Commissioner.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (b) of Sub-section (5) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) for the regulation and control of Municipal Dhobikhanas (Public washing), in the City of Bangalore.

1. A municipal dhobikana shall for the purpose of these bye-laws include all the lands together with the buildings thereon belonging to the Corporation which have been, or may hereafter be, set apart by the Corporation for the purpose of a municipal dhobikhana as well as roads and vacant lands within such limits.

2. Every such dhobikhana shall be open for use daily between the hours of 5 a. m. and 6 p. m. or between such hours as may be fixed by the Commissioner from time to time. A notice of such hours shall be affixed in some conspicuous place in such dhobikhana. No dhobi shall enter or remain in such premises except during the hours so notified.

3. Every person intending to use such dhobikhana shall obtain a license from the Commissioner for such purpose which will be granted on payment of the rents and fees prescribed in the schedule appended to these bye-laws.

4. Every person who has obtained a license under bye-law 3 shall be allotted a specific place in such dhobikhana and he shall not use any other place therein. He shall be entitled to use one stone during the month for which the license is granted.

5. The Commissioner or any person authorised by him in this behalf may at his discretion permit any licensee to have one assistant at such dhobikhana and the name of such assistant shall be entered in his license. All persons using the dhobikhana shall obey the orders of the person in charge.

6. No stranger shall enter such dhobikhana except with the written permission of the Commissioner or the person in charge thereof and any person entering such dhobikhana without such permission may be expelled therefrom by the person in charge.

7. No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall be permitted to enter or carry on any business or be employed in or assist in the carrying on of any business in such dhobikhana or remove or assist in the removal of any clothing or other articles to or from such dhobikhana and any person disobeying this bye-law may be expelled from the dhobikhana by the person in charge thereof. Every person engaged in washing, rinsing, starching, drying and ironing clothes shall produce a medical certificate every half year from a Corporation Medical Officer or a Registered Medical Practitioner to the effect that he is free from disease or infection of any kind and is fit for employment in such business. Such certificates shall be granted free of charge by the Corporation Medical Officers.

8. Every licensee shall bring to the notice of the commissioner the occurrence of leprosy or of any loathsome or infections or contagious disease in his house or in the house of his assistant and no person in whose house such disease has occurred shall enter the dhobikhana without the written permission of the Health Officer.

9. No person shall take or send to such dhobikhana for any purpose any bedding, clothing or other articles which he knows or has reason to know, have been exposed to infection from any infections or contagious disease unless

such bedding, clothing or other articles have been previously thoroughly disinfected to the satisfaction of the Health Officer.

10. Every licensee shall deposit with the person in charge of the dhobikhana a statement with the names and address of all his customers.

11. He shall keep soiled and washed clothes in separate places allotted for such purposes.

12. He shall use for washing only such water as is provided for such purpose and the waste water shall be removed as often as may be necessary.

13. He shall cause every place allotted to him or used by him for any purpose to be thoroughly cleansed as often as may be necessary and all refuse collected from such place shall be deposited in such receptacles as may be provided for the purpose.

14. He shall cause all beasts of burden used for carrying clothes to be tied in the place provided for the purpose and shall not allow them to roam about in the premises.

15. He or his assistant shall before leaving such dhobikhana extinguish or cause to be extinguished every fire or light lit by him or his assistant. No fire or light which is dangerous to the safety of such dhobikhana shall at any time be kindled or left alight.

16. He shall be responsible for any damage done to such dhobikhana either by his own act or by the act of his assistant and shall pay compensation for such damage; if any licensee refuses to pay such compensation, he may be expelled therefrom and the amount recovered from him in accordance with Section 420 of the City of Bangalore Municipal Corporation Act.

17. No person shall cook or smoke in any place in the dhobikhana other than at the places provided for such purposes.

18. No person shall spit in or upon such dhobikhana or deposit any filth or refuse in any part of such dhobikhana except in places provided for such purposes.

19. Any person who is found drunk or begging or loitering or making noise or fighting or quarelling or using insulting, abusive or obscene language or misconducting himself or creating disturbance in any other manner in such dhobikhana shall be expelled therefrom by the person in charge.

20. Any licensee or his assistant infringing any of these bye-laws may be expelled from such dhobikhana and be prevented from carrying on any business or occupying or using any room or place therein.

21. No dog shall be permitted in such dhobikhana and any dog found therein shall be dealt with as a stray dog.

22. Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

1. For use of each stone	...	...	Re.	0	8	0
2. For use of each room	...	...	Re.	1	0	0
3. For use of ironing tables		...	Re.	0	8	0

Bye-laws under Section 367 (18) and (20) of the City of Bangalore Municipal Corporation Act 1949, to provide for the Inspection of Milch-Cattle and the Regulation of the ventilation, lighting, cleaning, drainage and water supply of Dairies and Cattle Sheds in the occupation of persons following the trade of Dairyman or Milk Seller; and for requiring notice to be given whenever any Milch-Animal is affected with any contagious disease and prescribing the precautions to be taken order to protect Milch-Cattle and Milk against infection and contamination.

---

1. No person shall use any premises or permit any premises to be used for the purpose of a dairy or a cattle shed within such distance of any human habitation as the Health Officer may specify.

2. The floor of every such premises shall be at least one foot above the level of the adjoining ground.

3. No building in such premises shall be constructed of inflammable material.

33

4. Every such premises shall comply with the following further requirements—

(*a*) It shall have an open space of not less than 10 feet in width at least on two sides within the boundary of such premises. It shall be open on two sides which may, however be fitted with such weather boards and screens as may, in each case, be approved by the Health Officer.

(*b*) It shall have a wall of a height of not less than six feet in any portion thereof between the floor and the wall plate.

(*c*) It shall provide for a floor space of not less than nine feet by four feet for each cow or buffalo, such floor space shall, in each case, be exclusive of the space occupied by any manager or drain.

The owner of any premises licensed for use as a dairy or cattle-shed before these bye-laws come into force which do not fulfil the requirements laid down in bye-law 4 (*a*), (*b*) and (*c*), shall after such premises or any part thereof for the purpose of bringing such premises into conformity with such requirements as the Commissioner may direct.

At least one-third of the whole area of such premises shall be kept as open space.

5. Every person who has obtained from the Commissioner a licence for the use of any premises for the purpose of a dairy or cattle-shed shall cause the flooring of every building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer. Such flooring shall be kept at all times in good order and repair.

6. He shall cause any open space in or upon such premises to be paved or metalled and drained to the satisfaction of the Health Officer.

7. He shall cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

8. He shall not connect any drain in such premises with any public drain or sewer without the written permission of the Health Officer.

9. He shall not pass or permit to be passed any solid refuse from such premises into a public drain or sewer.

10. He shall provide in such premises a sufficient supply of wholesome water and shall not without the previous approval in writing of the Health Officer, cause or suffer any water drawn from a well to be used or supplied to the animals stabled in the said premises or for purposes of washing the animals, cattle-sheds, or of vessels used for keeping milk.

11. He shall provide suitable, covered, airtight, non-absorbant receptacles in such premises for the deposit of all refuse matter and shall cause such receptacles to be emptied not less than twice in every twenty-four hours. The refuse shall be deposited in municipal carts if he is unable to dispose of the same in a manner approved by the Health Officer.

12. He shall cause the premises to be thoroughly washed and cleansed at least twice in every twenty-four hours and to be kept at all times in a clean and sanitary condition.

13. He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot lime-washed at least four times in every year in the months of January, April, July and October or more often if so required by the Health Officer.

14. He shall not permit or suffer any part of such premises to be used for keeping or storing, at any one time, hay or straw in excess of the quantify required during one week for the use of the animals stabled therein.

15. (*a*) He shall not at any time when such premises are used for keeping milch-cattle keep therein a large number of cattle than can be provided for within the space prescribed in bye-law 4 above.

(*b*) He shall give immediate notice to the Health Officer or the Divisional Health Inspector of the occurrence of any infectious or dangerous disease among animals in such premises and shall segregate or remove all sick animals to such place as the Health Officer may direct and shall not sell or cause to be sold or use or cause to be used the milk of any such animal for any purpose without the written permission of the Health Officer.

(c) He shall whenever required by the Health Officer permit the inspection of the animals kept in such premises or bring out, or cause to be brought out for the purpose of inspection all or any of the milch-cattle which are for the time being kept therein and shall provide every such facility as may be required for enabling the person making such inspection throughly to examine the animals or any of them.

16. No person shall permit any human habitation or any closet privy, urinal or cess-pool to communicate directly with or ventilate into a dairy or cattle-yard.

17. He shall not permit or suffer any stall or stable or yard or any part of such premises to be used at any time for purposes of human habitation.

18. He shall provide every vessel used for keeping or storing milk with a tight-fitting cover.

19. He shall cause every vessel used for keeping or storing milk and other products derived therefrom to be cleansed with boiling water before and after use.

20. He shall, before the animals are milked, cause the udder and teats of such animals and the hands of milker to throughly washed and cleansed. He shall also cause the hands of every person employed in handling milk or dairy produce to be thoroughly washed before handling such article.

21. He shall cause every person employed in a dairy or a milk-shop or store to be medically examined on entertainment and once every year thereafter. He shall also require every such person to produce a certificate from a Corporation Medical Officer to the effect that he is free from disease or infection of any kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Corporation Medical Officers and shall be produced by the licensee for inspection as often as may be required by the Health Officer or Inspecting Officers.

22. Whoever committs a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Draft Bye-Laws framed by the City of Bangalore Municipal Corporation under Sub-Section (28) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for the prevention of the spread of Infection from dangerous diseases by means of public conveyances in the City of Bangalore.

For the purpose of these bye-laws, "Dangerous Disease" means cholera, plague, small-pox, tuberculosis, diphtheria, enteric feves, typhoid fever and measles and any other disease notified by Government as such under Section 345 of the Act.

1. No person suffering from a dangerous disease shall be engaged as a driver, conductor or in any other capacity in any public conveyance.

2. No person shall knowingly take or cause to be taken in any public conveyance any article which he knows, or has reason to know, has been exposed to infection from any dangerous disease without previously disinfecting it:

Provided that nothing in this bye-law shall apply to a person who takes or causes to be taken with proper precautions any article for the purpose of having it disinfected.

3. No owner or driver or person in charge of a public conveyance shall be bound to carry any article, which he knows or has reason to know, has been exposed to infection from any dangerous disease, or the corpse of any person who has died of such disease, unless and until he is paid or tendered a sum sufficient to cover any loss or cost that may be incurred in disinfecting such conveyance.

4. No owner or driver or person in charge of a public conveyance, shall knowingly carry or permit to be carried in such conveyance any article which he knows or has reason to know, has been exposed to infection from any dangerous disease, in contravention of Bye-law No. 2.

5. No owner, driver or person in charge of a public conveyance in which the corpse of any person who has died of any dangerous disease or any article which has been exposed to infection from such disease has been carried, shall use such conveyance again for the carriage of passengers or goods unless it has been properly disinfected to the satisfaction of the Health Officer and a certificate to this effect has been obtained from the said officer or any officer duly authorised by him in this behalf.

6. (a) No person who knows that he is suffering from a notifiable disease shall enter any public conveyance without previously notifying the owner, driver or conductor thereof that he is so suffering.

(b) No person having the care of a person whom he knows to be suffering from a notifiable disease shall permit that person to be carried in any public conveyance without previously notifying the owner, driver or conductor thereof that the person is so suffering.

(c) The owner, driver or conductor of a public conveyance used for the conveyance of passengers at separate fares shall not convey therein a person whom he knows to be suffering from a notifiable disease at any time when a passenger not suffering from such disease is being conveyed therein.

(d) The owner or driver of any public conveyance may refuse to convey therein any person suffering from a notifiable disease until he has been paid a sum sufficient to cover any loss and expense which will be incurred by reason of the provision in clause (e).

(e) If a person suffering from a notifiable disease is conveyed in a public conveyance, the person in charge thereof shall, as soon as practicable, give notice to the Health Officer and before permitting any other person to enter the conveyance shall cause it to be disinfected.

(f) The Health Officer when so requested by the person in charge of a public conveyance in which a person suffering from a notifiable disease has been conveyed shall provide for its disinfection.

7. Without the permission of the Health Officer no person shall cause or permit to be carried in a public conveyance the dead body of any person who has died of a notifiable disease.

8. No person who is suffering from a dangerous disease shall spit in or on any part of a public conveyance.

9. The owner or driver or other person in charge of a public conveyance shall afford all facilities to the Commissioner, the Health Officer or any person specially empowered by the Commissioner or the Health Officer in this behalf for the inspection of such conveyance whenever it is in use on the road for the purpose of verifying whether the provisions of these bye-laws are being observed.

10. If the Commissioner or the Health Officer or any other officer duly authorised under Bye-law 5 is of opinion that the cleansing or disinfecting of any public conveyance or part thereof or of any article therein which is likely to retain infection, will prevent or check or tend to prevent or check the spread of any dangerous disease, he may by notice require the owner or driver or person in charge of such conveyance to cleanse or disinfect the same in the manner and within the time specified in such notice, or in the alternative, may carry out such cleansing or disinfection himself at the cost of the owner of the conveyance.

11. Whoever commits a breach of bye-laws 1, 2 and 4 to 9 shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach, with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Sub-Section (28) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act

No. LXIX of 1949) to provide for the prevention of dangerous diseases of men in the City of Bangalore.

---

1. For the purpose of these Bye-laws the term "dangerous disease" means the diseases notified by Government as such under Section 345 of the City of Bangalore Municipal Corporation Act, 1949.

2. The Commissioner or the Health Officer or any person authorised by him in this behalf may, at all resonable hours inspect any place in which any notifiable disease is reported or suspected to exist after such notice as may appear to him reasonable, and take such measures as he may consider necessary to prevent the spread of such disease beyond such place.

3. (*a*) If it appears to the Commissioner or the Health Officer that the destruction of any hut or shed is necessary to prevent the spread of any notifiable disease, he may, after giving to the occupier of such hut or shed, such previous notice of his intention as may in the circumstances of the case appear to him reasonable, take measures for having such hut or shed and all the materials thereof destroyed.

(*b*) If it appears to the Commissioner or the Health Officer that any person suffering from any such diseases is—

(*i*) without proper lodging or accommodation;

(*ii*) lodged in a place occupied by more families;

(*iii*) without medical supervision directed to the prevention of spread of the disease; or

(*iv*) in a place where his or her presence is a danger to the neighbourhood and should be removed to a hospital or other place at which patients suffering from such diseases are received for treatment, the Commissioner or the Health Officer may remove such person or cause his removal to such hospital or place.

(*c*) If any woman who, according to custom does not appear in public, is removed to any such hospital or place.

(*i*) the removal shall be effected in such a way as to preserve her privacy;

(*ii*) special accommodation in accordance with the customs aforesaid shall be provided to her in such hospital or place—

(*d*) No person shall leave or be taken away from any hospital or other place referred to in Sub-Section (*a*) without the permission of the Medical Officer in charge or the Commissioner or the Health Officer.

4. If on the application of the Health Officer, a Magistrate (not being a Magistrate of the Third Class) is satisfied that it is necessary in the interest of the public health that a lodging house or any place where articles of food are sold or prepared or stored or exposed for sale should be closed on account of the existence or recent occurrence in such lodging house or place, of a case of a notifiable disease, the Magistrate may, by order, direct it to be closed until the expiry of such period as may be specified, in the order or until it is certified by the Health Officer to be free from infection.

5. No person shall send or take to any laundry or public wash house or any public water course, tank or well for the purpose of being washed or to any place for the purpose of being cleaned, any clothing, bedding or other article which he knows to have been exposed to infection from any notifiable disease, unless such article has been disinfected by or to the satisfaction of the Health Officer or a Registered Medical Practitioner or unless under instructions from such a person it is sent with proper precautions to a laundry for the purpose of disinfection with notice that it has been exposed to infection or place or cause or permit to be placed in any dust-bin or other receptacle for the deposit of refuse any matter which he knows to have been exposed to infection from a notifiable disease, and which has not been disinfected.

6. No person shall, without a special permit from the Health Officer let or sublet or permit or suffer any prospective tenant enter a building in which he knows or has reason to know that a person has been suffering from a notifiable disease within the three months immediately preceding.

7. (1) No person who knows that he is suffering from a notifiable disease shall expose other persons to the risk of infection by his presence or conduct in—

(*a*) any street or public place,

(*b*) any Market, Theatre or other place of entertainment or assembly, or

(*c*) any School or College, playground or such other place, or

(*d*) any Hotel, Hostel, boarding house, choultry, rest-house or club, or

(*e*) any Factory or shop.

Explanation—

A person shall be deemed to know that he is suffering from a notifiable disease if he has been informed by the Health Officer or any other officer of or above the rank of a Health Inspector or a Medical Practitioner, that he is so suffering.

(2) No person who has the care of a person whom he knows to be suffering from a notifiable disease shall cause or permit that person to expose others to the risk of infection by his person or conduct in any place referred to in clause (1) above.

8. (*a*) If a case of notifiable disease occurs on any premises, the Health Officer may, whether the person suffering from the disease has been removed from the premises or not, make an order forbidding any work to which this bye-law applies to be given out to any person, living or working on those premises or in such part thereof as may be specified in the order, or any order so made may be served on the occupier of the factory from which the work is given out or any contractor employed by such occupier.

(*b*) An order under this bye-law may be expressed to be operative for a specified time or until the premises or any part thereof specified in the order have been disinfected to the satisfaction of the Health Officer or may be expressed to be in operation so long as any other reasonable precautions specified in the order are taken.

9. No person who knows that he is suffering from a notifiable disease shall take any book, or cause any book to be taken for his use, or use any book taken, from any public or circulating library.

10. (*a*) No person having the charge or control of the body of any person who has died while suffering from a notifiable disease shall permit or suffer persons to come unnecessarily into contact with, or proximity to the body.

(*b*) No person shall, without the sanction in writing of the Health Officer keep or suffer in any premises for more than twelve hours the body of any person who has died while suffering from any notifiable disease.

(*c*) If any such body remains undisposed of for more than twelve hours without the sanction referred to in clause (*b*) above, or if the dead body of any person is kept or suffered to be kept in any building, or of any adjoining or neighbouring building, any Magistrate may, on the application of the Health Officer, order the body to be removed and disposed of within a specified time by the Corporation.

(*d*) The expenses of the removal and disposal of any such dead body shall be borne by the Corporation, but such expenses may be recovered as if it were a tax due to the Corporation from any person who would have been legally liable therefor but for such removal and disposal, unless in the opinion of Corporation he is too poor to do so.

(*e*) If any person dies in a hospital or a place of temporary accommodation for the sick, while suffering from a notifiable disease and the Health Officer certifies that in his opinion it is desirable in order to prevent the spread of infection, that the body should not be removed from such hospital or place except for the purpose of being taken direct to a burial or burning ground or a crematorium for being forthwith buried or cremated, no person shall remove the body from the hospital or place except for such a purpose.

(*f*) When the body is removed for the purpose aforesaid, it shall forthwith be taken direct to a burial

or burning ground or a crematorium and there buried or cremated with the least practicable delay.

11. Any one who removes the corpse of any person who has died of any dangerous disease shall bury or burn with such corpse any cloths or clothes used for conveying the same.

12. No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall carry on the calling of a washerman or barber or be employed in or assist in the carrying on of such calling. No leper and no person suffering as aforesaid shall beg in any public street.

13. No washerman shall carry on his calling on the occurrence of any dangerous disease in his premises and he shall not resume his calling without the permission of the Health Officer.

14. On the occurrence of any dangerous disease in his premises a washerman shall retain all clothes in his possession until the written permission of the Health Officer has been obtained to return them to the owners.

15. A washerman shall at once report to the Health Officer or the Divisional Health Inspector all cases of dangerous disease coming to his notice in the course of his calling

16. The person in charge of any premises used for carrying on the calling of a dhobi shall store or cause to be stored soiled clothes in separate rooms.

17. No person shall wash soiled clothing in the source or sources of the public water supply.

18. No person shall flay or cut up in any circumstances the body of any animal which has died of anthrax, glanders, rinderpest or tetanus and the owner or person in charge of such body shall forthwith remove the same and burn it or bury it at least six feet deep after completely covering it with a layer of lime at least one inch in depth,

19. The Commissioner or the Health Officer may seize any article which is infected, or is suspected to be infected, with anthrax or tetanus and cause it to be disinfected and returned to the owner. Wherein the opinion of the Health Officer such disinfection is not possible, the Commissioner or the Health Officer shall cause such article to be forthwith destroyed.

20. If in the opinion of the Health Officer there is imminent danger of the introduction of dangerous epidemic disease, the Commissioner may, (with the sanction of the Government) by public notice, prohibit the entry into municipal limits of person or persons during a specified period. No vagrant of professional beggar shall after such notice and during such specified period enter the municipal limits.

21. In the event of the prevalence of a notifiable disease in the municipal limits, on the application of the Health Officer, any Magistrate not being a Magistrate of the Third Class, having local jurisdiction shall have power to prohibit either generally, or by special order any individual case, assemblages consisting of any number of persons exceeding fifty, in any place, whether public or private, or in any circumstances or for any purpose, if in his opinion such assemblages in such place, in such circumstances or for such purpose, would be likely to become a means of spreading the disease or of rendering it more virulent.

22. The Health Officer or any other officer authorised by him may enter upon any premises and take such steps as may be necessary for the purpose of destroying the rats, mice, and other animals susceptible to plague infesting the same, after giving not less than twenty-four hours previous notice to such occupier or owner.

23. (1) Whoever infringes any of the foregoing bye-laws shall be punished with fine which may extend to Rs. 50 and in case of a continuing breach with a fine which may extend to Rs. 15 for every day during which the breach continues after conviction for the first breach, and

(2) whoever disobeys or fails to comply with any notice or order issued under any of these bye-laws shall be punished with fine which may extend to Rs. 50 and with fine which may extend to Rs. 10 for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws adopted by the Corporation of Bangalore under Section 367 (19), (20) and (34) of the City of Bangalore Municipal Corporation Act, 1949 (LXIX of 1949), to provide for enforcing the cleanliness of milk stores and milk shops and vessels and utensils used by the keepers thereof, or by hawkers for containing or measuring milk or preparing any milk product, and for enforcing the cleanliness of persons employed in the milk trade, requiring notice to be given whenever any milch animal is affected with any contagious disease and prescribing the precautions to be taken in order to protect milch cattle and milk against infection and contamination.

BYE-LAWS.

Food Control—Milk.

1. No building used as a milk store or milk shop shall be constructed of inflammable materials.

2. The keeper of every premises used as a milk store or milk shop shall cause the flooring of every building on such premises to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer, and shall cause the same to be maintained at all times in good order and repair.

3. He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

4. He shall cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

5. He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot limewashed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

6. He shall not use or permit to be used for the washing or cleaning of milk vessels, or for any other purpose by which it may be brought into contact with milk or butter, any water other than that from a public main or from a well previously approved in writing by the Health Officer.

7. He shall provide a sufficient supply of such water to the premises.

8. He shall not keep any milk intended for sale or distribution in open vessels; but all vessels containing such milk shall be provided with covers and handles and other necessary accessories.

9. He shall not keep or permit to be kept outside the premises or on the public road or street any vessel used or intended to be used for containing milk or butter.

10. He shall cause the premises to be thoroughly washed and cleaned at least once in every twenty-four hours.

11. He shall provide in such premises a sufficient number of counters, shelves or benches for keeping milk vessels and utensils, and shall cause such counters, shelves or benches to be thoroughly washed and cleansed at least once in every twenty-four hours; he shall not at any time keep such milk vessels and utensils on the ground.

12. He shall not permit any part of any premises used as milk store or milk shop to be used at any time for purposes of human habitation.

13. Every keeper of a milk store or shop or dealer in or importer or seller or hawker of milk or dairy produce shall in the course of his business use only vessels of aluminium, brass or enamel or vessels made of earthenware or such other material as may be approved by the Health Officer and such vessels shall be kept at all times in good order and repair, and in a clean and sanitary condition and shall not be used for any purpose other than that for which they are primarily intended.

14. He shall cause every vessel or utensil used for containing or measuring milk or preparing any dairy produce to be rinsed with boiling water and thoroughly cleansed before and after use. He shall also, before and after handling such milk or dairy produce, thoroughly wash his hands.

15. He shall take all reasonable and proper precautions in connection with the collection, storage, and distribution

of milk and otherwise to prevent any infection, contamination or adulteration of such milk.

16. He shall not deposit or keep milk intended for sale—

(a) in any room or place where it would be liable to become infected or contaminated by impure air, or by any offensive, noxious or deleterious gas or substance or by any noxious or injurious emanation, exhalation or effluviume, or

(b) in any dwelling house or room or place used for sleeping or cooking, or

(c) in any room where any other trade is carried on, or

(d) in any room or building or part of a building communicating directly by door, window or otherwise with any room used as sleeping room or in which there may be any person suffering from any loathsome, infectious or contagious disease or which may have been used by any person suffering from any such disease and may not have been properly disinfected, or

(e) in any room or building or part of a building in which there may be any direct inlet to any drain or which opens on to a gully or with which a latrine communicates directly.

17. He shall not without the written permission of the Health Officer sell or cause to be sold or use or cause to be used the milk and milk products of any animal if such animal appears to be in ill-health, or if such animal suffers from any loathsome, infectious or contagious disease, or if its udders or teeths have any erruption or glandular swelling, or are affected with rinderpest or are in any way in an unhealthy condition. The fact that such animal is in any condition shall be forthwith reported to the Health Officer, or the Divisional Sanitary Inspector.

18. No person engaged in preparing, selling, distributing or assisting in the preparation, sale or distribution of milk and dairy produce shall after knowingly coming in contact or communication with any person suffering from any loathsome infectious or contagious disease continue to engage in such business without the written permission of the Health Officer. On the occurrence of any such disease in his house, he shall cease to carry on such business and shall not resume such business without the written permission of the Health Officer.

19. No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall prepare, sell or distribute or assist in the preparation, sale or distribution of milk or dairy produce.

20. Whoever commits a breach of any of the above bye-laws shall be punishable.—

(a) with fine which may extend to fifty rupees, and in the case of continuing breach, with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach

---

Bye-laws framed by the City of Bangalore Municipal Corporation under Sub-Section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for the sanitary control and supervision of places used for packing, pressing, cleansing, preparing or manufacturing by any process whatever, cement or paper.

---

1 No person shall use any premises within 200 yards of any human habitation for packing, pressing, cleansing, preparing or manufacturing by any process whatever cement or paper.

2 Every person who has obtained from the Commissioner a licence for the use of any premises for any of the purposes referred to in bye-law No. 1, shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

3 He shall cause all materials which have been received upon such premises and which are not required for immediate use to be stored in such a manner and in such a situation as to prevent the emission of any dust, or other impurities therefrom.

4 He shall adopt and shall cause to be maintained at all times in good order and efficient action all such means and appliances for rendering innocuous all dust, dirt or other impurities emitted during any process either from the articles operated on or from the contents of any cask, tank, vat, pan, vessel or utensil, trough or other receptacle upon such premises.

5 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed twice at least in every year in the months of April and October or more often if so required by the Health Officer.

6 He shall cause every part of the internal surface of the walls and floor or pavement upon such premises to be kept at all times in good order and repair.

7 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

8 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

9 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the purpose of preventing injury to any person employed therein or for preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

10 He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and deposited in suitable covered air-tight non-absorbent receptacles or places to the satisfaction of the Health Officer. He shall cause all such refuse to be removed from the premises at least twice in every twenty-four hours to the dust bin or any receptacle or cart provided by the Commissioner.

11 He shall not permit or suffer any part of the building in such premises to be used at any time for purposes of human habitation.

12 He shall cause such practical measures as are necessary for combating any outbreaks of fire and to prevent any nuisance caused by the dust, dirt or other impurities generated therein or by the noise from such engine, mill, machinery or press.

13 He shall not permit any work to be carried on in the premises between 6 P.M. and 6 A.M. without the written permission of the Health Officer.

14 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Sub-Sections 5 (b) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) to regulate the use of swimming baths, in the City of Bangalore.

---

1. The Swimming Pool will be open from 6 A.M. to 6 P.M. daily with an interval of two and a half hours from 11-30 A.M. to 2 P.M. During summer, *i.e.*, from the 15th March to end of May, however, it will be open from 5-30 A.M. to 6 P.M. continuously without any interval. The timings are liable to change according to circumstances.

2. The Swimming Pool will be reserved for ladies from 4-30 P.M. to 6 P.M. daily and males will not be admitted during this period.

3. (1) Admission to the Swiming Pool will be by tickets which can be purchased at the Swimming Pool.

(2) The rates of admission are as follows :—

(a) Two annas per hour or part thereof for each individual who wishes to swim.

(b) Two rupees for a monthly season ticket for each individual.

(c) Two annas per visit for each sightseer or visitor.

(3) No ticket shall be transferable.

(4) *Bona-fide* students below the age of 18 years may be admitted at three-fourths of the above rates of admission.

4. Concession at half the above rates will be shown for Scout Groups, Water Polo Team and Competitors for aquatic games. The Swimming Instructor in charge of the Pool will give the necessary information.

5. Every person who is admitted to, and desire to swim in the Swimming Pool shall adhere strictly to the following regulations :—

(a) He should wear only the prescribed swimming costumes and remove and keep all other clothing of his in the cubicle provided for the purpose ;

(b) He should go to the toilet room and take a shower bath in the place provided ;

(c) He should wade through the water before entering the pool ;

(d) He should abide by such other instructions as may be given to him by the Instructor.

6. Persons wearing other than swimming costumes or nickers will not be allowed to enter the pool.

7. Ladies shall wear swimming costumes and rubber caps.

8. No leper or any person suffering from any loathsome contagious or infectious disease shall enter the baths. Persons with cuts, bandages, corn plasters, newly vaccinated, will not be allowed inside the baths.

9. No person shall spit, wash his mouth or smoke or chew inside the baths.

10. No person shall bathe in the Swimming Pool with oil or soap on any part of his body.

11. No person shall take dogs or other animals into the baths.

12. Visitors will be prevented from walking all-round the pool. They must sit in the places provided for them.

13. Admissions will not be granted to any person to use the baths in the absence of the Instructor or the Assistant.

14. The Swimming Pool may be reserved for half a day either in the morning or evening for the use of any person or persons on giving a week's advance notice along with a full deposit of Rs. 10 only. No refund will be made. The refusal or the acceptance rests with the Commissioner.

15. Whoever acts in violation of bye-laws Nos. 3, 4, 5, 6, 8, 9, 10, 11, 12 and 13, or behaves in a disorderly manner or commits any other nuisance is liable to be ejected by the Swimming Instructor or his Assistant in charge of the Pool. He shall also be liable on conviction before a Magistrate to a fine not exceeding Rs. 50.

16. The Swimming Instructor or the Assistant Instructor in charge of the bath shall have discretion to refuse admittance to any person deemed to be undesirable or suspected to be suffering from a loathsome or infectious disease.

Bye-laws under Section 367 (16) of the City of Bangalore Municipal Corporation Act, 1949, for the Sanitary Control and Supervision of Places used for Storing, Packing, Pressing, Cleansing, Preparing or Manufacturing, by any process whatever, Ammunition, Fire-Works, Gunpowder, Chlorate Mixture, Fulminate of Mercury, Gun-Cotton, Nitro-Glycerine, Nitro-Compound or Nitro-Mixture, in the City of Bangalore.

---

1. No person shall use any premises within the Corporation limits or permit any premises within such limits to be used for storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever, ammunition, fire-works, gun-powder, chlorate mixture, fulminate of mercury, gun-cotton, nitro-glycerine, nitro-compound or nitro-mixture, without obtaining a license granted under the Mysore Explosives Rules, 1943.

2. Every person who has obtained a license for the use of any premises for any of the said purposes shall cause such premises to be thoroughly cleansed as often as may be necessary and at least once in every 24 hours and shall prevent any accumulation of filth or refuse therein.

3. He shall provide suitable means of ventilation and lighting upon or in connection with such premises and cause the same to be maintained at all times in good order and efficient action.

4. He shall cause the flooring of every part of such premises to be paved or otherwise made impervious and drained to the satisfaction of the authorities concerned and such flooring shall be kept at all times in good order and repair.

5. He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

6. He shall adopt the best practical means of rendering innocuous all gas vapour, fumes, dust or other impurities arising from any source in such premises.

7. He shall provide in such premises a sufficient supply of pure and wholesome water and suitable means and appliances to combat any outbreak of fire.

8. He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all means and appliances required for the purpose of preventing any injury to any workmen employed therein or preventing, abating, or minimising any nuisance or annoyance to the neighbourhood or to the public.

9. He shall not permit or suffer any part of building on such premises to be used at any time for purposes of human habitation.

10. He shall not take or permit any person to take his meals in such premises.

11. He shall obey any specific directions issued by the Commissioner in regard to the observance of the aforesaid rules.

12. Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-Laws framed by the City of Bangalore Municipa Corporation under Sub-Section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for the sanitary control and supervision of premises used for packing, pressing, clea sing, preparing or manufacturing flour or manufacturing condiments or for husking (for other than domestic use) in the City of Bangalore.

---

1. No person shall use any building for packing, pressing, cleansing, preparing or manufacturing by any process whatever flour, or manufacturing condiments (for other than domestic use) unless it is constructed of masonry and unless every part thereof is constructed of non-inflammable materials.

2. (i) Any person using or desiring to use any premises for the above purposes shall apply to the Commissioner, in writing, for a license. The Commissioner may either grant or refuse such license. When the Commissioner refuses the grant of a license, he shall give reasons therefor and an appeal shall lie to the Standing Committee of the Corporation from such order of refusal.

(ii) No license shall be granted for a period exceeding one year and every license shall be granted so as to expire with the official year, and may be renewed on application for a similar period one month before the expiry of the license.

(*iii*) Every application for a license under this bye-law shall be in the Form in Schedule " A ".

(*iv*) (*a*) The license granted under this bye-law shall not be transferable either as regards the person to whom it is issued or the place for which it is granted.

(*b*) It shall be in the form in Schedule "B".

(*c*) For every license granted under this bye-law, fees shall be charged as shown in Schedule "C".

(*d*) The license shall be affixed in a glass frame in a conspicuous place in the business premises to which it relates.

3. Every person who has obtained from the Commissioner a license for the use of any premises for any of the abovesaid purposes shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least twice in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

4. He shall cause all materials which have been received on such premises and which are not required for immediate use in his trade to be stored in such a manner and in such a situation as to prevent the emission of noxious or injurious effluvin therefrom.

5. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hotlime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

6. He shall provide suitable means of ventilation and lighting and shall adopt such practical means as may be approved by the Health Officer for the prevention of all nuisance from smoke or other effluvin arising during any process in the manufacturing, etc. He shall also maintain them at all times in good order and efficient action.

7. He shall cause the flooring of every building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Commissioner and such flooring shall be kept at all times in good order and repair.

8. He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

9. He shall not permit or suffer any part of the building upon such premises in or upon which any of the said articles is kept or stored or manufactured to be used at any time for the purposes of human habitation.

10. He shall provide suitable non-absorbent air-tight covered receptacles in such premises for the deposit of all refuse matter and he shall cause such receptacles to be emptied as often as may be necessary and at least twice in every 24 hours into the dust-bin provided by the Corporation.

11. No person shall spit in or upon such premises except in such receptacles or places as are provided for the purpose.

12. The licensee shall provide in such premises latrines in such position and of such description, size and number as the Health Officer may direct for the use of persons employed therein. The licensee shall not provide any lavatory, urinal or latrine opening directly into, or upon, any place where condiments or other articles are manufactured or stored, otherwise than through a fully ventilated passage.

13. Every person employed therein shall produce once a year or as often as may be required by the Health Officer, a certificate from a Municipal Medical Officer or a Registered Medical Practitioner to the effect that he is free from disease or infection of any kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Municipal Medical Officer.

14. The licensee shall keep at all times all trays and other utensils used in the business in a clean and sanitary condition and in good order and repair.

15. The licensee shall store in bags all flour and other articles which are not required for immediate use and shall place them not on the ground but on benches, tables or other raised platforms made of impervious material.

16. The licensee shall provide every person employed in such premises with a clean apron.

17. The licensee shall pack or store all flour, condiments and other articles prepared in such premises in such a manner as to completely protect them from dust and flies.

18. No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in Bye-law 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

19. Every licensee shall cease temporarily to carry on such business on the occurrence of any loathsome, infectious or contagious disease in his house or in the house of any person employed in or assisting in such business and he shall not sell any article made or kept therein or resume his business without the written permission of the Health Officer.

20. The licensee shall not admit any dog or cattle into any such premises.

21. Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

"Vehicle" shall include bicycles, tricycles, auto-motor cars, rickshaws, perambulators, and every other wheeled conveyance which is used or is capable of being used on a street.

"Road" includes a street but excludes any portion of the road surface that may be specially designated by means of a line made on the road-surface or by notice or by sign boards for parking of animals or vehicles.

2. *Rules of the Road*—(*a*) *Keeping to the left.*—Any person who rides, drives, drags or pushes any vehicle or rides any animal shall keep close to the left hand side of the road and shall allow all traffic which is proceeding in the opposite direction to pass him on his right hand side.

Provided that persons wheeling cycles shall whenever possible wall on the "off" side of the road, *i.e.*, keeping approaching traffic on their left hand side.

(*b*) *Passing to the right.*—Save as provided below such person shall pass to the right of all traffic proceeding in the same direction as himself.

(*c*) *Passing to the left.*—Such person may pass to the left of a vehicle the driver of which having indicated an intention to turn to the right has drawn to the centre of the road.

(*d*) *Overtaking on One-way street.*—In a one-way street, such person may, where necessary, turn to the left or near side of other vehicles.

(*e*) *Overtaking prohibited in certain cases.*—Notwithstanding the above provisions no such person shall pass or overtake a vehicle in the following circumstances, that is to say :—

(*i*) when such passing or overtaking is likely to cause inconvenience or danger to other traffic, or

(*ii*) when such person is in the vicinity of a bend or corner or hill or other obstruction which impedes his view ahead.

(*f*) *Overtaking not to be obstructed.*—Such person shall not, when being overtaking or being passed by any other such person, increase speed or do anything in any way to prevent the other person from passing him.

(*g*) *Caution at road junctions.*—Every such person shall exercise due caution when approaching a road intersection, a road junction or corner, and shall not enter any such intersection, or junction until he has become aware that he may do so without endangering the safety of persons thereon.

(*h*) *Giving way to traffic at road junctions.*—Such person when entering a road intersection at which tarffic is not being regulated by a police officer or by other means, shall, if the road entered is a main road designated as such by competent authority, give way to vehicles proceeding along that road, shall in any other case give way to all traffic approaching the intersection on his right hand.

(*i*) At any such road intersection at which a sign-board bearing the warning sign "*Halt*" shall have been erected, such person shall cause any vehicles ridden, driven, dragged or pushed or any animal ridden or led, to come to a dead stop before any part of such vehicle or animal shall have crossed any line marked on the road-surface for the purpose of this rule, or if there be no such line, before any part of such vehicle or animal shall have crossed the nearer edge of the carriage way of the road designated as the "Main Road".

(*j*) *Turning to left or right.*—Such person shall :—

(*i*) when turning to the left, keep as close as may be to the left hand side of the road from which he is making the turn and of the road which is entering ; and

(*ii*) when turning to the right, draw as near as may be to the centre of the road along which he is travelling and cause the vehicle or animal, as the case may be, to move in such a manner that—

as far as may be practicable, it passes beyond and to the left of a point formed by the intersection of the centre lines of the intersecting roads; and

it arrives as near as may be at the left hand side of the road entered.

(*k*) At any road intersection at which a centre pillar or island shall have been erected, such person shall keep to the left of such pillar or island, unless otherwise directed by a Police Officer on duty or by a sign post at or near such road intersection.

3. *Traffic signs and traffic police.*—Every such person and every other person using a road shall obey—

(*a*) every direction given, whether by signal or otherwise, by a police officer for the time being in charge of the regulation of traffic ; and

(*b*) any direction applicable to him and indicated on or by any notice, sign or signal fixed or operated by competent authority.

4. *Fire engine or ambulance to be given free passage.*—Every such person shall on the approach of a fire engine or ambulance allow it free passage by drawing to the side of the road.

5. *Leading animals.*—Any person leading an animal or driving an animal not attached to a vehicle shall place himself between such animal and other traffic, and shall keep such animal on the extreme side of the road.

6. *Signals to be given by drivers.*—The following signals shall be used by the drivers of all vehicles provided that they shall not be obligatory in the case of bullock carts :—

(1) When about to turn to the right or to drive to the right hand side of the road in order to pass another vehicle or for any other purpose, a driver shall extend his right arm in a horizontal position outside of and to the right of his vehicle with the palm of the hand turned to the front.

(2) When about to turn to the left or to driver to the left hand side of the road, a driver shall extend his right arm and rotate it in an anti-clock-wise direction.

(3) When about to slow down, a driver shall extend his right arm with the plam downward and to the right of the vehicle and shall move the arm so extended up and down several times in such a manner that the signal can be seen by the driver of any vehicle which may be behind him.

(4) When about to stop, a driver shall raise his right fore arm vertically outside of and to the right of the vehicle, palm to the front.

(5) When a driver wishes to indicate to the driver of a vehicle behind him that he desires that driver to overtake him, he shall extend his right arm and hand horizontally outside of and to the right of the vehicle and shall swing the arm backwards and forwards in a semi-circular motion.

NOTE.—The overtaking driver is responsible for satisfying himself that he can overtake with safety.

Alternatively, the following signals may be used by the drivers of horse-drawn vehicles :—

(6) When about to stop, the driver shall raise his whip vertically with the arm extended above the right shoulder.

(7) When about to turn, the driver shall rotate the whip above the head ; then incline the whip to the right or left to show the direction in which the turn is to be made.

NOTE.—The directions to be given by a police officer in charge of traffic control shall be as following :—

(*a*) To stop a vehicle approaching him from the front-Arm held above the head, palm facing the vehicle.

(b) To stop a vehicle approaching him from the rear—Arm held out horizontally at full lenght from the shoulder.

(c) To motion vehicles to proceed in a certain direction—Arm moved with a circular motion from the vehicle to the direction in which it is to proceed.

(d) At night In any such manner as the Deputy Inspector-General of Police, City of Bangalore may direct.

7. *Direction indicators:*—Any driver of a vehicle may signify his intention to turn to the left or right by means of a suitable mechanical or electrical device permanently fitted to the vehicle and illuminated at night by an amber light.

NOTE:—Any such device fitted to a motor vehicle must comply with the provisions of such of the Mysore Motor Vehicles Rules, as may be in force from time to time.

8. *Caution while turning:*—Any driver of a vehicle signalling his intention to turn shall, before turning, satisfy himself that he can do so without danger to other traffic.

9. *Parking of vehicles:*—No person shall drive, ride, lead or park any vehicle or animal on any road, street or other public place, where the use of parking of such vehicle has been prohibited by a competent authority.

NOTE—This rule shall not apply to a toy vehicle or conveyance primarily intended for the carriage of children.

10. *Rash or negligent driving or riding:*—No person shall drive or ride any animal, or drive, drag or push any vehicle in a rash and negligent manner

11. *Intoxicated persons not to drive or be in charge of any vehicles*—No intoxicated person shall drive or otherwise be in charge of any vehicle or of a vehicle drawn by any animal.

12. *Drivers not to sleep.*—No driver of a vehicle moving along a road shall sleep or otherwise neglect to exercise due control over the movements of the vehicle.

13. *Children not to drive certain vehicles.*—No person under the age of eight years in the case of a cycle or of 12 years in the case of other vehicles shall have charge of a vehicle moving on the road other than an invalid chair or a toy vehicle.

14. *Stationary vehicles and animals.*—No driver or person in charge of a vehicle and no person in charge of a vehicle and no person in charge of an animal shall cause or allow such vehicle or any animal to remain stationary on any road in such position or in such a condition or in such circumstances as to cause or be likely to cause danger, obstruction or undue inconvenience to other users of the road.

15. *Control of vehicles and cattle.*—No person being in charge of any vehicle or cattle shall leave it or them, at such a distance as not to have the same under due control.

16. *Keeping, making or repairing a vehicle or vehicles on roads forbidden.*—No person shall in any street, clean or expose for show, hire or sale any animal or vehicle, or make or repair any part of any vehicle, except in cases of accidents where repair on the spot is necessary.

17. *Training and breaking of animals.*—No person shall train or break any horse or other animal except in such places and at such times as may be allowed by the commissioner of the Corporation, or any officer appointed by him for the purpose.

18. (1) *Loading and un-loading of vehicles.*—No person shall cause any vehicle to remain or stand longer than may be necessary for loading or un-loading or for taking up or setting down passengers, except at places appointed for the purpose by the Commissioner of the Corporation or any officer appointed by him for the purpose.

(2) No cart, motor bus or lorry entering the Corporation limits with passengers or laden with commodities of any description for sale or otherwise shall be allowed to stand so as to cause obstruction to general traffic in the crowded thoroughfares and streets of the Corporation beyond the time necessary or ordinarily required for unloading or otherwise, after which, the cart, motor bus or lorry must either proceed to its destination or to one of the public or private stands set apart for conveyances.

(3) Carts loaded with fuel, cholam stalks of straw shall not be allowed to stop on the public roads or streets other than in places set apart by the Corporation for the purpose.

19. *Flying of kites.*—No person shall fly a kite on any street accessible to vehicles.

20. *Mischief or obstruction by driving cattle.*—No person shall cause mischief or obstruction by negligence or ill-usage in driving cattle.

21. *Control of horses and cattle on roads.*—No person shall negligently let loose any horse or cattle on any street.

22. *Load not to protrude laterally.*—No person shall load or permit any vehicles to be loaded in such manner that the load protrudes laterally beyond the extremity of the vehicle and no person shall permit any vehicle to be loaded in such manner as to be a source of danger to other traffic or to any person:

Provided that in the case of carts, the load may protrude laterally not more than one foot on either side.

23. *Length of brake on vehicles.*—No person shall drive or cause to be driven any vehicle the brake of which projects for more than six inches on either side beyond the outside ledge of the tyre of the wheel on which the brake works.

24. *Hobbling of wheels.*—No person in charge of a vehicle shall permit the hobbling of wheels or the application of a drag shoe to the wheels of the vehicle.

25. *Load more than 20 feet long.*—No person shall drag any load of timber or other material more than twenty feet in length or carry any such load by cart unless the load is carried on four wheels.

26. *Projection of load in front and rear.*—No person shall load or permit any vehicles to be loaded in such manner that the load projects beyond the front extremity of the vehicle or projects more than 5 feet beyond the rear of the vehicle, or if more than one vehicle is used, more than 5 feet beyond the rear of the last vehicle.

Exemption.—The Deputy Inspector-General of Police, City of Bangalore, may relax rules 25 and 26 to a specified extent in regard to specified classes of vehicles at specified hours on specified roads.

27. *Caution when load projects at end.*—If any load is carried which projects more than 3 feet beyond the end of the vehicle or the last of the connected vehicles, there shall be attached at the end of such load—

(a) during the period after half an hour before sun-rise and before half an hour after sun-set, a red flag of dimensions not less than 2′ × 2′ and

(b) at other times, a lamp exhibiting a red light to the rear in addition to any other lamps which the vehicle may be required to carry.

28. *Load weighing over half Ton.*—No load weighing more than ½ ton shall be carried on a vehicle fitted with tyres less than 3 inches in width on roads to which this rule is made applicable by an order of the Deputy Inspector-General of Police, City of Bangalore, or of the Commissioner of the Corporation, and published in the *Mysore Gazette.*

29. *Loading of vehicles at edge of roads.*—Every vehicle which is being loaded or unloaded shall be stationed on the extreme side of the road and shall, if possible, be stationed outside the side-drain, or, if there is no side-drain, on the road margin outside the roadway, and the provisions of rule 14 shall further be strictly complied with.

30. *Riding on Cycles.*—(1) No person shall ride a cycle on any road—

(a) unless it is provided with efficient brakes and bell, or

(b) in any other manner than on the saddle.

(2) No person riding a cycle other than a tandem on any road within the limits of the Bangalore Corporation shall carry any other person on such cycle:

Provided that a person below 8 years of age may be carried in or on a seat or other suitable contrivance securely attached to the cycle or so constructed that it will not project sideways to an extent greater than the maximum span of the handle bars of the cycle.

(3) Cyclists shall not ride more than two abreast and shall ride in single file whenever road or traffic conditions require it.

31. *Towing of vehicles by cyclist*—No cyclist or motor cyclist on any road shall tow or allow himself to be towed by any other vehicle.

32. *Towing cyclist by other vehicles.*—No driver of vehicle shall tow a cyclist or motor cyclist.

33. *Cycle Stands.*—No person shall erect a cycle stand or receive bicycles for temporary storage from the public on payment except on a license granted by the Commissioner of the Corporation.

NOTE.—A license shall not be necessary unless fee is charged for storage.

34. *Horn to be used only on motor vehicles.*—No horn or siren shall be used by the driver or rider of a vehicle other than a motor vehicle.

35. *Lighting of vehicles other than motor vehicles.*—The following rules apply to the lighting of vehicles other than motor vehicles. The lights specified shall be exhibited by night during the period between half an hour after sunset and half an hour before sunrise:—

(*a*) Every such vehicle other than a bicycle or tricycle or bullock-cart not registered under the Mysore Public Conveyance Act, 1911 and the rules thereunder, or hand-cart shall carry two lighted lamps one on either side of the vehicle. The lamps shall exhibit a white light to the front in the direction in which the vehicle is proceeding or is intended to proceed and shall show the full width of the vehicle. These lights may be fitted with a red disc in the rear. If such lights are not fitted with red discs in the rear or if the red disc of either of the lights is obscured, the vehicle shall carry a lighted lamp on the off-side of the vehicle exhibiting a red light to the rear.

(*b*) Every bicycle and tricycle shall, when ridden have attached to it—

(i) in front, a lamp exhibiting a white light in the direction in which the vehicle is proceeding: Provided that a tricycle with two front wheels shall have attached to it two lamps, one on either side exhibiting a white light to the front in the direction in which it is proceeding; and

(ii) at the back, a lamp exhibiting a red light in the direction opposite to that in which the vehicle is proceeding or a red reflector.

If a reflector is attached, it shall be fixed to the vehicle vertically at a height of not less than 15 inches from the ground and facing squarely to the rear on a white surface of not less than 12 square inches in area.

(*c*) Every bullock cart not registered under the Mysore Public Conveyance Act, 1911 and the rules thereunder, and every hand-cart shall carry a single light and lamp exhibiting a white light so placed as to be visible from the front and rear.

Whoever drives any goods-cart drawn by bullocks within the Corporation limits shall proceed at a walking pace and the bullocks shall be bridled with ropes of sufficient strength to admit of the driver of having perfect control over them.

(*d*) No vehicle shall display a red light in the direction in which it is proceeding:

Provided that whenever a number of vehicles are parked under police supervision, it shall not be necessary for them all to be lighted, but the police officers present shall at their discretion decide which particular vehicles shall be lighted.

No vehicle shall carry a lamp burning petrol or kerosine oil under pressure, or accetyelene gas or illuminated by electricity, unless such lamp is so constructed, fitted and maintained that the beam of light emitted therefrom in any direction is permanently deflected downwards or shaded to such an extent that it is at all times incapable of dazzling any person standing on the same horizontal plane as the vehicle at a greater distance than 25 feet from the lamp or whose eye level is not less than 3 feet 6 inches above that plane.

36. *Pedestrians to keep to foot-path*—In any road, street or thoroughfare where foot-paths have been provided, whether on both sides or one side only, for the exclusive use of pedestrians, no person other than a person pushing a bicycle or tricycle on foot, shall, without reasonable cause, proceed on the carriage way. In any other public road, street or thoroughfare, no person shall, without reasonable cause, proceed except on the extreme sides.

37. *Vehicles on foot-path.*—No vehicle other than an invalid carriage or a toy vehicle, or a cycle ridden by a person below 8 years of age, shall be used or kept on foot-path.

38. *Animals and vehicles on foot-paths or in parks.*—No one shall drive or ride any animal, or drive, drag, push or propel any vehicle on any foot-path or through any part of any park intended and reserved for pedestrians.

Exception.—This rule does not apply to bicycles, perambulators or invalid chairs, when being pushed by hand, or to a toy vehicle.

39. *Use of culverts and bridges.*—No person shall drive, drag or push over any culvert or bridge any vehicle the laden-weight of which exceds the weight which may be specified by the Commissioner of the Corporation, as the maximum safe load for such culvert or bridge on a notice board erected at each end of such culvert or bridge.

40. *Closure of road by the Commissioner of the Corporation.*—(1) The Commissioner of the Corporation may, by notice, close for the purpose of repair any of the roads or parts thereof which are vested in the Corporation to all or any particular class of vehicular traffic.

(2) No person shall, during the period covered by the notice mentioned in sub-rule (1), use any road or part thereof which has been closed under that sub-rule contrary to the terms of such notice.

(3) The Commissioner may, also after due notice, prohibit from time to time, the use of any road, street or lane within the Corporation limits for vehicular traffic.

The Commissioner may further, after due notice, prohibit motor buses and lorries plying for hire (with the exception of Government, Corporation and Postal vehicles) from using the roads specified in such notice.

41. *Closure of roads by police.*—(1) Without prejudice to the powers of the Commissioner of the Corporation, or any other authority empowered by any Corporation rule, the Deputy Inspector-General of Police, City of Bangalore, may, in consultation with the Corporation by notice on a notice board erected at the spot, close any public road or street or any part thereof, to all or particular kinds of vehicular traffic.

(2) No person shall, during the period covered by the notice mentioned in sub-rule (1), use any public road, street or part thereof, which has been closed under that sub-rule, contrary to the terms of such notice.

42. *Stopping of vehicles by Police Officers and Magistrates.*—Any Police Officer or any Magistrate of and above the second class and any other person specially empowered in this behalf by the Corporation may—

(*a*) stop any vehicle infringing any provision contained in these rules and demand the name and address of the person in charge thereof, and if necessary, take his thumb impression.

(*b*) where necessary, and practicable, direct that any vehicle infringing rules 11, 13, 22, 23, 24, 25, 26, 27, 28, 35 and 39, shall not proceed further until the provisions of such rule are complied with, or

(*c*) direct any vehicle to be taken to the nearest police station or any other place where a suitable weighing machine is available, whichever, considering the circumstances, including the direction in which the vehicle is proceeding, may be more convenient, for the purpose of ascertaining whether rule 28 or 39 has been infringed, and detain the vehicle if necessary, until he is satisfied in regard to the point in doubt and the identity of the person in charge of the vehicle.

43. *Penalty.*—Whoever commits a breach of, or disobeys any direction made under any of the above rule shall be punishable—

(*a*) with fine which may extend to fifty rupees, and in case of a continuing breach, with fine which may extend to five rupees for every day during which the breach continues after conviction for the first breach, or.

(*b*) with fine which may extend to five rupees every day during which the breach continues after receipt of

notice from an officer empowered in this behalf by the Corporation or the Deputy Inspector-General of Police, City of Bangalore, to discontinue such breach.

44. *Prosecutions.*—No prosecution for a breach of any of these rules shall be instituted by any officer of the Corporation, without the written permission of the Comissioner of the Corporation.

45. *Saving.*—Nothing in the above rules shall be deemed to affect the provisions of the Mysore Police Act, 1908.

BYE-LAWS FRAMED BY THE CITY OF BANGALORE MUNICIPAL CORPORATION UNDER CLAUSE (c) OF SUB-SECTION (12) OF SECTION 367 OF THE CITY OF BANGALORE MUNICIPAL CORPORATION ACT, 1949 (ACT No. LXIX OF 1949), FOR THE LICENSING OF BUILDERS AND SURVEYORS AND FOR THE COMPULSORY EMPLOYMENT OF LICENSED BUILDERS AND SURVEYORS, IN THE CITY OF BANGALORE.

---

1. The Commissioner shall have power to license surveyors and place them in various classes if he, in his discretion, thinks it necessary to do so, and issue licences imposing such restrictions, limitations and conditions, which in his discretion he thinks fit and necessary, and shall have the power to charge a fee not exceeding Rs. 50 a year for a licence.

2. A licensee shall conform to all restrictions, limitations and conditions provided for in the licence.

3. Unless exempted by the Commissioner, an application under Section 244 of the Act to construct or re-construct a building shall be submitted through a licensed Surveyor who shall certify that the documents have been prepared in accordance with the provisions of the City of Bangalore Municipal Corporation Act, the rules, bye-laws and regulations framed thereunder.

4. All persons intending to construct or re-construct a building within the Corporation limits shall employ and continue to employ throughout every stage of construction or re-construction a licensed surveyor unless exempted by the Commissioner, who shall have the power to grant exemptions either wholly or in part, unconditionally or on such condition on conditions as he deems fit to impose in the circumstances of each particular case.

5. Whoever commits a breach of any of the aforesaid bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees, and in case of continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE I.

All constructions and reconstructions of building are broadly classified under the following six categories :—

1. Complete reinforced concrete structures.
2. Steel framed structures.
3. Buildings in brick or stone masonry but involving the use of reinforced concrete in the principal members such as, beams, columns, floors, roofs, stairs, etc.
4. Buildings more than two storeys high and the construction comprising of brick or stone masonry of cement mortar, rolled steel girders and/or wooden beams, rafters, etc.
5. Two storeyed buildings, and the construction comprising of brick or stone masonry in cement, lime mortar or clay with or without rolled steel girders and wooden rafters, etc., with tiled roof.
6. Single storeyed building of all sorts and the construction comprising of brick or stone masonry in cement or lime mortar with or without rolled steel girders and wooden beams, rafters, etc., and with tiled or terraced roof incumbent small bunks made of wood, galvanized iron or asbestos sheets or reinforced concrete.

43 SCHEDULE II.

CORPORATION OF THE CITY OF BANGALORE.
WORKS DEPARTMENT.

No..... Dated .....

License of Surveyor.

Class.....

Sri.....(hereinafter called the licensee) having paid a fee of Rs.....is hereby granted the license of a surveyor of class.....by the Commissioner, Corporation of the City of Bangalore (hereinafter called the Commissioner) under powers vested in him for a period beginning from.....and ending with under the terms and conditions hereinafter mentioned :—

1. The licensee shall conform to and comply with all the provisions of the City of Bangalore, Municipal Corporation Act, the rules, bye-laws and regulations framed thereunder, which are for the time being in force.

2. The licensee shall also conform to and comply with all restrictions, limitations and conditions which the Commissioner may in his discretion think fit and necessary to impose from time to time regarding the discharge of the licensee's duties as a surveyor.

3. The licensee shall be competent to prepare and submit plans for and supervise the construction and/or reconstruction of.....classes of building mentioned in Schedule I.

4. The licensee shall produce along with the application for the construction and/or reconstruction of a building a copy of the written contract signed by the applicant and himself containing terms of agreement for the employment of the licensee as surveyors.

5. The licensee shall be responsible for the carrying out of the work in accordance with sanctioned plans and for compliance with all the provisions of the Act, the rules, bye-laws and regulations relating to the construction and/or reconstruction of a building.

6. The licensee shall not charge an applicant for any item of work in the construction and/or reconstruction of a building a fee exceeding that percentage of the estimated cost of construction and/or reconstruction which is specified in Schedule II below against that item, provided however the Commissioner shall have power in a fit case to increase the ceiling charges. Provided further that this schedule of ceiling fees shall not apply to the licensees who are Corporate Members of Chartered Institutions which prescribe standards of fees to be charged by their members.

7. In all cases in which a building or part of a building in respect of which the licensee is a Surveyor is occupied before completion thereof, it shall be the licensee's duty to send a report to the Corporation Engineer, Corporation of the City of Bangalore, within fifteen days of such occupation stating that the building or part of the building has been occupied and the reasons for such occupation of the building before its completion. It

shall also be his duty to report to the Corporation Engineer, Corporation of the City of Bangalore, within fifteen days of the completion of the building of which he is a Surveyor that the building has been completed.

BYE-LAWS FRAMED BY THE CITY OF BANGALORE MUNICIPAL CORPORATION UNDER CLAUSE (e) OF SUB-SECTION (7), AND SUB-SECTION (8) OF SECTION 367, OF THE CITY OF BANGALORE MUNICIPAL CORPORATION ACT, 1949 (ACT No. LXIX OF 1949) FOR THE CONSTRUCTION AND CLEANSING OF CESS-POOLS IN THE CITY OF BANGALORE.

1. No owner or occupier of any premises shall construct a cess-pool—

(a) without the written permission of the Corporation Engineer;

(b) otherwise than in accordance with the provisions of the bye-laws hereinafter contained.

2. *Position.*—Every cess-pool shall be—

(a) not less than 20′ from any well.

(b) not less than 60′ from any spring or stream of water, used or likely to be used by man for drinking or domestic purposes, or for the manufacture or preparation of articles of food and drink for human consumption, or for the cleaning of vessels with a view to the preparation or sale of such articles and otherwise in such a position as not to render any such water liable to pollution.

3. *Construction.*—Every cess-pool shall be so constructed as to be impervious to liquid either from the outside or the inside, and if constructed of brickwork shall be rendered inside with cement and sand in suitable proportions or properly asphalted, and if constructed in a soil liable to be water-logged shall be backed with not less than 9″ of well puddled clay. The top of the walls of every cess-pool shall be at least 6″ above the surface of the ground.

4. *Provision of cover and trap.*—Every cess-pool shall be closely covered and fitted with an air-tight frame and cover or trap door, a gully trap being provided at the terminal of the house drain where it enters the cess-pool or at the commencement of the house drain where the drain is a covered or pipe drain.

5. *Ventilation.*—Every cess-pool shall be ventilated by a cast-iron or galvanized iron pipe not less than 3″ in diameter. The ventilation pipe shall be protected at the top by a wire dome or mica flap opening outwards and shall be carried to a height of not less than 6′ beyond the highest part of the eaves of any house within a distance of 30′ therefrom.

6. *Size of cess-pool.*—Every cess-pool shall be of such dimensions as to hold at least twenty-four hours' flow of the sullage or sewage of the premises drained thereby or shall be of such larger size as may be required by the Corporation Engineer.

7. *Cleaning of cess-pool.*—Every cess-pool shall be so constructed and situated that there shall be ready means of access for cleansing it and for removing its contents without carrying them through any dwelling house, or public building or any building in which any person is employed in any manufacture, trade or business.

Every cess-pool shall be emptied and cleansed at least once in twenty-four hours or more often if so required by the Corporation Engineer.

The owner or occupier of any premises to which a cess-pool is attached shall not allow the contents of the cess-pool to overflow or soak therefrom nor shall he permit the percolation of the contents thereof so as to pollute the water supply in the neighbourhood.

8. Cess-pools shall not be constructed in sewered areas.

9. *Penalty.*—Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

RAMANAGARAM SUB-DIVISION.

Notification dated 9th April 1951.

NOTIFICATIONS RELATING TO LOCAL SELF-GOVERNMENT.

LOCAL SELF-GOVERNMENT SECRETARIAT.

Notification dated 20th April 1951.

No. L. 471—Ml. 46-50-38. Under section 10 (4) of the Mysore Minor Municipalities Act 1933, Sri Nadiga Seshachala Murthy is elected Vice-President of the Sorab Minor Municipal Council, Shimoga District.

By Order of His Highness the Maharaja

M. S. SWAMINATHAN,
Secretary to Government,
494 *Local Self-Government Department.*

OFFICE OF THE CHAIRMAN, CITY IMPROVEMENT TRUST BOARD, BANGALORE.

Notice.

Allotment of House Sites in Vyali Kaval Extension at upset prices.

The public are hereby informed that printed application forms for sites in Vyali Kaval Extension at Re. 0-2-0 each will be available in the Office of the City Improvement Trust Board, "Ranga Vilas", Seshadri Road, Bangalore, from 25th April 1951. Applicants should be Mysoreans by birth or domicile. The last date of receiving the applications duly filled in is 20th May 1951. Persons who have already applied are also requested to renew their applications in the printed form. Each application must be accompanied by a deposit of 12½ per cent of the value of the site applied for. On allotment, a further 12½ per cent of the site value should be paid immediately and the balance within six months.

Sites measuring approximately 45′×90′, 40′×70′ and 30′×45′ are to be allotted at upset prices by casting lots. Fifty per cent of the sites measuring 45′×90′ and 40′×70′ are reserved to be sold by public auction. The cost of the sites are as follows :—

45′×90′	...	at Rs. 10 per square yard.
40′×70′	...	at Rs. 8 per square yard.
30′×45′	...	at Rs. 6 per square yard.

Preference will be shown in allotting sites to persons whose properties have been acquired. An Allotment Committee of the Board will scrutinize the applications.

The conditions of the allotment are detailed in the application forms and further details may be ascertained from the Engineer Officer of the Trust Board and at the Office of the Trust Board, "Ranga Vilas", Seshadri Road, Bangalore, during office hours.

718

OFFICE OF THE CHAIRMAN, CITY IMPROVEMENT TRUST BOARD, "RANGA VILAS", SESHADRI ROAD, BANGALORE.

Notification dated 19th April 1951.

DATE OF SALE—24TH MAY 1951 AND SUBSEQUENT DAYS.

Auction of Valuable Bungalow, Cottage and Shop Sites in Kumarapark West Extension of Bangalore.

It is hereby notified for the information of the public that very valuable Bungalow, Cottage and Shop Sites of the approximate dimensions noted below formed in the above extension will be sold by public auction by the Chairman, City Improvement Trust Board, Bangalore or by any other Officer authorised by him in this behalf.

Description of sites.		Dimensions.
1 Bungalow sites	...	80'×120' (more or less)
2 Cottage sites	...	70'× 90' (Do)
		63'× 90' (Do)
3 Shop Sites	...	25'× 20' (Do)

The Auction will commence from Thursday the 24th May 1951.

The sites are easily the best ones in the whole of Bangalore. They are centrally located and command all amenities like good wide and curbed roads, foot-paths, underground drainage. Water supply arrangements are nearing completion. The Extension is provided with Park, School and Dispensary areas. Proximity to the Railway Station and Market adds to the value of these sites. A Railway underbridge and road constructed at a cost of Rs. 1,50,000 brings the extension within very easy distance of Public Offices, Colleges and Schools.

Further details, such dates of sale, conditions of sale, etc., may be ascertained from the Office of the Chairman, City Improvement Trust Board, "Ranga Vilas", Seshadri Road, Bangalore.

Plans are available at Re. 0-8-0 per copy.

C. N. NARASINGA RAO,
Chairman.

76

OFFICE OF THE CHAIRMAN, CITY IMPROVEMENT TRUST BOARD, BANGALORE.

Notice dated 22nd April 1951.

Allotment of Dwelling House Sites in Sunkenhalli Extension.

The public are hereby informed that a limited number of sites have been formed in the Sunkenhalli area near Gavipur. Printed application forms for allotment of the sites measuring approximately 30'×45' and costing Rs. 1,120 each will be available in the Office of the Chairman, City Improvement Trust Board, "Ranga Vilas", Seshadri Road, Bangalore, from 20th April 1951, at Re. 0-2-0 for each application form. The cost of the application form may be paid either in cash or credited to the Bangalore District Treasury and chellan produced. The last date for receiving the applications duly filled in is 25th May 1951. Persons who have already applied are also requested to renew their applications in the printed forms. Each application must be accompanied by a deposit of Rs. 140. On allotment of the site, a further like sum should be paid immediately and the balance within six months from the date of allotment.

The conditions of allotment are detailed in the application forms and further details required may be had from the Office of the Chairman, City Improvement Trust Board, Seshadri Road, Bangalore.

C. N. NARASINGA RAO,
Chairman.

OFFICE OF THE CHAIRMAN, CITY IMPROVEMENT TRUST BOARD, "RANGA VILAS", SESHADRI ROAD, BANGALORE.

Notification dated 19th April 1951.

DATE OF SALE—24TH MAY 1951 AND SUBSEQUENT DAYS.

Auction of Valuable Bungalow, Cottage and Shop Sites in Kumarapark West Extension of Bangalore.

It is hereby notified for the information of the public that very valuable Bungalow, Cottage and Shop Sites of the approximate dimensions noted below formed in the above extension will be sold by public auction by the Chairman, City Improvement Trust Board, Bangalore or by any other Officer authorised by him in this behalf.

Description of sites.		Dimensions.
1 Bungalow sites	...	80′×120′ (more or less)
2 Cottage sites	...	70′× 90′ (Do)
		63′× 90′ (Do)
3 Shop Sites	...	25′× 20′ (Do)

The Auction will commence at 8-30 A.M. on Thursday the 24th May 1951 and subsequent days.

The sites are easily the best ones in the whole of Bangalore. They are centrally located and command all amenities like good wide and curbed roads, foot-paths, underground drainage. Water supply arrangements are nearing completion. The Extension is provided with Park, School and Dispensary areas. Proximity to the Railway Station and Market adds to the value of these sites. A Railway underbridge and road constructed at a cost of Rs. 1,50,000 brings the extension within very easy distance of Public Offices, Colleges and Schools.

Further details, such dates of sale, conditions of sale, etc., may be ascertained from the Office of the Chairman, City Improvement Trust Board, "Ranga Vilas", Seshadri Road, Bangalore.

Plans are available at Re. 0-8-0 per copy.

76

Notice dated 22nd April 1951.

Allotment of Dwelling House Sites in Sunkenhalli Extension.

The public are hereby informed that a limited number of sites have been formed in the Sunkenhalli area near Cavipur. Printed application forms for allotment of the sites measuring approximately 30′×45′ and costing Rs. 1,120 each will be available in the Office of the Chairman, City Improvement Trust Board, "Ranga Vilas", Seshadri Road, Bangalore, from 20th April 1951, at Re. 0-2-0 for each application form. The cost of the application form may be paid either in cash or credited to the Bangalore District Treasury and chellan produced. The last date for receiving the applications duly filled in is 25th May 1951. Persons who have already applied are also requested to renew their applications in the printed forms. Each application must be accompanied by a deposit of Rs. 140. On allotment of the site, a further like sum should be paid immediately and the balance within six months from the date of allotment.

The conditions of allotment are detailed in the application forms and further details required may be had from the Office of the Chairman, City Improvement Trust Board, Seshadri Road, Bangalore.

PART III—Section 3

NOTIFICATIONS RELATING TO LOCAL SELF-GOVERNMENT.

OFFICE OF THE COMMISSIONER, CORPORATION OF THE CITY OF BANGALORE, BANGALORE.

Notice, dated 17th May 1951.

No. A-1-C. 15-50. The appended draft rules for the regulation and control of Public Conveyances are published for the information of the public under section 371 of the City of Bangalore, Municipal Corporation Act, 1949, read with Section 4 of the Mysore Public Conveyances Act (Act No. VII of 1911). The draft will be proceeded with as laid down in Sub-section (b) of Section 371 of the Act. Printed copies of the draft rules are kept at the Municipal Offices (City and Civil Station Areas) for public inspection and all persons are allowed to peruse them at any reasonable time free of charge. Printed copies of the draft rules will also be sold to any person required them on payment of one anna per copy.

MIR SAFDAR HUSSAIN,
Commissioner.

In Exercise of the powers conferred on them by Section 4 of the Mysore Public Conveyance Act, 1911, (VII of 1911), The City of Bangalore, Municipal Corporation have made the following Rules for the Regulation and Control of Public Conveyances within the Limits of the Bangalore Corporation, in supersession of all previous rules framed on the subject by the Bangalore City Municipality and the Municipal Commission of the Civil Station.

1. These Rules may be called the City of Bangalore Public Conveyance Rules, 1950.

2. In these rules, the term "Registering Officer" means, the Commissioner or any other officer authorised by him to perform the duties under these rules.

3. No public conveyance shall be let to hire or taken to ply, or offered for hire, except under a license granted in that behalf under these rules, and no horse, pony, mule or bullock shall be used with such carriage unless similarly licensed.

4. Every public conveyance, and horse or other animal licensed under rule 3 shall be annually licensed by the Registering Officer, and no person shall keep, offer, or ply, for hire, any public conveyance within the limits of the Bangalore Corporation except under license granted in that behalf under these rules.

5. Every license granted for the purposes specified in rules 3 and 4 above shall be in the form of Schedule "A" appended to these rules, and every application for such license shall be in the form of Schedule "B".

6. The various classes of public conveyance and the license fee for the official year or part thereof for keeping, offering, letting or plying for hire each class of public conveyance, shall be as prescribed below :—

Class.	Description.	License fee. Rs.
I.	(a) Four-wheeled rubber tyred carriage drawn by a pair of horses, ponies, mules or bulls ...	24
	(b) Four-wheeled carriage drawn by a pair of horses, ponies, mules, or bulls, without rubber tyres	18
II.	(a) Four-wheeled rubber tyred carriage drawn by a single horse, pony or mule	12
	(b) Four-wheeled carriage drawn by a single horse, pony, or mule, without rubber tyres ...	9
	(c) Four-wheeled spring carriage drawn by a pair of bullocks or buffaloes	9
III.	(a) Two-wheeled carriage, such as, Governess-cart, jutka, shapasand or cart drawn by a single horse, pony or mule	4
	(b) Two-wheeled carriage or cart drawn by a pair of bullocks or buffaloes	5
	(c) Two-wheeled carriage or cart drawn by a single bullock or buffalo or men ...	4
IV.	Rickshaw or other cart drawn by a man or men ...	2

7. (1) The above fee is for a whole turn-out, including animal or animals used for the public conveyance. But where any extra animal is maintained by the owner of a public conveyance for use with such conveyance, it shall not be so used unless a license is obtained for it on payment of the following fees :—

	Rs.
(a) for each extra horse of or over 12 hands ...	4 annual
(b) for each extra horse of or less than 12 hands	[illegible]

(2) Similarly extra public conveyance maintained by the owner shall be licensed on payment of the following fee annually :

		Rs.
(a) For each Class I (a) conveyance	...	16
(b) For each Class I (b) Do	...	10
(c) For each Class II (a) Do	...	8
(d). For each Class II (b) Do	...	5
(e) For each Class II (c) Do	...	5
(f) For each Class III Do	...	2

8. (1) A license for a public conveyance will be refused if the following conditions are not complied with :—

(*a*) That the conveyance to be licensed shall be in good order and repair in all its parts and decent looking.

(*b*) That it shall be provided with adequate number of lights, one for the hand-cart and two in the case of other conveyances, capable of giving sufficiently brightlight.

(*c*) That every jutka and bullock-cart shall have apertures on both sides measuring (not less than) six inches square at the level of the driver's eye so as to enable him to see the vehicles, etc., passing by.

(*d*) That no horse or pony under three years of age or below II hands or a bull under two years of age shall be worked.

(*e*) That the horse or pony or bullock to be used with the conveyance shall be in good condition and thoroughly broken to harness or trained to yoke.

(*f*) That the harness shall be complete and serviceable.

(*g*) Thar the premises to be licensed shall be suitable and unobjectionable from a sanitary point of view.

NOTE.—In the case of a partnership firm or company, the name to be entered in the license shall be that of a partner, the Secretary or Manager, as the case may be.

9. The conditions specified in rule 8 above shall be conformed to throughout the period covered by the license. It shall be duty of every such owner to driver to examine the conveyance every now and then and to maintain it in thorough order and repair while plying such conveyance for hire.

10. Every owner of a public conveyance of Classes I and II shall, on obtaining a license therefor, put up in a conspicuous place of the premises shown in the license where such conveyance and the animals. if any, are kept, a board on which shall be painted in bold letters, in English or Kannada his name and number of the license. Such board shall be removed when the license expires or is suspended or cancelled.

11. Such premises shall be kept neat and tidy and shall be open at all reasonable hours for inspection by the Registering Officer or other officer authorised by him. If such premises are not approved, by the Registering Officer or other officer authorised by him, the licensee shall secure suitable and proper premises for his conveyance within a week from the date of service of a notice on him in this behalf.

12. The Registering Officer or other officer authorised in this behalf may forbid the keeping by the licensee or any other person of any vehicle or animal or animals other than those registered under these rules in any such premises.

13. The licensee shall give notice to the Registering Officer of any change in the premises shown in his license within a week of such change, and shall get the same entered in the said license.

14. Every licensed public conveyance shall be given a serial number. The Registering Officer or any other officer authorised by him shall cause to be painted on some conspicuous part of each public conveyance, its serial number and class, the year of the license and the number of passengers it is licensed to carry. He shall also cause the number to be stamped on such part of the harness as he thinks fit and branded on the hoof of the animal licensed for the conveyance. It shall be in the discretion of the Registering Officer to allow any public conveyance of a superior description to ply without bearing the said number.

15. If the words and figures so painted or stamped shall

or obliterated, the owner of such conveyance or harness or animal shall produce the same without the least delay before the Registering Officer or other officer authorised by him to have such words and figures renewed or repainted and the same shall then be repainted or renewed without any charge whatever.

16. The examination and numbering of a public conveyance or the animal or animals used with such conveyance shall be done at the office of the Registering Officer without any charge whatever. A register of each class of public conveyance licensed and a register of animals licensed for use with such conveyances shall be maintained in the office of the Registering Officer and copies of such registers shall be kept at every police station in the City of Bangalore.

17. Every owner of a public conveyance shall, on the expiry, revocation or suspension of his license, forthwith remove the figures and words painted on the conveyance and return the license to the office of the Registering Officer immediately.

18. The owner of a public conveyance may transfer the same to any other person securing an endorsement therefor on his license from the Registering Officer.

DRIVER'S LICENSE.

19. (a) No owner of a public conveyance licensed under these rules shall allow the same to be driven by any person who is not licensed to drive public conveyance of that class.

(b) No person shall act as the driver of any public conveyance licensed under these rules unless he is licensed under these rules to drive public conveyances of that class.

20. (a) The application for a driver's license shall be in the form of Schedule "C", and shall be accompanied by duplicate copies of his photograph and a certificate of good character from a respectable person.

(b) An application which does not satisfy these conditions shall be rejected. The Registering Officer may also refuse to issue a driver's license without assigning any reasons therefor.

21. (a) The fee for the driver's license in the case of public conveyance in classes I, II and III (a) shall be Rupee one and annas eight in the case of public conveyances of classes III (b) and III (c). The license fee for each rickshaw cooly is Re. 1.

(b) The fees shall always be paid in advance along with the actual cost of the driver's badge before the license is issued.

22. The driver's license shall be in the form of Schedule "D". Such license shall be accompanied by a metal badge bearing the class and number of the conveyance for which the license is granted.

23. Every driver of class I and II conveyance shall be neatly and cleanly clad when acting as such. He shall wear a turban neatly folded, a long coat extending below the hips, and trousers reaching to the ankles. He shall wear over his coat a leather waist belt not less than four inches wide to which his metal badge shall be affixed above the right hip. Every jutka driver shall be cleanly and neatly clad and wear a clean head dress.

24. No driver's license shall be granted to any person :—

(1) who is of the female sex;

(2) who has not completed his 18th year;

(3) who is suffering from any infectious, contagious or loathsome disease or any other disease which in the opinion of the licensing authority is likely to interfere with the proper performance of the duties of a driver, or

(4) who has been convicted by a competent criminal court of any offence involving moral turpitude.

25. The driver's license and the badge shall not be transferable, nor shall such license or badge be lent to others.

26. A driver shall observe the rule of the road as per law in force for the time being. He shall not drive without lighting the lamps after sunset and before sunrise. He shall stand in a line with his conveyance and keep proper order when at a carriage stand. He shall not take up position on any carriage stand which already contains the full compliment of public conveyances authorised for such a stand. He shall not wait or loiter on public roads for hire or cause an obstruction to traffic or pedestrians on such roads. He shall use a whip while driving a conveyance drawn by an animal or animals. Sticks, leather strap, or iron rod are not allowed to be used by the driver of such conveyance. He shall not be under the influence of intoxication of any kind, or use foul words while driving. He shall not overdrive the animal.

27. (a) The owner or driver of a public conveyance waiting in a public stand or plying for hire shall, at any time of the day or night, be bound to give such public conveyance on hire to any person demanding the same unless there be a good and sufficient reason for refusing to do so. The burden of providing such reason shall lie on such driver or owner.

(b) But he shall not be bound to carry in his public conveyance any person suffering from any contagious or infectious disease.

(c) He shall not use for hire any conveyance used for carrying any person suffering from any such disease without previously disinfecting it.

(d) He shall not without previously disinfecting it to the satisfaction of the Registering Officer, knowingly use, for hire for the conveyance of any person, any public conveyance if it has been used for the carriage of any dead body, or the carcass or meat or other parts of any dead animal.

RICKSHAWS.

28. (a) Not more than one person shall ride or be carried in a public rickshaw, drawn by one puller, provided that a child under eight years may be carried in addition to one other passenger when a rickshaw is drawn by a single puller.

(b) No double rickshaw shall be licensed unless the Registering Officer is satisfied that the owner thereof has provided and continues to maintain two licensed pullers for it, and unless it is so constructed as to provide a cross shaft five feet long in front with sufficient space for two pullers to run on either side of the shaft to propel the rickshaw.

(c) Every double rickshaw shall be propelled by not less than two pullers running in front of the rickshaw.

DURATION OF LICENSES.

29. Every license for a public conveyance and every driver's license shall continue to be in force during the official year in which it was issued unless it is revoked or suspended earlier for any breach of these rules.

All applications for renewal of the license under these rules shall be made one month before the close of the official year.

30. (1) Notwithstanding anything contained in Rule 29 above, the Registering Officer may, within the official year covered by it, revoke a license granted for a public conveyance under the rules :—

(a) where he is satisfied that rule 9 is not being complied with and that the public conveyance or the animal or harness used therewith is not being maintained so as to conform to the conditions specified in Rule 8, or

(b) where the licensee is guilty of infringement of any of these rules or conditions specified in his license, or

(c) where any of the statements contained in the application for license are found to be false.

(2) The Registering Officer may likewise revoke or suspend for a definite period a driver's license within the official year covered by it :—

(a) where the driver to whom it is granted is found to be disorderly or dishonest, or

(b) where he is shown to have infringed any of these rules or the conditions specified in his license or to have disobeyed any lawful orders or directions issued under these rules or any directions given by any police officer while regulating the traffic, or

(c) where any of the statements made in the application for license are found to be false, or

(d) where after the grant of the license, the driver is convicted of an offence involving moral turpitude.

Explanation.—Revocation or suspension of any license under this rule shall not in any case act as a bar to a prosecution for any offence punishable under Section 8 of the Public Conveyance Act. Nor shall it be necessary that a prosecution under the said section shall precede such revocation or suspension.

MISCELLANEOUS.

31. The Corporation shall from time to time appoint places as stands for public conveyances and prescribe the number of public conveyances authorised for each stand.

32. All reasonable directions of the police or of the officials of the Public Conveyance Department of the Corporation shall be obeyed by every driver whether he is in the stand or on the public road, or thoroughfares or any other place of public resort.

33. The minimum speed at which the several classes of public conveyances hereunder mentioned hired by time shall be driven is as shown below :—

	Miles per hour
(a) Public conveyance of Class I or II ...	6
(b) Public conveyance of Class III if drawn by a horse or pony ...	5
(c) Public conveyance of Class III if drawn by a bullock ...	3

34. The fare of every public conveyance shall be payable according to time, unless, at the time of hiring, the hirer expresses his intention to pay according to distance. Any contract entered into to accept a fare lower than that prescribed in Schedule "E" shall be binding, but no fare higher than that prescribed in that schedule shall be demanded or collected.

35. The maximum number of persons to be carried by each description of public conveyance hereunder specified shall be as follows :—

(1) Four-wheeled carriage drawn by an animal or animals.	Six including the driver.
(2) Two-wheeled carriage drawn by an animal or animals.—Jutka or Bullock Cart.	Six or nine including the driver, respectively.

NOTE.—Two children between five and ten years of age or three children under five years of age shall be counted as one adult person for the purpose of this rule.

36. The maximum load of luggage only, or of luggage and passengers which may be carried by each description of conveyance hereunder shall be as follows :—

(a)	By a carriage drawn by two horses	...	1,400 lbs.
(b)	Do by one horse	...	800 lbs.
(c)	Do by a pony under 12 hands	...	620 lbs.
(d)	Do by two bullocks	...	2,500 lbs.
(e)	Do by one bullock	...	1,280 lbs.

When passengers and luggage are carried, each adult person shall be considered as weighing 1½ maunds or 126 lbs. and each child under ten years of age as weighing three quarters of a maund or 63 lbs.

37. The owner of every public conveyance except class III (b) and (c) shall put up and at all times keep in prominent position in such conveyances so as to be easily capable of being read, a clear and legible list bearing on it the class and number of the conveyance and showing the fares authorised to be charged for the hire of the same. Such lists shall be printed in English or Kannada and copies of the same shall be given to the licensee free of cost. Whenever the copy of such list supplied to a licensee is lost, defaced or destroyed, he shall at once replace it by obtaining another copy from the office of the Registering Officer on payment of one anna for the same.

38. In the case of disputes about the fares to be paid according to distance, any table or register or fares signed by the Registering Officer shall be taken to be conclusive proof of all the fares and distances therein stated.

39. On the expiry, revocation or suspension of any license granted under these rules, the licensee shall forthwith return to the Registering Officer such license together with any badge issued with the license. A person employed as a licensed driver shall, when leaving service, deliver to his employer the license and badge granted to him under rule 19.

40. When the metal badge supplied to a driver is lost, a duplicate will be supplied on payment of a fee of annas eight, similarly, the duplicate of a lost license can be obtained on payment of a fee of Rupee one.

41. Any driver who cruelly beats, ill-treats, over-drives or otherwise misuses any animal driven in a public conveyance or used it while it is suffering from a sore or wound or is otherwise unfit for work by reason of infirmity or starvation, shall be liable to forfeiture of his license in addition to any other punishment to which he may be liable under section 8 (1) of the Public Conveyance Act, 1911, or under any other law for the time being in force.

42. Any property left by the hirer in any public conveyance licensed under these rules shall forthwith be deposited by the owner or driver, as the case may be, in the nearest police station or in the office of the Registering Officer. Such property shall be returned to the person who shall prove to the satisfaction of the Registering Officer that it belonged to him, on payment of all reasonable expenses, if any, incurred for its preservation and safe custody, and of such reasonable sum as the Registering Officer may direct to the owner or driver as the case may be.

43. (i) The Registering Officer may for reasons to be recorded by him in writing, prohibit the use of any premises as premises in which public conveyances or horses, ponies or bullocks registered for use in public conveyances and horses, ponies or bullocks registered for use in public conveyances that may be kept in any such premises.

(ii) The Registering Officer may also forbid the keeping of any vehicles, horses, ponies or bullocks other than those registered under the Public Conveyances Rules in any premises in which public conveyances are kept.

(iii) After the issue of any such prohibition or order, no person shall use such premises in contravention of such prohibition or order.

44. It shall be lawful for the Registering Officer or the Health Officer, or the Veterinary Inspectors of the Bangalore Municipal Corporation, or any other assistant authorised by the Registering Officer, or any officer of the Bangalore Corporation duly authorised in this behalf, or any police officer, not below the rank of a Sub-Inspector at any time between sunrise and sunset to enter any premises in which only licensed vehicle, animals, harness and other things used there which are kept for the purpose of inspection or in order to carry out any of the provisions of these rules, and the owner or his agent shall afford every facility for such inspection.

45. (a) The owner or driver of any public conveyance shall be bound to produce for inspection his license when called on to do so by the Registering Officer, Revenue Officer, Veterinary Inspectors of the Bangalore Corporation, or any Police Officer regulating the traffic.

(b) The owner or driver of a licensed public conveyance shall also be bound to produce for inspection when required to do so by the Registering Officer or the officer appointed by him in this behalf such conveyances and the animal or animals and the harness used therefor.

46. It shall be lawful for the officer appointed by the Registering Officer or his staff at any time to require a licensed public conveyance while in motion to stop in order to inspect the condition of same, or of the animal and harness used therewith. The driver of such conveyance shall stop it accordingly and give every facility for inspection.

47. It shall be the duty of any person who is driving a public conveyance or is in charge of a public conveyance while in a stand or in any street or other public place to furnish his full name and address of the owner of the conveyance truthfully and accurately whenever required to do so by any of the officers or persons mentioned in Rule 45 above.

48. Ans person who is found to be guilty of any breach of these rules or of the conditions of any license granted to him shall be liable to punishment under section 8 of the Public Conveyance Act, 1911.

49. All prosecutions for breach of these rules may be instituted by any hirer of a public conveyance, a police officer of and above the rank of a station house officer, or any other officer appointed by the Registering Officer in this behalf.

50. Any police officer detecting the commission of any of the offences under these rules, and any private person giving information leading to the detection and conviction of an offender under these rules, shall be entitled to a reward which may extend up to half the amount of the fine recovered from the offender. All applications for rewards under this rule shall be made to the Registering Officer whose decision in the matter shall be final.

OFFICE OF THE PRESIDENT AND RETURNING OFFICER, MINOR MUNICIPAL COUNCIL, GUDIBANDA.

66

Notification dated 26th April 1951.

No. Ml.—9151-52. It is hereby notified for the information of the inhabitants of Gudibanda Town, that there will be a Bye-Election on 20th June 1951, to fill up the vacancy that has occurred under Section 13 of the Mysore Minor Municipalities Regulation, consequent on the death of Sri G. S. Byanna an elected member of the Municipal Council.

The Voters' list prepared in connection with the General Municipal Election held on 14th December 1949, will hold good for the present Bye-Election also. The calendar of events in this connection is available for inspection by the public at the Municipal Office.

All applications, correspondence, etc., should be addressed to the *Ex-officio* President and Returning Officer, Municipal Office, Gudibanda. Persons who wish to stand for election, shall send their applications with the Treasury Chellan in token of having credited Rs. 25 under the head "Municipal Deposits" in the Taluk Treasury, Gudibanda.

Any particulars regarding Bye-Election can be had in the office during the office hours.

S. PRATAP SINGH,
President and Returning Officer.

OFFICE OF THE CHAIRMAN, CITY IMPROVEMENT TRUST BOARD, MYSORE.

Dated 15th May 1951.

No. L.A.P. 1—51—52. Whereas it has appeared to the Board of Trustees for the Improvement of the City of Mysore that by acquiring the undermentioned properties for the purpose noted against each of them, further improvements can be made in the locality in which they are situated, it is hereby notified in accordance with Section 16 (1) of the City of Mysore Improvement Act III of 1903, that the Board have resolved to acquire the said properties.

The plans and statements showing the extent of land, etc., required for the proposed improvements may be seen in the Chairman's Office located in the New Municipal Office Buildings, Mysore, during office hours.

The following are the particulars of the properties to be required :—

Block No. 59, Krishnaraja Mohalla, Mysore, for improvement purpose, for linking blind lane to the South of Ramavilas Road to Devamba Agrahar Road.

P. GOPALAKRISHNA SETTY, *Chairman.*

OFFICE OF THE MUNICIPAL COMMISSIONER, MYSORE.

Notification dated 10th May 1951.

Notice is hereby given to the inhabitants of the Mysore City Municipality that the Municipal Council desire to further amend the existing bye-law No. 4 as amended by Government Order No. L. 4777-8 – C.M. 27-50-2, dated the 31st July 1950, relating to the levy of license fees on bakeries, sweetmeat shops, hotels, tea and coffee houses, ice and ærated water manufacture, framed under Section 51 (1) (b) (ii) of the Mysore City Municipalities Act, 1933, and contained in Chapter XVI of the Mysore City Municipal Rules and Bye-laws, so as to levy the license fees on the basis of one month's rental value of the building where the business is carried in respect of Hotels, Restaurants, Tea and Coffee houses and ice and ærated water manufacturing places, subject to a minimum of Rs. 25 and a maximum of Rs. 500 and to levy a minimum fee of Re. 1 in respect of retail sweetmeat shops and to levy a license fee of Rs. 10 only on sharabath shops and private meat stalls. The existing bye-law and the bye-law as per the proposed amendment will read as follows :—

EXISTING.

The following fee shall be charged for licenses granted under this bye-law.

Kind of business	Rate of license fee
1. Hotels, Restaurants, Coffee and Tea houses—I Class.	One month's rental value of the building in which the business is carried on subject to a minimum of Rs. 5.
2. Hotels, Restaurants, Coffee and Tea houses—II Class.	
3. Bakeries and Sweetmeat shops—I Class.	
4. Bakeries and sweetmeat shops—II Class.	
5. Private meat stalls	
6. Ice Manufacture	
7. Aerated water manufacture ...	Rs. 20

PROPOSED.

The following fee shall be charged for licenses granted under this bye-law.

Kind of business	Rate of license fees
1. Hotels, Restaurants, Coffee and Tea houses—I and II Class.	One month's rental value of the building in which the business is carried on subject to a minimum of Rs. 25 and maximum of Rs. 500.
2. Bakeries and sweetmeat shops—I and II Classes.	
3. Private Meat stalls ...	Rs. 10 (as sanctioned in Government Order No. L. 4899-901—C.M. 27-50-4, dated 3rd August 1951).
4. Ice manufacture ...	Same as for (1) and (2)
5. Aerated water manufacture.	Rs. 80, Provided that in the case of retail shops where sweetmeat is sold the Council may charge a minimum fee of Re. 1 provided also that in the case of Sharabath shops the Council may levy the license fee at Rs. 10.

Any inhabitant of the Municipality objecting to the proposed amendment may within one month from the date of this Notice send his objections in writing to the Municipal Council.

Notification dated 10—12th May 1951.

Notice is hereby given to the inhabitants of the Municipality that the Municipal Council desire to amend the existing bye-laws for Barber-shops, Hair-dressing and Shaving saloons framed under Section 51 (1) (b) (vii) of the Mysore City Municipalities Act 1933, so as to reduce the levy of license from the present rate of Rs. 5 sanctioned in G. O. No. L. 5930-1 – C.M. 27-80-6, dated 1st September 1950 to Rs. 3 per annum on each Barber-shop, Hair-dressing or Shaving saloon.

Any inhabitant of the Municipality objecting to the proposed amendment may within one month from the date of this notice send his objections in writing to the Municipal Council.

159

167

Notification dated 12th May 1951.

Notice is hereby given to the inhabitants of the Municipality of Mysore, that the Municipal Council desire to amend the existing bye-law relating to dangerous and offensive trades contained in Chapter XXIV of the Mysore City Municipal Rules and Bye-laws with regard to the levy of license fee for the business of storing for sale Petrol and Kerosene in storage godowns and tanks, so as to increase the rate of levy of the licensing fee to Rs. 5 per 1,000 gallons instead of the existing rate of Rs. 2 per 1,000 gallons subject to a minimum of Rs. 25 as against Rs. 14 now levied.

Any inhabitant of the Municipality objecting to the proposed amendment may within one month from the date of this notification send his objections in writing to the Council.

C. NARASIMHA MOORTY,
Municipal Commissioner.

OFFICE OF THE ASSESSING OFFICER, NARASIMHARAJAPURA.

Notification dated 4th May 1951.

No. 2. It is hereby notified for the information of the owners or occupiers of house and site properties of Narasimharajapura Town :—

1. That the Revision of Assessment on buildings and sites, has since been completed and the Assessment list, so prepared, is kept for inspection by any owner or occupier of house and site properties, by himself or his authorised agent, during office hours on all working days in the Municipal Office and the revised assessment will come into effect from the current official year 1951-1952.

2. That the relevant objections to the proposed valuation and assessment may be presented in writing to the President, Municipal Council, Narasimharajapura, or to the Assessing Officer, either in person or through authorised agents, on or before 8th June 1951. Objections received after this date will not be considered.

3. That the objections, so received within the above date will be disposed of by the Municipal Council, on 17th June 1951, at its meeting.

The owners, occupiers or their authorised agents may appear in person before the Revising Authority (Municipal Council) on the said date and urge their objections at the time of revision, if they desire to do so.

S. A. LAKSHMANA,
Assessing Officer.

NOTIFICATIONS RELATING TO LOCAL SELF-GOVERNMENT.

LOCAL SELF-GOVERNMENT SECRETARIAT.

Dated 19th June 1951.

No. L. 2504—Ml. 55-51-10. Sri A. Samuel David, Chief Officer, Chickmagalur Town Municipality, is transferred to the Hassan Town Municipality *vice* Sri H. Rajasekharan, granted leave.

(To join forthwith).

By Order of His Highness the Maharaja.

2150

Dated 20th June 1951.

Proclamation.

No. L. 2547—Ml. 122-51-2. In exercise of the powers conferred by sub-section (1) of Section 7 of the Mysore Town Municipalities Act, 1933 (Mysore Act VIII of 1933), it is hereby notified that it is proposed to alter the Municipal Limits of Bhadravati Town so as to include the entire Revenue Village of Bhadravati and also the portion of Anehalli Inam Village lying between Bhadra River and the railway line as shown in the revised boundary statement given hereunder. All persons who entertain any objection to the proposed alteration of the Municipal Limits shall, within two months from the date of publication of proclamation in the *Mysore Gazette*, submit their objections with reasons therefor, in writing, to the Deputy Commissioner, Shimoga District. No objections received after the prescribed time will be considered.

The proposed boundaries of the Bhadravati Town Municipality as altered towards East, West, South and North are as follows :—

North.—The northern boundary line commences from the North-Western corner of Survey No. 59 of Bhadravati Village and moves along the northern boundary of the same village up to north-eastern boundary of Survey No. 97 of Bhadravati Village and take a turn to the South.

East.—The eastern boundary commences at the north-eastern corner of Survey No. 97 and moves on along the eastern boundary of Bhadravati Village till it reaches the south-eastern corner of Survey No. 115 of Bhadravati Village. Then it takes a turn to the west.

South.—The southern boundary commences at the south-eastern corner of Survey No. 115 of Bhadravati Village and passess along the southern boundary of Bhadravati Village till it reaches the Bangalore-Honnavar Road. Then it takes a turn to the south cutting the Birur-Talaguppa Railway Line and meets north-western corner of Survey No. 35 of Kodihalli Village and passess along the north boundary of Survey No. 35 takes a turn to the south and passes along the eastern boundary of Survey No. 36 till it reaches south-eastern corner of Survey No. 36. Then it takes a turn to the west and goes along the southern boundary of the same number crossing the Bangalore-Honnavar Road and passes along the southern boundary of Survey No. 33 till it reaches the river bank at south-western corner of Survey No. 33. It then passes along the western boundary of Survey Nos. 33 and 34 on along the right bank of Bhadra River, then it touches the railway line and moves along the railway line crossing Bhadra River, then enters Anehalli area along the railway line till it reaches the western boundary of Anehalli Village.

West.—It then takes a turn to the north and moves along the eastern boundary of Hutta Village, it crosses the Bhadra River and meets south-western corner of Survey No. 16 of Bhadra Village. Then it moves along the right bank of Bhadra River as the river flows and meets north-western corner of Survey No. 58 when the northern boundary starts.

By Order,

M. S. SWAMINATHAN,
Secretary to Government,
Local Self-Government Department.

S.D.O.

2609

OFFICE OF THE PRESIDENT, TOWN MUNICIPAL COUNCIL, MADHUGIRI.

Notification dated 2nd July 1951.

No. H.C. 10—51-52. Under Section 62 (b) of the Town Municipalities Act VIII, 1933, as amended from time to time, it is hereby notified to the inhabitants of Madhugiri Town Municipality that the Municipal Council have resolved at their meeting held on 30th June 1951, to amend the Taxation Bye-laws so as to levy the rate on buildings on the basis of the rental value. The existing and proposed mode of levy is noted below for general information :—

Sl. No.	Name of tax	Class of property liable	Existing mode of levy	Proposed mode of levy
1	Rate on Buildings	Buildings ...	Eight annas for every hundred rupees of the market value up to two thousand rupees, with four annas for every hundred rupees for the balance of such value in excess of two thousand rupees.	*SIX PER CENTUM ON THE ANNUAL LETTING VALUE (Annual letting value shall mean the annual rent for which any building exclusive of furniture or machinery contained or situated therein or thereon, might reasonably be expected to let from year to year. For purposes of determining the assessment only ten months' rent shall be adopted as the basis.)

Remarks.—
*The existing exemptions continue.

Under the provisions of Section 62 (c) of the Town Municipalities Act VIII of 1933, any inhabitant of the Municipality objecting to the proposed amendment may within one month from the date of this notification send his objection in writing to the Municipal Council.

462

Notification dated 3rd July 1951.

Under Section 62 (a) read with Section 47 (2) of the Mysore Town Municipalities Act, 1933.

No. H.C. 11—51-52. Notice is hereby given to the inhabitants of the Municipality of Madhugiri Town that the Municipal Council desires to cancel the exemption in favour of cloths imported through the Post Office noted against "5 Octroi" in the Schedule of Rates appended to the Taxation rules in force in this Municipality.

The words "cloths imported through the post office" occurring after the word "travellers" and ending before the word "and" shall be omitted in the schedule of exemptions referred to.

Any inhabitant of the Municipality objecting to the proposed alteration of the Schedule of exemptions may within one month from the date of this notice send his objections in writing to the Municipal Council.

463 T. S. SIVANNA. *President.*

OFFICE OF THE PRESIDENT, MADHUGIRI TOWN MUNICIPALITY.

Notification dated 7th July 1951.

Under Section 62 (a) and 47 (2) of the Mysore Town Municipalities Act, 1933.

No. P.R. 118—51-2. Notice is hereby given to the inhabitants of the Municipality of Madhugiri that the Municipal Council desires to amend the bye-laws framed by the Madhugiri Town Municipality for regulating the registration of the Vehicles, Carts and Bicycles in the Madhugiri Town under Section 48 (1) (j) of the Mysore Town Municipalities Act so as to provide for issue of registration numbers in respect of the bicycles owned by *bona fide* students and teachers of the Educational Institutions of Madhugiri Town but resident in the nearby villages.

The necessary amendment is proposed to be issued as a proviso to para 1 of the bye-laws and to read as under :—

Exception :—"The bicycles owned by *bona fide* students and teachers of the Educational Institutions at Madhugiri who come daily from the nearby villages to the Institutions for Educational purposes may be deemed to be vehicles liable for registration under these bye-laws".

Any inhabitant of the Municipality objecting to the proposed amendment may, within one month from the date of this notification, send his objection in writing to the Municipal Council.

473 ..... *President.*

OFFICE OF THE CHIEF OFFICER AND RETURNING OFFICER, TOWN MUNICIPAL COUNCIL, MADHUGIRI.

Notification dated 30th June 1951.

No. O.C. 37—51-52. It is hereby notified for the information of the public that a bye-election—to fill up the vacancy that has occurred in the present Municipal Council, Madhugiri, reconstituted from 1st January 1950, due to the resignation of Sri P. K. Nanjundiah from the III Block having been accepted by the President under Section 13 of the Town Municipal Act of 1933—will be held on Monday, the 23rd July 1951, from 8 A.M. to 12 NOON and 2 P.M. to 5 P.M. at the Government High School for electing one Councillor from the III Block.

The calendar of events pertaining to this bye-election has been exibited on the Notice Boards of the Municipal Office, Taluk Office, Town Co-operative Society and the Post Office, Madhugiri, for the information of the public. The list of voters prepared in connection with the General Elections for the reconstitution of the Council from 1st January 1950 will be the Electoral Roll for this bye-election under Section 11 (1) of the Mysore Town Municipalities Act, 1933.

Applications not accompanied by the treasury certified chellan will not be considered.

K. SHAMACHAR,
Chief Officer and Returning Officer.

400

OFFICE OF THE MUNICIPAL COMMISSIONER, MUNICIPAL OFFICES, MYSORE.

Notification dated 28th June—2nd July 1951.

Notice is hereby given to the inhabitants of the Municipality of Mysore City that the Municipal Council desire to frame the byelaws under Section 51 (i) (b) (iii) and Section 181 of the Mysore City Municipalities Act, 1933, as described below* for the control of the trade of tanneries including taxidermy where one or all the processes of cleaning and preparing hides and skins are involved.

Any inhabitant of the Municipality objecting to the proposed bye-laws may within one month from the date of this Notice send his objections in writing to the Municipal Council.

* Bye-laws framed under Section 51 (i) (b) (iii) and Section 181 of Mysore City Municipalities Act, 1933, and control of the trade of tanneries including Taxidermy where one or all processes of cleaning and preparing hides and skins are involved:

1. No person shall use any place for storing, packing, cleaning or preparing or manufacturing or tanning or trading hides and leather without obtaining a license from the Commissioner, City Municipal Council, Mysore.

(*a*) Applications in the prescribed form must be made to the Commissioner, City Municipal Council, within fifteen days from the commencement of each official year for the renewal of the license granted under these bye-laws and in the case of a place to be newly opened, a fortnight before such place is proposed to be used.

(*b*) The license fee will be as follows :—

Class A	Rs. 50
Class B	Rs. 25
Class C	Rs. 10

and the Classification shall be made by the Health Officer.

2. The walls of every such place or premises shall be rendered impervious by cement plastering or otherwise to the extent of four feet from the ground level and the rest plastered with chunam and whitewashed halfyearly or as often as required by the Commissioner; the whole floor shall be either cemented or paved with Cudapah slabs with cement pointing and sufficient drainage provided.

3. The licensee shall not permit or suffer any part thereof to be used at any time for human habitation or for any other purpose.

4. The licensee shall provide the premises with proper ventilation, lighting and drainage and cause the same to be maintained in good condition.

5. He shall cause every beam, table, knife, hammer or other implement or apparatus used in such premises for the purpose of unhairing, fleshing, rounding, scudding or stalling or for any other process to be thoroughly cleansed as often as may be necessary.

6. He shall cause all hair or fleshings or refuse or fragments of skin or all other animal or filthy material from skins, hides or butt or leather to be collected and deposited in receptacles with proper covering and cause them to be removed daily.

7. He shall provide each tanning vat with a well fitting lid and shall have such lid kept at all times at the vat in such a way as effectually to close it excepting only whilst hides are actually soaking in the vat.

8. He shall cover all hides, spread out for drying or cause them to be covered between sunset or sunrise with green straw, or such other material as may prevent the emission of stench therefrom.

9. The licensee shall provide sufficient supply of pure and wholesome water in each such premises to be thoroughly washed and cleansed as often as may be necessary and at least twice every day and shall prevent accumulation of filth or refuse therein.

10. Nothing in the above bye-laws shall be deemed to apply to the storing of leather or skin properly tanned and dressed.

11. Whoever commits any breach of the above bye-laws shall be punished on conviction with a fine not exceeding Rs. 50 and any person who has been so convicted and fined fails to close his business and remove the offensive matters as aforesaid, shall be punished with further fine which may extend to ten rupees for each day on which such breach continues.

C. NARASIMHA MURTHY,
Municipal Commissioner.

OFFICE OF THE COMMISSIONER, CORPORATION OF THE CITY OF BANGALORE, BANGALORE.

Notice dated 11th June 1951.

No. H.C. 15—50. The appended draft bye-laws published in the local papers are republished under Section 371 of the City of Bangalore Municipal Corporation Act, 1949, for the information of the public. The drafts will be proceeded with as laid down in sub-section (b) of Section 371 of the Act. Printed copies of the draft bye-laws are kept at the Municipal Offices for public inspection and all persons are permitted to peruse the same at any reasonable time free of charge. Printed copies of the draft bye-laws will also be sold to any person requiring them on payment of one anna per draft bye-laws.

MIR SAFDAR HUSSAIN,
Commissioner.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for regulating the use of places for refining and boiling Gold or Silver, in the City of Bangalore.

---

1 (*a*) Any person using or desiring to use any place for refining and boiling of gold or silver, shall apply to the Commissioner for a licence.

(*b*) The Commissioner may either grant or refuse any such licence. When the Commissioner refuses the grant of a licence, he shall give reasons therefor and an appeal shall lie to the Corporation from such order of refusal.

(*c*) The licence shall be in the Form shown in the appended Schedule.

(*d*) It shall not be transferable either as regards the person to whom it is issued or the place for which it is granted.

(*e*) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year and may be renewed for a similar period.

(*f*) A sum of Rs. 5 per annum shall be charged for every licence.

2 Every person who has obtained a licence from the Commissioner for the purpose mentioned in bye-law No. 1, shall cause such permises to be thoroughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

3 He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and placed in suitable covered air-tight nonabsorbent receptacles to the satisfaction of the Commissioner. He shall cause all such refuse to be removed from such premises at least twice in every 24 hours and shall be disposed of in such manner as may be approved by the Commissioner.

4 He shall provide and shall cause every means of ventilation upon or in connexion with such premises to be maintained at all times in good order and efficient action so as to permit the escape of all gases, vapour, fumes, dust, or other impurities produced or generated in such permises.

5 He shall provide and shall cause to be maintained at all times in good order and efficient action all such means and appliances as are necessary for rendering innocuous all gas, vapour, fumes, dust, or other impurities emitted during any trade process either from the articles operated upon or from the contents of any receptacle upon such premises or from any source whatever connected with the trade.

6 The premises in respect of which licence is granted shall be sufficiently spacious and suitable for the purpose of the business intended to be carried on there.

7 The licensee shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed at least twice in every year in the month of April and October or more often if so required by the Commissioner.

8 He shall provide and shall cause every drain or means of drainage upon or in connexion with such premises to be maintained at all times in good order and efficient action.

9 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the prevention of inhalation of dust, dirt, gas, vapour, fumes or other impurities and for the purpose of preventing any injury to any person employed therein or preventing, abating, or minimising any nuisance or annoyance to the neighbourhood or to the public.

10 He shall not permit any part of the building in such premises to be used at any time for purposes of human habitation nor shall such building open into or on any thoroughfare or place of public resort.

11 No leper and no person suffering from any open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in bye-law No. 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

12 Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to rupees fifty and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of Licence.

This licence is granted to Sri/Janab..... name and address.....for the use of..... (insert description of place) as a.....

This licence will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye laws of the Municipal Corporation under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws framed by the City of Bangalore Municipal Corporation under clauses (16) and (34) of section 367 read with section 297 (1) of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) for regulating the grant of licenses—(1) for moulding, manufacturing and burning of bricks and (2) for digging for gravel or sand or for earth for making bricks or quarry stones in the City of Bangalore.

Part I.

Grant of Licenses for moulding, manufacturing and burning of bricks.

1 No person shall mould, manufacture or burn bricks within the Corporation limits whether for private use or for trade, without a license from the Commissioner.

2 The application for a license shall specify whether it is for private use or for trade and the premises where the business will be carried on.

3 The fee for a license to mould, manufacture or burn bricks shall be Rs. 10 and Rs. 5 respectively for every lakh of bricks or part thereof, according to the bricks are manufactured and burnt for trade or private use.

4 The license shall be current for six months from the date of issue.

5 The licensee shall not keep or permit to be kept bricks or clay or other materials for the manufacture of bricks outside the said premises or on the public road or street.

6 The license shall be valid only for the premises mentioned therein and if the licensee at any time during the period of the license desires to carry on the said trade or any operation on any additional space, he must apply for a fresh license which [if granted] will be subject to the payment of such additional or extra fee as for the time being be properly chargeable in respect thereof.

7 If the licensee proposes to vacate or give up the possession of the said premises during the period of the license, he shall forthwith inform the Commissioner that he is about to do so.

8 No other articles but bricks shall be manufactured or prepared in the said premises without a license from the Commissioner for that article.

9 The licensee shall carry out such works as may be directed by the Commissioner with a view to abate or remove any cause of nuisance.

10 The licensee shall cause this license to be affixed in some conspicuous part of the premises to which it relates.

11 The license is not transferable either as regards the person to whom or the premises for which it is granted, without the written permission of the Commissioner.

12 The licensee shall, at all times, during the continuance of this license, be responsible for the due fulfilment of all the foregoing conditions and in case of any infringement or neglect or failure on the part of the licensee or of any other person to fulfil or observe any of the said conditions, the licensee shall be liable to prosecution and the license shall be liable to be suspended or revoked.

13 The license shall also be liable to suspension or revocation if the premises are so kept or the trade or any operations connected with it is so carried on as to be, in the opinion of the Commissioner, a source of nuisance or danger to life, health or property.

Part II.

Grant of Licenses for digging for gravel or sand or for earth for making bricks or quarry stones.

1 No person shall, without a license from the Commissioner of the Bangalore Corporation, dig for gravel or sand or for earth for making bricks or quarry stone within the Corporation limits.

2 A person who has obtained a license for digging or quarrying shall fill in all the pits dug by him and shall be held responsible for properly levelling the site on which he digs or quarries in such a manner that no injury is thereby caused to public works or public health. No digging shall be allowed below the level of the nearest drain.

3 Licenses under this bye law shall be granted only to approved applicants on their depositing with the Corportion a sum of rupee one for every 100 square feet of the superficial area of the ground covered by the license as security for the proper filling in of the pits dug, and for levelling the ground.

4 In the case of a failure of a license holder to fill in the pits properly and level the ground to the satisfaction of the Corporation Engineer, the work may be carried out by the Corporation, and the cost thereof recovered from the deposit made by the license holder, the balance of which shall also be liable to be forfeited to the Corporation. Should the cost exceed the deposit amount, the excess shall be paid by the license holder or recovered from him in the manner provided in the Corporation Act for the recovery of the taxes imposed under that Act.

5 Licenses granted under this bye-law for digging or quarrying on Corporation land shall be for the official year, and a fee not exceeding annas four per 100 square feet may be charged for digging for gravel or sand and not exceeding annas two per 100 square feet for quarrying stone or for digging earth for brick-making. Licenses for digging or quarrying on private land will be granted free.

6 The Commissioner may cancel a license granted under this bye-law at any time during its currency, for a good and sufficient reason, and the license holder shall not be entitled to any compensation therefor.

7 Breach of any of these bye-laws shall render the offender liable on conviction to a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which the breach continues.

Bye-Laws framed by the City of Bangalore Municipal Corporation under Section 367 (8) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for the Cleansing of Latrines and Water-Closets in the City of Bangalore.

1 The provisions of this bye-law shall apply to latrines or privies belonging to or maintained for the use of any house, building or enclosure which is assessed in the Municipal books at an annual valuation of Rs. 120 and more.

2 Every latrine shall be situated in such a position as to permit of easy access for purposes of cleansing.

3 The owner or occupier of any premises to which a latrine is attached, shall cause it to be thoroughly cleansed as often as may be necessary, and at least once in every twenty-four hours.

4 (i) The owner or occupier of any premises to which a water-closet is attached shall provide such water-closet with a cistern of adequate capacity for the purpose of flushing, and so constructed, fitted and placed as to admit of the proper supply of water for use in such water-closet.

(ii) He shall provide such water-closet with a pan, basin or other receptacle of non-absorbent material and of such shape, capacity and mode of construction as to receive and contain a sufficient quantity of water and to allow all filth which may from time to time be deposited in such pan, basin or other receptacle, to fall free of the sides thereof and directly into the water received and contained in such pan, basin or other receptacle.

(iii) He shall provide such water-closet with suitable apparatus for the effectual application of water to the pan, basin or other receptacle with which such apparatus may be connected and used for the effectual flushing and cleansing of such pan, basin or other receptacle and for the prompt and effectual removal therefrom and from the trap connected therewith, of any solid or liquid filth which may from time to time be deposited therein.

(iv) In the case of hand-flush water-closets commonly called flush-out latrines, a vessel shall be kept in the closet and filled with water at all times and contents emptied into the pan as often as necessary.

5 The owner or occupier of any premises to which a latrine is attached shall not let or permit, or cause to be let, excreta or other offensive matter from such latrine into a public drain which is not intended for the conveyance of excreta or offensive matter.

6 The owner or occupier of any premises to which a latrine is attached, shall, when required by the Commissioner, provide disinfectants and other accessories for the efficient cleansing of such latrine.

7 The owner or occupier of any premises to which a latrine is attached shall cause every drain, or means of drainage upon, or in connection with such latrine, to be maintained at all times in good order and efficient action.

8 No person shall intentionally or negligently spill any filth in the removal thereof, or omit to sweep and clean carefully every place in which any such filth has been spilled, or place or set down in any public place, any filth, whether in a vessel closed or open.

9 Whoever commits a breach of any of the above bye-laws shall be punishable—

(i) with a fine which may extend to twenty rupees and, in case of a continuing breach with fine which may extend to ten rupees for every day during which the breach continues after conviction for the first breach, or,

(ii) with fine which may extend to five rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws under Sections 297 and 367 (16) and (34) of the City of Bangalore Municipal Corporation Act, 1949, (Act No. LXIX of 1949) for the Sanitary Control and Supervision of premises for the purpose of boiling paddy in the City of Bangalore.

1 No place shall be used for the purpose of boiling paddy without previously obtaining a licence therefor from the Commissioner of the City of Bangalore Municipal Corporation on payment of a fee of Rs. 50; provided that no licence will be necessary for the manufacture and

preparation of the above article for private consumption and not for sale.

84

2 Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a licence. Every application shall be in the form shown in schedule 'A'. Except in the case of temporary licence, every application should be made not less than 15 days before the date from which the licence applied for is to commence.

No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year; provided that a temporary licence for a period not exceeding one year may be granted for any special occasion and such licence shall expire with the period for which it is granted.

3 The licence shall be in the form shown in schedule 'B'.

Every application for the renewal of a licence granted under the Bye-law shall be made before the end of the first month of each official year.

The commissioner may in his discretion on the advice of the Health Officer grant or refuse a licence. When he refuses to grant a licence, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

4. The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place from which it is granted. The licence shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

5 Every person who has obtained from the Commissioner a licence for the use of any premises for the purpose of boiling paddy shall provide a sufficient supply of water in such premises and shall cause such premises to be thoroughly cleansed at least once in every twenty-four hours or more often if necessary and shall prevent any accumulation of filth or refuse therein.

6 He shall provide suitable means of drainage upon or in connexion with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7 He shall provide suitable means of ventilation and lighting upon or in connexion with such premises and shall adopt such practical means as may be approved by the Health Officer for the prevention of all nuisance from smoke or other effluvia arising during such boiling of paddy. He shall also maintain them at all times in good order and efficient action.

8 He shall provide suitable receptacles in suitable places for soaking paddy. He shall cause the flooring of every such place to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer. Such flooring shall be kept at all times in good order and repair.

9 He shall provide for drying paddy a platform or other suitable place provided with tiles, slabs or cement and no person shall dry paddy except on such platform or other place provided for the purpose.

10 He shall not use or permit for soaking paddy water from any source which is prohibited by the Health Officer.

11 He shall not soak or permit the soaking of paddy in water previously used for the same purpose nor shall he allow such waste water to be retained in any vessel in the premises. He shall cause such water to be disposed of in such manner as the Health Officer may direct.

12 He shall provide suitable non-absorbent receptacles for the deposit of all refuse matter in the premises and cause it to be disposed of not less than twice in every twenty-four hours in such manner as the Health Officer may direct. Unless so permitted or writing by the Health Officer such refuse shall not be deposited in any public street in dustbin.

13 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on such business and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

14 Every licensee shall cease temporarily to carry on such business on the occurrence of leprosy or of any loathsome, infectious or contagious disease in his or in the house of any person employed in or assisting in such business and he shall not sell any paddy or rice kept or made in such premises or resume his business without the written permission of the Health Officer.

15 He shall keep all rice or paddy stored or exposed for sale in such covered receptacles or places as may be approved by the Health Officer.

16 No person shall spit in or upon such premises except in such receptacles or places as are provided for the purpose.

17 Whoever commits breach of any of the above bye-laws shall be punishable.—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bangalore, dated..... *Applicant.*

SCHEDULE "B"

Form of Licence issued under the Bye-laws of the City of Bangalore Municipal Corporation.

The licence is granted to Sri/Janab..... (name and address) for the use of..... (insert description of place)..... for the purpose of boiling paddy.

This licence will expire on the..... 195... It is subject to the conditions set forth hereunder and the bye-laws and rules of the Municipal Corporation framed under the City of Bangalore Municipal Corporation Act.

Bye-laws framed by the City of Bangalore Municipal Corporation under clauses (16) and (24) respectively of section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) (1) for the sanitary control and supervision of places where offensive trades are carried on and (2) for the prevention of sale or exposure for sale of unwholesome articles of food.

I. Packing, pressing, cleansing, preparing or manufacturing by any process whatever dyes.

General conditions to be observed regarding premises used for purposes of packing, cleansing, manufacturing, etc., dyes—

No premises used for the purpose of packing, pressing, cleansing, preparing or manufacturing by any process whatever dyes shall be situated within 100 yards of any human habitation.

Every person who may have obtained from the Commissioner a license for the use of any premises for the purposes mentioned above, shall cause all materials which have been received upon the said premises and which are not required for immediate use to be stored in such a manner and in such a situation as to prevent the emmission of noxious or injurious effluvia therefrom.

He shall adopt the best practicable means of rendering innocuous all vapour emitted during any process either from the articles operated upon or from the contents of any cask, tank, vat, pan or other receptacles upon the said premises.

He shall at the close of every working day cause the said premises to be thoroughly cleansed.

He shall cause every floor or pavement upon the said premises to be kept at all times in good order and repair so as to prevent the absorption of any liquid filth or refuse or any noxious or injurious matter which may fall or be deposited thereon.

He shall cause the drying ground and all the ground surface of the said premises to be kept smooth and free from hollows or inequalities so as to prevent any accumulation of liquid filth or refuse.

He shall cause every drain or means of drainage upon or in connection with the said premises to be maintained at all times in good order and efficient action.

He shall cause every part of the internal surface of the wall and the ceiling of every building upon the said premises to be limewashed to the satisfaction of the Commissioner twice every year or oftener if so required.

He shall not permit or suffer any building upon the said premises in which dyes are stored or kept to be used for human habitation.

He shall cause all refuse or other matter which may have fallen or been deposited upon any part of the said premises to be collected and deposited in suitable receptacles or places to the satisfaction of the Commissioner.

He shall cause every such means of ventilation and lighting as may be provided in or in connection with the said premises to be maintained at all times in good order and efficient action.

He shall provide in such premises an adequate supply of pure and wholesome water.

Any person offending against any of these bye-laws shall be punishable,

Penalty—

(a) with fine which may extend to fifty rupees, and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

II. Bye-Laws Under Section 367 (24) of the City of Bangalore Municipal Corporation Act LXIX of 1949 for the Prevention of Sale or Exposure for Sale of Unwholesome Articles of Food.

Prohibition against sale of articles of food, intended for human consumption without obtaining sanitary certificate—

1. No person shall without or otherwise than in conformity with a sanitary certificate from the Health Officer or other officer appointed by the Commitsioner (a) use any place in the City for the preparation, storage or sale of articles intended for human consumption or (b) carry on within the City the trade or business of a dealer in or seller or hawker of such articles.

Application for sanitary certificate to be made to the Health Officer. Sanitary certificate to be granted free for hawkers but they should wear badges—

2. Application for the sanitary certificate shall be made to the Health Officer or other officer appointed by the Commissioner in the first month of every official year or in the case of a place to be newly opened, one fortnight before the opening of such place and such a certificate may be refused or granted either conditionally or upon conditions laid down by the Health Officer or other officer appointed by the Commissioner. The sanitary certificate shall in the case of hawkers be supplemented by a badge which, shall be worn on a prominent part of the body. No fees shall be charged for a sanitary certificate but a nominal fee shall be charged for the badge to cover its cost. Such a certificate is not necessary in the case of places coming under the purview of Section 297 of the City of Bangalore Municipal Corporation Act, 1949.

Articles intended for sale or kept for sale for human consumption to be inspected by the Commissioner and other such officer of the Corporation—

3. Every place where articles intended for human food are manufactured, prepared or stored, packed or cleansed or kept for purposes of sale or sold shall be subject to the control of the Commissioner and other officers of the Corporation and to their inspection at any time, day and night and no man shall prevent or obstruct such inspection.

Articles for sale for human food should not be unwholesome and not to be kept alongside any open drain or sewer—

4. No person shall keep or expose for sale any article intended for human food which is unwholesome or unfit for human consumption nor shall any such article be kept in exposed for sale over or alongside any open drain.

Articles for sale for human consumption should be kept uncontaminated—

5. Eevery place where articles intended for human food are exposed for sale or kept for the purpose of sale shall always be kept in a clean and sanitary condition

6. Every person dealing in meat, fish or other provisions intended for human consumption shall adopt such measures to avoid deterioration of such articles and prevent contamination in any manner whatsoever of such articles as shall be prescribed by the Commissioner or the Health Officer.

Articles of food not to be stored in rooms where persons sleep or reside—

7. No person shall store for the purpose of sale meat, fish, milk, ghee or any such other articles of food as are likely to absorb noxious gases or vapours in any room or place in which persons sleep or reside or where animals are kept or in any room or place opening directly into a place where animals are kept or which communicates directly with a latrine.

8. No person shall transmit any article of food intended for sale and likely to be contaminated in the process of transmission, except in such manner as shall prevent all reasonable chances of contamination.

Articles of food not to be sold by persons affected with infectious disease—

9. No person who is suffering from any infectious or contagious disease or from leprosy or open sores shall be engaged in the sale of articles of food intended for human consumption.

10. Any person offending against any of these bye-laws shall be punishable—

Penalty—

(a) with fine which may extend to fifty rupees, and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-Laws framed by the City of Bangalore Municipal Corporation under clause (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for Regulating the use of Places for Gilding or Electro-Plating in the City of Bangalore.

1 (a) Any person using or desiring to use any place for gilding or electro-plating, shall apply to the Commissioner for a licence.

(b) The Commissioner may either grant or refuse any such licence. When the Commissioner refuses the grant of a licence, he shall give reasons therefor and an appeal shall lie to the Corporation from such order of refusal.

(c) The license shall be in the form shown in the appended Schedule.

(d) It shall not be transferable either as regards the person to which it is issued or the place for which it is granted.

(e) No licence shall be granted for a period exceeding one year and every license shall be granted so as to expire with the official year and may be renewed for a similar period.

(f) A sum of Rs. 5 per annum shall be charged for every licence.

2 Every person who has obtained a licence from the Commissioner for the purpose mentioned in bye-law No. 1, shall cause such premises to be throughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

3 He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and placed in suitable covered air-tight non-absorbent receptacles to the satisfaction of the Commissioner. He shall cause all such refuse to be removed from such premises at least twice in every 24 hours and shall be disposed of in such manner as may be approved by the Commissioner.

4 He shall provide and shall cause every means of ventilation upon or in connexion with such premises to be maintained at all times in good order add efficient action so as to permit the escape of all gas, vapour, fumes, dust, or other impurities produced or generated in such premises.

5 He shall provide and shall cause to be maintained at all times in good order and efficient action all such means and appliances as are necessary for rendering innocuous all gas, vapour, fumes, dust, or other impurities emitted during any trade process either from the articles operated upon or from the contents any receptacle upon such premises or from any source whatever connected with the trade.

6 The premises in respect of which licence is granted shall be sufficiently spacious and suitable for the purpose of the business intended to be carried on there.

7 The licensee shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed at least twice in every year in the months of April and October or more often if so required by the Commissioner.

8 He shall provide and shall cause every drain or means of drainage upon or in connexion with such premises to be maintained at all times in good order and efficient action.

9 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the prevention of inhalation of dust, dirt, gas, vapour, fumes or other impurities and for the purpose of preventing any injury to any person employed therein or preventing, abating, or minimising any nuisance or annoyance to the neighbourhood or to the public.

10 He shall not permit any part of the building in such premises to be used at any time for purposes of human habitation nor shall such building open into or on any thorough fare or place of public resort.

11 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in bye-law No. 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

12 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to rupees fifty and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipts of notice from the Commissioner to discontinue such breach.

(b) No license shall be granted for a period exceeding one year and every license shall be granted to as to expire with the financial year; provided that a temporary license for a period not exceeding one year may also be granted and such license shall expire with the period for which it is granted.

(c) Every application for the renewal of a license granted under this bye-law shall be made before the first month of each financial year.

(d) The Commissioner may, in his discretion, on the advice of the Health Officer, grant or refuse a license. When he refuses to grant a license, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

(e) The license granted under this bye-law shall not be transferable either as regards the person to whom, or the place to which, it is granted. The license shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

2. Every person, who has obtained from the Commissioner a license for the use of any premises for the purpose of washing soiled clothes or keeping soiled clothes for the purpose of washing them or keeping washed clothes shall provide a sufficient supply of water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary, and at least once in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

3. He shall store soiled and washed clothes in separate rooms or places in such premises.

4. He shall not wash or permit to be washed soiled clothes in any source of water-supply. Water necessary for the purpose shall be drawn from the source of water-supply. The water used for washing clothes shall be prevented from entering any source of water-supply and shall be removed and disposed of in a manner approved by the Commissioner.

5. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed at least twice in every year in the months of April and October or more often if so required by the Commissionor.

6. He shall cause the flooring of every building and the washing platforms and stands in such premises to be paved or otherwise made impervious to the satisfaction of the Commissioner. Such flooring and platforms and stands shall be kept at all times in good order and repair.

7. He shall provide suitable means of drainage upon in or connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

8. He shall provide suitable means of ventilation and lighting upon or in connection with such premises, and shall cause the same to be maintained at all times in good order and efficient action.

9. He shall at all times adopt and cause to be maintained in good order and efficient action upon the said premises all such appliances and means in connection with such business as the Commissioner may from time to time require.

10. He shall not permit or suffer any room or place in such premises in or upon which any of the said articles is stored or kept, to be used at any time for purposes of human habitation.

11. He shall not knowingly take or cause to be taken soiled clothes from a house where there is a dangerous loathsome or infectious disease nor shall the owner or occupier of any such house knowingly give clothes to him to be washed until after the said house and clothes have been previously disinfected to the satisfaction of the Commissioner.

12. No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business of a washerman or be employed in or assist in the carrying on of such business.

13. Every license shall cease temporarily from carrying on his profession on the occurrence of leprosy or of any loathsome, infectious or contagious disease in such premises and he shall not resume his profession until such premises have been declared to be free from infection by the Commissioner.

14. On the occurrence of leprosy or of any loathsome, infectious or contagious disease in his premises, he shall retain all clothes in his possession until the written permission of the Commissioner has been obtained to return them to their owners.

15. He shall at once report to the Commissioner all cases of dangerous disease coming to his notice.

16. Whoever commits a breach of any of the above bye-laws shall be punishable,—

(*a*) with fine which may extend to fifty rupees, and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of License Issued under the Bye-laws of the City of Bangalore Municipal Corporation.

This License is granted to Sri/Janab..... (Name and address) for the use of..... (Insert description of place) for washing soiled clothes and keeping soiled clothes for the purpose of washing them and keeping washed clothes.

The license will expire on the.....

It is subject to the conditions set forth in the bye-laws and rules of the Municipal Corporation framed under the City of Bangalore Municipal Corporation Act.

Bye-laws framed by the City of Bangalore Municipal Corporation under clause (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act LXIX of 1949) to provide for the sanitary control and supervision of places used for any of the purposes specified in Schedule V and of any trade or manufacture carried on therein.

General Provisions.

1. Every application to the Commissioner for a license to use any premises for any of the purposes mentioned in Schedule V to the Act, [i] shall be in writing, [ii] shall state the use to which the premises are intended to be put, and (iii) if so required by the Commissioner, shall be accompanied by a plan of the premises. He shall also furnish such other details and information in respect of the said premises as may be called for by the Commissioner.

2. Every owner of any premises used for any of the said purposes, shall furnish to the Commissioner whenever required a statement in writing containing the name of the person, or if more than one, of each of the persons occupying the said premises, or using the same, for any of the purposes aforesaid.

3. Every licensee shall at all reasonable times afford free access to every part of the premises to the Commissioner, Health Officer, Assistant Health Officer, Sanitary Inspector or such other officer, of the Corporation as is specially appointed by the Commissioner for the purpose of inspecting the premises or any process connected with any trade or manufacture carried on therein.

4. The licensee shall hang up in a prominent place in the premises, the license issued by the Commissioner under Section 297 to use the premises for any of the said purposes and also a copy of the bye-laws relating thereto.

5. The licensee shall maintain in the premises an inspection book and make it available at all times to the inspection officer during business hours.

6. The instructions given in the inspection book shall be carried out within the time specified therein provided that such instructions are not in conflict with the provisions of the Act or the rules or bye-laws made thereunder.

7. Whoever commits a breach of bye-laws 2 to 6 shall be punishable—

(a) with fine which may extend up to rupees fifty and in the case of a continuing breach with fine may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

The following bye-laws adopted by the Municipal Corporation of the City of Bangalore under Clause (13) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, for the regulation of hotels, boarding houses, rest-houses, restaurants, eating houses, cafes, refreshment rooms, coffee houses and any premises to which the public are admitted for the consumption of any food or drink.

---

1 No place within the municipal limits of the City of Bangalore shall be used as hotel, boarding house, rest-house, restaurant, eating house, cafe, refreshment room, coffee house or premises to which the public are admitted for the consumption of any food without a licence from the Commissioner or other officer appointed by him in this behalf and such licence shall remain in force from the date on which it is granted until the 31st March following and may be renewed every year. Provided that a temporary licence for a period not exceeding one month may be granted for any special occasion, and such licence shall expire with the period for which it is granted.

2 (a) Application for a licence with the necessary fee shall be made not less than 30 days before the date for which the licence applied for is to commence.

(b) Application for the renewal of a licence granted under these bye-laws shall be made with the necessary fee not later than one month before the expiry of the period for which the licence is granted.

(c) Every such application shall be in the form shown in Schedule 'A'.

3 (a) The Commissioner may, in his discretion, on the advice of the Health Officer, grant or refuse to grant a licence. When he refuses to grant a licence he shall give reasons therefor, and an appeal shall lie to the Health Committee for such an order of refusal.

(b) The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place to which it is granted.

(c) The licence shall be affixed in a conspicuous place to which it pertains with the name and residential address of the licencee correctly stated.

(d) The licence shall be in the Form shown in Schedule 'B' and the licence fees as shown in Schedule 'C' shall be payable in advance yearly commencing from the first day of April.

4. (i) Every person who has obtained from the Commissioner a licence under Bye-law No. 1 above, shall be

held responsible for all acts done by his agents or servants in connection with the business for which the licence has been obtained.

(ii) Where the holder of any licence under Bye-law No. 1, has employed any person or persons to be in charge of the place for which such licence is granted, such person or persons shall also be responsible for due observance of all the conditions prescribed by those bye-laws.

5 Premises for any of the purposes mentioned in Bye-law 1, shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of inflammable materials. The roofing shall be plain and ratproof.

6 Every such premises shall contain suitable and separate accommodation for the preparation, storage and service of food.

7 The walls of the premises shall be rendered impervious to water by cement plastering or otherwise up to a height of four feet from the ground level, and the rest of the said walls shall be plastered with chunam.

8 The floor shall be either cemented or paved with Cuddapah slabs with cement pointing and sufficient drainage shall be provided.

9 He shall cause every drain by means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action. No cess-pools should be permitted on the premises. If sewers exist, they should be properly trapped.

10 He shall provide in such places as may be approved by the Health Officer suitable washing platforms having impervious surface.

11 He shall provide sufficient latrine accommodation as required by the Commissioner. Every latrine, privy or urinal on the premises shall be kept clean and thoroughly disinfected daily and the night-soil shall always be covered with ashes or earth and removed daily. Where facilities are available, flush latrines should, as a rule, be provided.

12 He shall provide suitable means of ventilation and lighting upon or in connection with every room in such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall provide in every place set apart for the manufacture or preparation of food suitable smoke outlets and shall cause the same to be maintained in good order and efficient action.

14 The premises will have water connection from the public main and such connection and all fittings thereof shall be kept in proper order and efficient action so as to provide for use on the premises sufficient supply of water for the purpose of business and for thoroughly washing and cleansing such premises. Only water from this source shall be used for all purposes connected with the business. If water has to be stored, it shall be stored only in a metallic tank fitted with a tap and covered at the top with a tight fitting metallic lid and placed four feet above the ground level. In case there is a well, it should conform to sanitary principles and its mouth should be covered and fitted with a pump.

15 Where furniture is required or provided for the convenience of customers, he shall cause the surface of every table, bench or board on which food is served to be made of marble or polished stone or slab or similar non-absorbent material and shall cause the same to be kept clean at all times.

16 He shall provide suitable covered receptacles for the deposit of all refuse matter and such receptacles shall be emptied and thoroughly cleansed at least twice in every twenty-four hours.

17 He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot lime-washed to the satisfaction of the Health Officer at least four times in every year in the months of January, April, July and October or more often if so required by the Health Officer.

18 He shall not use or cause to be used in the manufacture, preparation, storage or distribution of any article of food, any vessel or utensil which is likely to get corroded or to give a metallic or other unwholesome taste or in any way deleteriously affect the quality of such article of food.

19 He shall cause the said premises to be thoroughly cleansed as often as may be necessary and at least twice in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

20 Every cup, plate, knife, fork, spoon or other such article used in the distribution or consumption of food shall, after being used by any person, be thoroughly cleansed in clean water and steamed or immersed in boiling water for not less than ten minutes before it is allowed to be used by any other person.

21 All provisions or materials used for the purpose of the business shall be good and wholesome, and adulterated provisions or materials shall not be used. Provisions not required for immediate use shall be stored in closed bins made of galvanised iron or other metallic receptacle suitably protected against chemical action which shall be kept in stone benches fixed 1½ feet away from the walls and shall not be allowed to lie open on the floor.

22 No foodstuff of any sort which is stale, unwholesome, offensive or in any way unfit for human consumption in the opinion of the Health Officer, shall be stored, served, sold or exposed for the sale in the premises.

23 (i) Dried fruit, cut slices of fruit, cooked food and all other articles of food or drink kept ready for human consumption in the premises shall be stored or exposed for sale in such a manner as completely to protect them from dust, effluvia, flies or other vermin.

(ii) Such articles, when exposed for sale, shall be kept in clean vessels or plates made of glass or metal covered with enamel or tin lining, placed in glass cases provided, if necessary, with a fly-proof wire gauze at the top for ventilation.

(iii) No such articles shall be touched by hand and clean spoons or other accessories shall be used for serving them.

(iv) All papers or leaves used for wrapping articles of food shall be clean and stored in a clean rack or box.

24 He shall not store any article of food intended for human consumption in any way which is likely to permit the absorption of noxious gases or vapours, nor in any room or place opening directly into a place where persons sleep or reside or where animals are kept or which communicates directly with a latrine.

25 He shall not transmit any article of food intended for sale except in such manner as shall prevent all reasonable chances of contamination.

26 He shall not permit or suffer any part of any building in or upon such premises to be used at any time for purposes of human habitation unless such building is sufficiently detached or separated from the rest of the said premises to the satisfaction of the Health Officer.

27 The licencee shall allow only servants who are dressed in clean clothes to attend on the customers. Servants employed in the manufacture or handling of any article shall wear an apron or any other clean clothes.

28 The licencee shall forthwith report to the Health Officer any case or dangerous, infectious or contagious disease occurring on the premises.

29 The licensee shall, when so required by the Health Officer, cause any employee engaged in the preparation and distribution or handling of any article of food in such premises to be examined and a certificate to be produced of being free from disease or infection of any kind and fit to carry on such business.

30 He shall cease to carry on the business on the occurrence of any loathsome, infectious or contagious disease in such premises or in his house or the house of any person employed in or assisting in such business, and shall not sell any articles of food prepared in such premises or resume such business without the written permission of the Health Officer.

31 No person suffering from an open sore or any loathsome, infectious or contagious disease or who has recently been in attendance on a person suffering from such disease shall carry on such business or be employed in or assist in carrying on such business in such premises or be allowed to enter any part of such premises.

32 (i) No person shall be employed in or in connection with any business carried on in any place licensed under Bye-law No. 2, for which a license under Bye-law No. 1 is necessary unless he produces a certificate from the Health Officer, Assistant Health Officer or Medical Officer not below the rank of an Assistant Surgeon or a Registered Medical Practitioner, showing that he is free from any contagious, infectious or loathsome disease. He should not be a carrier of intestinal diseases, *viz.*, typhoid, para-typhoid A or B, cholera and dysentery. After every serious illness, the must produce a certificate that he is not infectious.

(ii) Such a certificate shall be produced—

(a) at the time of first employment;

(b) subsequently at the beginning of every official year on or before April the 15th;

(c) before re-employment after any illness involving discontinuance of employment.

(iii) No person who has failed to comply with any of the above requirements shall be employed or continue to be employed in or in connection with the business.

33 No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose.

34 No dog or cattle should be permitted or stabled permanently or temporarily in or any part of such premises.

35 Whenever arrangements are made on the premises for broadcasting or for the playing of gramophones with or without pick and loud-speakers arrangement, care shall be taken to prevent an unreasonable amount of noise being caused in the neighbourhood so as to occasion annoyance or discomfort to the owners or occupiers of houses in the vicinity.

36 No impediment or encroachment should be made on the foot-path or road by placing thereon benches, tables, soda-water bottle boxes or any other articles for the use of the shop-keeper or his customers.

37 He shall fix or cause to be fixed in a conspicuous place in such premises a board stating the purpose for which such premises is intended and the hours of its working.

38 He shall keep in such premises a book in which customers or Inspecting Officers may enter their remarks or note their complaints and such book shall be open to inspection by any inspecting officer of the Health Department of the Corporation.

39 It shall be competent for the Commissioner, the Health Officer, any Health Inspector or other Officer of the Corporation authorised in writing in this behalf by the Commissioner to enter into any place used for any of the purposes specified in Bye-law No. 1, between 6 A.M. and 5 P.M. or at any other time while such place is kept open for business to inspect the premises, provisions, articles of food or drink, all utensils and furniture on the premises and to take samples of any provisions, any articles of food or drink manufactured or kept for sale therein. Samples so seized may be subjected to chemical or other examination.

40 It shall be competent for the Commissioner, the Health Officer or any Health Inspector to remove or cause to be removed forthwith from such place any article of food or drink which, in their opinion, is stale, unwholesome, offensive or unfit for human consumption besides prosecuting the licensee for violating the Bye-laws.

41 Whenever the Commissioner or the Health Officer is satisfied on personal inspection or on a report of inspection, he may, instead of recommending the prosecution of the licensee, issue to him in writing such directions as he may deem necessary for securing proper compliance with these bye-laws or in the interests of public health and the licensee shall forthwith comply with such directions.

42 The Commissioner may suspend or completely revoke any licence granted under the Bye-law in respect of any place on grounds of public health or safety or where any of the conditions specified in the bye-laws are not being strictly observed; provided that such suspension or revocation of the licence shall not be deemed to exempt the licensee or any other person from liability to prosecution under these bye-laws, and provided further that such suspension or revocation shall be made only after an opportunity is given to the licensee to show cause in the matter.

43 Where licences have been suspended or cancelled or refused, the Commissioner or any other person authorised by him may seize and detain articles of food or drink and vessels, utensils, etc., used for manufacturing, preparing or keeping such articles of food or drink, and close down and lock the premises. Articles so seized may be destroyed or disposed of in any manner the Commissioner may deem fit.

44 (a) Whoever uses any place for any of the purposes mentioned in Bye-law No. 1 above without obtaining a licence as required by the said Bye-law or after the licence has been revoked or suspended, shall be liable on conviction to a fine not exceeding Rs. 50 for the first day of the offence and not exceeding Rs. 10 for every succeeding day of the repetition of the offence.

(b) Whoever having been previously convicted of an offence under clause (a) of this bye-law uses any place for any of the purposes mentioned in Bye-law No. 1 without obtaining a licence as required by the said Bye-law shall be liable on conviction to a fine not exceeding Rs. 200.

(c) Any infringement of these bye-laws not provided for in clause (a) shall be punishable with a fine not exceeding Rs. 50.

It is subject to the conditions set forth in the Bye-laws and rules of the Corporation framed under the City of Bangalore Municipal Corporation Act.

Schedule "C".

Fees chargeable in respect of every licence for the use of a place in Bangalore City as hotel, restaurant, eating house, boarding or lodging house, coffee house.

Purpose of Licence	*Fee payable per annum.* Rs.
1 Hotel, restaurant, eating house, or coffee house.	
(i) Where the annual rental value of the place where the business is carried on exceeds Rs. 2,999.	200
(ii) Where such annual rental value exceeds Rs. 1,499 but does not exceed Rs. 2,999.	100
(iii) Where such annual rental value exceeds Rs. 899 but does not exceed Rs. 1,499.	50
(iv) Where such rental value exceeds Rs. 299 but does not exceed Rs. 899.	20
(v) In all other cases	10

The following bye-laws adopted by the City of Bangalore Municipal Corporation under clause (13) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for the regulation of hotels, lodging houses, boarding houses, choultries, rest-houses, emigration depots or any premises to which the public are admitted for repose.

1 No place within the municipal limits shall, unless it has been duly licensed by the Commissioner, be used by any person as a hotel, lodging house, boarding house, restaurant, choultry, rest-house, emigration depot or a place to which the public are admitted for repose or where they are received and provided with sleeping accommodation, with or without food on payment.

2 (1) Application for such licence shall—

(*a*) be made to the Commissioner in such form as may be laid down by him from time to time at least one month before the premises are opened to the public; and

(*b*) be accompanied by a plan in duplicate showing the dimensions and the purpose or purposes for which each room and place in the premises is proposed to be used.

(2) The applicant shall also furnish such further or other particulars, as he may be required to do by the Health Officer or by the Commissioner.

3 (1) The Commissioner shall refuse to grant the licence if in his opinion—

(*a*) the premises are unsuitable for the purpose specified in the application, or

(*b*) the applicant is not a suitable person to be in charge thereof.

(2) In cases not falling under clause (1), the Commissioner may grant a licence subject to such conditions and restrictions (to be specified in the licence) as he may think fit.

4 Every licence issued under these bye-laws shall expire at the end of the financial year for which it is granted unless for special reasons the Commissioner considers that it should expire at an earlier date.

5 Application for the renewal of a licence shall be made to the Commissioner not later than the 1st March of the year preceding that in respect of which the renewal is applied for and shall be in such form as may be laid down by the Commissioner from time to time.

6 Where a licence is granted, it shall specify the maximum number of persons allowed in respect of the premises as a whole. One copy of the plan submitted with the application shall be returned to the applicant together with the licence and there shall be marked on such copy the number of persons allowed for each room.

7 The Commissioner may, at any time after the grant of a licence, reduce the maximum number of lodgers specified therein if, in his opinion the available space in the premises has, since such grant been reduced or if the sanitary conditions thereof have since deteriorated. Where any such reduction is effected, the fact of such reduction shall be communicated to the licensee or his agent or other person carrying on the business on behalf of the licensee and on receipt of such communication by the licensee, agent or other person, the original licence shall be deemed to have been altered for the remaining period as if the reduced figures were substituted for the original figures. The licensee, agent or other person aforesaid shall produce the licence and the plan annexed thereto to the Commissioner or other officer of the Corporation appointed by the Commissioner in this behalf and the reduced figures shall be substituted in the place of the original figures in the licence.

8 The Commissioner may, at his discretion, on application made by the licensee or his agent or other person carrying on the business on behalf of the licensee and on payment of the requisite fee, increase the maximum number of lodgers specified in the licence if in the opinion of the Commissioner the available space in the premises has, since the grant of the licence, been increased or if the sanitary conditions of the premises have since been improved. Where any such increase is sanctioned, the fact of such increase shall be communicated to the applicant who shall thereupon produce the original licence and the plan annexed thereto, to the Commissioner or other officer of the Corporation appointed by the Commissioner in this behalf and the figures shall then be substituted, in the place of the original figures in the licence.

9 The licensee shall not at any time receive or allow to be received into the licensed premises or into any room or part thereof a greater number of persons than the number specified in the licence and in the plan annexed thereto.

10 Premises used for any of the purposes mentioned in bye-law 1, shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of inflammable materials.

11 Every part of the flooring of the licensed premises shall be paved or otherwise made impervious and drained to the satisfaction of the Commissioner, and such flooring shall at all times be kept in good order and repair.

12 The licensee shall provide suitable means of ventilation and lighting upon or in connexion with such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall cause every drain or means of drainage upon or in connexion with such premises to be maintained at all times in good order and efficient action.

14 He shall, when such premises are intended for the use of both sexes, provide and maintain separate and suitable sleeping accommodation for the use of persons of either sex.

15 He shall provide in such premises latrines and water-closets in such position and of such description, size and number as the Commissioner may, from time to time, direct for the separate use of persons of each sex.

16 He shall cause the seat, floor and walls of every water-closet and latrine in such premises to be thoroughly cleansed from time to time and as often as may be necessary for the purpose of keeping such seat, floor and walls in a clean and wholesome condition.

17 He shall cause every part of the structure of every latrine and water-closet in such premises to be maintained at all times in good order and every part of the apparatus of such latrine or water-closet and every drain or means of drainage leading therefrom to be maintained at all times in good order and efficient action.

18 He shall—

(*a*) provide in such premises a sufficient and good supply of wholesome water, and

(*b*) cause such premises to be thoroughly swept, washed and cleansed at least once in every 24 hours at such hours as may from time to time be fixed by the Health Officer or Assistant Health Officer and shall prevent any accumulation of filth or refuse therein except in the covered receptacle referred to in bye-law 22.

19 He shall cause every window of every room in such premises which may be appointed for use and occupation as a sleeping apartment to be opened and to be kept fully open for one hour at least in the forenoon and one hour at least in the afternoon of every day except when the state of the weather is such as to render it necessary that the window should be closed or when any bed in such room may be occupied by any lodger in consequence of sickness or for other sufficient cause.

20 He shall provide the rooms, if any, used for the preparation of articles of food and drink with suitable smoke outlets and shall cause the same to be maintained at all times in good order and efficient action, and shall not at any time cause or suffer any room which may be appointed for use as a kitchen to be used or occupied as a sleeping apartment.

21 He shall provide in such premises suitable bathing places for the separate use of each sex using such premises.

22 He shall provide suitable air-tight, non-absorbent covered receptacles in suitable place in such premises for the deposit of all filth or refuse and shall cause all such receptacles to be emptied twice at least every day before the hour of 7 in the forenoon and 2 in the afternoon or at such other hours as may from time to time be fixed by the Health Officer or Assistant Health Officer and shall once at least in every day cause vessel, utensil or other receptacle for such filth or refuse to be thoroughly cleansed.

23 He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot lime-washed to the satisfaction of the Healh Officer or the Assistant Health Officer twice at least in every year in the months of April and October or more often, if so required by the Health Officer or Assistant Health Officer.

24 He shall make no material structural alterations in the premises without the previous sanction of the Commissioner.

25 The licensee shall not at any time permit or suffer any room in such premises to be occupied by a larger number of persons than that specified in the licence or than that which is arrived at by calculating at the rate of a superficial area of not less than 40 square feet and cubic space of not less than 400 cubic feet per person. Two children under ten years of age shall be counted as one adult for the purpose of this bye-law.

26 He shall put up in each room in such premises a board notifying the dimensions thereof and the maximum number of persons permitted to lodge therein.

27 The licensee shall immediately on knowing that any person in such premises is suffering from any infectious, contagious or dangerous disease, adopt such precautions as may be necessary to prevent the spread of infection.

28. He shall give or cause to be given immediate notice to the Health Officer, Assistant Health Officer or the Divisional Health Inspector, of the occurrence of such disease in such premises, or whenever any person has been removed therefrom in consequence of his suffering from such disease the address to which such patient is removed.

29 He shall not at any time, while such person is suffering from such disease, cause or allow any other person except the wife or husband or any other relative of such person, voluntarily in attendance on him, to use or occupy the same room as the patient.

30 Where the Health Officer or Assistant Health Officer orders the removal of such person to a hospital or other place for the reception and treatment of such persons, the licensee or the person in charge of such premises or having control thereof on being informed of such order, shall forthwith take all such steps as may be requisite on his part to secure the safe and prompt removal of such person with the order of the Health Officer or Assistant Health Officer and shall adopt all such precautions in accordance with any instructions which he may receive from the Health Officer, Assistant Health Officer or the Divisional Health Inspector as may be most suitable in the circumstances of the case.

31 Where in consequence of the illness of such person there may be reasonable grounds for apprehending the spread of infection through the admission of lodgers to any room or rooms in such premises or through the admission to such room or rooms of the maximum number of persons authorised to be received therein, the licensee after being furnished with the necessary instructions from the Health Officer or Assistant Health Officer and until the grounds for apprehending the spread of infection shall have been removed, shall cease to receive any person in such room or rooms, or shall receive therein such number of persons being less than the maximum number as the exigencies of the case may require.

32 The licensee shall, immediately after the death, removal or recovery of any person who may have been ill of any infectious, contagious or dangerous disease, give written notice to the Health Officer, Assistant Health Officer or the Divisional Health Inspector, and shall as soon as possible, cause every part of the room which may have been occupied by such person to be thoroughly disinfected and cleaned and shall also cause every article in such room which may be liable to retain infection to be in like manner disinfected and cleaned unless the Health Officer or the Assistant Health Officer shall have ordered the same to be destroyed.

33 He shall comply with all the instructions of the Health Officer or Assistant Health Officer as to the proper cleansing and disinfecting of the room and articles therein.

34 When the same shall have been thoroughly disinfected and cleansed in accordance with such instructions, he shall give written notice thereof to the Health Officer, Assistant Health Officer or to the Divisional Health Inspector and unless and until by such cleansing and disinfection the necessary precautions for preventing the spread of disease shall have been duly taken and unless and until permitted by the Health Officer, the licensee shall not cause or suffer any person to be received into such room.

35 He shall give or cause to be given notice to the Health Officer or Assistant Health Officer, the Health Inspector on the occurrence of any birth, death or dangerous accidents in such premises.

36 He shall put up a signboard in English, Tamil, Kanarese and Hindustani at the main entrance to the premises showing the purpose for which the premises are intended or used and indicating the number of the licence granted in respect thereof and also whether it is licensed for the reception of female visitors or lodgers.

37 He shall put up in a conspicuous place in such premises a copy of these bye-laws and of any others relating to the regulation and control of such premises and shall not at any time conceal, deface, alter, obliterate or destroy any portion of the contents of such bye-laws.

38 He shal keep in such premises a book in which lodgers may enter their remarks or note their complaints and such book shall be open to inspection by any officer of the Corporation.

39 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall—

(*a*) be received or allowed to be received in the premises or any portion thereof, or

(*b*) be permitted to enter or occupy the premises or any portion therein, or

(*c*) be employed in the business or assist in carrying on the same.

40 The licensee shall, when so required by the Health Officer or Assistant Health Officer, cause any employee engaged in such premises to be examined and a certificate to be produced of being free from disease or infection of any kind and fit to carry on or assist in the business. The certificate shall be given free of charge by the Corporation Medical Officers.

41 No cattle shall be kept or allowed to be kept within the licensed premises.

42 No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose.

43 The licensee shall—

(*a*) reside in the premises or keep an agent approved by the Commissioner resident therein;

(*b*) at all times of the day or night when required by the Commissioner, Health Officer, Assistant Health Officer, or by any person authorized in writing by the Commissioner in this behalf, give free access to the premises and suffer inspection of the same or any part thereof and carry out within a reasonable time any written directions given by the inspection officers of the Corporation; and

(*c*) maintain a register showing therein the number and names of visitors or lodgers, the rooms occupied, the period of occupation, the charges recovered from them, the full address of the place of destination and such other information as may from time to time be specified by the Commissioner.

44 The Commissioner may, if he considers such action necessary, revoke, suspend or cancel a licence on grounds of public health and safety or if any one or more of the conditions or restrictions of the licence or of any provision contained in these bye-laws are infringed, irrespective of whether the offender has been prosecuted and convicted or not.

45 Whoever commits a breach of any of the bye-laws 1 and 9 to 43, shall be punishable— 92

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Section 367 (34) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for providing latrines, privies and drains in private houses and buildings and use of public latrines, urinals and dust bins, etc., in the City of Bangalore.

Latrines, Privies and Drains.

1. The provisions of this bye-law shall apply to latrines or privies or drains belonging or maintained for the use of any house, building or enclosure which is assessed in the Municipal books at an annual valuation of Rs. 120 and more.

2. Every place other than a water-closet or bath-room situated within any house, building or enclosure, and habitually used for the purpose of nature or for keeping human excreta shall be considered to be a latrine within the meaning of this bye-law.

3. Every latrine shall be in conformity with the Municipal standard design or of such other pattern and size as may be approved of by the Commissioner.

4. Every latrine shall be placed in such a position as to permit easy access for the purpose of cleaning :

Provided that any existing latrine, which, in the opinion of the Commissioner, has been erected on sanitary lines or is capable of being made sanitary at a reasonable cost, shall not be required to be re-constructed in accordance with the standard design.

5. The floor of every latrine shall be made of cement or of stone slabs pointed with cement laid on a bed of concrete, three inches thick, and shall be so sloped, drained and constructed as to carry away the fluid with facility into the drain, without its being retained on its surface or soaked into the floor, ground, plinth or walls of the latrine.

6. Every latrine shall be provided with a seat or platform so made as to compel the excreta to fall entirely into a suitable pan or receptacle of sufficient capacity placed beneath it.

7. Every latrine shall be provided with a pan or receptacle made of iron or of such other material as may be approved of by the Commissioner, and such receptacle shall not be cracked, broken, perforated, rotten or pervious to fluid.

8. In the case of servants' latrines, the floor shall not be lower than one foot and six inches above the ground level.

9. In servants' latrines attached to dwelling houses, a separate receptacle shall be kept for the deposit of the excreta from bath-rooms. The receptacle shall be of a sufficient capacity and made of such design and material as may be approved by the Commissioner and it shall be provided with a properly fitting cover.

10. Occupiers shall be responsible that all movable receptacles for latrines are tarred, kept in good order and renewed when required.

11. The walls of every latrine shall be plastered on the inside with cement or otherwise rendered impervious to fluid to a height of two feet from the floor.

12. Every latrine shall be provided with a separate entrance if required by the Commissioner, for the entry of scavengers for the purpose of conservancy.

13. Every latrine shall be provided with a U-shaped cemented drain sufficiently large, well-laid and watertight to prevent its contents from overflowing or stagnating or soaking into the ground. Such drains shall terminate with an iron pipe so that the contents of the drain may fall directly into a receptacle or a Municipal drain or connected to sewer. The drains thus constructed shall be to the satisfaction of the corporation authorities.

14. All such drains shall be so constructed as to discharge their contents in a proper manner,

(1) into a Municipal drain approved by the Commissioner for the purpose, or

(2) into a movable receptacle or bucket kept in the cistern constructed at the extremity of the drain as shown in the design.

15. All drains emerging from any house, building or enclosure and passing down the external surface of plinths or walls facing any public street shall consist of pipes or be covered with masonry.

16. All drains for the removal of fluid from bath-rooms, cooking rooms, sculleries, mills and factories shall be sufficiently large, well laid and water-tight to prevent their contents from overflowing, stagnating or soaking into the foundation, floor, plinth or wall of any dwelling house; and no such drain shall discharge into any street, or into any drain or water channel except such as the Commissioner shall have notified as being set apart for the purpose.

Dust Bins.

17. No rubbish, such as dust, dirt, dung, ashes, garden, kitchen and stable refuse, or filth of any kind, or any animal matter or any broken glass or earthen ware or any other thing that is or may be a nuisance shall be deposited in any street, drain or open space except in the Municipal dust-bins.

18. Tiles, garden-sweeping, branches of trees and thatch and night-soil shall not be deposited in the Municipal bins.

19. Every owner or occupier of any land, house or building within the Municipal limits shall provide with a portable receptacle for collecting dirt, dust, filth or other offensive or impervious matter in or about his premises, and such portable receptacles shall be emptied to the Municipal dust-bins once in every twenty-four hours and kept clean.

20. If the occupier of any land, house, building or enclosure neglects to comply with all or any of the provisions of this bye-law, he shall be liable on conviction before a magistrate, to a fine which may amount to ten rupees for each offence.

Public Latrines and Urinals.

21. Any person causing himself either in the vicinity or outside or in any part of any public latrine other than in the trench made for the purpose shall be liable on conviction before any magistrate, to a penalty not exceeding half a rupee for the first and one rupee for the second and two rupees for each succeeding offence.

22. Any person easing himself either in the vicinity or outside or in any part of any of any public urinal other than in the spot made for the purpose shall be liable on conviction before a magistrate, to a penalty not exceeding half a rupee for the first offence and one rupee for the second offence and two rupees for succeeding offence.

23. Any person of one sex who shall wilfully intrude into any public latrine set apart for the use of the opposite sex, shall be liable, on conviction before any magistrate, for a penalty of Rs. 5 for the first and Rs. 10 for the second and each succeeding offence.

24. No person shall use a public urinal for other than the purpose for which it is provided. Any person infringing this bye-law by using the same urinal as a latrine or otherwise defiling it, shall be liable on conviction before a magistrate, to a fine of half a rupee for the first and one rupee for the second and two rupees for each succeeding offence.

Bye-laws under Section 367 (30) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), to prevent outbreaks of fire in the City of Bangalore.

---

1 Every structure constructed with inflamable materials to which section 233 (1) (b), 245 or 268 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX

of 1949), applies shall be so constructed as to be of sufficient strength and shall be maintained according to the directions of the Commissioner.

2 Every such structure shall be of such size and shall be constructed in such manner as the Commissioner may approve.

3 No naked light or fire shall be used in or near any such structure.

4 All exits and other doors or opening in or from any such structure shall be constructed as directed by the Commissioner.

5 Any alteration or removal of such a structure ordered by the Commissioner shall be carried out by the person responsible therefor at his own cost within such time as may be fixed by the Commissioner.

6 (*a*) The application for the erection of any such structure in any street shall be in the form prescribed by the Commissioner from time to time. Copies of such application forms may be obtained from the office of the Corporation free of charge.

(*b*) Every such application shall be tendered with the fee in advance to the Corporation office ten days before the structure is required. The approval of the Divisional Inspector of Police shall be obtained before such application is tendered.

(*c*) The applicant or the owner or the chief occupier of the house, in front of which any such structure is erected, on whose behalf the application has been made, shall see that no obstruction is caused to traffic or to the cleansing of drains and be responsible for any damage caused to any electric cables relating to telegraphs, telephone, lighting and tramways, to water and sewage pipes, drains, etc., and to the surface of the road in general.

(*d*) The fee fixed for any such structure shall be charged for every day during which any portion of such structure other than the first post stands.

7 Whoever is guilty of a breach of any of these bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under clause (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for regulating the disposal of carcasses of dead animals within the limits of the Bangalore Corporation.

---

1 Except the places set apart by the Corporation, no place shall be used for the purpose of disposal of carcasses of dead animals.

2 Every person within whose premises any animal may die shall, within three hours after its death, or if the death occurs at night, then within three hours after daylight, either remove the carcass at his own expense without cutting it up, to any one of the places set apart by the Corporation for the purpose and bury the same or make a report of death and apply for the removal of the carcass, to the Sanitary Inspector of the Division. In the case of an application to the Sanitary Inspector, the applicant shall pay in advance the fee prescribed in the following schedule for the removal of such carcasses.

Four coolies at Re. 1 each	4 0 0
Cartage	2 8 0
Total ...	6 8 0
2. Ponies, Donkeys and other cattle—	
Three coolies at Re. 1 each	3 0 0
Cartage	2 8 0
Total ...	5 8 0
3. Goats, Sheep, Dogs and other small animals at Re. 1 each.	

3 The Health Officer may, on special cause being shown, permit the internment of the carcass in any place approved by him on condition of its being burried at a depth of 8 feet below the surface of the ground, provided such place is four furlongs distant from any dwelling house or the edge of any sheet of water for drinking or other purposes.

4 The Health Officer may, in his discretion, require the carcass of any animal dead of any infectious disease to be burnt and every person who is the owner of such animal or in charge thereof is bound to comply with such orders.

5 The skins, horns, hoofs and bones of any animal may be taken off before internment, provided that it is done at the place so set apart and that the animal is not dead of any infectious disease.

6 No carcass of any dead animal shall be eaten or removed or handed over to any one for the purpose of eating.

7 Whoever infringes any of the provisions of these bye-laws shall be punished with fine not exceeding Rs. 50.

8 The following are the places that may be used as places set apart for the purpose of the disposal of carcasses of dead animals:—

(1) Next to Kempambudhi burial ground.

(2) By the side of the newly proposed burial ground near Channammankere.

(3) Survey land beyond City limits in Mysore Road opposite to Christian Cemetery.

(4) Survey land beyond City limits in Magadi Road.

(5) Valley Area between Turukarapalya and Poona Railway Line.

(6) Land near the dis-used cemetery north of Richards Town.

(7) Land to the south of the Hosur Road Cemetery.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (28) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for the prevention of Dangerous Diseases of Animals. Prevention of Rabies.

---

1. The owner of every dog kept within Municipal limits shall provide it with a leather or metal collar and a metal badge fixed thereto bearing the number of the license obtained under section 123 of the Act.

2. Any dog found straying without its owner in or about the premises of any market, slaughter-house, cart-stand, hotel, cinema, toddy or arrack shop, cafe, eating house, rest-house, choultry, etc., shall be liable to be captured by any person authorised by the Commissioner under Section 288 of the Act, and detained in a dogs' home or any other place appointed by the Commissioner for this purpose. Such detention shall ordinarily be for 72 hours but may extend for such longer time as the Commissioner may consider necessary; and every such person authorised by the Commissioner to capture dogs shall wear a badge obtained from the Commissioner and shall be bound to show it to the owner of the dog if so demanded.

3. Any dog found at large in any public street or place without a collar and badge bearing the Municipal license number and any dog found at large in any public street or place between the hours of 11 P.M. and 5 A.M. shall, if possible, be captured and detained as provided in bye-law 2 or if it cannot be captured may be destroyed by any person authorised in this behalf by the Commissioner.

4. Any dog for which a license has been taken out and detained under bye-law 2 or bye-law 3 may be redeemed by its owner on payment of a fee of one rupee, within 72 hours of capture or such longer period as the Commissioner may have appointed; and in the case of any dog for which no license has been obtained before impounding, a sum of Rupees three shall be paid before releasing.

No feeding charges will be levied.

5. In the case of dogs so detained, the officer in charge of the dogs' home or other place shall at once send to the owner of every dog wearing a numbered badge a notice stating that, if within the time stated in such notice the owner does not pay Rs. 2 and take the dog away from the place of detention, it will be sold in auction or destroyed.

6. Dogs detained under bye-law 2 or bye-law 3 and not removed by their owners within 72 hours or such longer period, if any, as may have been specified in the notice issued under bye-law 5 shall be disposed of as follows:—

(a) If they are valuable dogs and the Health Officer has no reason to believe them to be suffering from rabies or any infectious skin diseases the dogs shall be sold in auction by the Health Officer and the sale proceeds credited to the Municipal funds.

(b) Other dogs shall be destroyed at the expiry of 72 hours after capture or after such longer period as may have been specified in the notice, if any, issued under bye-law 5, if within that period they have not been removed from the place of detention by their owners on payment of the fee prescribed in bye-law 4.

7. Any Veterinary Officer not lower in rank than a Veterinary Assistant Surgeon attached to the Mysore Civil Veterinary Department or to the Corporation and working within the limits of the City of Bangalore may destroy any dog which, in his opinion is suffering from rabies or detain any dog if he suspects it to be showing symptoms of rabies.

8. The Health Officer may direct that any dog which he knows or suspects to be suffering from rabies or which has been bitten or snapped at by any rabid or suspicious dog, jakal or other animal shall either be destroyed immediately by the owner or any person authorised in this behalf by the Commissioner or at the opinion of the owner confined under observation at the owner's expense in the dogs' home or other place appointed for the purpose for such period as the Commissioner or Health Officer may fix. Dogs impounded for observation will be treated as stray dogs and destroyed, if they are not released by the owners concerned within 3 days after the expiry of the period of observation, *viz.*, 10 days.

9. Any person who has in his possession any dog which he knows or has reason to believe to be suffering from rabies or to have been bitten or snapped at by any rabid or suspicious dog, jackal or other animal shall immediately intimate the fact in writing to the Health Officer or Divisional Sanitary Inspector.

10. Whoever commits a breach of bye-laws 1, 8 or 9 shall be punishable—

(a) with a fine which may extend to fifty rupees and, in case of a continuing breach, with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under sub-clause (d) of Clause (10) and clause II of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act No. LXIX of 1949 (1) for the protection of Avenues, Trees, Grass and other appurtenances of public streets and other places, and (2) for the regulation of the use of parks, gardens and other public or Municipal places.

PART I.

Bye-laws under Section 367 (10) (d) of the City of Bangalore Corporation Act, for the protection of Avenues, Trees, Grass and other appurtenances of public streets and other places.

1 No person shall, without the written permission of the Commissioner, damage or cut any tree, grass or other appurtenance of any public street, or other public or municipal place.

2 No person shall, without the written permission of the Commissioner remove any fruit from any tree in any public street or other public or municipal place.

3 No person shall graze or feed any animal, or suffer any animal to be grazed or fed, on any grass or tree in any public street or other public or municipal place.

4 No person shall write, paint, cut or carve or affix anything on any tree in any public street or other public or municipal place.

5 No person shall drive any nail or ring or any such article into any tree in any public street or other public or municipal place.

946 No person shall tether any animal to any tree or fence or post in any public street or other public or municipal place.

7 Any police officer or Corporation employee may seize any implement which is used for destroying any corporation property, trees or plants and cutting or rooting up grass in any public street or other public or municipal place, and such implements shall be deposited in the Corporation Stores. These implements may be confiscated to the Corporation when the offence committed under the bye-laws is compounded by the Commissioner, or when the offender is successfully prosecuted and convicted by a Court for the offence and when the owner cannot be traced within one month subsequent to the seizure.

8 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to twenty rupees and in case of a continuous breach with fine which may extend to ten rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to five rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

PART II.

Bye-law under clause (II) of Section 367 of the Act, for the regulation of the use of Parks, Gardens and other public or Municipal places.

1 Parks, gardens or squares when to be kept open.

Every park, garden or square vested in the Corporation shall remain open to the public between such hours as may be notified by the Commissioner, on a notice board to be placed in some conspicuous part of the entrance to such park, garden or square.

2 Public entertainments, ceremony or exhibition taking place in such a park, garden or square, after permission has been obtained from or given by the Commissioner; in that behalf, such park, garden or square shall be kept open or closed for such period and upon such terms and conditions as may be considered expedient by the Commissioner and notified in the manner mentioned in bye-law No. 1 or by notification in one or more newspapers. This shall not apply to the meeting that come under bye-law No. 3 below.

3 No public meeting shall be held in any park, garden or square vested in the Corporation except in such portion thereof as is set apart by the Corporation for the purpose of such meetings and in any park, garden or square when any such portion is not so set apart, no public meeting shall be held without the permission of the Commissioner.

4 Entrance or exit.

No person shall enter or quit such park, garden or square except by a gate or other opening, if any, provided for the purpose.

5 Prohibition against defacing or displacing notice Boards:—

No person shall deface or displace any board or tablet in such park, garden or square wherein any notice or bye-law of the Corporation is exhibited.

6 Prohibition against bringing animals.

No person shall bring into such park, garden or square any animal whatsoever without a leash or suffer to remain therein any animal without a leash belonging to him or in his charge.

7 Posting Hand Bills:—

No person shall, except with the written permission of the Commissioner, post or affix any bill, playcard or notice in any part of, or upon any tree, in such park, garden or square.

8 Prohibition against removing or disturbing soil, etc.

No person otherwise than in the discharge of his official duty as a servant of the Corporation, shall remove or disturb any soil, turf or flower-bed or pluck any flower or leaf in such park, garden or square.

9 Damaging property or throwing rubbish.

No person shall destroy, injure, deface, soil or defile any part of any wall, fence, barrier or railing in or enclosing such park, garden or square or any part of any fixed or moveable seat, building, monument, work of art, ornament or decoration or any other structure or erection or any Municipal property in such park, garden or square, nor

throw or deposit any filth, rubbish or refuse to fall or to be thrown or deposited upon any part of such park, garden or square.

95

10 Throwing stones, etc.—

No person shall throw on, or discharge in such park, garden or square any stone or other missile.

11 Prohibiting the climbing of a tree, wall, etc.

No person shall climb any tree, wall, fence, barrier, railing or post in or enclosing such park, garden or square.

12 Bathing etc.—

No person shall bathe in any tank, pond or other ornamental water in such park, garden or square or wash clothes, or any article in, foul or pollute any such water, nor shall any person fish in any such water without the authority of the Commissioner.

13 Games.—

No game shall be played in such park, garden or square except subject to such conditions as may from time to time be prescribed by the Commissioner and notified on a notice board placed in some conspicuous parts of the entrance of such park, garden or square.

Games, such as, Football, Hockey, Cricket, Tennis and Badminton shall not be played in such park or garden.

14 Drinking:—

No person shall drink, or bring for consumption, within such park, garden or square, any intoxicating liquor.

15 Erections.—

Except with the written permission of the Commissioner, no person shall erect any post, rail, fence, pole, booth, stand, building or other structure in such park, garden or square.

16 Dusting.—

No person shall beat or clean any carpet, drugget, rug, mat or any other fabric retaining dust or dirt in such park, garden or square.

17 Drying or bleaching linen.—

No person shall spread or deposit any linen or other fabric in such park, garden or square, for the purpose of drying or bleaching the same.

18 Sale of articles.—

No person shall, except with the permission of the Commissioner, sell or offer for sale or let to hire or offer or expose for letting to hire any commodity or article in such park, garden or square.

19 Obstructing or disturbing servants on duty and others.—

No person shall wilfully obstruct, disturb or interrupt or annoy any other person in the proper use or enjoyment of such park, garden or square, or wilfully obstruct, disturb interrupt or annoy any officer or servant of the Corporation or any person or servant or any person employed by the Corporation in the execution of his duty.

20 Nuisance.—

No person shall commit nuisance in such park, garden on square.

21. Creating disturbance or causing annoyance to the public :—

No person shall create a disturbance or cause annoyance to the public in such park, garden or square, or use abusive, obscene or profane language.

22. Prohibiting person suffering from loathsome or infectious disease from entering :—

No person who is suffering from any loathsome or infectious disease shall enter such park, garden or square.

23. No person shall graze or feed any animal, or suffer any animal to be grazed or fed on any grass or tree in any public park, garden or square.

24. No person shall write, paint, cut or carve or affix anything on any tree in any public park, garden or square.

25. No person shall drive any nail or ring or any other similar article into any tree in any public park, garden or square.

26. No person shall tether any animal to a tree or fence or post in or pertaining to, any public park, garden or square.

27. Any police officer or Corporation employee may seize any implement which is used for destroying any Corporation property, trees or plants and cutting or rooting up grass in such park, garden or square and such implements shall be deposited in the Corporation Stores. These implements may be confiscated to the Corporation when the offence committed under the bye-laws is compounded by the Commissioner, or when the offender is successfully prosecuted and convicted by a Court for the offence and when the owner cannot be traced within one month subsequent to the seizure.

28. Every person who commits a breach of any of the foregoing bye-laws shall be punished—

(a) with fine which may extend to Rs. 20 and in case of a continuing breach with fine which may extend to Rs. 10 for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to Rs. 5 for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-Laws framed by the City of Bangalore Municipal Corporation under Sub-Clause (a) of Clause (25) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for the regulation of burial and burning grounds and other places for the disposal of corpses in the City of Bangalore.

---

1 Every owner or person having control of any place used as a burial or burning ground shall cause the same to be registered in a register which shall be kept in the Corporation Office for that purpose, together with the names of the owner, and the persons having control thereof and shall deposit in the Corporation Office at the time of registration a plan of the said place showing the extent and boundaries thereof.

A fee of Rs. 10 shall be paid for every such registration.

2 If it appears to the Commissioner that there is no owner or person having the control of any such place, the Commissioner shall assume control thereof, and direct it to be registered, or may cause it to be closed.

3 Notice of the registration shall be affixed in English and in two vernacular languages, in some conspicuous place at or near the entrance to such place.

4 Whoever after the registration of any such place acquires by inheritance, transfer or any other means, the ownership or control thereof shall, within one month of such acquisition, give information thereof in writing to the Commissioner.

5 The owner or the person having control of any such place shall, when so required by the Commissioner, give all information that may be required regarding the attendants employed, or the system of management followed therein, or any other matter connected with the control thereof.

6 The owner or any person having control of any such place shall cause the same to be kept at all times in a clean state, and free from noxious vegetation to the satisfaction of the Commissioner, and shall if so required by the Commissioner by notice in writing, cause the same to be enclosed by a sufficient wall or fence.

7 The person having control of every such place shall give information within twenty-four hours to such person as may be appointed by the Commissioner in that behalf, and in such form as may be prescribed by the Commissioner, of all burials and burnings which take place therein.

8 All burials and burnings in the cemeteries shall be registered by the cemetery registrar in books in the form given in the appended Schedule 'A'. All such entries shall be made consecutively from the beginning to the end of the book.

9 Whoever brings or conveys or causes to be brought or conveyed a corpse to any burial or burning ground, shall give to the cemetery registrar in charge according to the best of his or her knowledge and belief such information of the several particulars as may be required to be known and registered, touching the death of such person.

10 No person shall act as vettiyan, grave digger or other attendant in a Municipal burial or burning ground;

thout being licensed for that purpose by the Commissioner. Licenses granted for such purposes shall be in the form given in the appended Schedule 'B' and may be withdrawn or cancelled at the discretion of the Commissioner.

11 Every person who buries or causes to be buried any corpse or part of a corpse in a grave whether dug or constructed of masonry or otherwise shall do it in such a manner that the surface of the coffin or the surface of the body where no coffin is used, is not at a less depth than five feet from the surface of the ground.

12 Every person who builds or digs or causes to be built or dug any grave in any burial ground, shall leave a space of at least two feet from the margin of any other existing grave.

Burial or cremation to be made within the place demarcated.—

13 No person shall bury or burn or cause to be buried or burnt any corpse except in the place demarcated for the purpose by the Health Officer or any person authorised by him in that behalf.

14 Every corpse or part of a corpse shall be buried within six hours after it has been brought to any burial ground.

15 No person shall without the sanction in writing of the Commissioner or an order in writing of a Magistrate re-open a grave already occupied.

16 Every person who brings or conveys or causes to be brought or conveyed a corpse or part thereof to any burning ground, shall cause the burning of the same to commence within six hours after its arrival at such burning ground.

17 No person, when burning or causing to be burnt a corpse or part of a corpse in any burning ground, shall permit the same or any part thereof to remain without being completely reduced to ashes.

18 No person shall permit clothes or other articles connected with the burning of such corpse to remain at or near such ground without being completely reduced to ashes.

19 No person shall carry a corpse or part of a corpse through any street otherwise than decently covered.

20 No person, while carrying a corpse or part of a corpse within the city shall leave or expose the same in or near any street for any purpose whatever.

21 No person shall remove otherwise than in a closed receptacle any corpse or part of a corpse kept or used for the purpose of dissection.

22 No corpse shall be buried in any vault or masonry grave provided with a permanent floor which it is intended at any time after within 14 years to re-open, unless the coffin be separately entombed in an air-tight manner by properly cemented stone or brick work which shall never be disturbed.

23 One body only shall be buried in a grave at one time, unless the bodies be those of the members of the same family.

24 No non-masonry grave or masonry grave unprovided with the separate air-tight compartment prescribed in bye-law 22 shall be re-opened within 14 years after the burial of a person above 12 years of age or within 8 years after the burial of a child under 12 years of age, to bury another member of the same family unless a layer of earth not less than one foot thick be left undisturbed over the previously buried coffin. If on opening any grave any soil is found to be offensive such soil shall be left undisturbed. There shall never be less than three feet of earth between the topmost coffin and the grave.

25 No body that has not been duly embalmed and enclosed in an air-tight coffin shall be disinterred without the permission of the Commissioner. Such permission may be granted on the following conditions:—

(a) The grave should be well-soaked a day before the disinterment with a solution of perchloride of mercury of the strength of 1 in 1,000.

(b) While the grave is being disturbed it should be frequently sprinkled with mercury lotion of the above strength.

(c) The persons of the grave-diggers should be washed before and after the disinterment with a solution of perchloride of mercury of the strength of 1 in 5,000.

(d) A medical subordinate should be present at the disinterment in order to ensure that the above precautions are taken.

26 No person shall carry any dead body in any street which is prohibited by a Notification by the Municipal Corporation.

27 No dead body shall be kept in any premises without burial or burning for more than 36 hours after death.

28 No person shall erect or build or cause to be erected or built any monument or tomb, stone, shrine, temple, building enclosure in any Municipal burial or burning ground without the sanction in writing of the Commissioner. A fee of eight annas per square foot or part of a square foot shall be paid by the applicant before such sanction is granted by the Commissioner. The Commissioner may cause anything so erected or built without his sanction, to be demolished. Provided that each community may erect, free of charge, over the grave area measuring 7 feet by 4 feet any cross, stone, gori, brindavan, samadhi or tomb required by the religious usages of that community.

29 Any person offending against any of these bye-laws shall be punishable,—

(a) with a fine which may extend to fifty rupees and in the case of continuing breach with a fine which may extend to fifteen rupees for every day during which the breach continues, after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

.....

is hereby licensed to act as.....

at the.....burial and burning ground on.....road in the ....municipal circle under the conditions named on the reverse hereof.

Commissioner.

CONDITIONS REFERRED TO.

This license may be withdrawn or cancelled on proof of the licensee.—

(a) not being available, without reasonable excuse at the said burial or burning ground at any time or times at which his services as..... may be required by any member or members of the community usually resorting to it.

(b) or neglecting to do the duty usually required of him there, as such on occasions of burial and burning.

(c) or causing, or permitting or being a party to, any infringement of the rules laid down in the bye-laws for the control of burial and burning grounds, as far as they affect him and his duties as such.

(d) or demanding or attempting to extort, any higher fee than at the rates following, *viz.*—

For burial of a corpse of under 12 years of age	Annas 8
Do. do above that age ...	„ 12
For cremation of a corpse of under 12 years of age including the milk ceremony if any	„ 3
Do above that age including as above.	„ 6
For supplying tools for the purpose of digging grave, etc., to those not otherwise requiring his services.	„ 1 1/2

(e) or being guilty of any misconduct which in the opinion of the Commissioner requires the withdrawal of the license.

Bye-Laws made by the City of Bangalore Municipal Corporation under Clause (29) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for the Enforcement of Compulsory Vaccination in the City of Bangalore.

---

1 In these Bye-Laws unless there is anything repugnant in the subject or context.—

(i) 'child' means a boy or girl who has not attained the age of eighteen years;

(ii) 'guardian' means any person to whom the care, nurture or custody of any child falls by law or by natural right or recognized usage or who has accepted or assumed the care, nurture or custody of any child or to whom the care or custody of any child has been entrusted by any lawful authority;

(iii) 'parent' means the father or mother of a legitimate child and the mother of an illegitimate child;

(iv) 'person' means a male or female who bas attained the age of eighteen years;

(v) 'unprotected child' means a child who has not been protected from small-pox by having had that disease naturally or by having been successfully vaccinated or re-vaccinated within seven years, as the case may be, or who has not been certified in the manner hereinafter provided to be insusceptible to vaccination.

(vi) 'unprotected person' means a person who has no visible marks of small-pox or who has not been certified in the manner hereinafter provided to be insusceptible to vaccination or is unable to produce satisfactory evidence of successful vaccination or re-vaccination carried out within seven years.

(vii) 'vaccination depot' includes a place or building where vaccination is performed free of charge by direction of the Commissioner; and

(viii) 'vaccinator' means any medical practitioner registered under the Mysore Medical Registration Act, 1931, or any vaccinator or sanitary inspector appointed by the Commissioner.

2 (i) The parent or guardian of any unprotected child who is not less than six months old and who has resided for one month within the limits of the City shall take or cause the child to be taken to a vaccination depot for vaccination or re-vaccination, as the case may be, or shall procure such vaccination or re-vaccination, by a vaccinator.

97 (ii) Any unprotected person who has resided for one month within the limits of the City shall get himself vaccinated or re-vaccinated, as the case may be, at a vaccination depot or by a vaccinator.

3 Whenever the residence of an unprotected person or child is changed from a place within the city to another place either within or without the city, or from a place outside the city to a place within the city, such person or the parent or guardian of such child shall, within three days of such change of residence, notify the same to the Health Officer or any other officer authorised by him in this behalf, furnishing full particulars as to the address of the new residence of the person or child.

4 The Commissioner, the Health Officer or any person duly authorised by them, may, if any portion of the City is threatened or infected with small-pox, direct every person or child in the said area who has no visible marks of small-pox or is unable to produce satisfactory evidence of successful vaccination or re-vccination carried out within four years to be vaccinated forthwith.

5 (i) If a vaccinator finds that an unprotected person or child is not in a fit state of health to be vaccinated, he shall deliver to such person or the parent or guardian of such child, as the case may be, a certificate to the effect that the person or child is not then in a fit state for vaccination; such certificate shall remain in force for the period specified therein not exceeding three months but may be renewed if necessary. The reason for the unfitness shall be specified in the certificate.

(ii) If a vaccinator finds that an unprotected person or child is in a state of health fit for vaccination, he shall forthwith vaccinate such person or child and deliver to such person or the parent or guardian of such child, as the case may be, a memorandum stating the date on which the vaccination was performed and specifying the date on which and the time and place at which, the person or the child should be present or be produced, as the case may be, for inspection.

6 (i) On the date and at the time and place notified as aforesaid, the person or child vaccinated shall be present or be produced, as the case may be, for inspection.

(ii) If the inspecting officer finds that the vaccination has been successful, he shall give to such person or the parent or guardian of such child, as the case may be, a certificate to that effect.

(iii) In the event of the vaccination being unsuccessful, the inspecting officer may, if he thinks fit, direct that the unprotected person or child shall forthwith be again vaccinated and subsequently inspected as provided in clause (i) of this bye-law.

7. If the inspecting officer is of opinion that an unprotected person or child who has been three times unsuccessfully vaccinated is insusceptible to vaccination he shall issue a certificate to that effect.

8. When an unprotected person or child is vaccinated by a vaccinator not employed by the Corporation, such person or the parent or guardian of such child, as the case may be, shall forward within fifteen days of the date of the vaccination, a certificate of successful vaccination from such vaccinator, to the Health Officer or to such person as may be authorised by the Health Officer in that behalf.

9 The Commissioner or the Health Officer may cancel any certificate given under these bye-laws, if it is proved to his satisfaction that such certificate has been improperly given or obtained on behalf of any unprotected person or child, and thereupon such certificate shall cease to be valid and notice of such cancellation shall forthwith be given to such unprotected person or the parent or guardian of such unprotected child, as the case may be.

10 (i) All vaccinations shall be done free of charge at the Vaccination Stations of the Corporation.

(ii) When any one requires vaccinations to be done at his or her residence a charge of annas 8 will be made for the first person vaccinated, and annas 4 for each additional person.

(iii) Vaccinations shall be done free of charge in schools, factories and workshops or wherever 10 people or more assemble for the purpose of vaccination.

(iv) When vaccinations are to be carried out at the residence, application should be made to the Medical

Assistants at the Sub-Offices and the fee under clause 2, shall be paid in advance.

(v) Of the fees collected half shall be credited to the Municipal funds and half to the person performing the vaccinations. A receipt on a prescribed form shall be given in respect of fees received.

(vi) Certificate of vaccination.—Certificates shall be issued free if asked for at the time of vaccination. For the grant of certificates at other times the Health Officer is authorised to make a charge of Re. 1 per certificate, which fee may be retained by him.

11 If any person or the parent or guardian of any child in respect of whom the application above referred to is made is a female who according to the customs of the country does not appear in public, the Commissioner, the Health Officer, or any person duly authorised by the Commissioner in this behalf shall direct a female vaccinator to visit the residence of such person or child, as the case may be, and perform the vaccination there.

12 (i) If the Commissioner, the Health Officer or any person authorised by the Commissioner in this behalf has reason to believe that there is an unprotected person or child in any house, he may call upon—

(a) such person to be present for inspection between the hours of 6 A.M. and 6 P.M. and to state his age, parentage, place of birth and the duration of his residence in the city, or

(b) the parent or guardian of any child in the house to produce all the children in the house under his care for inspection between the hours of 6 A.M. and 6 P.M. and to state the age, parentage, place of birth and duration of residence in the city of each of such children.

(ii) The Commissioner, the Health Officer or any person authorised by the Commissioner under clause (i) shall—

(a) if he is aware of the existence of any person or child who is unprotected and is fit for vaccination; or

(b) if, on a requisition under clause (i) any person refuses to be present or any parent or guardian refuses to produce any child under his care for inspection as required by that clause; or

(c) if after inspection it is proved to his satisfaction that any person or child is unprotected and is fit for vaccination; or

(d) if he is acting in pursuance of the powers vested in him under bye-law 4 deliver to such person or the parent or guardian of such child or cause to be affixed to the house of such person or of such parent or guardian a notice requiring the person or child, as the case may be, to be vaccinated within 72 hours at a time and place to be specified in the said notice. The person or the parent or guardian to whom such notice is delivered or at whose house it is affixed shall be bound to comply with it unless a certificate is produced from a vaccinator to the effect that such person or child has either been successfully vaccinated already or is unfit for or insusceptible to vaccination.

13 The provisions contained in bye-laws 5 to 11 shall, so far as may be, apply to re-vaccination of an unprotected person or child.

14 Whoever commits a breach of any of the following bye-laws, namely, bye-laws 2 and 3, clauses [i] and [iii] of bye-law 6, bye-law 8, sub-clause [b] and the last paragraph of clause [ii] of bye-law 12 shall be punishable,

(a) with fine which may extend to fifty rupees; and

(b) in the case of continuing breach, with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (26) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 [Act No. LXIX of 1949], for the Registration of births and deaths in the City of Bangalore.

---

1. Definitions—

For the purpose of these Bye-laws :—

(a) The term "District" means the area in which any Sub-Registrar of Births and Deaths is appointed to perform his functions.

(b) The term "Occupier" includes any person for the time being or liable to pay to the owner the rent of any portion of the rent of the land or building in respect of which the word is used.

(c) The term "Commissioner" means the Commissioner of the Bangalore Municipal Corporation for the time being.

(d) The term "Public Institution" includes a prison, lock-up, lunatic asylum, hospital, reformatory, Industrial school, barrack and any charitable or other institution, which is under the management of a public body, officer or person.

(e) The term "Sub-Registrar," means and includes any person who may be appointed by the Commissioner as a Sub-Registrar of Births and Deaths for any District of the Corporation.

(f) The term "Registrar-General" means the Director of Public Health to the Government of Mysore for the time being, and the "Assistant Registrar-General" means the Superintendent of the Bureau of Vital Statistics for the time being.

(g) The terms "Still-born" or "Still-birth" have reference to a child born after the 28th week of gestation as dead or apparently dead and not called back to life.

2. Appointment of Sub-Registrars :—

For the proper registration of all births and deaths, City shall be divided into districts, and for every such district, a Sub-Registrar of Births and Deaths shall be appointed.

3. Every Sub-Registrar shall be provided with an office at some conveniently central place within the district of which he is the Sub-Registrar, and shall cause his designation as Sub-Registrar of Births and Deaths for the district for which he is appointed, in English and Vernacular to be placed in some conspicuous place on or near the outer door of his office.

4. Information of Births and Deaths :—

(1) Information covering all the particulars specified in Form "A" appended, shall be given to the Sub-Registrar of the district within one week after the day of birth regarding every birth that takes place within the Corporation limits.

(2) The father or mother of every child born in the City, or, in the absence or default of the father or mother, the midwife assisting at the birth, or every adult male member of the family resident in the house in which the child was born shall, within one week after the day of such birth, give or cause to be given, either orally or in writing, information according to the best of his or her knowledge and belief of the several particulars required to be entered in Form "A" in respect of any such birth to the Sub-Registrar of the district.

Provided that—

(a) if any one of the above said persons gives the required information no other person shall be bound to give it, and

(b) a person not required to give information in the first instance, but only in default of some other person, shall not be bound to give such information if he or she had reasonable cause to suppose that the same had been or would be duly given by such other person:

Provided further, that in the case of an illegitimate child, it shall, in the first instance, be the duty of the mother of such child to give information, and that no person shall, as the father of such child, be required to give information concerning the birth of such child, and the Sub-Registrar shall not enter in the register maintained by him, the name of any person as the father of such child except at the joint request of the mother and of the person acknowledging himself to be the father of such child and unless such person shall sign the register together with the mother.

(3) If any child is born in any hospital, the Medical Officer in charge, thereof shall forthwith send to the Health Officer or to the Sub-Registrar a notice in writing of the occurrence containing the several particulars required to be entered in Form 'A'.

(4) In case any new born child is found exposed, it shall be the duty of any person finding such child and of any person in whose charge such child may be placed, to give, to the best of his or her knowledge and belief, to the Sub-Registrar, within seven days after the finding of such child such information of the particulars required to be registered concerning the birth of such child as the informant possesses.

(5) (*i*) The nearest adult male relative present at the death, or in attendance during the last illness, of any person dying in the City of Bangalore, or in case of the default of such relative every adult male person present at the death or in case of his default, the occupier of the house, if such occupier is an adult male person, or in his default, every adult male person living in the house in which such death has happened shall, within 24 hours after the death give, or cause to be given, either orally or in writing, information to the Sub-Registrar of the district according to the best of his knowledge and belief of the several particulars required to be entered in Form 'B':

Provided that—

(*a*) if any one of the above said persons gives the required information no other person shall be bound to give it, and

(*b*) if the death occurs in any hospital, none of the aforesaid persons shall be bound to give information, but it shall be the duty of the medical officer in charge of the hospital to send within 24 hours after the death, to the Health Officer or to the Sub-Registrar, a written notice containing the particulars required to be entered in Form 'B':

Provided further that a person not required to give information in the first instance but only in default of some other person, shall not be bound to give information if he had reasonable cause to suppose that such information had been or would be duly given by such other person.

(*ii*) In the case of deaths in which an inquest is held, it shall be the duty of the officer who conducts the inquest to send, within 24 hours of the inquest, a wirtten notice to the Health Officer or to the Sub-Registrar, containing particulars required to be entered in Form 'B' according to the best of his knowledge and belief.

(6) Every medical attendant who attended on any person during his or her last illness shall, if such person has died in the City, within three days of his becoming aware of such death, give information of the fact to the Health Officer or to the Sub-Registrar of Births and Deaths in the district.

5. Particulars regarding dead bodies found exposed to be reported by the Police :—

In case of the discovery of dead bodies, whether of newly born children or otherwise, it shall be the duty of the Police Station Officer within whose jurisdiction any such body is found, to report to the Sub-Registrar, such particulars as are available for the purpose of the entries to be made in the register of death as well as, in the case of bodies of newly born children, in the register of births.

6. Priests and Burial Ground Watchmen to furnish information, if required.

Should the Commissioner so order, every person who conducts the funeral obsequies of any person dying within the Corporation limits and any person who is placed in charge of grave-yard, burning ground or other place of burial or cremation shall furnish the Sub-Registrar with such information as he may be required by Commissioner to furnish regarding any funeral obsequies conducted by him or any burial or cremation that has taken place within the premises committed to his charge, as the case may be.

7. Sub-Registrar to register information without fee or reward and to inform himself of every birth and death.

Every Sub-Registrar shall inform himself carefully of every birth and death which takes place in his district and shall register, as soon as conveniently may be, after the event, without fee or reward, the particulars required to be registered according to the Forms "A" and "B" touching every such birth or death, as the case may be, which has not been already registered.

8. Information of Births and Deaths in Public Institution :—

Notwithstanding anything contained in bye-laws 4 (2) and (5), in the case of a child being born or of a person dying in any choultry, chathram, hotel, boarding house, lodging house, tavern, arrack or toddy shop or place of public resort, it shall be the duty of the owner, keeper or person in charge thereof to give information required under bye-laws 4 (2) and (5) in the manner prescribed therein within 24 hours of the birth or death as the case may be.

9. Signature or mark of persons who furnish information :—

(*a*) Every person who gives information in regard to a birth or death as provided in bye-laws 4 (2), (5), bye-law 6 or 8, as the case may be, shall sign his or her name in the register maintained by the Sub-Registrar, and shall also enter his or her address, or if he or she cannot sign, put his or her mark in the register to his or her name and address which shall be entered by the Sub-Registrar.

(*b*) The Sub-Registrar shall, as soon as the registration of the birth or death, as the case may be, has been completed, give an application, free of all charge to the person who gives the information an extract under his hand from the register relating to such birth or death.

(*c*) Any person may at all reasonable times, on payment of a fee of four annas for each visit, search any Register of Births or Deaths.

(*d*) In the case of a child being born or of a person dying in any hospital, the registration of birth or death shall be deemed to be completed by the entry in the register of the particulars specified in the report prescribed in bye-laws 4 (3) and (5).

10. Entry of child's name in the register after registration :—

When the birth of any child has been registered without name, the parent or guardian of such child may within 12 months next after the registration of birth, require the Sub-Registrar to enter in the register the name of such child and the Sub-Registrar shall thereupon enter the name and shall initial and date the entry.

11. Information to be furnished by persons bringing a corpse for burial or burning :—

Every person bringing a corpse to be buried, burnt or otherwise disposed of, in any place registered, licensed or provided by the Corporation for the disposal of the dead, shall at such place, if so notified by the Commissioner or Health Officer, sign or affix his or her mark to a declaration in such form as may be determined by the Corporation, as to the cause of the death, the name of the deceased, the name of the medical attendant if any, who attended on the deceased and such other particulars as may be required in connection with the death.

12. Forms for Births and Deaths :—

The Commissioner shall cause to be printed and supplied to every Sub-Registrar a sufficient number of register books in annexed Forms "A" and "B".

13. Entries to be numbered serially :—

All entries in the registers of births and deaths shall be made consecutively from the beginning to the end of the registers. The serial number of the event shall be entered commencing from 1st January and the series shall be continued up to 31st December. No entries shall be interpolated between two serial numbers.

14. Written information received by the Sub-Registrar in writing in connection with the registration of any birth or death shall be filed by him and preserved for two years.

15. Entries in respect of children born dead :—

A special column in the register of births is provided for the entry of still-births, which are not included in the statistics either of births or of deaths.

16. Triplicate copies to be sent daily to the Health Officer :—

The triplicate pages which have been written up during every day shall be detached at the perforation and sent by the Sub-Registrar to the Health Officer, of the Corporation before the close of the following day. The particulars shall

thereupon be posted into the consolidated registers of births and deaths which shall be maintained by the Corporation.

If, during any day, no births or deaths have occurrred, the triplicate form should be sent with the remark "nil" written thereon.

17. The Health Officer to collect the duplicate return from Sub-Registrars and forward them to the Registrar-General so as to reach him on or before the close of the third day following.

The duplicate pages shall be similarly detached at the perforation and sent to the Health Officer, who after scrutinising the returns carefully, should forward them in a bundle to the Registrar-General, so as to reach him on or before the close of the third day following for statistical purposes.

18. Check by Health Officer of regular receipt of returns:

A set of posting registers, showing the names of the Sub-Registrars will be maintained in the Office of the Health Officer, in which the returns received will be posted as they come in. When these registers show that the return for any day is 48 hours overdue, a reminder will be sent to the Sub-Registrar. The Health Officer will take disciplinary action against the Sub-Registrars who are frequently in default.

19 The original register to be finally deposited in the office of the Commissioner :—

Each register of originals shall be retained in the custody of the Sub-Registrar for one year after it is closed and shall then be sent to the Commissioner through the Health Officer who after careful scrutiny of all attested erasures and alterations shall file it as a permanent record.

20. The Health Officer and Assistant Health Officers and the Health Inspectors to exercise supervision over Sub-Registrars.

The Health Officer, Assistant Health Officers, and the Health Inspectors shall constantly inspect the Registers of Births and Deaths, make test checks by enquiry, instruct the Sub-Registrar as to the discharge of his duties and exercise a general supervision over the work of the Sub-Registrar. The Registers shall be checked at least once a week by the Assistant Health Officers and the Health Inspectors and the entries verified should bear the initials of the checking officers with date of check.

21. Errors :— 100

Every error found in the Register of Births or in the Register of Deaths shall be corrected by drawing a line through the original entry (but not so as to render it illegible) and writing the new entry above it, and the correction shall be fully signed and dated by the Sub-Registrar, if the error be discovered by him and by both the Sub-Registrar and the Checking Officer, if the error be discovered by a Checking Officer. All such corrections shall be duly intimated to the Registrar-General through the Commissioner with the reasons therefor:

Provided that no entry shall be corrected under this rule more than a year after the entry has been made, except with the previous sanction of the Commissioner.

22. Issue of Birth and Death Certificates.

Every person requiring a certificate of birth or death may put in an application addressed to the Commissioner with a court-fee stamp and shall pay a fee of one rupee. The application should state clearly—

(1) the name and father's name of the party in relation to whose birth or death a certificate is required.

(2) the date, month and year of occurrence.

(3) the name of the street and the division where the event occurred, and

(4) the postal address of the applicant for sending the copy.

If the certificate required is from the registers of a year other than in which the application is made, an additional fee of one rupee shall be paid. Such certificates or extracts from the Registers shall be certified by the Commissioner and sealed with the seal of the Corporation.

23. Notwithstanding anything stated in the above para, a certified extract from the Register of Births shall be granted free of all the charges for purposes of claiming benefit under the Mysore Maternity Benefit Act, 1937 to the woman labourers on an application duly made in this behalf, provided the application is supported by a certificate from the employer to the satisfaction of the issuing officer (*vide* Government Order No. L. 7590-2-M1. 37-39-24, dated 2nd March 1940.)

24. Penalty for omission to give information.

Any person whose duty is to give information under the preceding bye-laws and who neglects or refuses to give such information or gives false information, shall be liable on conviction to a fine not exceeding twenty rupees.

Draft Bye-laws framed by the City of Bangalore Municipal Corporation under clause (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) in respect of injury or disfigurement of public property or buildings adjoining streets or public places, in the City of Bangalore.

1 The Commissioner may by notice in writing require the occupier or owner of any premises to paint or plaster and white-wash or colour-wash any building or wall therein which, adjoins a public street, or to cope any such wall with bricks or tiles to keep such buildings or wall in good repair within fifteen days after such notice.

2 No person shall soil or deface any building, wall or structure visible from any street or public place in any way whatsoever.

3 No person shall write upon, soil, deface or mark, in any way whatsoever any tree standing on or visible from any street, public place or road surface.

4 No person shall dry braties or cow-dung cakes on the external wall of any house or yard adjoining a public street.

5 The owner or occupier of any such building, wall, structure or tree shall be held responsible for the removal of any soiling, defacement, writing or other marking such as is prohibited by bye-laws 2 to 4 of this bye-law, and shall do so within three days of the service of a notice demanding such removal.

Provided that the Commissioner may cause the immediate removal of such soiling, defacement, writing or other marking.

6 Any person failing to comply with a notice issued under bye-law 1 or bye-law 5 infringing the provisions of paras 2 to 4 thereof shall, on conviction be liable to a penalty not exceeding Rs. 50.

7 Any person injuring the sides and enbankment of roads, fences, parapets, walls or any other municipal property shall be liable on conviction to a penalty not exceeding Rs. 20.

8 Any police officer or municipal employee may seize any implement which is used for commission of the offence under bye-law 7 above and such implements shall be depositedi n the Corporation Stores. These implements may be confiscated to the Corporation when the offence under bye-laws 7 is compounded by the Commissioner or when the offender is successfully prosecuted and convicted by a court for an offence under bye-law 7 or when the owner cannot be traced within one month subsequent to the seizure.

Bye-laws under Section 367 (16) of the City of Bangalore Municipal Corporation Act of 1949, for the sanitary control and supervision of places used for (1) storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever—lime, lime-shell, surki, (2) packing, pressing, cleansing, preparing or manufacturing by any process whatever, pottery, (3) premises used for manufacturing tiles, in the City of Bangalore.

1 No person shall use any premises within 200 yards of any human habitation for—

(*a*) storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever, lime, lime-shell or surki; or

(*b*) packing, pressing, cleansing, preparing or manufacturing by any process whatever, pottery; or

(*c*) manufacturing of tiles.

2 (1) Any person using or desiring to use any place for any of the purposes mentioned in bye-law No. 1 shall apply to the Commissioner for license.

(2) The license shall be in the form shown in the appended schedule.

(3) The license shall not be transferable either as regards the person to whom or the place for which it is granted.

(4) The following fees shall be charged for licenses granted under this bye-law:—

(a) Lime-kiln	...	Rs. 5 per annum
(b) Tiles ...	...	Rs. 5 do
(c) Pottery ...	...	No fee

3 Every person who has obtained a license from the Commissioner for the use of any premises for any of the purposes referred to in bye-law 1 shall cause such premises to be thoroughly cleansed and shall prevent any accumulation of filth or refuse therein.

4 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the purpose of preventing any injury to any workman employed therein or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

5 He shall not at any time cause any excavations to be made in any part of such premises for removing earth, clay, etc., for making tiles, pottery or lime or for any other purpose.

6 He shall not permit or cause or suffer any cinders, ashes, bricks, stone, rubbish, dust, filth or other matter to be thrown or placed or suffer to be thrown or placed into on or in any river, stream, water-course, well, tank, street or any other place so as to cause mischief or annoyance to the public.

7 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuous breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction of the first breach; or

(b) with fine which may be extended to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of License.

This License is granted to Sri/Janab.....
(Name and address)

for the use of.....
(insert description of place)

as.....

This license will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye-laws of the Corporation framed under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws framed under clause (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act LXIX of 1949), for regulating the conditions on which permission may be given for the temporary structures on public street or for projections over public streets and for temporary occupation of streets or land in the City of Bangalore.

(A) Deposit of goods or materials temporarily on lands vested in the Municipal Corporation.

1 No person, who intends to build or take down any building or to alter or repair the outward part of any building in such a portion or in such circumstances as that the work is likely to cause or may cause obstruction, danger or inconvenience, shall, without the permission of the Commissioner, make a hole in any street or land, or erect or deposit any timber, stone, brick, earth or other materials that has been or is intended to be, used for any building, on any street drain, or land vested in the Municipal Corporation. When such permission is granted to any person, he shall at his own expense, cause such materials or such hole to be sufficiently fenced or enclosed until the materials are removed or the hole is filled up or otherwise made secure to the satisfaction of the Corporation Engineer and shall cause the same to be sufficiently lighted during the night.

2 The amount chargeable for the deposit of goods or materials on any street, drain or other land vested in the Municipal Corporation, shall be calculated at the rate of one anna per month per square foot of the area occupied and shall be payable in advance. Half this rate shall be charged if the period of occupation is less than a week.

3 If the owner of any goods or materials deposited on any street or place open to the traffic of foot-passengers or vehicles, fails to make suitable arrangements for guarding against danger to traffic, the Commissioner shall cause a notice to be served on him to make such arrangements within 24 hours after receipt of the notice, and on his failure to comply with the notice, the Commissioner shall enclose a bill of cost for carrying out the work at the owner's expense. The arrangements to be made shall be clearly and definitely specified in the notice.

4 If, within 24 hours after receipt of the said notice the owner fails to make the arrangements so specified or to show cause why such arrangements should not be made, the Overseer in charge of the Public Works Department shall forthwith make the arrangements specified in the notice and recover the cost of the same from the owner according to the procedure laid down in the Corporation Act. The owner shall have an opportunity within seven days after receipt of the bill to show cause to the satisfaction of the Commissioner that the arrangements made were unnecessary.

5 The following is the scale of fees for obstructions and encroachments of different kinds.—

(a) for awnings—Two annas per square foot per month.

(b) for temporary archways across roads—Rupee one per day for each arch on each road.

(c) The fees for obstructions shall be charged at the scales mentioned above and such charges shall be recoverable in the manner prescribed in the Act for the recovery of consolidated rates.

(B) Occupation of Public Street for vending fruits, etc.

6 In such streets or public roads as may be specified and in such parts of the same as may be set apart by the Corporation, a fee of six annas per month or quarter of an anna per day shall be levied for the temporary occupation of a public street for the sale of articles, *e.g.*, vegetables, fruits, silk, cotton goods or ware, betel-leaf, head-loads of firewood, etc., provided that the Commissioner may allow the temporary occupation of public streets as not to inconvenience the public and may order the levy of a fee not exceeding four annas per square yard per month.

7 Any person who takes out a license for a certain area and subsequently occupies a greater area without taking out a license for the excess so occupied shall be liable to pay for such excess area an amount calculated at the rate of ten annas per month per superficial foot of the area so occupied. This amount shall be recoverable according to the procedure laid down in the Bangalore Corporation Act.

II. Regarding the erection of pendals or other temporary structures on public streets.

8 No pendals or other temporary structures for marriage or other purposes shall be erected in any street, land or public thoroughfare, without the written permission from the Commissioner. On receipt of application for permission to put up such structures, specifying the situation, size and other particulars, license will be issued by the Commissioner if he sees no objection thereto, on such conditions as he may think necessary to provide for the public convenience and safety on payment of the following fees:

(i) For a pendal 6 feet broad by 12 feet long or not exceeding 72 square feet.	None
(ii) For a pendal exceeding 72 square feet and not exceeding 150.	Eight annas
(iii) For every additional 150 square feet or portion.	Eight annas

(a) No pendal shall ordinarily be allowed to stand for more than 15 days,

An extension of time may be granted on payment of one half the original fee, but not so as to exceed a month from the commencement.

(b) If on the expiration of the time allowed in the license, or the period granted in extension thereto on special application, the person that puts up the structure does not remove it, the Commissioner may issue a notice to the defaulter for its removal within such time as may be fixed by him in each case; at the end of which time he may have it removed and the cost of such removal shall be recoverable from the defaulter as a municipal demand.

(c) Any breach of this bye-law will, on conviction, subject the offender to a penalty not exceeding Rs. 5 for the first offence and Rs. 10 for each subsequent offence.

(d) Provided that in the case of pendals intended for purposes of charity, religion or public utility, permission may be granted free of charge, but the period of its existence shall not exceed fifteen days.

III. Regarding the projections over public streets.

9 (a) No weather-board, sun-shade, shop-board or any other projections shall be allowed in any street which is less than 15 feet in width.

(b) In streets which are not less than 15 feet in width, permission may be granted for the putting up of weather-boards, sun-shades, shop-boards, etc., not exceeding 2½ feet in breadth.

10 In streets which are more than 30 feet wide, the weather-boards, sun-shades, shop-boards, etc., may not be more than 3 feet in width.

11 The weather-boards, etc., shall always be of non-inflammable material like zinc sheets or asbestos cement sheets.

12 The fees for weather-boards, etc., for every half year payable in advance shall be as follows:—

One rupee for every weather-board, etc., not exceeding 2½ feet in width and 10 feet in length or fraction thereof.

Two rupees for every weather-boards, etc., not exceeding 3 feet in width and 10 feet in length or fraction thereof.

13 The weather-boards, sun-shades, etc., shall not be less than 8 feet high from the plinth of the building or surface of the street.

14 Any breach of any of these Bye-laws not otherwise provided for will, on conviction, subject the offender to a penalty not exceeding Rs. 5 for the first offence and Rs. 10 for each subsequent offence.

Bye-laws under Section 367 (16) of the City of Bangalore Municipal Corporation Act, 1949, for the sanitary control and supervision of premises used for storing, packing, pressing, cleansing or preparing or manufacturing by any process whatever skins, hides, leather, in the City of Bangalore.

Industrial control—skins, hides, leather and carpets.

1 No person shall use any premises situated within 200 yards of any human habitation for storing, packing, pressing, cleansing, preparing or manufacturing skins, hides and leather.

2 (i) Any person using or desiring to use any place for any of the purposes mentioned in Bye-law No. 1 shall apply to the Commissioner for license.

(ii) The License shall be in the Form shown in the appended Schedule.

(iii) It shall not be transferable either as regards the person to whom or the place for which it is granted.

(iv) The following fees shall be charged for licenses granted under this bye-law:

Tannery ... Rs. 5 per annum.

3 Every person who has obtained from the Commissioner, a license for the use of any premises for any of the said purposes shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly flushed, washed, and cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

4 He shall cause all hair, fleshings and refuse fragments of skin or other matter detached from any hide or butt to be collected and placed in a suitable part of such premises to await removal therefrom. He shall cause all scraps of animal matter to be collected and stored in suitable water-tight non-absorbent receptacles properly covered and shall be emptied at least once in every 24 hours and finally disposed of in such manner as may be approved by the Commissioner.

5 He shall cause the hair, fleshings and refuse fragments of skin or other matter detached from any hide or butt which have been so collected and which are not intended to be subjected to any further trade process upon such premises to be removed therefrom at least once in every 24 hours and to be disposed of in such manner as may be approved by the Commissioner.

6 He shall cause every beam, table, bench, knife, hammer or other implement or apparatus used upon such premises for the purpose of unhairing, fleshing, rounding, scudding or stalling any hide or butt or in any other process of his trade to be thoroughly cleansed as often as may be necessary and shall prevent any accumulation of filth or refuse upon such beam, table, bench, knife, hammer or other implement or apparatus.

7 He shall—

(a) cause all waste lime which has been taken out of any pit upon such premises to be forthwith deposited in a suitable vessel or receptacle or in a properly constructed cart or carriage;

(b) cause every such vessel, receptacle, cart or carriage, when filled and loaded, to be properly covered in such a manner as to prevent the emission of noxious or injurious effluvia from the contents thereof; and

(c) cause all waste lime to be removed from such premises at least once in every 24 hours and disposed of in such manner as may be approved of by the Health Officer.

8 He shall cause all filth which has been splashed upon any part of the internal surface of any wall of any buildings upon such premises to be removed by scraping or by scrubbing with fresh lime or by other effectual means at least once a week or more often if so required by the Health Officer.

9 He shall cause every part of the internal surface of the walls and ceiling of every building and every floor or pavement upon such premises to be kept at all times in good order and repair so as to prevent the absorption therein or percolation therefrom of any liquid filth or refuse or any noxious or injurious matter which may be splashed or may fall or be deposited thereon.

10 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

11 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

12 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall not permit or suffer any part of the building in such premises to be used at any time for the purposes of human habitation.

14 Nothing in the above bye-laws shall be deemed to apply to the storing of leather or skin properly tanned and dressed.

15 Whoever commits a breach of bye-laws Nos. 1 and 3 to 13 shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

as a .....

2 This license will expire on the 31st March 195 .

3 It is subject to the conditions set forth in the Bye-laws framed under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws under Section 367 (16) of the City of Bangalore Municipal Corporation Act, 1949, for the Sanitary Control and Supervision of places used for dyeing in indigo or other colours, in the City of Bangalore.

Industrial Control—Dyeing Clothes.

1 No person shall use any premises within 100 yards of any human habitation for dyeing clothes.

2 (1) Any person using or desiring to use any place for the purpose mentioned in Bye-law No. 1 shall apply to the Commissioner for a licence.

(2) The license shall be in the Form shown in the appended Schedule.

(3) It shall not be transferable either as regards the person to whom or the place for which it is granted.

(4) The following fees shall be charged for licences granted under this Bye-law:—

(*a*) Washing or drying wool or hair ... ... Rs. 5 per annum
(*b*) Dyeing ... ... Rs. 5 per annum

3 Every person who has obtained from the Commissioner a licence for the use of any premises for the purpose of dyeing cloth shall cause all materials which have been received upon such premises and which are not required for immediate use to be stored in such a manner and in such a situation as to prevent the emission of noxious or injurious effluvia therefrom.

4 He shall adopt and shall cause to be maintained at all times in good order and efficient action all such means and appliances as are necessary for rendering innocuous all gas, vapour, fumes, dust or other impurities emitted during any trade process either from the articles operated upon or from the contents of any cask, tank, vat pan, trough, vessel, or utensil or other receptacle upon such premises.

5 He shall provide a sufficint supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least once in every 24 hours and shall prevent any accumulation of filth or refuse therein.

6 He shall cause every floor or pavement upon such premises to be kept at all times in good order and repair so as to prevent the absorption of any liquid filth or refuse or any noxious or injurious matter which may fall or be deposited thereon.

7 He shall cause the drying ground and all the ground surface of such premises to be kept smooth and free from hollows or inequalities so as to prevent any accumulation thereon of any liquid filth or refuse.

8 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

9 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action. He shall dispose of coloured refuse in such manner as may be approved by the Engineer and shall in no case let coloured refuse into any public drain without the written permission of the Engineer.

10 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

11 He shall cause all refuse matter which may have fallen or have been deposited upon any part of the said premises to be collected and deposited in suitable air-tight non-absorbent covered receptacles to the satisfaction of the Health Officer. He shall cause all such refuse to be removed from such premises at least twice in every 24 hours and deposited in the municipal rubbish carts.

12 He shall not permit or suffer any part of the building upon such premises to be used at any time for purposes of human habitation.

13 He shall not permit any stagnation of water in any unused dye pots or receptacles in such premises.

14 Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of Licence.

This License is granted to Sri/Janab .....
(Name and address)
for the use of.....
(insert description of place)
as.....

This licence will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye-laws of the Corporation framed under the City of Bangalore Municipal Corporation Act, 1949.

Draft Bye-laws under Section 367 (16) and (34) of the City of Bangalore Municipal Corporation Act, 1949 [Act No. LXIX of 1949], for the sanitary control and supervision of places used for—(1) storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever, blood, bones, camphor, catgut, fat, manure, fish, meat, offal, oil, oil-cloth or tallow, or (2) packing, pressing, cleansing, preparing or manufacturing by any process whatever, soap or candles in the City of Bangalore.

1 No person shall use any premises within 200 yards of any human habitation for—

(*i*) storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever, blood, bones, camphor, catgut, fat, manure, fish, meat, offal. oil, oil-cloth or tallow ; or

(*ii*) packing, pressing, cleansing, preparing or manufacturing by any process whatever, soap or candles.

2 (*a*) Any person using or desiring to use any premises for the purposes mentioned in bye-law No. 1 above shall apply to the Commissioner for a licence.

(*b*) The Commissioner may either grant or refuse any such licence. When the Commissioner refuses grant of a licence, he shall give reasons therefor and an appeal shall lie to the Corporation from such order of refusal.

(*c*) The licence shall be in the Form shown in the appended schedule.

(*d*) It shall not be transferable either as regards the person to whom it is issued or the place for which it is granted.

(*e*) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year and may be renewed on application for a similar period.

(*f*) A sum of rupees five per annum shall be charged for every licence.

3 Every person who has obtained a licence from the Commissioner for the use of any premises for any of the said purposes, shall provide a sufficient supply of pure and wholesome water in the premises and shall cause such premises to be throughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

4 He shall cause all refuse, fragments of animal or other matter which have fallen or have been deposited

upon any part of such premises to be collected and deposited in suitable non-absorbant and impervious receptacle provided with tight fitting covers to the satisfaction of the Health Officer. He shall cause all such refuse to be removed from such premises at least once in every 24 hours and disposed of in such manner as may be approved by the Commissioner.

5 He shall cause the interior and exterior of every boiling pan and of every cask, vat, pan, trough, bench, table, tub, vessel or utensil or other receptacle upon such premises to be thoroughly cleansed as often as may be necessary and at least once at the close of every working day and shall prevent any accumulation of filth in or upon such cask, tank, vat, pan, trough, bench, table, tub, vessel or utensil or other receptacles.

6 He shall cause all materials which have been received on such premises and which are not required for immediate use in his trade to be stored in such a manner and in such a situation as to prevent the emission of noxious or injurious effluvia therefrom.

7 He shall adopt and shall cause to be maintained at all times in good order and efficient action all such means and appliances provided for rendering innocuous all gas, vapour, fumes or dust emitted during any trade process either from the articles operated upon or from the contents of any cask, tank, vat, pan, trough, or other receptacles upon such premises.

8 He shall cause every part of the internal surface of the walls of every building and every floor and pavement upon such premises to be kept at all times in good order and repair so as to prevent the absorption therein of any liquid filth or refuse or any noxious or injurious matter which may be splashed or may fall thereon.

9 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed twice at least in every year in the months of April and October and more often if so required by the Health Officer.

10 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

11 He shall cause liquid refuse before it is discharged into a public drain to be cooled in such manner as to prevent the emission of noxious or injurious effluvia therefrom; and he shall not let or cause to be let into a public drain any greasy or oily refuse matter.

12 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall adopt such practical means as may be approved of by the Health Officer for the prevention of all nuisance by the smoke from any chimney or other place connected with such premises.

14 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the purpose of preventing any injury to any person employed therein, or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

15 He shall not permit or suffer any part of the building in such premises to be used at any time for purposes of human habitation.

16 No leper or no person suffering from an open sore or any loathsome, infectious, or contagious disease shall carry on the business referred to in bye-law No. 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

17 No licensee shall keep or stable permanently or temporarily any dog, cattle or other animal in or on any part of the premises.

18 Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

105 (*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of Licence.

This Licence is granted to Sri/Janab..... (Name and address).....for the use of .....

as .....

This licence will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye-laws of the Corporation framed under the City of Bangalore Municipal Corporation Act, 1949,

---

Draft Bye-laws framed by the City of Bangalore Municipal Corporation under Section 367 (16) of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for the control and Supervision of premises used for storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever oil in the City of Bangalore.

---

1. (1) Any person using or desiring to use any premises for the purpose of storing, packing, pressing, cleansing, preparing or manufacturing oil shall apply to the Commissioner for a license.

(2) The Commissioner may either grant or refuse any such license. When the Commissioner refuses grant of a license he shall give reasons therefor and an appeal shall lie to the Corporation from such order or refusal.

(3) The license shall be in the Form shown in the appended schedule.

(4) It shall not be transferable either as regards the person to whom it is issued or the place for which it is granted.

(5) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year and may be renewed on application for a similar period.

(5) A sum of Rs. 5 per annum shall be charged for every licence.

2. Every person who has obtained from the Commissioner a licence for the use of any premises for the purpose of storing, packing, pressing, cleansing, preparing or manufacturing oil by any process whatever shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least once in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

3. He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and stored in suitable air-tight non-absorbent covered receptacles to the satisfaction of the Health Officer. He shall cause all such refuse to be removed from such premises at least twice in every twenty-four hours and shall be disposed of in such manner as may be approved by the Health Officer.

4. He shall cause all materials which have been received on the said premises and which are not required for immediate use in his trade to be stored in such manner and in such a situation as to prevent any nuisance arising therefrom.

5. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

6. He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7. He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

8. He shall adopt such practical means as shall be approved of by the Health Officer for the prevention of all nuisance by smoke or other effluvia from any chimney or other place connected with such premises.

9. He shall cause the surroundings of the mill or press to be paved and metalled and drained to the satisfaction of the Health Officer.

10. He shall cause all animals kept in connection with such mill or press to be properly housed in suitable places, tiled, paved and drained to the satisfaction of the Health Officer.

11. He shall not permit or suffer any part of the building in or on such premises to be used at any time for purposes of human habitation unless such building is efficiently separated from communication with the said premises to the satisfaction of the Commissioner.

12. He shall adopt such practical measures as are necessary to prevent any nuisance caused by the noise from such mill or press. He shall not cause any such mill or press to be worked between 6-30 p.m. and 5-30 a.m. without the written permission of the Commissioner.

13. No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease, shall carry on the business referred to in bye law No. 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business or allow a leper or any such person to enter, or loiter in or on, any part of such premises.

14 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in the case of a continuous breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of License.

The License is granted to Sri/Janab.....
(Name and Address)

for the use of.....
(insert description of place)

as a .....

2. This license will expire on the 31st March 195 .

3. It is subject to the conditions set forth in the Bye-laws framed under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clauses (17) and (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (LXIX of 1949) for the Control and Supervision of Slaughter Houses and of places used for Skinning and Cutting up of Carcasses ; for the Control and Supervision of the methods of Slaughtering ; and for the Control and Supervision of Butchers carrying on business in them and for securing cleanliness, safety and order in the Slaughter Houses.

---

1 No person shall use any place within the limits of the Bangalore Municipal Corporation for the slaughtering of sheep, goats, camels or pigs intended for human food except a municipal or licensed slaughter house or places permitted by the Municipal Commissioner on special occasions.

2 The Veterinary Inspector in the employ of the Municipal Corporation shall be in the immediate charge of the Municipal Slaughter Houses. A person bringing an animal intended for slaughter to the Municipal Slaughter Houses shall present such animal for inspection to the Veterinary Inspector at the places set about for the purpose in the Slaughter Houses at least two hours before the slaughtering commences. The Veterinary Inspector shall carefully inspect and examine every animal brought for slaughter whether for private consumption or for sale to the public and satisfy himself that such animals are perfectly healthy before he admits them for slaughter. He shall see that no diseased sheep, goats, camels or pigs are slaughtered therein for food or their carcasses removed to the Municipal Markets or other recognised or licensed places for sales.

3 The owner of the animal examined and passed by the Veterinary Inspector as fit to be slaughtered for food, shall pay the fees prescribed hereunder to the persons authorised to collect such fees before the animal is admitted into the slaughtering yard.

	Rs.	a.	p.
For each camel admitted for slaughter ...	1	0	0
For each sheep or goat admitted for slaughter.	0	3	6
For each pig admitted for slaughter ...	0	6	0

4 The Veterinary Inspector whose duty it is to inspect any animal presented for inspection shall reject any such animal which for any person may appear to him unfit to be slaughtered for human food. The owner of an animal so rejected shall cause it to be forthwith removed from the slaughter-house premises.

5 A person shall not under any circumstances pass or attempt to pass into the inner yard of the slaughter house any animal which has not been inspected and passed as fit to be slaughtered.

6 No person shall bring into the Slaughter house a dying or dead animal. If such animal is brought for slaughter, the Veterinary Inspector shall seize and destroy them at the cost of the owner of such animal.

N.B.—This bye-law shall not apply to the case of an animal which has met with an accident rendering it unfit for further work if it is brought to the slaughter house immediately after the accident.

7 The hours prescribed for slaughtering the sheep, goat, or camel will be from 12 NOON to 7 P.M. and for slaughtering the pigs will be from 5 A.M. to 10 A.M.

8 The carcasses of all slaughtered animals shall be examined by the Veterinary Inspector. If any such carcass be found to be diseased, unsound or otherwise unfit for human consumption, it shall be seized, destroyed and disposed of so as to prevent its being used for human food or exposed for sale, at the expense of the owner or person in charge of the carcass at the time of the seizure. Except in cases of contagious or infectious diseases, the skin of the animal shall remain the property of the owner.

9 All animals are to be slaughtered in such a manner as will not cause unnecessary pain or suffering and in dressing any carcass or portion of a carcass, the meat shall not be subjected to the process of "blowing" or "Fooku" by any person.

10 No person shall rub or cause to be rubbed the inner sides of the skins upon the ground in any part of the Slaughter house, Slaughter house yard or in the neighbourhood of the Slaughter house premises.

11 No person shall allow the contents of the entrails, refuse, offal and other offensive matter to be washed or let into the sewer or drain, but they shall be removed and deposited in the receptacles provided for the purpose.

12 The owner of the animal slaughtered shall remove skins, entrails, offal and other matters from the premises of the Slaughter house within three hours after the slaughtering or dressing has neen completed. If they are not removed within the time allowed, they shall become the property of the Corporation.

13 The carcasses of all animals slaughtered shall be removed to the hanging room attached to the Slaughter house and shall be kept there till 6 A.M. of the following day. This rule will not apply to the carcasses of animals slaughtered for immediate use on special occasions such as public entertainments, marriages or festivals or to those intended for despatch by night train to outside places for which special permission of the Commissioner or the Health Officer of the Corporation has been obtained.

14 The Veterinary Inspector shall stamp all carcasses before they are removed from the hanging rooms to the stalls in the municipal markets or licensed meat stalls in token that they are passed out of Slaughter house as fit for food. No person shall remove any carcass from the hanging room without being stamped by the Veterinary Inspector.

15 Every person desirous of carrying on the business of a butcher, broker, shroff, animal dealer or hide-dealer,

or of otherwise carrying on trade or business, or of working for gain within the limits of the Slaughter house premises, shall obtain from the Commissioner a written permission or licence to enter and carry on such business within the said premises on payment of such annual fees as shall from time to time be fixed by the Commissioner with the sanction of the Corporation, and no person shall carry on any such trade or business or work for gain within the limits aforesaid without such written permission or licence or contrary to such permission or licence terms. Such permission or licence shall be granted up to the end of official year only and may be renewed for similar period on satisfying the conditions required therefor.

16 A butcher or other person who handles the carcasses in the Slaughter house and in the removal of the same to the market or other places shall produce before the Commissioner a certificate from the Health Officer or any medical officer not below the rank of an Assistant Surgeon showing that he is free from any contagious, skin or venereal disease when he applies for the permission or licence for the first time. Such a certificate shall be produced by him during the time of renewal of permission or licence every year. The Health Officer or Veterinary Inspector may require any butcher or other person handling the carcass to undergo medical examination at any time during the year if he suspects that the butcher or person handling carcass is suffering from any disease.

17 Every licensee shall be responsible for any damage done to the Slaughter house either by his own act or by the act of his servants. Any such licensee refusing to pay the cost of damages shall have his licence cancelled and the amount of damage shall be recoverable under Section 420 of the Municipal Corporation Act 1949.

18 No leper or person suffering from an open sore or any loathsome, infectious or contagious disease shall enter the Slaughter house nor such persons shall be employed by a licensee to remove any carcass or meat from the Slaughter house.

19 No dog shall be permitted to enter the premises of a Slaughter house and any dog found therein may be dealt with as a stray dog and destroyed by the Corporation.

20 No person shall spit in the premises of Slaughter house except in such receptacles as are provided for such purpose.

21 No person not being the holder of a written permission or licence shall, without the previous permission of the Commissioner, enter the Municipal Slaughter houses.

22 Any person resorting to the Municipal Slaughter houses for any purpose shall not at any time refuse, neglect or omit to comply with any reasonable directions of the Veterinary Inspector or any of his assistants for the maintenance of order and regularity.

23 No person shall remove carcasses and meat from a Slaughter house to any market or other place except in a suitable covered vehicle of an approved pattern and specially set apart for the purpose. Such person shall, during such removal, conceal the carcasses and meat from public view and completely protect them from flies and dust. Persons providing such vehicles shall at all times keep the same in a clean and sanitary condition and in good order and repair. Where such vehicles are provided by the Corporation, no person shall remove the carcasses and meat except in a vehicle so provided and such carting fees as may be fixed by the Standing Committee from time to time shall be paid for the use of the vehicle.

24 Whoever commits a breach of any of the foregoing bye-laws shall be liable for every such breach to fine which may extend to (Rs. 50) fifty rupees and in case of continuing breach to fine which may extend to (Rs. 15) fifteen rupees for every day during which the breach continues after conviction for the first breach.

Draft bye-laws under section 367 (28) and (34) for the regulation of private Hospitals and Nursing Homes for the treatment of Dangerous Diseases of persons in the City of Bangalore.

---

1. No person shall carry on within the City of Bangalore a private hospital or nursing home for the treatment of any of the dangerous diseases specified in Section 3 (a) of the City of Bangalore Municipal Corporation Act LXIX of 1949, or any other dangerous disease which may be notified from time to time by the Local Government under Section 345 of the City of Bangalore Municipal Corporation Act without obtaining a certificate of registration from the Commissioner, City of Bangalore Municipal Corporation.

2. The Commissioner may refuse registration of a private hospital or nursing home if he is satisfied—

(a) that by reason of its situation, construction, accommodation, staffing or equipment, the institution is objectionable, or

(b) that the institution is not under the charge of registered medical practitioner or that there is not a proper proportion of qualified nurses employed.

3. The certificate of registration must be kept affixed at a conspicuous place in the hospital or home.

4. The Commissioner may, by an order in writing, cancel the registration on any of the grounds which would entitle him to refuse the application for registration.

5. The Commissioner, Health Officer, or any person duly authorized by the Commissioner may enter any private hospital or nursing home at all reasonable times for the inspection of the premises and records.

6. Any person found guilty of having violated any of the above bye-laws shall be punished with a fine of Rs. 50 and in the case of second or subsequent offence with a fine of Rs. 100.

(Price One Anna)

Animal Control—Stables, Sheds and Cow-Houses.

Draft bye-laws under sections 290 (2) and 367 (14) of the City of Bangalore Municipal Corporation Act 1949 (Act LXIX of 1949) to provide for regulating the mode of constructing stables, cattle-sheds and cow-houses and connecting them with Municipal drains.

1. No person shall use any premises for stables, cattle-sheds or cow-houses within such distance of any human habitation as the Health Officer may specify.

2. The floor of such premises shall be at least one foot above the level of the adjoining ground.

3. No person shall use any premises for any of the purposes mentioned in bye-law 1, unless every building in such premises is constructed of masonry and unless every part thereof is constructed of non-inflamable material.

4. Every such premises shall comply with the following further requirements:—

(a) It shall have an open space of not less than 10 feet in width at least on two sides within the boundary of such premises. It shall be open on two sides which may, however, be fitted with such weather boards and screens as may in each case be approved by the Health Officer.

(b) It shall have a wall of a height of not less than 6 feet in any portion thereof between the floor and the wall plate.

(c) Shall provide for a floor space on the following scale namely:—

(i) for each horse—not less than 9 feet by 6 feet; and

(ii) for each bullock, cow or buffalo—not less than 9 feet by 4 feet.

Such space shall, in each case, be exclusive of the space occupied by any manger or drain or by any carriage or cart kept in such premises.

5. The owner or occupier of any such premises shall cause the flooring of every building in such premises to be paved or otherwise made impervious. He shall cause such flooring to be grooved and sloped towards an impervious masonry drain which, in unsewered areas in the city, shall be shallow and discharge into a grit chamber and shall be connected with a public drain when so permitted by the Commissioner. In sewered areas, such drains shall be provided with suitable traps and connected with the sewers. Where there is no public drain or sewer, the drain from the premises shall discharge into a masonry

cistern situated inside the yard. Such cistern shall be of such dimensions as to hold not less than twenty-four hours' flow of waste water from such premises and shall be closely covered and fitted with an air-tight frame and cover. Such cistern shall be completely emptied and cleansed at least once in every twenty-four hours and the waste water disposed of in such manner as may be approved of by the Health Officer.

6. He shall cause every open space in or upon such premises to be paved or metalled and drained to the satisfaction of the Commissioner.

7. He shall provide in such premises, if so required by the Commissioner, suitable latrine accommodation for persons employed in or using such premises.

8. He shall provide suitable covered, air-tight non-absorbent receptacles for the deposit of all refuse matter and shall cause such receptacles to be emptied twice in every twenty-four hours into dust bins or municipal carts.

9. He shall provide a sufficient supply of wholesome water and shall maintain such number of troughs for watering animals as may be prescribed by the Health Officer from time to time.

10. He shall cause the said premises to be thoroughly cleansed at least twice in every twenty-four hours or more often, if necessary, and shall prevent any accumulation of filth or refuse therein.

11. He shall give immediate notice to the Health Officer or the Divisional Sanitary Inspector of the occurrence of any infectious or dangerous disease among the animals in such premises and shall segregate or remove all sick animals to such places as the Health Officer may direct and shall not sell or cause to be sold or use or cause to be used the milk of such animals for any purpose without the written permission of the Health Officer.

12. Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

(Price One Anna)

Draft bye-laws framed by the City of Bangalore Municipal Corporation under sub-section (28) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act LXIX OF 1949), for regulating the destruction or segregation of horse and cattle suffering from anthrax, glanders, rinderpest or any other such disease.

---

1 Notice of the occurrence of any case of anthrax, glanders, rinderpest or any other such disease, affecting horses or cattle shall be given to the Health Officer or the Sanitary Inspector of the Division.

2 The Health Officer on receiving information of the existence of any such disease shall make such enquiry as may be necessary, and if he is satisfied that the removal or segregation of any such animals is necessary, the owner shall keep such animal or animals apart in or remove them to, such place as may be approved by the Health Officer.

3 On report from the Health Officer that the destruction of any animal is necessary by reason of its suffering from such disease, the Commissioner may, by order in writing, require such animal to be immediately destroyed, and no damages shall be payable in respect of any animal destroyed under such order. When any animal has died from, or been destroyed on account of, any such disease, the carcass shall be removed as soon as possible to the nearest cinerator and there cremated. The cost of such removal and cremation should be paid by the owner or person in charge of the animal.

4 Every place which had been occupied by any animal suffering from such disease, and everything which may have come into contact with such animal whilst so suffering, shall be immediately cleansed and disinfected in such manner as may be required by the Health Officer, and if any such thing is in the opinion of the Health Officer not susceptible of efficient disinfection, he shall require it to be destroyed, provided that for all articles so destroyed such compensation shall be paid as the Commissioner, after necessary enquiry, may consider reasonable.

5 Every stall or building which has been occupied by an animal suffering from such disease shall, within 24 hours after it has been disinfected as provided in Section 4 above, be thoroughly lime-washed, and no such stall or building shall be re-occupied, until at least 7 days after it has been so disinfected and lime-washed.

6 Breach of any of these rules shall render the offender liable on conviction to a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which the breach continues.

Draft Bye-laws under sub-section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), to provide for the Sanitary Control and supervision of places for the manufacture and preparation of ærated waters.

---

1 (a) No place shall be used as a place for the manufacture and preparation of ærated waters without previously obtaining a licence therefor from the Commissioner of the City of Bangalore Municipal Corporation, on payment of a fee of Rs. 50: provided that no licence will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

(b) Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a licence. Every application shall be in the form shown in Schedule "A". Except in the case of temporary licence, every application should be made not less than 15 days before the date from which the licence applied for is to commence.

(c) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year: provided that a temporary licence for a period not exceeding one year may be granted for any special occasion and such licence shall expire with the period for which it is granted.

(d) The licence shall be in the form shown in Schedule "B".

Every application for the renewal of a licence granted under the bye-law shall be made before the end of the first month of each official year.

The Commissioner may, in his discretion on the advice of the Health Officer, grant or refuse a licence. When he refuses to grant a licence, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

(e) The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place for which it is granted. The licence shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

2 No person shall use any building for manufacturing ærated waters unless—

(a) it is constructed of masonry;

(b) every part therefor is constructed of non-inflamable material; and

(c) suitable accommodation is provided separately for—

(i) the cleansing of bottles, (ii) the filteration and storage of water, (iii) the charging of bottles, (iv) the storage of all materials connected with such manufacture, and (v) the making and mixing of syrups.

3 Every person who has obtained from the Commissioner a licence for the use of any premises as an aerated water factory shall provide a sufficient and good supply of water in such premises and shall cause such premises to be thoroughly cleansed at least twice in every twenty-four hours or more often, if necessary and shall prevent any accumulation of filth or refuse therein.

4 He shall cause the flooring of every building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer. Such flooring shall be kept at all times in good order and repair.

5 He shall provide good ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

6 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

8 He shall not use or permit or suffer any part of such premises to be used at any time for purposes of human habitation or for stabling animals.

9 He shall provide such latrine accommodation for persons employed in the factory as is approved by the Health Officer. Such latrine shall be situated outside the building used as aerated water factory and shall not communicate directly with it.

10 He shall provide filters, storage tanks, vessels for boiling and other appliance of such design, materials and capacity as the Health Officer may by general or special order require for the purification and storage of water and he shall cause to be maintained at all times such storage tanks, boiling vessels and other appliances in a clean and sanitary condition and in good order and repair. He shall not cause or suffer any aerated waters to be manufactured in such premises from water which has not been filtered and purified to the satisfaction of the Health Officer.

11 He shall provide for the preparation of syrups or such other articles, vessels of glass or enamel or of such other material as may be approved by the Health Officer.

12 He shall cause every bottle to be thoroughly washed and cleansed with a brush or other suitable apparatus, and shall, before it is charged, cause it to be drained of the water in it by keeping its mouth downwards on a rack provided for the purpose.

13 He shall provide a sufficient number of racks of a design approved by the Health Officer for the draining of washed bottles and for storage of charged bottles.

14 He shall provide sach bottles and corks as may be approved by the Health Officer.

15 He shall not use or cause to be used such chemical and colouring matter that is injurious to health.

16 He shall provide chemical and colouring matter whose chemical composition and the manufacturers's label is given on such bottles.

17 He shall not use or cause to be used any flannels, sponges, muslins or other similar materials in the purification or filteration of water or the preparation of syrups.

18 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances, as the Health Officer may, from time to time, require for the purpose of preventing, any injury to any person employed therein or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

19 No person shall spit in or upon such premises except in which receptacles or places as are provided for the purpose.

20 No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall carry on the business referred to in bye-law 1 and no licensee shall employ leper or any person suffering as aforesaid to assist him in carrying on such business.

21 Every licensee shall cease temporarily to carry on such business on the occurence of leprosy or of any loathsome, infection or contagious disease in his house or in the house of any person employed in or assisting in such business and he shall not sell any article made or kept therein or resume such business without the written permission of the Health Officer.

22 He shall not permit any aerated waters manufactured in such premises to be issued without his trade label being affixed thereon.

23 He shall cause every person employed in such business to be medically examined on entertainment and once every year thereafter. He shall also require every such person to produce a certificate from a Corporation Medical Officer to the effect that he is free from disease or infection of any kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Corporation Medical Officers and shall be produced by the licensee for inspection as often as may be required by the Health Officer or Inspecting Officers.

24 No dog shall be kept or permitted in any aerated water factory.

25 The licensee shall, whenever so ordered by the Commissioner, forward to an approved or Corporation laboratory samples of water at any stage in the manufacture of aerated water for chemical and bacteriological examination. He shall submit the result of every such examination to the Commissioner and shall also meet all expenses incurred in this behalf.

26 He shall not hire out any machinery to, or permit any machinery to be used by private individuals for charging with gas or for manufacture of aerated waters.

27 Whoever commits a breach of any of the above bye-laws shall be punishable:—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach: or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt notice from the Commissioner to discontinue such breach.

SCHEDULE "B"

Form of licence issued under the Bye-laws of the City of Bangalore Municipal Corporation under Section 367 (16) of the Act.

This licence is granted to Sri/Janab.....
(name and address) for the use of.....
(insert description of place).....
as a place for the preparation of bread, biscuits and confectionery.
This licence will expire on the.....195 .

It is subject to the conditions set forth in the bye-laws of the Municipal Corporation framed under the City of Bangalore Municipal Corporation Act 1949.

Draft bye-laws adopted by the City of Bangalore Municipal Corporation under Section 367 (34) of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) for the control of Barber Shops and Hair Dressing Saloons.

1 No person shall use any premises as a Barber Shop or Hair Dressing Saloon unless—

(a) it is constructed of masonry, or of such other durable material as may be approved by the Commissioner; and

(b) every part thereof is constructed of non-inflamable material.

2 Any person wishing to use any premises as a Barber Shop or Hair Dressing Saloon shall apply for a license therefor to the Commissioner, Municipal Corporation, who may, in his discretion grant the license applied for or require the applicant to effect such improvements as in the Commissioner's opinion are necessary before his application can be considered or may refuse to grant the license if, in his opinion the premises are unsuitable for the purpose.

3 Applications must be made to the Commissioner before the end of the first month of each official year for renewal of all licenses granted under this bye-law.

4 A fee of one rupee per annum shall be charged for each license under this bye-law.

5 Every person in charge of such premises shall cause every part of the flooring in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Commission and such flooring shall at all times be kept in good order.

6 He shall provide suitable means of drainage upon or in connection with such premises, and all cause the same to be maintained at all times in good order and efficient condition.

7 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient condition.

8 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime washed at least twice in every year in the month of April and October or more often if so required by the Commissioner.

9 He shall provide suitable covered receptacle in suitable place in such premises for the deposit of all refuse matter and shall cause the such receptacle to be emptied at least once in every twenty-four hours.

10 He shall provide in such premises a sufficient supply of water.

11 No leper and no person suffering from an open sore or any loathsome infectious disease shall carry on the business of a barber or be employed in, or assist in the carrying on of such business.

12 Every barber or operator working in such premises shall wear a clean apron when attending of any customer.

13 Every barber or operator shall wash his hands thoroughly with soap and water before and after serving each customer; the hands of the barber or operator shall, after the customer is served, in addition to being washed with soap and water be dipped in such disinfectant any may be approved by the Commissioner.

14 Razors and other instruments used for a customer shall be rendered safe immediately after such use by being thoroughly cleaned and dipped in boiling water or disinfected in a disinfectant approved by the Commissioner.

15 Every shaving mug and brush shall be thoroughly rinsed in hot water after each occasion they are used.

16 At the end of every day, every brush, towel and comb used in the premises shall be sterilized by being immersed in boiling water or disinfected in such disinfectant as may be approved by the Commissioner.

17 Alum or any other similar material used to stop the flow of blood shall be applied in powdered or liquid form only.

18 No person shall spit in such premises except in such receptacles or places as are provided for the purpose.

19 No leper and no person suffering from any visible skin disease open sore or any loathsome infectious or contagious disease shall be admitted or be served in such premises.

20 Every person employed as a barber in a barber shop or hair dressing saloon shall obtain a medical certificate once a year, from a Municipal Medical Officer or a Registered Medical Practitioner to the effect that he is free from disease or infection of any kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Municipal Medical Officers.

21 Whosoever commits a breach of any of the above bye-laws shall be punishable.—

(a) with a fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to five rupees for every day during which the breach continues after conviction for the first breach; or

(b) with fine which may extend to five rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Draft bye-laws under sub-section (16) of Section 367 of the City of Bangalore Municipal Corporation Act 1949, (Act No. LXIX of 1949) to provide for the sanitary control and supervision of places for the preparation of bread, biscuits or confectionery (for other than domestic use).

1. (a) No place shall be used as a place for the preparation of bread, biscuits or confectionery (for other than domestic use) without previously obtaining a licence therefor from the Commissioner of the City of Bangalore Municipal Corporation on payment of the fee prescribed in this behalf in Schedule 'A', provided that no licence will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

(b) Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a licence. Every application shall be in the form shown in schedule 'B'. Except in the case of temporary licence, every application should be made not less than 15 days before the date from which the licence applied for is to commence.

(c) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year; provided that a temporary licence for a period not exceeding one year may be granted for any special occasion and such licence shall expire with the period for which it is granted.

(d) The licence shall be in the form shown in schedule 'C'. Every application for the renewal of a licence granted under the bye-law shall be made before the end of the first month of each official year.

The Commissioner may, in his discretion on the advice of the Health Officer, grant or refuse a licence. When he refuses to grant a licence, he shall give reasons therefor and an appeal shall lie to the Health Committee from such an order of refusal.

(e) The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place for which it is granted. The licence shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

2. No person shall use any building for baking or preparing bread, biscuits or confectionery (for other than domestic use), unless.—

(a) it is constructed of masonry;

(b) every part thereof is constructed of non-inflamable material; and

(c) it contains sufficient and separate accommodation for (i) store room, (ii) oven and (iii) kneading room.

3. Every person who has obtained from the Commissioner a licence for the use of any premises for any of the abovesaid purposes shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

4. He shall cause all materials which have been received on such premises and which are not required for immediate use in his trade to be stored in a separate well-ventilated room.

5 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

6 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall adopt such practical means as may be approved by the Health Officer for the prevention of all nuisance from smoke or other effluvia arising during the process in the manufacturing, etc. He shall also maintain them at all times in good order and efficient action.

7 He shall cause the flooring of building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Commissioner. Such flooring shall be kept at all times in good order and repair.

8 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

9 He shall not permit or suffer any part of such premises to be used at any time for purposes of human habitation or for stabling animals.

10 He shall provide suitable non-absorbent, air-tight, covered receptacles in such premises for the deposit of all refuse matter and he shall cause such receptacles to be emptied as often as may be necessary and at least twice in every twenty-four hours into the dust bin provided by the Corporation for the purpose.

11 No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose.

12 Every licensee shall provide in such premises latrines in such position and of such description, size and number as the Health Officer may direct for the use of persons employed therein. The licensee shall not provide any lavatory, urinal or latrine opening directly into or upon, any place in which bread, biscuits and confectionery are prepared or stored otherwise than through a fully ventilated passage.

13 He shall cause every person employed in the preparation, distribution or handling of any article of food or drink in such premises to be medically examined on entertainment and (once) every year thereafter. He shall also require every such person to produce certificate from a Corporation Medical Officer or a Registered Medical Practitioner to the effect that he is free from disease or infection of any Kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Corporation Medical Officers and shall be produced by the licensee for inspection as often as may be required by the Health Officer or Inspecting Officers.

14 He shall cause the surface of every dough table used in such premises to be kept smooth and impervious and free from cracks and crevices. He shall also cause it to be thoroughly cleansed both morning and evening and covered over with a clean cloth when not in use.

15 He shall keep at all times all trays and other utensils used in the business in a clean and sanitary condition and in good order and repair.

16 He shall store in bags all flour and other articles which are not required for immediate use and shall place them not on the ground but on benches, tables or other raised platforms made of impervious material.

17 He shall provide every person employed in such premises with a clean apron.

18 He shall store all bread, biscuits, confectionery and other articles prepared in such premises in such manner as to completely protect them from dust, flies and vermin.

19 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in bye-law 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

20 Every licensee shall cause temporarily to carry on such business on the occurrence of leprosy or of any loathsome, infectious or contagious disease in his house or in the house of a person employed in or assisting in such business and he shall not sell any article made or kept therein or resume such business with the written permission of the Health Officer.

21 No dog shall be kept or permitted in any such premises.

22 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in cases of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

(Price One Anna.)

Draft Bye-laws under Sections 367 (16) and (34) of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) and all other Provisions thereunto enabling to provide for the Regulation of beedi manufacture in the City of Bangalore. These Bye-laws will apply to places where beedies are manufactured or made and where not less than ten operatives are employed.

---

1 No place shall be used for the manufacture of Beedies without previously obatining a license therefor from the Commissioner of the City of Bangalore Municipal Corporation on payment of a fee of Rs. 50, provided that no license will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

2 Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a license. Every application shall be in the form shown in schedule "A". Except in the case of temporary license every application should be made not less than fifteen days before the date from which the license applied for it to commence.

No license shall be granted for a period exceeding one year and every license shall be granted so as to expire with the Official year, provided that a temporary license for a period not exceeding one year may be granted for any special occasion and such license shall expire with the period for which it is granted.

3 The license shall be in the form shown in schedule 'B'.

Every application for the renewal of a license granted under the Bye-law shall be made before the end of the first month of each official year.

The Commissioner may in his discretion on the advice of Health Officer grant or refuse a license. When he refuses to grant a license, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

4 The license granted under these bye-laws shall not be transferable either as regards the person to whom, or the place from which it is granted. The license shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

5 No person shall use any premises to be used for manfacturing or making beedies, unless:

(i) such premises are constructed of masonry or such other durable materials as may be approved by the Commissioner, and

(ii) every part of such premises is constructed of non-inflammable materials.

6 Every person who uses any premises or permits any premises to be used for manufacturing or making beedies shall provide separate accommodation for.—

(i) the storage of beedi leaves,

(ii) the manufacture or making of beedies, and

(iii) the storage of beedies.

The accommodation provided in each case shall be such as may be considered by the Commissioner to be suitable and adequate.

7 The owner, occupier or other person in charge of or having control over the premises shall cause every part of the flooring of such premises to be paved or otherwise rendered impervious and drained to the satisfaction of the Commissioner and such flooring and drains shall, at all times be kept in good order and repair.

8 He shall provide suitable means of ventilation and lighting for every room in such premises and shall cause the same to be maintained at all times in good order and efficient action.

9 He shall cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

10 He shall provide in such premises if so required by the Commissioner or the Health Officer, latrines and water clossets in such position and of such description, size and number as the Commissioner or the Health Officer may direct for the use of persons employed therein.

11 He shall provide in such premises a sufficient and good supply of water.

12 He shall cause the said premises to be thoroughly cleaned as often as may be necessary and at least twice in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

13 He shall provide suitable covered receptacles for the deposit of all refuse matter and such receptacles shall be emptied and thoroughly cleaned at least twice in every twenty-four hours.

14 He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot limewashed to the satisfaction of the Health Officer at least twice every year in the months of April and October or more often if so required by the Health Officer.

15 He shall not cause or suffer any fire to be lighted in or on such premises. He shall not use or suffer to be used any naked lights on such premises nor shall permit any smoking therein.

16 He shall not permit or suffer any part of such premises to be used at any time for purposes of human habitation unless such part is sufficiently detached or separated from the rest of the said premises to the satisfaction of the Health Officer.

17 The license, when so required by the Health Officer, shall cause any employee engaged in the preparation, manufacture or handling of beedies in such premises to be examined and a certificate to be produced of being free from disease or infection of any kind and fit to carry on such business. The certificates shall be granted free of cost by the Medical Officers for males and Lady Doctors for females in charge of Corporation dispensaries.

112

18 He shall cease to carry on the business on the occurrence of any loathsome, infectious, contagious or dangerous disease in such premises and shall not resume the business, till the premises are completely free from the disease or the infection or the contagion as the case may be.

19 (a) He shall not carry on such business if he is a leper or suffers from an open sore or any loathsome, infectious or contagious disease.

(b) He shall not allow any leper or any person suffering from an open sore or any loathsome, infectious or contagious disease to assist him in carrying on such business or to enter any part of such premises.

20 No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose.

21 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

This license is granted to Sri/Janab.....
...(name and address)..... for the use of.....
...(insert discription of place).....
for the manufacture of beedies.

This license will expire on the.....19 .

It is subject to the conditions set forth hereunder and the bye-laws and rules of the Municipal Corpration framed under the City of Bangalore Municipal Corporation Act.

Draft Bye-laws under sub-section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949,) to provide for the Sanitary Control and Supervision of Places for the manufacture and preparation of Ice.

---

1 (*a*) No place shall be used as a place for the manufacture and preparation of ice, without previously obtaining a license therefor from the Commissioner of the City of Bangalore Municipal Corporation, on payment of a fee of Rs. 50, provided that no license will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

(*b*) Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a license. Every application shall be in the form shown in schedule

"A". Except in the case of temporary license, every application should be made not less than 15 days before the date from which the license applied for is to commence.

(c) No license shall be granted for a period exceeding one year and every license shall be granted so as to expire with the official year; provided that a temporary license for a period not exceeding one year may be granted for any special occasion and such license shall expire with the period for which it is granted.

(d) The license shall be in the form shown in schedule 'B'. Every application for the renewal of a license granted under the bye-law shall be made one month before the end of the official year.

The Commissioner may, in his discretion on the advice of the Health Officer, grant or refuse a license. When he refuses to grant a license, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

(e) The license granted under these bye-laws shall not be transferable either as regards the person to whom, or the place for which it is granted. The license shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated. The licensee's name and number shall be further exhibited on the Trade Board or Sign Board of the licensee and be shall have such a Trade Board or Sign Board.

2 No person shall use any building for manufacturing ice unless :—

(a) it is constructed of masonry ; and

(b) every part thereof is constructed of non-inflamable material.

3 Every person who has obtained from the Commissioner a license for the use of any premises as an ice factory, shall provide in such premises a sufficient supply of water from a source approved by the Health Officer in writing and shall cause such premises to be thoroughly cleaned at least twice in every twenty-four hours or more often if necessary and shall prevent any accumulation of filth or refuse therein.

4 He shall cause the flooring of every building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer. Such flooring shall be kept at all times in good order and repair.

5 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

6 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7 He shall provide such latrine accommodation for persons employed in the Factory as is approved by the Health Officer. Such latrine shall be situated outside the building used as ice factory and shall not communicate directly with it.

8 He shall cause every part of the internal surface of the walls and ceiling at every building upon such premises to be hot lime-washed at least twice in every year in the months of April and October or more often, if so required by the Health Officer.

9 He shall not use or permit or suffer any part of such premises to be used at any time for purposes of human habitation or for stabling animals.

10 He shall provide filters, storage tanks, vessels for boiling and other appliances of such design and material and capacity as may be required by the Health Officer for the purification and storage of water and he shall cause to be maintained at all times such storage tanks, boiling vessels and other appliances in a clean and sanitary condition and in good order and repair. He shall not cause or suffer any ice to be manufactured in such premises from water which has not been thoroughly filtered and purified to the satisfaction of the Health Officer. He shall not use or cause to be used any flannel, sponge or muslin or other similar material in the purification or filtration of water.

11 He shall, whenever so ordered by the Commissioner, forward to any approved or Corporation Laboratory samples of ice and water used in its manufacture at any stage in the process for chemical and bacteriological examination. He shall submit the result of every such analysis to the Commissioner, and shall also meet all expenses incurred in this behalf, whenever the results of such analysis have gone against him.

113

12 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Health Officer may, from time to time, require for the purpose of preventing any injury to any person employed therein or preventing, abating or minimizing any nuisance or annoyance to the neighbourhood or to the public.

13 No person shall spit in or upon such premises except in such receptacles or places as are provided for the purpose.

14 No leper and no person suffering from an open sore or loathsome, infectious or contagious disease shall carry on such business and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

15 Every licensee shall cease temporarily to carry on such business on the occurrence of leprosy or of any loathsome, infectious or contagious disease in his house or in the house of any person employed in or assisting in such business and he shall not sell ice made or kept therein or resume such business without the written permission of the Health Officer.

16 No dog shall be kept or permitted in any such premises.

17 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of continuing breach with fine which may extend to fifteen rupees for every day during the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day, during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

MIR SAFDAR HUSSAIN,
Commissioner.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for regulating the use of places for refining and boiling Gold or Silver, in the City of Bangalore.

---

1 (*a*) Any person using or desiring to use any place for refining and boiling of gold or silver, shall apply to the Commissioner for a licence.

(*b*) The Commissioner may either grant or refuse any such licence. When the Commissioner refuses the grant of a licence, he shall give reasons therefor and an appeal shall lie to the Corporation from such order of refusal.

(*c*) The licence shall be in the Form shown in the appended Schedule.

(*d*) It shall not be transferable either as regards the person to whom it is issued or the place for which it is granted.

(*e*) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year and may be renewed for a similar period.

(*f*) A sum of Rs. 5 per annum shall be charged for every licence.

2 Every person who has obtained a licence from the Commissioner for the purpose mentioned in bye-law No. 1, shall cause such permises to be thoroughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

3 He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and placed in suitable covered air-tight nonabsorbent receptacles to the satisfaction of the Commissioner. He shall cause all such refuse to be removed from such premises at least twice in every 24 hours and shall be disposed of in such manner as may be approved by the Commissioner.

4 He shall provide and shall cause every means of ventilation upon or in connexion with such premises to be maintained at all times in good order and efficient action so as to permit the escape of all gases, vapour, fumes, dust, or other impurities produced or generated in such permises.

5 He shall provide and shall cause to be maintained at all times in good order and efficient action all such means and appliances as are necessary for rendering innocuous all gas, vapour, fumes, dust, or other impurities emitted during any trade process either from the articles operated upon or from the contents of any receptacle upon such premises or from any source whatever connected with the trade.

6 The premises in respect of which licence is granted shall be sufficiently spacious and suitable for the purpose of the business intended to be carried on there.

7 The licensee shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed at least twice in every year in the month of April and October or more often if so required by the Commissioner.

8 He shall provide and shall cause every drain or means of drainage upon or in connexion with such premises to be maintained at all times in good order and efficient action.

9 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the prevention of inhalation of dust, dirt, gas, vapour, fumes or other impurities and for the purpose of preventing any injury to any person employed therein or preventing, abating, or minimising any nuisance or annoyance to the neighbourhood or to the public.

10 He shall not permit any part of the building in such premises to be used at any time for purposes of human habitation nor shall such building open into or on any thoroughfare or place of public resort.

11 No leper and no person suffering from any open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in bye-law No. 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

12 Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to rupees fifty and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of Licence.

This licence is granted to Sri/Janab..... name and address.....for the use of..... (insert description of place) as a.....

This licence will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye laws of the Municipal Corporation under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws framed by the City of Bangalore Municipal Corporation under clauses (16) and (34) of section 367 read with section 297 (1) of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) for regulating the grant of licenses—(1) for moulding, manufacturing and burning of bricks and (2) for digging for gravel or sand or for earth for making bricks or quarry stones in the City of Bangalore.

Part I.

Grant of Licenses for moulding, manufacturing and burning of bricks.

1 No person shall mould, manufacture or burn bricks within the Corporation limits whether for private use or for trade, without a license from the Commissioner.

2 The application for a license shall specify whether it is for private use or for trade and the premises where the business will be carried on.

3 The fee for a license to mould, manufacture or burn bricks shall be Rs 10 and Rs. 5 respectively for every lakh of bricks or part thereof, according to the bricks are manufactured and burnt for trade or private use.

4 The license shall be current for six months from the date of issue.

5 The licensee shall not keep or permit to be kept bricks or clay or other materials for the manufacture of bricks outside the said premises or on the public road or street.

tioned therein and if the licensee at any time during the period of the license desires to carry on the said trade or any operation on any additional space, he must apply for a fresh license which [if granted] will be subject to the payment of such additional or extra fee as for the time being be properly chargeable in respect thereof.

7 If the licensee proposes to vacate or give up the possession of the said premises during the period of the license, he shall forthwith inform the Commissioner that he is about to do so.

8 No other articles but bricks shall be manufactured or prepared in the said premises without a license from the Commissioner for that article.

9 The licensee shall carry out such works as may be directed by the Commissioner with a view to abate or remove any cause of nuisance.

10 The licensee shall cause this license to be affixed in some conspicuous part of the premises to which it relates.

11 The license is not transferable either as regards the person to whom or the premises for which it is granted, without the written permission of the Commissioner.

12 The licensee shall, at all times, during the continuance of this license, be responsible for the due fulfilment of all the foregoing conditions and in case of any infringement or neglect or failure on the part of the licensee or of any other person to fulfil or observe any of the said conditions, the licensee shall be liable to prosecution and the license shall be liable to be suspended or revoked.

13 The license shall also be liable to suspension or revocation if the premises are so kept or the trade or any operations connected with it is so carried on as to be, in the opinion of the Commissioner, a source of nuisance or danger to life, health or property.

Part II.

Grant of Licenses for digging for gravel or sand or for earth for making bricks or quarry stones.

1 No person shall, without a license from the Commissioner of the Bangalore Corporation, dig for gravel or sand or for earth for making bricks or quarry stone within the Corporation limits.

2 A person who has obtained a license for digging or quarrying shall fill in all the pits dug by him and shall be held responsible for properly levelling the site on which he digs or quarries in such a manner that no injury is thereby caused to public works or public health. No digging shall be allowed below the level of the nearest drain.

3 Licenses under this bye law shall be granted only to approved applicants on their depositing with the Corportion a sum of rupee one for every 100 square feet of the superficial area of the ground covered by the license as security for the proper filling in of the pits dug, and for levelling the ground.

4 In the case of a failure of a license holder to fill in the pits properly and level the ground to the satisfaction of the Corporation Engineer, the work may be carried out by the Corporation, and the cost thereof recovered from the deposit made by the license holder, the balance of which shall also be liable to be forfeited to the Corporation. Should the cost exceed the deposit amount, the excess shall be paid by the license holder or recovered from him in the manner provided in the Corporation Act for the recovery of the taxes imposed under that Act.

5 Licenses granted under this bye-law for digging or quarrying on Corporation land shall be for the official year, and a fee not exceeding annas four per 100 square feet may be charged for digging for gravel or sand and not exceeding annas two per 100 square feet for quarrying stone or for digging earth for brick-making. Licenses for digging or quarrying on private land will be granted free.

6 The Commissioner may cancel a license granted under this bye-law at any time during its currency, for a good and sufficient reason, and the license holder shall not be entitled to any compensation therefor.

7 Breach of any of these bye-laws shall render the offender liable on conviction to a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which the breach continues.

Corporation under Section 367 (8) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for the Cleansing of Latrines and Water-Closets in the City of Bangalore.

1 The provisions of this bye-law shall apply to latrines or privies belonging to or maintained for the use of any house, building or enclosure which is assessed in the Municipal books at an annual valuation of Rs. 120 and more.

2 Every latrine shall be situated in such a position as to permit of easy access for purposes of cleansing.

3 The owner or occupier of any premises to which a latrine is attached, shall cause it to be thoroughly cleansed as often as may be necessary, and at least once in every twenty-four hours.

4 (i) The owner or occupier of any premises to which a water-closet is attached shall provide such water-closet with a cistern of adequate capacity for the purpose of flushing, and so constructed, fitted and placed as to admit of the proper supply of water for use in such water-closet.

(ii) He shall provide such water-closet with a pan, basin or other receptacle of non-absorbent material and of such shape, capacity and mode of construction as to receive and contain a sufficient quantity of water and to allow all filth which may from time to time be deposited in such pan, basin or other receptacle, to fall free of the sides thereof and directly into the water received and contained in such pan, basin or other receptacle.

(iii) He shall provide such water-closet with suitable apparatus for the effectual application of water to the pan, basin or other receptacle with which such apparatus may be connected and used for the effectual flushing and cleansing of such pan, basin or other receptacle and for the prompt and effectual removal therefrom and from the trap connected therewith, of any solid or liquid filth which may from time to time be deposited therein.

(iv) In the case of hand-flush water-closets commonly called flush-out latrines, a vessel shall be kept in the closet and filled with water at all times and contents emptied into the pan as often as necessary.

5 The owner or occupier of any premises to which a latrine is attached shall not let or permit, or cause to be let, excreta or other offensive matter from such latrine into a public drain which is not intended for the conveyance of excreta or offensive matter.

6 The owner or occupier of any premises to which a latrine is attached, shall, when required by the Commissioner, provide disinfectants and other accessories for the efficient cleansing of such latrine.

7 The owner or occupier of any premises to which a latrine is attached shall cause every drain, or means of drainage upon, or in connection with such latrine, to be maintained at all times in good order and efficient action.

8 No person shall intentionally or negligently spill any filth in the removal thereof, or omit to sweep and clean carefully every place in which any such filth has been spilled, or place or set down in any public place, any filth, whether in a vessel closed or open.

9 Whoever commits a breach of any of the above bye-laws shall be punishable--

(i) with a fine which may extend to twenty rupees and, in case of a continuing breach with fine which may extend to ten rupees for every day during which the breach continues after conviction for the first breach, or,

(ii) with fine which may extend to five rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws under Sections 297 and 367 (16) and (34) of the City of Bangalore Municipal Corporation Act, 1949, (Act No. LXIX of 1949) for the Sanitary Control and Supervision of premises for the purpose of boiling paddy in the City of Bangalore.

1 No place shall be used for the purpose of boiling paddy without previously obtaining a licence therefor from the Commissioner of the City of Bangalore Municipal Corporation on payment of a fee of Rs. 50; provided that no licence will be necessary for the manufacture and

and not for sale.

2 Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a licence. Every application shall be in the form shown in schedule 'A'. Except in the case of temporary licence, every application should be made not less than 15 days before the date from which the licence applied for is to commence.

No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year; provided that a temporary licence for a period not exceeding one year may be granted for any special occasion and such licence shall expire with the period for which it is granted.

3 The licence shall be in the form shown in schedule 'B'.

Every application for the renewal of a licence granted under the Bye-law shall be made before the end of the first month of each official year.

The commissioner may in his discretion on the advice of the Health Officer grant or refuse a licence. When he refuses to grant a licence, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

4. The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place from which it is granted. The licence shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

5 Every person who has obtained from the Commissioner a licence for the use of any premises for the purpose of boiling paddy shall provide a sufficient supply of water in such premises and shall cause such premises to be thoroughly cleansed at least once in every twenty-four hours or more often if necessary and shall prevent any accumulation of filth or refuse therein.

6 He shall provide suitable means of drainage upon or in connexion with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7 He shall provide suitable means of ventilation and lighting upon or in connexion with such premises and shall adopt such practical means as may be approved by the Health Officer for the prevention of all nuisance from smoke or other effluvia arising during such boiling of paddy. He shall also maintain them at all times in good order and efficient action.

8 He shall provide suitable receptacles in suitable places for soaking paddy. He shall cause the flooring of every such place to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer. Such flooring shall be kept at all times in good order and repair.

9 He shall provide for drying paddy a platform or other suitable place provided with tiles, slabs or cement and no person shall dry paddy except on such platform or other place provided for the purpose.

10 He shall not use or permit for soaking paddy water from any source which is prohibited by the Health Officer.

11 He shall not soak or permit the soaking of paddy in water previously used for the same purpose nor shall he allow such waste water to be retained in any vessel in the premises. He shall cause such water to be disposed of in such manner as the Health Officer may direct.

12 He shall provide suitable non-absorbent receptacles for the deposit of all refuse matter in the premises and cause it to be disposed of not less than twice in every twenty-four hours in such manner as the Health Officer may direct. Unless so permitted or writing by the Health Officer such refuse shall not be deposited in any public street in dustbin.

13 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on such business and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

14 Every licensee shall cease temporarily to carry on such business on the occurrence of leprosy or of any loathsome, infectious or contagious disease in his or in the house he shall not sell any paddy or rice kept or made in such premises or resume his business without the written permission of the Health Officer.

117

15 He shall keep all rice or paddy stored or exposed for sale in such covered receptacles or places as may be approved by the Health Officer.

16 No person shall spit in or upon such premises except in such receptacles or places as are provided for the purpose.

17 Whoever commits breach of any of the above bye-laws shall be punishable.—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

No premises used for the purpose of packing, pressing, cleansing, preparing or manufacturing by any process whatever dyes shall be situated within 100 yards of any human habitation.

missioner a license for the use of any premises for the purposes mentioned above, shall cause all materials which have been received upon the said premises and which are not required for immediate use to be stored in such a manner and in such a situation as to prevent the emmission of noxious or injurious effluvia therefrom.

He shall adopt the best practicable means of rendering innocuous all vapour emitted during any process either from the articles operated upon or from the contents of any cask, tank, vat, pan or other receptacles upon the said premises.

He shall at the close of every working day cause the said premises to be thoroughly cleansed.

He shall cause every floor or pavement upon the said premises to be kept at all times in good order and repair so as to prevent the absorption of any liquid filth or refuse or any noxious or injurious matter which may fall or be deposited thereon.

He shall cause the drying ground and all the ground surface of the said premises to be kept smooth and free from hollows or inequalities so as to prevent any accumulation of liquid filth or refuse.

He shall cause every drain or means of drainage upon or in connection with the said premises to be maintained at all times in good order and efficient action.

He shall cause every part of the internal surface of the wall and the ceiling of every building upon the said premises to be limewashed to the satisfaction of the Commissioner twice every year or oftener if so required.

He shall not permit or suffer any building upon the said premises in which dyes are stored or kept to be used for human habitation.

He shall cause all refuse or other matter which may have fallen or been deposited upon any part of the said premises to be collected and deposited in suitable receptacles or places to the satisfaction of the Commissioner.

He shall cause every such means of ventilation and lighting as may be provided in or in connection with the said premises to be maintained at all times in good order and efficient action.

He shall provide in such premises an adequate supply of pure and wholesome water.

Any person offending against any of these bye-laws shall be punishable,

Penalty—

(a) with fine which may extend to fifty rupees, and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

II. Bye-Laws Under Section 367 (24) of the City of Bangalore Municipal Corporation Act LXIX of 1949 for the Prevention of Sale or Exposure for Sale of Unwholesome Articles of Food.

Prohibition against sale of articles of food, intended for human consumption without obtaining sanitary certificate—

1. No person shall without or otherwise than in conformity with a sanitary certificate from the Health Officer or other officer appointed by the Commitsioner (a) use any place in the City for the preparation, storage or sale of articles intended for human consumption or (b) carry on within the City the trade or business of a dealer in or seller or hawker of such articles.

Application for sanitary certificate to be made to the Health Officer. Sanitary certificate to be granted free for hawkers but they should wear badges—

2. Application for the sanitary certificate shall be made to the Health Officer or other officer appointed by the Commissioner in the first month of every official year or in the case of a place to be newly opened, one fortnight before the opening of such place and such a certificate may be refused or granted either conditionally or upon conditions laid down by the Health Officer or other officer appointed by the Commissioner. The sanitary certificate shall in the case of hawkers be supplemented by a badge No fees shall be charged for a sanitary certificate but a nominal fee shall be charged for the badge to cover its cost. Such a certificate is not necessary in the case of places coming under the purview of Section 297 of the City of Bangalore Municipal Corporation Act, 1949.

Articles intended for sale or kept for sale for human consumption to be inspected by the Commissioner and other such officer of the Corporation—

3. Every place where articles intended for human food are manufactured, prepared or stored, packed or cleansed or kept for purposes of sale or sold shall be subject to the control of the Commissioner and other officers of the Corporation and to their inspection at any time, day and night and no man shall prevent or obstruct such inspection.

Articles for sale for human food should not be unwholesome and not to be kept alongside any open drain or sewer—

4. No person shall keep or expose for sale any article intended for human food which is unwholesome or unfit for human consumption nor shall any such article be kept in exposed for sale over or alongside any open drain.

Articles for sale for human consumption should be kept uncontaminated—

5. Eevery place where articles intended for human food are exposed for sale or kept for the purpose of sale shall always be kept in a clean and sanitary condition.

6. Every person dealing in meat, fish or other provisions intended for human consumption shall adopt such measures to avoid deterioration of such articles and prevent contamination in any manner whatsoever of such articles as shall be prescribed by the Commissioner or the Health Officer.

Articles of food not to be stored in rooms where persons sleep or reside—

7. No person shall store for the purpose of sale meat, fish, milk, ghee or any such other articles of food as are likely to absorb noxious gases or vapours in any room or place in which persons sleep or reside or where animals are kept or in any room or place opening directly into a place where animals are kept or which communicates directly with a latrine.

8. No person shall transmit any article of food intended for sale and likely to be contaminated in the process of transmission, except in such manner as shall prevent all reasonable chances of contamination.

Articles of food not to be sold by persons affected with infectious disease—

9. No person who is suffering from any infectious or contagious disease or from leprosy or open sores shall be engaged in the sale of articles of food intended for human consumption.

10. Any person offending against any of these bye-laws shall be punishable—

Penalty—

(a) with fine which may extend to fifty rupees, and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-Laws framed by the City of Bangalore Municipal Corporation under clause (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for Regulating the use of Places for Gilding or Electro-Plating in the City of Bangalore.

1 (a) Any person using or desiring to use any place for gilding or electro-plating, shall apply to the Commissioner for a licence.

(b) The Commissioner may either grant or refuse any such licence. When the Commissioner refuses the grant of a licence, he shall give reasons therefor and an appeal shall lie to the Corporation from such order of refusal.

appended Schedule.

(d) It shall not be transferable either as regards the person to which it is issued or the place for which it is granted.

(e) No licence shall be granted for a period exceeding one year and every license shall be granted so as to expire with the official year and may be renewed for a similar period.

(f) A sum of Rs. 5 per annum shall be charged for every licence.

2 Every person who has obtained a licence from the Commissioner for the purpose mentioned in bye-law No. 1, shall cause such premises to be throughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

3 He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and placed in suitable covered air-tight non-absorbent receptacles to the satisfaction of the Commissioner. He shall cause all such refuse to be removed from such premises at least twice in every 24 hours and shall be disposed of in such manner as may be approved by the Commissioner.

4 He shall provide and shall cause every means of ventilation upon or in connexion with such premises to be maintained at all times in good order add efficient action so as to permit the escape of all gas, vapour, fumes, dust, or other impurities produced or generated in such premises.

5 He shall provide and shall cause to be maintained at all times in good order and efficient action all such means and appliances as are necessary for rendering innocuous all gas, vapour, fumes, dust, or other impurities emitted during any trade process either from the articles operated upon or from the contents any receptacle upon such premises or from any source whatever connected with the trade.

6 The premises in respect of which licence is granted shall be sufficiently spacious and suitable for the purpose of the business intended to be carried on there.

7 The licensee shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed at least twice in every year in the months of April and October or more often if so required by the Commissioner.

8 He shall provide and shall cause every drain or means of drainage upon or in connexion with such premises to be maintained at all times in good order and efficient action.

9 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the prevention of inhalation of dust, dirt, gas, vapour, fumes or other impurities and for the purpose of preventing any injury to any person employed therein or preventing, abating, or minimising any nuisance or annoyance to the neighbourhood or to the public.

10 He shall not permit any part of the building in such premises to be used at any time for purposes of human habitation nor shall such building open into or on any thorough fare or place of public resort.

11 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in bye-law No. 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

12 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to rupees fifty and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipts of notice from the Commissioner to discontinue such breach.

SCHEDULE.

The license shall be in the form shown in the Schedule appended to this Bye-law.

(*b*) No license shall be granted for a period exceeding one year and every license shall be granted to as to expire with the financial year; provided that a temporary license for a period not exceeding one year may also be granted and such license shall expire with the period for which it is granted.

(*c*) Every application for the renewal of a license granted under this bye-law shall be made before the first month of each financial year.

(*d*) The Commissioner may, in his discretion, on the advice of the Health Officer, grant or refuse a license. When he refuses to grant a license, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

(*e*) The license granted under this bye-law shall not be transferable either as regards the person to whom, or the place to which, it is granted. The license shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

2. Every person, who has obtained from the Commissioner a license for the use of any premises for the purpose of washing soiled clothes or keeping soiled clothes for the purpose of washing them or keeping washed clothes shall provide a sufficient supply of water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary, and at least once in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

3. He shall store soiled and washed clothes in separate rooms or places in such premises.

4. He shall not wash or permit to be washed soiled clothes in any source of water-supply. Water necessary for the purpose shall be drawn from the source of water-supply. The water used for washing clothes shall be prevented from entering any source of water-supply and shall be removed and disposed of in a manner approved by the Commissioner.

5. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed at least twice in every year in the months of April and October or more often if so required by the Commissionor.

6. He shall cause the flooring of every building and the washing platforms and stands in such premises to be paved or otherwise made impervious to the satisfaction of the Commissioner. Such flooring and platforms and stands shall be kept at all times in good order and repair.

7. He shall provide suitable means of drainage upon in or connection with such premises and shall cause the same to be maintained at all times in good order and efficient action

8. He shall provide suitable means of ventilation and lighting upon or in connection with such premises, and shall cause the same to be maintained at all times in good order and efficient action.

9. He shall at all times adopt and cause to be maintained in good order and efficient action upon the said premises all such appliances and means in connection with such business as the Commissioner may from time to time require.

10. He shall not permit or suffer any room or place in such premises in or upon which any of the said articles is stored or kept, to be used at any time for purposes of human habitation.

11. He shall not knowingly take or cause to be taken soiled clothes from a house where there is a dangerous loathsome or infectious disease nor shall the owner or occupier of any such house knowingly give clothes to him to be washed until after the said house and clothes have been previously disinfected to the satisfaction of the Commissioner.

12. No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business of a washerman or be employed in or assist in the carrying on of such business.

13. Every license shall cease temporarily from carrying on his profession on the occurrence of leprosy or of any loathsome, infectious or contagious disease in such premises and he shall not resume his profession until such premises have been declared to be free from infection by the Commissioner.

14. On the occurrence of leprosy or of any loathsome, infectious or contagious disease in his premises, he shall retain all clothes in his possession until the written permission of the Commissioner has been obtained to return them to their owners.

15. He shall at once report to the Commissioner all cases of dangerous disease coming to his notice.

16. Whoever commits a breach of any of the above bye-laws shall be punishable,—

(a) with fine which may extend to fifty rupees, and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of License Issued under the Bye-laws of the City of Bangalore Municipal Corporation.

This License is granted to Sri/Janab..... (Name and address) for the use of..... (Insert description of place) for washing soiled clothes and keeping soiled clothes for the purpose of washing them and keeping washed clothes.

The license will expire on the.....

It is subject to the conditions set forth in the bye-laws and rules of the Municipal Corporation framed under the City of Bangalore Municipal Corporation Act.

Bye-laws framed by the City of Bangalore Municipal Corporation under clause (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act LXIX of 1949) to provide for the sanitary control and supervision of places used for any of the purposes specified in Schedule V and of any trade or manufacture carried on therein.

General Provisions.

1. Every application to the Commissioner for a license to use any premises for any of the purposes mentioned in Schedule V to the Act, [i] shall be in writing, [ii] shall state the use to which the premises are intended to be put, and (iii) if so required by the Commissioner, shall be accompanied by a plan of the premises. He shall also furnish such other details and information in respect of the said premises as may be called for by the Commissioner.

2. Every owner of any premises used for any of the said purposes, shall furnish to the Commissioner whenever required a statement in writing containing the name of the person, or if more than one, of each of the persons occupying the said premises, or using the same, for any of the purposes aforesaid.

3. Every licensee shall at all reasonable times afford free access to every part of the premises to the Commissioner, Health Officer, Assistant Health Officer, Sanitary Inspector or such other officer, of the Corporation as is specially appointed by the Commissioner for the purpose of inspecting the premises or any process connected with any trade or manufacture carried on therein.

4. The licensee shall hang up in a prominent place in the premises, the license issued by the Commissioner under Section 297 to use the premises for any of the said purposes and also a copy of the bye-laws relating thereto.

5. The licensee shall maintain in the premises an inspection book and make it available at all times to the inspection officer during business hours.

6. The instructions given in the inspection book shall be carried out within the time specified therein provided that such instructions are not in conflict with the provisions of the Act or the rules or bye-laws made thereunder.

7. Whoever commits a breach of bye-laws 2 to 6 shall be punishable—

(a) with fine which may extend up to rupees fifty and in the case of a continuing breach with fine may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

The following bye-laws adopted by the Municipal Corporation of the City of Bangalore under Clause (13) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, for the regulation of hotels, boarding houses, rest-houses, restaurants, eating houses, cafes, refreshment rooms, coffee houses and any premises to which the public are admitted for the consumption of any food or drink.

---

1 No place within the municipal limits of the City of Bangalore shall be used as hotel, boarding house, rest-house, restaurant, eating house, cafe, refreshment room, coffee house or premises to which the public are admitted for the consumption of any food without a licence from the Commissioner or other officer appointed by him in this behalf and such licence shall remain in force from the date on which it is granted until the 31st March following and may be renewed every year. Provided that a temporary licence for a period not exceeding one month may be granted for any special occasion, and such licence shall expire with the period for which it is granted.

2 (a) Application for a licence with the necessary fee shall be made not less than 30 days before the date for which the licence applied for is to commence.

(b) Application for the renewal of a licence granted under these bye-laws shall be made with the necessary fee not later than one month before the expiry of the period for which the licence is granted.

(c) Every such application shall be in the form shown in Schedule 'A'.

3 (a) The Commissioner may, in his discretion, on the advice of the Health Officer, grant or refuse to grant a licence. When he refuses to grant a licence he shall give reasons therefor, and an appeal shall lie to the Health Committee for such an order of refusal.

(b) The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place to which it is granted.

(c) The licence shall be affixed in a conspicuous place to which it pertains with the name and residential address of the licencee correctly stated.

(d) The licence shall be in the Form shown in Schedule 'B' and the licence fees as shown in Schedule 'C' shall be payable in advance yearly commencing from the first day of April.

4 (i) Every person who has obtained from the Commissioner a licence under Bye-law No. 1 above, shall be

held responsible for all acts done by his agents or servants in connection with the business for which the licence has been obtained.

(ii) Where the holder of any licence under Bye-law No. 1, has employed any person or persons to be in charge of the place for which such licence is granted, such person or persons shall also be responsible for due observance of all the conditions prescribed by those bye-laws.

5 Premises for any of the purposes mentioned in Bye-law 1, shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of inflammable materials. The roofing shall be plain and ratproof.

6 Every such premises shall contain suitable and separate accommodation for the preparation, storage and service of food.

7 The walls of the premises shall be rendered impervious to water by cement plastering or otherwise up to a height of four feet from the ground level, and the rest of the said walls shall be plastered with chunam.

8 The floor shall be either cemented or paved with Cuddapah slabs with cement pointing and sufficient drainage shall be provided.

9 He shall cause every drain by means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action. No cess-pools should be permitted on the premises. If sewers exist, they should be properly trapped.

10 He shall provide in such places as may be approved by the Health Officer suitable washing platforms having impervious surface.

11 He shall provide sufficient latrine accommodation as required by the Commissioner. Every latrine, privy or urinal on the premises shall be kept clean and thoroughly disinfected daily and the night-soil shall always be covered with ashes or earth and removed daily. Where facilities are available, flush latrines should, as a rule, be provided.

12 He shall provide suitable means of ventilation and lighting upon or in connection with every room in such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall provide in every place set apart for the manufacture or preparation of food suitable smoke outlets and shall cause the same to be maintained in good order and efficient action.

14 The premises will have water connection from the public main and such connection and all fittings thereof shall be kept in proper order and efficient action so as to provide for use on the premises sufficient supply of water for the purpose of business and for thoroughly washing and cleansing such premises. Only water from this source shall be used for all purposes connected with the business. If water has to be stored, it shall be stored only in a metallic tank fitted with a tap and covered at the top with a tight fitting metallic lid and placed four feet above the ground level. In case there is a well, it should conform to sanitary principles and its mouth should be covered and fitted with a pump.

15 Where furniture is required or provided for the convenience of customers, he shall cause the surface of every table, bench or board on which food is served to be made of marble or polished stone or slab or similar non-absorbent material and shall cause the same to be kept clean at all times.

16 He shall provide suitable covered receptacles for the deposit of all refuse matter and such receptacles shall be emptied and thoroughly cleansed at least twice in every twenty-four hours.

17 He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot lime-washed to the satisfaction of the Health Officer at least four times in every year in the months of January, April, July and October or more often if so required by the Health Officer.

18 He shall not use or cause to be used in the manufacture, preparation, storage or distribution of any article of food, any vessel or utensil which is likely to get corroded or to give a metallic or other unwholesome taste or in any way deleteriously affect the quality of such article of food.

19 He shall cause the said premises to be thoroughly cleansed as often as may be necessary and at least twice in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

20 Every cup, plate, knife, fork, spoon or other such article used in the distribution or consumption of food shall, after being used by any person, be thoroughly cleansed in clean water and steamed or immersed in boiling water for not less than ten minutes before it is allowed to be used by any other person.

21 All provisions or materials used for the purpose of the business shall be good and wholesome, and adulterated provisions or materials shall not be used. Provisions not required for immediate use shall be stored in closed bins made of galvanised iron or other metallic receptacle suitably protected against chemical action which shall be kept in stone benches fixed 1½ feet away from the walls and shall not be allowed to lie open on the floor.

22 No foodstuff of any sort which is stale, unwholesome, offensive or in any way unfit for human consumption in the opinion of the Health Officer, shall be stored, served, sold or exposed for the sale in the premises.

23 (i) Dried fruit, cut slices of fruit, cooked food and all other articles of food or drink kept ready for human consumption in the premises shall be stored or exposed for sale in such a manner as completely to protect them from dust, effluvia, flies or other vermin.

(ii) Such articles, when exposed for sale, shall be kept in clean vessels or plates made of glass or metal covered with enamel or tin lining, placed in glass cases provided, if necessary, with a fly-proof wire gauze at the top for ventilation.

(iii) No such articles shall be touched by hand and clean spoons or other accessories shall be used for serving them.

(iv) All papers or leaves used for wrapping articles of food shall be clean and stored in a clean rack or box.

24 He shall not store any article of food intended for human consumption in any way which is likely to permit the absorption of noxious gases or vapours, nor in any room or place opening directly into a place where persons sleep or reside or where animals are kept or which communicates directly with a latrine.

25 He shall not transmit any article of food intended for sale except in such manner as shall prevent all reasonable chances of contamination.

26 He shall not permit or suffer any part of any building in or upon such premises to be used at any time for purposes of human habitation unless such building is sufficiently detached or separated from the rest of the said premises to the satisfaction of the Health Officer.

27 The licencee shall allow only servants who are dressed in clean clothes to attend on the customers. Servants employed in the manufacture or handling of any article shall wear an apron or any other clean clothes.

28 The licencee shall forthwith report to the Health Officer any case or dangerous, infectious or contagious disease occurring on the premises.

29 The licensee shall, when so required by the Health Officer, cause any employee engaged in the preparation and distribution or handling of any article of food in such premises to be examined and a certificate to be produced of being free from disease or infection of any kind and fit to carry on such business.

30 He shall cease to carry on the business on the occurrence of any loathsome, infectious or contagious disease in such premises or in his house or the house of any person employed in or assisting in such business, and shall not sell any articles of food prepared in such premises or resume such business without the written permission of the Health Officer.

31 No person suffering from an open sore or any loathsome, infectious or contagious disease or who has recently been in attendance on a person suffering from such disease shall carry on such business or be employed in or assist in carrying on such business in such premises or be allowed to enter any part of such premises.

32 (i) No person shall be employed in or in connection with any business carried on in any place licensed under Bye-law No. 2, for which a license under Bye-law No. 1 is necessary unless he produces a certificate from the Health Officer, Assistant Health Officer or Medical Officer not below the rank of an Assistant Surgeon or a Registered Medical Practitioner, showing that he is free from any contagious, infectious or loathsome disease. He should not be a carrier of intestinal diseases, *viz.*, typhoid, para-typhoid A or B, cholera and dysentery. After every serious illness, the must produce a certificate that he is not infectious.

(ii) Such a certificate shall be produced—

(a) at the time of first employment;

122 (b) subsequently at the beginning of every official year on or before April the 15th;

(c) before re-employment after any illness involving discontinuance of employment.

(iii) No person who has failed to comply with any of the above requirements shall be employed or continue to be employed in or in connection with the business.

33 No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose.

34 No dog or cattle should be permitted or stabled permanently or temporarily in or any part of such premises.

35 Whenever arrangements are made on the premises for broadcasting or for the playing of gramophones with or without pick and loud-speakers arrangement, care shall be taken to prevent an unreasonable amount of noise being caused in the neighbourhood so as to occasion annoyance or discomfort to the owners or occupiers of houses in the vicinity.

36 No impediment or encroachment should be made on the foot-path or road by placing thereon benches, tables, soda-water bottle boxes or any other articles for the use of the shop-keeper or his customers.

37 He shall fix or cause to be fixed in a conspicuous place in such premises a board stating the purpose for which such premises is intended and the hours of its working.

38 He shall keep in such premises a book in which customers or Inspecting Officers may enter their remarks or note their complaints and such book shall be open to inspection by any inspecting officer of the Health Department of the Corporation.

39 It shall be competent for the Commissioner, the Health Officer, any Health Inspector or other Officer of the Corporation authorised in writing in this behalf by the Commissioner to enter into any place used for any of the purposes specified in Bye-law No. 1, between 6 A.M. and 5 P.M. or at any other time while such place is kept open for business to inspect the premises, provisions, articles of food or drink, all utensils and furniture on the premises and to take samples of any provisions, any articles of food or drink manufactured or kept for sale therein. Samples so seized may be subjected to chemical or other examination.

40 It shall be competent for the Commissioner, the Health Officer or any Health Inspector to remove or cause to be removed forthwith from such place any article of food or drink which, in their opinion, is stale, unwholesome, offensive or unfit for human consumption besides prosecuting the licensee for violating the Bye-laws.

41 Whenever the Commissioner or the Health Officer is satisfied on personal inspection or on a report of inspection, he may, instead of recommending the prosecution of the licensee, issue to him in writing such directions as he may deem necessary for securing proper compliance with these bye-laws or in the interests of public health and the licensee shall forthwith comply with such directions.

42 The Commissioner may suspend or completely revoke any licence granted under the Bye-law in respect of any place on grounds of public health or safety or where any of the conditions specified in the bye-laws are not being strictly observed; provided that such suspension or revocation of the licence shall not be deemed to exempt the licensee or any other person from liability to prosecution under these bye-laws, and provided further that such suspension or revocation shall be made only after an opportunity is given to the licensee to show cause in the matter.

43 Where licences have been suspended or cancelled or refused, the Commissioner or any other person authorised by him may seize and detain articles of food or drink and vessels, utensils, etc., used for manufacturing, preparing or keeping such articles of food or drink, and close down and lock the premises. Articles so seized may be destroyed or disposed of in any manner the Commissioner may deem fit.

44 (a) Whoever uses any place for any of the purposes mentioned in Bye-law No. 1 above without obtaining a licence as required by the said Bye-law or after the licence has been revoked or suspended, shall be liable on conviction to a fine not exceeding Rs. 50 for the first day of the offence and not exceeding Rs. 10 for every succeeding day of the repetition of the offence.

(b) Whoever having been previously convicted of an offence under clause (a) of this bye-law uses any place for any of the purposes mentioned in Bye-law No. 1 without obtaining a licence as required by the said Bye-law shall be liable on conviction to a fine not exceeding Rs. 200.

(c) Any infringement of these bye-laws not provided for in clause (a) shall be punishable with a fine not exceeding Rs. 50.

The following bye-laws adopted by the City of Bangalore Municipal Corporation under clause (13) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for the regulation of hotels, lodging houses, boarding houses, choultries, rest-houses, emigration depots or any premises to which the public are admitted for repose.

1 No place within the municipal limits shall, unless it has been duly licensed by the Commissioner, be used by any person as a hotel, lodging house, boarding house, restaurant, choultry, rest-house, emigration depot or a place to which the public are admitted for repose or where they are received and provided with sleeping accommodation, with or without food on payment.

2 (1) Application for such licence shall—

(*a*) be made to the Commissioner in such form as may be laid down by him from time to time at least one month before the premises are opened to the public; and

(*b*) be accompanied by a plan in duplicate showing the dimensions and the purpose or purposes for which each room and place in the premises is proposed to be used.

(2) The applicant shall also furnish such further or other particulars, as he may be required to do by the Health Officer or by the Commissioner.

3 (1) The Commissioner shall refuse to grant the licence if in his opinion—

(*a*) the premises are unsuitable for the purpose specified in the application, or

(*b*) the applicant is not a suitable person to be in charge thereof.

(2) In cases not falling under clause (1), the Commissioner may grant a licence subject to such conditions and restrictions (to be specified in the licence) as he may think fit.

4 Every licence issued under these bye-laws shall expire at the end of the financial year for which it is granted unless for special reasons the Commissioner considers that it should expire at an earlier date.

5 Application for the renewal of a licence shall be made to the Commissioner not later than the 1st March of the year preceding that in respect of which the renewal is applied for and shall be in such form as may be laid down by the Commissioner from time to time.

6 Where a licence is granted, it shall specify the maximum number of persons allowed in respect of the premises as a whole. One copy of the plan submitted with the application shall be returned to the applicant together with the licence and there shall be marked on such copy the number of persons allowed for each room.

7 The Commissioner may, at any time after the grant of a licence, reduce the maximum number of lodgers specified therein if, in his opinion the available space in the premises has, since such grant been reduced or if the sanitary conditions thereof have since deteriorated. Where any such reduction is effected, the fact of such reduction shall be communicated to the licensee or his agent or other person carrying on the business on behalf of the licensee and on receipt of such communication by the licensee, agent or other person, the original licence shall be deemed to have been altered for the remaining period as if the reduced figures were substituted for the original figures. The licensee, agent or other person aforesaid shall produce the licence and the plan annexed thereto to the Commissioner or other officer of the Corporation appointed by the Commissioner in this behalf and the reduced figures shall be substituted in the place of the original figures in the licence.

8 The Commissioner may, at his discretion, on application made by the licensee or his agent or other person carrying on the business on behalf of the licensee and on payment of the requisite fee, increase the maximum number of lodgers specified in the licence if in the opinion of the Commissioner the available space in the premises has, since the grant of the licence, been increased or if the sanitary conditions of the premises have since been improved. Where any such increase is sanctioned, the fact of such increase shall be communicated to the applicant who shall thereupon produce the original licence and the plan annexed thereto, to the Commissioner or other officer of the Corporation appointed by the Commissioner in this behalf and the figures shall then be substituted, in the place of the original figures in the licence.

9 The licensee shall not at any time receive or allow to be received into the licensed premises or into any room or part thereof a greater number of persons than the number specified in the licence and in the plan annexed thereto.

10 Premises used for any of the purposes mentioned in bye-law 1, shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of inflammable materials.

11 Every part of the flooring of the licensed premises shall be paved or otherwise made impervious and drained to the satisfaction of the Commissioner, and such flooring shall at all times be kept in good order and repair.

12 The licensee shall provide suitable means of ventilation and lighting upon or in connexion with such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall cause every drain or means of drainage upon or in connexion with such premises to be maintained at all times in good order and efficient action.

14 He shall, when such premises are intended for the use of both sexes, provide and maintain separate and suitable sleeping accommodation for the use of persons of either sex.

15 He shall provide in such premises latrines and water-closets in such position and of such description, size and number as the Commissioner may, from time to time, direct for the separate use of persons of each sex.

16 He shall cause the seat, floor and walls of every water-closet and latrine in such premises to be thoroughly cleansed from time to time and as often as may be necessary for the purpose of keeping such seat, floor and walls in a clean and wholesome condition.

17 He shall cause every part of the structure of every latrine and water-closet in such premises to be maintained at all times in good order and every part of the apparatus of such latrine or water-closet and every drain or means of drainage leading therefrom to be maintained at all times in good order and efficient action.

18 He shall—

(*a*) provide in such premises a sufficient and good supply of wholesome water, and

(*b*) cause such premises to be thoroughly swept, washed and cleansed at least once in every 24 hours at such hours as may from time to time be fixed by the Health Officer or Assistant Health Officer and shall prevent any accumulation of filth or refuse therein except in the covered receptacle referred to in bye-law 22.

19 He shall cause every window of every room in such premises which may be appointed for use and occupation as a sleeping apartment to be opened and to be kept fully open for one hour at least in the forenoon and one hour at least in the afternoon of every day except when the state of the weather is such as to render it necessary that the window should be closed or when any bed in such room may be occupied by any lodger in consequence of sickness or for other sufficient cause.

20 He shall provide the rooms, if any, used for the preparation of articles of food and drink with suitable smoke outlets and shall cause the same to be maintained at all times in good order and efficient action, and shall not at any time cause or suffer any room which may be appointed for use as a kitchen to be used or occupied as a sleeping apartment.

21 He shall provide in such premises suitable bathing places for the separate use of each sex using such premises.

22 He shall provide suitable air-tight, non-absorbent covered receptacles in suitable place in such premises for the deposit of all filth or refuse and shall cause all such receptacles to be emptied twice at least every day before the hour of 7 in the forenoon and 2 in the afternoon or at such other hours as may from time to time be fixed by the Health Officer or Assistant Health Officer and shall once at least in every day cause vessel, utensil or other receptacle for such filth or refuse to be thoroughly cleansed.

23 He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot lime-washed to the satisfaction of the Healh Officer or the Assistant Health Officer twice at least in every year in the months of April and October or more often, if so required by the Health Officer or Assistant Health Officer.

24 He shall make no material structural alterations in the premises without the previous sanction of the Commissioner.

25 The licensee shall not at any time permit or suffer any room in such premises to be occupied by a larger number of persons than that specified in the licence or than that which is arrived at by calculating at the rate of a superficial area of not less than 40 square feet and cubic space of not less than 400 cubic feet per person. Two children under ten years of age shall be counted as one adult for the purpose of this bye-law.

26 He shall put up in each room in such premises a board notifying the dimensions thereof and the maximum number of persons permitted to lodge therein.

27 The licensee shall immediately on knowing that any person in such premises is suffering from any infectious, contagious or dangerous disease, adopt such precautions as may be necessary to prevent the spread of infection.

28. He shall give or cause to be given immediate notice to the Health Officer, Assistant Health Officer or the Divisional Health Inspector, of the occurrence of such disease in such premises, or whenever any person has been removed therefrom in consequence of his suffering from such disease the address to which such patient is removed.

29 He shall not at any time, while such person is suffering from such disease, cause or allow any other person except the wife or husband or any other relative of such person, voluntarily in attendance on him, to use or occupy the same room as the patient.

30 Where the Health Officer or Assistant Health Officer orders the removal of such person to a hospital or other place for the reception and treatment of such persons, the licensee or the person in charge of such premises or having control thereof on being informed of such order, shall forthwith take all such steps as may be requisite on his part to secure the safe and prompt removal of such person with the order of the Health Officer or Assistant Health Officer and shall adopt all such precautions in accordance with any instructions which he may receive from the Health Officer, Assistant Health Officer or the Divisional Health Inspector as may be most suitable in the circumstances of the case.

31 Where in consequence of the illness of such person there may be reasonable grounds for apprehending the spread of infection through the admission of lodgers to any room or rooms in such premises or through the admission to such room or rooms of the maximum number of persons authorised to be received therein, the licensee after being furnished with the necessary instructions from the Health Officer or Assistant Health Officer and until the grounds for apprehending the spread of infection shall have been removed, shall cease to receive any person in such room or rooms, or shall receive therein such number of persons baing less than the maximum number as the exigencies of the case may require.

32 The licensee shall, immediately after the death, removal or recovery of any person who may have been ill of any infectious, contagious or dangerous disease, give written notice to the Health Officer, Assistant Health Officer or the Divisional Health Inspector, and shall as soon as possible, cause every part of the room which may have been occupied by such person to be thoroughly disinfected and cleaned and shall also cause every article in such room which may be liable to retain infection to be in like manner disinfected and cleaned unless the Health Officer or the Assistant Health Officer shall have ordered the same to be destroyed.

124

33 He shall comply with all the instructions of the Health Officer or Assistant Health Officer as to the proper cleansing and disinfecting of the room and articles therein.

34 When the same shall have been thoroughly disinfected and cleansed in accordance with such instructions, he shall give written notice thereof to the Health Officer, Assistant Health Officer or to the Divisional Health Inspector and unless and until by such cleansing and disinfection the necessary precautions for preventing the spread of disease shall have been duly taken and unless and until permitted by the Health Officer, the licensee shall not cause or suffer any person to be received into such room.

35 He shall give or cause to be given notice to the Health Officer or Assistant Health Officer, the Health Inspector on the occurrence of any birth, death or dangerous accidents in such premises.

36 He shall put up a signboard in English, Tamil, Kanarese and Hindustani at the main entrance to the premises showing the purpose for which the premises are intended or used and indicating the number of the licence granted in respect thereof and also whether it is licensed for the reception of female visitors or lodgers.

37 He shall put up in a conspicuous place in such premises a copy of these bye-laws and of any others relating to the regulation and control of such premises and shall not at any time conceal, deface, alter, obliterate or destroy any portion of the contents of such bye-laws.

38 He shal keep in such premises a book in which lodgers may enter their remarks or note their complaints and such book shall be open to inspection by any officer of the Corporation.

39 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall—

(*a*) be received or allowed to be received in the premises or any portion thereof, or

(*b*) be permitted to enter or occupy the premises or any portion therein, or

(*c*) be employed in the business or assist in carrying on the same.

40 The licensee shall, when so required by the Health Officer or Assistant Health Officer, cause any employee engaged in such premises to be examined and a certificate to be produced of being free from disease or infection of any kind and fit to carry on or assist in the business. The certificate shall be given free of charge by the Corporation Medical Officers.

41 No cattle shall be kept or allowed to be kept within the licensed premises.

42 No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose.

43 The licensee shall—

(*a*) reside in the premises or keep an agent approved by the Commissioner resident therein;

(*b*) at all times of the day or night when required by the Commissioner, Health Officer, Assistant Health Officer, or by any person authorized in writing by the Commissioner in this behalf, give free access to the premises and suffer inspection of the same or any part thereof and carry out within a reasonable time any written directions given by the inspection officers of the Corporation; and

(*c*) maintain a register showing therein the number and names of visitors or lodgers; the rooms occupied, the period of occupation, the charges recovered from them, the full address of the place of destination and such other information as may from time to time be specified by the Commissioner.

44 The Commissioner may, if he considers such action necessary, revoke, suspend or cancel a licence on grounds of public health and safety or if any one or more of the conditions or restrictions of the licence or of any provision contained in these bye-laws are infringed, irrespective of whether the offender has been prosecuted and convicted or not.

45 Whoever commits a breach of any of the bye-laws 1 and 9 to 43, shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Section 367 (34) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for providing latrines, privies and drains in private houses and buildings and use of public latrines, urinals and dust bins, etc., in the City of Bangalore.

Latrines, Privies and Drains.

1. The provisions of this bye-law shall apply to latrines or privies or drains belonging or maintained for the use of any house, building or enclosure which is assessed in the Municipal books at an annual valuation of Rs. 120 and more.

2. Every place other than a water-closet or bath-room situated within any house, building or enclosure, and habitually used for the purpose of nature or for keeping human excreta shall be considered to be a latrine within the meaning of this bye-law.

3. Every latrine shall be in conformity with the Municipal standard design or of such other pattern and size as may be approved of by the Commissioner.

4. Every latrine shall be placed in such a position as to permit easy access for the purpose of cleaning :

Provided that any existing latrine, which, in the opinion of the Commissioner, has been erected on sanitary lines or is capable of being made sanitary at a reasonable cost, shall not be required to be re-constructed in accordance with the standard design.

5. The floor of every latrine shall be made of cement or of stone slabs pointed with cement laid on a bed of concrete, three inches thick, and shall be so sloped, drained and constructed as to carry away the fluid with facility into the drain, without its being retained on its surface or soaked into the floor, ground, plinth or walls of the latrine.

6. Every latrine shall be provided with a seat or platform so made as to compel the excreta to fall entirely into a suitable pan or receptacle of sufficient capacity placed beneath it.

7. Every latrine shall be provided with a pan or receptacle made of iron or of such other material as may be approved of by the Commissioner, and such receptacle shall not be cracked, broken, perforated, rotten or pervious to fluid.

8. In the case of servants' latrines, the floor shall not be lower than one foot and six inches above the ground level.

9. In servants' latrines attached to dwelling houses, a separate receptacle shall be kept for the deposit of the excreta from bath-rooms. The receptacle shall be of a sufficient capacity and made of such design and material as may be approved by the Commissioner and it shall be provided with a properly fitting cover.

10. Occupiers shall be responsible that all movable receptacles for latrines are tarred, kept in good order and renewed when required.

11. The walls of every latrine shall be plastered on the inside with cement or otherwise rendered impervious to uid to a height of two feet from the floor.

12. Every latrine shall be provided with a separate entrance if required by the Commissioner, for the entry of scavengers for the purpose of conservancy.

13. Every latrine shall be provided with a U-shaped cemented drain sufficiently large, well-laid and watertight to prevent its contents from overflowing or stagnating or soaking into the ground. Such drains shall terminate with an iron pipe so that the contents of the drain may fall directly into a receptacle or a Municipal drain or connected to sewer. The drains thus constructed shall be to the satisfaction of the corporation authorities.

14. All such drains shall be so constructed as to discharge their contents in a proper manner,

(1) into a Municipal drain approved by the Commissioner for the purpose, or

(2) into a movable receptacle or bucket kept in the cistern constructed at the extremity of the drain as shown in the design.

15. All drains emerging from any house, building or enclosure and passing down the external surface of plinths or walls facing any public street shall consist of pipes or be covered with masonry.

16. All drains for the removal of fluid from bath-rooms, cooking rooms, sculleries, mills and factories shall be sufficiently large, well laid and water-tight to prevent their contents from overflowing, stagnating or soaking into the foundation, floor, plinth or wall of any dwelling house; and no such drain shall discharge into any street, or into any drain or water channel except such as the Commissioner shall have notified as being set apart for the purpose.

Dust Bins.

17. No rubbish, such as dust, dirt, dung, ashes, garden, kitchen and stable refuse, or filth of any kind, or any animal matter or any broken glass or earthen ware or any other thing that is or may be a nuisance shall be deposited in any street, drain or open space except in the Municipal dust-bins.

18. Tiles, garden-sweeping, branches of trees and thatch and night-soil shall not be deposited in the Municipal bins.

19. Every owner or occupier of any land, house or building within the Municipal limits shall provide with a portable receptacle for collecting dirt, dust, filth or other offensive or impervious matter in or about his premises, and such portable receptacles shall be emptied to the Municipal dust-bins once in every twenty-four hours and kept clean.

20. If the occupier of any land, house, building or enclosure neglects to comply with all or any of the provisions of this bye-law, he shall be liable on conviction before a magistrate, to a fine which may amount to ten rupees for each offence.

Public Latrines and Urinals.

21. Any person causing himself either in the vicinity or outside or in any part of any public latrine other than in the trench made for the purpose shall be liable on conviction before any magistrate, to a penalty not exceeding half a rupee for the first and one rupee for the second and two rupees for each succeeding offence.

22. Any person easing himself either in the vicinity or outside or in any part of any of any public urinal other than in the spot made for the purpose shall be liable on conviction before a magistrate, to a penalty not exceeding half a rupee for the first offence and one rupee for the second offence and two rupees for succeeding offence.

23. Any person of one sex who shall wilfully intrude into any public latrine set apart for the use of the opposite sex, shall be liable, on conviction before any magistrate, for a penalty of Rs. 5 for the first and Rs. 10 for the second and each succeeding offence.

24. No person shall use a public urinal for other than the purpose for which it is provided Any person infringing this bye-law by using the same urinal as a latrine or otherwise defiling it, shall be liable on conviction before a magistrate, to a fine of half a rupee for the first and one rupee for the second and two rupees for each succeeding offence.

Bye-laws under Section 367 (30) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), to prevent outbreaks of fire in the City of Bangalore.

---

1 Every structure constructed with inflamable materials to which section 233 (1) (b), 245 or 268 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX

of 1949), applies shall be so constructed as to be of sufficient strength and shall be maintained according to the directions of the Commissioner.

126

2 Every such structure shall be of such size and shall be constructed in such manner as the Commissioner may approve.

3 No naked light or fire shall be used in or near any such structure.

4 All exits and other doors or opening in or from any such structure shall be constructed as directed by the Commissioner.

5 Any alteration or removal of such a structure ordered by the Commissioner shall be carried out by the person responsible therefor at his own cost within such time as may be fixed by the Commissioner.

6 (*a*) The application for the erection of any such structure in any street shall be in the form prescribed by the Commissioner from time to time. Copies of such application forms may be obtained from the office of the Corporation free of charge.

(*b*) Every such application shall be tendered with the fee in advance to the Corporation office ten days before the structure is required. The approval of the Divisional Inspector of Police shall be obtained before such application is tendered.

(*c*) The applicant or the owner or the chief occupier of the house, in front of which any such structure is erected, on whose behalf the application has been made, shall see that no obstruction is caused to traffic or to the cleansing of drains and be responsible for any damage caused to any electric cables relating to telegraphs, telephone, lighting and tramways, to water and sewage pipes, drains, etc., and to the surface of the road in general.

(*d*) The fee fixed for any such structure shall be charged for every day during which any portion of such structure other than the first post stands.

7 Whoever is guilty of a breach of any of these bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under clause (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for regulating the disposal of carcasses of dead animals within the limits of the Bangalore Corporation.

---

1 Except the places set apart by the Corporation, no place shall be used for the purpose of disposal of carcasses of dead animals.

2 Every person within whose premises any animal may die shall, within three hours after its death, or if the death occurs at night, then within three hours after daylight, either remove the carcass at his own expense without cutting it up to any one of the places set apart by the Corporation for the purpose and bury the same or make a report of death and apply for the removal of the carcass, to the Sanitary Inspector of the Division. In the case of an application to the Sanitary Inspector, the applicant shall pay in advance the fee prescribed in the following schedule for the removal of such carcasses.

SCHEDULE.

Description	Rate Rs.	a.	p.
1. Horses, buffaloes and English Breed cattle—			
Four coolies at Re. 1 each	4	0	0
Cartage	2	8	0
Total ...	6	8	0
2. Ponies, Donkeys and other cattle—			
Three coolies at Re. 1 each	3	0	0
Cartage	2	8	0
Total ...	5	8	0
3. Goats, Sheep, Dogs and other small animals at Re. 1 each.			

3 The Health Officer may, on special cause being shown, permit the interment of the carcass in any place approved by him on condition of its being burried at a depth of 8 feet below the surface of the ground, provided such place is four furlongs distant from any dwelling house or the edge of any sheet of water for drinking or other purposes.

4 The Health Officer may, in his discretion, require the carcass of any animal dead of any infectious disease to be burnt and every person who is the owner of such animal or in charge thereof is bound to comply with such orders.

5 The skins, horns, hoofs and bones of any animal may be taken off before interment, provided that it is done at the place so set apart and that the animal is not dead of any infectious disease.

6 No carcass of any dead animal shall be eaten or removed or handed over to any one for the purpose of eating.

7 Whoever infringes any of the provisions of these bye-laws shall be punished with fine not exceeding Rs. 50.

8 The following are the places that may be used as places set apart for the purpose of the disposal of carcasses of dead animals :—

(1) Next to Kempambudhi burial ground.

(2) By the side of the newly proposed burial ground near Channammaukere.

(3) Survey land beyond City limits in Mysore Road opposite to Christian Cemetery.

(4) Survey land beyond City limits in Magadi Road.

(5) Valley Area between Turukarapalya and Poona Railway Line.

(6) Land near the dis-used cemetery north of Richards Town.

(7) Land to the south of the Hosur Road Cemetery.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (28) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for the prevention of Dangerous Diseases of Animals. Prevention of Rabies.

---

1. The owner of every dog kept within Municipal limits shall provide it with a leather or metal collar and a metal badge fixed thereto bearing the number of the license obtained under section 123 of the Act.

2. Any dog found straying without its owner in or about the premises of any market, slaughter-house, cart-stand, hotel, cinema, toddy or arrack shop, cafe, eating house, rest-house, choultry, etc., shall be liable to be captured by any person authorised by the Commissioner under Section 288 of the Act, and detained in a dogs' home or any other place appointed by the Commissioner for this purpose. Such detention shall ordinarily be for 72 hours but may extend for such longer time as the Commissioner may consider necessary ; and every such person authorised by the Commissioner to capture dogs shall wear a badge obtained from the Commissioner and shall be bound to show it to the owner of the dog if so demanded.

3. Any dog found at large in any public street or place without a collar and badge bearing the Municipal license number and any dog found at large in any public street or place between the hours of 11 P.M. and 5 A.M. shall, if possible, be captured and detained as provided in bye-law 2 or if it cannot be captured may be destroyed by any person authorised in this behalf by the Commissioner.

4. Any dog for which a license has been taken out and detained under bye-law 2 or bye-law 3 may be redeemed by its owner on payment of a fee of one rupee, within 72 hours of capture or such longer period as the Commissioner may have appointed ; and in the case of any dog for which no license has been obtained before impounding, a sum of Rupees three shall be paid before releasing.

No feeding charges will be levied.

5. In the case of dogs so detained, the officer in charge of the dogs' home or other place shall at once send to the owner of every dog wearing a numbered badge a notice stating that, if within the time stated in such notice the owner does not pay Rs. 2 and take the dog away from the place of detention, it will be sold in auction or destroyed.

6. Dogs detained under bye-law 2 or bye-law 3 and not removed by their owners within 72 hours or such longer period, if any, as may have been specified in the notice issued under bye-law 5 shall be disposed of as follows:—

(*a*) If they are valuable dogs and the Health Officer has no reason to believe them to be suffering from rabies or any infectious skin diseases the dogs shall be sold in auction by the Health Officer and the sale proceeds credited to the Municipal funds.

(*b*) Other dogs shall be destroyed at the expiry of 72 hours after capture or after such longer period as may have been specified in the notice, if any, issued under bye-law 5, if within that period they have not been removed from the place of detention by their owners on payment of the fee prescribed in bye-law 4.

7. Any Veterinary Officer not lower in rank than a Veterinary Assistant Surgeon attached to the Mysore Civil Veterinary Department or to the Corporation and working within the limits of the City of Bangalore may destroy any dog which, in his opinion is suffering from rabies or detain any dog if he suspects it to be showing symptoms of rabies.

8. The Health Officer may direct that any dog which he knows or suspects to be suffering from rabies or which has been bitten or snapped at by any rabid or suspicious dog, jakal or other animal shall either be destroyed immediately by the owner or any person authorised in this behalf by the Commissioner or at the opinion of the owner confined under observation at the owner's expense in the dogs' home or other place appointed for the purpose for such period as the Commissioner or Health Officer may fix. Dogs impounded for observation will be treated as stray dogs and destroyed, if they are not released by the owners concerned within 3 days after the expiry of the period of observation, *viz.*, 10 days.

9. Any person who has in his possession any dog which he knows or has reason to believe to be suffering from rabies or to have been bitten or snapped at by any rabid or suspicious dog, jackal or other animal shall immediately intimate the fact in writing to the Health Officer or Divisional Sanitary Inspector.

10. Whoever commits a breach of bye-laws 1, 8 or 9 shall be punishable—

(*a*) with a fine which may extend to fifty rupees and, in case of a continuing breach, with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under sub-clause (*d*) of Clause (10) and clause II of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act No. LXIX of 1949 (1) for the protection of Avenues, Trees. Grass and other appurtenances of public streets and other places, and (2) for the regulation of the use of parks, gardens and other public or Municipal places.

PART I.

Bye-laws under Section 367 (10) (*d*) of the City of Bangalore Corporation Act, for the protection of Avenues, Trees, Grass and other appurtenances of public streets and other places.

1 No person shall, without the written permission of the Commissioner, damage or cut any tree, grass or other appurtenance of any public street, or other public or municipal place.

2 No person shall, without the written permission of the Commissioner remove any fruit from any tree in any public street or other public or municipal place.

3 No person shall graze or feed any animal, or suffer any animal to be grazed or fed, on any grass or tree in any public street or other public or municipal place.

4 No person shall write, paint, cut or carve or affix anything on any tree in any public street or other public or municipal place.

5 No person shall drive any nail or ring or any such article into any tree in any public street or other public or municipal place.

6 No person shall tether any animal to any tree or fence or post in any public street or other public or municipal place.

127

7 Any police officer or Corporation employee may seize any implement which is used for destroying any corporation property, trees or plants and cutting or rooting up grass in any public street or other public or municipal place, and such implements shall be deposited in the Corporation Stores. These implements may be confiscated to the Corporation when the offence committed under the bye-laws is compounded by the Commissioner, or when the offender is successfully prosecuted and convicted by a Court for the offence and when the owner cannot be traced within one month subsequent to the seizure.

8 Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to twenty rupees and in case of a continuous breach with fine which may extend to ten rupees for every day during which the breach continues after conviction for the first breach, or

(*b*) with fine which may extend to five rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

PART II.

Bye-law under clause (II) of Section 367 of the Act, for the regulation of the use of Parks, Gardens and other public or Municipal places.

1 Parks, gardens or squares when to be kept open.

Every park, garden or square vested in the Corporation shall remain open to the public between such hours as may be notified by the Commissioner, on a notice board to be placed in some conspicuous part of the entrance to such park, garden or square.

2 Public entertainments, ceremony or exhibition taking place in such a park, garden or square, after permission has been obtained from or given by the Commissioner; in that behalf, such park, garden or square shall be kept open or closed for such period and upon such terms and conditions as may be considered expedient by the Commissioner and notified in the manner mentioned in bye-law No. 1 or by notification in one or more newspapers. This shall not apply to the meeting that come under bye-law No. 3 below.

3 No public meeting shall be held in any park, garden or square vested in the Corporation except in such portion thereof as is set apart by the Corporation for the purpose of such meetings and in any park, garden or square when any such portion is not so set apart, no public meeting shall be held without the permission of the Commissioner.

4 Entrance or exit.

No person shall enter or quit such park, garden or square except by a gate or other opening, if any, provided for the purpose.

5 Prohibition against defacing or displacing notice Boards:—

No person shall deface or displace any board or tablet in such park, garden or square wherein any notice or bye-law of the Corporation is exhibited.

6 Prohibition against bringing animals.

No person shall bring into such park, garden or square any animal whatsoever without a leash or suffer to remain therein any animal without a leash belonging to him or in his charge.

7 Posting Hand Bills:—

No person shall, except with the written permission of the Commissioner, post or affix any bill, playcard or notice in any part of, or upon any tree, in such park, garden or square.

8 Prohibition against removing or disturbing soil, etc.

No person otherwise than in the discharge of his official duty as a servant of the Corporation, shall remove or disturb any soil, turf or flower-bed or pluck any flower or leaf in such park, garden or square.

9 Damaging property or throwing rubbish.

No person shall destroy, injure, deface, soil or defile any part of any wall, fence, barrier or railing in or enclosing such park, garden or square or any part of any fixed or moveable seat, building, monument, work of art, ornament or decoration or any other structure or erection or any Municipal property in such park, garden or square, nor

throw or deposit any filth, rubbish or refuse to fall or to be thrown or deposited upon any part of such park, garden or square.

128

10 Throwing stones, etc.—

No person shall throw on, or discharge in such park, garden or square any stone or other missile.

11 Prohibiting the climbing of a tree, wall, etc.

No person shall climb any tree, wall, fence, barrier, railing or post in or enclosing such park, garden or square.

12 Bathing etc.—

No person shall bathe in any tank, pond or other ornamental water in such park, garden or square or wash clothes, or any article in, foul or pollute any such water, nor shall any person fish in any such water without the authority of the Commissioner.

13 Games.—

No game shall be played in such park, garden or square except subject to such conditions as may from time to time be prescribed by the Commissioner and notified on a notice board placed in some conspicuous parts of the entrance of such park, garden or square.

Games, such as, Football, Hockey, Cricket, Tennis and Badminton shall not be played in such park or garden.

14 Drinking:—

No person shall drink, or bring for consumption, within such park, garden or square, any intoxicating liquor.

15 Erections.—

Except with the written permission of the Commissioner, no person shall erect any post, rail, fence, pole, booth, stand, building or other structure in such park, garden or square.

16 Dusting.—

No person shall beat or clean any carpet, drugget, rug, mat or any other fabric retaining dust or dirt in such park, garden or square.

17 Drying or bleaching linen.—

No person shall spread or deposit any linen or other fabric in such park, garden or square, for the purpose of drying or bleaching the same.

18 Sale of articles.—

No person shall, except with the permission of the Commissioner, sell or offer for sale or let to hire or offer or expose for letting to hire any commodity or article in such park, garden or square.

19 Obstructing or disturbing servants on duty and others.—

No person shall wilfully obstruct, disturb or interrupt or annoy any other person in the proper use or enjoyment of such park, garden or square, or wilfully obstruct, disturb interrupt or annoy any officer or servant of the Corporation or any person or servant or any person employed by the Corporation in the execution of his duty.

20 Nuisance.—

No person shall commit nuisance in such park, garden on square.

21. Creating disturbance or causing annoyance to the public :—

No person shall create a disturbance or cause annoyance to the public in such park, garden or square, or use abusive, obscene or profane language.

22. Prohibiting person suffering from loathsome or infectious disease from entering :—

No person who is suffering from any loathsome or infectious disease shall enter such park, garden or square.

23. No person shall graze or feed any animal, or suffer any animal to be grazed or fed on any grass or tree in any public park, garden or square.

24. No person shall write, paint, cut or carve or affix anything on any tree in any public park, garden or square.

25. No person shall drive any nail or ring or any other similar article into any tree in any public park, garden or square.

26. No person shall tether any animal to a tree or fence or post in or pertaining to, any public park, garden or square.

27. Any police officer or Corporation employee may seize any implement which is used for destroying any Corporation property, trees or plants and cutting or rooting up grass in such park, garden or square and such implements shall be deposited in the Corporation Stores. These implements may be confiscated to the Corporation when the offence committed under the bye-laws is compounded by the Commissioner, or when the offender is successfully prosecuted and convicted by a Court for the offence and when the owner cannot be traced within one month subsequent to the seizure.

28. Every person who commits a breach of any of the foregoing bye-laws shall be punished—

(a) with fine which may extend to Rs. 20 and in case of a continuing breach with fine which may extend to Rs. 10 for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to Rs. 5 for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-Laws framed by the City of Bangalore Municipal Corporation under Sub-Clause (a) of Clause (25) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for the regulation of burial and burning grounds and other places for the disposal of corpses in the City of Bangalore.

---

1 Every owner or person having control of any place used as a burial or burning ground shall cause the same to be registered in a register which shall be kept in the Corporation Office for that purpose, together with the names of the owner, and the persons having control thereof and shall deposit in the Corporation Office at the time of registration a plan of the said place showing the extent and boundaries thereof.

A fee of Rs. 10 shall be paid for every such registration.

2 If it appears to the Commissioner that there is no owner or person having the control of any such place, the Commissioner shall assume control thereof, and direct it to be registered. or may cause it to be closed.

3 Notice of the registration shall be affixed in English and in two vernacular languages, in some conspicuous place at or near the entrance to such place.

4 Whoever after the registration of any such place acquires by inheritance, transfer or any other means, the ownership or control thereof shall, within one month of such acquisition, give information thereof in writing to the Commissioner.

5 The owner or the person having control of any such place shall, when so required by the Commissioner, give all information that may be required regarding the attendants employed, or the system of management followed therein, or any other matter connected with the control thereof.

6 The owner or any person having control of any such place shall cause the same to be kept at all times in a clean state, and free from noxious vegetation to the satisfaction of the Commissioner, and shall if so required by the Commissioner by notice in writing, cause the same to be enclosed by a sufficient wall or fence.

7 The person having control of every such place shall give information within twenty-four hours to such person as may be appointed by the Commissioner in that behalf, and in such form as may be prescribed by the Commissioner, of all burials and burnings which take place therein.

8 All burials and burnings in the cemeteries shall be registered by the cemetery registrar in books in the form given in the appended Schedule 'A'. All such entries shall be made consecutively from the beginning to the end of the book.

9 Whoever brings or conveys or causes to be brought or conveyed a corpse to any burial or burning ground, shall give to the cemetery registrar in charge according to the best of his or her knowledge and belief such information of the several particulars as may be required to be known and registered, touching the death of such person.

10 No person shall act as vettiyan, grave digger or other attendant in a Municipal burial or burning ground

without being licensed for that purpose by the Commissioner. Licenses granted for such purposes shall be in the form given in the appended Schedule 'B' and may be withdrawn or cancelled at the discretion of the Commissioner.

11 Every person who buries or causes to be buried any corpse or part of a corpse in a grave whether dug or constructed of masonry or otherwise shall do it in such a manner that the surface of the coffin or the surface of the body where no coffin is used, is not at a less depth than five feet from the surface of the ground.

12 Every person who builds or digs or causes to be built or dug any grave in any burial ground, shall leave a space of at least two feet from the margin of any other existing grave.

Burial or cremation to be made within the place demarcated.—

13 No person shall bury or burn or cause to be buried or burnt any corpse except in the place demarcated for the purpose by the Health Officer or any person authorised by him in that behalf.

14 Every corpse or part of a corpse shall be buried within six hours after it has been brought to any burial ground.

15 No person shall without the sanction in writing of the Commissioner or an order in writing of a Magistrate re-open a grave already occupied.

16 Every person who brings or conveys or causes to be brought or conveyed a corpse or part thereof to any burning ground, shall cause the burning of the same to commence within six hours after its arrival at such burning ground.

17 No person, when burning or causing to be burnt a corpse or part of a corpse in any burning ground, shall permit the same or any part thereof to remain without being completely reduced to ashes.

18 No person shall permit clothes or other articles connected with the burning of such corpse to remain at or near such ground without being completely reduced to ashes.

19 No person shall carry a corpse or part of a corpse through any street otherwise than decently covered.

20 No person, while carrying a corpse or part of a corpse within the city shall leave or expose the same in or near any street for any purpose whatever.

21 No person shall remove otherwise than in a closed receptacle any corpse or part of a corpse kept or used for the purpose of dissection.

22 No corpse shall be buried in any vault or masonry grave provided with a permanent floor which it is intended at any time after within 14 years to re-open, unless the coffin be separately entombed in an air-tight manner by properly cemented stone or brick work which shall never be disturbed.

23 One body only shall be buried in a grave at one time, unless the bodies be those of the members of the same family.

24 No non-masonry grave or masonry grave unprovided with the separate air-tight compartment prescribed in bye-law 22 shall be re-opened within 14 years after the burial of a person above 12 years of age or within 8 years after the burial of a child under 12 years of age, to bury another member of the same family unless a layer of earth not less than one foot thick be left undisturbed over the previously buried coffin. If on opening any grave any soil is found to be offensive such soil shall be left undisturbed. There shall never be less than three feet of earth between the topmost coffin and the grave.

25 No body that has not been duly embalmed and enclosed in an air-tight coffin shall be disinterred without the permission of the Commissioner. Such permission may be granted on the following conditions:—

(a) The grave should be well-soaked a day before the disinterment with a solution of perchloride of mercury of the strength of 1 in 1,000.

(b) While the grave is being disturbed it should be frequently sprinkled with mercury lotion of the above strength.

(c) The persons of the grave-diggers should be washed before and after the disinterment with a solution of perchloride of mercury of the strength of 1 in 5,000.

(d) A medical subordinate should be present at the disinterment in order to ensure that the above precautions are taken.

129

26 No person shall carry any dead body in any street which is prohibited by a Notification by the Municipal Corporation.

27 No dead body shall be kept in any premises without burial or burning for more than 36 hours after death.

28 No person shall erect or build or cause to be erected or built any monument or tomb, stone, shrine, temple, building enclosure in any Municipal burial or burning ground without the sanction in writing of the Commissioner. A fee of eight annas per square foot or part of a square foot shall be paid by the applicant before such sanction is granted by the Commissioner. The Commissioner may cause anything so erected or built without his sanction, to be demolished. Provided that each community may erect, free of charge, over the grave area measuring 7 feet by 4 feet any cross, stone, gori, brindavan, samadhi or tomb required by the religious usages of that community.

29 Any person offending against any of these bye-laws shall be punishable,—

(a) with a fine which may extend to fifty rupees and in the case of continuing breach with a fine which may extend to fifteen rupees for every day during which the breach continues, after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Under the provisions of the bye-law for the regulation of burial and burning grounds and other places for the disposal of Corpses.....
.....
is hereby licensed to act as.....
at the.....burial and burning ground on.....road in the .....municipal circle under the conditions named on the reverse hereof.

Commissioner.

CONDITIONS REFERRED TO.

This license may be withdrawn or cancelled on proof of the licensee.— 130

(a) not being available, without reasonable excuse at the said burial or burning ground at any time or times at which his services as..... may be required by any member or members of the community usually resorting to it.

(b) or neglecting to do the duty usually required of him there, as such on occasions of burial and burning.

(c) or causing, or permitting or being a party to, any infringement of the rules laid down in the bye-laws for the control of burial and burning grounds, as far as they affect him and his duties as such.

(d) or demanding or attempting to extort, any higher fee than at the rates following, *viz.*—

For burial of a corpse of under 12 years of age	Annas 8
Do do above that age ...	,, 12
For cremation of a corpse of under 12 years of age including the milk ceremony if any	,, 3
Do above that age including as above.	,, 6
For supplying tools for the purpose of digging grave, etc., to those not otherwise requiring his services.	,, 1 1/2

(e) or being guilty of any misconduct which in the opinion of the Commissioner requires the withdrawal of the license.

Bye-Laws made by the City of Bangalore Municipal Corporation under Clause (29) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for the Enforcement of Compulsory Vaccination in the City of Bangalore.

---

1 In these Bye-Laws unless there is anything repugnant in the subject or context.—

(i) 'child' means a boy or girl who has not attained the age of eighteen years;

(ii) 'guardian' means any person to whom the care, nurture or custody of any child falls by law or by natural right or recognized usage or who has accepted or assumed the care, nurture or custody of any child or to whom the care or custody of any child has been entrusted by any lawful authority;

(iii) 'parent' means the father or mother of a legitimate child and the mother of an illegitimate child;

(iv) 'person' means a male or female who has attained the age of eighteen years;

(v) 'unprotected child' means a child who has not been protected from small-pox by having had that disease naturally or by having been successfully vaccinated or re-vaccinated within seven years, as the case may be, or who has not been certified in the manner hereinafter provided to be insusceptible to vaccination.

(vi) 'unprotected person' means a person who has no visible marks of small-pox or who has not been certified in the manner hereinafter provided to be insusceptible to vaccination or is unable to produce satisfactory evidence of successful vaccination or re-vaccination carried out within seven years.

(vii) 'vaccination depot' includes a place or building where vaccination is performed free of charge by direction of the Commissioner; and

(viii) 'vaccinator' means any medical practitioner registered under the Mysore Medical Registration Act, 1931, or any vaccinator or sanitary inspector appointed by the Commissioner.

2 (i) The parent or guardian of any unprotected child who is not less than six months old and who has resided for one month within the limits of the City shall take or cause the child to be taken to a vaccination depot for vaccination or re-vaccination, as the case may be, or shall procure such vaccination or re-vaccination, by a vaccinator.

(ii) Any unprotected person who has resided for one month within the limits of the City shall get himself vaccinated or re-vaccinated, as the case may be, at a vaccination depot or by a vaccinator.

3 Whenever the residence of an unprotected person or child is changed from a place within the city to another place either within or without the city, or from a place outside the city to a place within the city, such person or the parent or guardian of such child shall, within three days of such change of residence, notify the same to the Health Officer or any other officer authorised by him in this behalf, furnishing full particulars as to the address of the new residence of the person or child.

4 The Commissioner, the Health Officer or any person duly authorised by them, may, if any portion of the City is threatened or infected with small-pox, direct every person or child in the said area who has no visible marks of small-pox or is unable to produce satisfactory evidence of successful vaccination or re-vccination carried out within four years to be vaccinated forthwith.

5 (i) If a vaccinator finds that an unprotected person or child is not in a fit state of health to be vaccinated, he shall deliver to such person or the parent or guardian of such child, as the case may be, a certificate to the effect that the person or child is not then in a fit state for vaccination; such certificate shall remain in force for the period specified therein not exceeding three months but may be renewed if necessary. The reason for the unfitness shall be specified in the certificate.

(ii) If a vaccinator finds that an unprotected person or child is in a state of health fit for vaccination, he shall forthwith vaccinate such person or child and deliver to such person or the parent or guardian of such child, as the case may be, a memorandum stating the date on which the vaccination was performed and specifying the date on which and the time and place at which, the person or the child should be present or be produced, as the case may be, for inspection.

6 (i) On the date and at the time and place notified as aforesaid, the person or child vaccinated shall be present or be produced, as the case may be, for inspection.

(ii) If the inspecting officer finds that the vaccination has been successful, he shall give to such person or the parent or guardian of such child, as the case may be, a certificate to that effect.

(iii) In the event of the vaccination being unsuccessful, the inspecting officer may, if he thinks fit, direct that the unprotected person or child shall forthwith be again vaccinated and subsequently inspected as provided in clause (i) of this bye-law.

7. If the inspecting officer is of opinion that an unprotected person or child who has been three times unsuccessfully vaccinated is insusceptible to vaccination he shall issue a certificate to that effect.

8. When an unprotected person or child is vaccinated by a vaccinator not employed by the Corporation, such person or the parent or guardian of such child, as the case may be, shall forward within fifteen days of the date of the vaccination, a certificate of successful vaccination from such vaccinator, to the Health Officer or to such person as may be authorised by the Health Officer in that behalf.

9 The Commissioner or the Health Officer may cancel any certificate given under these bye-laws, if it is proved to his satisfaction that such certificate has been improperly given or obtained on behalf of any unprotected person or child, and thereupon such certificate shall cease to be valid and notice of such cancellation shall forthwith be given to such unprotected person or the parent or guardian of such unprotected child, as the case may be.

10 (i) All vaccinations shall be done free of charge at the Vaccination Stations of the Corporation.

(ii) When any one requires vaccinations to be done at his or her residence a charge of annas 8 will be made for the first person vaccinated, and annas 4 for each additional person.

(iii) Vaccinations shall be done free of charge in schools, factories and workshops or wherever 10 people or more assemble for the purpose of vaccination.

(iv) When vaccinations are to be carried out at the residence, application should be made to the Medical

Assistants at the Sub-Offices and the fee under clause 2 shall be paid in advance.

(v) Of the fees collected half shall be credited to the Municipal funds and half to the person performing the vaccinations. A receipt on a prescribed form shall be given in respect of fees received.

(vi) Certificate of vaccination.—Certificates shall be issued free if asked for at the time of vaccination. For the grant of certificates at other times the Health Officer is authorised to make a charge of Re. 1 per certificate, which fee may be retained by him.

11 If any person or the parent or guardian of any child in respect of whom the application above referred to is made is a female who according to the customs of the country does not appear in public, the Commissioner, the Health Officer, or any person duly authorised by the Commissioner in this behalf shall direct a female vaccinator to visit the residence of such person or child, as the case may be, and perform the vaccination there.

12 (i) If the Commissioner, the Health Officer or any person authorised by the Commissioner in this behalf has reason to believe that there is an unprotected person or child in any house, he may call upon—

(a) such person to be present for inspection between the hours of 6 A.M. and 6 P.M. and to state his age, parentage, place of birth and the duration of his residence in the city, or

(b) the parent or guardian of any child in the house to produce all the children in the house under his care for inspection between the hours of 6 A.M. and 6 P.M. and to state the age, parentage, place of birth and duration of residence in the city of each of such children.

(ii) The Commissioner, the Health Officer or any person authorised by the Commissioner under clause (i) shall—

(a) if he is aware of the existence of any person or child who is unprotected and is fit for vaccination; or

(b) if, on a requisition under clause (i) any person refuses to be present or any parent or guardian refuses to produce any child under his care for inspection as required by that clause; or

(c) if after inspection it is proved to his satisfaction that any person or child is unprotected and is fit for vaccination; or

(d) if he is acting in pursuance of the powers vested in him under bye-law 4 deliver to such person or the parent or guardian of such child or cause to be affixed to the house of such person or of such parent or guardian a notice requiring the person or child, as the case may be, to be vaccinated within 72 hours at a time and place to be specified in the said notice. The person or the parent or guardian to whom such notice is delivered or at whose house it is affixed shall be bound to comply with it unless a certificate is produced from a vaccinator to the effect that such person or child has either been successfully vaccinated already or is unfit for or insusceptible to vaccination.

13 The provisions contained in bye-laws 5 to 11 shall, so far as may be, apply to re-vaccination of an unprotected person or child.

14 Whoever commits a breach of any of the following bye-laws, namely, bye-laws 2 and 3, clauses [i] and [iii] of bye-law 6, bye-law 8, sub-clause [b] and the last paragraph of clause [ii] of bye-law 12 shall be punishable,

(a) with fine which may extend to fifty rupees; and

(b) in the case of continuing breach, with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (26) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 [Act No. LXIX of 1949], for the Registration of births and deaths in the City of Bangalore.

---

1. Definitions—

For the purpose of these Bye-laws:—

(a) The term "District" means the area in which any Sub-Registrar of Births and Deaths is appointed to perform his functions.

(b) The term "Occupier" includes any person for the time being or liable to pay to the owner the rent of any portion of the rent of the land or building in respect of which the word is used.

131

(c) The term "Commissioner" means the Commissioner of the Bangalore Municipal Corporation for the time being.

(d) The term "Public Institution" includes a prison, lock-up, lunatic asylum, hospital, reformatory, Industrial school, barrack and any charitable or other institution, which is under the management of a public body, officer or person.

(e) The term "Sub-Registrar," means and includes any person who may be appointed by the Commissioner as a Sub-Registrar of Births and Deaths for any District of the Corporation.

(f) The term "Registrar-General" means the Director of Public Health to the Government of Mysore for the time being, and the "Assistant Registrar-General" means the Superintendent of the Bureau of Vital Statistics for the time being.

(g) The terms "Still-born" or "Still-birth" have reference to a child born after the 28th week of gestation as dead or apparently dead and not called back to life.

2. Appointment of Sub-Registrars:—

For the proper registration of all births and deaths, City shall be divided into districts, and for every such district, a Sub-Registrar of Births and Deaths shall be appointed.

3. Every Sub-Registrar shall be provided with an office at some conveniently central place within the district of which he is the Sub-Registrar, and shall cause his designation as Sub-Registrar of Births and Deaths for the district for which he is appointed, in English and Vernacular to be placed in some conspicuous place on or near the outer door of his office.

4. Information of Births and Deaths:—

(1) Information covering all the particulars specified in Form "A" appended, shall be given to the Sub-Registrar of the district within one week after the day of birth regarding every birth that takes place within the Corporation limits.

(2) The father or mother of every child born in the City, or, in the absence or default of the father or mother, the midwife assisting at the birth, or every adult male member of the family resident in the house in which the child was born shall, within one week after the day of such birth, give or cause to be given, either orally or in writing, information according to the best of his or her knowledge and belief of the several particulars required to be entered in Form "A" in respect of any such birth to the Sub-Registrar of the district.

Provided that—

(a) if any one of the above said persons gives the required information no other person shall be bound to give it, and

(b) a person not required to give information in the first instance, but only in default of some other person, shall not be bound to give such information if he or she had reasonable cause to suppose that the same had been or would be duly given by such other person:

Provided further, that in the case of an illegitimate child, it shall, in the first instance, be the duty of the mother of such child to give information, and that no person shall, as the father of such child, be required to give information concerning the birth of such child, and the Sub-Registrar shall not enter in the register maintained by him, the name of any person as the father of such child except at the joint request of the mother and of the person acknowledging himself to be the father of such child and unless such person shall sign the register together with the mother.

(3) If any child is born in any hospital, the Medical Officer in charge, thereof shall forthwith send to the Health Officer or to the Sub-Registrar a notice in writing of the occurrence containing the several particulars required to be entered in Form 'A'.

(4) In case any new born child is found exposed, it shall be the duty of any person finding such child and of any person in whose charge such child may be placed, to give, to the best of his or her knowledge and belief, to the Sub-Registrar, within seven days after the finding of such child such information of the particulars required to be registered concerning the birth of such child as the informant possesses.

(5) (*i*) The nearest adult male relative present at the death, or in attendance during the last illness, of any person dying in the City of Bangalore, or in case of the default of such relative every adult male person present at the death or in case of his default, the occupier of the house, if such occupier is an adult male person. or in his default, every adult male person living in the house in which such death has happened shall, within 24 hours after the death give, or cause to be given, either orally or in writing, information to the Sub-Registrar of the district according to the best of his knowledge and belief of the several particulars required to be entered in Form 'B':

Provided that—

(*a*) if any one of the above said persons gives the required information no other person shall be bound to give it, and

(*b*) if the death occurs in any hospital, none of the aforesaid persons shall be bound to give information, but it shall be the duty of the medical officer in charge of the hospital to send within 24 hours after the death, to the Health Officer or to the Sub-Registrar, a written notice containing the particulars required to be entered in Form 'B':

Provided further that a person not required to give information in the first instance but only in default of some other person, shall not be bound to give information if he had reasonable cause to suppose that such information had been or would be duly given by such other person.

(*ii*) In the case of deaths in which an inquest is held, it shall be the duty of the officer who conducts the inquest to send, within 24 hours of the inquest, a wirtten notice to the Health Officer or to the Sub-Registrar, containing particulars required to be entered in Form 'B' according to the best of his knowledge and belief.

(6) Every medical attendant who attended on any person during his or her last illness shall, if such person has died in the City, within three days of his becoming aware of such death, give information of the fact to the Health Officer or to the Sub-Registrar of Births and Deaths in the district.

5. Particulars regarding dead bodies found exposed to be reported by the Police :—

In case of the discovery of dead bodies, whether of newly born children or otherwise, it shall be the duty of the Police Station Officer within whose jurisdiction any such body is found, to report to the Sub-Registrar, such particulars as are available for the purpose of the entries to be made in the register of death as well as, in the case of bodies of newly born children, in the register of births.

6. Priests and Burial Ground Watchmen to furnish information, f required.

Should the Commissioner so order, every person who conducts the funeral obsequies of any person dying within the Corporation limits and any person who is placed in charge of grave-yard, burning ground or other place of burial or cremation shall furnish the Sub-Registrar with such information as he may be required by Commissioner to furnish regarding any funeral obsequies conducted by him or any burial or cremation that has taken place within the premises committed to his charge, as the case may be.

7. Sub-Registrar to register information without fee or reward and to inform himself of every birth and death.

Every Sub-Registrar shall inform himself carefully of every birth and death which takes place in his district and shall register, as soon as conveniently may be, after the event, without fee or reward, the particulars required to be registered according to the Forms "A" and "B" touching every such birth or death, as the case may be, which has not been already registered.

8. Information of Births and Deaths in Public Institution :— 132

Notwithstanding anything contained in bye-laws 4 (2) and (5), in the case of a child being born or of a person dying in any choultry, chathram, hotel, boarding house, lodging house, tavern, arrack or toddy shop or place of public resort, it shall be the duty of the owner, keeper or person in charge thereof to give information required under bye-laws 4 (2) and (5) in the manner prescribed therein within 24 hours of the birth or death as the case may be.

9. Signature or mark of persons who furnish information :—

(*a*) Every person who gives information in regard to a birth or death as provided in bye-laws 4 (2), (5), bye-law 6 or 8, as the case may be, shall sign his or her name in the register maintained by the Sub-Registrar, and shall also enter his or her address, or if he or she cannot sign, put his or her mark in the register to his or her name and address which shall be entered by the Sub-Registrar.

(*b*) The Sub-Registrar shall, as soon as the registration of the birth or death, as the case may be, has been completed, give an application, free of all charge to the person who gives the information an extract under his hand from the register relating to such birth or death.

(*c*) Any person may at all reasonable times, on payment of a fee of four annas for each visit, search any Register of Births or Deaths.

(*d*) In the case of a child being born or of a person dying in any hospital, the registration of birth or death shall be deemed to be completed by the entry in the register of the particulars specified in the report prescribed in bye-laws 4 (3) and (5).

10. Entry of child's name in the register after registration :—

When the birth of any child has been registered without name, the parent or guardian of such child may within 12 months next after the registration of birth, require the Sub-Registrar to enter in the register the name of such child and the Sub-Registrar shall thereupon enter the name and shall initial and date the entry.

11. Information to be furnished by persons bringing a corpse for burial or burning :—

Every person bringing a corpse to be buried, burnt or otherwise disposed of, in any place registered, licensed or provided by the Corporation for the disposal of the dead, shall at such place, if so notified by the Commissioner or Health Officer, sign or affix his or her mark to a declaration in such form as may be determined by the Corporation, as to the cause of the death, the name of the deceased, the name of the medical attendant if any, who attended on the deceased and such other particulars as may be required in connection with the death.

12. Forms for Births and Deaths :—

The Commissioner shall cause to be printed and supplied to every Sub-Registrar a sufficient number of register books in annexed Forms "A" and "B".

13. Entries to be numbered serially :—

All entries in the registers of births and deaths shall be made consecutively from the beginning to the end of the registers. The serial number of the event shall be entered commencing from 1st January and the series shall be continued up to 31st December. No entries shall be interpolated between two serial numbers.

14. Written information received by the Sub-Registrar in writing in connection with the registration of any birth or death shall be filed by him and preserved for two years.

15. Entries in respect of children born dead :—

A special column in the register of births is provided for the entry of still-births, which are not included in the statistics either of births or of deaths.

16. Triplicate copies to be sent daily to the Health Officer :—

The triplicate pages which have been written up during every day shall be detached at the perforation and sent by the Sub-Registrar to the Health Officer, of the Corporation before the close of the following day. The particulars shall

thereupon be posted into the consolidated registers of births and deaths which shall be maintained by the Corporation.

If, during any day, no births or deaths have occurred, the triplicate form should be sent with the remark "nil" written thereon.

133 ~~132~~

17. The Health Officer to collect the duplicate return from Sub-Registrars and forward them to the Registrar-General so as to reach him on or before the close of the third day following.

The duplicate pages shall be similarly detached at the perforation and sent to the Health Officer, who after scrutinising the returns carefully, should forward them in a bundle to the Registrar-General, so as to reach him on or before the close of the third day following for statistical purposes.

18. Check by Health Officer of regular receipt of returns:

A set of posting registers, showing the names of the Sub-Registrars will be maintained in the Office of the Health Officer, in which the returns received will be posted as they come in. When these registers show that the return for any day is 48 hours overdue, a reminder will be sent to the Sub-Registrar. The Health Officer will take disciplinary action against the Sub-Registrars who are frequently in default.

19. The original register to be finally deposited in the office of the Commissioner :—

Each register of originals shall be retained in the custody of the Sub-Registrar for one year after it is closed and shall then be sent to the Commissioner through the Health Officer who after careful scrutiny of all attested erasures and alterations shall file it as a permanent record.

20. The Health Officer and Assistant Health Officers and the Health Inspectors to exercise supervision over Sub-Registrars.

The Health Officer, Assistant Health Officers, and the Health Inspectors shall constantly inspect the Registers of Births and Deaths, make test checks by enquiry, instruct the Sub-Registrar as to the discharge of his duties and exercise a general supervision over the work of the Sub-Registrar. The Registers shall be checked at least once a week by the Assistant Health Officers and the Health Inspectors and the entries verified should bear the initials of the checking officers with date of check.

21. Errors :—

Every error found in the Register of Births or in the Register of Deaths shall be corrected by drawing a line through the original entry (but not so as to render it illegible) and writing the new entry above it, and the correction shall be fully signed and dated by the Sub-Registrar, if the error be discovered by him and by both the Sub-Registrar and the Checking Officer, if the error be discovered by a Checking Officer. All such corrections shall be duly intimated to the Registrar-General through the Commissioner with the reasons therefor:

Provided that no entry shall be corrected under this rule more than a year after the entry has been made, except with the previous sanction of the Commissioner.

22. Issue of Birth and Death Certificates.

Every person requiring a certificate of birth or death may put in an application addressed to the Commissioner with a court-fee stamp and shall pay a fee of one rupee. The application should state clearly—

(1) the name and father's name of the party in relation to whose birth or death a certificate is required.

(2) the date, month and year of occurrence.

(3) the name of the street and the division where the event occurred, and

(4) the postal address of the applicant for sending the copy.

If the certificate required is from the registers of a year other than in which the application is made, an additional fee of one rupee shall be paid. Such certificates or extracts from the Registers shall be certified by the Commissioner and sealed with the seal of the Corporation.

23. Notwithstanding anything stated in the above para, a certified extract from the Register of Births shall be granted free of all the charges for purposes of claiming benefit under the Mysore Maternity Benefit Act, 1937 to the woman labourers on an application duly made in this behalf, provided the application is supported by a certificate from the employer to the satisfaction of the issuing officer (*vide* Government Order No. L. 7590-2-M1. 37-39-24, dated 2nd March 1940.)

24. Penalty for omission to give information.

Any person whose duty is to give information under the preceding bye-laws and who neglects or refuses to give such information or gives false information, shall be liable on conviction to a fine not exceeding twenty rupees.

Draft Bye-laws framed by the City of Bangalore Municipal Corporation under clause (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) in respect of injury or disfigurement of public property or buildings adjoining streets or public places, in the City of Bangalore.

1 The Commissioner may by notice in writing require the occupier or owner of any premises to paint or plaster and white-wash or colour-wash any building or wall therein which, adjoins a public street, or to cope any such wall with bricks or tiles to keep such buildings or wall in good repair within fifteen days after such notice.

2 No person shall soil or deface any building, wall or structure visible from any street or public place in any way whatsoever.

3 No person shall write upon, soil, deface or mark, in any way whatsoever any tree standing on or visible from any street, public place or road surface.

4 No person shall dry braties or cow-dung cakes on the external wall of any house or yard adjoining a public street.

5 The owner or occupier of any such building, wall, structure or tree shall be held responsible for the removal of any soiling, defacement, writing or other marking such as is prohibited by bye-laws 2 to 4 of this bye-law, and shall do so within three days of the service of a notice demanding such removal.

Provided that the Commissioner may cause the immediate removal of such soiling, defacement, writing or other marking.

6 Any person failing to comply with a notice issued under bye-law 1 or bye-law 5 infringing the provisions of paras 2 to 4 thereof shall, on conviction be liable to a penalty not exceeding Rs. 50.

7 Any person injuring the sides and enbankment of roads, fences, parapets, walls or any other municipal property shall be liable on conviction to a penalty not exceeding Rs. 20.

8 Any police officer or municipal employee may seize any implement which is used for commission of the offence under bye-law 7 above and such implements shall be depositedi n the Corporation Stores. These implements may be confiscated to the Corporation when the offence under bye-laws 7 is compounded by the Commissioner or when the offender is successfully prosecuted and convicted by a court for an offence under bye-law 7 or when the owner cannot be traced within one month subsequent to the seizure.

Bye-laws under Section 367 (16) of the City of Bangalore Municipal Corporation Act of 1949, for the sanitary control and supervision of places used for (1) storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever—lime, lime-shell, surki, (2) packing, pressing, cleansing, preparing or manufacturing by any process whatever, pottery, (3) premises used for manufacturing tiles, in the City of Bangalore.

1 No person shall use any premises within 200 yards of any human habitation for—

(*a*) storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever, lime, lime-shell or surki; or

(*b*) packing, pressing, cleansing, preparing or manufacturing by any process whatever, pottery; or

(*c*) manufacturing of tiles.

2 (1) Any person using or desiring to use any place for any of the purposes mentioned in bye-law No. 1 shall apply to the Commissioner for license.

(2) The license shall be in the form shown in the appended schedule.

(3) The license shall not be transferable either as regards the person to whom or the place for which it is granted.

(4) The following fees shall be charged for licenses granted under this bye-law:—

(a) Lime-kiln	...	Rs. 5 per annum
(b) Tiles ...	...	Rs. 5 do
(c) Pottery ...	...	No fee

3 Every person who has obtained a license from the Commissioner for the use of any premises for any of the purposes referred to in bye-law 1 shall cause such premises to be thoroughly cleansed and shall prevent any accumulation of filth or refuse therein.

4 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the purpose of preventing any injury to any workman employed therein or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

5 He shall not at any time cause any excavations to be made in any part of such premises for removing earth, clay, etc., for making tiles, pottery or lime or for any other purpose.

6 He shall not permit or cause or suffer any cinders, ashes, bricks, stone, rubbish, dust, filth or other matter to be thrown or placed or suffer to be thrown or placed into on or in any river, stream, water-course, well, tank, street or any other place so as to cause mischief or annoyance to the public.

7 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuous breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction of the first breach; or

(b) with fine which may be extended to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of License.

This License is granted to Sri/Janab.....
(Name and address)

for the use of.....
(insert description of place)

as.....

This license will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye-laws of the Corporation framed under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws framed under clause (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act LXIX of 1949), for regulating the conditions on which permission may be given for the temporary structures on public street or for projections over public streets and for temporary occupation of streets or land in the City of Bangalore.

(A) Deposit of goods or materials temporarily on lands vested in the Municipal Corporation.

1 No person, who intends to build or take down any building or to alter or repair the outward part of any building in such a portion or in such circumstances as that the work is likely to cause or may cause obstruction, danger or inconvenience, shall, without the permission of the Commissioner, make a hole in any street or land, or erect or deposit any timber, stone, brick, earth or other materials that has been or is intended to be, used for any building, on any street drain, or land vested in the Municipal Corporation. When such permission is granted to any person, he shall at his own expense, cause such materials or such hole to be sufficiently fenced or enclosed until the materials are removed or the hole is filled up or otherwise made secure to the satisfaction of the Corporation Engineer and shall cause the same to be sufficiently lighted during the night.

2 The amount chargeable for the deposit of goods or materials on any street, drain or other land vested in the Municipal Corporation, shall be calculated at the rate of one anna per month per square foot of the area occupied and shall be payable in advance. Half this rate shall be charged if the period of occupation is less than a week.

3 If the owner of any goods or materials deposited on any street or place open to the traffic of foot-passengers or vehicles, fails to make suitable arrangements for guarding against danger to traffic, the Commissioner shall cause a notice to be served on him to make such arrangements within 24 hours after receipt of the notice, and on his failure to comply with the notice, the Commissioner shall enclose a bill of cost for carrying out the work at the owner's expense. The arrangements to be made shall be clearly and definitely specified in the notice.

4 If, within 24 hours after receipt of the said notice the owner fails to make the arrangements so specified or to show cause why such arrangements should not be made, the Overseer in charge of the Public Works Department shall forthwith make the arrangements specified in the notice and recover the cost of the same from the owner according to the procedure laid down in the Corporation Act. The owner shall have an opportunity within seven days after receipt of the bill to show cause to the satisfaction of the Commissioner that the arrangements made were unnecessary.

5 The following is the scale of fees for obstructions and encroachments of different kinds.—

(a) for awnings—Two annas per square foot per month.

(b) for temporary archways across roads—Rupee one per day for each arch on each road.

(c) The fees for obstructions shall be charged at the scales mentioned above and such charges shall be recoverable in the manner prescribed in the Act for the recovery of consolidated rates.

(B) Occupation of Public Street for vending fruits, etc.

6 In such streets or public roads as may be specified and in such parts of the same as may be set apart by the Corporation, a fee of six annas per month or quarter of an anna per day shall be levied for the temporary occupation of a public street for the sale of articles, *e.g.*, vegetables, fruits, silk, cotton goods or ware, betel-leaf, head-loads of firewood, etc., provided that the Commissioner may allow the temporary occupation of public streets as not to inconvenience the public and may order the levy of a fee not exceeding four annas per square yard per month.

7 Any person who takes out a license for a certain area and subsequently occupies a greater area without taking out a license for the excess so occupied shall be liable to pay for such excess area an amount calculated at the rate of ten annas per month per superficial foot of the area so occupied. This amount shall be recoverable according to the procedure laid down in the Bangalore Corporation Act.

II. Regarding the erection of pendals or other temporary structures on public streets.

8 No pendals or other temporary structures for marriage or other purposes shall be erected in any street, land or public thoroughfare, without the written permission from the Commissioner. On receipt of application for permission to put up such structures, specifying the situation, size and other particulars, license will be issued by the Commissioner if he sees no objection thereto, on such conditions as he may think necessary to provide for the public convenience and safety on payment of the following fees:

(i) For a pendal 6 feet broad by 12 feet long or not exceeding 72 square feet.	None
(ii) For a pendal exceeding 72 square feet and not exceeding 150.	Eight annas
(iii) For every additional 150 square feet or portion.	Eight annas

(a) No pendal shall ordinarily be allowed to stand for more than 15 days,

An extension of time may be granted on payment of one half the original fee, but not so as to exceed a month from the commencement.

(b) If on the expiration of the time allowed in the license, or the period granted in extension thereto on special application, the person that puts up the structure does not remove it, the Commissioner may issue a notice to the defaulter for its removal within such time as may be fixed by him in each case; at the end of which time he may have it removed and the cost of such removal shall be recoverable from the defaulter as a municipal demand.

(c) Any breach of this bye-law will, on conviction, subject the offender to a penalty not exceeding Rs. 5 for the first offence and Rs. 10 for each subsequent offence.

(d) Provided that in the case of pendals intended for purposes of charity, religion or public utility, permission may be granted free of charge, but the period of its existence shall not exceed fifteen days.

III. Regarding the projections over public streets.

9 (a) No weather-board, sun-shade, shop-board or any other projections shall be allowed in any street which is less than 15 feet in width.

(b) In streets which are not less than 15 feet in width, permission may be granted for the putting up of weather-boards, sun-shades, shop-boards, etc., not exceeding 2½ feet in breadth.

10 In streets which are more than 30 feet wide, the weather-boards, sun-shades, shop-boards, etc., may not be more than 3 feet in width.

11 The weather-boards, etc., shall always be of non-inflammable material like zinc sheets or asbestos cement sheets.

12 The fees for weather-boards, etc., for every half year payable in advance shall be as follows:—

One rupee for every weather-board, etc., not exceeding 2½ feet in width and 10 feet in length or fraction thereof.

Two rupees for every weather-boards, etc., not exceeding 3 feet in width and 10 feet in length or fraction thereof.

13 The weather-boards, sun-shades, etc., shall not be less than 8 feet high from the plinth of the building or surface of the street.

14 Any breach of any of these Bye-laws not otherwise provided for will, on conviction, subject the offender to a penalty not exceeding Rs. 5 for the first offence and Rs. 10 for each subsequent offence.

Bye-laws under Section 367 (16) of the City of Bangalore Municipal Corporation Act, 1949, for the sanitary control and supervision of premises used for storing, packing, pressing, cleansing or preparing or manufacturing by any process whatever skins, hides, leather, in the City of Bangalore.

Industrial control—skins, hides, leather and carpets.

1 No person shall use any premises situated within 200 yards of any human habitation for storing, packing, pressing, cleansing, preparing or manufacturing skins, hides and leather.

2 (i) Any person using or desiring to use any place for any of the purposes mentioned in Bye-law No. 1 shall apply to the Commissioner for license.

(ii) The License shall be in the Form shown in the appended Schedule.

(iii) It shall not be transferable either as regards the person to whom or the place for which it is granted.

(iv) The following fees shall be charged for licenses granted under this bye-law:

Tannery ... Rs. 5 per annum.

3 Every person who has obtained from the Commissioner, a license for the use of any premises for any of the said purposes shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly flushed, washed, and cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

4 He shall cause all hair, fleshings and refuse fragments of skin or other matter detached from any hide or butt to be collected and placed in a suitable part of such premises to await removal therefrom. He shall cause all scraps of animal matter to be collected and stored in suitable water-tight non-absorbent receptacles properly covered and shall be emptied at least once in every 24 hours and finally disposed of in such manner as may be approved by the Commissioner.

5 He shall cause the hair, fleshings and refuse fragments of skin or other matter detached from any hide or butt which have been so collected and which are not intended to be subjected to any further trade process upon such premises to be removed therefrom at least once in every 24 hours and to be disposed of in such manner as may be approved by the Commissioner.

6 He shall cause every beam, table, bench, knife, hammer or other implement or apparatus used upon such premises for the purpose of unhairing, fleshing, rounding, scudding or stalling any hide or butt or in any other process of his trade to be thoroughly cleansed as often as may be necessary and shall prevent any accumulation of filth or refuse upon such beam, table, bench, knife, hammer or other implement or apparatus.

7 He shall—

(a) cause all waste lime which has been taken out of any pit upon such premises to be forthwith deposited in a suitable vessel or receptacle or in a properly constructed cart or carriage;

(b) cause every such vessel, receptacle, cart or carriage, when filled and loaded, to be properly covered in such a manner as to prevent the emission of noxious or injurious effluvia from the contents thereof; and

(c) cause all waste lime to be removed from such premises at least once in every 24 hours and disposed of in such manner as may be approv d of by the Health Officer.

8 He shall cause all filth which has been splashed upon any part of the internal surface of any wall of any buildings upon such premises to be removed by scraping or by scrubbing with fresh lime or by other effectual means at least once a week or more often if so required by the Health Officer.

9 He shall cause every part of the internal surface of the walls and ceiling of every building and every floor or pavement upon such premises to be kept at all times in good order and repair so as to prevent the absorption therein or percolation therefrom of any liquid filth or refuse or any noxious or injurious matter which may be splashed or may fall or be deposited thereon.

10 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

11 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

12 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall not permit or suffer any part of the building in such premises to be used at any time for the purposes of human habitation.

14 Nothing in the above bye-laws shall be deemed to apply to the storing of leather or skin properly tanned and dressed.

15 Whoever commits a breach of bye-laws Nos. 1 and 3 to 13 shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

6 He shall cause every floor or pavement upon such premises to be kept at all times in good order and repair so as to prevent the absorption of any liquid filth or refuse or any noxious or injurious matter which may fall or be deposited thereon.

7 He shall cause the drying ground and all the ground surface of such premises to be kept smooth and free from hollows or inequalities so as to prevent any accumulation thereon of any liquid filth or refuse.

8 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

9 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action. He shall dispose of coloured refuse in such manner as may be approved by the Engineer and shall in no case let coloured refuse into any public drain without the written permission of the Engineer.

10 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

11 He shall cause all refuse matter which may have fallen or have been deposited upon any part of the said premises to be collected and deposited in suitable air-tight non-absorbent covered receptacles to the satisfaction of the Health Officer. He shall cause all such refuse to be removed from such premises at least twice in every 24 hours and deposited in the municipal rubbish carts.

12 He shall not permit or suffer any part of the building upon such premises to be used at any time for purposes of human habitation.

13 He shall not permit any stagnation of water in any unused dye pots or receptacles in such premises.

14 Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in the case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of Licence.

This License is granted to Sri/Janab .....
(Name and address)
for the use of.....
(insert description of place)
as.....

This licence will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye-laws of the Corporation framed under the City of Bangalore Municipal Corporation Act, 1949.

Draft Bye-laws under Section 367 (16) and (34) of the City of Bangalore Municipal Corporation Act, 1949 [Act No. LXIX of 1949], for the sanitary control and supervision of places used for—(1) storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever, blood, bones, camphor, catgut, fat, manure, fish, meat, offal, oil, oil-cloth or tallow, or (2) packing, pressing, cleansing, preparing or manufacturing by any process whatever, soap or candles in the City of Bangalore.

1 No person shall use any premises within 200 yards of any human habitation for—

(*i*) storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever, blood, bones, camphor, catgut, fat, manure, fish, meat, offal. oil, oil-cloth or tallow ; or

(*ii*) packing, pressing, cleansing, preparing or manufacturing by any process whatever, soap or candles.

2 (*a*) Any person using or desiring to use any premises for the purposes mentioned in bye-law No. 1 above shall apply to the Commissioner for a licence.

(*b*) The Commissioner may either grant or refuse any such licence. When the Commissioner refuses grant of a licence, he shall give reasons therefor and an appeal shall lie to the Corporation from such order of refusal.

(*c*) The licence shall be in the Form shown in the appended schedule.

(*d*) It shall not be transferable either as regards the person to whom it is issued or the place for which it is granted.

(*e*) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year and may be renewed on application for a similar period.

(*f*) A sum of rupees five per annum shall be charged for every licence.

3 Every person who has obtained a licence from the Commissioner for the use of any premises for any of the said purposes, shall provide a sufficient supply of pure and wholesome water in the premises and shall cause such premises to be throughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

4 He shall cause all refuse, fragments of animal or other matter which have fallen or have been depostied

upon any part of such premises to be collected and deposited in suitable non-absorbant and impervious receptacle provided with tight fitting covers to the satisfaction of the Health Officer. He shall cause all such refuse to be removed from such premises at least once in every 24 hours and disposed of in such manner as may be approved by the Commissioner.

5 He shall cause the interior and exterior of every boiling pan and of every cask, vat, pan, trough, bench, table, tub, vessel or utensil or other receptacle upon such premises to be thoroughly cleansed as often as may be necessary and at least once at the close of every working day and shall prevent any accumulation of filth in or upon such cask, tank, vat, pan, trough, bench, table, tub, vessel or utensil or other receptacles.

6 He shall cause all materials which have been received on such premises and which are not required for immediate use in his trade to be stored in such a manner and in such a situation as to prevent the emission of noxious or injurious effluvia therefrom.

7 He shall adopt and shall cause to be maintained at all times in good order and efficient action all such means and appliances provided for rendering innocuous all gas, vapour, fumes or dust emitted during any trade process either from the articles operated upon or from the contents of any cask, tank, vat, pan, trough, or other receptacles upon such premises.

8 He shall cause every part of the internal surface of the walls of every building and every floor and pavement upon such premises to be kept at all times in good order and repair so as to prevent the absorption therein of any liquid filth or refuse or any noxious or injurious matter which may be splashed or may fall thereon.

9 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime-washed twice at least in every year in the months of April and October and more often if so required by the Health Officer.

10 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

11 He shall cause liquid refuse before it is discharged into a public drain to be cooled in such manner as to prevent the emission of noxious or injurious effluvia therefrom; and he shall not let or cause to be let into a public drain any greasy or oily refuse matter.

12 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall adopt such practical means as may be approved of by the Health Officer for the prevention of all nuisance by the smoke from any chimney or other place connected with such premises.

14 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the purpose of preventing any injury to any person employed therein, or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

15 He shall not permit or suffer any part of the building in such premises to be used at any time for purposes of human habitation.

16 No leper or no person suffering from an open sore or any loathsome, infectious, or contagious disease shall carry on the business referred to in bye-law No. 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

17 No licensee shall keep or stable permanently or temporarily any dog, cattle or other animal in or on any part of the premises.

18 Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of Licence.

This Licence is granted to Sri/Janab.....
(Name and address).....for the use of
.....
(insert description of place)
as .....

This licence will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye-laws of the Corporation framed under the City of Bangalore Municipal Corporation Act, 1949,

---

Draft Bye-laws framed by the City of Bangalore Municipal Corporation under Section 367 (16) of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for the control and Supervision of premises used for storing, packing, pressing, cleansing, preparing or manufacturing by any process whatever oil in the City of Bangalore.

---

1. (1) Any person using or desiring to use any premises for the purpose of storing, packing, pressing, cleansing, preparing or manufacturing oil shall apply to the Commissioner for a license.

(2) The Commissioner may either grant or refuse any such license. When the Commissioner refuses grant of a license he shall give reasons therefor and an appeal shall lie to the Corporation from such order or refusal.

(3) The license shall be in the Form shown in the appended schedule.

(4) It shall not be transferable either as regards the person to whom it is issued or the place for which it is granted.

(5) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year and may be renewed on application for a similar period.

(5) A sum of Rs. 5 per annum shall be charged for every licence.

2. Every person who has obtained from the Commissioner a licence for the use of any premises for the purpose of storing, packing, pressing, cleansing, preparing or manufacturing oil by any process whatever shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least once in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

3. He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and stored in suitable air-tight non-absorbent covered receptacles to the satisfaction of the Health Officer. He shall cause all such refuse to be removed from such premises at least twice in every twenty-four hours and shall be disposed of in such manner as may be approved by the Health Officer.

4. He shall cause all materials which have been received on the said premises and which are not required for immediate use in his trade to be stored in such manner and in such a situation as to prevent any nuisance arising therefrom.

5. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

6. He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7. He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

8. He shall adopt such practical means as shall be approved of by the Health Officer for the prevention of all nuisance by smoke or other effluvia from any chimney or other place connected with such premises.

9. He shall cause the surroundings of the mill or press to be paved and metalled and drained to the satisfaction of the Health Officer.

10. He shall cause all animals kept in connection with such mill or press to be properly housed in suitable places, tiled, paved and drained to the satisfaction of the Health Officer.

11. He shall not permit or suffer any part of the building in or on such premises to be used at any time for purposes of human habitation unless such building is efficiently separated from communication with the said premises to the satisfaction of the Commissioner.

12. He shall adopt such practical measures as are necessary to prevent any nuisance caused by the noise from such mill or press. He shall not cause any such mill or press to be worked between 6-30 p.m. and 5-30 a.m. without the written permission of the Commissioner.

13. No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease, shall carry on the business referred to in bye law No. 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business or allow a leper or any such person to enter, or loiter in or on, any part of such premises.

14 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in the case of a continuous breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE.

Form of License.

The License is granted to Sri/Janab.....
(Name and Address)
for the use of.....
(insert description of place)
as a .....

2. This License will expire on the 31st March 195 .

3. It is subject to the conditions set forth in the Bye-laws framed under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clauses (17) and (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (LXIX of 1949) for the Control and Supervision of Slaughter Houses and of places used for Skinning and Cutting up of Carcasses ; for the Control and Supervision of the methods of Slaughtering ; and for the Control and Supervision of Butchers carrying on business in them and for securing cleanliness, safety and order in the Slaughter Houses.

---

1 No person shall use any place within the limits of the Bangalore Municipal Corporation for the slaughtering of sheep, goats, camels or pigs intended for human food except a municipal or licensed slaughter house or places permitted by the Municipal Commissioner on special occasions.

2 The Veterinary Inspector in the employ of the Munitipal Corporation shall be in the immediate charge of the Municipal Slaughter Houses. A person bringing an animal intended for slaughter to the Municipal Slaughter Houses shall present such animal for inspection to the Veterinary Inspector at the places set about for the purpose in the Slaughter Houses at least two hours before the slaughtering commences. The Veterinary Inspector shall carefully inspect and examine every animal brought for slaughter whether for private consumption or for sale to the public and satisfy himself that such animals are perfectly healthy before he admits them for slaughter. He shall see that no diseased sheep, goats, camels or pigs are slaughtered therein for food or their carcasses removed to the Municipal Markets or other recognised or licensed places for sales.

3 The owner of the animal examined and passed by the Veterinary Inspector as fit to be slaughtered for food, shall pay the fees prescribed hereunder to the persons authorised to collect such fees before the animal is admitted into the slaughtering yard.

	Rs.	a.	p.
For each camel admitted for slaughter ...	1	0	0
For each sheep or goat admitted for slaughter.	0	3	6
For each pig admitted for slaughter ...	0	6	0

4 The Veterinary Inspector whose duty it is to inspect any animal presented for inspection shall reject any such animal which for any person may appear to him unfit to be slaughtered for human food. The owner of an animal so rejected shall cause it to be forthwith removed from the slaughter-house premises.

5 A person shall not under any circumstances pass or attempt to pass into the inner yard of the slaughter house any animal which has not been inspected and passed as fit to be slaughtered.

6 No person shall bring into the Slaughter house a dying or dead animal. If such animal is brought for slaughter, the Veterinary Inspector shall seize and destroy them at the cost of the owner of such animal.

N.B.—This bye-law shall not apply to the case of an animal which has met with an accident rendering it unfit for further work if it is brought to the slaughter house immediately after the accident.

7 The hours prescribed for slaughtering the sheep, goat or camel will be from 12 NOON to 7 P.M. and for slaughtering the pigs will be from 5 A.M. to 10 A.M.

8 The carcasses of all slaughtered animals shall be examined by the Veterinary Inspector. If any such carcass be found to be diseased, unsound or otherwise unfit for human consumption, it shall be seized, destroyed and disposed of so as to prevent its being used for human food or exposed for sale, at the expense of the owner or person in charge of the carcass at the time of the seizure. Except in cases of contagious or infectious diseases, the skin of the animal shall remain the property of the owner.

9 All animals are to be slaughtered in such a manner as will not cause unnecessary pain or suffering and in dressing any carcass or portion of a carcass, the meat shall not be subjected to the process of "blowing" or "Fooku" by any person.

10 No person shall rub or cause to be rubbed the inner sides of the skins upon the ground in any part of the Slaughter house, Slaughter house yard or in the neighbourhood of the Slaughter house premises.

11 No person shall allow the contents of the entrails, refuse, offal and other offensive matter to be washed or let into the sewer or drain, but they shall be removed and deposited in the receptacles provided for the purpose.

12 The owner of the animal slaughtered shall remove skins, entrails, offal and other matters from the premises of the Slaughter house within three hours after the slaughtering or dressing has been completed. If they are not removed within the time allowed, they shall become the property of the Corporation.

13 The carcasses of all animals slaughtered shall be removed to the hanging room attached to the Slaughter house and shall be kept there till 6 A.M. of the following day This rule will not apply to the carcasses of animals slaughtered for immediate use on special occasions such as public entertainments, marriages or festivals or to those intended for despatch by night train to outside places for which special permission of the Commissioner or the Health Officer of the Corporation has been obtained.

14 The Veterinary Inspector shall stamp all carcasses before they are removed from the hanging rooms to the stalls in the municipal markets or licensed meat stalls in token that they are passed out of Slaughter house as fit for food. No person shall remove any carcass from the hanging room without being stamped by the Veterinary Inspector.

15 Every person desirous of carrying on the business of a butcher, broker, shroff, animal dealer or hide-dealer,

or of otherwise carrying on trade or business, or of working for gain within the limits of the Slaughter house premises, shall obtain from the Commissioner a written permission or licence to enter and carry on such business within the said premises on payment of such annual fees as shall from time to time be fixed by the Commissioner with the sanction of the Corporation, and no person shall carry on any such trade or business or work for gain within the limits aforesaid without such written permission or licence or contrary to such permission or licence terms. Such permission or licence shall be granted up to the end of official year only and may be renewed for similar period on satisfying the conditions required therefor.

16 A butcher or other person who handles the carcasses in the Slaughter house and in the removal of the same to the market or other places shall produce before the Commissioner a certificate from the Health Officer or any medical officer not below the rank of an Assistant Surgeon showing that he is free from any contagious, skin or venereal disease when he applies for the permission or licence for the first time. Such a certificate shall be produced by him during the time of renewal of permission or licence every year. The Health Officer or Veterinary Inspector may require any butcher or other person handling the carcass to undergo medical examination at any time during the year if he suspects that the butcher or person handling carcass is suffering from any disease.

17 Every licensee shall be responsible for any damage done to the Slaughter house either by his own act or by the act of his servants. Any such licensee refusing to pay the cost of damages shall have his licence cancelled and the amount of damage shall be recoverable under Section 420 of the Municipal Corporation Act 1949.

18 No leper or person suffering from an open sore or any loathsome, infectious or contagious disease shall enter the Slaughter house nor such persons shall be employed by a licensee to remove any carcass or meat from the Slaughter house.

19 No dog shall be permitted to enter the premises of a Slaughter house and any dog found therein may be dealt with as a stray dog and destroyed by the Corporation.

20 No person shall spit in the premises of Slaughter house except in such receptacles as are provided for such purpose.

21 No person not being the holder of a written permission or licence shall, without the previous permission of the Commissioner, enter the Municipal Slaughter houses.

22 Any person resorting to the Municipal Slaughter houses for any purpose shall not at any time refuse, neglect or omit to comply with any reasonable directions of the Veterinary Inspector or any of his assistants for the maintenance of order and regularity.

23 No person shall remove carcasses and meat from a Slaughter house to any market or other place except in a suitable covered vehicle of an approved pattern and specially set apart for the purpose. Such person shall, during such removal, conceal the carcasses and meat from public view and completely protect them from flies and dust. Persons providing such vehicles shall at all times keep the same in a clean and sanitary condition and in good order and repair. Where such vehicles are provided by the Corporation, no person shall remove the carcasses and meat except in a vehicle so provided and such carting fees as may be fixed by the Standing Committee from time to time shall be paid for the use of the vehicle.

24 Whoever commits a breach of any of the foregoing bye-laws shall be liable for every such breach to fine which may extend to (Rs. 50) fifty rupees and in case of continuing breach to fine which may extend to (Rs. 15) fifteen rupees for every day during which the breach continues after conviction for the first breach.

Draft bye-laws under section 367 (28) and (34) for the regulation of private Hospitals and Nursing Homes for the treatment of Dangerous Diseases of persons in the City of Bangalore.

---

1. No person shall carry on within the City of Bangalore a private hospital or nursing home for the treatment of any of the dangerous diseases specified in Section 3 (a) of the City of Bangalore Municipal Corporation Act LXIX of 1949, or any other dangerous disease which may be notified from time to time by the Local Government under Section 345 of the City of Bangalore Municipal Corporation Act without obtaining a certificate of registration from the Commissioner, City of Bangalore Municipal Corporation.

2. The Commissioner may refuse registration of a private hospital or nursing home if he is satisfied —

138

(a) that by reason of its situation, construction, accommodation, staffing or equipment, the institution is objectionable, or

(b) that the institution is not under the charge of registered medical practitioner or that there is not a proper proportion of qualified nurses employed.

3. The certificate of registration must be kept affixed at a conspicuous place in the hospital or home.

4. The Commissioner may, by an order in writing, cancel the registration on any of the grounds which would entitle him to refuse the application for registration.

5. The Commissioner, Health Officer, or any person duly authorized by the Commissioner may enter any private hospital or nursing home at all reasonable times for the inspection of the premises and records.

6. Any person found guilty of having violated any of the above bye-laws shall be punished with a fine of Rs. 50 and in the case of second or subsequent offence with a fine of Rs. 100.

(Price One Anna)

Animal Control —Stables, Sheds and Cow-Houses.

Draft bye-laws under sections 290 (2) and 367 (14) of the City of Bangalore Municipal Corporation Act 1949 (Act LXIX of 1949) to provide for regulating the mode of constructing stables, cattle-sheds and cow-houses and connecting them with Municipal drains.

1. No person shall use any premises for stables, cattle-sheds or cow-houses within such distance of any human habitation as the Health Officer may specify.

2. The floor of such premises shall be at least one foot above the level of the adjoining ground.

3. No person shall use any premises for any of the purposes mentioned in bye-law 1, unless every building in such premises is constructed of masonry and unless every part thereof is constructed of non-inflamable material.

4. Every such premises shall comply with the following further requirements :—

(a) It shall have an open space of not less than 10 feet in width at least on two sides within the boundary of such premises. It shall be open on two sides which may, however, be fitted with such weather boards and screens as may in each case be approved by the Health Officer.

(b) It shall have a wall of a height of not less than 6 feet in any portion thereof between the floor and the wall plate.

(c) Shall provide for a floor space on the following scale namely :—

(i) for each horse—not less than 9 feet by 6 feet; and

(ii) for each bullock, cow or buffalo—not less than 9 feet by 4 feet.

Such space shall, in each case, be exclusive of the space occupied by any manger or drain or by any carriage or cart kept in such premises.

5. The owner or occupier of any such premises shall cause the flooring of every building in such premises to be paved or otherwise made impervious. He shall cause such flooring to be grooved and sloped towards an impervious masonry drain which, in unsewered areas in the city, shall be shallow and discharge into a grit chamber and shall be connected with a public drain when so permitted by the Commissioner. In sewered areas, such drains shall be provided with suitable traps and connected with the sewers. Where there is no public drain or sewer, the drain from the premises shall discharge into a masonry

cistern situated inside the yard. Such cistern shall be of such dimensions as to hold not less than twenty-four hours' flow of waste water from such premises and shall be closely covered and fitted with an air-tight frame and cover. Such cistern shall be completely emptied and cleansed at least once in every twenty-four hours and the waste water disposed of in such manner as may be approved of by the Health Officer.

6. He shall cause every open space in or upon such premises to be paved or metalled and drained to the satisfaction of the Commissioner.

7. He shall provide in such premises, if so required by the Commissioner, suitable latrine accommodation for persons employed in or using such premises.

8. He shall provide suitable covered, air-tight non-absorbent receptacles for the deposit of all refuse matter and shall cause such receptacles to be emptied twice in every twenty-four hours into dust bins or municipal carts.

9. He shall provide a sufficient supply of wholesome water and shall maintain such number of troughs for watering animals as may be prescribed by the Health Officer from time to time.

10. He shall cause the said premises to be thoroughly cleansed at least twice in every twenty-four hours or more often, if necessary, and shall prevent any accumulation of filth or refuse therein.

11. He shall give immediate notice to the Health Officer or the Divisional Sanitary Inspector of the occurrence of any infectious or dangerous disease among the animals in such premises and shall segregate or remove all sick animals to such places as the Health Officer may direct and shall not sell or cause to be sold or use or cause to be used the milk of such animals for any purpose without the written permission of the Health Officer.

12. Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

(Price One Anna)

Draft bye-laws framed by the City of Bangalore Municipal Corporation under sub-section (28) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act LXIX OF 1949), for regulating the destruction or segregation of horse and cattle suffering from anthrax, glanders, rinderpest or any other such disease.

---

1 Notice of the occurrence of any case of anthrax, glanders, rinderpest or any other such disease, affecting horses or cattle shall be given to the Health Officer or the Sanitary Inspector of the Division.

2 The Health Officer on receiving information of the existence of any such disease shall make such enquiry as may be necessary, and if he is satisfied that the removal or segregation of any such animals is necessary, the owner shall keep such animal or animals apart in or remove them to, such place as may be approved by the Health Officer.

3 On report from the Health Officer that the destruction of any animal is necessary by reason of its suffering from such disease, the Commissioner may, by order in writing, require such animal to be immediately destroyed, and no damages shall be payable in respect of any animal destroyed under such order. When any animal has died from, or been destroyed on account of, any such disease, the carcass shall be removed as soon as possible to the nearest cinerator and there cremated. The cost of such removal and cremation should be paid by the owner or person in charge of the animal.

4 Every place which had been occupied by any animal suffering from such disease, and everything which may have come into contact with such animal whilst so suffering, shall be immediately cleansed and disinfected in such manner as may be required by the Health Officer, and if any such thing is in the opinion of the Health Officer not susceptible of efficient disinfection, he shall require it to be destroyed, provided that for all articles so destroyed such compensation shall be paid as the Commissioner, after necessary enquiry, may consider reasonable. 139

5 Every stall or building which has been occupied by an animal suffering from such disease shall, within 24 hours after it has been disinfected as provided in Section 4 above, be thoroughly lime-washed, and no such stall or building shall be re-occupied, until at least 7 days after it has been so disinfected and lime-washed.

6 Breach of any of these rules shall render the offender liable on conviction to a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which the breach continues.

Draft Bye-laws under sub-section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), to provide for the Sanitary Control and supervision of places for the manufacture and preparation of ærated waters.

---

1 (a) No place shall be used as a place for the manufacture and preparation of ærated waters without previously obtaining a licence therefor from the Commissioner of the City of Bangalore Municipal Corporation, on payment of a fee of Rs. 50 : provided that no licence will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

(b) Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a licence. Every application shall be in the form shown in Schedule "A". Except in the case of temporary licence, every application should be made not less than 15 days before the date from which the licence applied for is to commence.

(c) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year : provided that a temporary licence for a period not exceeding one year may be granted for any special occasion and such licence shall expire with the period for which it is granted.

(d) The licence shall be in the form shown in Schedule "B".

Every application for the renewal of a licence granted under the bye-law shall be made before the end of the first month of each official year.

The Commissioner may, in his discretion on the advice of the Health Officer, grant or refuse a licence. When he refuses to grant a licence, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

(e) The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place for which it is granted. The licence shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

2 No person shall use any building for manufacturing ærated waters unless—

(a) it is constructed of masonry;

(b) every part therefor is constructed of non-inflammable material; and

(c) suitable accommodation is provided separately for—

(i) the cleansing of bottles, (ii) the filteration and storage of water, (iii) the charging of bottles, (iv) the storage of all materials connected with such manufacture, and (v) the making and mixing of syrups.

3 Every person who has obtained from the Commissioner a licence for the use of any premises as an aerated water factory shall provide a sufficient and good supply of water in such premises and shall cause such premises to be thoroughly cleansed at least twice in every twenty-four hours or more often, if necessary and shall prevent any accumulation of filth or refuse therein.

4 He shall cause the flooring of every building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer. Such flooring shall be kept at all times in good order and repair.

5 He shall provide good ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

6 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

8 He shall not use or permit or suffer any part of such premises to be used at any time for purposes of human habitation or for stabling animals.

9 He shall provide such latrine accommodation for persons employed in the factory as is approved by the Health Officer. Such latrine shall be situated outside the building used as aerated water factory and shall not communicate directly with it.

10 He shall provide filters, storage tanks, vessels for boiling and other appliance of such design, materials and capacity as the Health Officer may by general or special order require for the purification and storage of water and he shall cause to be maintained at all times such storage tanks, boiling vessels and other appliances in a clean and sanitary condition and in good order and repair. He shall not cause or suffer any aerated waters to be manufactured in such premises from water which has not been filtered and purified to the satisfaction of the Health Officer.

11 He shall provide for the preparation of syrups or such other articles, vessels of glass or enamel or of such other material as may be approved by the Health Officer.

12 He shall cause every bottle to be thoroughly washed and cleansed with a brush or other suitable apparatus, and shall, before it is charged, cause it to be drained of the water in it by keeping its mouth downwards on a rack provided for the purpose.

13 He shall provide a sufficient number of racks of a design approved by the Health Officer for the draining of washed bottles and for storage of charged bottles.

14 He shall provide sach bottles and corks as may be approved by the Health Officer.

15 He shall not use or cause to be used such chemical and colouring matter that is injurious to health.

16 He shall provide chemical and colouring matter whose chemical composition and the manufacturers's label is given on such bottles.

17 He shall not use or cause to be used any flannels, sponges, muslins or other similar materials in the purification or filteration of water or the preparation of syrups.

18 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances, as the Health Officer may, from time to time, require for the purpose of preventing, any injury to any person employed therein or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

19 No person shall spit in or upon such premises except in which receptacles or places as are provided for the purpose.

20 No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall carry on the business referred to in bye-law 1 and no licensee shall employ leper or any person suffering as aforesaid to assist him in carrying on such business.

21 Every licensee shall cease temporarily to carry on such business on the occurence of leprosy or of any loathsome, infection or contagious disease in his house or in the house of any person employed in or assisting in such business and he shall not sell any article made or kept therein or resume such business without the written permission of the Health Officer.

22 He shall not permit any aerated waters manufactured in such premises to be issued without his trade label being affixed thereon. 140

23 He shall cause every person employed in such business to be medically examined on entertainment and once every year thereafter. He shall also require every such person to produce a certificate from a Corporation Medical Officer to the effect that he is free from disease or infection of any kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Corporation Medical Officers and shall be produced by the licensee for inspection as often as may be required by the Health Officer or Inspecting Officers.

24 No dog shall be kept or permitted in any aerated water factory.

25 The licensee shall, whenever so ordered by the Commissioner, forward to an approved or Corporation laboratory samples of water at any stage in the manufacture of aerated water for chemical and bacteriological examination. He shall submit the result of every such examination to the Commissioner and shall also meet all expenses incurred in this behalf.

26 He shall not hire out any machinery to, or permit any machinery to be used by private individuals for charging with gas or for manufacture of aerated waters.

27 Whoever commits a breach of any of the above bye-laws shall be punishable:—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach : or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt notice from the Commissioner to discontinue such breach.

as a place for the preparation of bread, biscuits and confectionery.
This licence will expire on the.....195 .

It is subject to the conditions set forth in the bye-laws of the Municipal Corporation framed under the City of Bangalore Municipal Corporation Act 1949.

Draft bye-laws adopted by the City of Bangalore Municipal Corporation under Section 367 (34) of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) for the control of Barber Shops and Hair Dressing Saloons.

---

1 No person shall use any premises as a Barber Shop or Hair Dressing Saloon unless—

(*a*) it is constructed of masonry, or of such other durable material as may be approved by the Commissioner; and

(*b*) every part thereof is constructed of non-inflamable material.

2 Any person wishing to use any premises as a Barber Shop or Hair Dressing Saloon shall apply for a license therefor to the Commissioner, Municipal Corporation, who may, in his discretion grant the license applied for or require the applicant to effect such improvements as in the Commissioner's opinion are necessary before his application can be considered or may refuse to grant the license if, in his opinion the premises are unsuitable for the purpose.

3 Applications must be made to the Commissioner before the end of the first month of each official year for renewal of all licenses granted under this bye-law.

4 A fee of one rupee per annum shall be charged for each license under this bye-law.

5 Every person in charge of such premises shall cause every part of the flooring in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Commission and such flooring shall at all times be kept in good order.

6 He shall provide suitable means of drainage upon or in connection with such premises, and all cause the same to be maintained at all times in good order and efficient condition.

7 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient condition.

8 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime washed at least twice in every year in the month of April and October or more often if so required by the Commissioner.

9 He shall provide suitable covered receptacle in suitable place in such premises for the deposit of all refuse matter and shall cause the such receptacle to be emptied at least once in every twenty-four hours.

10 He shall provide in such premises a sufficient supply of water.

11. No leper and no person suffering from an open sore or any loathsome infectious disease shall carry on the business of a barber or be employed in, or assist in the carrying on of such business.

12 Every barber or operator working in such premises shall wear a clean apron when attending of any customer.

13 Every barber or operator shall wash his hands thoroughly with soap and water before and after serving each customer; the hands of the barber or operator shall, after the customer is served, in addition to being washed with soap and water be dipped in such disinfectant any may be approved by the Commissioner.

14 Razors and other instruments used for a customer shall be rendered safe immediately after such use by being thoroughly cleaned and dipped in boiling water or disinfected in a disinfectant approved by the Commissioner.

15 Every shaving mug and brush shall be thoroughly rinsed in hot water after each occasion they are used.

16 At the end of every day, every brush, towel and comb used in the premises shall be sterilized by being immersed in boiling water or disinfected in such disinfectant as may be approved by the Commissioner.

17 Alum or any other similar material used to stop the flow of blood shall be applied in powdered or liquid form only.

18 No person shall spit in such premises except in such receptacles or places as are provided for the purpose.

19 No leper and no person suffering from any visible skin disease open sore or any loathsome infectious or contagious disease shall be admitted or be served in such premises.

20 Every person employed as a barber in a barber shop or hair dressing saloon shall obtain a medical certificate once a year, from a Municipal Medical Officer or a Registered Medical Practitioner to the effect that he is free from disease or infection of any kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Municipal Medical Officers. 141

21 Whosoever commits a breach of any of the above bye-laws shall be punishable.—

(*a*) with a fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to five rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to five rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Draft bye-laws under sub-section (16) of Section 367 of the City of Bangalore Municipal Corporation Act 1949, (Act No. LXIX of 1949) to provide for the sanitary control and supervision of places for the preparation of bread, biscuits or confectionery (for other than domestic use).

---

1. (a) No place shall be used as a place for the preparation of bread, biscuits or confectionery (for other than domestic use) without previously obtaining a licence therefor from the Commissioner of the City of Bangalore Municipal Corporation on payment of the fee prescribed in this behalf in Schedule A', provided that no licence will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

(b) Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a licence. Every application shall be in the form shown in schedule 'B'. Except in the case of temporary licence, every application should be made not less than 15 days before the date from which the licence applied for is to commence.

(c) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year; provided that a temporary licence for a period not exceeding one year may be granted for any special occasion and such licence shall expire with the period for which it is granted.

(d) The licence shall be in the form shown in schedule 'C'. Every application for the renewal of a licence granted under the bye-law shall be made before the end of the first month of each official year.

The Commissioner may, in his discretion on the advice of the Health Officer, grant or refuse a licence. When he refuses to grant a licence, he shall give reasons therefor and an appeal shall lie to the Health Committee from such an order of refusal.

(e) The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place for which it is granted. The licence shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

2. No person shall use any building for baking or preparing bread, biscuits or confectionery (for other than domestic use), unless.—

(a) it is constructed of masonry;

(b) every part thereof is constructed of non-inflamable material; and

(c) it contains sufficient and separate accommodation for (i) store room, (ii) oven and (iii) kneading room.

3. Every person who has obtained from the Commissioner a licence for the use of any premises for any of the abovesaid purposes shall provide a sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

4. He shall cause all materials which have been received on such premises and which are not required for immediate use in his trade to be stored in a separate well-ventilated room.

5 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

6 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall adopt such practical means as may be approved by the Health Officer for the prevention of all nuisance from smoke or other effluvia arising during the process in the manufacturing, etc. He shall also maintain them at all times in good order and efficient action.

7 He shall cause the flooring of building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Commissioner. Such flooring shall be kept at all times in good order and repair.

8 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

9 He shall not permit or suffer any part of such premises to be used at any time for purposes of human habitation or for stabling animals.

10 He shall provide suitable non-absorbent, air-tight, covered receptacles in such premises for the deposit of all refuse matter and he shall cause such receptacles to be emptied as often as may be necessary and at least twice in every twenty-four hours into the dust bin provided by the Corporation for the purpose.

11 No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose.

12 Every licensee shall provide in such premises latrines in such position and of such description, size and number as the Health Officer may direct for the use of persons employed therein. The licensee shall not provide any lavatory, urinal or latrine opening directly into or upon, any place in which bread, biscuits and confectionery are prepared or stored otherwise than through a fully ventilated passage.

13 He shall cause every person employed in the preparation, distribution or handling of any article of food or drink in such premises to be medically examined on entertainment and (once) every year thereafter. He shall also require every such person to produce certificate from a Corporation Medical Officer or a Registered Medical Practitioner to the effect that he is free from disease or infection of any Kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Corporation Medical Officers and shall be produced by the licensee for inspection as often as may be required by the Health Officer or Inspecting Officers.

14 He shall cause the surface of every dough table used in such premises to be kept smooth and impervious and free from cracks and crevices. He shall also cause it to be thoroughly cleansed both morning and evening and covered over with a clean cloth when not in use.

15 He shall keep at all times all trays and other utensils used in the business in a clean and sanitary condition and in good order and repair.

16 He shall store in bags all flour and other articles which are not required for immediate use and shall place them not on the ground but on benches, tables or other raised platforms made of impervious material.

17 He shall provide every person employed in such premises with a clean apron.

18 He shall store all bread, biscuits, confectionery and other articles prepared in such premises in such manner as to completely protect them from dust, flies and vermin.

19 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in bye-law 1 and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

20 Every licensee shall cause temporarily to carry on such business on the occurrence of leprosy or of any loathsome, infectious or contagious disease in his house or in the house of a person employed in or assisting in such business and he shall not sell any article made or kept ethrein or resume such business with the written permission of the Health Officer.

21 No dog shall be kept or permitted in any such premises.

142

22 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in cases of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

SCHEDULE "A".

(Price One Anna.)

Draft Bye-laws under Sections 367 (16) and (34) of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) and all other Provisions thereunto enabling to provide for the Regulation of beedi manufacture in the City of Bangalore. These Bye-laws will apply to places where beedies are manufactured or made and where not less than ten operatives are employed.

---

1 No place shall be used for the manufacture of Beedies without previously obatining a license therefor from the Commissioner of the City of Bangalore Municipal Corporation on payment of a fee of Rs. 50, provided that no license will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

2 Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a license. Every application shall be in the form shown in schedule "A". Except in the case of temporary license every application should be made not less than fifteen days before the date from which the license applied for it to commence.

No license shall be granted for a period exceeding one year and every license shall be granted so as to expire with the Official year, provided that a temporary license for a period not exceeding one year may be granted for any special occasion and such license shall expire with the period for which it is granted.

3 The license shall be in the form shown in schedule 'B'.

Every application for the renewal of a license granted under the Bye-law shall be made before the end of the first month of each official year.

The Commissioner may in his discretion on the advice of Health Officer grant or refuse a license. When he refuses to grant a license, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

4 The license granted under these bye-laws shall not be transferable either as regards the person to whom, or the place from which it is granted. The license shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

5 No person shall use any premises to be used for manfacturing or making beedies, unless:

(i) such premises are constructed of masonry or such other durable materials as may be approved by the Commissioner, and

(ii) every part of such premises is constructed of non-inflammable materials.

6 Every person who uses any premises or permits any premises to be used for manufacturing or making beedies shall provide separate accommodation for.—

(i) the storage of beedi leaves,

(ii) the manufacture or making of beedies, and

(iii) the storage of beedies.

The accommodation provided in each case shall be such as may be considered by the Commissioner to be suitable and adequate.

7 The owner, occupier or other person in charge of or having control over the premises shall cause every part of the flooring of such premises to be paved or otherwise rendered impervious and drained to the satisfaction of the Commissioner and such flooring and drains shall, at all times be kept in good order and repair.

8 He shall provide suitable means of ventilation and lighting for every room in such premises and shall cause the same to be maintained at all times in good order and efficient action.

9 He shall cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

10 He shall provide in such premises if so required by the Commissioner or the Health Officer, latrines and water clossets in such position and of such description, size and number as the Commissioner or the Health Officer may direct for the use of persons employed therein.

11 He shall provide in such premises a sufficient and good supply of water.

12 He shall cause the said premises to be thoroughly cleaned as often as may be necessary and at least twice in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

13 He shall provide suitable covered receptacles for the deposit of all refuse matter and such receptacles shall be emptied and thoroughly cleaned at least twice in every twenty-four hours.

14 He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot limewashed to the satisfaction of the Health Officer at least twice every year in the months of April and October or more often if so required by the Health Officer.

15 He shall not cause or suffer any fire to be lighted in or on such premises. He shall not use or suffer to be used any naked lights on such premises nor shall permit any smoking therein.

16 He shall not permit or suffer any part of such premises to be used at any time for purposes of human habitation unless such part is sufficiently detached or separated from the rest of the said premises to the satisfaction of the Health Officer.

17 The license, when so required by the Health Officer, shall cause any employee engaged in the preparation, manufacture or handling of beedies in such premises to be examined and a certificate to be produced of being free from disease or infection of any kind and fit to carry on such business. The certificates shall be granted free of cost by the Medical Officers for males and Lady Doctors for females in charge of Corporation dispensaries. 143

18 He shall cease to carry on the business on the occurrence of any loathsome, infectious, contagious or dangerous disease in such premises and shall not resume the business, till the premises are completely free from the disease or the infection or the contagion as the case may be.

19 (a) He shall not carry on such business if he is a leper or suffers from an open sore or any loathsome, infectious or contagious disease.

(b) He shall not allow any leper or any person suffering from an open sore or any loathsome, infectious or contagious disease to assist him in carrying on such business or to enter any part of such premises.

20 No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose

21 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

for the manufacture of beedies.

This license will expire on the.....19 .
It is subject to the conditions set forth hereunder and the bye-laws and rules of the Municipal Corpration framed under the City of Bangalore Municipal Corporation Act.

Draft Bye-laws under sub-section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949,) to provide for the Sanitary Control and Supervision of Places for the manufacture and preparation of Ice.

---

1 (*a*) No place shall be used as a place for the manufacture and preparation of ice, without previously obtaining a license therefor from the Commissioner of the City of Bangalore Municipal Corporation, on payment of a fee of Rs. 50, provided that no license will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

(*b*) Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a license. Every application shall be in the form shown in schedule

"A". Except in the case of temporary license, every application should be made not less than 15 days before the date from which the license applied for is to commence.

(c) No license shall be granted for a period exceeding one year and every license shall be granted so as to expire with the official year; provided that a temporary license for a period not exceeding one year may be granted for any special occasion and such license shall expire with the period for which it is granted.

(d) The license shall be in the form shown in schedule 'B'. Every application for the renewal of a license granted under the bye-law shall be made one month before the end of the official year.

The Commissioner may, in his discretion on the advice of the Health Officer, grant or refuse a license. When he refuses to grant a license, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

(e) The license granted under these bye-laws shall not be transferable either as regards the person to whom, or the place for which it is granted. The license shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated. The licensee's name and number shall be further exhibited on the Trade Board or Sign Board of the licensee and he shall have such a Trade Board or Sign Board.

2 No person shall use any building for manufacturing ice unless :—

(a) it is constructed of masonry; and

(b) every part thereof is constructed of non-inflamable material.

3 Every person who has obtained from the Commissioner a license for the use of any premises as an ice factory, shall provide in such premises a sufficient supply of water from a source approved by the Health Officer in writing and shall cause such premises to be thoroughly cleaned at least twice in every twenty-four hours or more often if necessary and shall prevent any accumulation of filth or refuse therein.

4 He shall cause the flooring of every building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer. Such flooring shall be kept at all times in good order and repair.

5 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

6 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7 He shall provide such latrine accommodation for persons employed in the Factory as is approved by the Health Officer. Such latrine shall be situated outside the building used as ice factory and shall not communicate directly with it.

8 He shall cause every part of the internal surface of the walls and ceiling at every building upon such premises to be hot lime-washed at least twice in every year in the months of April and October or more often, if so required by the Health Officer.

9 He shall not use or permit or suffer any part of such premises to be used at any time for purposes of human habitation or for stabling animals.

10 He shall provide filters, storage tanks, vessels for boiling and other appliances of such design and material and capacity as may be required by the Health Officer for the purification and storage of water and he shall cause to be maintained at all times such storage tanks, boiling vessels and other appliances in a clean and sanitary condition and in good order and repair. He shall not cause or suffer any ice to be manufactured in such premises from water which has not been thoroughly filtered and purified to the satisfaction of the Health Officer. He shall not use or cause to be used any flannel, sponge or muslin or other similar material in the purification or filtration of water.

11 He shall, whenever so ordered by the Commissioner, forward to any approved or Corporation Laboratory samples of ice and water used in its manufacture at any stage in the process for chemical and bacteriological examination. He shall submit the result of every such analysis to the Commissioner, and shall also meet all expenses incurred in this behalf, whenever the results of such analysis have gone against him.

12 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Health Officer may, from time to time, require for the purpose of preventing any injury to any person employed therein or preventing, abating or minimizing any nuisance or annoyance to the neighbourhood or to the public.

13 No person shall spit in or upon such premises except in such receptacles or places as are provided for the purpose.

14 No leper and no person suffering from an open sore or loathsome, infectious or contagious disease shall carry on such business and no licensee shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.

15 Every licensee shall cease temporarily to carry on such business on the occurrence of leprosy or of any loathsome, infectious or contagious disease in his house or in the house of any person employed in or assisting in such business and he shall not sell ice made or kept therein or resume such business without the written permission of the Health Officer.

16 No dog shall be kept or permitted in any such premises.

17 Whoever commits a breach of any of the above bye-laws shall be punishable—

(a) with fine which may extend to fifty rupees and in case of continuing breach with fine which may extend to fifteen rupees for every day during the breach continues after conviction for the first breach; or

(b) with fine which may extend to ten rupees for every day, during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

NOTIFICATIONS RELATING TO LOCAL SELF-GOVERNMENT.

LOCAL SELF-GOVERNMENT SECRETARIAT.

Notification dated 3rd—7th September 1951.

No. L. 6103—Ml. 58-51-2. Under Section 7 (1) of the Town Municipalities Act, 1951 (Mysore Act XXII of 1951), it is hereby notified that it is proposed to alter, as noted below, the limits of Channarayapatna Municipality.

Any person objecting to the above proposal may send his objections with the reasons therefor in writing to the Commissioner, Local Self-Government in Mysore, Bangalore, within two months from the date of this Notification. Objections received after the expiry of this period will not be considered. The revised municipal boundary of the Channarayapatna Town Municipality will be as follows :—

The boundary will start from the existing boundary stone from the north of Channarayapatna Town in Bagur Road and runs down to the east and will take a turn towards south in Survey No. 20 of Guranahalli Village and turns from the edge of the tank towards south and passes through Survey No. 21 of Guranahalli Village and will take a turn towards east of Survey Nos. 4, 5, 6 and 8 of Channarayapatna and towards west and passes through the tank waste-weir and will take a turn towards east of Survey Nos. 36, 38, 39, 40, 41, 42, 43, 44, 45, 50, 59 and 60 of Channarayapatna and will join the existing boundary stone in Bangalore-Mangalore Road. Again it proceeds towards east up to Pirangi Mata and turns towards south of Survey Nos. 61 and 62 of Channarayapatna and crosses the Survey No. 64 of Channarayapatna and turns towards south and will join the Sravanabelagola Road and the boundary stone will have to be fixed at Bindenahalli Gate Pillar in south-east corner of Channarayapatna. Then it turns towards west and proceeds up to Survey No. 72 of Channarayapatna and turns towards south of Survey Nos. 72, 73 and 74 of Channarayapatna and again joins the existing boundary stone in Bangalore-Mangalore Road. Then it turns towards the south of Survey Nos. 76, 77, 78, 79 and 80 of Channarayapatna and the road corner of Devasthanada Kalenahalli Village and turns towards west and proceeds up to Survey No. 108 and turns towards south of Survey No. 108 of Channarayapatna and turns to west and proceeds up to Survey No. 111 and will turn to south-west corner of Survey No. 111 of Channarayapatna and proceeds up to Survey No. 107 and turns towards south of Survey No. 107 and proceeds up to Survey No. 113 again turns towards west up to Survey No. 123 and turns towards south of Survey No. 123 and turns towards the south of proposed Adikarnataka Colony and turns towards west up to Survey No. 117 and turns to north of Survey No. 117 and proceeds up to Survey No. 122 and takes a turn towards south of Survey No. 122 and takes a turn towards south of Survey No. 122 and joins the Mysore Road. The boundary stone will have to be fixed at the south-west corner of Survey No. 118. Then it straight proceeds towards north in Mysore Road and turns to east of Survey No. 90 of Nagasamudra village and turns towards north up to Survey No. 74 and turns towards west of Survey Nos. 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87 and 88 of Nagasamudra Village and proceeds up to Survey No. 173 and turns towards north-west corner of Survey No. 173 of Channarayapatna and crosses the Bangalore-Mangalore Road and cuts the Survey Nos. 173 and 174. The boundary stone will have to be fixed on eastern side of the road at Survey No, 175, *i.e.*, near the 92 mile of Bangalore-Mangalore Road. Then it proceeds towards north up to Survey No. 175 and turns towards north-east of Survey No. 175 and will turn to west of Survey Nos. 177 and 178 and again takes a turn towards north of Survey Nos. 178 and 184 and proceeds up to Survey No. 183 and turns towards south-east of Survey No. 183 and proceeds towards north and it goes towards north-east corner of Survey No. 183 and passes through in middle of Survey No. 25 of Guranahalli Village and turns towards north of Survey No. 24 up to the end and again turns towards the east and joins the boundary stone in Bagur Road.

NOTIFICATIONS RELATING TO LOCAL SELF-GOVERNMENT.

LOCAL SELF-GOVERNMENT SECRETARIAT.

Notification dated 4th October 1951.

No. L. 6948 Ml. 58-51-4. Under Section 7 (1) of the Mysore Town Municipalities Act of 1951, it is hereby notified that it is proposed to alter as noted below the limits of the Hosanagar Town Municipality :—

Any person objecting to the above proposal may send his objections with the reasons therefor in writing to the Commissioner for Local Self-Government in Mysore Bangalore, within two months from the date of this Notification. Objections received after the expiry of this period will not be considered.

The revised Municipal Boundary of the Hosanagar Town Municipality will be as follows :—

North.—The boundary line commences from Survey No. 158 of Kalur village and meets the bandu in the middle of Survey No. 19. The line then turns to the East and runs along the Southern boundary line of Survey Nos. 159, 167, 168, 169, 170, 171 and then turns to the South and passes through the Eastern boundary of Survey No. 172 and running to the West, it passes along the Southern boundary of Survey No. 172. The line again runs to the North passing through the Eastern boundary of Survey Nos. 172 and 173, Nos. 2, 3 and 4. The line again turns to the East, passing through the Northern boundary line of Survey No. 1 and then again turns to the South at the North-east corner of the same survey number and passes through Northern boundary of Survey No. 84. The line again turns to the East at the North-west corner of Survey No. 84 and passes through the Southern boundary of Survey Nos. 83, 85 and 99. The line then takes a North-easterly direction and passes through the Western boundary of Survey No. 19 of Mavinkoppa village and again turning to East passes through the same Survey number and meets the bandu at South-west corner of Survey No. 18 of Mavinkoppa village. The line, then passing through the Southern boundary of Survey No. 18 again crosses the Survey No. 19 and meets the bandu at the South-east corner of Survey No. 16. The line after passing through Southern boundary of Survey No. 16 again crosses Survey No. 19 and meets the Hosanagar-Ananthapur Road. The line again taking a Southern direction in the middle of Mavinkoppa Survey No. 15.

East.—The line again taking a Southern direction of the same number, crosses the Hosanagar-Ananthapur Road and Hosanagar-Shimoga Road and passing through the Survey No. 13 of Ganganakoppa village meets the bandu at the North-west corner of Survey No. 10 of the same village. The line taking a Southerly direction passes through the Western boundary line of Survey Nos. 10 and 11. The line again turning to the West passes through the Northern boundary of Survey No. 18 and meets the bandu at the South-western corner of Survey No. 13. The line then passes through the Survey Nos. 19 and 20 meets the bandu on the Northern boundary of Survey No. 21 and then turning to the West meets the bandu at the North-east corner of the same survey number. The line then turns to the West and passes through the Northern boundary of Survey Nos. 21 and 9. The line after passing through the Survey No. 5 meets the bandu at the Southern corner of the same number.

South.—The line meets the North-eastern boundary of Survey No. 4 and passes through the Northern boundary of Survey Nos. 5, 4, 74, 72 and 73 and meets the bandu. at the North-west corner of Survey No. 73. The boundary line then takes a Southerly direction and passes through the Western boundary line of Survey Nos. 73, 72, 71, 70, 69, 68, 67 and 66, and meets the bandu at the South-west corner of Survey No. 66. The line then turning to the West passes through the Northern boundary of Survey No. 54 and meets bandu at the Eastern boundary line of Survey No. 53. The line, then turns to the North and passes through the Eastern Bound are of Survey No. 53 and meets the bandu at the North-East corner of the same number. It then turns to the West and passes through the Northern boundary of Survey No. 53 and at that place crosses the Nagar-Hosanagar Road and meets the bandu at the North-east corner of Survey No. 133 of Kalur village.

West.—The line then takes a North-Westerly direction at Survey No. 133 of Kalur village and passes along the Northern boundary of the same number and meets bandu at the South-East corner of Survey No. 117. The line then taking a North-easterly direction passes along the Eastern boundary line of Survey Nos. 117 and 116 and meets the bandu at the North-East corner of Survey No. 116, it then turns to the West and passing along the Northern boundary line of Survey Nos. 116 and 117 and meets the North-west corner of Survey No. 117. OFFICE OF THE COMMISSIONER, CORPORATION OF BANGALORE.

Notice dated 13th October 1951.

No. A.1. C. 15–50. The appended six draft bye-laws are published under Section 371 of the City of Bangalore Municipal Corporation Act, 1949, for the information of the public. The drafts will be proceeded with as laid down in sub-section (*b*) of Section 371 of the Act. Printed copies of the draft bye-laws are kept at the Municipal Offices (City and Civil Station areas) for public inspection and all persons are permitted to peruse them during office hours free of charge. Printed copies of the draft bye-laws will also be sold to any person requiring them on payment of one anna per draft bye-law.

N. S. HIRANNAYYA,
Commissioner.

The following bye-laws adopted by the Municipal Corporation of the City of Bangalore, under clause (13) of section 367 of the City of Bangalore Municipal Corporation Act, 1949 for the regulation of hotels, boarding houses, rest-houses, restaurants, eating houses, cafes, refreshment rooms, coffee houses and any premises to which the public are admitted for the consumption of any food or drink.

---

1. No place within the municipal limits of the City of Bangalore shall be used as hotel, boarding house, rest-house, restaurant, eating house, cafe, refreshment room, coffee house or premises to which the public are admitted for the consumption of any food or drink without a licence from the Commissioner or other officer appointed by him in this behalf and such licence shall remain in force from the date on which it is granted until the 31st March following and may be renewed every year. Provided that a temporary licence for a period not exceeding one month may be granted for any special occasion, and such licence shall expire with the period for which it is granted.

2. (*a*) Application for a licence with the necessary fee shall be made not less than 30 days before the date for which the licence applied for is to commence.

(*b*) Application for the renewal of a licence granted under these bye-laws shall be made with the necessary fee not later than one month before the expiry of the period for which the licence is granted.

(*c*) Every such application shall be in the form shown in Schedule 'A'.

3. (*a*) The Commissioner may, in his discretion, on the advice of the Health Officer, grant or refuse to grant a licence. When he refuses to grant a licence he shall give reasons therefor, and an appeal shall lie to the Health Committee for such an order of refusal.

(*b*) The licence granted under these Bye-laws shall not be transferable either as regards the person to whom, or the place to which it is granted.

(*c*) The licence shall be affixed in a conspicuous place to which it pertains with the name and residential address of the licensee correctly stated.

(*d*) The licence shall be in the form shown in Schedule "B" and the licence fee shall be charged on the basis on one month's rental value of the building in which the hotels or any other eating or drinking house is located. The fee shall be payable in advance yearly commencing from the 1st day of April.

4. (i) Every person who has obtained from the Commissioner a licence under Bye-law No. 1 above, shall be held responsible for all Acts done by his agents or servants in connection with the business for which the licence has been obtained.

(ii) Where the holder of any licence under Bye-law No. 1, has employed any person or persons to be in charge of the place for which such licence is granted, such person or persons shall also be responsible for due observance of all the conditions prescribed by those bye-laws.

5. Premises for any of the purposes mentioned in bye-law 1, shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of inflamable materials. The roofing shall be plain and ratproof.

6. Every such premises shall contain suitable and separate accommodation for the preparation, storage and service of food.

7. The walls of the premises shall be rendered impervious to water by cement plastering or otherwise up to a height of four feet from the ground level, and the rest of the said walls shall be plastered with chunam.

8. The floor shall be either cemented or paved with Cuddapah slabs with cement pointing and sufficient drainage shall be provided.

9. He shall cause every drain by means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action. No cess-pools should be permitted on the premises. If sewers exist, they should be properly trapped.

10. He shall provide in such places as may be approved by the Health Officer suitable washing platforms having impervious surface.

11. He shall provide sufficient latrine accommodation as required by the Commissioner. Every latrine, privy or urinal on the premises shall be kept clean and thorougly disinfected daily and the night-soil shall always be covered with ashes or earth and removed daily. Where facilities are available, flush latrines should, as a rule, be provided.

12. He shall provide suitable means of ventilation and lighting upon or in connection with every room in such premises and shall cause the same to be maintained at all times in good order and efficient action.

13. He shall provide in every place set apart for the manufacture or preparation of food suitable smoke outlets and shall cause the same to be maintained in good order and efficient action.

14. The premises will have water connection from the public main and such connection and all fittings thereof shall be kept in proper order and efficient action so as to provide for use on the premises sufficient supply of water for the purpose of business and for thoroughly washing and cleansing such premises. Only water from this source shall be used for all purposes connected with the business. If water has to be stored, it shall be stored only in a metallic tank fitted with a tap and covered at the top with a tight fitting metallic lid and placed four feet above the ground level. In case there is a well, it should conform to sanitary principles and its mouth should be covered and fitted with a pump.

15. Where furniture is required or provided for the convenience of customers, he shall cause the surface of every table, bench or board on which food is served to be made of marble or polished stone or slab or similar non-absorbent material and shall cause the same to be kept clean at all times.

16. He shall provide suitable covered receptacles for the deposit of all refuse matter and such receptacles shall be emptied and thoroughly cleansed at least twice in every twenty-four hours.

17. He shall cause every part of the internal surface of the walls and ceiling of every building in such premises to be hot lime-washed to the satisfaction of the Health Officer at least four times in every year in the months of January, April, July and October or more often if so required by the Health Officer.

18. He shall not use or cause to be used in the manufacture, preparation, storage or distribution of any article of food any vessel or utensil which is likely to get corroded or to give a metallic or other unwholesome taste or in any way deleteriously affect the quality of such article of food.

19. He shall cause the said premises to be thoroughly cleansed as often as may be necessary and at least twice in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

20. Every cup, plate, knife, fork, spoon or other such article used in the distribution or consumption of food shall, after being used by any person, be thoroughly cleansed in clean water and steamed or immersed in boiling water for not less than ten minutes before it is allowed to be used by any other person.

21. All provisions or materials used for the purpose of the business shall be good and wholesome and adulterated

provisions or materials shall not be used. Provisions not required for immediate use shall be stored in closed bins made of galvanised iron or other metallic receptacle suitably protected against chemical action which shall be kept in stone benches fixed 1½ feet away from the walls and shall not be allowed to lie open on the floor.

22. No foodstuff of any sort which is stale, unwholesome, offensive or in any way unfit for human consumption in the opinion of the Health Officer, shall be stored, served, sold or exposed for sale in the premises.

23. (i) Dried fruit, cut slices of fruit, cooked food and all other articles of food or drink kept ready for human consumption in the premises shall be stored or exposed for sale in such a manner as completely to protect them from dust, effluvia, flies or other vermin.

(ii) Such articles, when exposed for sale, shall be kept in clean vessels or plates made of glass or metal covered with enamel or tin lining, placed in glass cases provided, if necessary, with a fly-proof wire gauze at the top for ventilation.

(iii) No such articles shall be touched by hand and clean spoons or other accessories shall be used for serving them.

(iv) All papers or leaves used for wrapping articles of food shall be clean and stored in a clean rack or box.

24. He shall not store any article of food intended for human consumption in any way which is likely to permit the absorption of noxious gases or vapours, nor in any room or place opening directly into a place where persons sleep or reside or where animals are kept or which communicates directly with a latrine.

25. He shall not transmit any article of food intended fot sale except in such manner as shall prevent all reasonable chances of contamination.

26. He shall not permit or suffer any part of any building in or upon such premises to be used at any time for purposes of human habitation unless such building is sufficiently detatched or separated from the rest of the said premises to the satisfaction of the Health Officer.

27. The licensee shall allow only servants who are dressed in clean clothes to attend on the customers. Servants employed in the manufacture or handling of any article shall wear an apron or any other clean clothes.

28. The licensee shall forthwith report to the Health Officer any case or dangerous, infectious or contagious disease occurring on the premises.

29. The licensee shall, when so required by the Health Officer, cause any employee engaged in the preparation and distribution or handling of any article of food in such premises to be examined and a certificate to be produced of being free from disease or infection of any kind and fit to carry on such business.

30. He shall cease to carry on the business on the occurrence of any loathsome, infectious or contagious disease in such premises or in his house or the house of any person employed in or assisting in such business, and shall not sell any articles of food prepared in such premises or resume such business without the written permission of the Health Officer.

31. No person suffering from an open sore or any loathsome, infectious or contagious disease or who has recently been in attendance on a person suffering from such disease shall carry on such business or be employed in or assist in carrying on such business in such premises or be allowed to enter any part of such premises.

32. (i) No person shall be employed in or in connection with any business carried on in any place licensed under Bye-law No. 2, for which a license under Bye-law No. 1 is necessary unless he produces a certificate from the Health Officer, Assistant Health Officer or Medical Officer not below the rank of an Assistant Surgeon or a Registered Medical Practitioner, showing that he is free from any contagious, infectious or loathsome disease. He should not be a carrier of intestinal diseases. *viz.*, typhoid, paratyphoid A or B, cholera and dysentery. After every serious illness, he must produce a certificate that he is not infectious.

(ii) Such a certificate shall be produced—

(*a*) at the time of first employment;

(*b*) subsequently at the beginning of every official year on or before April the 15th;

(*c*) before re-employment after any illness involving discontinuance of employment.

(iii) No person who has failed to comply with any of the above requirements shall be employed or continue to be employed in or in connection with the business.

33. No person shall spit in or upon such premises except in such receptacles or places as are provided for such purpose.

34. No dog or cattle should be permitted or stabled permanently or temporarily in or any part of such premises.

35. Whenever arrangements are made on the premises for broadcasting or for the playing of gramophones with or without pick and loud-speakers arrangement, care shall be taken to prevent an unreasonable amount of noice being caused in the neighbourhood so as to occasion annoyance or discomfort to the owners or occupiers of houses in the vicinity.

36. No impediment or encroachment should be made on the footpath or road by placing thereon benches, tables, soda-water bottle boxes or any other articles for the use of the shop-keeper or his customers.

37. He shall fix or cause to be fixed in a conspicuous place in such premises a board stating the purpose for which such premises is intended and the hours of its working.

38. He shall keep in such premises a book in which customers or Inspecting Officers may enter their remarks or note their complaints and such book shall be open to inspection by any inspecting officer of the Health Department of the Corporation.

39. It shall be competent for the Commissioner, the Health Officer, any Health Inspector or other officer of the Corporation authorised in writing in this behalf by the Commissioner to enter into any place used for any of the purposes specified in Bye-law No. 1, between 6 A.M. and 5 P.M. or at any other time while such place is kept open for business to inspect the premises, provisions, articles of food or drink, all utensils and furniture on the premises and to take samples of any provisions, any articles of food or drink manufactured or kept for sale therein. Samples so seized may be subjected to chemical or other examination.

40. It shall be competent for the Commissioner, the Health Officer or any Health Inspector to remove or cause to be removed forthwith from such place any article of food or drink which, in their opinion, is stale, unwholesome offensive or unfit for human consumption besides prosecuting the licensee for violating the bye-laws.

41. Whenever the Commissioner or the Health Officer is satisfied on personal inspection or on a report of inspection, he may instead of recommending the prosecution of the licensee, issue to him in writing such directions as he may deem necessary for securing proper compliance with these bye-laws or in the interests of public health and the licensee shall forthwith comply with such directions.

42. The Commissioner may suspend or completely revoke any licence granted under the Bye-law in respect of any place on grounds of public health or safety or where any of the conditions specified in the bye-laws are not being strictly observed: provided that such suspension or revocation of the licence shall not be deemed to exempt the licensee or any other person from liability to prosecution under these bye-laws, and provided further that such suspension or revocation shall be made only after an opportunity is given to the licensee to show cause in the matter.

43. Where licences have been suspended or cancelled or refused, the Commissioner or any other person authorised by him may seize and detain articles of food or drink and vessels, utensils, etc., used for manufacturing, preparing or keeping such articles of food or drink, and close down and lock the premises. Articles so seized may be destroyed or disposed of in any manner the Commissioner may deem fit.

44. (*a*) Whoever uses any place for any of the purposes mentioned in Bye-law No. 1 above without obtaining a licence as required by the said bye-law or after the licence has been revoked or suspended, shall be liable on conviction to a fine not exceeding Rs. 50 for the first day of the offence and not exceeding Rs. 10 for every succeeding day of the repetition of the offence.

(*b*) Whoever having been previously convicted of an offence under clause (*a*) of this bye-law uses any place for any of the purposes mentioned in Bye-law No. 1 without

obtaining a licence as required by the said bye-law shall be liable on conviction to a fine not exceeding Rs. 200.

(c) Any infringement of these bye-laws not provided for in clause (a) shall be punishable with a fine not exceeding Rs. 50.

It is subject to the conditions set forth in the bye-laws and rules of the Corporation framed under the City of Bangalore Municipal Corporation Act.

Draft bye-laws framed by the City of Bangalore Municipal Corporation under sub-section (31) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949) for the control and regulation of advertisements in the City of Bangalore.

1. No public road or place, nor any building, wall, hoarding, structure or tree, lamp-posts, poles in or adjoining, or visible from or abutting any public place or road, shall be used for the purpose of erecting, exhibiting, affixing or retaining any advertisement bills, posters or notices, without the permission of the Commissioner.

2. The Commissioner may, in his discretion, by order in writing, require the owner or occupier of any property to remove within a prescribed time any advertisement erected, affixed or exhibited on or any building or wall or hoarding or structure adjoining or visible from any public road or place.

3. Any person aggrieved by an order of the Commissioner under Rule 2 above, may appeal within seven days from the date of receipt of the order to the Corporation:

Provided that the preferring of an appeal shall not operate so as to extend the time prescribed in the order for removal of the advertisements or affect any action the Commissioner may have taken or proposes to take for non-compliance with the order.

4. If such written order is not complied with within the time specified, the Commissioner may cause the advertisement to be removed and recover the cost of such removal from the owner or occupier aforesaid.

5. Whoever commits a breach of the above bye-laws shall be punishable—

(a) with fine which may extend to twenty rupees, and in case of a continuous breach with fine which may extend to ten rupees for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to five rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Section 367 (21) (a) and (b) and (34) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) to provide for the inspection of public and private markets and retail shops and other places therein and for the regulation of their use and the control of their sanitary condition in the City of Bangalore.

I. Public Markets.

1 A public market shall for the purposes of these bye-laws include the land with the buildings thereon belonging to the Corporation which it has or may hereafter set apart for such purpose and shall also include all roads and vacant lands within such limits.

2 No place within the limits of the Corporation shall be used as a market or shop for the sale of meat, fish or poultry intended for human food or as a market for the sale of fruits or vegetables except those mentioned in the list given below: provided that the Commissioner shall have power to license private markets for the sale of fruits or vegetables or retail shops for the sale of meat, fish or poultry in such other places as he may think fit for the purpose, and to withdraw such licenses.

The following places may be used as markets :—

(1) Sri Krishnarajendra Market, Bangalore City.
(2) The Akkipet do do
(3) The Taramandalpet do do
(4) The Darjipet do do
(5) Rangaswamy Temple Open Market, Bangalore City.
(6) The Tigalarpet Market, Bangalore City.
(7) The Malleswaram do do
(8) The Chamarajapet do do
(9) The Basavanagudi do do
(10) The Visveswarapuram Market, Bangalore City.
(11) The Seshadripuram do do
(12) The Main Mutton Market (near Sri Krishnarajendra Market), Bangalore City.
(13) The Railway Goods-Shed Mutton Market, Bangalore City.
(14) The Cubbonpet (Taramandalpet) Mutton Market, Bangalore City.
(15) The Mavalli Mutton Market, Bangalore City.
(16) The Darjipet Mutton do do
(17) The Bar Line Mutton do do
(18) The Boti Market (inside the Main Mutton Market), Bangalore City.
(19) The Fish and Poultry Markets (inside the Main Mutton Market), Bangalore City.
(20) Russel Market, New Market Road, Civil Station, Bangalore.
(21) Beef and Poultry Markets, Broadway Road, Civil Station, Bangalore.
(22) Fish Market, New Market Road, Civil Station, Bangalore.
(23) Johnson Market, Oosur Road, Bangalore.
(24) Ulsoor Market, Ulsoor Road, do
(25) Pork Market, Thimmiah Road, do
(26) Vegetable Market, New Market Road, Bangalore.
(27) Beef and Mutton Stalls, Knoxpet Market, Bangalore.
(28) Cox Town Market, Madhavaraya Mudaliar Road, Bangalore.

and such other places as may from time to time be set apart by the Corporation for use as public markets or be licensed as private markets.

3 (a) Public markets shall not be open for use by the public before 6 A.M. or after 9 P.M. No person shall enter or remain in a public market between the hours of 10 P.M. and 5 A.M. without the written permission from the Commissioner.

(b) Every shop-keeper, stall-holder or sitter shall remove his goods and close his shop daily at or before the time of closing the market so as to allow of its being thoroughly cleansed for the next day.

4 Every tenant or occupier of any building, shop, stall or other place in a public market shall cause the same to be thoroughly cleansed as often as may be necessary and at least twice in every twenty-four hours. He shall cause all refuse matter collected from such building, shop-stall or other place to be deposited in such receptacle as may be provided for the purpose in the market.

5 No person shall waste the water supplied in any such market by the Corporation.

6 (a) The Commissioner may by notice in English, Tamil, Telugu, Hindustani and Kannada declare that after a specified date no article or class of articles shall be sold or exposed for sale in any public market except in such part thereof as may be specified in that behalf, and no goods shall be brought into the market except such as are intended for sale, and such goods shall be kept only in the shops, stalls, sittings or godowns.

(b) The said notice shall be affixed in some conspicuous place in the market.

(c) After the publication of such notice no person shall sell or expose for sale any article in such market except in accordance with the terms of such notice.

7 No projections of any kind from shops, stalls or sittings shall be allowed. Every article forming such projections will be removed by the Market Superintendent or his servants, and will be liable to be confiscated by the Commissioner and to be sold by public auction. The proceeds of goods so confiscated and sold shall be credited to Corporation funds.

8 No tenant or occupier of any shop or stall or sitting in a market or servant of such tenant or occupier shall cause or allow any goods, provisions or articles to be deposited or exposed for sale in or upon such shop or stall or sitting so that such goods, provisions or articles or any part thereof shall project beyond the line of such shop or stall or sitting.

9 The tenant or occupier of any building, shop, stall or other place in such market shall, before closing the same, extinguish or cause to be extinguished any light which may be used in such building, shop, stall, or other place.

10 No person shall use any naked light nor shall any person light any fire in any part of such market.

11 No person shall sell or expose for sale in such market, any meat, fish, vegetable, fruits or other articles of food and drink which are noxious. Meat which has been subjected to the process of blowing or which by other artificial means is made to appear to be in a condition differing from its real condition shall be deemed to be noxious.

12 (1) No person shall carry any meat or offal in a market unless it is properly covered.

(2) Eatables and food-stuffs that are intended for being consumed without being further cooked, shall not be exposed unless well protected from flies and dust.

13 No tenant or occupier or a servant of a tenant or occupier of any building, stall, or stand in the market used for sale, or exposure or preparation for sale, of any carcass or meat shall cleave such carcass or meat elsewhere than upon a cleaving block or chopping board or otherwise than when properly attached to or suspended from the hooks provided for the purpose in, upon or in connection with such building, stall or stand.

14 No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall enter such market or carry on any business or be employed in or assist in the carrying on of any business in such market. Any person committing a breach of this bye-law may be expelled from such market by the Superintendent or any other officer in charge thereof.

15 No vehicle or animal other than those intended for sale shall be permitted to remain in part of a market except in such places provided for the purpose. No person in charge of any wagon, cart, truck, barrow, or other vehicle or of any beast of burden shall cause or allow such vehicle or beast to stand in any avenue or passage in such market or in any of the immediate approaches thereto for any longer time than shall be reasonably necessary for the loading or unloading of any goods, provisions or any other marketable commodities or articles that might be brought therein.

16 No person shall bring a dog into the market. Any dog found in public markets with or without a collar may be destroyed by any Municipal Officer or servant.

17 No vendor in any municipal market shall smoke in his stall, and no vendor or other person shall cook in any municipal market without special permission, or spit or throw fruit peel or pieces of vegetables in or about the market.

18 No one shall create a disturbance in the market by quarrelling or use of abusive language, or by singing or use of musical instruments or beating of tom tom except in case of entertainments where the previous permission of the Commissioner will have been obtained.

19 No person shall enter or loiter in any municipal market for the purpose of begging.

20 The Market Superintendent and his subordinates may expel from the market premises any person who is found drunk or begging, or loitering and who misconducts himself, or infringes any of the above bye-laws or is a lunatic, and may (subject to the approval of the Commissioner) prevent any person who is a tenant or his servant, from further carrying on any trade or business in the market or occupying any shop or stall or sitting therein. A vendor guilty of assault or any other misconduct may be expelled from the market and prevented from further carrying on any trade or business, or occupying any shop or stall in the market.

21 Every tenant or occupier of any shop, stall, godown, stand or other place in such market shall at all times afford free access thereto for purposes of inspection by the Commissioner or any other officer deputed for the purpose.

22 Every tenant and occupier and every servant of a tenant or occupier of any shop, stall, godown, stand or other place in such market shall at all times be decently and properly dressed when present in the market.

23 Every tenant or occupier of any shop, stall, godown, stand or other place in such market or any person resorting thereto shall be responsible for any damage done to such market either by his own act or by the act of his servant or assistant and shall pay compensation for such damage.

24 Except in cases where the right of collection of rent is leased out by the Corporation on contract, no person shall—

(a) occupy or use any shop, stall, godown, stand of other place in any such market, except as the immediate tenant or occupier under the Corporation;

(b) not being the immediate tenant or occupier under the Corporation, or an employee of such immediate tenant or occupier, sell or offer or expose for sale or deposit for sale or otherwise, any articles in or upon any shop, stall, godown, stand or other place in any such market; and

(c) assign, sub-let, or part with the possession of any shop, stall, godown, stand or other place in any such market.

25 Every tenant or occupier of any shop, stall, godown, stand or other place in any such market who shall employ another person to carry on his business at such shop, stall, godown, stand or other place on his behalf and as his substitute, shall register the name of such person with the Superintendent or any other officer in charge of the market.

26 He shall forthwith cease to employ at such shop, stall, godown, stand or other place any person whose employment in that capacity may be prohibited in writing by the Commissioner.

27 No person shall hold any sale by auction in any such market without the written permission of the Commissioner.

28 No tenant or occupier of any shop, stall, godown, stand or other place in such market shall solicit customers in any manner.

29 All scales, weights, and measures shall be kept clean and true to the standard. Standard weights and measures will be kept in charge of the Market Superintendent.

30 No goods shall be hawked or cried in a market except in the places specially assigned therefor.

31 No person shall loiter or stand in any avenues or passage of any such market or its immediate approaches to the annoyance or obstruction of any person.

32 No person shall satisfy a call of nature or commit any other nuisance within the limits of the markets except in a urinal or latrine provided for that purpose. Any breach of this rule shall render the offender liable on conviction to a penalty not exceeding Rs. 10.

33 Lost articles found by any person within the limits of the Municipal Markets shall be handed over by the finder to the Market Superintendent who shall keep them for three days for the owner to claim on satisfactory evidence and in the absence of any claim within that period, shall dispose them of by public auction, and credit the proceeds to the Corporation.

34 No person should obstruct the Market Superintendent or his servants or any other officer of the Corporation in the performance of his duties in the market.

35 All vendors or their servants or agents shall obey all orders of the Market Superintendent but shall have the right of appealing against such orders to the Commissioner.

36 Breach of any of these bye-laws, when not otherwise provided for, shall render the offender liable on conviction to a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which the breach continues.

Rents and fees.

37 The Commissioner may let the use of any shop, stall or sitting in a public market where rents are fixed by the Corporation or under these rules for a period not less than three months and not more than twelve months either by auction when so authorised or otherwise subject to the conditions as to payment of the prescribed rent, period of occupation, kind of articles to be sold and other matters as he may prescribe. In all matters connected with the lease of the shops, stall or sittings, the decision of the Corporation shall be final.

38 Each shop-keeper, stall-holder or sitter shall, before taking possession of shop, stall or sitting, deposit in advance a sum not less than the rent for two months and shall pay on or before the 5th of each succeeding month the rent for the preceding month to the Market Superintendent or persons authorised by the Commissioner, in writing, to collect such rents. In case of default, irrespective of the penalty provided in bye-law No. 35 the goods in such shop, stall, godown, stand or other place may be distrained and sold and the proceeds credited to rent, the balance if any being returnable. After such distraint, the tenant or occupier of such shop or other place will have no lien thereon and the same may be assigned to others.

39. Every shop-keeper, stall-holder or sitter who fails to pay the prescribed rent within the due date shall be liable to be evicted from the shop, stall or sitting forthwith. No tenant or occupier of any shop, stall, godown or other place in such market shall retain a lien on his shop or stall during absence therefrom, unless he pays full rent for it during such absence, and no such lien shall exist after an absence of fifteen consecutive days.

40 No shop, stall or sitting shall be sublet. The Commissioner shall have power to cancel the lease of any shop, stall or sitting, sublet and order the eviction of such sub-lease.

41 All shops, stalls, sittings which have not been let and are therefore vacant may be utilised every day by occasional vendors on payment of ground rent at the following rates, provided such vendors remove their goods daily at or before the time of closing the market so as to allow of its being thoroughly cleaned for the next day :—

(i) For an area of less than 23 square feet for temporary shop, etc.	six pies per day
(ii) For an area of 5 feet by 5 feet for temporary shop etc.	one anna per day
(iii) For an area more than 5 feet by 5 feet for temporary shop, etc.	four annas per day

42 No goods shall be brought into the market except such as are intended for sale and except on payment of such gate fee if any, as may be prescribed by the Corporation in this behalf, provided that grains used for human food and brought into the market by permanent stall-holders of certain markets for sale in those shops are exempted from the payment of gate fee levied on other articles. The gate fee shall not be collected by the municipal agency in cases where the right of collection of such gate fee is leased out on contract.

43 The scale of gate fees leviable shall be as noted below :—

215

	Rs.	a.	p.
(1) For a basket of vegetables ...	0	0	6
(2) Do of dantina soppu ...	0	0	6
(3) Do of other greens ...	0	0	3
(4) Do of herbage of other sorts ...	0	0	3
(5) Do of apples ...	0	2	0
(6) Do of other fruits ...	0	1	0
(7) For each cart-load of vegetables ...	0	6	0
(8) Do do other articles of food ...	0	8	0
(9) Do do fruits ...	0	8	0
(10) For a basket or head load of other articles ...	0	0	6
(11) Do do of eggs ...	0	0	6
(12) Do do of fish ...	0	0	6
(13) For each fowl	0	0	6
(14) For a basket of birds ...	0	0	6
(15) For a pup	0	0	3
(16) For any other animal, such as rabbit, etc. ...	0	0	3
(17) For flowers, maruga and davana, betel leaves and bamboo baskets.	0	0	6
(18) Vegetables brought in gunny bags ..	0	1	0
(19) Apples brought in gunny bags	0	4	0

44 No person shall work for hire as a cooly or carrier within the limits of any municipal market unless he is duly licensed for the purpose by the Commissioner or by any officer authorised by him to grant such licenses.

45 A register of licensed market coolies or carriers shall be kept in the office of the Market Superintendent showing their names, numbers, addresses, age, sex and marks of identification.

46 Coolies or carriers shall be licensed yearly on payment of a fee of Re. 0–8–0.

47 Every licensed cooly or carrier shall wear on his left arm a brass or tin ticket bearing a number corresponding with his number in the register of licensed market coolies or carriers which will be supplied to him with his license ; and no such cooly or carrier shall ply for hire in any municipal market without wearing his ticket.

48 Every licensed cooly or carrier shall provide himself with basket and he will be entitled to recover from the persons hiring his services not exceeding such remuneration as may be prescribed from time to time.

49 Every licensed market cooly or carrier shall at all times while plying for hire, conduct himself with civility and propriety towards every person hiring or seeking to hire his services and shall in all respects obey the orders of Market Superintendent or other officer having charge of the market for the time being.

50 All complaints by or against licensed coolies or carriers of a municipal market shall be disposed of by the Market Superintendent or other officer in charge of the market for the time being.

51 The Commissioner may, for any breach of the above bye-laws by a licensed cooly or carrier, suspend or remove him from the register of licensed coolies and carriers.

52 The Commissioner may subject to the stall-holders, vendors, coolies and other market staff to medical inspection if he finds it necessary. He shall have power to suspend or remove such persons suffering from dangerous or loathsome diseases or such other reasons which is dangerous to society.

53 Nothing contained in bye-law No. 44 shall prevent the servants of persons attending municipal markets from carrying purchases made by the latter or shall prevent a person attending such a market from bringing his own coolies to the market for the purpose of carrying his purchases : provided that the Market Superintendent may, for special reasons to be recorded by him, in writing, refuse to allow any particular person to act as a private cooly in any municipal market.

54 Breach of any of the above bye-laws (Nos. 44 to 53) when not otherwise provided for, shall render the offender liable on conviction to a fine which may extend to Rs. 50.

55 Notwithstanding anything in the foregoing bye-laws, the Corporation shall have power to exempt any municipal market in the City of Bangalore from the operation of such bye-laws.

II. Private Markets

1 Whoever without the sanction of the Commissioner uses any place as a private market shall be liable on conviction to a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which he continues to use it.

2 Whoever having reason to believe that the use of such place as a market has not been sanctioned by the Corporation, sells or exposes for sale in such market any meat, fish or vegetables, shall be liable on conviction to a fine not exceeding Rs. 10 and to a further fine which may extend to Re. 1 for every day after such conviction during which he sells or exposes for sale any such article.

3 When the use of any place as a private market has been sanctioned by the Corporation, the Commissioner shall issue a license to the owner thereof. The owner shall keep such license affixed in a conspicuous place at or near the entrance of such market. The owner of every such market shall apply to the Commissioner one month prior to the first month of the official year for the renewal of his licence. The licence shall be in the form shown in Schedule 'A' and the application in the form shown in Schedule 'B'.

4 Every private market shall without notice be open to inspection by the Commissioner or any officer authorised by him in this behalf at any time by day or by night when such market is being used.

5 No person shall use any building as a private market unless—

(a) it is constructed of masonry; and

(b) every part thereof is constructed of non-inflammable materials.

6 The owner, occupier or farmer of any premises who has obtained from the Commissioner a license to use such premises as a private market shall construct suitable approaches, entrances, passages and gates for such market.

7 He shall, for the purpose of storing or exposing goods for sale therein, construct a sufficient number of stalls, shops, rooms, etc., of such design and dimensions as the Commissioner may direct.

8 He shall provide passages of sufficient width between the stalls.

9 He shall, if so required by the Commissioner cause the whole or any portion of such market to be roofed.

10 He shall cause the flooring of every stall and every other building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Commissioner. Such flooring shall be kept at all times in good order and repair.

11 He shall cause every approach and passage and gangway in such premises to be paved or metalled or gravelled and sloped and drained to the satisfaction of the Commissioner.

12 He shall cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

13 He shall, if so required by the Commissioner provide in connection with such drains, covered cess-pits constructed of masonry containing receptacles and of such dimensions as the Commissioner may direct. Such receptacles shall be emptied as often as may be necessary and at least twice in every twenty-four hours.

14 He shall provide means of ventilation and lighting upon or in connection with such passages, stalls and other buildings in such premises and shall cause the same to be maintained at all times in good order and efficient action.

15 He shall provide in such premises a sufficient supply of wholesome water.

16 He shall cause every part of such premises to be thoroughly cleansed as often as may be necessary and at least twice in every twenty-four hours and shall prevent any accumulation of filth or refuse therein.

17 He shall provide suitable covered, air-tight, non-absorbent receptacles for the deposit of all refuse matter and such receptacle shall be emptied at least twice in every twenty-four hours.

18 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime washed to the satisfaction of the Health Officer at least four times in every year in the months of January, April, July and October or more often if so required by the Health Officer.

19 He shall provide in such premises latrines of such description and in such position and number as the Commissioner may prescribe.

20 He shall not permit or suffer any market, stalls or godowns in such premises to be used at any time for purposes of human habitation.

21 He shall, when so required by the Health Officer, cause any articles in such premises to be aired and exposed to the sun.

22 He shall not permit any articles to be kept or sold or exposed for sale in any portion of any passages, approaches or gangways in such premises.

23 No person shall in any such market use weights, scales and measures except such standard weights, scales, and measures as may be prescribed by the Commissioner from time to time.

24 He shall not permit to be sold or exposed for sale in such market any articles of food or drink which is noxious, unwholesome or otherwise unfit for human consumption.

25 He shall not permit the sale of animal and vegetable food articles in the same stall. Separate stalls should be allotted for each kind of foodstuff, the one being sufficiently screened from the other.

26 No person shall spit in or upon any part of such premises except in such receptacles or places as are provided for such purposes.

27 The licensee shall at all times take suitable steps to keep every building in such premises free from rats or other rodents.

28 He shall not permit the use of any naked light nor shall he permit any fire to be lighted or any cooking to be done in any market, stall or godown.

29 He shall, if required by the Commissioner appoint a suitable person to be in charge of such market.

30 No leper or no person suffering from an open sore or any loathsome, infectious or contagious disease shall be permitted to enter or carry on any business or be employed in or assist in the carrying on of any business in such premises.

31 No dog or cattle shall be permitted in any private market.

32 Breach of any of these bye-laws for the control of private markets when not otherwise provided for, shall render the offender liable on conviction to a fine not exceeding Rs. 20 and to a further fine which may extend to Rs. 2 for every day after such conviction during which the breach continues.

III. Retail Shops outside Markets.

1. Whoever without obtaining a license from the Commissioner under bye-law No. 1, Part I, uses any place not being within a public or licensed private market for the sale of meat, fish or vegetables and other articles of food and drink shall be liable on conviction to a fine not exceeding Rs. 20 and to a further fine which may extend to Rs. 2 for every day after such conviction during which he continues so to use it.

2. For every license granted by the Commissioner for the use of any place as a retail shop for the sale of meat, fish or vegetables, the following fees shall be charged:—

For the sale of meat	...	Rs. 5 per annum
For the sale of fresh fish	...	Rs. 8 ,,
Vegetables—Wholesale	...	Rs. 5 ,,
Vegetables—Retail	...	Re. 1 ,,
Salt-fish—Wholesale	...	Rs. 5 ,,
Salt-fish—Retail	...	Re. 1 ,,

3. All such licences shall expire on the 31st March in each year and application for their renewal must be made to the Commissioner one month before the first month of the official year.

4. Every such licence granted for the sale of meat shall be in the following form:—

.....is hereby licensed to keep a shop at No.....in.....Street, for the retail sale of .....intended for human food subject to the following conditions:—

(i) That the Commissioner, (Health) Officer, or other officer authorised by them shall at all times have free access to the shop for municipal purposes, and that he shall produce this licence to any such officer demanding it.

(ii) That he shall not sell, or offer for sale the flesh of any animal that has not been examined and passed by the Veterinary Inspector and slaughtered in public Slaughter House.

(iii) That he shall not sell or offer for sale any meat or other article that is decomposed or unfit for consumption or that by blowing or other artificial means is made to appear to be in a condition differing from what it really is.

(iv) That he shall keep for use in the shop proper scales and correct stamped weights.

(v) That a breach of any of the above conditions by himself or by his servants shall render him liable on conviction to a fine not exceeding Rs. 20.

217

Bye-laws framed by the City of Bangalore Municipal Corporation under Section 295 and sub-section (15) of Section (15) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for the Control and Supervision of Public and Private Cart-stands in the City of Bangalore, for the Regulation of their use and for the levy of fees therein.

---

1 All public Cart-stands shall be directly under the control of the Commissioner and managed through departmental agency.

2 No place within the Corporation limits shall, unless it has been duly licensed by the Commissioner, be used by any person as a private cart-stand.

3 Application for such licence shall.—

(*a*) be made to the Commissioner in such form as may be laid down by him from time to time not less than 30 days before the commencement of the year for which the licence is sought; and

(*b*) be accompanied by a plan in duplicate showing the dimensions of the place and surrounding area, clearly marking in it the place available therein for the location of cart-stand proper, cattle shed, sheltering place, latrines and urinals and water-troughs, etc.

The applicant shall also furnish such further or other particulars, as he may be required to do by the Health Officer or by the Commissioner.

4 (1) The Commissioner shall refuse to grant the licence if in his opinion on the advice of the Health Officer or the Corporation Engineer, the place is not suitable for the purpose specified in the application, is or is likely by reason of such use and of its situation to become a nuisance to the neighbourhood, or is so used or is so situated as to be likely to be dangerous to life, health and property.

(2) In cases not falling under the above clause, the Commissioner may grant a licence on payment of a fee as laid down in Section 295 (5) of the City of Bangalore Municipal Corporation Act, subject to such conditions and restrictions to be specified in the licence as he may think fit.

5 Every licence issued under these bye-laws shall expire at the end of the financial year for which it is granted, unless for special reasons the Commissioner considers that it should expire at an earlier date.

6 Application for the renewal of a licence shall be made to the Commissioner not later than the 1st March of the year preceding that in respect of which the renewal is applied for and shall be in such form as may be laid down by the Commissioner.

7 No person shall make use of any premises or place within 50 yards of any human habitation for cart-stand.

8 Every place used as a cart-stand shall have an enclosure and be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of inflammable materials.

9 The licensee should demarcate the cart-stand and see that a minimum of 16′×10′ is allowed to each cart and the demarcation should be in parallel line, leaving 12′ open place for the easy movement of vehicles and persons moving about the cart-stand.

10 The licensee shall permit and allow carts to stand only in the places demarcated for them. Indiscriminate carting should not be allowed.

11 The licensee shall not at any time receive or allow to be received into the licensed cart-stand or part thereof a greater number of carts than the number specified in the licence and in the plan annexed thereto.

12 The licensee shall not permit or suffer any part of the cart-stand to be used at any time for purposes of human habitation.

13 The licensee shall not at any time allow the cart-stand to be used for storing hay, straw, wood, coal or other cumbustible material or any other material nor allow sales of the above to be conducted in the cart-stand.

14 Every part of the flooring of the licensed cart-stand shall be paved with burnt stone slabs or otherwise made impervious and drained to the satisfaction of the Commissioner and such flooring shall at all times be kept in good repair and order.

15 The licensee shall cause every drain or means of drainage upon or in connection with such cart-stand to be maintained at all times in good order and efficient action.

16 The licensee shall provide in such cart-stand latrines and water-closets in such position and of such description, size and number as the Commissioner may, from time to time, direct for the separate use of persons of each sex.

17 The licensee shall cause the seat, floor and walls of every water-closet and latrine in such cart-stand to be thoroughly cleansed from time to time and as often as may be necessary for the purpose of keeping such seat, floor and walls in a clean and wholesome condition.

18 He shall cause every part of the structure of every latrine and water-closet in such cart-stand to be maintained at all times in good order and every part of the apparatus of such latrine or water-closet and every drain or means of drainage leading therefrom to be maintained at all times in good order and efficient action.

19 When the sewer line is running within 100' from such cart-stand it will be duty of the licensee to connect all drains and flush latrines to the sewer lines as per instructions issued to him from time to time by the Commissioner.

20 The licensee shall—

(a) provide in such cart-stand a sufficient and good supply of wholesome water and water-troughs approved by the Health Officer, for drinking purposes;

(b) cause such cart-stand to be thoroughly swept and cleansed at least once in every 24 hours or at such hours as may from time to time be fixed by the Health Officer or Assistant Health Officer, and shall prevent any accumulation of filth or refuse therein except in the receptacles provided for the same.

21 The licensee shall provide suitable non-absorbent receptacles in suitable places in such cart-stand for the deposit of all filth or refuse and shall cause all such receptacles to be emptied at least once a day before 7 A.M. to the Corporation cart when the same attends the area.

22 (a) No leper and no person suffering from an open sore or any loathsome, infectious or contagious disease shall be allowed into the cart-stand.

(b) No animal suffering from infectious disease shall be allowed into the cart-stand.

23 The licensee shall, immediately after the death or removal of any cattle, which may have been ill of any infectious, contagious or dangerous disease, give written notice to the Health Officer, Assistant Health Officer or the Divisional Health Staff not below the rank of Sanitary Overseer or Junior Health Inspector and shall, as soon as possible, cause every part of cart-stand to be thoroughly disinfected and cleaned and shall also cause every article in such cart-stand which may be liable to retain infection to be in like manner disinfected and cleaned unless the Health Officer or the Assistant Health Officer shall have ordered the same to be destroyed.

24 The Commissioner may, if he considers such action necessary revoke, suspend or cancel a license on grounds of public health and safety, or if any one or more of the conditions or restrictions of the licence or of any provision contained in these bye-laws are infringed, irrespective of whether the offender has been prosecuted and convicted or not.

25 Whoever commits a breach of any of the bye-laws shall be punishable—

(a) with a fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Sub-Section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for the installation and running of Power Driven Machinery for any Industrial Purpose in the City of Bangalore.

---

1 No person shall use any place for installation and running of machinery driven by power or otherwise for any purpose except under and in accordance with the conditions of a license to be obtained in this behalf from the Municipal Corporation issued by the Commissioner.

2 (a) Any person using or desiring to use any place for the above purpose shall apply to the Commissioner, in writing, for a license. The Commissioner may either grant or refuse such license.

218

(b) When the Commissioner refuses the grant of license, he shall give reasons therefor and an appeal shall lie to the Standing Committee of the Corporation from such order of refusal.

3 No license shall be granted for a period exceeding one year and every license shall be granted so as to expire with the official year and may be renewed on application for a similar period.

4 Every application for license under these bye-laws shall be in the form shown in Schedule "A".

5 (a) The license granted under bye-law No. 2 shall not be transferable either as regards the person to whom it is issued or the place for which it is granted.

(b) It shall be in the form shown in Schedule "B".

(c) For every license granted under this bye-law, fees shall be charged as shown in Schedule "C".

(d) The license shall be affixed in a glass frame in a conspicuous place in the business premises to which it relates.

6 This license shall not exempt the licensee from taking out any license which he may have to take out under the Factories Act or other Acts or Rules thereunder.

7 Whenever it is shown to the satisfaction of the Commissioner that any place licensed under bye-law No. 5 is a nuisance to the neighbourhood, or is likely to be dangerous to the life, health or property or whenever the conditions specified in the license are not being strictly observed, the Commissioner may suspend or completely revoke any license granted under the above bye-laws: provided such suspension or revocation of the license shall not be deemed to exempt the licensee or any other persons from liability to a prosecution under these bye-laws and provided further that such suspension or revocation shall be made only after an opportunity is given to the licensee to show sufficient cause why such suspension or revocation should not be ordered.

Any contract which the licensee may have entered into with the Electrical Department for the supply of power for a definite period shall be no bar for the suspension or revocation of the license.

8 (a) Whoever uses any place for the purpose mentioned in bye-law No. 1 above, without obtaining a license as required by the said bye-law or uses any place for any other purpose mentioned above in the same bye-law after the license has been revoked or suspended, shall be liable on conviction to a fine not exceeding Rs. 50 for the first day of the offence and not exceeding Rs. 10 for every succeeding day of the repetition of the offence.

(b) Whoever, having been previously convicted of an offence under clause (a) of this bye-law uses any place for the purpose mentioned in bye-law No. 1 without obtaining license required, shall be liable on conviction to a fine not exceeding Rs. 200.

9 Any infringement of these bye-laws not provided for in bye-law No. 8 or of any of the conditions attached to a license granted under these bye-laws shall be punishable with fine not exceeding Rs. 50.

10 Every license granted under these bye-laws, shall be subject to the general conditions specified below, in addition to the conditions specified in the license itself.

(a) The premises in respect of which a license is granted shall be sufficiently spacious and suitable for the purpose of the business intended to be carried on there.

(b) The building should be well ventilated and lighted.

SCHEDULE 'A'

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (a) of sub-section (1) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for the maintenance and protection of the Drainage System in the City of Bangalore.

A. General Provisions.

1. No person shall wilfully or negligently—

(a) tamper with or injure or suffer to be tampered with or injured any works connected with the underground drainage system;

(b) block, break or open any pipes or fittings of the underground drainage works;

(c) obstruct, divert or in any way injure or alter any underground drainage main.

B. Private house connections with the underground drainage system.

2. Private house connections with the underground drainage system shall only be sanctioned on the application, in the Form attached to these bye-laws, which can be obtained from the Corporation Office, of the owner of the premises to be connected, or of the occupier with the recorded assent of the owner, or of the person primarily liable for payment of property taxes on the said premises.

3. (1) All pipes, fittings and other things and works required for a private house-connection shall be of such dimensions, character and material and shall be laid, adjusted or executed, in such manner as the Commissioner of the Corporation may, from time to time, generally or specially direct. The work shall be carried out either by the Corporation or by a Plumber licensed by the Commissioner in this behalf.

(2) Any person wishing to carry on work as a plumber shall apply to the Commissioner for a license. The Commissioner may in his discretion on the advice of the Corporation Engineer, grant or refuse such license.

4. No alteration shall be made in any private house connection or the fittings connected herewith, except with the written permission of the Commissioner, and that either by the agency of the Corporation Department, or by a plumber licensed by the Commissioner in this behalf.

5. Proper provision for the drainage of every building and premises shall be made for the rain and surface water separately from sewage in every instance.

6. Rain water drains shall be provided for diverting into them all rain and surface water from roofs, court-yards and open spaces, and shall be away from any opening or inlet in connection with sewage drains curbs and other appliances as may be necessary to restrict all rain and surface water specified above to the rain water drains shall be provided and properly maintained.

7. All roofs of houses or other buildings shall be provided with eave gutters and rain water pipes of iron or zinc or asbestos as may be necessary to collect the rain water and to discharge it into the rain water drains, or open channels constructed to receive such water. In no case shall such rain water pipes be allowed to discharge into any drain, trap or other work that communicates with the underground drainage system.

8. All pipes, fittings and other things forming part of private connections situated within any premises and laid at the cost of the owner shall, in the absence of any special agreement to the contrary be his property.

All pipes, fittings and other things connected with such private house connections not situated within the premises, as well as any appliances which may be fixed or inserted by the Corporation within or without the premises, but not paid for by the applicant, shall be the property of the Corporation.

9. It shall be incumbent on the owner or occupier of any premises which has a private connection under these bye-laws to keep in efficient repair all pipes and fittings connected therewith, which are situated within such premises, and which are not Corporation property, so as effectually to prevent the underground drainage system being in any way affected.

10. No repairs shall be executed except by a Plumber licensed under clause 3 of these bye-laws.

11. The Commissioner or any person authorised by him in that behalf may at any time, between sunrise and sunset, enter into or upon any premises to which a private connection is furnished, in order to—

(*a*) test the working of the system,

(*b*) examine the communication pipes and the fittings connected therewith,

(*c*) see if everything connected with the system is kept in proper repair :

Provided that no dwelling house shall be entered under this bye-law until six hours' notice has been given to the occupier.

12. If any defect likely to interfere with the underground drainage system is found to exist in house connection pipes and the fittings connected therewith, which are not the property of the Corporation, the Commissioner may execute any work necessary to remedy such defect and may recover the cost of such work from the owner or occupier of the premises in the manner prescribed for the recovery of taxes :

Provided that if any plumber has been licensed in this behalf the owner or occupier of the premises may be permitted to have such work executed by such plumber within such period as may be fixed by the Commissioner.

13. Breach of any of these bye-laws shall render the offender liable on conviction of a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which the breach continues.

Form of Application.

To

The Commissioner,

Corporation of the City of Bangalore,

Bangalore.

Application for a private connection with the Corporation underground Sewerage System.

1	2	3	4	5

2. The person referred to in column 3 above consents to the connection to be made and in token thereof he has countersigned the application.

3. Estimate of licensed plumber in duplicate with a sketch showing the Corporation drain and the proposed work, is attached to this application.

Signature of owner of the premises. *Signature of the applicant.*

BANGALORE,

Dated.....*195* .

Form of Licence.

Licence for Plumbers to carry out works connected with private house connections with the Corporation Underground Drainage System.

I, ..., Commissioner of the Corporation of the City of Bangalore, hereby license you..... ..... residing at.....Bangalore, as a plumber, in accordance with clause 3 of the Bye-laws framed under Section 367 (7) (*a*) of the City of Bangalore Municipal Corporation Act, 1949, for the maintenance and protection of the drainage system, during the period ending..... ....subject to the following conditions and stipulations to be observed by you, the said.....

CONDITIONS.

1. This licence shall be valid for twelve months from date of issue.

2. The licensed plumber shall only have the right to carry out such work as lies within the premises of the applicant. The Corporation Engineer retains the right of carrying out any work outside the premises of the applicant by such agency as he considers desirable.

3. In preparing an estimate for a private house connection for an applicant, the licensed plumber shall include all costs inclusive of the cost of the necessary work which lies outside the applicant's premises. The estimate shall also include the cost of connecting with the Corporation Main. Each estimate must be accompanied by a plan in duplicate showing the details of the work proposed to be carried out.

4. The plumber should inform the Corporation Engineer when a trench across a road or other public place is required for a public connection. The excavation, refilling and forming of the surface will be done by the department for which the plumber will have to pay the charges. Should a plumber have occasion to dig a trench across a road or other public place or otherwise cause an obstruction, he shall obtain the previous sanction of the Corporation Engineer and will be held responsible for taking the usual precautions by day and by night to safeguard the public from accidents.

5. The licensed plumber shall, in every case, inform the Corporation Engineer of the date on which he proposes to commence any work. The materials to be used must in every case be approved by the Corporation Engi-

neer or his representative on the site of the work before they are used. Any trenches dug must not be filled in until the connection, etc., has been tested by the Corporation Engineer and work finally passed by him.

6. No work shall be commenced by the plumber until the form of application duly sanctioned has been forwarded to him by the Corporation Engineer.

7. The Corporation Engineer will have the right to call for and examine any estimate prepared by a licensed plumber and to check the estimate against the work as carried out.

8. The Corporation will not be responsible for the collection of moneys due to the plumber by the applicant for the work done nor will it in any way be bound to assist him in such collection.

9. All materials used or to be used and all works done shall be subject to supervision, approval or rejection by the Corporation Engineer or his representative.

10. No plumber shall interfere with the fittings of any street connection, all such being under the control of the Corporation Engineer.

11. The Commissioner of the Corporation reserves to himself the right to cancel any license issued under these bye-laws without assigning any reason.

12. These conditions shall be subject to such alterations or amendments as the Commissioner may wish to make from time to time and all such alterations or amendments shall be observed by the licensed plumber.

13. This licence shall be granted only on payment of a sum of Rs. 100 into the Office of the Bangalore Corporation on account of security deposit for the due and proper fulfilment of plumber's duties.

14. A fee of Rs. 25 shall be charged for the grant of this licence for the first time, and a fee of Rs. 5 for each renewal. The fee shall be paid along with the application for grant of the licence or for its renewal, as the case may be, and shall be refunded to the applicant if the licence or its renewal is refused. An application for renewal of licence shall be made before the date on which the licence expires and an application received after such date shall be deemed to be an application for licence for the first time and the amount of fees payable in such a case shall be Rs. 25.

Given under my hand and seal this.....
day of.....at Bangalore.

Commissioner,
Corporation of Bangalore.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Ragi reaping is completed.

Standing crops.—Paddy, sugarcane, horsegram, are fairly good.

10. Coolies find sufficient labour.

11. Cattle are reported to be generally healthy. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Avare, thogari, horsegram, sugarcane and paddy in some places are reported to be fair. They require rains.

(3) *Crops harvested.*—Punaji paddy, ragi, groundnut and avare, are being harvested.

10. Prospects of the season are reported to be fair.

Fodder and water are available for cattle.

11. People and cattle are reported to be healthy.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Ploughing operations are going on in parts of Pavagada, Koratagere and Tumkur Taluks for sowing paddy. Vaisakhi paddy is being sown in Pavagada and Tumkur Taluks.

Standing crops.—Ragi, avare, thogari, Navane are reported to be in good condition. Paddy and sugarcane are also reported to be good.

Crops harvested.—Ragi, haraka, save and navane in all parts of the District. Paddy in parts of Pavagada Taluk. Horsegram in Chiknaikanahalli and Tumkur Taluks.

10. Fair.

Public health is reported to be generally good.

11. Cattle are reported to be generally healthy except for the prevalence of blackquarter in Kaggere Village in Yediyur Hobli, Kunigal Taluk. Preventive measures are reported to have been taken to check the spread of the disease. Water and fodder are available and Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in the taluks of the District during the week.

Seeds sown.—Nil.

9. *Standing crops.*—Such as paddy, avare, castor, horsegram, sugarcane, greengram and togari are reported to be fairly in good condition. But the pest attack on ragi in some parts of Yelandur Taluk and on paddy in some parts of Gundlupet Taluk is still persisting and causing damage.. Agricultural Department is taking necessary preventive measures to check its spread.

Crops harvested.—It is reported that ragi is being harvested in Chamarajanagar, Heggaddevankote, Yelandur and T.-Narsipur Taluks and paddy in Mysore, Hunsur, Krishnarajanagar, Heggaddevankote, Nanjangud and T.-Narsipur Taluks and horsegram in Krishnarajanagar, Periyapatna, Nanjangud and Gundlupet Taluks and thogari and groundnut in Gundlupet Taluk.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week.

(3) Both cooly and agricultural classes are finding sufficient employment throughout the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

(5) Public Health is generally good throughout the district except for the prevalence of plague in a few villages of Heggaddevankote Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy. Water and fodder are available throughout the district.

MANDYA.

8. Well supplied.

9. The condition of the standing crops of the sugarcane in V. C. Area; and paddy in all the Taluks is reported to be in good condition.

Paddy is being harvested in Srirangapatna, Pandavapura, Mandya and Maddur Taluks. Harvesting of ragi is almost completed in the District.

10. Prospects of the season are reported to be fair.

11. Public Health is reported to be generally good throughout the District except for the prevalence of Plague in Ballenahalli Village in Krishnarajapet Taluk and small-pox in Appugowdanahalli in Malavalli Taluk. Effective preventive measures have been taken to check the spread of the epidemics. Cattle are reported to be generally healthy in all the taluks in the District. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Paddy, ragi, horsegram are being harvested in almost all the parts of the district. Sugarcane is also being harvested in Belur and Chennarayapatna.

No damage to crops on account of pests.

10. The prospects of the season are good. Kar-paddy is being sown under some tanks in Chennarayapatna, and Hassan Taluks.

11. The cattle are reported to be generally healthy. Water and fodder are available.

SHIMOGA.

8. Well supplied.

9. Paddy, jola, horsegram and cotton were being harvested.

The standing crops of paddy, sugarcane, cotton and bengalgram were generally in good condition.

Sugarcane was being crushed in Bhadravati Taluk.

10. Prospect of the season is generally good. Plague and small-pox were prevailing in Honnali Taluk and in Chennagiri Taluk respectively. Preventive measures have been taken.

11. Cattle are healthy.

Water and fodder are available.

CHIKMAGALUR.

8. Markets were fairly well supplied but the prices were very high.

9. (1) *Standing crops.*—Paddy, sugarcane, coriander, avare, bengalgram, cotton and coffee in Chikmagalur Taluk; avare, thogari, cotton, castor, coriander, horsegram, bengalgram, summar jola and sugarcane in Kadur Taluk; paddy, ragi, jola, horsegram, avare, sugarcane, bengalgram and minor millets in Tarikere Taluk; paddy and sugarcane in Koppa and Narasimharajapura Taluks; paddy in Mudigere Taluk. There was no crop in Sringeri Jahgir.

(2) *Crops sown or planted.*—Sugarcane was transplanted in Chikmagalur Taluk.

(3) *Crops Harvested.*—Paddy, sugarcane and coffee in Chikmagalur Taluk; paddy and sugarcane in Kadur and Narasimharajapura Taluks; paddy, horsegram coriander and jola in Tarikere Taluk; paddy in Koppa and Mudigere Taluks; paddy and areca in Sringeri Jahgir.

Generally all the crops are in good condition.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevelence of small-pox in Nandi and Bukkambudhi Villages in Tarikere Taluk. At Bukkambudhi there was one death due to this epedemic. Necessary measures were taken by the Public Health Department.

11. Cattle were generally healthy.

CHITALDRUG.

8. Markets are reported to be well supplied excepting controlled commodities.

9. *Sowing.*—Sowing of sugarcane and paddy in Hiriyur Taluk, and paddy in Chellakere Taluk are reported to be in progress.

Standing Crops.—Bili jola and cotton in Chitaldrug Taluk; paddy in Chellakere Taluk; navane, thogari bilijola, cotton, horsegram and groundnuts in Holalkere Taluk; cotton, thogari, jola and greengram in Harihar Taluk; cotton and jola in Jagalur Taluk are reported to be in good condition.

Harvesting.—Ragi and navane in Chitaldrug Taluk; vyshaki paddy in Challakere Taluk; sugarcane, giddaragi, doddaragi and paddy in Hiriyur Taluk; thogari, and horsegram in Holalkere Taluk; cotton, and bengalgram in Davanagere Taluk; paddy in Molakalmuru Taluk; ragi in Hosadurga Taluk; thogari in Harihar Taluk are reported to be under harvest.

10. The cooly classes are finding sufficient labour throughout the District.

11. *Cattle.*—Cattle are reported to be generally healthy. In Gollarahalli and Nayakanahatti Hobli, Challakere Taluk, cattle are reported to be suffering from "Blackquarter" disease. The Veterinary Department has been apprised of the situation. In Yalihole Village, Harihar Taluk, cattle are reported to be suffering from "Rinderpest." In Kurubarahalli Village in Hiriyur Taluk, sheep are reported to have died as a result of an outbreak of some contageous disease. The Veterinary Department has been apprised of of the situation.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Ragi reaping is completed.

Paddy harvest is going on.

Standing crops.—Avare, togari, sugarcane, kulthi are good.

10. Coolies find sufficient labour.

11. Cattle are reported to be generally healthy. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Paddy, avare, thogari, horsegram, sugarcane are reported to be fair.

(3) *Crops harvested.*—Ragi, groundnut, sugarcane and avare, are being harvested.

10. Prospects of the season are reported to be fair. There was no rainfall during the week in any taluk.

Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of blackquarter for cattle in some parts of Sidlaghatta Taluk. Preventive measures have been taken to check the spread of epidemics by the Animal Husbandry Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Vaisakhi paddy in Pavagada and Koratagere Taluks.

Standing crops.—Avare, thogari, sugarcane and paddy are reported to be in good condition throughout the District.

Crops harvested.—Ragi, haraka, save, navane, and horsegram in all parts of the District and paddy in parts of Pavagada Taluk.

Public Health.—Public health is generally good except for the prevalence of plague in Chiknaikanahalli and Madhugiri towns and also in Chiksarangi Village in Tumkur Taluk. Necessary preventive measures are reported to have been taken to check the spread of the disease.

10. Fair in general.

11. Cattle are reported to be generally healthy throughout the District. Water and fodder are available and labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—Nil.

9. *Standing crops.*—Such as paddy, ragi, avare, castor, horsegram, cotton, sugarcane and bengalgram are reported to be generally in good condition. But the pest attack on paddy crop in some parts of Gundlupet Taluk, is still persisting and causing damage. Agricultural Department are taking necessary measures to check its spread.

Crops harvested.—It is reported that paddy is being harvested in Mysore, Hunsur, Krishnarajanagar, Nanjangud and T.-Narsipur and ragi in Chamarajanagar, Heggaddevankote and Krishnarajanagar Taluks.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week. The water supply in the channels in Hunsur Taluk, is reported to be inadequate. The paddy crop in Gundlupet is reported to have been suffered much owing to insufficient rains and pest attack.

(3) Both cooly and agricultural classes are finding sufficient employment throughout the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

(5) Public Health is generally good except for the prevalence of plague in Gundlupet Taluk. Necessary preventive measures are being taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy. Water and fodder are available throughout the district.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in V. C. Area and paddy in other Taluks are reported to be in good condition Paddy is being harvested in all the Taluks of the district.

Harvesting of ragi is almost completed in the District.

10. Prospects of the season are reported to be fair.

11. Public Health is reported to be generally good throughout the District except for the prevalence of Plague in Goravi Village in Krishnarajapet Taluk. Effective preventive measures have been taken to check the spread of the epidemic.

Cattle are also reported to be generally healthy in all the taluks. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. The standing crops are good. Paddy and ragi are reported to be harvested throughout the District. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. Cattle are healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was harvested. Sugarcane was being crushed in Bhadravati Taluk. Horsegram was also harvested in Honnali Taluk.

The standing crops of paddy, sugarcane, cotton and bengalgram are reported to have been in good condition.

10. Prospect of the season is generally good. There was prevalence of small-pox in Bhadravati. Preventive measures were taken.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets were faitly supplied but the rates were very high.

9. (1) *Standing crops.*—Paddy, sugarcane, avare, bengalgram, coriander, coffee and cotton in Chikmagalur Taluk; avare, thogari, cotton, castor, coriander, horsegram, summer jola, bengalgram and sugarcane in Kadur Taluk; sugarcane, horsegram, bengalgram and avare in Tarikere Taluk; sugarcane and paddy in Koppa Taluk and Narasimharajapura Taluk; paddy in Mudigere Taluk.

(2) *Crops sown or planted.*—Sugarcane was planted in Chikmagalur Taluk.

(3) *Crops Harvested.*—Paddy, sugarcane and coffee in Chikmagalur Taluk; coriander, chillies, cotton, horsegram and sugarcane in Kadur Taluk; paddy, ragi, coriander, jola, horsegram and minor millets in Tarikere Taluk; paddy and sugarcane in Koppa and Narasimharajapura Taluks; paddy in Mudigere Taluk, paddy and areca in Sringeri Jahgir. Generally all the crops were in good condition.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the outbreak of plague as seen from the reports of rat-falls in some parts of Singatagere Hobli, Kadur Taluk. The Public Health Department has been addressed to take necessary measures. The small-pox in some parts of Tarikere Taluk seems to have subsided.

11. Cattle were generally healthy throughout the District.

CHITALDRUG.

8. Markets are reported to be well supplied excepting controlled commodities.

9. *Sowing.*—Sowing of paddy in Chellakere Taluk and sugarcane and paddy in Hiriyur Taluk; paddy and ragi under tanks in Jagalur Taluk, are reported to be under progress.

Standing Crops.—Bilijola and cotton in Chitaldrug Taluk; paddy in Challakere Taluk; cotton, bilijola and bengalgram in Holalkere Taluk; sugarcane in Davangere Taluk; bilijola in Molakalmuru Taluk; cotton, bilijola and bengalgram in Jagalur Taluk; bilijola and bengalgram in Hosadurga Taluk; cotton and thogari in Harihar Taluk, are reported to be in good condition.

In Molakalmuru Taluk in Pokkurthi and Devasamudra Circles, bilijola and cotton and paddy are reported to have been affected by diseases and consequently the prospects of bilijola in this Taluk are not promising.

Harvesting.—Ragi and navane in Chitaldrug Taluk; vyshaki paddy in Challakere Taluk; sugarcane, ragi and paddy in Hiriyur Taluk; thogari, and horsegram in Holalkere Taluk; bengalgram and cotton in Davangere Taluk; paddy in Molakalmuru Taluk; horsegram in Hosadurga Taluk and thogari in Harihar Taluk are reported to be under harvest.

10. Cooly classes are reported to be finding sufficient labour throughout the District. In Molkalmuru Taluk owing to the dearth of higher counts of yarn, weavers have been taking to the Agricultural labour.

11. *Cattle.*—Cattle are reported to be healthy generally. In Gollahalli in Nayakanahatti Hobli, Challakere Taluk, cattle are reported to be suffering from "Blackquarter" disease, and the Veterinary Department has undertaken inoculation of cattle in the village. In Yalihole and Bulludi Villages in Harihar Taluk, where "Rinderpest" was prevailing the Veterinary Department has undertaken remedial measures.

Fodder is said to be available at present throughout the District.

Water.—Water is available for both men and cattle throughout the District.

Public Health.—Public Health is generally good except for the prevalence of plague in Belagur, Madadakere and Goravankal Villages in Hosadurga Taluk. Remedial measures have been taken.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

244

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, 21ST DECEMBER 1950.

A total of 4 attacks with nil death from Plague was returned from 3 villages, in 3 taluks in 3 districts during the week against 11 attacks with 3 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1949 and 1948 were 38 attacks with 28 deaths and 41 attacks with 17 deaths, respectively.

A total of 25 attacks with 4 deaths from Small-pox were reported from Bangalore Corporation, Bhadravati, Chikmagalur, Gudibanda, Hole-Narsipur and from Bangarpet, Malavalli and Tarikere Taluks.

The State remained free from Cholera.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 196 (62 in hospitals) for 7 days representing a calculated death-rate of 20·3 (13·7 excluding hospital deaths) per mille of population (annual basis) as against 21·1 for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Smallpox, 4 under Typhoid, 1 under Other Fevers, 36 under Dysentery and Diarrhœa and 154 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 54 (15 in hospitals) for 7 days representing a calculated death-rate of 14·6 (10·6 excluding hospital deaths) per mille of population (annual basis) as against 19·6 for the corresponding week of last year. Classified according to causes the deaths were: Other Fevers 5, Dysentery and Diarrhœa 5 and All Other Causes 43 and Typhoid 1. The reported mortality was low.

There were 36 deaths (8 in hospitals) for 7 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 10·4 (8·1 excluding hospital deaths) per mille of population (annual basis) as against 11·2 for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Other Fevers, 5 under Dysentery and Diarrhœa and 29 under All Other Causes. The reported mortality was very low.

7833

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 28TH DECEMBER 1950.

A total of 20 attacks with 6 deaths from Plague was returned from 7 villages, in 5 taluks, in 4 districts during the week against 4 attacks with nil death in the previous week. Cities of Bangalore and Mysore reported 1 attack with 1 death and nil attack with nil death, respectively, while Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1949 and 1948 were 50 attacks with 29 deaths and 49 attacks with 24 deaths, respectively.

A total of 38 attacks with 8 deaths from Small-pox were reported from Bangalore Corporation, Bhadravati, Pavagada and from Malavalli, Mulbagal, Tarikere and T.-Narsipur Taluks.

Three attacks with 1 death from Cholera were reported from Heggddevankote Taluk.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 172 (44 in hospitals) for 7 days representing a calculated death-rate of 19·8 (13·3 excluding hospital deaths) per mille of population (annual basis) as against 16·4 for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Typhoid, 5 under Other Fevers, 16 under Dysentery and Diarrhœa and 150 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 60 (23 in hospitals) for 7 days representing a calculated death-rate of 16·3 (10·0 excluding hospital deaths) per mille of population (annual basis) as against 19·0 for the corresponding week of last year. Classified according to causes, the deaths were: Malaria 5, Other Fevers 5, Dysentery and Diarrhœa 9 and All Other Causes 41. The reported mortality was low.

There were 40 deaths (7 in hospitals) for 7 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 11·5 (9·5 excluding hospital deaths) per mille of population (annual basis) as against 31·1 for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Other Fevers, 3 under Dysentery and Diarrhœa and 35 under All Other Causes. The reported mortality was very low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Ragi reaping is completed.

Paddy is being harvested.

Standing crops.—Sugarcane is good.

10. Coolies find sufficient labour.

11. Cattle are reported to be generally healthy. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Paddy, avare, thogari, horsegram and sugarcane are reported to be fair.

(3) *Grops harvested.*—Ragi, paddy, horsegram and sugarcane are being harvested.

10. Prospects of the season are reported to be fair. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of plague and small-pox in some parts of Mulbagal Taluk and blackquarter for cattle in Sidlaghatta Taluk. Preventive measures have been taken to check the spread of the epidemics by the Public Health and Animal Husbandry Departments.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Vaisakhi paddy in Pavagada and Kortagere Taluks.

Standing crops.—Avare, thogari, sugarcane, paddy and ragi are reported to be in good condition.

Crops harvested.—Ragi, haraka, and horsegram in some parts of the District and paddy in parts of Pavagada Taluk.

10. *Public Health.*—Public health is generally good except for the prevalence of small-pox at Nittur and Sattanahalli village in Chelur Hobli in Gubbi Taluk and outbreak of plague at Bommanahalli in Tumkur Taluk (Urudigere Hobli) and in Tiptur Town. Prevalence of small-pox is also reported in some of the villages, *viz.* Pavagada, Kadamalakunte, Thippiahnadurga, Palkunte, Neclammanahalli, Buddareddihalli, Veenatapura, Neralekere in Pavagada Taluk. Necessary preventive measures are reported to have been taken to check the spread of the disease.

11. Cattle are reported to be generally healthy throughout the District. Water and fodder are available and labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—Nil.

9. *Standing crops.*—Such as paddy, togari, horsegram, avare, castor, and sugarcane are reported to be in good condition. But the pest attack on paddy crop in some parts of Gundlupet is still persisting and causing damage. Agricultural Department is taking necessary measures to check its spread.

Crops harvested.—It is reported that paddy is being harvested in Mysore, Krishnarajanagar, Nanjangud, Hunsur, Heggaddevankote and T.-Narsipur Taluks and horsegram in Gundlupet, Nanjangud, Krishnarajanagar and Heggaddevankote Taluks and groundnut in Gundlupet Taluk.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week.

(3) Both cooly and agricultural classes are finding sufficient employment throughout the District.

(4) Sufficient quantities of food grains are made available throughout the District.

(5) Public Health is generally good throughout the district except for the prevalence of plague in a few villages of Gundlupet Taluk and small-pox in some villages of Yelandur Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy throughout the District except for the prevalence of Rinderpest in two villages of Heggaddevankote Taluk. Necessary preventive measures are being taken by the Local Officers by the Veterinary Department to check the spread of the epidemic.

Sufficient quantity of water and fodder are available throughout the District except in a few villages of Gundlupet Taluk where difficulty for drinking water is reported.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in V. C. Area and paddy in all the taluks are reported to be in good condition.

Paddy is being harvested throught the District. Harvesting of ragi is almost completed in the District.

10. Prospects of the season are reported to be fair.

11. Public Health is reported to be generally good throughout the District except for the prevalence of small-pox in Katabahalli and Chikkabbagilu Villages in Malavalli Taluk and plague in Billanahalli Village in Krishnarajapet Taluk. Effective preventive measures have been taken to check the spread of the epidemic.

Cattle are reported to be generally healthy in all the taluks in the district. Water and fodder are available sufficient quantities.

HASSAN.

8. Well supplied.

9. The standing crops *i.e.*, sugarcane is in good condition. Sugarcane, paddy and ragi are being harvested throughout the District. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The Cattle are reported to be healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy, avare and turdhal were harvested. Sugarcane was being crushed in Bhadravati Taluk. The standing crop of sugarcane, paddy, bengalgram and cotton were in good condition.

10. Prospect of the season was good. There was prevalence of small-pox in Channagiri Taluk and there were rat falls in two villages in Honnali Taluk. Preventive measures are reported to have been taken.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly supplied but the rates were high.

9. (1) *Standing crops.*—Paddy, sugarcane, avare, kadale, coriander, coffee and cotton in Chikmagalur Taluk; avare, thogari, cotton, castor, bengalgram summer jola, and sugarcane in Kadur Taluk; sugarcane in Koppa and Narasimharajapura Taluks; Paddy in Mudigere Taluk. There was no crop in Sringeri Jahagir.

(2) *Crops sown or planted.*—Sugarcane was planted in Chikmagalur Taluk.

(3) *Crops Harvested.*—Paddy, sugarcane and coffee, coriander and cotton in Chikmagalur Taluk; avare, togari, chillies, cotton, castor, coriander, sugarcane and horsegram in Kadur Taluk; paddy, ragi, jola, horsegram, avare and minor millets in Tarikere Taluk; sugarcane in Koppa and Narasimharajapura Taluks; paddy in Mudigere Taluk; paddy and areca in Sringeri Jahagir. Generally all the crops were in good condition.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was good except for the prevalence of small-pox in Nandi Village Tarikere Taluk. The area is declared as infected area under the Public Health Act, 1946.

11. Cattle were generally healthy except for the attack of "Epizootic Aptha" at Thimmalapura, Kadur Taluk. The Veterinary Department has been addressed to take necessary measures.

CHITALDRUG.

8. Markets are reported to be well supplied excepting controlled commodities.

9. *Sowing.*—Sowing of paddy is reported to have taken place during this week also in Challakere Taluk.

Standing Crops.—Togari in Haribar Taluk, Bilijola and cotton in Chitaldrug Taluk; sugarcane in Davangere Taluk, Bilijola in Challakere Taluk; bilijola, cotton in Jagalur Taluk are reported to be in good condition.

Harvesting.—Sugarcane, ragi and paddy in Hiriyur Taluk, vyshaki paddy in Challakere Taluk; cotton and kadle in Davangere Taluk, Tur dhall in Harihar Taluk are reported to be under harvest.

10. Cooly classes are reported to be finding sufficient labour throughout the District.

11. *Cattle.*—Cattle are reported to be healthy, generally in all the taluks except in Gollalli of Challakere Taluk where the cattle are reported to be suffering from Black-quarter disease. Veterinary Inspector has been instructed to undertake inoculations in the village.

Fodder is said to be available at present throughout the District.

Water.—Water is available for both men and cattle throughout the District.

Public Health.—Public Health is generally good except for the prevalence of plague in Belagur, rat fall in Bagur, Madadkere, Garayanalli, Kodihalli in Hosadurga Taluk. Preventive measures have been taken to check the spread of the disease.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 13th January 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE WEEK ENDED THURSDAY, JANUARY 4TH 1951.

A total of 10 attacks with 2 deaths from Plague was returned from 6 villages and towns, in 6 taluks, in 4 districts during the week against 20 attacks with 6 deaths in the previous week. Cities of Bangalore and Mysore reported 1 attack with nil death and nil attack with nil death, respectively while Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 12 attacks with 10 deaths and 73 attacks with 46 deaths, respectively.

A total of 19 attacks with 4 deaths from Small-pox were reported from Bhadravathi, Davangere, Jagalur and from Chintamani, Mandya, Sreenivasapur and T.-Narasipur Taluks.

The State remained free from Cholera.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 176 (44 in hospitals) for 7 days representing a calculated death-rate of 18·2 (13·7 excluding hospital deaths) per mille of population (annual basis) as against 22·9 for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 5 under Other Fevers, 29 under Dysentery and Diarrhœa and 141 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 62 (20 in hospitals) for 7 days representing a calculated death-rate of 16·8 (11·4 excluding hospital deaths) per mille of population (annual basis) as against 24·8 for the corresponding week of last year. Classified according to causes the deaths were: Other Fevers 4, Dysentery and Diarrhœa 7 and All Other Causes 51. The reported mortality was low.

There were 31 deaths (4 in hospitals) for 7 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 89· (7·8 excluding hospital deaths) per mille of population (annual basis) as against 9·5 for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Other Fevers, 3 under Dysentery and Drnirhœa and 26 under All Other Causes. The reported mortality was very very low.

T. CHANDRASEKARIAYA,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Paddy is being harvested.

Standing crops.—Sugarcane is good.

10. Coolies find sufficient labour.

11. Cattle are reported to be generally healthy. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Paddy, avare, thogari, horsegram and sugarcane are reported to be fair.

(3) *Crops harvested.*—Ragi, paddy, horsegram and sugarcane are being harvested.

10. Prospects of the season are reported to be fair. Fodder and water are available for cattle.

11. Public Health is generally good except for the prevalence of plague and small-pox in some parts of Mulbagal Taluk. Cattle are reported to be healthy. Preventive measures have been taken to check the spread of the epidemics.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Vaisakhi paddy in Pavagada and Kortagere Taluks.

Standing crops.—Paddy and sugarcane are the principal standing crops which are reported to be in good condition. Ragi, avare and thogari in some parts of the District are also reported to be in good condition.

Crops harvested.—Harvest of ragi, horsegram and other millets are nearing completion in the District. Sugarcane is being cut in parts of the District.

10. *Public Health.*—Public health is generally good except for the prevalence of plague in Kothihallikaval and Machanahalli in Tumkur Taluk and rat-falls in Chiknaikanahalli Town, small-pox in the village Honnenahalli in Tumkur Taluk, Pavagada, Beddareddihalli, Byadanur, Venkatapur and Neralkunte in Pavagada Taluk. Necessary precautionary measures are reported to have been taken to check the spread of the disease.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Kattigenahalli Village, Tiptur Taluk. Necessary needful action is reported to have been taken to check the spread of the disease.

Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District.

Seeds sown.—Nil.

9. *Standing crops.*—Such as paddy, ragi, avare, castor, togari, sugarcane and cotton are reported to be generally in good condition. But the pest attack on paddy crop in some parts of Gundlupet Taluk, is still persisting and causing damage. Agricultural Department is taking necessary measures to check its spread.

Crops harvested.—It is reported that paddy is being harvested in Mysore, Hunsur, Heggaddevankote, Nanjangud and T.-Narsipur Taluks and Ragi in Gundlupet, Periapatna and Nanjargud Taluks and Horsegram in Gundlupet, Nanjangud, Periapatna and Krishnarajanagar Taluks.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District except in Heggadevankote Taluk where too it was scanty.

(3) Cooly and agricultural classes are finding sufficient employment throughout the District.

(4) Sufficient quantities of food grains are made available throughout the District.

(5) Public Health is generally good except for the prevalence of plague in a few villages of Heggaddevankote and Gundlupet Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy throughout the District. Sufficient quantities of water and fodder are available throughout the District except in a few villages of Gundlupet Taluk where difficulty for drinking water is reported.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Visvesvaraya Canal Area and paddy in all the taluks are reported to be in good condition. Paddy is being harvested in all the Taluks in the District. Harvesting of ragi is completed in the District.

10. Prospects of the season are reported to be fair.

11. Public health is reported to be in good condition, throughout the District.

Cattle are also reported to be healthy in all the taluks. Fodder and water are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. The standing crops, *i.e.*, sugarcane is in good condition. Sugarcane, paddy and ragi are being harvested. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle are healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was being harvested. Sugarcane was being crushed in Bhadravati Taluk. The standing crops of sugarcane and benga gram were in good condition.

10. Prospect of the season was generally good. There was prevalence of small-pox in Channagiri Taluk. There were rat falls in Madanatavi in Honnali Taluk. Necessary preventive measures were taken.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. But the rates were high.

9. (1) *Standing crops.*—Paddy, sugarcane, coriander, avare, bengalgram, cotton, coffee in Chikmagalur Taluk avare, togari, cotton, castor, summerjola, and sugarcane in Kadur Taluk; sugarcane and avare in Tarikere Taluk sugarcane in Koppa Taluk. Paddy in Mudigere Taluk, sugarcane in Narasimharajapura Taluk.

All the crops in the District were generally in good condition. Water, fodder and labour were available throughout the District.

10. The public health of the District was generally good except for the prevalence of small pox in Nandi Village of Tarikere Taluk. The area is declared as infected area as per the rules of the Public Health Act.

11. Cattle were generally healthy except for the prevalence of "Epizootic Apta" of Thimmalapura village of Kadur Taluk. The Veterinary Department have been addressed in the matter to take necessary precautions.

CHITALDRUG.

8. Markets are reported to be well supplied exceptin controlled commodities.

9. *Sowing.*—Sowing of paddy in Challakere Taluk and sugarcane in Hiriyur Taluk are reported to be under progress.

Standing Crops.—Togari in Haribar Taluk, bilijola and cotton in Chitaldrug Taluk; sugarcane in Davangere Taluk, paddy in Challakere Taluk; bilijola and kadale in Hosadurga, bilijola and cotton in Jagalur Taluk are reported to be in good condition.

Harvesting.—Sugarcane, ragi and paddy in Hiriyur Taluk, paddy in Challakere Taluk; cotton and kadale in Davangere Taluk and Haribar Taluk are reported to be under harvest.

10. Cooly classes are finding sufficient labour throughout the District.

11. *Cattle.*—Cattle are reported to be generally healthy.

Fodder.—Fodder is reported to be available in all the taluks except Molkalmuru Taluk where scarcity of fodder may be felt within two or three months.

Public Health.—Public Health is generally good except for plague in Hosadurga Town. Preventive measures have been taken to check the spread of the disease.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,

Bangalore,
Dated 23rd January 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, 11TH JANUARY 1951.

A total of 3 attacks with 2 deaths from Plague was returned from 4 villages, and towns in 4 taluks in 4 districts during the week against 10 attacks with 2 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 27 attacks with 13 deaths and 45 attacks with 21 deaths respectively.

A total of 24 attacks with 9 deaths from Small-pox were reported from Bangalore Corporation, Bhadravati, Davangere City and from Bagepalli, Mandya Malavalli and Hunsur Taluks.

The State remained free from Cholera.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 217 (78 in hospitals) for 7 days representing a calculated death-rate of 22·5 (14·4 excluding hospital deaths) per mille of population (annual basis) as against 18·3 for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Typhoid, 5 under Other Fevers, 32 under Dysentery and Diarrhœa and 179 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 63 (31 in hospitals) for 7 days representing a calculated death-rate of 18·5 (10·0 excluding hospital deaths) per mille of population (annual basis) as against 26·4 for the corresponding week of last year. Classified according to causes the deaths were: Malaria 1, Other Fevers 11, Dysentery and Diarrhœa 8 and All Other Causes 43. The reported mortality was very low.

There were 19 deaths (4 in hospitals) for 5 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 7·7 (6·1 excluding hospital deaths) per mille of population (annual basis) as against 9·4 for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Dysentery and Diarrhœa and 17 under All Other Causes. The reported mortality was very very low.

T. CHANDRASEKHARAIYA,
Director.

8185

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY IN MYSORE, BANGALORE.

Notification dated 16th January 1951.

(HEALTH OF LIVE-STOCK DURING DECEMBER 1950).

In their order of severity, outbreaks of Rinderpest, Black-quarter, Anthrax, Hæmorrhagic septicæmia, Foot and Mouth, contagious goat-pleuro-pneumonia, Ranikhet, Sheep-pox and rabies were encountered in the State during December 1950. Altogether 1 4 villages were reported to have been affected by one or the other of the several contagious and infectious diseases as against 217 villages during the previous month. The number of outbreaks was highest in

Mysore, Kolar and Bangalore Districts, while Chikmagalur, Shimoga and Hassan Districts were least affected. These diseases accounted for 688 attacks, of which 440 succumbed as against 755 attacks and 480 deaths during the previous month. The departmental staff conducted 17,151 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

Prevalence of rinderpest among sheep and goats, was reported from Channagiri and Holalkere Taluks accounting for 79 attacks of which 76 succumbed. Prompt measures of control were undertaken by the Department to check its spread and 92 cattle and 124 sheep and goats in the infected villages and 2,254 cattle and 558 sheep and goats in the 6 neighbouring villages extending over a radius of three miles were protected against the disease. The disease appeared to be well under control at the end of the month under report.

Prevalence of an obscure disease characterised by Gastro-entritis among cattle and buffaloes in Hassan and Chikmagalur Districts was reported during the month. The research staff of the Department who were promptly deputed to investigate its occurrence protected 539 animals during the month in these districts against the disease.

Diseases caused by internal parasites were reported from 92 villages resulting in 68 deaths, as against 93 villages accounting for 62 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 5,781 animals, as against 4,162 animals during the previous month.

The rest of the live-stock remained free from diseases during the month and, fodder and water were generally available throughout the State.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Paddy is being harvested.

Standing crops.—Sugarcane is being milled.

10. Coolies find sufficient labour.

11. Cattle are reported to be generally healthy. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Vaisakhy paddy in some parts of Sidlaghatta Taluk.

(2) *Standing crops.*—Paddy, avare, thogari, horsegram, potato and sugarcane are reported to be fair.

(3) *Crops harvested.*—Ragi, avare, thogari, paddy, horsegram and sugarcane are being harvested.

10. Prospects of the season are reported to be fair. Fodder and water are available for cattle.

11. Public Health is generally good except for the prevalence of plague in some parts of Malur and Mulbagal Taluks and small-pox in Thayalur village of Mulbagal Taluk.

Preventive measures are taken by the Department of Public Health.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Vaisakhi paddy in Pavagada and Koratagere Taluks.

Standing crops.—Paddy and sugarcane are the principal standing crops which are reported to be in good condition. Ragi, avare, castor, thogari and bengalgram in some parts of the District are also reported to be in good condition.

Crops harvested.—Harvest of ragi, horsegram and other millets is almost over in the District. Sugarcane is being cut in parts of Gubbi Taluk.

10. *Public Health.*—(1) Public health is generally good except for the prevalence of rat-fall in Chiknaikanahalli Town, and out-break of plague in Gundinapalya in Koratagere Taluk and small-pox at Iynarahalli, Chelur Hobli in Gubbi Taluk. Needful steps are reported to have been taken to check the spread of the epidemic.

(2) Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Gubbi Town. Needful action is reported to have been taken to check the spread of the epidemic.

Water and fodder are available.

11. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—Nil.

9. *Standing crops.*—Such as paddy, ragi, bengalgram, horsegram, avare and sugarcane are reported to be generally in good condition.

Crops harvested.—It is reported that paddy is being harvested in Krishnarajanagar, Hunsur, Periyapatna and Heggaddevankote Taluks; and ragi in Gundlupet, Yelandur, Heggaddevankote, Chamarajanagar and Nanjangud Taluks; and horsegram in Nanjangud, Krishnarajanagar and Periyapatna Taluks.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week.

(3) Both cooly and agricultural classes are finding sufficient employment throughout the District.

(4) Sufficient quantities of food grains are made available throughout the District.

(5) Public Health is generally good except for the prevalence of plague in a few villages of Heggaddevankote and small-pox in a few villages of Yelandur Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of rinderpest in a few villages of Heggaddevankote Taluk. Necessary preventive measures are being taken to check the spread of the epidemic. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area is reported to be in good condition. Paddy is being harvested in all the taluks of the District.

10. Prospects of the season are reported to be good.

11. The public health is reported to be generally good throughout the District except for the prevalence of small-pox in Chikkabbagilu village in Malvalli Taluk. Effective preventive measures have been taken to check the spread of the epidemic. Cattle are reported to be generally healthy. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. The standing crops, *i.e.*, sugarcane is in good condition. Milling of sugarcane is in progress. Harvesting of paddy is nearly completed in all over the District. Ragi is being thrashed throughout the District. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle are healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was being harvested and the sugarcane was being crushed in Sagar and Bhadravati Taluks. The standing crops of sugarcane and bengalgram was in good condition.

10. Prospect of the season were generally good. There was prevalence of small-pox in Sagar and Bhadravati Taluks. Preventive measures were taken.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. But the prices of all staple commodities were very high.

9. (1) *Standing crops.*—Sugarcane, avare, bengalgram, coriander, cotton and coffee in Chikmagalur Taluk; cotton, castor, bengalgram, summer jola and sugarcane in Kadur Taluk; sugarcane and bengalgram in Tarikere Taluk; sugarcane in Koppa and Narasimharajapura Taluks; paddy in Mudigere Taluk, were the standing crops. There was no crop in Sringeri Jahagir.

All the crops in the District were generally good. Labour was sufficiently available throughout the District.

10. Public health was generally good except for the outbreak of small-pox in Tarikere Town. Necessary measures have been taken. Nandi Village in Tarikere Taluk has been declared as small-pox infected area and necessary action taken in this behalf. The Amildar, Kadur Taluk, has not reported about the attack of Plague in some parts of Singatagere Hobli, where rat-fall had occurred.

11. Cattle were generally healthy throughout the District. Water and fodder were available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Sowing.*—Paddy in Challakere and Hiriyur Taluks, sugarcane in Hiriyur Taluk is reported to be in good progress.

Standing Crops.—Bilijola in Chitaldrug, Holalkere, Jagalur, Hosadurga; cotton in Chitaldrug, Holalkere, Davangere, Jagalur and Harihar Taluks; togari in Harihar Taluk; paddy in Challakere and Molakalmuru Taluks; kadale in Davangere, Jagalur and Hosadurga Taluks, are reported to be in good condition.

Harvesting.—Sugarcane, ragi and paddy in Hiriyur Taluk; paddy in Challakere and Molakalmuru Taluks; cotton and kadale in Davangere Taluk are reported to be under harvest.

10. Cooly classes are finding sufficient labour throughout the District.

11. Cattle are reported to be generally healthy except Rinderpest in Kasaba Hobli, Davangere Taluk.

Fodder is reported to be available in all taluks except Molakalmuru Taluk where the scarcity of fodder is felt.

Public Health is generally good except prevalence of small-pox in Davangere City and in a few villages in Malebennur Hobli in Harihar Taluk and Plague in Belagur Village in Hosadurga Taluk.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 30th January 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, 18TH JANUARY 1951.

A total of 9 attacks with 4 deaths from Plague was returned from 2 villages, in 2 taluks, in 2 districts during the week against 3 attacks with 2 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 6 attacks with 6 deaths and 71 attacks with 24 deaths, respectively.

A total of 54 attacks with 17 deaths from Small-pox were reported from Bangalore Corporation, Bhadravathi, Davangere City, Jagalur, Kolar Gold Field, Shimoga, Tarikere and from Gubbi, Malavalli and Mulbagal Taluks.

The State remained free from Cholera.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 195 (48 in hospitals) for 7 days representing a calculated death-rate of 20·2 (15·2 excluding hospital deaths) per mille of population (annual basis) as against 16·8 for the corresponding week of last year. Classified according to causes the deaths numbered 4 under Other Fevers, 24 under Dysentery and Diarrhœa and 167 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 48 (12 in hospitals) for 6 days representing a calculated death-rate of 15·3 (11·4 excluding hospital deaths) per mille of population (annual basis) as against 19·9 for the corresponding week of last year. Classified according to causes the deaths were: Malaria 1, Other Fevers 9, and All Other Causes 38. The reported mortality was very low.

There were 19 deaths (5 in hospitals) for 5 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 7·7 (5·6 excluding hospital deaths) per mille of population (annual basis) as against 7·8 for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Small-pox, 1 under Malaria, 1 under Dysentery and Diarrhœa and 16 under All Other Causes. The reported mortality was very very low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Paddy is being harvested.
(2) Sugarcane is being milled.

10. Coolies find sufficient labour.

11. Cattle are reported to be generally healthy. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Irrigated ragi in Sidlaghatta Taluk.
(2) *Standing crops.*—Paddy, potato and sugarcane is reported to be in good condition.
(3) *Crops harvested.*—Ragi, avare, thogari, paddy horsegram and sugarcane are harvested.

10. Prospects of the season are reported to be fair. Fodder and water are available for cattle.

11. Public health is generally good except for prevalence of plague in three villages in Malur Taluk and small-pox in one village of Mulbagal Taluk. Preventive and curative measures are being taken by the department of Public Health.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Vaisakhi paddy in Koratagere and Pavagada Taluks.

Standing crops.—Paddy and sugarcane are the principal standing crops which are reported to be in good condition. Avare, thogari, castor and bengalgram in some parts of the District are reported to be in good condition.

Crops harvested.—Horsegram and paddy in Pavagada Taluk; and ragi in parts of Sira Taluk. The harvest of millets is nearing completion in the District.

10. *Public Health.*—Public health is generally good except for the continuance of small-pox at Jynarahalli Village, Gubbi Taluk and occurrence of rat falls in Kolihalli Village, Tumkur Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic.

Fair in general.

Cattle are reported to be generally healthy throughout the District.

11. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—Nil.

9. *Standing crops.*—Such as paddy, ragi, avare, castor, bengalgram and sugarcane are reported to be generally in good condition.

Crops harvested.—It is reported that paddy is being harvested in Mysore, Periyapatna, T.-Narasipur and Nanjangud Taluks; and ragi in Chamarajanagar, Krishnarajanagar, Yelandur and T.-Narasipur Taluks; and horsegram and groundnut in Gundlupet Taluk.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the the week.

(3) Both cooly and agricultural classes are finding sufficient employment throughout the District.

(4) Food grains are made available throughout the District.

(5) Public Health is generally good except for the prevalence of plague in a few villages of Heggaddevan kote Taluk and cholera in a few villages of Mysore, Chamarajanagar, Krishnarajanagar, T.-Narasipur and Yelandur Taluks. Necessary preventive measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy except for the prevalence of rinderpest in a few villages of Heggaddevankote Taluk. Necessary preventive measures are being taken to check the spread of the epidemic. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area is reported to be in good condition. Paddy is being harvested throughout the District.

10. Prospects of the season are reported to be in good condition.

11. The public health is reported to be generally good throughout the District except for the prevalence of cholera in Malavalli and Srirangapatna Taluks. Effective preventive measures have been taken to check the spread of the epidemic. Cattle are reported to be generally healthy in all the Taluks. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. The standing crop, *i.e.*, sugarcane is in good condition. Milling of sugarcane is in progress. No damage has been done to crops.

10. The prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was being harvested and sugarcane was being crushed.

The standing crop of sugarcane is reported to be in good condition.

10. Prospect of the season was good. There was small-pox in a few parts of the District. Preventive measures were taken.

11. Cattle were healthy in all the Taluks except in Honnali Taluk. Doddaroga is reported to have been prevailing among cattle in the villages of Joga and Chinnikatte in Honnali Taluk. Preventive measures are reported to have been taken.

Fodder and Water were available to cattle.

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of all staple commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane, coriander, avare, bengalgram, cotton and coffee in Chikmagalur Taluk; cotton, castor, bengalgram, summer jola and sugarcane in Kadur Taluk; sugarcane and bengalgram in Tarikere Taluk; sugarcane in Koppa and Narasimharajapura Taluks; paddy in Mudigere Taluk. There were no crops in Sringeri Jahagir.

(*ii*) *Seeds Sown or Transplanted*:—Sugarcane was transplanted in Chikmagalur Taluk.

(*iii*) *Crops Harvested.*—Sugarcane, coffee, cotton and coriander in Chikmagalur Taluk; ragi, sugarcane, cotton, castor, horsegram and bengalgram in Kadur Taluk; paddy ragi, jola, coriander, avare, horsegram, bengalgram and other minor millets in Tarikere Taluk; paddy in Mudigere Taluk; sugarcane in Narasimharajapura Taluk.

All the crops in the District were in good condition. Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of small-pox in Tarikere Town and rat falls in certain villages of Kadur Taluk. Necessary measures have been taken.

11. Cattle were generally healthy except for the attack of dysentery and diarrhœa in M. Chamanahalli, Hirenallur Hobli, Kadur Taluk, and rinderpest among sheep and goats in Birur Town, Kadur Taluk. Preventive measures have been taken.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Crops Sown.*—The sowing of paddy in Challakere Taluk; sugarcane in Davangere and Hiriyur Taluks is reported to be in progress.

Standing Crops.—Paddy in Challakere and Hiriyur Taluks; bilijola in Hosadurga, Harihar, Jagalur, Chitaldrug and Hiriyur Taluks; cotton in Harihar, Hiriyur, Jagalur, Davangere and Chitaldrug Taluks; kadle in Hosadurga and Jagalur Taluks are reported to be in good condition.

Crops Harvested.—Paddy in Challakere and Hiriyur Taluks; sugarcane in Hiriyur Taluk; cotton in Davangere Taluk and kadle in Jagalur Taluk are reported to be under harvest.

10. Cooly classes are finding sufficient labour throughout the District.

11. Cattle are reported to be healthy except the prevelence of "Rinderpest" in Basapura Village, Davangere Taluk.

Fodder is reported to be available in all the Taluks.

Public Health is generally good except the prevalence of plague in Belagur and Hosadurga Road in Hosadurga Taluk; small-pox in Malebennur, Hulaginahole, Hanagaradi in Harihar Taluk and Davangere Town.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, 25TH JANUARY 1951.

A total of 23 attacks with 14 deaths from Plague was returned from 8 villages and towns in 7 taluks in 6 districts during the week against 9 attacks with 4 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 12 attacks with 5 deaths and 61 attacks with 29 deaths, respectively.

A total of 62 attacks with 16 deaths from Small-pox were reported from Bangalore Corporation, Bhadravati, Davangere, Kolar Gold Fields, Shimoga, Tarikere and from Bangalore North, Channagiri, Hunsur, Malvalli, Mulbagal, Pavagada and Thirthahalli Taluks.

The State remained free from Cholera.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 158 (46 in hospitals) for 6 days representing a calculated death-rate of 18·8 (13·3 excluding hospital deaths) per mille of population (annual basis) as against 24·1 for the corresponding week of last year. Classified according to causes the deaths numbered 3 under Typhoid, 5 under Other Fevers, 24 under Dysentery and Diarrhœa and 126 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 74 (30 in hospitals) for 7 days representing a calculated death-rate of 19·7 (11·7 excluding hospital deaths) per mille of population (annual basis) as against 13·4 for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 1, Malaria 3, Typhoid 1, Other Fevers 15, Dysentery and Diarrhœa 2 and All Other Causes 52. The reported mortality was very low.

There were 16 deaths (7 in hospitals) for 7 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 4·5 (2·5 excluding hospital deaths) per mille of population (annual basis) as against 4·6 for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Other Fiver, 3 under Dysentery and Diarrhœa and 12 under All Other Causes. The reported mortality was very very low.

8701 T. CHANDRASEKHARAIYA, *Director.*

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Paddy is being harvested.
Ragi is being thrashed.
Sugarcane is being milled.

10. Public health is generally good except for the outbreak of cholera in 20 villages in Kankanhally Taluk. Special duty doctors are stated to have been deputed for inoculation work. Out-break of cholera is also reported in two villages of Ramanagaram Taluk and round about Channapatna Taluk. Preventive measures have been taken. Coolies find sufficient labour.

11. Cattle are reported to be generally healthy. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.
(2) *Standing crops.*—Vaishakhy paddy and sugarcane are reported to be in good condition.
(3) *Crops harvested.*—Ragi, avare, thogari, horsegram and sugarcane are being harvested.

10. Prospects of the season are reported to be fair. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of small-pox in some parts of Mulbagal Taluk and plague in some parts of Malur Taluk. Blackquarter for cattle is also reported to be prevailing in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of the epidemics by the Public Health and Animal Husbandry Departments.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Ploughing operations for vaishakhi crop, are reported to be in progress in Turuvekere Taluk. Vaishakhi paddy is being sown in Pavagada, Koratagere and Chiknaikanahalli Taluks.

Standing crops.—Paddy and sugarcane are the principal standing crops in the District which are reported to be in good condition. Castor and bengalgram are also reported to be in good condition.

Crops harvested.—Horsegram and paddy in parts of Pavagada and Madhugiri Taluks. The harvest of millets is almost over in the District. Sugarcane is being harvested.

10. *Public Health.*—Public health is generally good except for the prevalence of plague in Madhugiri Town. Gundanapalya Village in Koratagere Taluk and rat-falls in Chicknaikanahalli Town. Outbreak of small-pox is reported at Satanahalli Village in Gubbi Taluk and Turuvekere Town in Turuvekere Taluk. Needful action is reported to have been taken to check the spread of the disease.

11. Cattle are reported to be generally healthy throughout the District. Water and fodder are available for cattle. Labour is available for cooly classes.

MYSORE.

8 It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—Nil.

Standing crops.—Such as paddy, ragi, avare, sugarcane, bengalgram and castor are reported to be fairly in good condition.

9. *Crops harvested.*—It is reported that ragi is being harvested in T.-Narsipur, Heggaddevankote, Chamarajanagar and Gundlupet Taluks and paddy in Hunsur, T.-Narsipur, Heggaddevankote and Chamarajanagar Taluks.

10. (1) Prospects of the season are fair.
(2) There was no rainfall in any part of the District during the week.
(3) Both cooly and agricultural classes are finding sufficient employment all over the District.
(4) Food grains are made available throughout the District.
(5) Public Health is generally good except for the prevalence of plague in a few villages of Heggaddevankote Taluk and cholera in a few villages of Mysore, Chamarajanagar, Krishnarajanagar, Gundlupet, Nanjangud, T.-Narsipur and Yelandur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemic which is under control.

11. Cattle are reported to be generally healthy except for the prevalence of rinderpest in a few villages of Heggaddevankote Taluk. Necessary preventive measures are being taken to check the spread of the epidemic. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area is reported to be in good condition. Paddy is being harvested in all the Taluks in the District.

10. Prospects of the season are reported to be fair.

11. The public health is reported to be generally healthy throughout the District except for the prevalence of cholera and small-pox in some of the villages of Malavalli Taluk and plague in Doddasomanahalli in Krishnarajapet Taluk. Effective preventive measures have been taken to check the spread of these epidemics. Cattle are also reported to be generally healthy except for the prevalence of rinderpest in Basaral village in Mandya Taluk. Preventive measures have been taken by the Veterinary Department. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Sugarcane, the standing crops is reported to be in good condition. Milling of sugarcane is in progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was being harvested. The sugarcane was being crushed.

The standing crop of sugarcane and bengalgram are reported to be in good condition.

10. Prospect of the season was generally good. There was prevelance of small-pox in Channagiri, Honnalli and Sagar Taluks.

Preventive measures were taken.

11. Cattle were healthy.

Water and Fodder were available

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of all the essential commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane, coriander, avare, bengalgram, cotton in Chikmagalur Taluk; cotton, castor, summer jola and sugarcane in Kadur Taluk; bengalgram and sugarcane in Tarikere Taluk; sugarcane in Koppa and Narasimharajapura Taluks. There were no crops in Mudigere Taluk and Sringeri Jahagir.

(*ii*) *Crops Harvested.*—Sugarcane, coffee, cotton and coriander in Chikmagalur Taluk; cotton, castor, sugarcane, bengalgram, ragi, paddy and horsegram in Kadur Taluk; paddy, ragi, jola, coriander, avare, horsegram, bengalgram and minor millets in Tarikere Taluk; paddy in

Mudigere Taluk; sugarcane in Narasimharajapura Sub-Taluk. No crops were harvested in Koppa Taluk and Sringeri Jahagir.

(iii) *Seeds Sown or Transplantation* :—Sugarcane was transplanted in Chikmagalur Taluk.

All the crops in the District were in good condition. Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of small-pox in Tarikere Town. Preventive measures have been taken.

11. Cattle were generally healthy throughout the District.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Crops Sown.*—The sowing of paddy in Challakere Taluk; sugarcane in Hiriyur Taluk is reported to be under progress.

Standing Crops.—Kadle in Hosadurga and Holalkere Taluks; paddy in Challakere, Hiriyur and Molkamuru Taluks. Bilijola in Chitaldrug, Hiriyur, Harihar and Holalkere Taluks, cotton in Chitaldrug, Hiriyur, Holalkere and Harihar Taluks; sugarcane in Davangere and Hiriyur Taluks are reported to be in good condition.

Crops Harvested.—Sugarcane in Davangere Taluk; cotton in Davangere Taluk and paddy in Hiriyur Taluk are reported to be under harvest.

10. Cooly classes are finding sufficient labour throughout the District.

11. Cattle are reported to be healthy except the prevalence of "Rinderpest" in Basapura Village in Davangere Taluk.

Fodder is reported to be available in all the Taluks except Molakalmuru Taluk where scarcity of fodder is felt.

Public Health is generally good except the outbreak of plague in Belagur Village in Hosadurga Taluk.

N. V. SIDDALINGAPPA,
For *Director*.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 1ST FEBRUARY 1951.

A total of 25 attacks with 9 deaths from Plague was returned from 8 villages and towns, in 6 taluks in 4 districts during the week against 23 attacks with 14 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 7 attacks with 6 deaths and 48 attacks with 23 deaths respectively.

A total of 58 attacks with 16 deaths from Small-pox were reported from Davangere, Jagalur, Sagar and Shimoga towns and from Bangalore North, Channarayapatna, Chikmagalur, Hunsur, Malavalli, Maddur, Mulbagal and Yelandur Taluks.

One hundred and twelve attacks with 34 deaths from Cholera were reported from Malavalli and Srirangapattana towns and from Channapatna, Kankanhalli, Malavalli, Mysore and T.-Narsipur Taluks.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 187 (48 in hospitals) for 7 days representing a calculated death-rate of 19·0 (14·1 excluding hospital deaths) per mille of population (annual basis) as against 21·2 (14·5 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 2 under Typhoid, 4 under Other Fevers, 21 under Dysentery and Diarrhœa and 159 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 52 (11 in hospitals) for 7 days representing a calculated death-rate of 13·8 (10·9 excluding hospital deaths) per mille of population (annual basis) as against 34·4 (25·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths were: Smallpox 1, Malaria 1, Other Fevers 4, Dysentery and Diarrhœa 1 and All Other Causes 45. The reported mortality was very low.

There were 60 deaths (4 in hospitals) for 7 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 16·9 (15·8 excluding hospital deaths) per mille of population (annual basis) as against 13·9 (10·9 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 2 under Other Fevers, 5 under Dysentery and Diarrhœa and 52 under All Other Causes. The reported mortality was low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Dry crops are almost.
(2) Paddy is being harvested.
(3) Ragi is being thrashed.
(4) Sugarcane is being milled.

10. Public health is generally good except for the outbreak of cholera in few villages at Channapatna Taluk, in one or two villages in Ramanagaram Taluk and 20 villages in Kankanhally Taluk. Medical relief is given by deputing doctor for cholera injuctions.

Total attacks in Kankanhally ... 68
,, deaths do ... 31

No fresh attacks in Channapatna and Ramanagaram. Coolies find sufficient labour.

11. Cattle are reported to be generally healthy. Fodder and water are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.
(2) *Standing crops.*—Vaishakhy paddy and sugarcane are reported to be in good condition.
(3) *Crops harvested.*—Harvesting of Ragi, avare, thogari, and sugarcane is progressing.

10. Prospects of the season are reported to be fair. Fodder and water are available.

11. People and cattle are reported to be generally healthy. Small-pox and plague are prevalent in a few villages in Srinivasapur and Malur Taluks. Preventive and curative measures are being taken by the Department of Public Health.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Vaishakhi paddy in parts of Turuvekere, Pavagada and Koratagere Taluks and transplanation of paddy under Chickbidare Tank in Chicknaikanahalli Taluk.

9. *Standing crops.*—Paddy, sugarcane and bengalgram and castor are reported to be in good condition.

Crops harvested.—Harvest of paddy, sugarcane in Kunigal Taluk, horsegram in Pavagada and Tiptur Taluks, ragi and paddy in some parts of Madhugiri Taluk and sugarcane in Tumkur Taluk.

10. *Public Health.*—Public health is reported to be generally good except for the prevalence of small-pox in forty villages in Pavagada Taluk which is said to be virulent. Preventive measures are reported to have been taken to check the spread of the epidemic. Rat-falls are said to be prevailing in Chicknaikanahalli Town and Madhugiri Town is under evacuation on account of plague infection. Needful measures have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of black-quarter in Orukere Village in Tumkur Taluk. Preventive measures are reported to have been taken in checking the spread of the disease. Water and fooder are available for men and cattle. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—Nil.

Standing crops.—Such as bengalgram, sugarcane, paddy, avare and mulberry are reported to be fairly in good condition. It is reported that paddy crop under tanks in Gundlupet and Yelandur Taluks is withering for want of water supply in the tanks.

9. *Crops harvested.*—It is reported that paddy is being harvested in Heggaddevankote, Periyapatna and in parts of T.-Natsipur, Taluk and ragi in the Taluks of Hunsur, Heggaddevankote, Gundlupet, T.-Narsipur and Periyapatna Taluks and bengalgram and coriander in Chamarajanagar Taluk.

10. (1) Prospects of the season are fair.
(2) There was no rainfall in any part of the District during the week.
(3) Both cooly and agricultural classes are finding sufficient employment throught the District.
(4) Sufficient quantities of foodgrains are made available throughout the District.
(5) Public Health is generally good except for the prevalence of plague in a few villages of Heggaddevankote Taluk and cholera in a few villages of Mysore, Chamarajanagar, Krishnarajanagar, Gundlupet, Nanjangud, T.-Narsipur and Yelandur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemic which is under control and is subsiding.

11. Cattle are reported to be generally healthy except for the prevalence of rinderpest in a few villages of Heggaddevankote Taluk. Necessary preventive measures are being taken to check the spread of the epidemic. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in the Visvesvaraya Canal Area is reported to be in good condition. Paddy is being harvested in all the Taluks in the District.

10. Prospects of the season are reported to be fair.

11. The public health is reported to be generally good throughout the District except for the prevalence of cholera in some of the villages of Malavalli and Maddur Taluks, small-pox, in some of the villages of Malavalli Taluk and plague in Doddasomanahalli of Krishnarajapet Taluk. Effective preventive measures have been taken to check the spread of these epidemics. Cattle are reported to be generally healthy. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Standing crops, *i.e.* sugarcane, is reported to be in good condition and milling of sugarcane is in progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was being harvested. Sugarcane was being crushed.

The standing crop of sugarcane was in good condition.

10. Prospect of the season was generally good. There was prevalence of small-pox in Madhanabhavi Village in Honnalli Taluk.

Preventive measures are reported to have been taken.

11. Cattle were healthy in all the Taluks except in Honnali Taluk. There was prevalence of Doddaroga among the cattle in Madhanabhavi Village in Honnali Taluk. Preventive measures were taken.

Fodder Water and were available to cattle.

CHIKMAGALUR.

8. Markets were fairly well supplied and the prices of all the commodities were very high.

9. (1) *Standing crops.*—Sugarcane, coriander, avare, and bengalgram in Chikmagalur Taluk; cotton, castor, summer jola and bengalgram and sugarcane in Kadur Taluk; bengalgram and sugarcane in Tarikere Taluk; sugarcane in Nara-

simharajapura Sub-Taluk. There were no standing crops in Mudigere Taluk and Sringeri Jahagir. The report from Koppa Taluk is not received.

(*ii*) *Seeds Sown or Transplantation* :—Sugarcane was transplanted in Chikmagalur Taluk.

(*iii*) *Crops Harvested.*—Sugarcane, coffee and coriander in Chikmagalur Taluk; cotton, castor, bengalgram, sugarcane, ragi, paddy and horsegram in Kadur Taluk; paddy, ragi, jola, horsegram, avare, coriander, bengalgram and minor millets in Tarikere Taluk; paddy in Mudigere Taluk; sugarcane in Narasimharajapura Sub-Taluk. No crops were harvested in Sringeri Jahagir. The report from Koppa Taluk is not received.

All the crops in the District were in good condition. Water, fodder and labour were available sufficiently throughout the District.

10. Public health was generally good except for the prevalence of small-pox in B rur Village, Kadur Taluk, due to which one death occurred and there were five attacks. Preventive measures have been taken. Small-pox prevailing in Tarikere Town is reported to have subsided. The attack of small-pox here and there in Chikmagalur Town is reported.

11. Cattle were generally healthy throughout the District.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

Crops Sown.—The sowing of paddy in Challakere and Hiriyur Taluks; sugarcane in Hiriyur Taluk is reported to be under progress.

9. Kadle in Hosadurga and Jagalur Taluks; paddy in Challakere and Hiriyur Taluks, Bilijola in Chitaldrug, Hiriyur, Harihar and Holalkere Taluks, be in good condition.

Crops Harvested.—Sugarcane in Davangere Taluk; cotton in Davangere; paddy in Hiriyur Taluk is reported to be under harvest.

Cattle.—Cattle are reported to be generally healthy.

Fodder.—Fodder is reported to be available in all the Taluks except in Molakalmuru Taluk where scarcity of fodder is felt.

10. *Public Health.*—Public Health is generally good except prevalence of Plague in Belagur and Bagur and Kaidal in Hosadurga Taluk.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 20th February 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, 8TH FEBRUARY 1951.

A total of 19 attacks with 6 deaths from Plague was returned from 6 villages and towns in 5 taluks in 4 districts during the week against 25 attacks with 9 deaths in the previous week. Cities of Bangalore and Mysore reported 2 attacks with nil death and nil attack with nil death respectively while Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 9 attacks with 5 deaths and 66 attacks with 36 deaths, respectively.

A total of 57 attacks with 11 deaths from Small-pox were reported from Bangalore Corporation, Davangere, Kunigal, Pavagada and Shimoga Towns and from Bhadravati, Chikmagalur, Kadur, Malvalli, Molakalmuru Mulbagal, Pavagada, Tarikere and Thirthahalli Taluks.

527 attacks with 288 deaths from Cholera were reported from Agaramamballi, Channapatna, Mandya, Malavalli; Pandavapura, Srirangapatna and T.-Narsipur Towns and from Channapatna, Chamarajanagar, K.R. Nagar, H.D. Kote, Malvalli, Mysore, Ramanagaram, T.-Narsipur and Yelandur Taluks.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 197 (44 in hospitals) for 7 days representing a calculated death-rate of 20·2 (15·6 excluding hospital deaths) per mille of population (annual basis) as against 22·8 (15·1) for the corresponding week of last year. Classified according to causes the deaths numbered 7 under Other Fevers, 21 under Dysentery and Diarrhœa and 169 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 68 (37 in hospitals) representing a calculated death-rate of 21·2 (9·6 excluding hospital deaths) per mille of population (annual basis) as against 24·9 (15·6) for the corresponding week of last year. Classified according to causes the deaths were Cholera 8, Typhoid 1, Other Fevers 3, Dysentery and Diarrhœa 4 and All Other Causes 52. The reported mortality was very very low.

8971 T. CHANDRASEKHARAIYA, *Director.*

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

Notification dated 14th February 1951.

(HEALTH OF LIVE-STOCK DURING JANUARY 1951).

In their order of severity, outbreaks of Rinderpest, Black-quarter, Anthrax, Sheep-pox, Foot and Mouth, Hæmorrhagic-septicæmia, Rabies, contagious goat Pleuro-pneumonia and Ranikhet, were encountered in the State during January 1951. Altogether 161 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 134 villages during the previous month. The number of outbreaks was highest in Kolar, Mysore and Tumkur Districts, while Chikmagalur, Hassan and Shimoga Districts were least affected. These diseases accounted for 1,053 attacks, of which 712 succumbed as against 688 attacks and 440 deaths during the previous month. The departmental staff conducted 16,120 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

272

As many as 11 outbreaks of Rinderpest of which 4 were among sheep and goats were registered in Heggaddevankote, Kadur, Davangere, Holalkere and Honnali Taluks accounting for 46 attacks among cattle and 386 attacks among sheep and goats, of which 25 cattle and 364 sheep and goats succumbed. Prompt measures of control were undertaken by the Department to check its spread and 3,466 cattle and 1,117 sheep and goats in the infected villages and 1,615 cattle and 423 sheep and goats in the 7 neighbouring villages extending over a radius of three miles were protected against the disease. The disease appeared to be well under control at the end of the month under report.

Prevalence of an obscure disease characterised by Gastro-entritis among cattle and buffaloes in Hassan and Chikmagalur Districts was reported during the month. The staff of the Department have protected 291 animals during the month in these districts against the disease.

Diseases caused by internal parasites were reported from 118 villages resulting in 49 deaths as against 92 villages accounting for 62 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 8,344 animals as against 5,781 animals during the previous month.

The rest of the live-stock remained free from diseases during the month and, fodder and water were generally available throughout the State.

P. M. NARAYANASWAMY NAIDU,

8979 *Director.*

DEPARTMENT OF INDUSTRIES AND COMMERCE IN MYSORE, BANGALORE.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Standing crops such as sugarcane and paddy are reported to be in good condition.

(2) Thrashing of paddy and ragi are nearing completion.

(3) Sugarcane is being milled in some places.

10. Public health is generally good except for the outbreak of cholera in some of the villages of Kylancha Hobli, Ramanagaram Taluk, and in Malur Patna, Hosur and Vitlenahalli of Channapatna Taluk and in 23 villages of Kankanhally Taluk. It is reported that precautionary measures have been taken in all places. It is reported that plague is prevailing at Doddanahalli Village and Small pox at Gattipur of Hosakote Taluk. Action is taken to check the spread of the disease.

11. Cattle are reported to be healthy except for the outbreak of Rinderpest in Kanakanapalya, Bangalore (North Talak).

KOLAR.

Not received.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Vaishakhi paddy in parts of Turuvekere and Pavagada Taluks; kar ragi in parts of Turuvekere Taluk. Transplantation of paddy under Chickbidare Tank in Chicknaikanahalli Taluk is nearing completion.

9. *Standing crops.*—Paddy, sugarcane bengalgram and castor are reported to be in good condition.

Crops harvested.— Horsegram in Pavagada Taluk. Ragi in parts of Sira and Koratagere Taluk. Paddy and sugarcane in Gubbi Taluk. Bengalgram in Tiptur Taluk.

10. *Public Health.*—Public health is reported to be generally good except for rat falls in Chicknaikanahalli Town, Siddapura Village in Madhugiri Taluk, and prevalence of plague in Bellavi in Tumkur Taluk. Small-pox is reported to be prevailing in Itrikadibbanahalli, Midgesi, Kotigenahalli, Dooderi and Puravara Villages in Madhugiri Taluk and Hagalvadi in Gubbi Taluk. Needful action is reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy throughout the District. Water and fodder are available for men and cattle. Labour is available for cooly classes.

MYSORE.

8 It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—Nil.

Standing crops.—Such as bengalgram, sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—It is reported that paddy is being harvested in Yelandur, Gundlupet and Periyapatna Taluks and ragi in Gundlupet, Heggaddevankote, Periyapatna and Yelandur Taluks. As paddy crop has failed under certain tanks of Chamarajanagar, Gundlupet and in parts of Nanjangud Taluk. Proposals for grant of remission under Seasonal Remission Rules are under formulation.

10. (1) Prospects of the season are fair throughout the District.

(2) There was no rainfall in any part of the District during the week.

(3 Both cooly and agricultural classes are finding sufficient employment throught the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

(5) Public Health is generally good except for the prevalence of plague in a few villages of Heggaddevankote Taluk and in Periyapatna Town; and cholera in a few villages of Chamarajanagar, Krishnarajanagar, Heggaddevankote, Gundlupet, Nanjangud, T.-Narsipur and Yelandur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics which is under control and is subsiding.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder is available all over the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in the Visvesvaraya Canal area and paddy in Nagamangala Taluk are reported to be in good condition. Paddy is being harvested in all parts of the District.

10. Prospects of the season are reported to be fair.

11. The public health is reported to be generally good throughout the District except for the prevalence of cholera in Madapuradadoddi and small-pox in Abujanahalli villages in Maddur Taluk. Effective preventive measures have been taken to check the spread of these epidemics. Cattle are reported to be generally healthy in all the Taluks. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Sugarcane is the only standing crop and is reported to be in good condition, and the milling of sugarcane is in progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was being harvested and the sugarcane was being crushed. The standing crop of sugarcane was in good condition.

10. Prospect of the season was generally good. There was prevalence of small-pox in Channagiri, Honnali and Shikaripur Taluks. Preventive measures were taken.

11. Cattle were healthy; water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly supplied but the prices of most of the essential commodities continued to be high.

9. (*i*) *Standing crops.*—Sugarcane, avare, kadale, coriander in Chikmagalur Taluk; cotton, castor, summer jola, bengalgram and sugarcane in Kadur Taluk; sugarcane and bengalgram in Tarikere Taluk; sugarcane in Koppa and Narasimharajapura Taluks. There were no crops in Mudigere Taluk and Sringeri Jahgir.

(*ii*) *Seeds or Transplantation.*—Sugarcane in Chikmagalur Taluk.

(*iii*) *Crops Harvested.*—Onion, garlic, coffee, sugarcane and coriander in Chikmagalur Taluk; ragi, cotton, castor, bengalgram, sugarcane and summer jola in Kadur Taluk; paddy, ragi, jola, avare, horsegram, bengalgram and coriander, in Tarikere Taluk; sugarcane in Narasimharajapura Taluk and paddy in Mudigere Taluk.

All the crops in the District were in good condition. Water, fodder and labour were sufficiently available.

10. Public health was generally good except for the prevalence of small-pox at Kumbar Koppa, Koppa Taluk. It is stated in the report of the Amildar, Kadur Taluk, that intimation was received by him from the Inspector of Schools, Kadur Taluk, about the incidence of small-pox at Lakshmipura, Kadur Taluk. The District Health Officer, Chikmagalur, has been addressed in the matter of taking necessary steps. Small-pox prevailing at Tarikere Town, is stated to have subsided.

11. Cattle were generally healthy throughout the District.

CHITALDRUG.

Not received.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 27th February 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

279

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 15TH FEBRUARY 1951.

A total of 23 attacks with 10 deaths from Plague was returned from 10 villages and towns, in 8 taluks, in 4 districts during the week against 19 attacks with 6 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 2 attacks with 1 death and 38 attacks with 29 deaths respectively.

A total of 92 attacks with 28 deaths from Small-pox were reported from Bangalore Corporation, Bhadravathi, Davangere, Mysore, Pavagada, Srirangapatna and Shimoga Towns and from Bhadravathi, Malavalli, Maddur, Molkalmur, Mulbagal, Shimoga, Sorab, Tarikere and Tiptur Taluks.

Three hundred and twenty-eight attacks with 218 deaths from Cholera were reported from Agaramamballi, Malavalli, Mysore, Ramanagaram, Saragur and T.-Narasipur Towns and from Chamarajanagar, Gundlupet, Heggaddevankote, Kankanhalli, Krishnarajanagar, Malavalli, Maddur, Mandya, Nanjangud, Ramanagaram, T.-Narsipur and Yelandur Taluks.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 198 (59 in hospitals) for 7 days representing a calculated death-rate of 20·1 (14·1 excluding hospital deaths) per mille of population (annual basis) as against 20·4 (16·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 3 under Other Fevers, 27 under Dysentery and Diarrhœa and 168 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 65 (20 in hospitals) for 7 days representing a calculated death-rate of 17·3 (12·0 excluding hospitals) per mille of population (annual basis) as against 19·5 (11·5 excluding hospitals) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 1, Malaria 1, Other Fevers 9, Dysentery and Diarrhœa 6 and All Other Causes 48. The reported mortality was very low.

Reports have not been received from the Health Officer, Kolar Gold Fields, in spite of reminders.

T. CHANDRASEKHARIAH,
Director.

DISTRICT REPORTS

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities..

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity. Number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

KOLAR

8. Moderately supplied.

9. 1. *Seeds sown.*—Nil.

2. *Standing Crops.*—Paddy, and sugarcane are reported to be fair but they require rains.

3. *Crops harvested.*—Ragi, and vaishaky paddy are being harvested.

10. Prospects of the season are reported to be fair except in some parts of affected area in Bangarpet and Mulbagal Taluks. Fodder and water are available.

People and cattle are reported to be generally healthy but for pravelence of small-pox and plague in some parts of Srinivasapur and Mulbagal Taluks. Preventive measures have been taken to check the spread of the epidemics by the Public Health Department.

CHITALDRUG.

8. Markets are reported to be well supplied except controlled commodities.

9. *Sowing.*—Sowing of paddy in Hiriyur Taluk is reported to be under progress.

Standing Crops.—Bili jola in Chitaldrug, Holalkere, Jagalur, Hiriyur and Hosadurga Taluk; Cotton in Chitaldrug, Holkere, Jagalur and Hiriyur Taluk, paddy in Molakalmuru, Hiriyur, Harihar, Challakere and Hosadurga Taluk, Bengalgram in Holalkere Taluk, Sugarcane in Davangere and Hiriyur Taluk, Kadle in Hosadurga Taluk, are reported to be in good condition.

Harvesting.—Paddy in Molakalmuru, cotton in Davangere, and sugarcane in Davangere Taluk reported to be under harvest.

10 Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy.

Water and fodder are available. Public health is generally good except for the prevalence of plague in Belaur and Bagur villages in Hosadurga and small-pox in Yalavatty and Nandigudi Village, Harihar Taluk.

DISTRICT REPORTS.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Standing crops such as sugarcane and paddy are reported to be in good condition. Sugarcane is being milled in some parts of the District. Ragi is being harvested in some parts of the District.

10. Public health is generally good except for the prevalence of cholera in parts of Ramanagaram, Kankanhalli and Channapatna Taluks. Preventive measures taken in the matter is reported to have subsided the epidemic in Channapatna Taluk. It is reported that cholera is prevalent in three villages of Kankanhalli Taluk, and 3 deaths of 12 attacks in the villages of Alahalli, Nallahalli and Mullahalli are reported.

Action is reported to have been taken to check the spreading of plague infection in Doddanallur Village and small-pox in Ghattipur village of Hosakote Taluk.

11. Water and fodder are available and coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. *Seeds sown.*—Nil.

Standing crops.—Vaishakhy paddy and sugarcane are reported to be fair but they require rains.

Crops harvested.—Ragi and paddy in some taluks are being harvested.

10. Prospects of the season are reported to be fair except in some parts of Bangarapet and Mulbagal Taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of small-pox in some parts of Srinivasapur Taluk. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Vaishakhi paddy in parts of Turuvekere and Pavagada Taluks. Transplantation of paddy under Chickbidare Tank is reported to have been completed.

9. *Standing crops.*—Paddy in Chicknaikanahalli, Madhugiri, Pavagada and Sira Taluks and sugarcane is reported to in good condition.

Crops harvested.—Harvest of paddy in Pavagada Taluk, Horsegram in Pavagada and Bengalgram in Tiptur Taluk.

10. *Public Health.*—Public health is reported to be generally good except for the prevalence of plague in Madhugiri Town, and rat-falls in Siddapura in Madhugiri Taluk and in Chicknaikanahalli Town. Out-break of small-pox is reported in the villages of Chunganahalli and Dabbegha ta villages in Chicknaikanahalli Taluk, Ittikadibbanahalli, Midigesi, Kotigenahalli, Dodderi and Puravara Circle Villages in Madhugiri Taluk and in 42 villages in Pavagada Taluk. Needful action is reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy throughout the District except for the prevalence of blackquarter in Ramaghatta village in Chicknaikanahalli Taluk. Needful action is reported to have been taken in the matter. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—Nil.

Standing crops.—Such as sugarcane, bengalgram and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—It is reported that paddy is being harvested in Gundlupet, Chamarajanagar and Yelandur Taluks and ragi in Gundlupet, Periyapatna, Heggaddevankote and T.-Narsipur Taluks and sugarcane in Yelandur Taluk. As paddy crop failed under certain tanks in Chamarajanagar and Gundlupet Taluks and in parts of Nanjangud Taluk, proposals for grant of remission under Seasonal Remission Rules are under formulation.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Foodgrains are made available in sufficient quantities all over the District.

(5) Public Health is generally good except for the prevalence of plague in a few villages of Heggaddevankote and Gundlupet Taluks and cholera in a few villages of Mysore, Chamarajanagar, Krishnarajanagar, Gundlupet, Nanjangud, T.-Narsipur and Yelandur Taluks and smallpox in one village of Gundlupet Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics which are under control and subsiding to some extent.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District except in a few villages of Gundlupet Taluk where difficulty for drinking water is reported.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal area and paddy in Nagamangala Taluk are reported to be in good condition. Paddy is being harvested in Mandya Taluk.

10. Prospects of the season are reported to be good.

11. The public health is reported to be generally good throughout the District except for the prevalence of smallpox in Kundur and Kadabahalli villages of Malavalli Taluk. Effective preventive measures have been taken to check the spread of the epidemic. Cattle are also reported to be generally healthy in all the Taluks in the District. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Sugarcane is the only standing crop and its condition is reported to be good. Milling of sugarcane is in progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Generally well supplied.

9. Sugarcane crop is reported to be good. Paddy was being harvested and sugarcane was being crushed.

10. Prospects of the season were fair and cooly classes are stated to be finding enough labour.

Small-pox is reported to have been prevailing in certain villages of Channagiri and Honnali Taluks. Timely preventive measures were taken.

11. Cattle were generally healthy; water and fodder were available.

CHIKMAGALUR.

283

8. Markets were fairly supplied but the prices of most of the essential commodities continued to be high.

9. (*i*) *Standing crops.*—Sugarcane, kadale, coriander in Chikmagalur Taluk; cotton, castor, summer jola, bengalgram and sugarcane in Kadur Taluk; sugarcane and bengalgram in Tarikere Taluk; sugarcane in Koppa and Narasimharajapura Taluks are in good condition. There were no crops in Mudigere Taluk and Sringeri Jahgir Sub-Taluk.

(*ii*) *Seeds Sown or Transplanted.*—Sugarcane in Chikmagalur Taluk.

(*iii*) *Crops Harvested.*—Sugarcane, coriander and kadle in Chikmagalur Taluk; ragi, bengalgram and summer jola in Kadur Taluk; paddy, ragi, jola, avare, horsegram, bengalgram, sugarcane and other minor millets in Tarikere Taluk; paddy in Mudigere Taluk; sugarcane in Narasimharajapura Taluk are being harvested.

Water, fodder and labour were sufficiently available.

10. Public health was generally good except the occurrence of a rat-fall in Yagati I Circle, Kadur Taluk, prevalence of small-pox in Chikmagalur Town and in Addagadde Village, Sringeri Jahgir. "Foot and Mouth, diseases is prevailing among cattle in Mavinakere Village in Mudigere Taluk. The District Health Officer, Chikmagalur, has been requested of take needful action in the matter of controlling the disease.

11. Cattle were generally healthy excepting the prevalence of foot and mouth disease in Mavinkere Village, Mudigere Taluk, as stated above. The Assistant Director of Animal Husbandry, Chikmagalur, is addressed.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Sowing.*—Groundnut in Hiriyur Taluk is reported to be under progress.

Standing Crops.—Bili jola in Chitaldrug, Holalkere, Jagalur and Hiriyur Taluks; paddy in Molakalmuru, Hiriyur, Haribar, Challakere and Hosadurga Taluks, bengalgram in Holalkere Taluk; sugarcane in Davangere and Hiriyur Taluks; kadle in Hosadurga Taluk are reported to be in good condition.

Crops Harvested.—Paddy in Molakalmuru; cotton in Davangere Taluk; and sugarcane in Hiriyur and Davangere Taluks are reported under harvest.

10. Cooly classes finding sufficient labour.

Cattle are reported to be generally healthy.

Water and fodder are available.

11. Public Health is generally good except prevalence of Plague in Kainodu, Belagur, Bagur and Hosadurga Railway Station in Hosadurga Taluk.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 6th March 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, 22ND FEBRUARY 1951.

A total of 36 attacks with 13 deaths from Plague was returned from 15 villages and towns in 9 taluks in 5 districts during the week against 23 attacks with 10 deaths in the previous week. Cities of Bangalore and Mysore reported nil attack with 1 death and 2 attacks with nil death respectively while Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 1 attack with 1 death and 17 attacks with 11 deaths, respectively.

A total of 59 attacks with 12 deaths from Small-pox were reported from Bhadravati, Chikmagalur, Davangere, Mysore City and from Arkalgud, Bhadravati, Hunsur, Mandya, Malvalli, Molakalmuru, Mulbagal, Sorab and Sringeri Taluks.

Two hundred and ten attacks with 99 deaths from Cholera were reported from Agaramamballi, Maddur, Mandya Town and from Channapatna, Chamarajanagar, Gundlupet, Hunsur, Kankanhalli, Maddur, Mandya, Malvalli, T.-Narsipur and Yelandur Taluks.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 176 (40 in hospitals) for 7 days representing a calculated death-rate of 17'9 (13'8 excluding hospital deaths) per mille of population (annual basis) as against 22'0 (16'1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 5 under Other Fevers, 25 under Dysentery and Diarrhœa and 146 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 43 (22 in hospitals) for 7 days representing a calculated death-rate of 11'4 (5'6 excluding hospital deaths) per mille of population (annual basis) as against 22'2 (14'1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 1, Malaria 2, Typhoid 1, Other Fevers 8, Dysentery and Diarrhœa 4 and All Other Causes 27. The reported mortality was very very low.

Reports have not been received from the Health Officer, Kolar Gold Fields in spite of reminders.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Standing crops *viz.*, sugarcane is reported to be in good condition. It is being milled in some places. Ragi is being harvested in some places.

10. Public health is generally good except for the prevalence of cholera in some parts of Ramanagaram, Kankanhalli Taluks. Precautionary measures are duly taken to check the spread of the disease. Action is reported to have been taken to check the spreading of plague infection in some parts of Hoskote Taluk.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. *Seeds sown.*—Nil.

Standing crops.—Paddy and sugarcane are reported to be fair but they require rains.

Crops harvested.—Ragi and paddy are being harvested.

10. Prospects of the season are reported to be fair. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of small-pox in some parts of Srinivaspur and Mulbagal Taluks. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Vaishakhi paddy in parts of Turuvekere and Pavagada Taluks.

9. *Standing crops.*—Paddy in Chicknaikanahalli, Kunigal, Pavagada and Sira Taluks and sugarcane is reported to be in good condition.

Crops harvested.—Bengalgram in parts of Tiptur and paddy in Kunigal Taluks. Threshing of ragi is going on in all parts of the District.

10. *Public Health.*—Public health is reported to be generally good except for the prevalence of rat fall in Chicknaikanahalli Town and plague in Madhugiri Town. Outbreak of small-pox is reported at Dabbeghatta and Changanahalli in Chicknaikanahalli Taluk. Prevalence of small-pox continues in Pavagada Taluk as in the last week. Needful action is reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of blackquarter in Ramaghatta village, Chicknaikanahalli Taluk and Kuppur, Hosahalli and Melehalli villages in Tumkur Taluk. Needful preventive measures are reported to have been taken in the matter. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—Nil.

Standing crops.—Such as sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—It is reported that paddy is being harvested in Gundlupet, Chamarajanagar and Yelandur Taluks and ragi in Gundlupet Taluk. As paddy crop failed under certain tanks in Gundlupet, Chamarajanagar and in parts of Nanjangud Taluk, proposals for grant of remission under Seasonal Remission Rules are under formulation.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week.

(3) Both cooly and agriculture classes are finding sufficient employment throughout the District.

(4) Foodgrains are made available in sufficient quantities all over the District.

(5) Public Health is generally good except for the prevalence of plague and small-pox in a few villages of Gundlupet, Taluk and Cholera in a few villages of Mysore, Chamarajanagar, Krishnarajanagar, Gundlupet, Nanjangud, T.-Narsipur and Yelandur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics, which are under control and subsiding to some extent.

11. Cattle are reported to be generally healthy except for the prevalence of Rinderpest in one village of Krishnarajanagar Taluk. Necessary preventive measures are being taken to check the spread of the epidemic.

Sufficient quantities of water and fodder are available throughout the District except in a few villages of Gundlupet Taluk where difficulty for drinking water is reported.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Visvesvaraya Canal area are reported to be in good condition. The harvesting and thrasing of paddy and ragi are almost completed.

10. Prospects of the season are reported to be in good condition.

11. The public health is reported to be generally healthy throughout the District except for the prevalence of small-pox in Kadabahalli village in Malavalli Taluk. Effective preventive measures have been taken to check the spread of the epidemic.

Cattle are also reported to be generally healthy in all the Taluks of the District.

Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Sugarcane is the only standing crop and its condition is reported to be good. Milling of sugarcane is in progress. No damage has been caused to the crops.

10. The prospects of the season are reported to be good.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was being harvested, sugarcane was being crushed.

The standing crop of sugar-cane was in good condition.

The summer paddy and ragi crops in Bhadravathi Taluk are reported to be in good condition.

10. Prospects of the season was generally good. There was prevalence of small-pox in Honnali Taluk. Preventive measures were taken.

11. Cattle were healthy; water and fodder were available. There is prevalence of "Rinderpest" in Madanabavi Village and action has been taken to prevent their going to the shandy at Rampur. Necessary action has been taken for inoculations, etc.

CHIKMAGALUR.

8. Markets were fairly well supplied but the prices of all the essential commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane, coriander and bengalgram in Chikmagalur Taluk; cotton, summer jola, bengalgram and sugarcane in Kadur Taluk; sugarcane and bengalgram in Tarikere Taluk; sugarcane in Koppa and Narasimharajapura Taluks. There were no crops in Mudigere Taluk and Sringeri Jahagir.

(*ii*) *Seeds Sown or Transplantion made.*—Sugarcane in Chikmagalur Taluk.

(*iii*) *Crops Harvested.*—Sugarcane, coriander and bengalgram in Chikmagalur Taluk; ragi, cotton, bengalgram, summer jola, sugarcane and castor in Kadur Taluk; ragi, horsegram, bengalgram, sugarcane and minor millets in

Tarikere Taluk; paddy in Mudigere Taluk; sugarcane in Narasimharajapura Taluk. No crops were harvested in Koppa Taluk and Sringeri Jahagir.

All the crops in the District were in good condition. Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of small-pox at Kortigere, Tarikere Taluk. The District Health Officer, Chikmagalur, has been addressed to take necessary measures. Rat-falls are reported in Hanumanahalli, Kadur Taluk. There was a case of death from cholera in Chikmagalur District Hospital. Preventive measures are taken.

11. Cattle were generally healthy except for the attack of "Foot and Mouth" disease at Mavinkere (Kalasa) in Mudigere Taluk. The Veterinary Inspector has been requested to take immediate steps in the matter.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Sowing.*—Groundnut in Hiriyur Taluk is reported to be under progress.

Standing Crops.—Bili jola in Chitaldrug, Jagalur and Hosadurga Taluks; cotton in Chitaldrug, Jagalur and Hiriyur Taluks; paddy in Molakalmuru, Hiriyur and Harihar Taluks and Challakere Taluk; sugarcane in Davangere and Hiriyur Taluks; are reported to be in good condition.

Crops Harvested.—Bili jola and cotton in Chitaldrug Taluk; paddy in Molakalmuru; cotton in Davangere Taluk; sugarcane in Hiriyur and Davangere Taluks are reported to be under harvest.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be healthy except the prevalence of black-quarter in Kaidele Village in Davangere Taluk. Water and fodder are available.

Public Health is generally good except for the prevalence of Plague in Kainadu, Belagur and Bagur Villages in Hosadurga Taluk.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE, Bangalore, Dated 13th March 1951.

V. VEDAVYAS ACHARYA, *Revenue Commissioner.*

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 1ST MARCH 1951.

A total of 25 attacks with 4 deaths from Plague was returned from 11 villages and towns, in 5 taluks, in 4 districts during the week against 35 attacks with 13 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 8 attacks with 6 deaths and 25 attacks with 14 deaths, respectively.

A total of 60 attacks with 15 deaths from Small-pox were reported from Bangalore Corporation, Bhadravathi, Chikmagalur, Davangere, Pavagada, Shimoga, and Tarikere Towns and from Chikmagalur, Jagalur, Hoskote, Harihar, Krishnarajanagar, Mandya, Molakalmuru, Mulbagal, Sorab and T.-Narasipur Taluks.

Eighty-six attacks with 58 deaths from Cholera were reported from Gundlupet, Maddur, Mandya and T.-Narasipur Towns and from Channapatna, Chamarajanagar, Hunsur, Kankanhalli, Maddur, Mandya, Malavalli, T.-Narsipur and Yelandur Taluks.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 149 (51 in hospitals) for 7 days representing a calculated death-rate of 15·1 (9·9 excluding hospital deaths) per mille of population (annual basis) as against 20·3 (14·3 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 1 under Typhoid, 4 under Other Fevers, 26 under Dysentery and Diarrhœa and 117 under All Other Causes. The reported mortality was very very low.

The total mortality for Mysore City was 41 (13 in hospitals) for 7 days representing a calculated death-rate of 10·9 (7·4 excluding hospital deaths) per mille of population (annual basis) as against 16·4 (8·0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Malaria 3, Typhoid 1, other Fevers 8, Dysentery and Diarrhœa 1 and all Other Causes 28. The reported mortality was very very low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Thrashing of Ragi is being done.

(2) Sugarcane is being milled.

10. Public health is reported to be generally good. Cholera in Villages of Ramanagaram, Kankanhalli and Channapatna is reported to be subsiding. Plague infection that was in some villages of Hoskote Taluk has also subsided. Cattle are reported to be healthy except for the outbreak of Rinderpest in Konakunte, Uttarahalli Hobli, Bangalore South Taluk. Precautionary measures are taken to check the spread of this disease.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. *Seeds sown.*—Nil.

Standing crops.—Paddy and sugarcane are reported to be fair but they require rains.

Crops harvested.—Ragi, paddy are being harvested.

10. Prospects of the season are reported to be fair. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy except for the small-pox in Chinnakamenapalli Village, Srinivaspur Taluk and Rinderpest in Chintamakalapalli of Srinivasapur Taluk. Preventive measures have been taken to check the spread of the epidemic.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Agricultural operations are going on in Turuvekere Taluk for the next harvest.

9. *Standing crops.*—Paddy in Chicknaikanahalli, Kunigal, Pavagada and Sira Taluks and sugarcane is reported to be in good condition.

Crops harvested.—Paddy in Kunigal and Pavagada Taluks. Threshing of ragi is going on in all parts of the District.

10. *Public Health.*—Public health is generally good except for the prevalence of plague in Madhugiri Town. Rat falls in Chicknaikanahalli Town is reported to have subsided. Small-pox is still pervailing in Itkadibbanahalli, Midigesi and other Surrounding villages in Madhugiri Taluk. Necessary preventive measures are reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of Rinderpest in Jodi Achammanahalli in Pavagada Taluk. Necessary preventive measures are reported to have been taken to check the spread of the epidemic.

Water and fodder are available and labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—Nil.

Standing crops.—Such as sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—It is reported that paddy is being harvested in Gundlupet and Chamarajanagar Taluks and ragi in Heggadadevanakote Taluk and sugarcane in Yelandur Taluk. As paddy crop failed under certain tanks in Gundlupet, Chamarajanagar and in parts of Gundlupet Taluks, proposals for grant of remission under Seasonal Remission Rules are under formulation.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

(5) Public Health is generally good except for the prevalence of small-pox in a few villages of Yelandur Taluk and Cholera in a few villages of Chamarajanagar, Krishnarajanagar, Gundlupet, Nanjangud, and T.-Narsipur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy except for the prevalence of Rinderpest in one village of Krishnarajanagar Taluk and Blackquarter in one village of Heggadadevankote Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics. Sufficient quantities of water and fodder are available throughout the District except in a few villages of Gundlupet Taluk where difficulty for drinking water is reported.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Visvesvaraya Canal area and paddy in Nagamangala Taluk under Tank atchkats are reported to be in good condition. Kar ragi and pulses like blackgram and horsegram are being sown in some parts in Srirangapatna Taluk.

10. Prospects of the season are reported to be good.

11. The public health is reported to be generally good throughout the District except for prevalence of small-pox in Kadabahalli village in Malavalli Taluk. Preventive measures have been taken to check the spread of the epidemic.

Cattle are reported to be generally healthy.

Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. The only standing crop is Sugarcane and its milling is in progress. No damage has been caused to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was harvested. Sugarcane was being crushed.

The standing crops of sugarcane and cotton were in good condition. New sugarcane was planted in Bhadravati Taluk.

The summer paddy and ragi crops were in good condition in Bhadravati Taluk.

10. Prospect of the season was generally good.

There was prevalence of small-pox in Chennagiri Taluk. Preventive measures were taken.

11. Cattle were healthy in all the Taluks except Honnali Taluk. Doddaroga among cattle is reported to have been prevailing in the cattle fair at Rampur in Honnali Taluk. Preventive measures were taken.

Water and fodder were available.

CHIKMAGALUR.

8. Markets were well supplied but the rates of all the commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane, coriander and bengalgram in Chikmagalur Taluk; sugarcane and bengalgram in Tarikere Taluk; sugarcane in Narasimharajapura Taluk. There were no crops in Sringeri Jahagir. The reports from Kadur and Koppa Taluks are not received.

(*ii*) *Seeds Sown and Transplantation made.*—Sugarcane in Chikmagalur Taluk.

(*iii*) *Crops Harvested.*—Sugarcane, coriander and bengalgram in Chikmagalur Taluk; ragi, avare, sugarcane and bengalgram, in Tarikere Taluk; paddy in Mudigere Taluk and sugarcane in Narasimharajapura Taluk. No crops were harvested in Sringeri Jahagir.

s in the District were in good condition. Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of small-pox at Kortikere in Tarikere Taluk. The District Health Officer has been addressed to take preventive measures.

11. Cattle were generally healthy throughout the District.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Nil

Standing Crops—Cotton in Chitaldrug, Holalkere, Davanagere, Hosadurga, Jagalur and Hiriyur Taluks; Bilijola in Chitaldrug, Holalkere, Hosadurga, Jagalur and Hiriyur Taluks; paddy in Hosadurga, Challakere, Molakalmuru, Hiriyur Taluks and sugarcane in Davangere, Hiriyur Taluks are reported to be in good condition.

Crops Harvested.—Cotton in Hiriyur, Haribar and Davangere Taluks; Bilijola in Hiriyur and Jagalur Taluks; kadle in Jagalur Taluk; paddy in Molakalmuru, sugarcane in Davangere Taluks are reported to be under harvest.

10. Cattle are reported to be healthy except the prevalence of black-quarter in Kaidele Village in Davangere Taluk.

Water and fodder are available.

11. Public Health is generally good except for the prevalence of small-pox in Davangere and Challakere Taluks and plague in Hosadurga Taluk.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 20th March 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE WEEK ENDED THURSDAY, 8TH MARCH 1951.

A total of 11 attacks with 1 death from Plague was returned from 7 villages and towns in 4 taluks, in 4 districts during the week against 25 attacks with 4 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 11 attacks with 4 deaths and 17 attacks with 10 deaths respectively.

A total of 60 attacks with 16 deaths from Small-pox were reported from the towns of Chikmagalur, Davangere, Gundlupet, Nyamathi and Shimoga and from the taluks of Bagepalli, Bhadravati, Davangere, Holalkere, Hosketé, Kankanhalli, Koratagere, Malvalli, Molakalmuru, Mulbagal, Nagar, Shimoga and Thirthahalli.

Thirty-one attacks with 18 deaths from Cholera were reported from the towns of Chikmaglur and Mandya and from the Taluks of Chikmagalur, Gundlupet, Krishnarajpet, Maddur and Malvalli.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 159 (52 in hospitals) for 7 days representing a calculated death-rate of 16·2 (10·9 excluding hospital deaths) per mille of population (annual basis) as against 26·9 (17·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 1 under Typhoid, 27 under Dysentery and Diarrhœa and 130 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 72 (44 in hospitals) for 7 days representing a calculated death-rate of 19·2 (7·4 excluding hospital deaths) per mille of population (annual basis) as against 18·7 (10·3 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Malaria 4, Other Fevers 7, Dysentery and Diarrhœa 4 and All Other Causes 57. The reported mortality was low.

There were 49 deaths (3 in hospitals) for 2 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 48·4 (45·5 excluding hospital deaths) per mille of population (annual basis) as against 8·2 (7·5 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Small-pox, 7 under Other Fevers, 5 under Dysentery and Diarrhœa and 36 under All Other Causes. The reported mortality was high.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Thrashing of Ragi is being done.

(2) Sugarcane is being milled in some parts.

(3) Standing crops such as sugarcane and summer paddy is reported to be good.

10. Public health is reported to be generally good, except for the outbreak of Cholera at Kodihalli, Kankanhalli Taluk. Necessary action is taken to check the spread of the disease.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. *Seeds sown.*—Nil.

(2) *Standing crops.*—Sugarcane and paddy in Chintamani, Sidlaghatta and Bagepalli Taluks are reported to be fair but they require rains.

(3) *Crops harvested.*—Ragi and paddy are being harvested.

10. Prospects of the season are reported to be fair. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of small-pox in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Markets fairly well supplied.

Seeds sown.—Agricultural operations are going on in Chiknaikanahalli Taluk for the next harvest.

9. *Standing crops.*—Paddy in Madhugiri, Chicknaikanahalli, Sira, Gubbi, Pavagada and Koratagere Taluks and sugarcane in Gubbi and Kunigal Taluks are in good condition.

Crops harvested.—Paddy in Kunigal and Pavagada Taluks. Thrashing of ragi is going on in all parts of the District.

10. Public Health is generally good except for prevalence of plague in Jogiballi Village in Chicknaikanahalli Taluk and Small-pox in Dodderi Village, Turuvekere Taluk, Ittigadibbanahalli and Midigesi Villages of Madhugiri Taluk, Jogiballi. Dasihalli, Handanakere and Dabbeghatta Villages in Chiknaikanahalli Taluk, Kaggere in Gubbi Taluk.

11. (2) Cattle are reported to be generally healthy except for the prevalence of Rinderpest in Jodi Achammanahalli Village, Pavagada Taluk, Blackquarter in Yellenahalli of Chiknaikanahalli Taluk and ಹಂಬಿಡಹಳ್ಳಿ in Kambathanahalli Village of Tumkur Taluk. Necessary preventive measures are being taken to check the spread of the epidemic.

Water and fodder are available and labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—Nil.

Standing crops.—Such as sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—It is reported that ragi is being harvested in Heggaddevankote and sugarcane in Yelandur Taluk. As paddy crop failed under certain tanks in Gundlupet, Chamarajanagar and parts of Nanjangud Taluks, proposals for grant of remission under Seasonal Remission Rules are under formulation.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Foodgrains are made available in sufficient quantities throughout the District.

(5) Public Health is generally good except for the prevalence of Plague in Periyapatna Town and Cholera in parts of Chamarajanagar, Gundlupet and Nanjangud Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in one village in Hullemala of Heggaddevankote Taluk and Rinderpest in a few villages of Krishnarajanagar Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Visvesvaraya Canal Area and paddy in Nagamangala Taluk under Tank atchkats are reported to be in good condition.

Kar-ragi and pulses like blackgram and horsegram are being sown in some parts of Srirangapatna Taluk.

10. Prospects of the season are reported to be good.

11. The public health during the week is reported to be generally good throughout the District except for the prevalence of Small-pox in Kadabahalli in Malavalli Taluk. Preventive measures have been taken to check the spread of the epidemic.

Cattle are reported to be generally healthy.

Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. The only standing crop is sugarcane and its milling is in progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy and cotton were harvested. Sugarcane was being crushed. New sugarcane was being planted in Bhadravathi. The standing crops of summer paddy and ragi crops are reported to be in good condition in Bhadravathi Taluk.

10. Prospect of the season was generally good. There was prevalence of small-pox in Chennagiri, Honnali and Shikaripur Taluks. Preventive measures were taken.

11. Cattle were healthy.

Water and fodder were available.

CHIKMAGALUR.

8. Markets were well supplied but the rates of all the commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane, coriander and kadle in Chikmagalur Taluk; sugarcane and cotton in Kadur Taluk; sugarcane in Tarikere, Koppa and Narasimharajapura Taluks. There were no crops in Mudigere Taluk and Sringeri Jahagir.

(*ii*) *Seeds Sown and Transplantation.*—Sugarcane in Chikmagalur Taluk.

(*iii*) *Crops Harvested.*—Sugarcane, coriander and kadle in Chikmagalur Taluk; summer jola and bengalgram in Kadur Taluk; sugarcane and bengalgram in Tarikere Taluk. No crops were harvested in other taluks.

All the crops in the District were in good condition. Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of small-pox at Nagenahalli, Amrithapura Hobli and in Chikmagalur Town. Mass vaccination was arranged by the Health Department.

11. Cattle were generally healthy throughout the District except for the prevalence of some unknown disease at Mundre, Tarikere Taluk from which some cattle died. At Begur also, in Tarikere Taluk cattle died due to Anthrax. The Veterinary Department was requested to take needful action.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Nil.

Standing Crops.—Cotton in Chitaldrug, Holalkere and Hiriyur Taluks; bilijola in Chitaldrug Taluk; sugarcane in Hiriyur Taluk; paddy in Hiriyur and Challakere Taluks, are reported to be in good condition.

Crops Harvested.—Cotton in Chitaldrug, Hiriyur and Harihar Taluks; sugarcane in Hiriyur Taluk are reported to be under harvest.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy.

Water and fodder are available.

Public Health is generally good except the prevalence of small-pox in a few villages, *viz.*, Heggere, Devanahally, Yadalagatta in Challakere Taluk. A Health Inspector is reported to have been deputed by the Health Department for vaccination work.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 27th March 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 15TH MARCH 1951.

A total of 3 attacks with 1 death from Plague was returned from 2 villages in 2 taluks, in 2 districts during the week against 11 attacks with 1 death in the previous week. Cities of Bangalore, and Mysore and Kolar Gold Field area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949, were 8 attacks with 2 deaths and 12 attacks with 7 deaths, respectively.

A total of 107 attacks with 39 deaths from Small-pox were reported from the Cities of Bangalore and Kolar Gold Fields and from Bhadravathi, Davangere, Devanahalli, Shimoga, Shikaripur and Sagar Towns and from Bhadravathi, Bagepalli, Channagiri, Chamarajanagar, Gudibanda, Hiriyur, Kolar, Molakalmuru, Mulbagal, Pavagada, Srinivasapur and Thirthahalli Taluks.

Fifty-three attacks with 32 deaths from Cholera were reported from Gundlupet, Nanjangud Towns and from Gundlupet and T.-Narasipur Taluks.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore City amounted to 208 (51 in hospitals) for 7 days representing a calculated death-rate of 21·2 (16·0 excluding hospital deaths) per mille of population (annual basis) as against 26·9 (17·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 1 under Typhoid, 5 under Other Fevers, 35 under Dysentery and Diarrhœa and 166 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 44 (12 in hospitals) for 4 days representing a calculated death-rate of 20·5 (14·9 excluding hospital deaths) per mille of population (annual basis) as against 18·7 (10·3 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Malaria 1, Typhoid 1, other Fevers 5, Dysentery and Diarrhœa 1 and All Other Causes 36. The reported mortality was low.

There were 38 deaths (5 in hospitals) for 3 days from all causes in Kolar Gold Field area equivalent to a calculated death-rate of 23·6 (20·3 excluding hospital deaths) per mile of population (annual basis) as against 8·2 (7·2 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 2 under Small-pox, 5 under Other Fevers, 7 under Dysentery and Diarrhœa, and 22 under All Other Causes. The reported mortality was low.

9736 T. CHANDRASEKHARAIAH, *Director.*

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

Notification dated 19th March 1951. 297

(HEALTH OF LIVE-STOCK DURING FEBRUARY 1951).

In their order of severity, outbreaks of Rinderpest, Black-quarter, Foot and Mouth, Anthrax, Ranrkhet, Hæmoirahagic-septicæmia, Sheep-pox, Contagious goat Pleuro-pneumonia and Rabies were encountered in the State during February 1951. Altogether 183 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 161 villages during the previous month. The number of outbreaks was highest in Kolar, Bangalore and Tumkur Districts, while Hassan, Shimoga and Chikmagalur Districts were least affected. These diseases accounted for 2,241 attacks, of which 1,281 succumbed as against 1,053 attacks and 712 deaths during the previous month. The departmental staff conducted 33,438 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

Four outbreaks of Rinderpest of which two were among sheep and goats were registered in Bangalore South, Davangere and Chitaldrug Taluks accounting for 24 attack among cattle and 1,300 attacks among sheep and goats, o which 14 cattle and 840 sheep and goats succumbed. Prompt measures of control were undertaken by the Department to check its spread and 1,438 cattle in the infected villages and 14,015 cattle and 82 sheep and goats in the 36 neighbouring villages extending over a radius of three miles were protected against this disease. The disease appeared to be well under control at the end of the month under report.

Prevalence of an obscure disease characterised by Gastro-entritis among cattle and buffaloes in Hassan and Chikmagalur Districts was reported during the month. The staff of the Department have protected 371 animals during the month in these districts against the disease.

Diseases caused by internal parasites were reported from 100 villages resulting in 67 deaths as against 118 villages accounting for 49 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 3,308 animals as against 8,344 animals during the previous month.

The rest of the live-stock remained free from diseases during the month and, fodder and water were generally available throughout the State.

DISTRICT REPORTS.

299

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Thrashing of ragi is being done.

Sugarcane is being milled in some places.

10. Public Health is reported to be generally good, except for the out-break of Choleras in few village of Kodihalli Hobli, Kankanhalli Taluk and action is taken to prevent spread of disease.

Cattle are healthy. Rinderpest is reported at Konekunte and Murugeshapalya, Bangalore South Taluk. Action is taken to prevent spread of disease.

11. Coolies find sufficient labour.

Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Paddy and sugarcane are reported to be fair.

(3) *Crops harvested.*—Paddy and ragi are being harvested.

10. Prospects of the season are reported to be fair.

Fodder and water are available for cattle.

11. People and cattle are reported to be healthy but for prevalence of Small-pox in some parts of Sidlaghatta and Plague in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of the epidemics by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

Seeds sown :—Nil.

9. *Standing crops.*—Paddy and sugarcane are reported to be in good condition.

Crops harvested.—Nil. Thrashing of ragi in Koratagere Taluk.

10. *Public Health* :—Public Health is generally good except for the continuance of Small-pox in Pavagada Taluk, and out-break of Small-pox in Burgonahalli in Kunigal Taluk and Itkadibbanahalli and Midigesi in Madhugiri Taluk. Needful action is reported to have been taken to check the spread of the epidemic.

11. *Cattle* :—Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Haralur Village in Tumkur Taluk, and Jalagere in Kunigal Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available for men and cattle. Labour is available for cooly classes.

MYSORE.

8 It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—Nil.

Standing crops.—Such as sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—It is reported that sugarcane is being harvested in Yelandur Taluk. As paddy crop failed under certain tanks in Gundlupet, Chamarajanagar and parts of Nanjangud Taluks, proposals for grant of remission under Seasonal Remission Rules are under formulation.

10. (1) Prospects of the season are fair.

(2) There was scanty rainfall in all the Taluks of the District during the week except in Krishnarajanagar Taluk.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

(5) Public Health is generally good except for the prevalence of Cholera in a few villages of Nanjangud, Gundlupet and Chamarajanagar Taluks, and Plague in a few villages of Heggaddevankote Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics, which have been brought under control and are subsiding.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District except in a few villages of Gundlupet Taluk where difficulty for drinking water is reported.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Visvesvaraya Canal Area and paddy in Nagamangala Taluk under tank atchkats are reported to be in good condition.

Kar-ragi and pulses in Srirangapatna Taluk are also reported to be in good condition.

10. Prospects of the season are reported to be good.

11. The public health is reported to be generally good throughout the District except for the prevalence of Small-pox in Kadabahalli in Malavalli Taluk. Preventive measures have been taken to check the spread of the epidemic. Cattle are also reported to be generally healthy in all the taluks. Water and fodder are available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Milling of sugarcane is in progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair. Rainfall is needed all over the District.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was harvested in some parts in the District. Sugarcane was being crushed. Cotton was harvested in Honnali Taluk. New sugarcane was planted in Bhadravati Taluk. The standing crops of sugarcane of the summer paddy of ragi crop in Bhadravati Taluk were in good condition.

10. Prospect of the season was generally good. There was prevalence of small-pox in Chennagiri Taluk and Honnali Taluk. Preventive measures were taken.

11. Cattle were healthy in all taluks except in Channagiri Taluk. A kind of disease called Haemorhagic Septicaemia was prevailing among cattle in Kagathur village in Channagiri Taluk; preventive measures were taken. Water and fodder were available and cattle were healthy.

CHIKMAGALUR.

8. Markets were well supplied, but the rates of all the commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane in Chikmagalur and Tarikere Taluks, cotton and sugarcane in Kadur Taluk. There were no crops in other taluks

(*ii*) *Seeds Sown and Transplantation.*—Nil.

(*iii*) *Crops Harvested.*—Bengalgram, coriander and sugarcane in Chikmagalur Taluk. cotton and sugarcane in Kadur Taluk and sugarcane in Tarikere Taluk. No crops were harvested in other taluks.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of small-pox at Haralaballi, Shivane Hobli, Tarikere Taluk. The Health Department has been addressed to take necessary measures.

11. Cattle were generally healthy throughout the District except for the prevalence of Anthrax at Begur, Ajjampur Hobli, Tarikere Taluk from which some cattle died. The Veterinary Department has been adressed in the matter to take needful action.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Nil.

Standing Crops—Cotton in Chitaldrug, Hiriyur Davangere, Harihar and Jagalur Taluks; Paddy in Molakalmuru, Hosadurga and Challakere Taluks; Sugarcane in Davanagere Taluk are reported to be in good condition.

Crops Harvested.—Cotton in Chitaldrug, Hiriyur and Davangere Taluks, Paddy in Molakalmuru Taluk and sugarcane in Davangere Taluk are reported to be under harvest.

10. Coolie classes are finding sufficient labour.

11. Cattle are reported to be generally healthy.

Water and fodder are available.

Public Health is generally good except the prevalence of Plague in Kainadu village, in Hosadurga Taluk and small-pox in Heggere, Devarahally, Yadalagatta in Challakere Taluk. Precautionary measures are being adopted to check the spread of the disease.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 3rd April 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, 22ND MARCH 1951.

A total of 13 attacks with 7 deaths from Plague was returned from 7 villages in 5 taluks, in 3 districts during the week against 3 attacks with 1 death in the previous week. Corporation of Bangalore reported 3 attacks with nil death (Imported cases), while Mysore City and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were nil attack with nil death and 8 attacks with 3 deaths respectively.

A total of 187 attacks with 56 deaths from Small-pox were reported from the Cities of Bangalore and Mysore and from Chintamani, Devanahalli, Davangere, Kankanahalli, Pandavapura, and Tiptur Towns, and from Bangarpet, Channagiri, Gudibanda, Gundlupet, Harihar, Hiriyur, Molakalmuru, Mulbagal, Malavalli, Maddur, Pavagada, Srinivasapur, Srirangapatna, Shimoga and T.-Narsipur taluks.

Fifty-two attacks with 45 deaths from Cholera were reported from Gundlupet and Nanjangud Towns and from Gundlupet and Nanjangud Taluks.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 161 (36 in hospitals) for 7 days representing a calculated death-rate of 16·4 (12·7 excluding hospital deaths) per mille of population (annual basis) as against 21·5 (13·5 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Small-pox, 6 under Other Fevers, 22 under Dysentery and Diarrhœa and 132 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 33 (9 in hospitals) for 3 days representing a calculated death-rate of 20·4 (14·8 excluding hospital deaths) per mille of population (annual basis) as against 19·6 (12·5 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Malaria 1, Other Fevers 5, Dysentery and Diarrhœa 6 and All Other Causes 21. The reported mortality was very low.

There were 13 deaths (4 in hospitals) for one day from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 25·7 (17·8 excluding hospital deaths) per mille of population (annual basis) as against 10·2 (7·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Other Fevers, 2 under Dysentery and Diarrhœa and 9 under All Other Causes. The reported mortality was low.

rket how supplied.

rogress of agricultural operations, state of standps, prospects and probable out-turn of the harvests, us damage done to crops by insects or other natural amities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Ragi is being harvested in certain places of the District.

(2) Sugarcane is being milled in certain parts of the District.

10. (1) Public Health is generally good except for the prevalence of Cholera at few village of Kodihalli Hobli, Kankanhalli Taluk. Necessary action is taken to prevent the spread of disease.

(2) Cattle are generally healthy except for the prevalence of Rinderpest at Kanakunte, Uttarahalli Hobli, and Murugeshapalya, Varthur Hobli, both in Bangalore South Taluk. Necessary action is taken to prevent the spread of disease.

11. Coolies find sufficient labour.

(2) Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. *Seeds sown.*—Nil.

Standing crops.—Vaisakhy paddy and sugarcane are reported to be fair in Chintamani, Sidlaghatta, Goribidnur, Bagepally, Malur and Gudibanda Taluks.

Crops harvested.—Paddy and sugarcane are being harvested.

10. There was some rainfall during the week in all the Taluks except Begepalli, Goribidnur, Malur and Gundibanda. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy except for prevalence of Small-pox in some parts of Srinivasapur Taluk and Sidlaghatta Taluk. Preventive measures have been taken to check the spread of the epidemic by the Public Health and Animal Husbandry Departments.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Nil. Agricultural operations are going on in parts of Chikanaikanahalli Taluk.

9. *Standing crops.*—Paddy and sugarcane are reported to be in good condition.

Crops harvested.—Paddy and sugarcane in parts of Gubbi and Kunigal Taluk.

10. *Public Health.*—Public Health is generally good except for the prevalence of Small-pox at Beergonehalli in Kunigal Taluk, Jogihalli in Chikanaikanahalli Taluk, Kuntemarahalli Village in Gubbi Taluk, and Ittikadibbanahalli, Midigesi and surrounding villages in Madhugiri Taluk. Preventive measure are reported to have been taken to check the epidemic.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Blackquarter at Jaladagere Village in Kunigal Taluk and Oorukere Village in Tumkur Taluk. Needful action has been taken to check the spread of the epidemic.

Water and fodder are available. Labour is available for cooly classes.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that Jola is being sown in some parts of Nanjangud taluk.

Standing crops.—Such as sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was scanty rainfall in the taluks of Mysore' Hunsur, Krishnarajanagar, Nanjangud and T-Narsipur taluks during the week.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of food grains are made available throughout the District.

10. Public Health is generally good except for the prevalence of Plague in Periyapatna town and Cholera in a few villages of Nanjangud, Chamarajanagar and Gundlupet taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics which have been brought under control and are subsiding.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

Not received.

HASSAN.

8. Well supplied.

9. Sugarcane is the only standing crop and is reported to be in good condition. No damage has been done to the crops.

10. The prospects of the season are good. Rainfall is needed all over the District.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was harvested. Sugarcane was being crushed. The standing crops of sugarcane was in good condition. The summer paddy and ragi crops were in good condition in Bhadravati Taluk. Cotton was being harvested in Honnali Taluk.

10. Seasonal condition was generally good. There was prevalence of small-pox in Chennagiri Taluk. Preventive measures were taken.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of all the commodities were very high.

9. (*i*) *Standing crops.*—Suarcgane in Chikmagalur and Tarikere Taluks, cotton and sugarcane in Kadur Taluk. There were no crops in other taluks.

(*ii*) *Seeds Sown and Transplantation made.*—Sugarcane in Chikmagalur and Tarikere Taluks was transplanted.

(*iii*) *Crops harvested.*—sugarcane in Chikmagalur and Tarikere Taluks, cotton and sugarcane in Kadur Taluk. No crops were harvested in other taluks.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the outbreak of Cholera at Tarikere Town. Mass inoculations were undertaken by the Department of Public Health.

11. Cattle were generally healthy throughout the District except for the prevalence of foot and mouth disease at Kochavalli and Kuthagodu in Sringeri Jahgir. The Veterinary Department was adressed to take needful action.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Standing crops.*—Cotton in Chitaldrug, Harihar and Holalkere Taluks, Paddy in Molakalmuru, Challakere and Hosadurga Taluks; Sugarcane in Hiriyur Taluk, Groundnut in Hiriyur Taluk are reported to be in good condition.

Crops Harvested.—Cotton in Chitaldrug and Hiriyur Taluks are reported to be under harvest.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy.

Water and fodder are available.

Public Health is generally good except the prevalence of Plague in Kainadu Village in Hosadurga Taluk and small-pox in Challakere Taluk. Precautionary measures are being adopted to check the spread of the disease.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage or fodder, etc.

BANGALORE.

8. Market well supplied.

9. Harvest of ragi and sugarcane is going on in some places of the District.

10. Public Health is reported to be generally good.

Cattle are reported to be healthy, except for the prevalence of Rinderpest in Doddakalasandra, Uttarahalli Hobli and Murugesapalya, Varthur Hobli both in South Taluk, Bangalore.

11. Coolies find sufficient labour.

Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Vaisakhy paddy and sugarcane are reported to be fair.

(3) *Crops harvested.*—Paddy and sugarcane are being harvested.

10. There was some rainfall during the week in all the Taluks except Bagepalli, Goribidnur and Malur Taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of Small-pox in some parts of Mulbagal Taluk and Chicken-pox in some parts of Sidlaghatta Taluk. Preventive measures have been taken to check the spread of the epidemics by the Public Health and Animal Husbandry Departments.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Nil. Transplantation of paddy in some parts of Kunigal Taluk is reported to be going on.

9. *Standing crops.*—Paddy and sugarcane are reported to be in good condition.

Crops harvested.—Paddy in parts of Kunigal, Gubbi, Pavagada and Chicknaikanahalli Taluks. Sugarcane in Gubbi Taluk.

10. *Public Health.*—Public Health is generally good except for the prevalence of Small-pox in Itakadibbanahalli, Midigesi and surrounding villages in Madhugiri Taluk, Tharabenahalli and Keresaragondanahalli Villages in Chicknaikanahalli Taluk. Rat-falls are reported in Tharabanahalli Village. Necessary precautionary measures are reported to have been taken to check the spread of the disease.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Handankere Village in Chicknaikanahalli Taluk and Devarayapatna in Tumkur Taluk. Necessary action is reported to have been taken to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8 It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that Jola is being sown in the taluks of Mysore, Chamarajanagar, Gundlupet, Nanjangud, Heggaddevankote, T.-Narasipur and Yelandur Taluks.

Standing crops.—Such as sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in all the taluks of the District during the week except in Periyapatna Taluk where it is reported to be scanty.

(3) Both cooly and agricultural classes are finding ufficient employment all over the District.

(4) Sufficient quantities of food grains are made available throughout the District.

10. Public Health is generally good except for the prevalence of Cholera in a few villages of Chamarajanagar and Gundlupet Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Visvesvaraya Canal Area and paddy in Nagamangala Taluk under tank atchkat are reported to be in good condition. Pulses and jola are being sown in some parts of Srirangapatna, Mandya and Nagamangala Taluks.

10. Prospects of the season are reported to be good.

11. The public health is reported to be generally good throughout the District except for the prevalence of Small-pox in B. G. pura and Kasabahalli of Malavalli Taluk. It is reported that prevalence of cholera is suspected in certain villages in Pandavapura and Srirangapatna Taluks and that preventive measures have been taken in this behalf to check the spread of the epidemic.

Cattle are reported to be generally healthy in all the taluks. Water and fodder are reported to be available in sufficient quantity.

HASSAN.

8. Well supplied.

9. Milling of sugarcane is in progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair. Rainfall is needed all over the District.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was harvested in Sagar Taluk. The standing crops of sugarcane and cotton were in good condition. The standing crop of summer paddy and ragi were in good condition in Bhadravati Taluk. Ploughing is going on in Hosanagar Taluk. New sugarcane is being planted. Sugarcane was being crushed in Sagar Taluk and Chennagiri Taluk.

10. Prospects of the season was generally good. Small-pox was prevailing in Chennagiri Taluk; preventive measures were taken.

11. Cattle were healthy in all Taluks except in Chennagiri Taluk. Water and fodder were available. Cattle in the village of Hodigere in Chennagiri Taluk were suffering from Rinderpest. Preventive measures were taken.

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of all the commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane in Chikmagalur, Kadur and Tarikere Taluks, and Narasimharajapura Sub-Taluk.

(*ii*) *Seeds Sown and Transplantation made.*—Sugarcane in Chikmagalur and Tarikere Taluks.

(*iii*) *Crops harvested.*—Sugarcane in Chikmagalur and Tarikere Taluks. Sugarcane and cotton in Kadur Taluk.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of Cholera at Tarikere and small-pox at Shivane, Tarikere Taluk. Mass inoculations were undertaken by the Public Health Department.

11. Cattle were generally healthy throughout the District.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

Seeds Sown.—Nil.

9. Cotton in Chitaldrug, Davangere, Jagalur, Harihar and Hiriyur Taluks, sugarcane in Davangere and Hiriyur

Taluks; paddy in Molakalmuru, Hosadurga Challakere and Hiriyur Taluks; groundnut in Hiriyur Taluk are reported to be in good condition.

Crops harvested—Cotton in Chitaldrug, Davangere and Hiriyur Taluks; sugarcane in Davangere Taluk, paddy in Challakere Taluk is reported to be under harvest.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy.

Water and fodder are available.

Public Health is generally good except the prevalence of Plague in Kainadu Village in Hosadurga Taluk. Precautionary measures are being adopted to check the spread of the disease.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 17th April 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

308

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 5TH APRIL 1951.

A total of 20 attacks with 8 deaths from Plague was returned from 8 villages and Towns in 7 taluks in 3 districts during the week against 22 attacks with 12 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949, were nil attack with nil death and 6 attacks with 6 deaths, respectively.

A total of 32 attacks with 14 deaths from Small-pox were reported from the Cities of Bangalore, Mysore, Kolar Gold Fields and Davangere; and from the towns of Chintamani, Ramanagaram, Saklespur and Tarikere; and from the taluks of Channagiri, Chikballapur Devanhalli, Maddur, Mandya, Molakalmuru, Pavagada, Seringapatam, Shikaripur, Sira and Tarikere.

Twenty-six attacks with 22 deaths from Cholera were reported from the Town of Nanjangud, and from the taluks of Chamarajanagar, Gundlupet, Kankanahalli and Nanjangud.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 201 (36 in hospitals) for 7 days representing a calculated death-rate of 20·4 (16·8 excluding hospital deaths) per mille of population (annual basis) as against 25·3 (18·9 excluding hospital deaths) for the corresponding week of last year Classified according to causes the deaths numbered 1 under Malaria, 1 under Typhoid, 4 under Other Fevers, 35 under Dysentery and Diarrhœa and 160 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 46 (14 in hospitals) for 7 days representing a calculated death-rate of 12·2 (8·5 excluding hospital deaths) per mille of population (annual basis) as against 9·0 (4·4 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small pox 3, Malaria 1, other Fevers 5, Dysentery and Diarrhœa 5 and All Other Causes 32. The reported mortality was very very low.

There were 42 deaths (14 in hospitals) for 7 days from all causes in Kolar Gold Field area equivalent to a calculated death-rate of 11·8 (7·9 excluding hospital deaths) per mille of population (annual basis) as against 4·3 (2·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Small-pox, 3 under Other Fevers, 6 under Dysentery and Diarrhœa, and 32 under All Other Causes. The reported mortality was very very low.

BANGALORE,
Dated 9th April 1951.

N. V. SIDDALINGAPPA,
For *Director.*

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

Notification dated 13th April 1951.

(HEALTH OF LIVE-STOCK DURING MARCH 1951).

In their order of severity, outbreaks of Rinderpest, Black-quarter, Anthrax, Hæmorrhagic-septicæmia, Foot and Mouth, Sheep-pox, Ranikhet, Contagious-goat Pleuro-pneumonia and Rabies were encountered in the State during March 1951. Altogether 177 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 183 villages during the previous month. The number of outbreaks was highest in Mysore, Tumkur and Kolar Districts, while Shimoga Mandya and Chikmagalur Districts were least affected. These diseases accounted for 920 attacks, of which, 656 succumbed as against 2,241 attacks and 1,281 deaths during the previous month. The departmental staff conducted 37,008 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

Sixteen outbreaks of Rinderpest of which four were among sheep and goats were registered in Bangalore South, Magadi, Pavagada, Krishnarajanagar, Chitaldrug, Molakalmuru, Chennagiri, Honnali and Tirthahalli Taluks accounting for 78 attacks among cattle and 286 attacks among sheep and goats, of which 31 cattle and 188 sheep and goats succumbed. The increase in the incidence of Rinderpest is mainly due to the congregation of cattle in the Rampur cattle fair in Honnali Taluk and Sugganahalli cattle fair in Magadi Taluk, in both of which the disease broke out and disseminated the infection to other villages. Nevertheless, prompt measures of control were undertaken by the Department to check its spread and 5,524 cattle and 1,240 sheep and goats in the infected villages and 17,514 cattle and 594 sheep and goats in the 72 neighbouring villages were protected against this disease. The disease appeared to be well under control at the end of the month under report.

Prevalence of an obscure disease characterised by Gastro-entritis among cattle and buffaloes in Hassan and Chikmagalur Districts was reported during the month. The staff of the Department have protected 1,104 animals during the month in these districts against the disease.

Diseases caused by internal parasites were reported from 86 villages resulting in 46 deaths as against 100 villages accounting for 67 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 6,238 animals as against 3,308 animals during the previous month.

The rest of the live-stock remained free from diseases during the month and, fodder and water were generally available throughout the State.

P. M. NARAYANASWAMY NAIDU,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Sugarcane seedlings are being planted.
(2) Paddy crop is in good condition.
(3) Sugarcane is in good condition,

10. (1) Public Health is generally good.
(2) Cattle are generally healthy.

11. Coolies find sufficient labour.
Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Paddy and sugarcane in some taluks are reported to be fair.

(3) *Crops harvested.*—Paddy and sugarcane are being harvested.

10. There was rain fall to some extent during the week in Kolar, Mulbagal and Sidlaghatta Taluks. Prospects of the season are reported to be fair.

Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of Small-pox in some parts of Kolar and Mulbagal Taluks. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Nil. Transplantation of paddy is going on in some parts of Kunigal Taluk.

9. *Standing crops.*—Paddy and sugarcane are reported to be in good condition.

Crops harvested.—Paddy in parts of Pavagada Taluk.

10. *Public Health.*—Public Health is generally good except for the prevalence of Small-pox at Kyatasandra Village in Tumkur Taluk and Salakatte village in Chicknaikanahalli Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Irkasandra and Islampura Villages in Gubbi Taluk, Beerasandra Village in Tiptur Taluk and Handanakere in Chicknaikanahalli Taluk. Needful measures are reported to have been taken to check the spread of the disease.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that Jola is being sown in the taluks of Mysore, Chamarajanagar, Yelandur, Gundlupet, Nanjangud, T.-Narasipur and Heggaddevankote.

Standing crops.—Such as sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was scanty rainfall in the taluks of Mysore, Chamarajanagar, Hunsur, Heggaddevankote, Krishnarajanagar and Gundlupet taluks.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

10. Public Health is generally good except for the prevalence of Cholera in one village of Nanjangud and two villages in Gundlupet Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Visvesvaraya Canal Area is reported to be good kar ragi pulses and jola are reported to have been sown in some parts of the taluks in the District.

10. Prospects of the season are reported to be good.

11. The public health is reported to be generally good throughout the District. Except for the prevalence of Small-pox in B. G. pura and Kasaba hobli of Malavalli Taluk and suspects cholera in Rayasamudra and Lingapura of Krishnarajapet Taluk and Harohalli Kennal, Sunkathonnur, etc., in Pandavapura Taluk, and that preventive measures have been taken in this behalf to check the spread of the epidemic. Cattle are reported to be healthy in all the taluks. Water and fodder are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Milling of sugarcane is in progress. No damage has been done to the crops.

10. Prospects of the season are reported to be fair.
The rain is still needed all over the District.

11. The cattle were healthy and fodder available except for the prevalence of Rinderpest in Kittanakere village of Arsikere Taluk.

SHIMOGA.

8. Well supplied.

9. Paddy was harvested in Sagar Taluk. Sugarcane was being crushed in Channagiri and Sagar Taluks. The standing crops of cotton and sugarcane are reported to be in good condition. New sugarcane, summer paddy and ragi crops are reported to be in good condition in Bhadravathi Taluk.

10. Prospects of the season was generally good. There was prevelence of Small-pox in a few villages of Honnali Taluk; preventive measures were taken.

11. Cattle were healthy in all Taluks except in Honnali Taluk. There was prevalence of "Gantalaroga" among the cattle of Kotehal village in Honnali Taluk. Preventive measures are reported to have been taken. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of all the commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane in Chikmagalur, Narasimharajapura and Kadur Taluks. There were no crops in other Taluks.

(*ii*) *Seeds Sown and Transplantation made.*—Sugarcane in Chikmagalur and Tarikere Taluks.

(*iii*) *Crops harvested.*—Sugarcane in Chikmagalur and Kadur Taluks.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of small-pox at Patnagere, Kadur Taluk and Begur, Tarikere Taluk. Cholera continued to prevail at Tarikere town. Necessary measures were taken by the Public Health Department.

11. Cattle were generally healthy throughout the District except for the prevalence of Blackquarter in Balehonnur Hobli, Narasimharajapura Taluk. Preventive measures are taken by the Veterinary Department.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

Seeds Sown.—Nil.

9. *Standing Crops.*—Cotton in Chitaldrug, Davangere, Jagalur, Harihar and Hiriyur Taluks; sugarcane in Davangere and Hiriyur Taluks, paddy in Hiriyur, Molakalmuru,

Hosadurga; Challakere Taluks; and groundnut in Hiriyur Taluk is reported to be in good condition.

Crops harvested.—Cotton in Chitaldrug and Davangere and Hiriyur Taluks; sugarcane in Davangere; paddy in Challakere Taluk is reported to be under harvest.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy.

Water and fodder are available.

Public Health is generally good except the prevalence of small-pox in Challakere and Hosadurga Taluks. Precautionary measures are being adopted to check the spread of the disease.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 24th April 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, APRIL 12TH, 1951.

A total of 3 attacks with 1 death from Plague was returned from 3 villages and towns, in 3 taluks, in 3 districts during the week against 20 attacks with 8 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 2 attacks with 1 death and 11 attacks with 7 deaths respectively.

A total of 111 attacks with 27 deaths from Small-pox were reported from the Cities of Bangalore, Mysore and Kolar Gold Fields; and from the towns of Channagiri, Chintamani, Shimoga, Shikarpur and Tarikere; and from the taluks of Bagepalli, Chikballapur, Channagiri, Chiknaikanahalli, Chamarajanagar, Gundlupet, Gudibanda, Hiriyur, Krishnarajanagar, Koppa, Pavagada, Sriranga-patna and Yelandur.

Sixty-four attacks with 43 deaths from Cholera were reported from the towns of Melkote, Pandavapura, Tarikere, and from the taluks of Chamarajanagar, Gundlupet, Mysore, Pandavapura and Srirangapatna.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 181 (50 in hospitals) for 7 days representing a calculated death-rate of 18·4 (13·3 excluding hospital deaths) per mille of population (annual basis) as against 22·4 (18·0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 7 under Other Fevers, 29 under Dysentery and Diarrhœa and 144 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 53 (38 in hospitals) for 7 days representing a calculated death-rate of 14·1 (4·0 excluding hospital deaths) per mille of population (annual basis) as against 15·5 (9·8 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Malaria 1, Typhoid 1, Other Fevers 6, Dysentery and Diarrhœa 2 and All Other Causes 43. The reported mortality was very very low.

T. CHANDRASEKHARAIYA, *Director.*

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Ploughing of field is going on in some parts of Magadi Taluk.

Summer paddy and sugarcane which are standing in some parts of the District are in good condition.

10. Public Health is good, except for the out break of Cholera in Bannykuppe, Kerehally of Ramanagaram Taluk and in a few villages in Kankanhally Taluk and at Kasaraghatta in Nelamangala Taluk. There are a few cases of small-pox here and there. Necessary measures have been taken to check the spread of the above two diseases. Cattle are reported to be healthy.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—There was rainfall in most of the taluks and fields are being ploughed.

(2) *Standing crops.*—Kar ragi, Vaishaky paddy and sugarcane are reported to be fair in some taluks.

(3) *Crops harvested.*—Nil.

10. There was rain fall during the week in Kolar, Bangarpet, Mulbagal, Chikballapur and Malur Taluks.

Fodder and water are available for cattle.

People and cattle are reported to be generally healthy but for prevalence of Small-pox in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Market are fairly well supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Paddy and sugarcane are in good condition.

(3) *Crops harvested.*—Paddy in parts of Gubbi and Sira Taluks, sugarcane in parts of Gubbi Taluk and kar ragi in parts of Koratagere Taluk.

10. *Public Health.*—Public Health is reported to be generally good.

11. Cattle are reported to be generally healthy except for the prevalence of Anthrax in Idagur and Dollenahalli Villages in Chandrasekharapura Hobli in Gubbi Taluk. Preventive measures are reported to have been taken to check the spread of the disease.

Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that the sowing of jola is in progress in the taluks of Mysore, Chamarajanagar, Heggaddevankote, Gundlupet, Nanjangud, T.-Narasipur and Yelandur.

Standing crops.—Such as mulberry, sugarcane and jola are reported to be fairly in good condition.

9. *Crops harvested.*—It is reported that cotton is being harvested in Chamarajanagar Taluk.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in the taluks of Gundlupet and Krishnarajanagar Taluks and it was insufficient in Chamarajanagar, Hunsur, T.-Narasipur and Periyapatna Taluks.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

10. Public Health is generally good except for the prevalence of Cholera in two villages of Nanjangud and Chamarajanagar Taluks and plague in two villages of Nanjangud Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Vesvesvaraya Canal Area and Kar-ragi, pulses and jola, reported to have been sown in some parts of the taluks in the District, are stated to be in good condition.

10. Prospects of the season are reported to be good.

11. The public health is reported to be generally good throughout the District except for the prevalence of suspected cholera in some parts of Mandya, Krishnarajapet, Pandavapura and Srirangapatna Taluks and Small-pox in B. G. pura hobli of Malavalli Taluk, and that preventive measures have been taken in this behalf to check the spread of the epidemic.

Cattle are reported to be generally healthy in all the taluks. Water and fodder are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. In some parts of Hassan and Manjarabad Taluks action has been taken by the raiyats to sow paddy. Milling of sugarcane is under progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair. Rain is still needed all over the District.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy harvest was completed in Sagar Taluk. The standing crop of sugarcane was in good condition. The standing crops of summer paddy and ragi were in good condition in Bhadravathi Taluk.

10. Prospect of the season was generally good. There was prevalence of Small-pox in Honnali Taluk. Preventive measures were taken.

11. Cattle were healthy in all, except in Honnali and Thirthahalli Taluks. "Galaleroga" was prevailing in Marigondanahalli in Honnali Taluk. Renderpest is reported to have broken in Bhandya village in Thirthahalli Taluk. Preventive measures were taken. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of all the commodities were very high.

9. (*i*) *Standing crops.*—Sugarcane in Chikmagalur and Kadur Taluks. There were no crops in other Taluks.

(*ii*) *Seeds Sown or Transplantation made.*—Sugarcane was transplanted in Chikmagalur and Tarikere Taluks.

(*iii*) *Crops harvested.*—Sugarcane in Chikmagalur and Kadur Taluks.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of Cholera in Tarikere Town. Preventive measures were adopted by the Public Health Department.

11. Cattle were generally healthy except for the prevalence of Rinderpest at Asagodu, Huligaradi and Lokanathapura villages in Koppa Taluk. Necessary measures were taken.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Nil.

Standing Crops.—Cotton in Chitaldrug, Jagalur, Harihar and Hiriyur Taluks; sugarcane in Hiriyur Taluk, paddy in Hiriyur, Molakalmuru, Hosadurga; and Challakere Taluks; groundnut in Hiriyur Taluk are reported to be in good condition.

Crops harvested.—Cotton in Chitaldrug and Hiriyur Taluks; paddy in Challakere Taluk is reported to be under harvest.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy.

Water and fodder are available.

Public Health is generally good except for the prevalence of small-pox in Hosadurga Taluk.

Precautionary measures are being adopted to check the spread of the disease.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,

Bangalore,
Dated 1st May 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 19TH APRIL 1951.

A total of 3 attacks with 1 death from Plague was returned from 2 villages in 2 taluks in 2 districts during the week against 3 attacks with 1 death in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949, were nil attack with nil death and 2 attacks with 5 deaths, respectively.

A total of 90 attacks with 20 deaths from Small-pox were reported from the Cities of Bangalore, and Mysore; and from the towns of Bhadravati, Jagalur and Shimoga; and from the taluks of Bagepalli, Chamarajanagar, Harihar, Hiriyur, Mandya, Maddur, Malavalli, Pavagada, Seringapatam, Shikaripur, Sorab, T.-Narasipur, Tumkur and Tiptur.

Fifty-three attacks with 32 deaths from Cholera were reported from the Towns of Pandavapura and Seringapatam; and from the taluks of Chamarajanagar, Challakere, Gundlupet, Krishnarajapet, Pandavapura, Saklespur and Seringapatam.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 218 (50 in hospitals) for 7 days representing a calculated death-rate of 22·2 (17·1 excluding hospital deaths) per mille of population (annual basis) as against 27·9 (21·9 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 6 under Typhoid, 5 under Other Fevers, 24 under Dysentery and Diarrhœa and 182 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 58 (12 in hospitals) for 7 days representing a calculated death-rate of 15·4 (12·2 excluding hospital deaths) per mille of population (annual basis) as against 16·3 (13·9 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 1, Malaria 4, Typhoid 1, other Fevers 12, Dysentery and Diarrhœa 5 and All Other Causes 35. The reported mortality was very low.

There were 16 deaths (6 in hospitals) for 4 days from all causes in Kolar Gold Field area equivalent to a calculated death-rate of 7·8 (4·9 excluding hospital deaths) per mille of population (annual basis) as against 4·3 (2·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 3 under Other Fevers, and 13 under All Other Causes. The reported mortality was very very low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Sugar seedling are being planted in some parts of the District.

(2) Paddy crops and sugarcane which are standing crops are in good condition.

10. (1) Public Health is generally good, except for the prevalence of Cholera in Rampur and Kankanhally Taluks. Bannikuppe, Bidadi Hobli, Ramanagaram Taluk and Kasaraghatta in Nelamangala Taluk. It is ascertained that cholera is being noted against pilgrims returning from Thirupathi. Necessary action is taken to prevent the spread of the above disease amoung general population.

(2) Cattle are reported to be healthy.

11. (1) Water and fodder are available.

(2) Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—There was rainfall in most of the taluks and fields are being ploughed.

(2) *Standing crops.*—Kar ragi, Vaishaky paddy and sugarcane are all reported to be fair in some taluks.

(3) *Crops harvested.*—Nil.

10. There was rain fall during the week in Kolar, Bangarpet, Chintamani, Sidlaghatta, Chikballapur, Goribidnur, Malur and Gudibanda Taluks. Fodder and water are available for cattle.

People and cattle are reported to be generally healthy but for prevalence of Blackquarter in parts of Malur Taluk. Preventive measures are being taken to check the spread of the diseases.

TUMKUR.

8. Markets are fairly well supplied.

9. *Seeds sown.*—Ploughing operations are going on in all the parts of the District. Transplantation of paddy is being done in some parts of Kunigal Taluk.

Standing crops.—Paddy and sugarcane are reported to be in good condition.

Crops harvested.—Paddy in parts of Chiknaikanahalli, Sira and Gubbi Taluks and sugarcane in parts of Gubbi Taluk.

10. *Public Health.*—Public Health is generally good except for the prevalence of Cholera at Kundihalli in Kunigal Taluk and the latest report from the Assistant Surgeon is that it is not Cholera. Small-pox is prevailing in Gowdanahalli in Chicknaikanahalli Taluk. Necessary preventive action is reported to have been taken to check the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Beerasandra Village of Tiptur Taluk, Ramaghatta and Hosakere Villages in Chiknaikanahalli Taluk and Beladhara, Kenchanapalya, and Guleharivi Villages in Tumkur Taluk. Preventive measures are reported to have been taken in the matter to check the spread of the epidemic.

Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that sowing of jola is in progress in the taluks of Mysore, Heggaddevankote Gundlupet, Nanjangud, and T.-Narasipur Taluks.

Standing crops.—Such as jola, mulberry, and sugarcane are reported to be fairly in good condition.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in Chamarajanagar and Heggaddevankote Taluks and it was insufficient in Mysore, Hunsur and Nanjangud Taluks.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

10. Public Health is generally good except for the prevalence of Cholera in a few villages of Nanjangud and Gundlupet Taluks and plague in two villages of Nanjangud Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Vesvesvaraya Canal Area and Kar-ragi, jola, and pulses in all the taluks of the District are reported to be in good condition.

10. Prospects of the season are reported to be good.

11. The public health is reported to be generally good throughout the District except for the prevalence of cholera in some of the villages of Dudda hobli of Mandya taluk, Seelagere hobli of Krishnarajapet taluk and in certain parts of Pandavapura and Srirangapatna Taluks of the District and small-pox is Boppagowdanapura hobli of Malvalli Taluk. Preventive measures have been taken in this behalf to check the spread of the epidemic.

Cattle are reported to be healthy in all the taluks. Water and fodder are reported to be available in sufficient quantities.

HASSAN—Not Received.

SHIMOGA.

8. Well supplied.

9. Ploughing operation is going on. The standing crop of Sugar cane and cotton is in good condition. The summer paddy and ragi crops in Bhadravathi Taluk are also in good condition. Paddy is being sown in Hosanagar Taluk.

10. Prospect of the season was generally good. There was outbreak of plague in Channagiri Taluk. Preventive measures are reported to have been taken.

11. Cattle were healthy in all taluks except in Thirthahalli Taluk where Rinderpest is reported to have been broken.

Fodder and Water were available.

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of essential commodities continued to be very high.

9. (*i*) *Standing crops.*—Sugarcane in Chikmagalur, Kadur, Tarikere and Narasimharajapura Taluks.

(*ii*) *Seeds Sown or Transplantation.*—Sugarcane in Mudigere Taluk.

(*iii*) *Crops harvested.*—Sugarcane in Chikmagalur and Tarikere Taluks.

Water, fodder and labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence or outbreak of Cholera at Hirenallur, Kadur Taluk, in Kadur Town and in Gondedahalli and Mugali Villages in Tarikere Taluk. Needful action has been taken by the Public Health Department to bring the epidemic under control.

11. Cattle were generally healthy except for the attack of Blackquarter disease in Aralikoppa Village, Balehonnur Hobli and Rinderpest in Melinaharandur Village and Kankanhalli, Hamlet of Bettadahalu Village of

Koppa Taluk. Effective measures have been taken against the diseases.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Gidda ragi is being sown in Chellakere Taluk.

Standing Crops.—Sugarcane in Hiriyur Taluk, paddy in Hiriyur, Hosadurga, Challakere and Molakalmuru Taluks, groundnut in Hiriyur Taluk, cotton in Hiriyur and Davangere Taluks are reported to be in good condition.

Crops harvested.—Cotton in Hiriyur and Davangere Taluks, paddy in Challakere and Molakalmuru Taluks is reported to be under harvest.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be healthy. Water and fodder are available. Public Health is generally good except for the prevalence of small-pox in Hosadurga and Chellakere Taluks. Precautionary measures are being adopted to check the spread of the disease.

Dated 16*th April* 1951.

N. V. SIDDALINGAPPA,
For *Director.*

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, APRIL 26, 1951.

A total of 11 attacks with 6 deaths from Plague was returned from 4 villages in 4 taluks, in 3 districts during the week against 3 attacks with 1 death in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field Area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 2 attacks with nil death and nil attack with nil death respectively.

A total of 85 attacks with 28 deaths from Small-pox were reported from the Cities of Bangalore and Kolar Gold Fields; and from the towns of Channarayapatna, Chintamani, Jagalur and Shimoga; and from the taluks of Bagepalli, Chikmagalur, Mandya, Mulbagal, Molakalmuru, Pavagada, Sriranpapatna and Shimoga.

Sixty-two attacks with 54 deaths from Cholera were reported from the town of Tarikere and from the taluks of Chamarajanagar, Gundlupet, Holalkere, Hole-Narsipur, Krishnarajpet, Mandya, Pavagada, Periyapatna and Saklespur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 230 (62 in hospitals) for 7 days representing a calculated death-rate of 23·4 (17·1 excluding hospital deaths) per mille of population (annual basis) as against 24·0 (17·7 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 3 under Small-pox, 3 under Typhoid, 5 under Other Fevers, 36 under Dysentery and Diarrhœa and 183 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 101 (54 in hospitals) for 7 days representing a calculated death-rate of 26·9 (12·5 excluding hospital deaths) per mille of population (annual basis) as against 27·5 (7·5 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 1, Malaria 4, Other Fevers 12, Dysentery and Diarrhœa 11 and All Other Causes 73. The reported mortality was very low.

There were 37 deaths (34 in hospitals) for 7 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 10·4 (0·8 excluding hospital deaths) per mille of population (annual basis) as against 4·3 (2·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Other Fever, 4 under Dysentery and Diarrhœa and 32 under All Other Causes. The reported mortality was very very low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied in all the taluks.

9. (1) Sugarcane seedling and paddy both in the few parts of the district are in good condition.

(2) Ploughing operation is going on in some parts of the District.

(3) Harvest Nil.

(4) Sowing of groundnut is going on in some parts of the Magadi Taluk. More rains are required in all the taluks of the District.

10. (1) Public Health is generally good, except for the out break of the small-pox in Makli Village, Channapatna Taluk and Gattahalli, Harohalli Hobli, Kankanhalli Taluk. Prevalence of plague in Bannikuppe, Bidadi Hobli, Ramanagaram Taluk and Kodihalli in Kankanhalli Taluk are not yet subsided. Necessary measures to prevent the spread of the above two diseases are taken.

11. (1) Cattle are reported to be generally healthy.

(2) Water and fodder are available.

(3) Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—There was rainfall in most of the taluks and fields are being ploughed and prepared for sowing.

(2) *Standing crops.*—Kar ragi, Vaishaky paddy and sugarcane are reported to be fair in some taluks.

(3) *Crops harvested.*—Nil.

There was rain fall during the week in Kolar, Bangarpet, Sidlaghatta, Chikballapur, Bagepally, Goribidnur, Malur, Srinivasapur and Gudibanda Taluks.

10. Fodder and water are available for cattle.

11. People and cattle are generally reported to be healthy but for prevalence of Small-pox in parts of Srinivasapur Taluk and Blackquarter in parts of Mulbagal Taluk. Preventive measures are being taken to check the spread of the diseases.

TUMKUR—Not Received.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that jola was being sown in the taluks of Krishnarajanagar and Heggadadevankote and ragi Krishnarajanagar, Heggadadevankote and Nanjangud Taluks.

Standing crops.—jola, sugarcane, mulberry and castor are reported to be fairly in good condition.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in all the taluks of the District except in Chamarajanagar and Hunsur and in some parts of Gundlupet Taluk.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

10. Public Health is reported to be generally good except for the prevalence of plague in a few villages of Heggadadevankote and Nanjangud Taluks and Cholera in a few villages of Nanjangud Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area and Kar-ragi, jola and pulses in all the taluks of the District are reported to be in good condition.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District except for the prevalence of cholera in some parts of Mandya Taluk, *i.e.*, Kasaba, Kothathi and Dudda hoblis and in some villages of Pandavapura Taluk. Preventive measures have been taken in this behalf to check the spread of the epidemic.

Cattle are reported to be healthy in all the taluks. Water and fodder are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Action is being taken to sow paddy and ragi throughout the District. Milling of sugarcane is in progress. No damage has been done to the crops.

10. The prospects of the season are reported to be fair. Rain is still needed all over the District.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Ploughing operations are going on. Paddy was sown in Hosanagar Taluk. The standing crop of Sugarcane is generally in good condition. Summer paddy and ragi crops are generally in good condition in Bhadravathi Taluk.

10. Prospect of the season was generally good. There was prevalence of Small-pox in Honnali Taluk. Preventive measures were taken.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of essential commodities continued to be very high.

9. (*i*) *Standing crops.*—Sugarcane in Chikmagalur, Kadur, Tarikere and Narasimharajapura Taluks.

(*ii*) *Seeds sown or Transplantation made.*—Paddy in Mudigere Taluk and Narasimharajapura Sub-Taluk.

(*iii*) *Crops harvested.*—Sugarcane in Kadur Taluk, Water Fodder and Labour were sufficiently available throughout the District.

10. Public health was generally good except for the prevalence of cholera at Hirenallur, Kadur Taluk from which 2 deaths occurred, and at Shivane and Mugali Villages, Tarikere Taluk. At Shivani also one death occurred on account of cholera, Necessary action has been taken by the Public Health Department.

11. Cattle were generally healthy except for the attack of Blackquarter in Balehonnur Hobli, Narasimharajapura Sub-Taluk, and in parts of Koppa Taluk. These infected areas, within a radius of 5 miles, have been notified under the Cattle Diseases Act prohibiting the movement etc., of cattle. The Veterinary Department has also been requested to take preventive measures early.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Giddaragi is being sown in Chellakere Taluk.

Standing Crops.—Sugarcane in Hiriyur Taluk, paddy in Hiriyur, Challakere, Hosadurga and Molakalmuru Taluks, Groundnut in Hiriyur Taluk, cotton in Hiriyur and Davangere Taluks are reported to be in good condition.

Crops harvested.—Cotton in Hiriyur and Davangere Taluks, paddy in Challakere and Molakalmuru Taluks groundnut in Hiriyur Taluk in a small scale is reported to have been harvested.

10. Cooly classes are [illegible] sufficient fodder.

11. Cattle are reported to be generally healthy throughout the District except in Vaddikere Village in Hiriyur Taluk where Sappe disease is prevailing. The Veterinary Department is reported to have been addressed to check the spread of the disease.

Public Health is generally good except for the prevalence of small-pox in Hiriyur and Chellakere Taluks. Precautionary measures are being adopted to check the spread of the disease.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 15th May 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 3RD MAY 1951.

A total of 19 attacks with 8 deaths from Plague was returned from 1 village in 1 taluk, in 1 district during the week against 11 attacks with 6 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949, were nil attack with nil death and 4 attacks with 3 deaths, respectively.

A total of 64 attacks with 18 deaths from Small-pox were reported from the Cities of Bangalore, and Mysore; and from the town of Shimoga; and from the taluks of Bagepalli, Bangalore South, Chikmagalur, Harihar, Maddur, Malavalli, Mulbagal and T.-Narasipur.

Eighty attacks with 47 deaths from Cholera were reported from the Corporation of Bangalore; and from the town of Turuvekere; and from the taluks of Bangalore South, Holalkere, Kankanhalli, Mandya, Mudigere, Nanjangud, Nelamangala, Ramanagaram and Seringapatam.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 216 (43 in hospitals) for 7 days representing a calculated death-rate of 22·0 (17·6 excluding hospital deaths) per mille of population (annual basis) as against 23·7 (19·0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 1 under Typhoid, 4 under Other Fevers, 37 under Dysentery and Diarrhœa and 173 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 54 (18 in hospitals) for 7 days representing a calculated death-rate of 14·4 (9·6 excluding hospital deaths) per mille of population (annual basis) as against 22·3 (4·7 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Typhoid 1, other Fevers 5, Dysentery and Diarrhœa 9 and All Other Causes 39. The reported mortality was very very low.

There were 30 deaths (1 in hospital) for 5 days from all causes in Kolar Gold Field area equivalent to a calculated death-rate of 11·9 (11·5 excluding hospital deaths) per mille of population (annual basis) as against 16·2 (14·3 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 3 under Other Fevers, 8 under Dysentry and Diarrhoea and 19 under All Other Causes. The reported mortality was very low.

T. CHANDRASEKHARAIYA,
Director.

Ploughing operations are in progress.

(2) *Standing crops.*—Irrigated ragi and Vaishaky paddy are reported to be fair.

(3) *Crops harvested.*—Irrigated ragi and Vaisakhy paddy are being harvested.

There was rain fall during the week in all the Taluks.

10. Fodder and water are available for cattle.

11. People and cattle are reported to be healthy but for prevalence of Blackquarter in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of the epidemic by the Animal Husbandry Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Groundnut, thill, greengram, bengalgram in parts of Gubbi and Chiknaikanhalli and Tiptur Taluks. All over the District ploughing operations are going on.

Standing crops.—Paddy and sugarcane are in good condition.

Crops harvested.—Paddy in parts of Gubbi, Pavagada, Koratagere, Sira and Tumkur Taluks and ragi in parts of Koratagere Taluk.

10. *Public Health.*—Public Health is generally good except for the prevalence of small-pox in round about villages of Gowdanahalli and Nadihalli in Chiknaikanhalli Taluk, in some of the villages in Pavagada Taluk, Kowthmaranahalli, Gundagal and Bommenahalli Villages in Tumkur Taluk. It is reported that there was an outbreak of cholera at Cheelagonahalli village in Koratagere Taluk and the same subsided. Needful action is reported to have been taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy except for the prevalence of Anthrax in Chicknettegunte Village, Gubbi Taluk, and Blackquarter in Siddalingapalya, hamlet of Kuruvelu Village in Tumkur Taluk. Needful measures are reported to have been taken to check the spread of the epidemic.

Water and fodder are available. Labour is available for cooly classes.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in the taluks of Heggaddevankote, Krishnarajanagar and Nanjangud; and jola in Krishnarajanagar Taluk.

Standing crops.—Jola, sugarcane, mulberry, castor, groundnut and cotton are reported to be fairly in good condition.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in all the taluks of the District during the week.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

10. Public Health is generally good except for the prevalence of plague in a few villages of Nanjangud and Heggaddevankote Taluks and Cholera in a few villages of Chamarajanagar, Krishnarajanagar, Gundlupet and Nanjangud Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy except for the prevalence of anthrax in one village of Chamarajanagar Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemic. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area and kar-ragi and paddy, jola and pulses in all the taluks of the District are reported to be in good condition.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District except for the prevalence of cholera in some parts of Mandya Taluk, *i.e.*, in Kasaba, Kothathi Dudda and Basaral Hoblis and in some villages of Maddur, Malavalli, Pandavapura and Krishnarajapet Taluks. Preventive measures are reported to have been taken in all these taluks to check the spread of the epidemic gatherings have been stopped.

Cattle are reported to be healthy in all the taluks. Water and fodder are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Throughout the District agricultural operations are in progress. Paddy and ragi are sown in some parts of the District. Sugarcane is reported to be in good condition. No damage has been done to the crops.

10. The prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Ploughing operations are going on. Summer paddy and ragi are being harvested in Bhadravathi Taluk. The standing crop of sugarcane is in good condition.

10. Prospect of the season was generally good. Cooly class people get sufficient labour.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied, but the prices of essential commodities continued to be very high.

9. (*i*) *Standing crops.*—Sugarcane in Chikmagalur, Kadur, Tarikere Taluks and in Narasimharajapura Sub-Taluk.

(*ii*) *Seeds sown or Transplantation made.*—Sugarcane and paddy in Chikmagalur and Narasimharajapura Taluks.

and paddy in Mudigere Taluk. Agricultural operations (Ploughing have commenced in all places).

(iii) *Crops harvested.*—Sugarcane in Chikmagalur and Kadur Taluks.

10. Public health was generally good except for the prevalence of cholera at Hirenallur, Kadur Taluk, and at Bukkambudhi and Narnapura and other places in Tarikere Taluk. Necessary measures have been taken by the Public Health Department and the situation is better now, the epidemic being brought well under control.

11. Cattle were generally healthy except for the prevalence of "Rinderpest" at Panchanahally, Kadur Taluk, and Bettadaholalu and other villages in Koppa Taluk and "Blackquarter" in Balehonnur Hobli. The Department of Animal Husbandry has been addressed to take preventive measures and the areas have been notified as infected areas under the Cattle Diseases Act, 1949, prohibiting the movement of cattle from or into these infected areas.

Water, Fodder and Labour were sufficiently available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Giddaragi is being sown in Chellakere Taluk.

Standing Crops.—Sugarcane in Hiriyur Taluk, paddy in Hiriyur, Challakere, Molakalmuru and Hosadurga Taluks, Groundnut in Hiriyur Taluk, cotton in Davangere Taluk are reported to be in good condition except Steniborn disease to the paddy in some villages of Challakere Taluk.

Crops harvested.—Cotton in Davangere Taluk, paddy in Challakere and Molakalmuru Taluks, groundnut in Hiriyur Taluk on a small scale is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except in Chickkamadhure Village, Challakere Taluk where Blackquarter is prevailing. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease. Public Health is generally good except for the prevalence of small-pox in Hariabbe Village of Hiriyur Taluk. Precautionary measures are being adopted to check the spread of the disease.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE, Bangalore, Dated 22nd May 1951.

V. VEDAVYAS ACHARYA, *Revenue Commissioner.*

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY IN MYSORE, BANGALORE.

(HEALTH OF LIVE-STOCK DURING APRIL 1951).

Notification dated 14th May 1951.

In their order of severity, outbreaks of Rinderpest, Black-quarter, Anthrax, Hæmorrhagic-septicæmia, Foot and Mouth, Sheep-pox, Ranikhet, and Contagious-goat pleuro-pneumonia were encountered in the State during April 1951. Altogether 135 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 177 villages during the previous month. The number of outbreaks was highest in Mysore, Kolar and Bangalore Districts, while Chikmagalur, Hassan and Mandya were least affected. These diseases accounted for 678 attacks, of which 519 succumbed as against 920 attacks and 656 deaths during the previous month. The Departmental staff conducted 21,265 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention other prophylactic measures were adopted against Foot and Mouth disease.

Twelve outbreaks of Rinderpest of which three were among sheep and goats were registered in Kadur, Narasimharajapura, Koppa, Honnali and Chitaldrug Taluks accounting for 94 attacks among cattle and 125 among sheep, of which 58 cattle and 70 sheep succumbed. The spread of Rinderpest during the month is attributed to the infection at Rampur Cattle Fair in Honnali Taluk during February last. Prompt measures of control are being undertaken by the Department to check its further spread and so far 1,633 cattle and 905 sheep in the infected villages and 6,481 cattle and 249 sheep in 29 neighbouring villages have been protected against this disease.

Diseases caused by internal parasites were reported from 94 villages resulting in 63 deaths as against 86 villages accounting for 46 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 6,808 animals as against 6,238 animals during the previous month.

The rest of the live-stock remained free from diseases during the month, and fodder and water were generally available throughout the State.

1233 P. M. NARAYANASWAMI NAIDU, *Director.*

BANGALORE,
-39 *Dated 14th May* 1951.

N. V. SIDDALINGAPPA,
For *Director*.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 10TH MAY 1951.

A total of 47 attacks with 24 deaths from Plague was returned from 8 villages in 4 taluks, in 1 district during the week against 19 attacks with 8 deaths in the previous week. Cities of Bangalore, Mysore and Kolar Gold Field area reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949, were nil attack with nil death and 9 attacks with 3 deaths, respectively.

A total of 35 attacks with 5 deaths from Small-pox were reported from the Cities of Bangalore and Kolar Gold Field; and from the towns of Pavagada and Tarikere; and from the taluks of Arkalgud, Harihar, Malavalli, Pavagada, Periyapatna, Srinivasapur and Sidlaghatta.

Ninety-five attacks with 59 deaths from Cholera were reported from the Corporation of Bangalore; and from the towns of Kadur and Nanjangud; and from the taluks of Bangarpet, Chamarajanagar, Gundlupet, Holalkere, Magadi, Mandya, Nanjangud, Pandavapura, Ramanagaram, Srirangapatna and Tarikere.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore City amounted to 193 (51 in hospitals) for 7 days representing a calculated death-rate of 19·6 (14·4 excluding hospital deaths) per mille of population (annual basis) as against 28·1 (21·4 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 5 under Typhoid, 8 under Other Fevers, 35 under Dysentery and Diarrhœa and 145 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 59 (33 in hospitals) for 5 days representing a calculated death-rate of 22·0 (8·2 excluding hospital deaths) per mille of population (annual basis) as against 11·4 (6·0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Malaria 2, Typhoid 2, other Fevers 10, Dysentery and Diarrhœa 9 and All Other Causes 36. The reported mortality was low.

There were 46 deaths (4 in hospitals) for 5 days from all causes in Kolar Gold Field area equivalent to a calculated death-rate of 18·2 (16·7 excluding hospital deaths) per mille of population (annual basis) as against 16·2 (14·3 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 6 under Other Fevers, 11 under Dysentery and Diarrhœa and 29 under All Other Causes. The reported mortality was very low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Ploughing operation is in progress.

(2) Harvest—nil.

(3) Sugarcane and paddy in some parts of the District are in good condition.

10. (1) Public health is generally good, except for the prevalence of cholera at Anajavadi Kasaba Hobli in Kankanhalli Taluk. Action is taken to prevent the spread of the disease.

(2) Cattle are reported to be healthy.

11. (1) Water and fodder are available.

(2) Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Haraka, thogari. sajje and groundnut in some places. Ploughing operations are in progress.

(2) *Standing crops.*—Irrigated ragi, paddy, sugarcane are reported to be fair.

(3) Irrigated ragi and Vaisakhy paddy are being harvested.

There was rainfall during the week in all the Taluks. Fodder and water are available for cattle.

11. Public health was generally good except for small-pox in two villages of Malur Taluk. Cattle are also reported to be generally healthy except for the prevalence of Black-quarter in Nallahadirenahalli Village of Chickballapur Taluk and Settikere, Kuthandahalli and Dogaranaikanahalli Villages of Sidlaghatta Taluk. Preventive measures have been taken up to check the spread of the disease by the Animal Husbandry Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Ploughing operations have commenced in all the parts of the District, ragi on a small scale in parts of Pavagada Taluk, bengalgram, black-gram, jola and groundnut in parts of Tiptur and Sira Taluks.

Standing crops.—Paddy and sugarcane are reported to be in good condition.

Crops harvested.—Paddy in parts of Tumkur, Koratagere and Chicknaikanahalli Taluks. Ragi in parts of Koratagere Taluk.

10. *Public Health.*—Public health is reported to be generally good except for the prevalence of small-pox in Chicknaikanahalli Town. Needful measures are reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Bheemasandra Village, Tumkur Taluk, Chowkanahalli and Bisalahalli, in Gubbi Taluk, Pura Village in Kunigal Taluk. Rinderpest is reported to be prevailing in the village of Hosur Hamlet of Bavelavanerlu in Tiptur Taluk.

Needful preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—It is reported that jola was sown in Krishnarajanagar Taluk and ragi in Nanjangud, Periyapatna, Krishnarajanagar and Heggaddevankote, Hunsur and Gundlupet Taluks.

Standing crops.—Jola, cotton, castor, groundnut, sugarcane and mulberry are reported to be fairly in good condition.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in all the taluks of the District during the week.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

(5) Public health is generally good except for the prevalence of plague in a few villages of Heggaddevankote and Nanjangud Taluks and cholera in a few villages of Nanjangud, Gundlupet and Krishnarajanagar Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy except for the prevalence of blackquarter in one village of Chamarajanagar Taluk. Necessary preventive and remedial measures are being taken to check the spread of the disease.

12. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal area and kar-paddy, kar-ragi, jola and pulses in all the taluks of the District are reported to be in good condition.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District except for the prevalence of cholera in some villages of Mandya and Maddur Taluks and in Mandya town also. Preventive measures are reported to have been taken to check the spread of the epidemic.

Cattle are reported to be healthy in all the taluks.

Water and fodder are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress throughout the District. Paddy, ragi and jola are being sown in some parts of the District. Sugarcane is reported to be good. Potato crop has been damaged due to heavy rains.

10. The prospects of the season are reported to be good.

11. The cattle were healthy and fodder was available.

SHIMOGA.

8. Well supplied.

9. Throughout the District agricultural operations are in progress. Standing crop of sugarcane is reported to be in good condition.

10. Prospect of the season was generally good. Cooly class people get sufficient labour.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets are fairly well supplied, but the prices of essential commodities are high. Markets at Sollapur, Shivane, Tarikere and Ajjampur have been closed on account of cholera.

9. (1) *Standing crops.*—Sugarcane in Chikmagalur, Kadur, Tarikere and Narasimharajapura Taluks

(2) *Seeds sown or Transplantation.*—Paddy is being sown in some parts of Chikmagalur Taluk, and Mungar Jola and some oil seeds in some parts of Kadur Taluk and sugarcane and paddy are being transplanted in Kadur Taluk. Agricultural operations are going on throughout the District and paddy is being sown. Potato crop in Chickmagalur Taluk has suffered damage due to excess rain.

(3) *Crops harvested.*—Sugarcane in Chikmagalur and Kadur Taluks.

10. Public health was generally good except for the prevalence of cholera in Bukkambudhi and other villages in Tarikere Taluk. As per the medical advice the Middle and Primary Schools are closed.

In Kanabagatta and in Dandoor villages the epidemic is virulent. Mass inoculation is being conducted in these

villages. The Medical Officer of Health, Tarikere Health Unit, is taking needful action in the matter.

11. Cattle are generally healthy except for the prevalence of "Black-quarter" at Balehonnur. Measures are being taken by the Department of Animal Husbandry to check the disease. Water, fodder and labour are sufficiently available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Transplantation of Giddaragi in Chellakere Taluk and sowing of Mungar Jola and Til in some parts of Hosadurga Taluk is going on.

Standing Crops.—Sugarcane in Hiriyur Taluk, paddy in Hiriyur Molakalmuru, Challakere and Hosadurga Taluks, Groundnut in Hiriyur Taluk, are reported to be in good condition. Giddaragi crop in Chellakere Taluk is reported to be in good condition.

Crops harvested.—Paddy in Chaliakere, Hosadurga Molakalmuru and Hiriyur Taluks, and groundnut in Hiriyur Taluk on a small scale is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except in Chickkamadhura Village, Challakere Taluk, where Blackquarter is prevailing. The Veterinary Department is reported to be addressed for taking immediate steps to check the spread of the disease. Public Health is generally good throughout the District. Water is available throughout the District. Fodder is available in all the Taluks except in Molakalmuru Taluk where the scarcity of fodder is reported to have been felt. But the difficulty is eased to some extent due to recent rains.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 29th May 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, MAY 17, 1951.

A total of 9 attacks with 2 deaths from Plague was returned from 1 village in 1 taluk, in 1 district during the week against 47 attacks with 24 deaths in the previous week. Bangalore Corporation and Cities of Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were nil attack with nil death and 26 attacks with 7 deaths respectively.

A total of 18 attacks with 8 deaths from Small-pox were reported from the taluks of Bagepally, Hiriyur, Mudigere, Malavalli, Shikarpur, and T. Narasipur.

Thirty-eight attacks with 28 deaths from Cholera were reported from Bangalore, Corporation and Mysore City and from the taluks of Bagepalli, Chamarajanagar, Gundlupet, Holalkere, Kadur, Mandya and Seringapatam.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 202 (52 in hospitals) for 7 days representing a calculated death-rate of 20·5 (15·2 excluding hospital deaths) per mille of population (annual basis) as against 22·2 (17·3 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Typhoid, 5 under Other Fevers, 39 under Dysentery and Diarrhœa and 156 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 71 (31 in hospitals) for 6 days representing a calculated death-rate of 21·8 (12·3 excluding hospital deaths) per mille of population (annual basis) as against 20·1 (11·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 1, Malaria 3, Typhoid 1, Other Fevers 11 Dysentery and Diarrhœa 5, and All Other Causes 50. The reported mortality was low.

There were 42 deaths (3 in hospitals) for 5 days from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 16·6 (15·4 excluding hospital deaths) per mille of population (annual basis) as against 13·6 excluding hospital deaths 10·5) for the corresponding week of last year. Classified according to causes the deaths numbered 4 under Other Fever, 13 under Dysentery and Diarrhœa and 25 under All Other Causes. The reported mortality was low.

T. CHANDRASEKHARAIYA,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Ploughing operation is in progress in some parts of the District. Sugarcane and paddy in some parts of the District are in good condition.

10. Public health is generally good, except for the prevalence of cholera at Mandya—Bommanaikanahalli, Chennapatana Taluk, Sampigehalli, Jakkur in Bangalore North Taluk and Maralawadi in Kankanhalli Taluk. Action is taken to prevent the spread of disease. Cattle are healthy.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil. Ploughing operations are in progress.

(2) *Standing crops.*—Irrigated ragi and potatoes are reported to be fair.

(3) *Crops Harvested.*—Irrigated ragi is being harvested.

10. There was rainfall during the week in all the Taluks except in Srinivasapur Taluk in the District. Fodder and water are available for cattle.

11. People and cattle are reported to be healthy except for Black-quarter in some parts of Chintamani and Sidlaghatta Taluks and small-pox in Mulbagal Taluk. Preventive measures have been taken up to check the spread of the epidemics by Animal Husbandry and Public Health Departments.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Groundnut, greengram, jola and other minor millets are being sown all over the District. Transplantation of paddy is going on in Chicknaikanahalli Taluk; Kar Ragi in Sira Taluk.

Standing crops.—Paddy and sugarcane are reported to be in good condition.

Crops harvested.—Paddy in parts of Chicknaikanahalli and Gubbi Taluks.

10. *Public Health.*—Public health is reported to be generally good.

11. *Cattle.*—Cattle are to be generally healthy except for the prevalence of Blackquarter at Kattigehalli, Kasaba Hobli in Gubbi Taluk and Doddagollahalli, Arehalli and Channenhalli in Tumkur Taluk and Anthrax in Ramakrishnapura Village in Tumkur Taluk. Necessary preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in the Taluks of Mysore, Periyapatna, Heggaddevankote, Hunsur, Nanjangud, Gundlupet and T.-Narasipur and paddy in Chamarajanagar Taluk and groundnut and chillies in Mysore Taluk.

Standing crops.—Jola, castor, mulberry, sugarcane and cotton are reported to be fairly in good condition.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in all the taluks of the District during the week.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available throughout the District.

10. Public Health is generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Nanjangud Taluks and Cholera in a few villages of Krishnarajanagar and Nanjangud Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy.

Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

Not Received.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress throughous the District. Paddy, ragi and jola are being sown in all parts of the District. Sugarcane is reported to be in good condition. Potato has been slightly damaged due to continuous rains.

10. Prospects of the season are good.

11. The cattle are healthy.

Fodder and water are available.

SHIMOGA.

8. Well supplied.

9. *Seeds Sown.*—Paddy was being sown in almost all the taluks. Sowing paddy is reported to have been completed in Hosanagar Taluk.

Jola in Channagiri Taluk and groundnut in Bhadravati Taluk were being sown.

Standing Crops.—Paddy, sugarcane and cotton are reported to be in good condition.

10. Public Health.—It is reported by the Amildar, Chennagiri Taluk, that there was prevalance of Cholera in Holalkere Taluk, *i.e.*, neighbouring villages of Chennagiri Taluk and that precautionery measures were being taken.

Cattle were generally healthy except for the prevalence of "Gulle Roga" at Jeenahalli in Honnali Taluk. The Department of Animal Husbandry has been addressed about checking the spread of disease.

11. Water and fodder were available. Cooly classes are finding sufficient labour.

CHIKMAGALUR.

8. Markets are fairly well supplied, but the prices are high. The Shandies at Shivane, Ajjampur and Tarikere are closed on account of cholera.

9. (1) *Standing crops.*—Sugarcane in Chikmagalur, Tarikere and Narasimharajapura Taluks and Kar paddy in Kadur Taluk.

(2) *Seeds sown or Transplantation.*—Paddy is being sown in Chikmagalur and Narasimharajapura Taluks and Green-gram, Black-gram, Senga, Cotton and Tadaguni in Kadur Taluk. Agricultural operations are going on throughout the District. Potato crop in Chickmagalur has suffered damage due to excessive rains.

(3) *Crops harvested.*—Sugarcane in Chikmagalur Taluk.

10. Public health was generally good except for the prevalence of Cholera in Chiknallur and Kalleninganahally in Kadur Taluk and at Haralahalli, Anuvanahally, Hariyanahally and Abbinaholalu in Tarikere Taluk. The Hotels at Tarikere are closed. The Medical authorities have been requested to check the spread of the disease. The District Health Officer has also been requested to take needful action.

11. Cattle are generally healthy except for the prevalence of "Black-quarter" in Balehonnur Hobli and some cattle disease in Dhanayakanapura in Tarikere Taluk Measures are being taken by the Department of Animal Husbandry to check the disease.

Water, fodder and labour are sufficiently available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Transplantation of Giddaragi in Chellakere Taluk, paddy in Holalkere Taluk, Jola in Hosadurga, Molakalmuru and Holalkere Taluks, groundnut in Hosadurga and Holalkere Taluks, Til in Hosadurga, Oil seeds in Molakalmuru is being sown.

Standing Crops.—Sugarcane in Hiriyur Taluk, Giddaragi in Challakere Taluk, and paddy in Hiriyur and Chellakere Taluks are reported be in good condition.

Crops harvested.—Paddy in Hiriyur and Challakere Taluks and groundnut in Hiriyur Taluk is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except in Chickkamadhura, Kereyagalahally and Thippaiahnakote Villages in Challakere Taluk and Mallipura Village in Chitaldrug where Black-quarter is prevailing. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease. Public Health is generally good throughout the District except prevalence of Cholera at Gollarahatty hamlet of Annehal, Chitaldrug Taluk. The District Health Officer, is reported to have been addressed to take preventive measures. Water and fodder are available.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 5th June 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 24TH MAY 1951.

A total of 15 attacks with 5 deaths from Plague was returned from 3 villages in 2 taluks, in 1 district during the week against 9 attacks with 2 deaths in the previous week. Bangalore Corporation and Cities of Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week period in 1950 and 1949, were nil attack with nil death and 4 attacks with 12 deaths, respectively.

A total of 11 attacks with 3 deaths from Small-pox were reported from Bangalore Corporation and Cities of Mysore and Kolar Gold Field; and from the taluks of Gundlupet and Ramanagaram.

Seventy-one attacks with 30 deaths from Cholera were reported from Bangalore Corporation and from the taluks of Bagepally, Holalkere, Krishnarajanagar, Mandya, Maddur, Mysore, Nanjangud and Tarikere.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 181 (40 in hospitals) for 6 days representing a calculated death-rate of 21·2 (16·5 excluding hospital deaths) per mille of population (annual basis) as against 26·6 (20·8 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Malaria, 1 under Typhoid, 3 under Other Fevers, 24 under Dysentery and Diarrhœa and 151 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 67 (23 in hospitals) representing a calculated death-rate of 9·8 (6·4 excluding hospital deaths) per mille of population (annual basis) as against 15·6 (11·4 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Malaria 2, other Fevers 11, Dysentery and Diarrhœa 7 and All Other Causes 47. The reported mortality was very very low.

There were 48 deaths (7 in hospitals) for 6 days from all causes in Kolar Gold Field area equivalent to a calculated death-rate of 15·6 (13·3 excluding hospital deaths) per mille of population (annual basis) as against 15·6 (11·4 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 2 under Small-pox, 3 under Malaria, [illegible] under Other Fevers, 8 under Dysentery and Diarrhœa and 34 under All Other Causes. The reported mortality was very low.

T. CHANDRASEKHARAIYA,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Ploughing operation is in progress.

(2) Sugarcane and paddy in some parts of the District are in good condition.

10. Public health is good, except for the prevalence of Cholera in Sampigehalli and Jakkur Bangalore North Taluk and plague at Ramanagaram. Action is taken to prevent the spread of these diseases.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Same, Sajje and Haraka are reported to have been sown in some parts of Bangarpet Taluk. Ploughing operations are in progress.

(2) *Standing crops.*—Kar-ragi and Vaisaky paddy are reported to be fair.

(3) *Crops Harvested.*—Kar-ragi and Vaisaky paddy are being harvested.

10. There was rainfall during the week in some Taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be healthy but for prevalence of small-pox in some parts of Kolar, Mulbagal and Black-quarters in some parts of Kolar, Mulbagal Srinivasapur, Chikballapur and Malur Taluks. Plague in some parts of Malur Taluk and Cholera in some parts of Gudibanda taluk reported to be prevailing. Preventive measures have been taken to check the spread of the epidemics by the Public Health and Animal Husbandry Departments.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Greengram, blackgram and jola in parts of Tiptur Taluk—Yade Ragi in parts of Sira Taluk. Plouging operations are going on in all the parts of the District.

Standing crops.—Paddy and sugarcane are reported to be in good condition.

Crops harvested.—Paddy in parts of Chiknaikanahalli Gubbi and Koratagere Taluks.

10. *Public Health.*—Public health is reported to be generally good except for the prevalence of Cholera in some of the villages in Kolala Hobli, in Koratagere Taluk. Precautionary measures are reported to have been taken to check the epidemic. Small pox in Bommenahalli, Gubbi Taluk and Chiknaikanahalli Town. Needful measures are reported to have been taken to check the spread of the Epidemic.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Koralupalya, hamlet of Bellavi, Holkal, Arakere, Durgavalahalli, Belagumba villages in Tumkur Taluk. Precautionary measures are reported to have been taken to check the spread of the epidemic.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in the Taluks of Mysore, Hunsur and Periyapatna and paddy in Chamarajanagar Taluk. The transplantation of ragi is in progress in Hunsur and Periyapatna Taluks.

Standing crops.—Such as Jola, ragi, sugarcane, togari, castor and groundnut are reported to be fairly in good condition. But it is reported that jola crop in some parts of Varuna Hobli, Mysore Taluk, is affected with insects (illegible). The Agricultural Department has been addressed to take effective measures to check the spread of the disease.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in Heggadadevankote, T.-Narasipur and Periyapatna Taluks and it was scanty in Mysore, Chamarajanagar, Hunsur, Gundlupet and Nanjangud Taluks.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

10. Public health is generally good except for the slight prevalence of cholera in a few villages of Nanjangud and Chamarajanagar Taluks and plague in one village of Gundlupet and in a few villages of Heggadadevankote Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy.

Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal area and kar-ragi, kar-paddy, jola and pulses in all the taluks of the District are reported to be in good condition.

Kar-ragi is affected by excessive rains.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District.

Cattle are reported to be generally healthy in all the taluks.

Water and fodder are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress throughout the District. Paddy, ragi and jola are being sown throughout the District. Sugarcane is reported to be in good condition. Some damage has been caused to potato crop due to heavey rains.

10. Prospects of the season are good.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy was sown in almost all the Taluks of the District. Jola, cotton and groundnut were being sown in Chennagiri Taluk.

Standing Crops.—Paddy, sugarcane, groundnut and cotton are reported to have been in good condition.

10. Prospects of the season were generally good.

11. Water and fodder were available. Cooly classes were finding sufficient labour.

CHIKMAGALUR.

8. Markets are fairly well supplied, but the prices are higher. The Shandies at Shivane, Ajjampur, Sollapura and Tarikere are closed on account of cholera.

9. (1) *Standing crops.*—Sugarcane in Chikmagalur and Tarikere Taluks and Narasimharajapura Sub-Taluk sugarcane and Kar paddy in Kadur Taluk, are the standing crops.

(2) *Seeds sown and Transplantation made.*—Paddy is being sown in parts of Chikmagalur, Mudigere and Tarikere Taluks, and Narasimharajapura and Sringeri Sub-Taluks. Agricultural operations are going on throughout the District.

(3) *Crops harvested.*—Sugarcane in Chikmagalur and Kadur Taluks is harvested.

10. Public health was generally good except for the prevalence of Cholera in Anthhragatta Village of Kadur Taluk and in a few villages in Tarikere Taluk. The District Health Officer and the Medical Officer, Health Unit, Tarikere have been requested to take needful action for the prevention of the spread of the disease. Hotels, Cinema

shows and shandies have been closed at Tarikere, Shivane, Ajjampur and Sollapura as per directions issued by the Deputy Commissioner, under Section 77 of the Public Health Act.

11. Cattle are generally healthy except for the prevalence of the disease "ಗಂಟು ರೋಗ" in some villages of Tarikere Taluk. The Veterinary Inspector has been requested to take immediate action for the prevention of the spread of the disease. Water, fodder and labour are sufficiently available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Sowing of Jola in the Taluks of Chellakere, Holalkere, Davangere, Molakalmuru, Jagalur, Hosadurga and Harihar. Til in Challakere, Davangere, Jagalur, Hosadurga; paddy in Holalkere Taluk; groundnut in Holalkere, Davangere, Jagalur, Hosadurga and Harihar; oil seeds in Molakalmuru Taluk; castor in Challakere and Jagalur; navane in Davangere Taluk and sajje and cotton in Jagalur Taluk is going on.

Standing Crops.—Sugarcane in Hiriyur Taluk. Giddaragi in Challakere Taluk and paddy in Molkalmuru Taluk are reported to be in good condition.

Crops harvested.—Groundnut in Hiriyur Taluk and paddy in Molakalmuru Taluk, is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except in Inam Thippareddihalli and Habbayyanahalli in Challakere Taluk, Kallahalli in Chitaldrug Taluk, where Black-quarter is prevailing. The Veterinary Department is reported to have been addressed for taking suitable immediate steps to check the spread of the disease.

Public Health is generally good throughout the District except prevalence of small-pox in Manangi in Chitaldrug Taluk, Sulabanahalli in Hiriyur Taluk, Raddihalli, Korlakunte, Belagatte, Huvveynahalli in Challakere Taluk. Precautionary measures are being adopted to check the spread of the disease.

V. VEDAVYAS ACHARYA,
Revenue Commissioner

MANDYA.

8 Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area and kar-paddy, kar-ragi, jola and pulses in all the taluks of the District are reported to be in good condition.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the district except for the prevalence of small-pox in Hullamballi Village of Malavalli Taluk and suspected cases of cholera in some villages of Dudda and Kothathi Hoblis of Mandya Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be healthy in all the taluks.

Water and fodder are reported to be available in sufficient quantities.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, MAY 31, 1951.

A total of 45 attacks with 16 deaths from Plague was returned from 3 villages in 3 taluks, in 1 district during the week against 15 attacks with 5 deaths in the previous week. Corporation of Bangalore, Mysore City and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 13 attacks with 6 deaths and 13 attacks, with 5 deaths respectively.

A total of 52 attacks with 7 deaths from Small-pox were reported from Bangalore Corporation, Kolar Gold Field, Mysore City and Chintamani Town and from the taluks of Channapatna, Gundlupet, Hosadurga, Ramanagaram, Srinivasapur and Thirthahally.

One hundred and ninety attacks with 116 deaths from Cholera were reported from Mandya Town and from the taluks of Bangalore North, Belur, Bagepalli, Chamarajanagar, Gundlupet, Holalkere, Kankanhalli, Krishnarajanagar, Krishnarajapet, Maddur, Malavalli, Mysore, Nanjangud, Tarikere and T.-Narasipur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 218 (79 in hospitals) for 7 days representing a calculated death-rate of 22·2 (14·1 excluding hospital deaths) per mille of population (annual basis) as against 26·0 (18·8 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 7 under Small-pox, 1 under Malaria, 4 under Typhoid, 8 under Other Fevers, 32 under Dysentery and Diarrhœa, 166 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 60 (24 in hospitals) for 6 days representing a calculated death-rate of 18·4 (11·0 excluding hospital deaths) per mille of population (annual basis) as against 17·6 (11·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 1, Malaria 3, Other Fevers 6, Dysentery and Diarrhœa 7 and All Other Causes 43. The reported mortality was very low.

There were 28 deaths (1 in hospital) for 7 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 7·9 (7·6 excluding hospital deaths) per mille of population (annual basis) as against 8·9 (7·7 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Other Fevers, 10 under Dysentery and Diarrhœa and 17 under All Other Causes. The reported mortality was very very low.

348

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Ploughing operation is in progress.

Standing crops.—Paddy and sugarcane in some parts of the District are in good condition.

Harvest.—Paddy under Varthur tank is being harvested.

Seeds Grown.—Groundnuts in some parts of the District.

10. Public health is generally good, except for the outbreak of plague at Ramanagaram Town and Sompura, Nelamangala Taluk, and cholera at the following places :—

(1) Kolliganahalli, Marohalli Hobli, Kankanhalli Taluk.
(2) Vijayapuram, Devanahalli Taluk.
(3) Tyamagondlu, Nelamangala Taluk.
(4) Dobspet, Nelamangala Taluk.
(5) Koddihalli, do
(6) Heggodu, Anekal Taluk.
(7) Vandarguppe, Channapatna Taluk.
(8) Poulidoddi do

11. Water and fodder available. Coolies find sufficient labour. Cattle are healthy.

Remarks.—Action is taken to prevent the spread of epidemics *viz.*, plague and cholera.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Same, Sajje and Haraka are reported to have been sown in some parts.

(2) *Standing crops.*—Vaisakhy paddy and Kar-ragi are reported to be fair.

(3) *Crops Harvested.*—Kar-ragi and Vaisakhy paddy are being harvested.

10. There was rainfall during the week in some Taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be healthy but for prevalence of small-pox in some parts of Kolar and Mulbagal Taluks and Black-quarter in some parts of Kolar, Mulbagal Taluks. Cholera in some parts of Gudibanda Taluk is reported to be prevailing. Preventive measures have been taken to check the spread of the disease.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Groundnut, castor and jola in all the arts of the District. Ploughing operations are going on in all the parts of the District.

Standing crops.—Paddy and sugarcane are in good condition.

Crops harvested.—Paddy in parts of Chiknaikanahalli Taluk, Gubbi and Koratagere Taluks.

10. *Public Health.*—Public health is generally good except for the prevalence of Cholera in some of the villages of Theetha, Kolala and Holavanahalli circles and prevalence of plague in Byrayanahalli, and small-pox in Gondhal, and Cholera in Melanahalli in Chiknaikanahalli Taluk. Necessary action is reported to have been taken to check the spread of the epidemics.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Black-quarter in Kaidala and Gulur villages in Tumkur Taluk and Channapatna and Agrahara Circles in Koratagere Taluk. Necessary measures are reported to have been taken to check the spread of the epidemic.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in Mysore, Hunsur and Periyapatna Taluks and paddy in Chamarajanagar Taluk. The transplantation of ragi is in progress in Hunsur and Periyapatna Taluks.

Standing crops.—Such as Jola, ragi, togari, sugarcane, castor, groundnut and cotton are reported to be fairly in good condition. But it is reported that jola crop in some parts of Varuna Hobli, Mysore Taluk, is affected with insects ( ). The Agricultural Department has been requested to take effective measures to check its spread.

9. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall in Mysore, Heggaddevankote and Periyapatna Taluks and it was insufficient in other taluks.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is generally good except for the prevalence of Plague in Nanjangud and Heggaddevankote Taluks and Cholera in a few villages of Chamarajanagar and Nanjangud taluks. Necessary preventive and remedical measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy.

Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. Standing crop of sugarcane in Visvesvaraya Canal area and kar-paddy, jola and pulses in all the taluks of the District are reported to be in good condition. Kar-ragi is stated to have been affected by excessive rains during previous weeks. It is reported that paddy is being harvested in Nagamangala under Hirikere tank.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District.

Cattle are reported to be generally healthy in all the taluks.

Water and fodder are reported to be available in all the taluks.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress throughout the District. Paddy, ragi and jola are being sown, Sugarcane the only standing crop is reported to be in good condition. No damage has been done to the crops.

10. Prospects of the season are good.

11. Cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy, jola, groundnut, cotton and save were being sown.

Standing Crops.—Paddy, sugarcane, groundnut and cotton are reported to have been in good condition.

10. There was prevalence of Cholera in some villages of Santhebennur Hobli, Chennagiri Taluk. Preventive measures were reported to have been taken.

11. Cattle were generally healthy except for the prevalence of 'Chapperoga' at Chilur Village, Honnali Taluk. Preventive measures are reported to heve been taken.

Water and fodder were available. Cooly classes were finding sufficient labour.

CHIKMAGALUR.

8. Markets are fairly well supplied, but prices are high. Shandies in Tarikere are permitted to run again.

9. *Standing crops.*—Sugarcane in Chikmagalur, Tarikere and Narasimharajapura Taluks and sugarcane and kar paddy in Kadur Taluk are the standing crops.

Seeds sown and Transplantation made.—Paddy is being sown in Chikmagalur, Tarikere and Mudigere Taluks. Agricultural operations are going on throughout the District.

10. Public health was generally good except for the prevalence of Cholera in Kuppal Village, Kasaba Hobli of Kadur Taluk and in Thippagondanahalli of Tarikere Taluk. The District Health Officer, Chikmagalur, and the Medical Officer, Health Unit, Tarikere, have been requested to take immediate needful action to prevent the spread of the disease. Precautionary measures have been taken by the Health Department.

11. Cattle are generally healthy. Water, fodder and labour are sufficiently available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Sowing of jola, groundnut, til, castor, giddaragi, togari, horsegram, sajje, cotton and paddy is reported to be in progress.

Standing Crops.—Sugarcane in Hiriyur Taluk and giddaragi in Challakere Taluk are reported to be in good condition.

Crops harvested.—Groundnut in Hiriyur Taluk and paddy in Molakalmuru Taluk is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except in Malloorahalli, Rangavvanahalli and Vobalapura in Challakere Taluk, where Blackquarter and Rinderpest are prevailing. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease.

Public Health is generally good throughout the District except for the prevalence of cholera at Doddakittadahalli, Sannakittadahalli, Kenkere and Madadakere villages in Hosadurga Taluk. The District Health Officer is reported to have been addressed to take preventive measures.

Water and fodder are available.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 19th June 1951.

V. VEDAVYAS ACHARYA,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 7TH JUNE 1951.

A total of 12 attacks with 17 deaths from Plague was returned from 2 villages in 2 taluks, in 1 district during the week against 45 attacks with 16 deaths in the previous week. Corporation of Bangalore, Mysore City and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949, were 1 attack with 1 death and 8 attacks with 2 deaths, respectively.

A total of 58 attacks with 17 deaths from Small-pox were reported from Bangalore Corporation and Mysore City; and from Mudigere and Tarikere Towns; and from the Taluks of Bangalore North, Gundlupet, Hiriyur, Hosadurga, Krishnarajanagar, Malavalli, Sorab, Srinivasapur, Thirthahally and Tiptur.

One hundred and thirty-eight attacks with 76 deaths from Cholera were reported from Bangalore Corporation; and from Mandya Town: and from the taluks of Anekal, Bangalore North, Devanahalli, Gudibanda, Holalkere, Kadur, Kanakanahalli, Malur, Malavalli, Mandya, Nanjangud, Nelamangala, and Tarikere.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 194 (38 in hospitals) for 7 days representing a calculated death-rate of 19·7 (15·9 excluding hospital deaths) per mille of population (annual basis) as against 20·9 (16·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Small-pox, 1 under Typhoid, 5 under Other Fevers, 41 under Dysentery and Diarrhœa and 146 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 67 (27 in hospitals) for 5 days representing a calculated death-rate of 25·0 (14·9 excluding hospital deaths) per mille of population (annual basis) as against 14·6 (11·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 4, Typhoid 1, Other Fevers 12, Dysentery and Diarrhœa 8 and All Other Causes 42. The reported mortality was very low.

T. CHANDRASEKHARAIYA,
Director.

BANGALORE,
Dated 18th June 1951.

N. V. SIDDALINGAPPA,
For *Director.*

2019

351

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY IN MYSORE, BANGALORE.

(HEALTH OF LIVE-STOCK DURING MAY 1951.)

Notification dated 14th June 1951.

In their order of severity, outbreaks of Rinderpest, Black-quarter, Anthrax, Hæmorrhagic-septicæmia, Sheep-pox, Ranikhet, Contagious-goat pleuro-pneumonia, Foot and Mouth, and Rabies were encountered in the State during May 1951. Altogether 262 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 135 villages during the previous month. The number of outbreaks was highest in Bangalore, Tumkur and Mysore Districts, while Chikmagalur, Mandya and Hassan were least affected. These diseases accounted for 965 animals of which 811 succumbed as against 678 attacks and 519 deaths during the previous month. The Departmental staff conducted 38,597 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention other prophylactic measures were adopted against Foot and Mouth disease.

Seven outbreaks of Rinderpest of which two were among sheep and goats were registered in Koppa, Kadur, Chitaldrug, Jagalur, Tiptur and Chiknayakanahalli Taluks accounting for 52 attacks among cattle and 88 attacks among sheep and goats, of which 17 cattle and 42 sheep and goats succumbed. Prompt measures of control were undertaken by the Department to check its spread and 2,511 cattle and 821 sheep and goats in the infected villages and 4,087 cattle and 482 sheep and goats in 24 neighbouring villages were protected against this disease. The disease appeared to be well under control at the end of the month under report.

Diseases caused by internal parasites were reported from 95 villages resulting in 9 deaths as against 94 villages accounting for 63 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 6,462 animals as against 6,808 animals during the previous month.

The rest of the live-stock remained free from diseases during the month, and fodder and water were generally available throughout the State.

P. M. NARAYANASWAMI NAIDU,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. Ploughing operation is in progress.

Standing crops.—Sugarcane and paddy in some parts of the District are reported to be in good condition.

Harvest.—Vaishaki paddy under Varthur Tank, Bangalore South Taluk and some parts of the Magadi Taluk is being harvested.

10. Public Health is generally good except for the prevalence of Plague at Sompura in Nelamangala Taluk and Cholera at the following villages :—

1. Marlavadi, Kankanhalli Taluk.
2. Kolliganahalli, do
3. Kalagondanahalli, do
4. Doddabadenahalli, do
5. Thigalanahalli, do
6. Chikmuduvadi, do
7. Hunsanakodihalli, do
8. Vijayapura, Devanhalli Taluk.
9. Tyamagondlu, Nelamangala Taluk.
10. Dobspet, do
11. Koddihalli, do
12. Heggodu, Anekal Taluk.
13. Vandarguppe, Channapatna Taluk.
14. Pavalidoddi do
15. Devarajeebanahalli, Bangalore Taluk (North).
16. Doddabommasandra do
17. Bennahalli, Ramanagaram Taluk.

Action is taken to prevent the spread of the above epidemic.

11. Cattle are healthy. Water and fodder are available. Coolies find sufficient labour. More rains are required.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

Ploughing operations are in progress in all the Taluks.

(2) *Standing crops.*—Sugarcane and irrigated ragi are reported to be fair.

(3) *Crops Harvested.*—Vaisakhy paddy is being harvested in Srinivaspur Taluk.

There was a little rainfall in Malur and Gudibanda Taluks. Fodder and water are available for cattle.

10. People are reported to be healthy but for prevalence of Small-pox in some parts of Mulbagal Taluk. Cattle are healthy except for Hæmorrhagic Septicæmia in some parts of Mulbagal Taluk. 'ಪೊಟ್ಟುರೋಗ' is also prevailing in Malur Taluk. Preventive measures have been taken to check the spread of the epidemics by the Public Health and Animal Husbandry Departments.

TUMKUR.

8. Fairly well supplied.

9. (1) *Seeds sown.*—Groundnut, castor and jola in Tumkur Taluk. Ploughing operations are going on in some parts of the District.

(2) *Standing crops.*—Paddy, sugarcane, yada ragi, jola and greengram are reported to be in good condition.

10. *Crops harvested.*—Paddy in parts of Chiknaikanahalli, Gubbi, Kunigal and Koratagere Taluks.

1. *Public Health.*—Public health is generally good except for the prevalence of Cholera at Marasandra in Chicknaikanahalli Taluk and in some villages of Theetha, Kolala and Holavanahalli Circles in Koratagere Taluk. Prevalence of Plague at Jogiballi in Chiknaikanahalli Taluk, and Small-pox at Madenahalli in Gubbi Taluk. Needful measures are reported to have been taken to check the spread of the epidemics.

2. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Black-quarter in some of the villages of Kasaba Hobli in Sira Taluk and in some villages of Channapatna and Agrahara Circles in Koratagere Taluk and in Jodi Satyamangala, Jakkenahalli and Kattigenahalli and Rinderpest in Durgadahalli and Arakere villages in Tumkur Taluk. Needful preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in some parts of Mysore Taluk and paddy in Chamarajanagar Taluk.

9. *Standing crops.*—Such as jola, ragi, togari, castor, groundnut and cotton are reported to be fairly in good condition. But jola crop in parts of Varuna Hobli, Mysore Taluk, is infected with insects. Agricultural Department are taking necessary effective measures to check its spread. Similarly the jola crop in parts of Kowlande Hobli, Nanjangud Taluk and in some parts of Chamarajanagar Taluk has been affected with a pest of worms. Agricultural Department has been requested to take necessary measures to check the spread of the disease.

(1) Prospects of the season are fair.

(2) There was scanty rainfall in the Taluks of Mysore, Krishnarajanagar, Hunsur and Periyapatna. It is reported that the standing crops in the Taluks of Krishnarajanagar and Chamarajanagar are in urgent need of rains.

(3) Both cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is generally good except for the prevalence of Plague in a few villages of Heggaddevankote Taluk and Cholera in a few villages of Heggaddevankote and Nanjangud Taluks and in one village of Mysore Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy.

Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. Standing crop of sugarcane in Visvesvaraya Canal area and kar-ragi, kar-paddy, jola and pulses in all the taluks of the District are reported to be in good condition. Kar-ragi is reported to have been affected by excessive rains during previous weeks. It is reported that paddy under Kotebetta, Hiduva, Bellur and Nagamangala Tanks in Nagamangala Taluk is being harvested.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District except for stray cases of suspected cholera in some villages of Mandya and Maddur and Srirangapatna Taluks.

Preventive measures are reported to have been taken in all these places to check the spread of the epidemics.

Cattle are reported to be generally healthy in all the taluks.

Water and fodder are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress throughout the District. Paddy, ragi and jola are being sown. Sugarcane is reported to be in good condition. No damage has been done to the crops.

10. Prospects of the season are good.

11. Cattle were healthy and fodder available.

SHIMOGA.

354

8. Well supplied.

9. Groundnut, ragi save, greengram and paddy were sown, paddy crop was transplanted in Hosanagar and Sagar Taluks.

The standing crops of sugarcane and cotton were in good condition.

10. There was prevalence of small-pox in Honnali and Tirthahalli Taluks. Preventive measures were taken.

11. Cattle were healthy in all Taluks except in Honnali and Sagar Taluks where there was prevalence of Galaleroga Preventive measures were taken. Fodder and water were available to cattle.

CHIKMAGALUR.

8. Markets are fairly well supplied. Prices are high. Tarikere, Ajjampur, Shivane, Sollapur Shandies have been closed on account of Cholera.

9. (1) *Standing crops.*—Sugarcane in Chikmagalur Taluk and sugarcane and kar paddy, Mungar jola, coriander, til and groundnut in Kadur Taluk, sugarcane in Tarikere and Narasimharajapura Taluks are the standing crops.

(2) *Seeds sown and Transplantation made.*—Paddy is being shown in the Taluks of Chikmagalur, Tarikere, Mudigere and Koppa. Jola, coriander, groundnut, castor and blackgram in Tarikere Taluk.

(3) *Crops harvested.*—Nil.

10. Public health was generally good. It was reported that there was an incidence of small-pox at Doddagatta Village in Kadur Taluk. The District Health Officer, Chikmagalur, and the Senior Health Inspector, Birur, have been requested to depute a vaccinator for taking effective steps to prevent the spread of the epidemic disease.

11. Cattle are generally healthy. Water and fodder are sufficiently available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds Sown.*—Sowing of jola, ragi, til, castor, groundnut, navane, cotton and paddy is reported to be in progress.

Standing Crops.—Sugarcane in Hiriyur Taluk; paddy and groundnut in Holalkere Taluk; ragi in Challakere Taluk is reported to be in good condition.

Crops harvested.—Groundnut in Hiriyur Taluk is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except in Rangavvanahalli in Challakere Taluk where Rinderpest is prevailing. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease.

Public Health is generally good throughout the District except prevalence of Small-pox at Bettadanagenahalli in Chitaldrug Taluk. The District Health Officer is reported to have been addressed to take preventive measures.

Water and fodder are available.

BANGALORE,
Dated 6th June 1951.

N. V. SIDDALINGAPPA,
For *Director*.

MYSORE STATE—DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 14TH JUNE 1951.

A total of 8 attacks with 8 deaths from Plague was returned from 2 villages in 2 taluks in 2 districts during the week against 12 attacks with 17 deaths in the previous week. The Corporation of Bangalore, City of Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949, were nil attack with nil death and 31 attacks with 9 deaths, respectively.

A total of 34 attacks with 4 deaths from Small-pox were reported from Bangalore Corporation and from the Taluks of Chiknaikanahalli, Gundlupet, Hosadurga, Malur and Malavalli.

Fifty-eight attacks with 26 deaths from Cholera were reported from Arsikere Town and from the taluks of Arsikere, Anekal, Bagepalli, Chiknaikanahalli, Channagiri, Chamarajanagar, Gudibanda, Holalkere, Hoskote, Hosadurga, Mandya and Srirangapatna.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 228 (57 in hospitals) for 7 days representing a calculated death-rate of 23·2 (17·4 excluding hospital deaths) per mille of population (annual basis) as against 25·1 (19·3 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Typhoid, 5 under Other Fevers, 42 under Dysentery and Diarrhœa and 180 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 44 (8 in hospitals) for 4 days representing a calculated death-rate of 20·5 (16·8 excluding hospital deaths) per mille of population (annual basis) as against 10·3 (5·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Other Fevers 5, Dysentery and Diarrhœa 7 and All Other Causes 32. The reported mortality was low.

T. CHANDRASEKHARAIYA,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. (1) Sowing operation is going on in Bangalore South Taluk.

(2) Paddy is being harvested in Magadi and Bangalore South Taluks under certain tanks.

(3) Ploughing operation is in progress.

(4) Paddy and sugarcane are in good condition.

10. Public Health is generally good except for the prevalence of Plague at Sompura, Nelamangala Taluk, and Cholera in following villages of Kankanhalli Taluk :—

1. Pedappanahalli,
2. Marlawadi,
3. Chikamuduvadi,
4. Hulugondanahalli,
5. Kodihalli,
6. Kolliganahalli,
7. Kalagondanahalli,
8. Doddasadenahalli,
9. Thigalenahalli and (1) Kylancha Tapper's Colon, (2) Channamanahalli, (3) Rangarayaradoddi in Ramanagaram Taluk, and Vijayapur, Devanhalli Taluk, and Heggodu, Anekal Taluk. Action is taken to prevent the spread of above two epidemics.

11. Cattle are healthy, except for the outbreak of rinderpest at Sugganahalli, Ramanagaram Taluk. Action is taken to prevent the spread of the disease.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

Ploughing operations are in progress. Rains are badly wanted to commence sowings.

(2) *Standing crops.*—Sugarcane and irrigated ragi are reported to be fair.

(3) *Harvested.*—Vaisakhy paddy is being reaped in some parts of Kolar Taluk.

10. There was no rainfall during the week. Fodder and water are available for cattle.

11. People and cattle are reported to be healthy but for prevalence of small-pox in some parts of Chikballapur Taluk and cholera in some parts of both Chikballapur and Gudibanda Taluks. Preventive measures have been taken to check the spread of the epidemics by the Health Department.

TUMKUR.

8. Fairly well supplied.

9. (1) *Seeds sown.*—Groundnut, castor and jola in Tumkur Taluk.

(2) *Standing crops.*—Paddy, sugarcane, yada ragi, jola and greengram are reported to be in good condition. Rain is wanted for the standing crops as well as for sowing seeds.

10. *Crops harvested.*—Paddy in parts of Kunigal, Koratagere and Gubbi, Taluks.

Public Health.—Public Health is generally good except for the prevalence of plague of in Chicknaikanahalli Town, and Cholera is reported to be still prevailing in Koratagere Taluk. Needful measures are reported to have been taken to check the spread of the epidemic.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Blackquarter in some of the villages of Koratagere Taluk, Kenkere and Sonnaikanahalli in Huliyurdurga Hobli and Mavinakatte Village, Kottagere Hobli in Kunigal Taluk and some of the villages in Kore, Beliavi, Kuchangi and Hiregundagal in Tumkur Taluk. Needful preventive steps have been taken to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that paddy was sown in Chamarajanagar Taluk. Transplantation of paddy under tanks in Nanjangud, T.-Narsipur and Chamarajanagar Taluks are in progress.

9. *Standing crops.*—Such as jola, ragi, togari, castor, groundnut, sugarcane and mulberry are reported to be fairly in good condition. But jola crop in parts of Mysore, Nanjangud, Chamarajangar and Gundlupet, T.-Narasipur and Yelandur Taluks is affected for want of rains at a time when the rainfall is very necessary for growing earheads. The earheads are thinning out as a result of withholding of rains. The scanty rainfall was also contributed to the prevalence of a kind of pest of bugs locally known as "(ಅರ ಕಾಲನ ಚಟ್ಟೆ ಹುಳ)" and black pest in some parts. Necessary measures for combating the spread of the disease are being taken in consultation with the Agricultural Department.

10. *Crops harvested.*—Nil.

(1) Prospects of the season are fair.

(2) There was no rainfall in any part of this District during the week. It is reported that the standing jola crops in Gundlupet, Nanjangud, T.-Narasipur, Mysore and Chamarajanagar Taluks and ragi in Hunsur and Nanjangud Taluks are in need of urgent rains.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is generally good except for the prevalence of Plague in a few villages of Heggaddevankote Taluk and Cholera in a few villages of Heggaddevankote, Gundlupet and Yelandur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of fodder and water are available all over the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal area and kar-paddy in small extents in all the taluks of the District are reported to be in good condition. Paddy in the atchkats of Kotebetta, Hulikere, Bindiganavale, Hiduva and Bellur Taluks in Nagamangala Taluk is reported to be under harvest.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District. Cattle are reported to be generally healthy. Water and fodder are reported to be available in sufficient quantities in all the taluks of the District.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress. Sugarcane is reported to be in good condition. No damage has been done to the crops.

10. Prospects of the season are reported to be fair. Rainfall is needed throughout the District both for ragi and paddy crop.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Jola, ragi, save and groundnut were sown. Paddy crop was transplanted in Hosanagar Taluk. The standing crops sugarcane, cotton, paddy and groundnut were in good condition.

10. Prospect of the season was generally good. There was prevalence of small-pox in Thirthahalli Taluk. Preventive measures were taken.

11. Cattle were healthy in all the Taluks except in Sagar Taluk where Anthrax prevailed among cattle. Preventive measures are reported to have been taken. Water and fodder were available.

CHIKMAGALUR.

8. Markets are fairly well supplied. Prices are high. Shandies in Tarikere, Ajjampura, Shivane and Sollapura are not being held on account of Cholera.

9. (1) *Standing crops.*—Sugarcane in Chikmagalur Taluk, sugarcane, kár paddy, mungar jola, coriander,

til, cotton and groundnut in Kadur Taluk and Tarikere Taluks. Sugarcane and paddy in Narasimharajapura Sub-Taluk are the standing crops.

(2) *Seeds sown and Transplantation.*—Paddy and other grains are being sown in Tarikere Taluk and paddy in the other parts of the District is being sown.

(3) *Crops harvested.*—Nil.

10. Public health was generally good. It is reported that two deaths have been occurred due to cholera in Mallaghatta Village of Singatagere Hobli in Kadur Taluk and the Health Department authorities have been addressed to take necessary preventive action to check the spread of the disease. It is reported that small-pox is prevailing in Karathala Village, Tarikere Taluk. Outbreak of cholera in Lakkavalli is also reported and necessary preventive measures taken.

11. Cattle are generally healthy except in Tarikere Taluk where it is reported that 6 cattle are dead in Hariyanahalli Village of Shivane Hobli (ಮೊಟ್ಟಕಟ್ಟೆ ರೋಗ). The Veterinary Departmental authorities have been requested to take necessary action in the matter. Water, fodder and labour are available in sufficient quantities.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds sown.*—Sowing of jola, ragi, groundnut, cotton til, navane and sajje is reported to be in progress.

Standing Crops.—The standing crops recently sown, *i.e.*, such as jola, ragi, navane, til, groundnut, etc., are in good condition but they are in urgent need of rains.

Crops harvested.—Groundnut in Hiriyur Taluk and Paddy in Molakalmuru Taluk is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except prevalence of Rinderpest in Kadajji Village, Davangere Taluk, and Blackquarter in Upparahalli and Donehalli in Challakere Taluk and Sajjanakere in Chitaldrug Taluk. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease.

Public health is generally good throughout the District except prevalence of small-pox in Donehalli and Haligondanahalli of Challakere Taluk. The District Health Officer is reported to have been addressed to take preventive measures. Water and fodder are available.

BANGALORE,
Dated 25th June 1951.

N. V. SIDDALINGAPPA,
For *Director.*

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED JUNE 21, 1951.

A total of 18 attacks with 6 deaths from Plague was returned from 10 villages in 6 taluks, in 5 districts during the week against 8 attacks with 8 deaths in the previous week. Bangalore Corporation, Mysore City and Kolar Gold Fields reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were nil attack, with nil death and 51 attacks with 30 deaths, respectively.

A total of 49 attacks with 12 deaths from Small-pox were reported from the Cities of Bangalore, Mysore and Kolar Gold Fields and from the taluks of Channapatna, Goribidnur, Hosadurga, Malur, Soraba, Sreenivasapura and Thirthahally.

Two hundred and twenty-five attacks with 96 deaths from Cholera were reported from Arsikere, Gudibanda and Vijayapura Towns and from the taluks of Anekal, Bangalore North, Bangalore South, Chamarajanagar, Pandavapura, Gudibanda, Hosadurga, Hoskote, Kortagere, Kankanhalli, Kadur, Krishnarajanagar, Molakalmuru, Mandya, Maddur, Malur, Mysore, Nelamangala, Nanjangud, Ramanagaram, Srirangapatna and Tarikere.

360

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 214 (47 in hospitals) for 6 days representing a calculated death-rate of 25·1 (19·6 excluding hospital deaths) per mille of population (annual basis) as against 23·7 (18·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Small-pox, 1 under Typhoid, 7 under Other Fevers, 45 under Dysentery and Diarrhœa and 160 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 68 (23 in hospitals) for 6 days representing a calculated death-rate of 20·9 (13·8 excluding hospital deaths) per mille of population (annual basis) as against 18·8 (13·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 7, Malaria 3, Typhoid 1, Other Fevers 4, Dysentery and Diarrhœa 2, and All Other Causes 51. The reported mortality was very low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Ragi and paddy are being sown.

(2) Standing crops such as paddy, sugarcane, til and ground-nut are in good condition.

(3) Harvest of ground-nut has commenced in some parts.

(4) Car paddy is being harvested in Channapatna Taluk.

10. Public Health is good as well as that of Cattle except for the prevalence of Plague at Dobspet, Nelamangala Taluk, and Cholera in the following seven villages of Kankanhalli Taluk and Arudi Dodballapur Taluk :—

1. Peddappanahalli,
2. Marlawadi,
3. Chikamuduvadi,
4. Hulugondanahalli,
5. Kolliganahalli,
6. Kaligondanahalli,
7. Thigalarahalli

Rinderpest (Chapperoga) at Kannamangala Hoskote Taluk is reported. Action is being taken to prevent the spread of the epidemics.

Water and Fodder are available.

11. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Ragi, avare, same and horsegram are reported to have been sown during the week.

(2) *Standing crops.*—Irrigated ragi and Punaji paddy are reported to be fair.

(3) *Crops harvested.*—Paddy and kar-ragi are being harvested in Gudibanda Taluk.

10. There was rainfall during week in all the Taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of black-quarter for cattle in some parts of Chikballapur Taluk. Preventive measures have been taken to check the spread of the epidemic by Animal Husbandry Department.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Groundnut, castor and jola in Tumkur Taluk. The recent rains were very helpful for preparation for sowing ragi and avare, etc., Rain is still wanted in some parts of the District.

9. *Standing crops.*—Yada ragi, jola, ground-nut, bengalgram and greengram are reported to be in good condition.

10. *Crops harvested.*—Paddy in parts of Koratagere and Kunigal Taluks.

Public Health.—Public Health is generally good except for the prevalence of Cholera in Kunigal Town, Koratagere Taluk and one suspected case in Tumkur Town and plague in Jogihalli and Tarabenahalli and ratfalls in Jayachamara japura village, in Chiknaikanahalli Taluk, and small-pox in Beeranakal village, Tumkur Taluk. Necessary preventive measures are reported to have been taken to check the spread of the epidemic.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Nandiballi village in Tumkur Taluk. Preventive measures have been taken to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

8. It is reported that the markets are normally well supplied in all the taluks of this District during the week.

Seeds sown.—It is reported that paddy was sown in Chamarajanagar Taluk. Transplantation of paddy is in progress in the taluks of Nanjangud, T.-Narsipur, Krishnarajanagar, Mysore and Chamarajanagar Taluks.

9. *Standing crops.*—Such as jola, ragi, togari, castor, groundnut and sugarcane are in need of urgent rains. But standing jola crop in parts of Mysore, Chamarajangar, Gundlupet and Nanjangud Taluks is affected by a kind of insects. In Gundlupet Taluk it is reported that in villages where imported seed jola has been sown, earheads have not come up in the sturdy crop. Necessary measures for combating the spread of the disease are being taken in consultation with the Agricultural Department. Ragi crop is withering for want of rains. The yield of jola crop is poor in the taluks of Mysore, Nanjangud, Gundlupet, Yelandur and T.-Narasipur due to inadequacy of rainfall.

10. *Crops harvested.*—It is reported that groundnut in T.-Narsipur Taluk and kar paddy in Krishnarajanagar Taluk were being harvested.

(1) Prospects of the season are fair.

(2) There was no rainfall in any part of this District except in Chamarajanagar and Krishnarajanagar Taluks where too, it is insufficient. The standing crops in Mysore, Chamarajanagar, Hunsur, Krishnarajanagar, Gundlupet, Nanjangud, T.-Narasipur and Periyapatna Taluks are reported to be in urgent need of rains.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Mysore Taluks and Cholera in a few villages of Heggaddevankote and Yelandur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. Standing crop of sugarcane in Visvesvaraya Canal area and kar-paddy and kar-ragi in small extents in Mandya, Maddur and Malavalli Taluks are reported to be in good condition. Paddy under certain tank atchkat of Nagamangala Taluk are reported to be under harvest.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District except for the prevalence of small-pox in Gamanahalli, cholera in some villages of Srirangapatna Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Cattle are reported to be generally healthy. Water and fodder are reported to be available in sufficient quantities in all the taluks of the District.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress throughout the District. Sugarcane is the only standing crop and its condition is reported to be good. No damage has been done to the crops.

10. Prospects of the season are fair but rains are needed for the paddy and ragi crops.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Paddy, ragi, jola, and save were sown in Channagiri and Bhadravati Taluks. The standing crop of sugarcane, cotton, groundnut, and paddy were generally in good condition. Paddy was transplanted in Hosanagar Taluk. There is need for rains in Thirthahalli Taluk for transplantation of paddy.

10. Prospect of the season was generally good. There is need of rainfall for the standing crop. There was prevalence of plague in a few villages in Channagiri Taluk. Preventive measures are reported to have been taken.

11. Cattle were healthy in all the Taluks except in the Taluk of Honnali where Galaleroga is reported to have been prevailing. Preventive measures were taken. Fodder and water were available to cattle.

CHIKMAGALUR.

8. Markets are fairly well supplied. Prices are going higher. Shivane shandy is closed on account of Cholera.

9. (1) *Standing crops.*—Sugarcane in Chikmagalur, Narasimharajapura Taluks, sugarcane, kar paddy, mungar jola, til, coriander, cotton and groundnut in Kadur and Tarikere Taluks are the standing crops. Their condition is fairly good.

(2) *Seeds sown and Transplantation made*:-Ragi is sown in some parts of Tarikere Taluk. Transplanting of paddy in Mudigere Taluk is not successful owing to insufficient rainfall. The paddy crop in Sankase village in Narasimharajapura Taluk is being infected by leptispa pest.

(3) *Crops harvested.*—Nil.

10. Prospects of the season are reported to be fair. Want of timely rains in Kadur taluk has retarded considerably the growth of the standing crops. Insufficient rainfall in Mudigere Taluk has also made the transplanting of paddy unsuccessful.

Public health is generally good except in Tarikere taluk, where it is reported that Lakkavalli and Kudlur villages are effected with cholera and the Medical Departmental authorities have been requested to take necessary preventive measures from the spread of the disease. Cholera is also prevalent in Chikmagalur Town and in some parts of Kadur taluk. Necessary preventive measures have been taken.

11. Cattle are generally healthy except for the prevalence of contagious disease in Ganganahalli and Timlapura Villages of Singatagere Hobli in Kadur Taluk. Preventive measures are taken by the Animal Husbandry Department.

CHITALDRUG.

8. Markets are well supplied except for controlled commodities.

9. *Seeds sown.*—Transplantation of Dodda ragi in Challakere Taluk, sowing of ragi and cotton in Holalkere Taluk; Dodda ragi in Molakalmuru Taluk; jola, ragi, cotton, sajje and navane in Davangere Taluk; cotton and groundnut in Harihar Taluk is going on.

Standing Crops.—The standing crops such as jola, ragi, paddy, groundnut, til, castor, navane and sajje, etc., recently sown are fairly in good condition but they are in urgent need of rains. Sugarcane in Hiriyur Taluk is in good condition.

Crops harvested.—Groundnut and paddy in Hiriyur Taluk and paddy in Molakalmuru Taluk is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except prevalence of Blackquarter in Kaparahalli and Dodderi in Challakere Taluk and Rinderpest in Gurusiddapura, Jagalur Taluk. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease.

Public health is generally good throughout the District except the prevalence of small-pox in Obannanahalli, Kereyagalahalli of Challakere Taluk. The District Health Officer is reported to have been addressed to take preventive measures.

Water and fodder are available.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

365

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 28TH JUNE 1951.

A total of 30 attacks with 7 deaths from Plague was returned from 8 villages in 4 taluks in 2 districts during the week against 18 attacks with 6 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949, were nil attack with nil death and 68 attacks with 37 deaths, respectively.

A total of 35 attacks with 14 deaths from Small-pox were reported from the Cities of Bangalore and Mysore; and from Hole-Narsipur Town; and from the Taluks of Chamarajanagar, Gundlupet, Honnali, Krishnarajanagar, Malavalli, Periyapatna, Srinivasapur and Tarikere.

Two hundred and sixty-two attacks with 127 deaths from Cholera were reported from Bangalore and from the towns of Arsikere, Hole-Narsipur, Heggaddevankote and Kankanhally and from the taluks of Bangalore North, Channapatna, Chiknaikanahalli, Gundlupet, Heggaddevankote, Hiriyur, Kankanahallli, Kadur, Krishnarajanagar, Koratagere, Magadi, Mandya, Mysore, Molakalmuru, Nelamangala, Pandavapura, Periyapatna, Ramanagaram, Srirangapatna, Turuvekere and Yelandur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 278 (102 in hospitals) for 7 days representing a calculated death-rate of 27·7 (17·9 excluding hospital deaths) per mille of population (annual basis) as against 24·1 (18·4 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 2 under Small-pox, 2 under Cholera, 2 under Typhoid, 5 under Other Fevers, 44 under Dysentery and Diarrhœa and 223 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 93 (42 in hospitals) for 6 days representing a calculated death-rate of 28·0 (15·6 excluding hospital deaths) per mille of population (annual basis) as against 16·3 (9·7 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 1, Malaria 6, Typhoid 1, Other Fevers 5, Dysentery and Diarrhœa 13 and All Other Causes 67. The reported mortality was low.

There were 18 deaths (2 in hospitals) for 4 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 8·9 (7·9 excluding hospital deaths) per mille of population. Classified according to causes the deaths numbered 2 under Other Fevers, 5 under Dysentery and Diarrhœa and 11 under All Other Causes; The reported mortality was very very low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) Ploughing operation is in progress. Ragi is sown. Avare is sown. Sugarcane plants, til and groundnut are in good condition.

Harvest of groundnut is commenced in some parts of Magadi Taluk.

Sowing of Ragi is held up for want of rain in Magadi Taluk.

10. Public Health is good except for the prevalence of Cholera in Ramanagaram, Bidadi, Ramanagaram Taluk, Mylanayakanahalli and Tore-Hoson (both in Channapatna Taluk and the following villages of Kankanhalli Taluk :—

1. Pedappanahalli,
2. Marlawadi,
3. Chikamuduvadi,
4. Hulugondanahalli,
5. Kolliganahalli,
6. Kadugondanahalli,
7. Thigalarahalli,

There is small-pox in Makali Village in Channapatna Taluk.

Action is taken to prevent the spread of the above three epidemics.

Cattle are reported to be healthy except for the outbreak of rinderpest in Bendiganahalli, Sulibele Hobli, Hoskote Taluk. Action is taken to prevent the spread of the disease.

Water and fodder are available.

11. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Ragi, Avare, Thogari and Horsegram, are reported to have been sown in all the taluks, during the week.

(2) *Standing crops.*—Ragi, Avare, Thogari and Horsegram are reported to be fair.

(3) *Crops harvested.*—Same and Irrigated Ragi are being harvested in Mulbagal Taluk.

10. There was rainfall during the week in some taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of small-pox in some parts of Chickballapur and Srinivasapur Taluks and "ಕಪ್ಪೆರೋಗ" for cattle in some parts of Srinivasapur Taluk. Preventive measures have been taken to check the spread of the epidemic by the Public Health and Animal Husbandry Departments.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Paddy, Ragi, Groundnut, Jola, Avare and Thogari in all the parts of the District, and ploughing operations are also going on for sowing ragi and other millets.

Standing crops.—Jola, Groundnut, Bengalgram, Greengram and Ragi and Sugarcane are reported to be in good condition.

Crops harvested.—Paddy in parts of Koratagere and Kunigal Taluks.

10. *Public Health.*—Public Health is generally good except for the prevalence of cholera in Kunigal Town, Borasandra, Shettigehalli, Khodipura, Kodamathikere, Janagara and Nidasale in Kunigal Taluk, and plague in Chiknaikanahalli Town, Tarabanahalli and Jogihalli in Chiknaikanahalli Taluk. Precautionary measures have been taken to check the spread of the epidemic and the concerned Departments active at it.

Cattle.—Cattle are reported to be generally healthy but the prevalence of Black-quarter in some of the villages of Kasaba Circle in Koratagere Taluk. Preventive measures are reported to have been taken by the concerned authorities to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied throughout the District during the week.

Seeds sown.—It is reported that ragi and paddy were sown in Mysore, T.-Narasipur, Chamarajanagar Taluks and paddy in Hunsur and Chamarajanagar Taluks. The transplantation of paddy is in progress in the taluks of Mysore, Chamarajanagar, Nanjangud, T.-Narsipur and Krishnarajanagar Taluks.

9. *Standing crops.*—Such as ragi, jola, groundnut, castor, togari and cotton are withering for want of rains in almost all the taluks of the District. But the standing jola crop in parts of Mysore, Nanjangud, Gundlupet, Chamarajanagar and Yelandur Taluks is affected by a kind of insects. Necessary preventive measures for combating the spread of the disease are being taken in consultation with the Agricultural Department. The yield of jola crop is reported to be poor in the taluks of Mysore, Nanjangud, Chamarajanagar, T.-Narasipur, Gundlupet and Yelandur Taluks due to want of rains. The sowing of hyne ragi is delayed in almost all parts of this District for want of rains. It was noticed in my recent tour in Hunsur and Periyapatna Taluks that kar ragi crop has been withering away and that the seedlings that were ready for transplantation have become old as the transplantation season is already over. In almost all the places the ryots represented that they wanted hyne ragi seeds immediately so that they may at least take up sowing and transplanting hyne ragi wherever kar ragi has failed. The Director of Agriculture and the Commissioner for Food Production have been addressed in the matter.

10. (1) Prospects of the season are fair.

(2) There was no rainfall in any part of this District except in the taluks of Chamarajanagar, Krishnarajanagar, T.-Narasipur and Yelandur where it is reported to be insufficient.

(3) Sufficient quantities of foodgrains are made available throughout the District.

(4) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(5) Public health is generally good except for the prevalence of Plague in a few villages of Heggaddevankote Taluk and Cholera in a few villages of Chamarajanagar, Heggaddevankote, Nanjangud, Mysore and Yelandur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. Standing crops of sugarcane in Visvesvaraya Canal area and kar-paddy cultivated in small extents in all the taluks are reported to be in good condition. Standing crop of jola is reported to have been affected for want of sufficient rains.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District except for the prevalence of Cholera in some villages of Pandavapura and Srirangapatna Taluks. Preventive measures have been taken up to check the spread of the epidemic. Cattle are reported to be generally healthy. Water and fodder are reported to be available in sufficient quantities in all the taluks.

HASSAN.

8. Well supplied.

9. There are no rains for nearly one month. Both ragi and paddy crops are badly in need of rain. Transplanting of paddy is not being done in Malnad and other Malnad areas for want of rain. Even the commercial crops like potato, groundnut are badly in need of rains.

10. Prospects of the season are not hopeful and rains are very badly needed for paddy and ragi crops.

11. Cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. The standing crops of sugarcane, paddy, groundnut, ragi, jola and save are generally in good condition.

Sowing of ragi and transplantation of paddy is held up for want of rains. The standing crops in Honnali Taluk has begun to wither for want of rains.

10. The prospect of the season was generally good. Rains are urgently needed. There was pravelence of plague in Channagiri Taluk and there was prevelance of small-pox in Thirthahalli Taluk. Preventive measures were taken.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets are fairly well supplied. Prices are soaring high as in previous weeks.

9. (1) *Standing crops.*—Sugarcane in Chikmagalur and Narasimharajapura Taluks; sugarcane, kar paddy, mungar jola, til, coriander, cotton and groundnut in Kadur and Tarikere Taluks are the standing crops. Rain is badly wanted for the standing crops in Kadur Taluk and mungar jola is apprehended to be a failure in Kadur Taluk.

(2) *Seeds sown and Transplantation made:*—Sowing of coriander and ragi in Kadur Taluk is being done. Transplanting work was held up in Narasimharajapura Sub-Taluk. Transplanting work is not successful in Mudigere Taluk for want of rains.

(3) *Crops harvested.*—Nil.

10. Prospects of the season are reported to be generally good. Rainfall is insufficient almost throughout the District for the standing crops.

Public health is generally good except in Tarikere Taluk, where it is reported that there was a rat fall at Nagabovanahalli village of Shivane Hobli, and small-pox in Bettadavarekere Village. The Medical authorities have been requested to take necessary preventive measures; cholera is prevalent in Chikmagalur Town and in some parts of Kadur and Tarikere Taluks.

11. Cattle are generally healthy except in Danayakapura of Tarikere Taluk, where it is reported that cattle are affected by foot and mouth disease. The Animal Husbandry Departmental Authorities have been requested to take necessary preventive measures.

Water and fodder are available throughout the District.

CHITALDRUG.

8. Markets are well supplied except for controlled commodities.

9. *Seeds sown.*—Transplantation of dodda ragi is going on in Challakere Taluk; sowing of jola and gidda ragi in Hiriyur Taluk; paddy and dodda ragi in Molakalmuru Taluk; jola, cotton and paddy in Davangere Taluk; cotton and navane in Jagalur Taluk; ragi, save, navane and sajje in Hosadurga Taluk; jola, ragi, cotton and groundnut in Harihar Taluk, is going on. In Chitaldrug Taluk sowing will have to be commenced against after some showers.

Standing crops.—The standing crops such as jola, ragi, paddy, groundnut, til, castor, navane and sajje, etc., recently sown are fairly in good condition but they are in urgent need of rains. It is reported that standing crops in Molakalmuru Taluk are withering for want of rains. Sugarcane crop in Hiriyur Taluk is in good condition.

Crops harvested.—Groundnut and paddy in Hiriyur Taluk is reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except prevalence of Rinderpest at Hariyanehalli, Hosadurga Taluk. Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease.

Public health is generally good throughout the District except the prevalence of cholera in Chowlur, Sooranahalli, Parasurampura, Chennammanagathihalli, Jodi Thorebeeranahalli, Kyathagondanahalli Village in Challakere Taluk and Kanajanahalli, Betaganahalli in Hiriyur Taluk. The District Health Officer is reported to have been addressed to take preventive measures to check the spread of the disease.

Water and fodder are available.

369

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY JULY 5, 1951.

A total of 37 attacks with 15 deaths from Plague was returned from 8 villages in 4 taluks, in 3 districts during the week against 30 attacks with 7 deaths in the previous week. The Cities of Bangalore. Mysore and Kolar Gold Fields reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were nil attack, with nil death and 56 attacks with 31 deaths, respectively.

A total of 32 attacks with 5 deaths from Small-pox were reported from the Cities of Bangalore, Mysore and from the towns of Gundlupet, Magadi and Nyamathi and from the taluks of Bagepalli, Chikmagalur, Kankanhalli, and Ramanagaram.

One hundred and thirty-two attacks with 75 deaths from Cholera were reported from Bangalore Corporation, and from the towns of Chikmagalur, Heggaddevankote. Kankanhalli and from the taluks of Bangalore North, Bangalore South, Chikmagalur, Dodballapur, Goribidnur, Gudibanda, Hiriyur, Heggaddevankote, Kankanhalli, Kadur, Krishnarajanagar, Koratagere, Molakalmuru, Pandavapura, Ramanagaram, Srirangapatna, T.-Narsipur and Yelandur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 214 (54 in hospitals) for 7 days representing a calculated death-rate of 14·3 (10·7 excluding hospital deaths) per mille of population (annual basis) as against 23·6 (17·8 for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 1 under Typhoid, 7 under Other Fevers, 35 under Dysentery and Diarrhœa and 170 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 69 (18 in hospitals) for 6 days representing a calculated death-rate of 16·9 (12·5 excluding hospital deaths) per mille of population (annual basis) as against 14·8 (11·0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 3, Malaria 3, Other Fevers 12, Dysentery and Diarrhœa, 10 and All Other Causes 41. The reported mortality was very low.

There were 45 deaths (5 in hospitals) for 6 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 16·9 (15·0 excluding hospital deaths) per mille of population (annual basis). Classified according to causes the deaths numbered 1 under Typhoid, 3 under Other Fevers, 12 under Dysentery and Diarrhœa and 29 under All Other Causes. The reported mortality was very low.

2730 T. CHANDRASEKHARAIYA, *Director.*

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

(HEALTH OF LIVE-STOCK DURING JUNE 1951.)

Notification dated 16th July 1951.

In their order of severity, outbreaks of Rinderpest, Black-quarter, Hæmorrhagic-septicæmia, Anthrax, Sheep-pox, Foot and Mouth, Ranikhet and Contagious-goat pleuro-pneumonia were encountered in the State during June 1951. Altogether 354 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 262 villages during the previous month. The number of outbreaks was highest in Kolar, Tumkur and Bangalore Districts, while Shimoga, Chikmagalur and Mandya were least affected. These diseases accounted for 1,133 animals of which 1,039 succumbed. The departmental staff conducted 55,441 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention other prophylactic measures were adopted against Foot and Mouth disease.

Four outbreaks of Rinderpest of which two were among sheep were registered in Davangere, Jagalur, Molakalmuru and Challakere Taluks accounting for 16 attacks among cattle and 59 attacks among sheep, of which 9 cattle and 33 sheep succumbed. Prompt measures of control were undertaken by the Department to check its spread and 772 cattle and 1,038 sheep and goats in the infected villages and 2,369 cattle in 12 neighbouring villages were protected against this disease. The disease appeared to be well under control at the end of the month under report.

Diseases caused by internal parasites were reported from 104 villages resulting in 14 deaths as against 95 villages accounting for 9 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 5,913 animals as against 6,462 animals during the previous month.

The rest of the live-stock remained free from diseases during the month, and fodder and water were generally available throughout the State.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. Ploughing operation is in progress. Sowing operation is in progress. Sowing of ragi, paddy, avare and thogari are done.

Standing crops such as til, groundnut, sugarcane are in good condition.

Harvest of groundnut is in progress.

10. Public health is generally good except for the prevalence of Cholera in two villages of Kasaba, Maralavadi, and Kodihalli Hoblis of Kankanhalli Taluk and Bidadi, Bettingere, Kantanahalli, Ramanagaram Town, Gunnur, Kottipura in Ramanagaram Taluk; and Channapatna town, Milnaikanahalli, Thore Hosur, Malurpatna in Channapatna Taluk. Action is taken to prevent the spread of the disease.

Cattle are reported to be healthy except for the prevalence of Black-quarter in Tavarekere, Magadi Taluk. Action is taken to prevent the spread of the disease.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Ragi, avare, same, thogari, horsegram, groundnuts are reported to have been sown in all taluks.

(2) *Standing crops.*—Ragi, avare, thogari, same, groundnut and horsegram are reported to be fair.

(3) *Crops harvested.*—Irrigated Ragi is being harvested in Mulbagal and Gudibanda Taluks.

10. There was rainfall during the week in all the taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of cholera in some parts of Malur Taluk and Black-quarter for cattle in some parts of Mulbagal and Sidlaghatta Taluks. Preventive measures have been taken to check the spread of the epidemic by the Departments of Public Health and Animal Husbandry.

TUMKUR.

8. Market fairly well supplied.

9. *Seeds sown.*—Ragi, jola, groundnut, paddy, avare and thogari in almost all the parts of the District. Ploughing operations are still going on for sowing ragi.

Standing crops.—Sugarcane ragi, groundnut, bengalgram, greengram and jola are reported to be in good condition. The recent rains were very helpful.

Crops harvested.—Paddy in parts of Kunigal Taluk.

10. *Public Health.*-Public health is generally good except for the prevalence of cholera at Borasandra, Shettigehalli, Khothipura and Kadamathikere of Kasaba Hobli, Janagere and Nidasale, Amruthur and Amaragere in Kunigal Taluk. Cholera at Kunigal seems to be coming under control in Kunigal Town. Acute type of Diarrhœa with vomiting has broken out in Jodi Hanumanthapura, Gorakenahalli and Hunsavadi Villages in Madhugiri Taluk and two villages in Koratagere Taluk. There are still plague attacks in Chicknaikanhalli Town, and small-pox is also prevailing there. Preventive measures are reported to have been taken to check the spread of the epidemics.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Black-quarter in Tharur Villages, Sira Taluk. Needful steps have been taken to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in Mysore, Yelandur, Chamarajanagar and T.-Narasipur Taluks and paddy in Gundlupet, Chamarajanagar, Mysore, Yelandur and Hunsur Taluks. The transplantation of paddy is in progress in the Taluks of Mysore, Chamarajanagar, Nanjangud, Krishnarajanagar and T.-Narasipur.

9. *Standing crops.*—Such as ragi, jola, groundnut, castor and cotton are withering for want of rain in almost all the taluks of the District. But the standing jola crop in parts of Yelandur, Gundlupet, Nanjangud, and Chamarajanagar Taluks is affected by a kind of insects. Necessary preventive measures for combating the spread of the disease are being taken in consultation with the Agricultural Department. The yield of jola crop is reported to be poor in the Taluks of Mysore, Nanjangud, Gundlupet, Chamarajanagar and T.-Narasipur due to inadequacy of rainfall. Due to failure of Kar-ragi in parts of Periyapatna and Hunsur the ryots are awaiting rains for sowing Hyne ragi as soon as the rains are set in. The Director of Agriculture and the Commissioner for Food Production have been requested to make arrangements for the supply of adequate stock of Hyne ragi seeds.

10. *Crops Harvested*—It is reported that jola is being harvested in Nanjangud and T.-Narasipur Taluks and kar-paddy in T.-Narasipur and Krishnarajanagar Taluks.

(1) Prospects of the season are fair.

(2) There was scanty rainfall in the Taluks of Mysore, Hunsur, Krishnarajanagar, Heggadadevankote, T.-Narasipur and Periyapatna.

(3) Sufficient quantities of foodgrains are made available all over the District.

(4) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(5) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Mysore, Gundlupet and Heggadadevankote Taluks and Cholera in a few villages of Mysore and Chamarajanagar Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal area is reported to be in good condition. Jola is reported to have been affected for want of sufficient rains. The kar-paddy and kar-ragi cultivated in small extents are reported to be under harvest.

10. The prospects of the season are reported to be satisfactory. Rains are urgently required in all the parts of the District for sowing operations of dry crops.

11. The public health is reported to be good throughout the District except for the prevalence of small-pox at Gamanahalli and Cholera in some villages of Srirangapatna Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Cattle are reported to be healthy in all the taluks of the District and also water and fodder are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Agricultural operations are still in progress. The standing crops, *i.e.*, sugarcane is reported to be in good condition. Potato crop has been damaged.

10. Prospects of the season have improved as the recent rains throughout the District have saved the withering plants of ragi and paddy. Some more rainfall is necessary for the maidan parts of this District.

11. Cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Sowing of paddy was completed in Shimoga Taluk; jola and cotton were sown in Chennagiri Taluk; sowing of ragi which was held up in Chennagiri Taluk for want of rain has now begun as the rainfall has begun from 18th July 1951; jola was sown in Honnali Taluk; transplantation of paddy is going on in Sagar, Hosanagar and Tirthahalli Taluks. No standing crop of paddy, sugarcane, ragi, jola, groundnut and save are generally in good condition.

10. The prospect of the season was generally good. Though the rainfall has begun much more rain is required in Shimoga, Shikaripur and Bhadravathi Taluks. There was prevalence of small-pox in Chennagiri Taluk. Preventive measures were taken. Cholera is prevailing in Bhadravathi Taluk. Preventive measures were taken.

11. Cattle were healthy in all the taluks except in Honnali and Bhadravathi Taluks where "Chappe roga" was prevailing. Preventive measures were taken. Water and fodder were available to cattle.

CHIKMAGALUR.

8. Markets were fairly well supplied. Prices are high.

9. (1) *Standing crops.*—Sugarcane in Chikmagalur Taluk; sugarcane, kar paddy, mungar jola, til, coriander, cotton and groundnut in Kadur and Tarikere Taluks are the standing crops. Standing crop in some parts of Mudigere Taluk is withering for want of rains and the transplanting work is also not successful due to inadequate rains. In Narasimharajapura Sub-Taluk sugarcane and paddy are the standing crops. Crops are damaged by insects in Narasimharajapura Sub-Taluk.

(2) *Seeds sown and Transplantation made.*—In some parts of Tarikere Taluk, sowing of ragi and avare has been just commenced. Paddy is being sown in Koppa Taluk. Transplanting of paddy is being done in Mudigere Taluk. But it is not successful.

(3) *Crops harvested.*—Nil.

10. Prospects of the season are reported to be generally good. Rainfall is insufficient in Tarikere, Mudigere and Narasimharajapura Sub-Taluk.

Public health is generally good except for the prevalence of cholera in Chikmagalur Town. Necessary action has been taken by the authorities of the Health Department to prevent the spread of the disease.

11. Cattle are generally healthy. Water and fodder are available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds sown.*—Transplantation of dodda ragi is going on in Challakere Taluk; sowing of jola, ragi, navane and sajje in Hiriyur Taluk; ragi and navane in Holalkere Taluk; jola, ragi, cotton, dhal, sajje, groundnut in Davangere Taluk; dodda ragi and paddy in Molakalmuru Taluk; cotton and navane in Jagalur Taluk; ragi, navane, save and sajje in Hosadurga Taluk; groundnut, jola, ragi, avare and thogari in Harihar Taluk, is going on. In Chitaldrug Taluk sowing will have to be commenced again after some showers of rain.

Standing crops.—The standing crops such as jola, ragi, paddy, groundnut, cotton, til, navane and sajje, etc., recently sown are fairly in good condition. In Molakalmuru Taluk the crops are withering for want of rains.

Crops harvested.—Groundnut and paddy in Hiriyur Taluk are reported to be harvested.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District except prevalence of Rinderpest at Hariyanahalli, Hosadurga Taluk. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease.

Public health is generally good throughout the District except the prevalence of cholera in Chowlur, Sowranahalli, Parasurampura, etc., in Challakere Taluk. The District Health Officer is reported to have been addressed to take preventive measures to check the spread of the disease.

Water and fodder are available.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 12TH JULY 1951.

A total of 63 attacks with 31 deaths from Plague was returned from 14 villages in 6 taluks in 4 districts during the week against 37 attacks with 15 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were nil attack with nil death and 105 attacks with 36 deaths, respectively.

A total of 60 attacks with 12 deaths from Small-pox were reported from the Cities of Bangalore, Mysore, and from the Towns of Gundlupet and Magadi and from the Taluks of Hosadurga, Krishnarajanagar, Malavalli, Srinivasapur, T.-Narsipur, Tarikere and Thirthahalli.

One hundred and fifteen attacks with 73 deaths from Cholera were reported from Mysore City and from the towns of Chikmagalur, Heggaddevankote, Kunigal, Gundlupet and Pandavapura and from the taluks of Arkalgud, Bangalore South, Chamarajanagar, Hiriyur, Heggaddevankote, Kankanahalli, Kadur, Mysore, Pandavapura, Ramanagaram, Srirangapatna, T.-Narsipur, Tarikere and Yelandur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 259 (70 in hospitals) for 7 days representing a calculated death rate of 17·3 (12·6 excluding hospital deaths) per mille of population (annual basis) as against 24·1 (18·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Small-pox, 3 under Typhoid, 8 under other fevers, 44 under Dysentery and Diarrhœa and 203 under all other causes. The reported mortality was very low.

The total mortality for Mysore City was 38 (27 in hospitals) for 5 days representing a calculated death-rate of 11·3 (3·2 excluding hospital deaths) per mille of population (annual basis) as against 17·2 (9·2 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Cholera 4, Typhoid 1, Other Fevers 1, Dysentery and Diarrhœa 1 and all other causes 31. The reported mortality was very very low.

T. CHANDRASEKHARAIYA,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. (1) Standing crops such as paddy, ragi, sugarcane, til and groundnut are in good condition.

(2) Sowing of ragi, avare, thogari is in progress.

(3) Harvest of groundnut is in progress.

10. Public health is good except for prevalence of cholera in Annahalli, Ramanagar Taluk, Yediur, Bangalore South Taluk, Chennapatna Town and a few villages in Kasaba Maralavadi, and Harohalli Hoblies of Kankanhalli Taluk and prevalance of plague in Honnenahalli, Nelamangala Taluk. Action is taken to prevent the spread of the above two disease.

11. Coolies find sufficient labour. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Ragi, avare, thogari, horsegram, groundnut and saame are reported to have been sown in all Taluks.

(2) *Standing crops.*—Ragi, avare, thogari, horsegram, same and groundnut are reported to be fair.

(3) *Crops harvested.*—Irrigated ragi is being harvested in some places of Mulbagal and Gudibanda Taluks.

10. There was rainfall during this week in all the taluks except Malur.

Fodder and water are available.

11. People and cattle are reported to be generally healthy but for prevalence of Anthrax for cattle in some parts of Sidlaghatta Taluk and rat-fall in Kothamangala village in Mulbagal Taluk. Preventive measures have been taken to check the spread of the epidemics by the Public Health and Animal Husbandry Departments.

TUMKUR.

8. Market fairly well supplied.

9. *Seeds sown.*—Ragi, paddy, avare, haraka and thogari in all the parts of the District. Ploughing operations are still going on for sowing ragi.

Standing crops.—Sugarcane, ragi, groundnut, bengalgram, greengram and jola are reported to be in good condition. Rain is needed for the standing crops.

Crops harvested.—Vaishakhi paddy in parts of Kunigal, and Gubbi Taluks.

10. *Public Health.*—Public health is generally good except for the prevalence of plague in Chicknaikanahalli Town, Kallubavipalli, Majara of Settikere village in Chicknaikanahalli Taluk, rat-falls in Gurugadahalli, Bajagoor, Hullenahalli—Mapenahalli, and Hosur in Sugur Circle, Tiptur Taluk. Outbreak of plague is also reported at Banasandra village in Turuvekere Taluk. Outbreak of cholera of Thigalanahalli and Hanumanthapura villages in Madhugiri Taluk, and continuance of cholera at Amruthur and Nidasale in Kunigal Taluk. Anti-cholera measures were taken up in Rampur and Holavanahalli villages in Koratagere Taluk also. Needful steps are reported to have been taken to check the spread of the epidemics.

11. *Cattle.*—Cattle are reported to be generally healthy. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in Mysore, T.-Narasipur, Chamarajanagar and Nanjangud Taluks and paddy in Mysore and T.-Narasipur Taluks. The transplantation of paddy is going on in all the Taluks of the District except in the Taluks of Periyapatna and Heggaddevankote Taluks.

9. *Standing crops.*—Such as ragi, jola, groundnut, sugarcane, cotton, and chillies are reported to be fairly in good condition. But the standing jola crop in parts of Gundlupet, Chamarajanagar, Nanjangud and Yelandur Taluks is affected by a kind of insects. Necessary preventive and remedial measures are being taken to check the spread of the disease in consultation with the Agricultural Department. Standing crops are badly in need of rains.

10. *Crops Harvested*—It is reported that jola is being harvested in the taluks of Mysore, Nanjangud, Chamarajanagar and T.-Narasipur and the yield is reported to be very poor due to inadequacy of rainfall and also due to pest attack.

(1) Prospects of the season are fair.

(2) There was fairly good rainfall just sufficient for the standing crop in all the Taluks of this District except in the Taluks of Chamarajanagar and Krishnarajanagar Taluks.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Gundlupet Taluks and in one village of Hunsur Taluk and Cholera in a few villages of Mysore, Chamarajanagar, T.-Narasipur, Yelandur, Gundlupet and Krishnarajanagar Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. Transplantation of paddy under Nala atchkat is in progress. The standing crop of sugarcane in Visvesvaraya Canal area is reported to be in good condition. Jola is reported to be under harvest in Nagamangala. Sowing operations in respect of dry crops has commenced.

10. The prospects of the season are reported to be satisfactory.

11. The public health is reported to be good throughout the District except for the prevalence of Small-pox and Cholera in Chikkarasinakere village of Maddur Taluk and stay cases of Cholera in Vadiyandahalli of Srirangapatna Taluk and Haralahalli—Muttanahalli of Maddur Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Cattle are reported to be healthy and water and fodder are reported to be available in sufficient quantities in all the taluks.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress. Standing crop, such as sugarcane is reported to be in good condition.

10. Prospects of the season are reported to be fair as there had been good rains throughout the District.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Sowing of paddy was completed in Shimoga and Shikaripur Taluks. Sowing of ragi was commenced in Chennagiri and Shikaripur Taluks. Agricultural operations were going on. There was sufficient rainfall. The standing crop of paddy, sugarcane, jola, ragi and groundnut were in good condition as they received adequate rainfall. Transplantation of paddy was going on in Sagar, Hosanagar, Tirthahalli and Bhadravati Taluks.

10. Prospect of the season was generally good.

11. Cattle were healthy in all the taluks except in Shikaripur Taluk where they suffered from "Galale roga". Preventive measures were taken. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. Prices are high.

9. (1) *Standing crops.*—Sugarcane and paddy in Chikmagalur Taluk, sugarcane, car paddy, mungar jola, til, coriander, cotton and groundnut in Kadur and Tarikere Taluks are the standing crops. It is reported that crops are being damaged by pests.

(2) *Seeds sown and Transplantation made.*—Transplanting of paddy and sowing of ragi in Tarikere Taluk is under progress. Paddy is being sown in Koppa Taluk, and Transplanting of paddy in Mudigere Taluk is also being done and the previous transplantations which were withering for want of rains, have also been improved due to the good rainfall during the week under report.

(3) *Crops harvested.*—Nil.

10. Prospects of the season are reported to be generally good. Public Health is generally good.

11. Cattle are generally healthy. Water and fodder are available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds sown.*—Sowing of jola, ragi, navane, sajje, cotton, groundnut and paddy etc., are reported to be in progress.

Transplanting of dodda ragi is going on in some parts of Challakere Taluk.

Standing crops.—The standing crops such as jola, ragi, paddy, groundnut, cotton, til, navane and sajje, etc., recently sown are fairly in good condition. In Molakalmuru Taluk crops are withering for want of rains.

Crops harvested.—Paddy and sugarcane in small scale are reported to be harvested in Hiriyur Taluk.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District.

Public health is generally good throughout the District except the prevalence of Cholera in Chowlur, Suranahalli, Parasurampura, etc., in Challakere Taluk. The District Health Officer is reported to have been addressed to take preventive measures to check the spread of the disease. Water and fodder are available.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 31st July 1951.

K. SRINIVASAN,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY JULY 19, 1951.

A total of 31 attacks with 12 deaths from Plague was returned from 8 villages in 4 taluks in 2 districts during the week against 63 attacks with 31 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Fields reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 10 attacks, with 4 deaths and 39 attacks with 25 deaths, respectively.

A total of 16 attacks with 5 deaths from Small-pox were reported from the towns of Magadi and Gundlupet and from the taluks of Honnali, Nelamangala, Tarikere and T.-Narsipur.

Two hundred and sixteen attacks with 113 deaths from Cholera were reported from Bangalore Corporation and Mysore City and from the towns of Chikmagalur, Heggaddevankote, Kunigal, Ramanagaram and Tumkur and from the taluks of Bhadravathi, Bangalore South, Challakere, Chamarajanagar, Dodballapur, Gundlupet, Heggaddevankote, Kadur, Kankanhalli, Koratagere, Krishnarajanagar, Mysore, Nelamangala, Pandavapura, Ramanagaram, Srirangapatna, T.-Narsipur and Tarikere.

The total mortality for Bangalore Corporation amounted to 216 (32 in hospitals) for 7 days representing a calculated death-rate of 14·4 (12·3 excluding hospital deaths) per mille of population (annual basis) as against 25·2 (19·7 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Cholera, 1 under Typhoid, 8 under Other Fevers, 25 under Dysentery and Diarrhœa and 180 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 76 (10 in hospitals) for 5 days representing a calculated death-rate of 22·7 (19·7 excluding hospital deaths) per mille of population (annual basis) as against 12·5 (10·3 excluding hospital deaths) per mile of population for the corresponding week of last year. Classified according to causes the deaths were: Cholera 2, Malaria 4, Other Fevers 8, Dysentery and Diarrhœa, 12 and All Other Causes 50. The reported mortality was low.

2998 T. CHANDRASEKHARAIYA, *Director.*

384

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Standing crops, *viz.*, (1) Paddy, (2) Ragi, (3) Sugarcane, (4) Groundnut and (5) Til are fairly in good condition.

10. Public health is good except for the outbreak of Cholera at Mailnayakanahalli, Channapatna Taluk, Thungani, Kankanhally Taluk, Rangegowdana Doddy Dakle of Bilkanganahally, Ramanagaram Taluk, Kamaghatta and Valegerehally, Ramasandra, Kotnur in Bangalore South Taluk, Guddadahally, Bangalore North Taluk. Action is taken to prevent the spread of disease. Cattle are reported to be generally healthy. Rains are needed badly.

11. Water and fodder are available.

Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Ragi, avare, thogari, horsegram, groundnut are reported to have been sown.

(2) *Standing crops.*—Ragi, avare, thogari, horsegram and groundnut are reported to be fair but they require rain.

(3) *Crops harvested.*—Nil.

10. There was no rainfall during the week in the taluks except Bangarpet.

Weather is cloudy. Rains are expected to come. Standing crops stand in need of rains.

Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of Anthrax for cattle in some parts of Sidlaghatta Taluk. Preventive measures have been taken to check the spread of the epidemics by Animal Husbandry Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Ragi, paddy, avare, thogari and haraka in Tiptur, Tumkur and Gubbi Taluks. Sowing has been held up for want of rains in some parts of the District.

Standing crops.—Greengram, blackgram, jola, ragi, paddy and sugarcane, are reported to be in good condition.

Crops harvested.—Paddy in parts of Kunigal and Gubbi Taluks.

10. *Public Health.*—Public health is generally good except for the prevalence of Cholera in Thigalarahalli, Kodigenahalli and Hanumanthapura in Madhugiri Taluk, Amruthur, Nidasale and Huliyurduga and Gowdagere villages in Kunigal Taluk and Plague in Chicknaikanahalli Town, Settikere Majara Palya village in Chicknaikanahalli Taluk. Preventive measures have been taken to check the spread of the epidemics.

11. *Cattle.*—Cattle are reported to be generally healthy throughout the District. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in the taluks of Mysore, T.-Narasipur, Chamarajanagar, Hunsur and Nanjangud Taluks; and paddy in Yelandur Taluk. Transplantation of paddy is in progress throughout the District except in Periyapatna Taluk.

9. *Standing crops.*—Such as pady, ragi, togari, castor, cotton, sugarcane and mulberry are reported to be fairly in good condition. But the standing jola crop in parts of Mysore, Nanjangud, Chamarajanagar and Yelandur Taluks, is affected by a kind of insects. Necessary preventive measures are being taken to check its spread in consultation with the Agricultural Department.

10. *Crops Harvested.*—It is reported that jola is being harvested in the taluks of Nanjangud, Yelandur, Chamarajanagar, Mysore and T.-Narasipur; and kar paddy in T.-Narsipur Taluk. The yield of jola is reported to be very poor in the Taluks of Mysore, Chamarajanagar, Nanjangud, T.-Narasipur and Yelandur due to inadequacy of rainfall and due to attack of pest. Hence ragi seeds are urgently required in the Taluks of Hunsur and Periyapatna for which a reference has been made to the Department of Agriculture.

(1) Prospects of the season are fair.

(2) There was scanty rainfall in the Taluks of Chamarajanagar, Heggaddevankote, Gundlupet, Nanjangud, T.-Narasipur and Periyapatna. The standing crops in the Taluks of Mysore, Hunsur, Krishnarajanagar and Chamarajanagar are in need of urgent rains.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available to people all over the District.

(5) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Gundlupet Taluks; and Cholera in a few villages of Mysore, Chamarajanagar, Krishnarajanagar, T.-Narasipur and Yelandur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. Transplantation of paddy under Nala and tank atchkats is in progress. The standing crop of sugarcane in Visvesvaraya Canal area is reported to be in good condition and jola in Nagamangala Taluk is reported to be under harvest.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be good throughout the District, except for the prevalence of Cholera in Malavalli Town and in some villages of Maddur, Srirangapatna and Krishnarajapet Taluks. Preventive measures are reported to have been taken to check the spread of the epidemic. Cattle are reported to be generally healthy.

Fodder and water are reported to be available in all the taluks of the District.

HASSAN.

8. Well supplied.

9. Agricultural operations are in progress. Transplantation of paddy and sowing of dodda ragi are in progress. Condition of sugarcane the only standing crop is reported to be good.

10. Prospects of the season are reported to be satisfactory. Rains are required at present throughout the District.

11. The cattle were healthy and fodder available.

SHIMGOA.

8. Well supplied.

9. Transplantation of paddy was going on in Sagar, Hosanagar and Thirthahalli Taluks. Sowing of paddy was completed in Shimoga and Shikaripur Taluks. Horsegram and jola sown in Chennagiri and Shikaripur Taluks; weeding operations were going on in Shikaripur Taluk. Land was prepared in Shikaripur Taluk for sowing of horsegram. The standing crop of paddy, sugarcane, ragi, jola and cotton were generally in good condition. The paddy crop in Shimoga Taluk and the standing crop in Bhadravati Taluk are in need of rainfall.

There was prevalence of paddy pest in Sorab Taluk, but it was too mild to warrent any immediate treatment.

10. Prospect of the season was generally good. Rainfall is reported to have been insufficient for the paddy

crop in Shimoga Taluk and for the standing crop in Bhadravathi Taluk.

11. Cattle were healthy. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. Prices are very high.

9. (1) *Standing crops.*—Sugarcane and paddy in Chikmagalur and Narasimharajpura Taluk; groundnut, coriander, til, jola, sugarcane, ragi and cotton in Tarikere and Kadur Taluks are the standing crops. Rains are required for the standing crops in Tarikere Taluk and Kadur Taluk.

(2) *Seeds sown and Transplantation made.*—Transplanting of paddy in Chikmagalur and Koppa Taluks is being done. Paddy and ragi are being sown in Tarikere Taluk. Transplantation of paddy in Mudigere Taluk is completed during the week.

(3) *Crops harvested.*—Nil.

10. Prospects of the season are reported to be generally good. Public Health is generally good.

11. Cattle are generally healthy, but for the prevalence of rinderpest in Bettadamallenahalli village, Chickmagalur Taluk.

Water and fodder are available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds sown.*—Transplantation of Dodda Ragi is going on in some parts of Chellakere Taluk. Sowing of jola, ragi, sajje, cotton, and oil seeds are reported to be in progress.

Standing crops.—The standing crops such as jola, ragi, save, navane, cotton, til, etc., recently sown are fairly in good condition. In Molakalmuru Taluk, it is reported that crops are withering for want of rains and groundnut crop is affected by worms on the surface of the soil. Rain is urgently required for all crops.

Harvesting.—Sugarcane in small scale is being harvested in Hiriyur Taluk.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District.

Public health is generally good throughout the District except the prevalence of Cholera in Hampanur and Doddasiddavvanahalli villages of Chitaldrug Taluk, Bhoganahalli and Budihalli village hamlet of Mylanahalli in Challakere Taluk and Sondekere village in Hiriyur Taluk. The District Health Officer is reported to have been addressed to take preventive measures to check the spread of the disease.

Water and fodder are available.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 26TH JULY 1951.

A total of 33 attacks with 9 deaths from Plague was returned from 8 villages in 4 taluks in 4 districts during the week against 31 attacks with 12 deaths in the previous week. The cities of Bangalore, Mysore and Kolar Gold Fields reported free from Plague. Comparative figures for the corresponding week period in 1950 and 1949 were 10 attacks with 1 death and 56 attacks with 31 deaths, respectively.

A total of 24 attacks with 8 deaths from Small-pox were reported from Bangalore Corporation, Mysore City and Kolar Gold Fields and from the towns of Chiknaikanahalli and Gundlupet and from the taluks of Chintamani, Mandya and Srirangapatna.

Two hundred and seven attacks with 96 deaths from Cholera were reported from Bangalore Corporation, Mysore City and from the towns of Bhadravati, Channapatna, Chikmagalur, Kunigal and Ramanagaram and from the Taluks of Bangalore North, Bangalore South, Challakere, Chikmagalur, Chamarajanagar, Kankanhalli, Kunigal, Koratagere, Magadi, Madhugiri, Molakalmuru, Malur, Ramanagaram, Srirangapatna, T.-Narsipur and Yelandur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 210 (46 in hospitals) for 6 days representing a calculated death-rate of 16·2 (12·6 excluding hospital deaths) per mille of population (annual basis) as against 25·6 (19·4) for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Small-pox, 2 under Cholera, 1 under Typhoid, 4 under other Fevers, 43 under Dysentery and Diarrhœa and 159 under all other causes. The reported mortality was very low.

The total mortality for Mysore City was 56 (18 in hospitals) for 4 days representing a calculated death-rate of 20·8 (14·1 excluding hospital deaths) per mille of population (annual basis) as against 24·7 (12·2 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were Cholera 5, Other Fevers 8, Dysentery and Diarrhœa 5 and all other causes 38. The reported mortality was very low.

There were 14 deaths (7 in hopitals) for 5 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 6·4 (3·2 excluding hospital deaths) per mille of population (annual basis). Classified according to causes the deaths numbered 1 under Small-pox, 1 under Other Fevers and 12 under all other causes. The reported mortality was very very low.

390

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Ragi is still being sown in Dodballapur Taluk.

Standing crops such as paddy, groundnut, ragi, Sugarcane and avare are in good condition. More rains are required for standing crops.

10. Public health is generally good except for the outbreak of plague at Dobspet, Nelamangala Taluk and Cholera in a few villages of Kankanhalli Taluk.

11. Coolies find sufficient labour. Water and fodder are available. Cattle are healthy.

KOLAR.

8. Moderately supplied.

9. Ploughing and sowing operations are completed in all Taluks.

(1) *Seeds sown.*—Ragi, avare, thogari, horsegram, and groundnut are reported to have been sown.

(2) *Standing crops.*—Ragi, avare, thogari, horsegram and groundnut are reported to be fair but they require rains now.

(3) *Crops harvested.*—Nil.

10. There was rainfall during the week in some Taluks. Fodder and water are available for cattle. Standing crops are in urgent need of rains.

11. People and cattle are reported to be generally healthy but for prevalence of cholera in some parts of Kolar, Malur, Goribidnur Taluks and plague in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of the epidemics by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Paddy, ragi, kulthi, groundnut in parts of Tumkur and Tiptur Taluks, costor and thogari in parts of Tiptur Taluk. Sowing has been held up for want of rains.

Standing crops.—Greengram, blackgram, jola, paddy and sugarcane and thogari are reported to be in good condition.

10. *Crops harvested.*—Groundnut in parts of Tumkur Taluk, paddy in parts of Kunigal and Gubbi Taluks.

11. *Public Health.*-Public health is generally good except for the prevalence of Cholera in Gowdagere village, Yediyur Hobli, Kunigal Taluk; small-pox in Belagumba Village, Tumkur Taluk; Plague in Chicknaikanahalli Town, Settikere majra palya in Chiknaikanahalli Taluk. Needful preventive measures are reported to have been taken to check the spread of epidemics.

(2) *Cattle.*—Cattle are reported to be generally healthy throughout the District except for the prevalence of blackquarter in Areyur village in Tumkur Taluk, Huligere hamlet of Madaloor Village, Sira Taluk, and some of the villages in Pavagada Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8 It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—It is reported that ragi was sown in the taluks of Mysore, Nanjangud and Chamarajanagar Tauks; and groundnut in Gundlupet Taluk; and paddy in Yelandur, Krishnarajanagar and T.-Narasipur Taluks. the transplantation of paddy is in progress in all the Taluks of the District except in Periyapatna Taluk.

9. *Standing crops.*—The standing ragi crop is withering for want of rains. Standing crops such as paddy, ragi, avare, castor, cotton, groundnut and sugarcane are reported to be fair, but the standing ragi crop in parts of Periyapatna Taluk is reported to have been affected by a kind of disease known as "ಮಟ್ಟೆರೋಗ". The Department of Agriculture has been requested to take necessary preventive and remedial measures to check its spread.

10. *Crops Harvested.*—It is reported that jola is being harvested in the taluks of Mysore, Nanjangud, T.-Narasipur, Gundlupet and Chamarajanagar. The yield is reported to be very poor due to inadequacy of rainfall and bug pest attack.

(1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week except in Heggaddevankote Taluk where too it was scanty and insufficient. The standing crops such as ragi, avare, castor, paddy and cotton in almost all the taluks of the District are withering for want of rains and are in need of urgent rains.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Gundlupet Taluks; and Cholera in a few villages of Mysore, Chamarajanagar, Krishnarajanagar and T.-Narasipur Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District for cattle.

MANDYA.

8. Well supplied.

9. Transplantation of paddy under Nala and tank atchkats is reported to be in progress. The standing crop of sugarcane in Visvesvaraya Canal area is reported to be in good condition and the sugarcane crop of the previous year is under harvest in Mandya, Maddur and Pandavapura Taluks. Jola in Nagamangala Taluk is reported to be under harvest.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be good throughout the District, except for the prevalence of Cholera in some villages of Mandya and Srirangapatna Taluks. Preventive measures are reported to have been taken to check the spread of the epidemic. Cattle are reported to be healthy. Fodder and water are reported to be available in all the taluks in the District.

HASSAN.

8. Well supplied.

9. Agricultural operations are still in progress in certain parts of the District. The condition of the standing crop is reported to be good.

10. Prospects of the season are reported to be fair in Malnad parts. Rains are needed in Arsikere and Channarayapatna Taluks as the crops such as cotton, jola, groundnut and ragi are reported to be withering.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Sowing of paddy is completed in Shimoga, Shikaripur and Bhadravati Taluks. Sowing of ragi also is over in Shikaripur and Chennagiri Taluks. Horsegram was sown in Shikaripur Taluk, and Horsegram and navane were sown in Honnali Taluk during the week.

Weeding operation is in progress in Sorab Taluk and it is over in Shikaripur Taluk. Transplantation of paddy is going on in Sagar, Hosanagar, Tirthahalli and Bhadravati Taluks. The standing crop is reported to be generally in good condition.

10. Prospects of the season was generally in good condition. Rainfall is reported to be needed to the paddy crop in Shimoga Taluk and to the crops in rain-fed area in Bhadravati Taluk.

It is reported that the tanks of Bhadravati Taluk not received sufficent water.

There was prevalence of Cholera in Honnali and Bhadravati Taluks. Preventive measures are reported to have been taken.

11. Cattle are healthy in all taluks except in Channagiri Taluk where there was prevalence of black-quarter among the cattle of a village. Preventive measures are reported to have been taken. Fodder and water were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. But the prices were very high.

9. (1) *Standing crops.*—Sugarcane and paddy in Chikmagalur and Narasimharajpura Taluks; coriander, groundnut, til, jola, sugarcane, ragi, cotton and paddy in Kadur Taluk; paddy, ragi, jola, groundnut, sugarcane, coriander, greengram, blackgram, til, avare, and wheat in some parts of Tarikere taluk were the standing crops. Spraying work was being done to the arecanut plantations in Sringeri Taluk.

(2) *Seeds sown and Transplantation made.*—Transplanting of paddy in Chikmagalur and Tarikere Taluks was being done.

(3) *Crops harvested.*—Nil.

10. Prospects of the season was reported to be good. Rainfall was generally sufficient in the District during the week except Kadur taluk. But the tanks in Tarikere taluk are yet to be filled up. Public Health was generally good.

11. Cattle were generally healthy, Water and fodder were available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds sown.*—Sowing of navane and cotton in Holalkere Taluk; ragi, jola, cotton, sajje, dhal and groundnut in Davangere Taluk, paddy in Molakalmuru Taluk; ragi, save, sajje and navane in Hosdurga Taluk are reported to be in progress.

Standing crops.—The standing crops such as jola, ragi, save, and navane sajje, oil seeds and cotton, etc., recently sown are fairly in good condition. All these crops required urgent rains.

Harvesting.—Sugarcane in small scale is being harvested in Hiriyur Taluk.

10. Cooly classes are finding sufficient labour.

11. Cattle are reported to be generally healthy throughout the District.

Public health is generally good throughout the District except the prevalence of Cholera in Guttur village in Hiriyur Taluk, Kunabevu and Doddasiddavvanahalli in Chitaldrug Taluk. The District Health Officer is reported to have taken preventive measures to check the spread of the disease.

Water and fodder are available.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY AUGUST 2, 1951.

A total of 54 attacks with 15 deaths from Plague was returned from 15 villages in 7 taluks in 4 districts during the week against 33 attacks with 9 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 15 attacks with 6 deaths and 57 attacks with 21 deaths, respectively.

A total of 35 attacks with 12 deaths from Small-pox were reported from Bangalore Corporation and Gundlupet Town and from the taluks of Krishnarajapet, Krishnarajanagar, Maddur, Shimoga, Sorab, Srirangapatna and Srinivasapur.

Two hundred and fifty-five attacks with 173 deaths from Cholera were reported from Mysore City and from the towns of Bhadravathi, Bannur, Challakere, Channapatna, Malvalli, Ramanagaram and Shimoga and from the taluks of Bangalore North, Bangalore South, Bhadravathi, Challakere, Chitaldrug, Chamarajanagar, Harihar, Heggaddevankote, Hunsur, Krishnarajapet, Kunigal, Koratagere, Krishnarajanagar, Kankanhalli, Malavalli, Maddur, Mysore, Magadi, Nagamangala, Srirangapatna, T.-Narsipur and Yelandur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 303 (87 in hospitals) for 7 days representing a calculated death-rate of 20·2 (14·4 excluding hospital deaths) per mille of population (annual basis) as against 29·0 (20·9 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Cholera, 2 under Malaria, 8 under Other Fevers, 44 under Dysentery and Diarrhœa and 247 under All Other Causes. The reported mortality was low.

The total mortality for Mysore City was 76 (28 in hospitals) for 7 days representing a calculated death-rate of 16·1 (10·2 excluding hospital deaths) per mille of population (annual basis) as against 19·8 (14·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were : Cholera 2, Malaria 2, Typhoid 1, Other Fevers 8, Dysentery and Diarrhœa, 7 and All Other Causes 56. The reported mortality was very low.

There were 49 deaths (6 in hospitals) for 7 days from all causes in Kolar Gold Field equivalent to a calculated death-rate of 16·0 (14·0 excluding hospital deaths) per mille of population (annual basis). Classified according to causes the deaths numbered 1 under Typhoid, 5 under Other Fevers, 3 under Dysentery and Diarrhœa and 40 under All Other Causes. The reported mortality was very low.

395

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. Paddy is being transplanted. Seasonal conditions are very disappointing as there are no rains. More rains are required urgently for the standing crops namely ragi, avare, groundnut, etc. Paddy and sugarcane are in good condition.

10. Public health is generally good except for the outbreak of plague at Ramanagaram Town. Necessary action is taken to prevent the spread of disease. Cattle are reported to be healthy except for the prevalence of Black-quarter among cattle at Ankanahalli, Kutigal Hobli, Ramanagaram Taluk and here and there in Magadi Taluk. Chapperoga is reported to be prevailing at Kolathur, Kasaba Hobli, Hoskote Taluk. Action is taken to prevent the spread of above diseases.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. *Seeds sown.*—Ploughing and sowing have been completed.

(2) *Standing crops.*—Ragi, avare, thogari, horsegram and groundnut are reported to be withering for want of rains.

(3) *Crops harvested.*—Nil.

10. The rainfall was scanty and ill-distributed during the week. Fodder and water are available for cattle. Standing crops are in urgent need of rains.

11. People and cattle are reported to be generally healthy but for prevalence of small-pox in some parts of Malur and Cholera in Somambudi Agrahara village of Kolar Taluk. Preventive measures have been taken to check the spread of the epidemics by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Ragi, paddy, avare castor, thogari in parts of Tiptur; paddy, same and kulthi in parts of Tumkur Taluk are reported to have been sown during the week.

Standing crops.—Greengram, blackgram, jola, ragi, paddy, sugarcane and thogari are reported to be in fair condition, and they are in urgent need of rains. In Sira and Chiknaikanahalli the standing crops are reported to be withering for want of rains.

10. *Crops harvested.*—Paddy in parts of Kunigal and Gubbi Taluks.

Prospects of the Season—Fair.

11. *Public Health.*—Public health is reported to be generally good except for the prevalence of Plague in Chiknaikanahalli Town and Jayachamarajapura in Chiknaikanahalli Taluk, and Cholera in Siddapur village, Pavagada Taluk. Preventive measures have been taken to check the spread of the epidemics.

(2) *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Black-quarter at Kuppur village in Chiknaikanahalli Taluk. Needful action has been taken to check the spread of the disease. Water and fodder are available. Labour available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of this District during the week.

Seeds sown.—It is reported that paddy was sowning Yelandur, T.-Narsipur, Krishnarajanagar, Heggaddevankote and Nanjangud Taluks.

9. *Standing crops.*—Such as paddy, ragi, castor, togari, cotton, and sugarcane in almost all the taluks of this District are withering and are in need of urgent rains. But the standing ragi crop in some parts of Periyapatna Taluk is reported to have been affected by a kind of disease known as "ಮೊಳೆರೋಗ". The Agricultural Department has been requested to take preventive measures to check its spread.

10. *Crops Harvested.*—It is reported that jola is being harvested in the taluks of Mysore, Chamarajanagar, Gundlupet, Nanjangud and Yelandur taluks and kar-paddy in T.-Narsipur taluk. The yield of jola is reported to be very poor due to inadequacy of rainfall and due to attack of pest on crop.

(1) Prospects of the season are fair.

(2) There was no rainfall in any part of the District during the week except in Krishnarajanagar and Hunsur taluks where too it was insufficient. The standing crops like paddy, ragi, avare and cotton in almost all the taluks of this District are urgently in need of rain.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is generally good except for the prevalence of Plague in a few villages of Heggaddevankote, Gundlupet and Periyapatna Taluks; and Cholera in a few villages of Mysore, T.-Narsipur, Chamarajanagar, and Krishnarajanagar taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally health. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. Transplantation of paddy under Nala and tank atchkat is reported to be in progress. It is reported that the standing crop of sugarcane in Visvesvaraya Canal area is in good condition and the previous year's sugarcane crop is under harvest in Mandya, Maddur and Pandavapura Taluks. The kar-paddy in Malvalli taluk is reported to be under harvest. The standing crop of ragi and other dry crops are reported to be withering for want of rains.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be good throughout the District, except for the prevalence of Cholera in certain villages of Mandya and Maddur taluks and in Malvalli Town and small-pox in Gamanahalli village of Srirangapatna Taluk. Preventive measures are reported to be taken to check the spread of the epidemic. Cattle are reported to be healthy. Fodder and water are reported to be available in sufficient quantities in all the taluks.

HASSAN.

8. Well supplied.

9. Agricultural operations are still in progress. Transplantation of paddy and dodda ragi is in progress. In Channarayapatna, Arsikere, Belur and Arkalgud the paddy and ragi crops are reported to be not good due to failure of rains.

10. Prospects of the season are fairly satisfactory. Rainfall is needed throughout the District for paddy and ragi crops.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Sowing of paddy in Shimoga and Bhadravati Taluks and sowing of ragi in Chennagiri and Shikarpur Taluks were completed. Horsegram was sown in Shikarpur Taluk. Horsegram and navane were sown in Honnali Taluk—Transplantation of paddy crop was going on in Sagar, Hosanagar and Thirthahalli Taluks.

The standing crop was generally good, but there was need for rainfall for the standing crops in Shimoga, Honnali, Shikarpur and Bhadravati Taluks.

The paddy crop in Thirthaballi Taluk was affected by a kind of pest. The groundnut crop in Honnali Taluk suffered from 'Seederoga'. Preventive measures were taken.

10. Prospect of the season was generally good in all the taluks except in Honnali and Bhadravati Taluks where the standing crop is in need of rains. Rainfall is needed for the paddy crop in Shimoga Taluk also. Rainfall was insufficient in a few villages of Shikarpur Taluk.

There was prevalence of Cholera in Honnali and Bhadravati Taluks and there was ratfall in a village in Channagiri Taluk. Preventive measures were taken.

11. Cattle were healthy in all the taluks except in Sagar Taluk where there was prevalence of rinderpest among the cattle of Hirenellur Village of the taluk. The Assistant Director of Animal Husbandry Service, Shimoga was requested to take preventive measures. Water and Fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. But the prices were very high.

9. (1) *Standing crops.*—Sugarcane and coffee in Chikmagalur Taluk, ragi, jola, paddy, coriander, cotton, til, and groundnut in Kadur and Tarikere Taluks, sugarcane, and paddy in Narasimharajpura Sub-Taluk, were the Standing Crops. Rains are urgently needed for the standing crops. Paddy crops was effected with Pest in Nelagadde and other villages in Narasimharajapura Sub-Taluk.

(2) *Seeds sown and Transplantation made.*—Transplanting of paddy in Chikmagalur Taluk was being done. Planting of ragi was held up in some parts of Tarikere Taluk for want of rains.

(3) *Crops harvested.*—Nil.

10. Prospects of the season are reported to be generally good. Rains are wanted for the standing crops throughout the District, particularly in Kadur, Tarikere Taluks for the crops. It was reported that there were 5 deaths on account of Cholera in Y. Mallapura Village, Yegati Hobli of Kadur Taluk and the Health Department is being requested to take necessary preventive measures.

11. Cattle were generally healthy except for Rinderpest among Cattle in Bettagere Village, Mudigere Taluk. Water and fodder were available.

CHITALDRUG.

8. Markets are well supplied except controlled commodities.

9. *Seeds sown.*—Nil.

Standing crops.—The standing crops such as jola, ragi, navane, haraka, save, sajje, oil seeds and cotton, etc., recently sown are withering for want of rains. It is reported that all these crops are in need of urgent rains.

Harvesting.—Sugarcane is being harvested in Hiriyur Taluk.

10. Cooly classes are finding sufficient labour.

Cattle are reported to be generally healthy throughout the District except prevalence of Rinderpest in Gode Village of Jagalur Taluk and in Doggalli, Amaravathi, Haralahalli, Malebennur of Harihar Taluk. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease.

Public health is generally good throughout the District. Water and fodder are available.

3363

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 9TH AUGUST 1951.

A total of 31 attacks with 16 deaths from Plague was returned from 9 villages in 6 taluks in 4 districts during the week, against 54 attacks with 15 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Fields reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 4 attacks with 3 deaths and 55 attacks with 30 deaths, respectively.

A total of 11 attacks with 4 deaths from Small-pox were reported from Bangalore Corporation and from the towns of Gundlupet and Tarikere and from the taluks of Chintamani, Chamarajanagar, Gudibanda and Honnali.

Two hundred and eighty-five attacks with 139 deaths from Cholera were reported from Bangalore Corporation, Mysore City and from the towns of Honnali and Shimoga and from the Taluks of Bhadravathi, Bagepalli, Chamarajanagar, Challakere, Chitaldrug, Davangere, Goribidnur, Hiriyur, Heggaddevankote, Harihar, Kankanhalli, Krishnarajapet, Kunigal, Kadur, Krishnarajanagar, Mandya, Maddur, Malavalli, Mysore, Magadi, Ramanagaram, Shimoga, T.-Narsipur and Yelandur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 238 (122 in hospitals) for 7 days representing a calculated death-rate of 15·9 (7·7 excluding hospital deaths) per mille of population (annual basis) as against 29·0 (20·9 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Small-pox, 4 under Cholera, 1 under Malaria, 5 under Other Fevers, 38 under Dysentery and Diarrhœa and 189 under All Other Causes. The reported mortality was very very low.

The total mortality for Mysore City was 49 (19 in hospitals) for 5 days representing a calculated death-rate of 14·6 (8·9 excluding hospital deaths) per mille of population (annual basis) as against 19·8 (14·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 3 under Cholera, 1 under Malaria, 2 under Typhoid, 7 under Other Fevers, 3 under Dysentery and Diarrhœa and 33 under All Other Causes. The reported mortality was very low.

There were 32 deaths (2 in hopitals) for 6 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 12·0 (11·3 excluding hospital deaths) per mille of population (annual basis). Classified according to causes the deaths numbered 3 under Other Fevers, 11 under Dysentery and Diarrhœa and 18 under All Other Causes. The reported mortality was very low.

3388 T. CHANDRSEKHARIYA, *Director.*

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

(HEALTH OF LIVE-STOCK DURING JULY 1951.)

Notification dated 17th August 1951.

In their order of severity, outbreaks of Rinderpest, Blackquarter, Hæmorrhagic-septicæmia, Foot and Mouth, Anthrax, Contagious-goat pleuro-pneumonia, Sheep-pox, Ranikhet, Rabies and Gastro-entritis were encountered in the State during July 1951. Altogether 339 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 354 villages during the previous month. The number of outbreaks was highest in Kolar, Mysore and Tumkur Districts, while Mandya, Shimoga and Chikmagalur Districts were least affected. These diseases accounted for 1,356 animals of which 877 succumbed. The departmental staff conducted 49,003 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention other prophylactic measures were adopted against Foot and Mouth disease.

Three outbreaks of Rinderpest among cattle were registered in Kadur, Davangere and Hosadurga Taluks accounting for 15 attacks, of which 7 succumbed. Prompt measures of control were undertaken by the Department to check its spread and 900 cattle in the infected villages and 6,392 cattle in 21 neighbouring villages were protected against this disease. The disease appeared to be well under control at the end of the month under report.

Diseases caused by internal parasites were reported from 93 villages resulting in 11 deaths as against 104 villages accounting for 14 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 5,573 animals as against 5,913 animals during the previous month.

The rest of the live-stock remained free from diseases during the month, and fodder and water were generally available throughout the State.

3437 P. M. NARAYANASWAMI NAIDU, *Director.*

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. Standing crops such as sugarcane and paddy are fairly in good condition. Groundnut is being harvested in Magadi Taluk. For ragi, thogari, avare, til and groundnut urgent rains are required in almost all taluks.

10. Public health is generally good except for the prevalence of cholera in Alur, Voddarapalya in Nelamangala Taluk and Anedoddi hamlet of Holliganahalli, Harohalli hobli, Kankanhalli Taluk. Plague is reported to be prevailing at Kempegowdanadoddy, Kasaba Hobli, Ramanagaram. Action is taken to prevent the spread of the above two diseases. Cattle are healthy.

11. Coolies find sufficient labour. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. *Seeds sown.*—Paddy is reported to have been sown in some parts of Chintamani and Srinivasapur Taluks.

(2) *Standing crops.*—Ragi, avare, thogari and horsegram are reported to be withering for want of rains. Good rains are urgently required.

(3) *Crops harvested.*—Nil.

10. There was some rainfall during the week in all the Taluks except in Goribidnur, Bagepally and Gudibanda Taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be healthy but for prevalence of cholera in Malur Taluk and plague and small-pox in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of epidemics by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Sowing operations are reported to have been held up for want of rains in some parts of the District. In Turuvekere transplanting of ragi crop has commenced.

Standing crops.—Greengram, blackgram, jola, ragi, paddy, haraka, sugarcane and thogari are reported to be in fair condition. Rain is urgently needed for the standing crops. In Tumkur, Pavagada, Sira and Chiknaikanahalli Taluks ragi crop is reported to be withering for want of rain.

10. *Crops harvested.*—Paddy in parts of Gubbi and Kunigal Taluks.

11. *Public Health.*—Public health is generally good except for the prevalence of Plague in Chiknaikanahalli Town, Kathrikahal and Janakar Villages, and rat falls in Kubarahalli and Kodigehalli villages in Chiknaikanahalli Taluk, and in Kuruvelu Village in Tumkur Taluk. Cholera is reported to be prevailing in Kunigal Town, and also at Seegepalya and Madagonahalli, hamlet villages in Kunigal Taluk and in Siddapura village in Pavagada Taluk. Needful action is reported to have been taken to check the spread of the epidemics.

Cattle.—Cattle are reported to be generally healthy except for the prevalence of Black-quarter in Harenahalli village in Gubbi Taluk, in some of the villages in Pavagada Taluk, Madhugiri Town and Jakkenahalli and Hosahalli villages in Madhugiri Taluk. Necessary measures are reported to have been taken to check the spread of the epidemics. Water and fodder are available. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the Taluks of the District during the week.

Seeds sown.—It is reported that paddy was sown in Yelandur and T.-Narsipur Taluks and Ragi in Chamarajanagar Taluk. The sowing operations of Horsegram have been completed already in the Taluks of Chamarajanagar, Nanjangud, Gundlupet and T.-Narsipur. The transplantation of paddy is as usual in progress in all parts of the District.

9. *Standing crops.*—Such as paddy, ragi, avare, castor, thogari, pulses and sugarcane in almost all the taluks of the District are withering and are in need of urgent rains. In parts of Hunsur and Periyapatna Taluks the ragi crop is drying up. But the standing ragi crop in some parts of Periyapatna Taluk is affected by a kind of disease "....." and worms. The Department of Agriculture has been requested to take necessary preventive measure to check its spread. Prospects of realising the yield are remote unless immediate heavy rains set in.

10. *Crops Harvested.*—It is reported that jola is being harvested in the taluks of Mysore, Gundlupet, Nanjangud, Yelandur and in Chamarajanagar and the yield is very poor due to inadequacy of rainfall and due to attach of pest of bugs.

(1) The prospects of the season at present have not improved due to withholding of rains in almost all parts of the District.

(2) There was no rainfall in any part of the District except in Mysore, Chamarajanagar and Nanjangud Taluks where too it was insufficient. The standing ragi, paddy, pulses and cotton in almost all the taluks of this District are withering and are in need of urgent rains.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Gundlupet Taluks and Cholera in a few villages of Mysore and Krishnarajanagar Taluks. Necessaary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District except in parts of Periyapatna and Hunsur where there is difficulty for drinking water.

MANDYA.

8. Well supplied.

9. Transplantation of paddy under Nala and tank atchkats is reported to be in progress. Kar-paddy is being harvested in Malavalli Taluk. It is reported that the standing crop of sugarcane in Visvesvaraya Canal area is in good condition, and the previous year's sugarcane crop is under harvest. The standing ragi and other dry crops are considerably damaged for want of rains. The crops are reported to be withering for want of rain.

10. Seasonal conditions are reported to be fair.

11. Public health is reported to be generally good throughout the District, except for the prevalence of Cholera in certain villages of Maddur Taluk. Preventive measures are reported to have taken to check the spread of the epidemic. Cattle are reported to be healthy. Fodder and water are reported to be available in sufficient quantities in all the taluks.

HASSAN.

8. Well supplied.

9. Agricultural operations are still in progress. Transplantation of paddy and doddaragi is still in progress in some parts. Broadcast paddy, ragi are reported to be withering in some parts of Hassan, Channarayapatna, Arsikere, Belur and Manjarabad Taluks. A certain disease called as Liftispa is prevailing in some parts of Arehally Hobli, Belur Taluk. The situation is causing anxiety.

10. Prospects of the season are not hopeful. Rainfal is immediately required throughout the District.

11. The cattle were generally healthy except the prevalence of Blackquarter in Kasaba Hobli, Belur Taluk.

The Veterinary Officers are requested to check the spread of the disease. Fodder was available.

SHIMOGA.

8. Well supplied.

9. Weeding operations has almost been completed in Shimoga Taluk and they are under progress in Sorab Taluk. Sowing of ragi was almost completed and sowing of Horsegram was going on in the Shikaripur Taluk. The standing crops of paddy, ragi, jola, sugarcane, cotton and groundnut are reported to be generally in good condition. The groundnut crop in Honnali Taluk was being recovered from 'Seederoga'. Rainfall is required for the standing crop in Shimoga, Honnali, Shikaripur and Bhadravati Taluks. Transplantation of paddy was going on in Sagar, Hosanagar and Bhadravati Taluks.

10. Prospect of the season was generally good. Rainfall is needed for the crops in Shimoga, Honnali, Shikaripur and Bhadravati Taluks. There was prevalence of Plague in a village of Channagiri Taluk and there was prevalence of Cholera in a village of Honnali Taluk. Preventive measures were taken.

11. Cattle were healthy in all the taluks except in Hosanagar Taluk where the cattle suffered from 'Anthrax (ನರಿ) Preventive measures were taken. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. The prices of the commodities other than foodgrains show a tendency towards decrease as compared with the previous week's rates.

9. (1) *Standing crops.*—Coffee, paddy and sugarcane in Chikmagalur Taluk; paddy, ragi, coriander, cotton, til, avare, togari and groundnut in Kadur and Tarikere Taluks; sugarcane and paddy in Narasimharajpura Sub-Taluk; paddy in Koppa and Mudigere Taluks were the standing crops. The condition of the standing crops was causing anxiety towards the end of the week for want of rains, owing to the long duration since last rains, mainly in the maidan parts of the District.

(2) *Seeds sown and Transplantation made.*—Sowing of horsegram and transplanting of ragi in Tarikere Taluk, transplanting of paddy in Koppa Taluk were being done. Transplanting of paddy in Mudigere Taluk was completed and weed clearance work commenced.

(3) *Crops harvested.*—Nil.

10. Prospects of the season are reported to be good. Rains are required for the standing crops in Kadur, Mudigere and in some parts of Tarikere Taluks. The rainfall figures in Mudigere, Narasimharajapura and Sringeri show that the rainfall upto the end of the week from 1st January 1951 is less than the average rainfall for the corresponding period.

The public health was generally good except for the prevalence of cholera in Mallapura village, Kadur Taluk.

11. Cattle were generally healthy except for the prevalence of Rinderpest among cattle in Bettagere village of Mudigere Taluk.

CHITALDRUG.

8. Markets are reported to be well supplied except the controlled articles.

9. *Sowing.*—Sowing of Gidda ragi in Hiriyur Taluk and paddy in Molakalmuru Taluk are reported to be in progress.

Standing crops.—Jola, ragi, navane, haraka, save, sajje, oil seeds and cotton, etc., recently sown are withering for want of rains. It is reported that these crops are in need of urgent rains.

Harvesting.—Harvesting of sugarcane in Hiriyur Taluk is reported to be in progress.

10. Cooly classes are finding sufficient labour throughout the District.

Cattle are reported to be generally healthy throughout the District except the prevalence of Rinderpest in some parts of Challakere, Harihar and Jagalur Taluks. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease.

Public health is generally good throughout the District. Water and fodder are available.

STATEMENT SHOWING THE PRICES CURRENT (RETAIL) OF RICE (2ND SORT), RAGI AND HORSEGRAM AT THE SEVERAL TALUK HEAD QUARTERS FOR THE 33RD WEEK ENDING SATURDAY, THE 25TH AUGUST 1951.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, AUGUST 16, 1951.

A total of 30 attacks with 12 deaths from Plague was returned from 8 villages in 4 taluks in 3 districts during the week against 31 attacks with 16 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 3 attacks with 2 deaths and 51 attacks with 25 deaths, respectively.

A total of 8 attacks with 12 deaths from Small-pox were reported from the City of Bangalore and Gundlupet Town and from the taluks of Honnali, Mandya, Pandavapura, Srirangapatna and Shikaripur.

One hundred and fifty-eight attacks with 94 deaths from Cholera were reported from the Cities of Bangalore and Mysore and from the towns of Honnali and Shimoga and from the taluks of Bangalore South, Bhadravati, Chitaldrug, Chamarajanagar, Harihar, Honnali, Heggaddevankote, Koratagere, Kolar, Krishnarajapet, Kankanhalli, Krishnarajanagar, Mysore, Maddur, Malavalli, Mandya, Pavagada, Shimoga, and Srirangapatna.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 209 (52 in hospitals) for 7 days representing a calculated death-rate of 14·1 (10·5 excluding hospital deaths) per mille of population (annual basis) as against 29·2 (17·9 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Cholera, 1 under Malaria, 1 under Other Fevers, 22 under Dysentery and Diarrhœa and 184 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 59 (10 in hospitals) for 4 days representing a calculated death-rate of 21·9 (18·2 excluding hospital deaths) per mille of population (annual basis) as against 19·0 (8·5 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Malaria 1, Other Fevers 9, Dysentery and Diarrhœa 8 and All Other Causes 41. The reported mortality was very low.

There were 20 deaths (2 in hospitals) for 4 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 11·4 (10·2 excluding hospital deaths) per mille of population (annual basis) as against 10·9 (9·4 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Other Fevers, 6 under Dysentery and Diarrhœa and 13 under All Other Causes. The reported mortality was very low.

T. CHANDRASEKHARAIYA,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. Paddy is being transplanted in some places.

Weading of ragi is going on in Magadi Taluk.

Harvest of groundnut is going in Magadi Taluk. Yield is poor.

Standing crops such as paddy and sugarcane are fairly in good condition but rains are required to fill up the tanks of Kankanhalli, Bangalore South and Ramanagaram Taluks.

For want of rains dry crops such as ragi, avare, thogari, etc., are withering. Sowing of horsegram is not done for want of rains. Ragi crop is much affected. Urgent rains are required in almost all the taluks.

10. Public health is generally good except for the prevalence of cholera at Anchosahalli, Maralawadi Hobli and Thimmasandra hamlet of Harohalli, both in Kankanhalli Taluk. In Nelamangala Taluk cholera is prevailing in the following villages.—

Village	Attacks	Deaths	Remarks
Alur	3	2	Total inoculation is 1,761. Action is taken to prevent the spread of the disease.
Voddarapalya	2	2	
Makali	1	1	
Adakamaranahalli	2	...	
Kambasandra	2	1	
Gowdanahalli	1	...	
Bettahalli	2	1	
Total	13	7	

Cattle are generally healthy except for the prevalence of "*Narade Jadya*" at Harohalli, Anugondanahalli Hobli, Hoskote Taluk. Action is taken to prevent the spread of the disease.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Paddy is reported to have been sown in some parts of Srinivasapur Taluk.

(2) *Standing crops.*—All standing crops, *viz.*, ragi, avare, thogari, horsegram and groundnut are reported to be withering for want of rains. Rain is urgently required.

(3) *Crops harvested.*—Nil.

10. The rainfall during the week was very sparse and uneven. In Malur and Mulbagal Taluks there was litte rainfall.

Fodder and water are available for cattle.

11. People and cattle are reported to be healthy but for prevalence of cholera in some parts of Kolar and Mulbagal Taluks. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Sowing operations are held up for want of rains. In Turuvekere transplanting operations are reported to be in progress.

Standing crops.—Greengram, ragi, paddy, sugarcane, avare and haraka are reported to be withering for want of rains in all the parts of the District. Ryots are looking forward to the rains very anxiously. The condition of the sugarcane crop in Kunigal Taluk is reported to be fair.

10. *Crops harvested.*—Paddy is being harvested in some parts of Kunigal and Gubbi Taluks.. Groundnut is some parts of the district.

11. *Public Health.*—Public health is reported to be generally good, except for the prevalence of Plague in Chiknaikanahalli Town, Tumkur Town and Kubarahalli, rat-falls at Dodrampura, Thirthapura and Halgone in Chiknaikanahalli Taluk, and prevalence of Cholera at Seegepalya hamlet villages of Huliyurdurga in Kunigal Taluk. Needful steps are reported to have been taken to check the spread of the epidemics.

Cattle.—Cattle are reported to be generally healthy throughout the district. Fodder and water are available. Scarcity of fodder is being felt in Pavagada and Sira Taluks and needful action is being taken in the matter. Labour is available for cooly classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that pulses were sown in Nanjangud Taluk. The transplantation of paddy is as usual in progress throughout the District.

9. *Standing crops.*—Such as paddy, ragi, avare, castor, thogari and cotton are urgently in need of rains in almost all taluks of the District. The standing ragi crop in parts of Hunsur and Periyapatna Taluks is drying up due to withholding of rains. It is reported by the Amildar, Periyapatna Taluk that nearly 50 per cent of the standging ragi crop is affected by a disease known as "ಮೊಟ್ಟೆ ರೋಗ" and that it is due to untimely and insufficient rainfall. Necessary preventive and remedial measures are being taken up to check the spread of the disease in consultation with the Agricultural Department. Prospects of realising the yield are remote unless heavy rains set in immediately.

10. *Crops harvested.*—It is reported that jola is being harvested in the taluks of Yelandur and Gundlupet Taluks and the yield is reported te be very poor due to inadequacy of rainfa l and due to attack of the pest of bugs.

(1) Prospects of the season at present have not improved and are deteriorating due to withholding of rains all over the District.

(2) There was no rainfall in any part of the District except in the taluks of Mysore, Nanjangud, Hunsur, Gundlupet and T.-Narsipur, where too it was insufficient. The standing ragi, paddy, pulses, sugarcane and cotton crops in almost all parts of the District are withering and are badly in in need of rains.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Gundlupet Taluks and Cholera in a few villages of Mysore and Krishnarajanagar Taluks. Necessaary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District except in some parts of Krishnarajanagar where difficulty for fodder is reported to have been felt. In parts of Hunsur and Periyapatna Taluks difficulty for drinking water is also reported to be felt.

MANDYA.

8. Well supplied.

9. Transplantation of paddy is reported tc be going on under Visvesvaraya Canal area in Pandavapura and Srirangapatna Taluks.

Kari ragi and jola are reported to be under harvest in Krishnarajapet Taluk. The standing crop of sugarcane in Visvesvaraya Canal area is reported to be in good condition.

Standing dry crops such as ragi and other crops are reported to be withering for want of rains.

10. Prospects of the season are reported to be fair.

11. Public health is reported to be generally good throughout the district, except for the prevalence of Cholera in Niluvagilu, Thoresettihalli and Kestur villages

of Maddur Taluk and of Small-pox in Koppa, and Chikkarasinakere hoblis of Maddur Taluk. Preventive measures are reported to have been taken to check the spread of the epidemics. Cattle are reported to be healthy. Fodder and water are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. Agricultural operations are almost at a standstill. The standing crops like paddy, doddaragi, etc., are reported to be withering for want of rains. 'Leftispa' a certain disease is reported to be prevailing in some parts of Belur Taluk, 'Katteroga' disease and a new kind of disease called 'Gall-fly' is prevailing in parts of Kasaba and Hethur hoblis of Manjarabad Taluk. The Agricultural Department has been addressed.

10. There has been insufficient rains throught the district. This is causing anxiety as the standing crops are withering away.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Weeding operation has almost been completed in Shikaripur Taluk and was in progress in the Taluk of Sorab. Horsegram was sown in Shikaripur Taluk. Transplantation of paddy was going on in Hosnagar and Bhadravati Taluks and it was held up in certain parts of Tirthahalli Taluk for want of rains. The standing crop of paddy, sugarcane, jola, ragi and groundnut are reported to be generally in fair condition. But rainfall is urgently required for the standing crops in almost all the taluks in the district. The growth of the crop in Sagar Taluk is stunted for want of rains. The crops in Honnali and Shikaripur Taluks are reported to be withering for want of rains. The cotton crop in Chennagiri Taluk suffered from a kind of pest. Preventive measures were taken.

10. Prospect of the season was generally fair. But rainfall is required for the standing crops in almost all the taluks in the district.

11. Cattle were healthy in all the taluks except in the villages of Bussanahalli in Chennagiri Taluk where they suffered from "Dommeroga" and "Galaleroga". Preventive measures were taken. Fodder and water were available.

CHIKMAGALUR.

8. Fairly well supplied. Prices were high.

9. (1) *Standing crops.*—Paddy, ragi, sugarcane and coffee in Chikmagalur Taluk; jola, coriander, ragi, save, navane, soji, thogari, sugarcane and til in Kadur Taluk; paddy, ragi, jola, groundnut, corriander, greengram, blackgram, til, avare, wheat, sugarcane and horsegram in Tarikere Taluk; sugarcane and paddy in Narasimharajpura Sub-Taluk were the standing crops. Rains were badly needed for the standing crops in almost all the taluks. Crops were withering for want of rains.

(2) *Seeds sown and Transplantation made.*—Paddy transplantation in Chikmagalur Taluk was under progress. Weed clearance work was being done in Mudgere Taluk. Transplanting of paddy in Sringeri was completed.

(3) *Crops harvested*—Nil.

10. Prospects of the season are reported to be generally good. Rains are very badly required for the standing crops in both the Malnad and Maidan Taluks of the District. The rainfall during the week was very negligible, and is causing anxiety among raiyat classes, as the standing crops are depending on the rains. The prospects of the season appear to be gloomy on this account. Public health was generally good.

11. Cattle were generally healthy except for the prevalence of Gastero-enterities in Bettagere village of Mudgere Taluk.

CHITADDRUG—Not Received.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 4th September 1951.

K. SRINIVASAN,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

469

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 23RD AUGUST 1951.

A total of 60 attacks with 19 deaths from Plague was returned from 13 villages in 7 taluks in 4 districts during the week, against 30 attacks with 12 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Fields reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 16 attacks with 8 deaths and 78 attacks with 37 deaths, respectively.

A total of 58 attacks with 9 deaths from Small-pox were reported from the Cities of Bangalore, Mysore and from the towns of Sagar and Shimoga and from the taluks of Bagepalli, Kunigal and Srinivasapura.

One hundred and twenty-nine attacks with 63 deaths from Cholera were reported from Cities of Bangalore and Mysore and from the towns of Chikmagalur, Honnali, Malavalli and Shimoga and from the Taluks of Bhadravati, Channapatna, Chitaldrug, Chamarajanagar, Honnali, Kadur, Kankanhalli, Kortagere, Krishnarajapet, Krishnarajanagar, Maddur, Mandya, Malavalli, Mysore, Pavagada, Sreerangapatna, Shimoga and T.-Narsipur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 247 (58 in hospitals) for 6 days representing a calculated death-rate of 18·8 (14·3 excluding hospital deaths) per mille of population (annual basis) as against 36·5 (25·4) for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Malaria, 4 under Other Fevers, 24 under Dysentery and Diarrhœa and 218 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 74 (25 in hospitals) for 4 days representing a calculated death-rate of 27·2 (18·0 excluding hospital deaths) per mille of population (annual basis) as against 21·0 (10·5 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were : Small-pox 5, Cholera 1, Malaria 3, Typhoid 1, Other Fevers 16, Dysentery and Diarrhœa 4 and under All Other Causes 44. The reported mortality was low.

There were 57 deaths (5 in hopitals) for 6 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 21·3 (19·5 excluding hospital deaths) per mille of population (annual basis) as against 5·4 (4·0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 2 under Other Fevers, 19 under Dysentery and Diarrhœa and 35 under All Other Causes. The reported mortality was low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stocks.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. *Agricultural operations*—Nil.

Standing crops—such as paddy and sugarcane are fairly in good condition, but more rains are required, since insufficiency of water in the tanks on account of failure of rains. Ragi, thogari, avare, etc, have been very much affected for want of rains. Sugarcane also has suffered in Nelamangala Taluk. The recent showers are of very little help to dry crops since they had withered very much in some parts of the District.

10. Public health is generally good except for the prevalence of cholera in Dasanpura and some villages of Kasaba Hobli, Nelamangala Taluk. No fresh attacks and deaths. Action is taken to prevent the spread of the above disease. Cattle are reported to be healthy. Pasturage is scarce in Dodballapur Taluk on account of failure of rains. In other places fodder is available.

11. Drinking Water is available. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Ragi, avare, thogari, horsegram and groundnut are reported to be withering for want of rains.

(3) *Crops harvested.*—Nil.

10. There was isolated rainfall during the week in Malur, Bagepally and Gudibanda Taluks. Fodder and water are available for cattle.

11. People and cattle are reported to be generally healthy but for prevalence of plague in Somayajalapalli, Srinivasapur Taluk. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Sowing of Horsegram is held up for want of rains In Turuvekere transplantation of Ragi has become slow for want of rains.

Standing crops.—Ragi, jola, avare, thogari, etc., are withering for want of rains, except paddy crop under some of the tanks where some water is available. Raiyats are anxiously looking forward for rains.

Crops harvested.—Yada Ragi is being harvested in some parts of Sira Taluk in Hulikunte and Gowdagere Circles. Groundnut in parts of Chicknaikananalli Taluk. Paddy in parts of Kunigal and Gubbi Taluks.

10 *Public Health.*—Public health is generally good, except for the prevalence of plague in Yalanadu, Kathrekal and Janehar villages in Chicknaikanahalli Taluk, and plague in Chicknaikanahalli and Tumkur Towns. Needful steps have been taken to check the spread of the epidemic.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Anthrax in Tumkur Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Scarcity of fodder is being felt in parts of Pavagada and Sira Taluks, and action has been taken in allowing free grazing in State Forests. Water is available.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that the horsegram was sown in the Taluks of Mysore, Nanjangud, Heggaddevankote and Chamarajanagar; and ragi in Chamarajanagar Taluk.

9. *Standing crops.*—Such as paddy, ragi, avare, pulses, cotton, sugarcane and castor, are urgently in need of rains in almost all taluks of the District. The standing dry crops are withering for want of rains. In parts of Hunsur and Periyapatna Taluks, ragi crop has been affected by a kind of disease known as 'Redrot' and that it is due to untimely and insufficient rains. Department of Agriculture are taking necessary preventive and remedial measures to check the spread of the disease. The paddy crop under Malegere, Honganur, Hirekere and Kudlur Doddarayapet tanks and under Melmala atchkat in Chamarajanagar Taluk is withering for want of water in the tanks. Crop under Chamarajasagar in Hampapur, Krishnarajanagar Taluk is drying. It is reported by the Amildar, Nanjangud Taluk that Narasambhudi tank has no water and that Kalale and Halepura tanks have got water just to suffice for two months and one month, respectively.

10. *Crops harvested.*—It is reported that jola is being harvested in the taluks of Mysore, Yelandur and Gundlupet; and kar ragi in some parts of Hunsur and Periyapatna Taluks

(1) Prospects of the season have not improved and are deteriorating due to withholding of rains all over the District. Seasonal conditions on the whole are not satisfactory.

(2) There was no rainfall in any part of the District during the week. The standing crops such as ragi, pulses and castor are withering and they are badly in need of rains all over the District.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of foodgrains are made available all over the District.

(5) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Gundlupet Taluks and Cholera in a few villages of Krishnarajanagar and Mysore Taluks. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District except in parts of Hunsur and Periyapatna Taluks where difficult for water both for men and cattle is also reported to have been felt to some extent.

MANDYA.

8. Well supplied.

9. Transplantation of paddy is reported to be going on in Malavalli and Srirangapatna Taluks, under tank and nala atchkats. Kar paddy is reported to be under harvest in certain parts of Malavalli Taluk. The standing crop of sugarcane in Visvesvaraya Canal area is reported to be good but requiring rains. The condition of standing dry crops such as ragi and other dry crops is reported to be causing anxiety for want of rains. They are reported to be withering.

10. Since there has been failure of rainfall, the seasonal conditions are causing anxiety.

11. Public health is reported to be generally good throughout the District. Prevalence of any epidemic diseases has not been reported from any of the Taluks. Cattle are reported to be healthy. Fodder and water are reported to be available in sufficient quantities.

HASSAN.

8. Well supplied.

9. The standing crops are very badly in need of rains. They are reported to be withering.

10. Prospects of the season are not hopeful.

11 The cattle were generally healthy except the prevalence of black-quarter in some parts of Channarayapatna. The Veterinary Officers are requested to take preventive measures. Fodder available.

SHIMOGA.

8. Well supplied.

9. Horsegram was being sown in Shikaripur Taluk, Transplantation of paddy was completed in Sagar, Hosanagar, Thirthahalli and Bhadravathi Taluks. Weeding operations were almost completed in Shikaripur and Sorab Taluks.

The standing crop is generally fair but is urgently in need of rainfall. Paddy crop in channel areas is good but the rainfed crop and the dry crops are in need of urgent rainfall. Some of the ragi and groundnuts crops in Honnali Taluk withered and the crops in some other parts of the taluk are reported to have begun to wither for want of rains. The paddy and sugarcane crops in Sagar Taluk are reported to have begun to wither for want of rains. In general immediate rainfall is required for improving the standing crops.

10. Prospect of the season was generally fair. But the rainfall is very urgently needed for the standing crops especially for the dry and rainfed crops.

11. Cattle were healthy in all the taluks except in Hosanagar Taluk where they suffered from cattle diseas preventive measures are reported to have been taken.

Fodder and water were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. Prices of food grains were very high.

9. (1) *Standing crops.*—Paddy, sugarcane and coffee in Chikmagalur Taluk; ragi, jola, sugarcane, coriander, save, togari, avare, til, and groundnut in Kadur Taluk, paddy, ragi, jola, groundnut, til, coriander, greengram, blackgram, avare, wheat, sugarcane, horsegram in Tarikere Taluk, sugarcane and paddy in Narasimharajapura sub-taluk and paddy in Koppa, Mudigere and Sringeri, were the standing crops. Rains are badly needed for the standing crops especially in Kadur, Tarikere and Mudigere Taluks. Crops were withering for want of rains in almost all the parts of the District.

(2) *Seeds sown and transplantation made.*—Transplantation of Paddy in Chikmagalur and Koppa and Mudgere has been completed.

(3) *Crops harvested*—The harvesting of gidda ragi in Chickmagalur Taluk has been completed.

10. Prospects of the season are reported to be not favourable owing to the non-receipt of rainfall for the last 2 weeks. Rains are badly needed for the standing crops in the maidan as well as malnad parts of the District. Dry crops are reported to be withering for want of rains in Kadur and Tarikere Taluks.

11. Public Health was generally good. Cattle were generally healthy except in Bettgere, Owsana and Halike villages of Mudigere Taluk, where the cattle disease "Gasteroenterities" prevailed among the cattle. The Department of Animal Husbandry has been requested to take necessary preventive measures.

CHITALDRUG.

8. Markets are reported to be well supplied except the controlled articles.

9. *Sowing.*—Transplantation of paddy and sowing of navane and horsegram in some parts of Molakalmuru Taluk are reported to be in progress.

Standing crops.—Jola, sajji, ragi, groundnut and paddy in Hiriyur Taluk are reported to be good in channel area. Jola, ragi, sajji, groundnut in Chitaldrug Taluk. Groundnut, til, and sajji, paddy, navane, ragi, jola, horsegram in Davangere Taluk, til, groundnut, jola, ragi and oil seeds in Hosadurga Taluk, ragi, jola, navane and cotton in Harihar Taluk are reported to be generally withering for want of rains. Navane, jola, til, groundnut, sajji, ragi is reported to be fairly in good condition in Pallagatta and Bilichodu circles and the crops in kasaba circle is reported to be withering for want of rains in Jagalur Taluk. Where facilities for lift irrigation exist, Doddaragi and Paddy are reported to be in good Condition in Challakere Taluk.

Harvesting.—Harvesting of groundnut and til in Hosadurga Taluk are reported to be in progress.

10. Coolies are finding sufficient labour throughout the District except in some parts of Molakalmuru Taluk due to failure of rains.

Cattle are reported to be generally healthy throughout the District except for the prevalence of Blackquarter disease in some parts of Challakere Taluk, Sanikere Circle. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of the disease. Public health is generally good throughout the District.

Water is available throughout the District except in Sreerampura village in Hosadurga Taluk where scarcity of water is reported.

Fodder is available throughout the District except in some parts of Molakalmuru Taluk where scarcity of fodder is reported.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

424

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED THURSDAY, AUGUST 30, 1951.

A total of 27 attacks with 7 deaths from Plague was returned from 11 villages in 8 taluks in 4 districts during the week against 60 attacks with 19 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 13 attacks with 4 deaths and 80 attacks with 43 deaths respectively.

A total of 10 attacks with 6 deaths from Small-pox were reported from the Cities of Bangalore, Mysore and Shimoga Town and from the taluks of Kunigal, Magadi and Srinivaspur.

One hundred and sixteen attacks with 59 deaths from Cholera were reported from the Cities of Bangalore, Mysore and from the towns of Arsikere and Sriranga-patna and from the taluks of Bangalore North, Bhadravati, Harihar, Kanakanhalli, Krishnarajanagar, Maddur, Mysore, Nelamangala, Ramanagaram, Srirangapatna and T.-Narasipur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 247 (83 in hospitals) for 7 days representing a calculated death-rate of 16·2 (10·8 excluding hospital deaths) per mille of population (annual basis) as against 27·1 (18·3 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were; 1 under Cholera, 1 under Malaria, 3 under Typhoid, 1 under Other Fevers, 25 under Dysentery and Diarrhœa and 216 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 50 (10 in hospitals) for 6 days representing a calculated death-rate of 12·1 (9·7) excluding hospital deaths) per mille of population (annual basis) as against 29·6 (17·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were: Small-pox 2, Malaria 4, Other Fevers 9, Dysentery and Diarrhœa 5 and All Other Causes 30. The reported mortality was very low.

T. CHANDRASEKHARAIYA,
Director.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. Transplantation of paddy is going on in Magadi Taluk. Paddy fields are being ploughed and planted in Dodballapur Taluk. All dry crops in Dodballapur Taluk are withering for want of rain. Horsegram is sown in Magadi Taluk. Harvest of groundnut is going on in Magadi Taluk. The recent showers have given life a little to dry crop in all the taluks except Dodballapur and Nelamangala Taluks. However they are not well distributed. Standing crops require more rains urgently. Water is insufficient in tanks for wet crops.

10. Public health is generally good except for the prevalence of Cholera at Dasanpura, Nelamangala Taluk. Action is taken to prevent the spread of the disease. Cattle are healthy except for the prevalence of Blackquarter in Kempa Vaderahalli, Kutagallu Hobli, Ramanagaram Taluk. Action is taken by the Veterinary Department for preventing the spread of the disease.

11. Water and fodder are available. Coolies find sufficient labour. Pasturage is scarce in Dodballapur Taluk for want of rain.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Ragi, avare, thogari, horsegram and groundnut. The condition of all these standing crops is improved on account of rains during the week.

(3) *Crops harvested.*—Nil.

10. There was rainfall in all the Taluks except Gudibanda and Goribidnur.

Fodder and water are available for cattle.

11. People and cattle are reported to be healthy but for prevalence of plague in some parts of Srinivasapur Taluk. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Transplantation of ragi is in progress in parts of Turuvekere Taluk and Chiknaikanahahalli Taluk. The recent rains were very helpful. The ryots are preparing for sowing jola and horsegram.

Standing Crops.—Ragi, avare, thogari, paddy, jola and other millets are withering for want of rains. The recent rains in Chiknaiknahalli, Gubbi Kunigal and Turuvekere Taluks were very helpful for the standing crops. More rains are necessary. Ryots are anxiously looking forward for more rains.

Harvested Produce.—Paddy in parts of Kunigal and Gubbi Taluks. Groundnut in all the parts of the District.

10. *Public Health.*—Public health is generally good, except for the prevalence of Plague in Yalanadu and Chiknaikanahalli Town and rat-falls in Huliyar village in Chiknaikanahalli Taluks and occurrence of rat-falls in Mavinakunte villages, hamlet of Bellavi in Tumkur Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Oblapura and Lingapura villages in Tumkur Taluk and Anthrax in Vaderapura in Tumkur Taluk. Scarcity of fodder was felt in Madhugiri, Pavagada and Sira Taluks, and all the State Forests in the District have been thrown open for free grazing. Water is available for men and cattle. Labour is available for agricultural classes.

8. It is reported that the markets are normally well supplied in all the taluks of this District.

Seeds sown.—It is reported that pulses and horsegram were sown in Nanjangud and Mysore Taluks.

9. *Standing crops.*—Such as paddy, ragi, avare, castor and sugarcane are urgently in need of rains. The standing dry crops are drying up for want of rains. The standing ragi crop in parts of Hunsur and in Periyapatna Taluks, has been affected by a kind of disease known as Red rot. Agricultural Department is taking immediate necessary measures to check its spread. The paddy crop under Malegere, Ramasamudra, Hondrabalu, Honganur, Mangala, and Maraga tanks in Chamarajanagar Taluk; Kalale, Narasambudi and Halepura tanks in Nanjangud Taluk is drying for want of water in tanks. The lands under Nugu L.B. Channel between 10th and 13th mile in Nanjangud Taluk are under dry crops and the ryots are not willing to utilise water for wet crops since they are not sure of water supply in the said channel throughout the season and paddy in about 200 acres under R.B. Channel is withering for want of adequate water supply. The Public Works Department is being addressed to restrict water supply up to 10th of L.B. Channel and to allow more water to the withering crops in the lands under R.B. Channel as it is not possible to grow paddy in the tract between 10th and 13th mile of L.B. Channel.

10. *Crops harvested.*—It is reported that jola is being harvested in Yelandur and Gundlupet Taluks; and kar ragi in Nanjangud, Heggaddevankote, Hunsur and Krishna rajanagar Taluks and the yield is reported to be very poor due to inadequacy of rainfall.

(1) Prospects of the season have not showed any signs of improvement though there was some rainfall during the latter part of the week in almost all the taluks of the District except in Heggdadevankote and Nanjangud Taluks. The rainfall in all the taluks of the District is reported to be insufficient.

(2) Sufficient quantities of food grains are made available all over the District.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Gundlupet Taluks and Cholera in a few villages of Mysore Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District except in parts of Periyapatna Taluk where difficulty for water both for men and cattle is reported to have been felt to some extent.

MANDYA.

8. Well supplied.

9. Transplantation of paddy in the Malavalli Taluk is reported to be under progress. The sowing operations of dry crops could not be continued for want of rains. The standing crops of sugarcane in Visvesvaraya Canal area is reported to be good. The condition of the standing crops such as ragi, etc., is reported to be bad. The dry crops have partially dried up in large extents throughout the district. The late rains on the 15th instant in all the taluks is reported to be very helpful for the standing crops.

10. The seasonal conditions are causing anxiety on account of the failure of timely rains.

11. The public health is reported to be generally good throughout the District. Cattle are reported to be healthy. Water and fodder are reported to be available in all the taluks of the district in sufficient quantities.

HASSAN.

8. Well supplied.

9. Agricultural operations regarding the sowing of paddy and ragi are over. Standing crops such as paddy in tank bed areas and dodda ragi are withering. The recent rains gave some life to the dying plants of paddy and ragi. Giddaragi is being harvested. The yield is very poor.

10. Rainfall is insufficient throughout the District and is very badly needed for the withering crops. The seasonal conditions though show sign of improvements are still causing anxiety.

11. Cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. The weeding operation was almost completed in Shikaripur and Sorab Taluks. Horsegram was sown in Shikaripur Taluk.

The standing crops, especially rainfed wet crops and dry crops are urgently in need of rainfall. The crops in many parts of the District are withering for want of rains. There was paddy pest in Sorab Taluk Preventive measures were taken.

10. Prospect of the season was generally fair, but immediate rainfall is required for the standing crops many of which have begun to wither on account of continued absence of sufficient rainfall for the past few weeks.

11. Cattle were healthy in all the taluks except in Sagar Taluk where they suffered from Rinderpest. Preventive measures are reported to have been taken. Fodder and water were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. The price of food grains were high.

9. (1) *Standing crops.*—Paddy and sugarcane in Chikmagalur Taluk and Narasimharajapura Sub-Taluk; jola, ragi, paddy, sugarcane, coriander, til, avare, groundnut and cotton in Kadur Taluk; paddy, ragi, jola, coriander, groundnut, green-gram, blackgram, til, avare, wheat, sugarcane and horsegram in Tarikere Taluk; paddy in Mudigere, Koppa and Sringeri Taluks were the standing crops. Crops were withering in Chikmagalur, Kadur, Tarikere and Mudigere Taluks for want of rains. It was reported that a kind of peculiar weed was shooting up in paddy plants retarding its growth and yield in Mudigere Taluk.

(2) *Seeds sown and transplantation made.*—Nil.

(3) *Crops harvested.*—Jola and coriander in Kadur Taluk; groundnut in Tarikere, were being harvested and for want of rains, only part of the nuts come out of hard soil.

10. Prospects of the season are reported to be not satisfactory for want of timely rains; standing crops were withering in many taluks and the yield of ragi crop in Chikmagalur Taluk is reported to be very low for want of rains. Tanks in Tarikere Taluk are not completely filled with water.

11. Public Health was reported to be generally good. Cattle were generally healthy except for the prevalence of "Gastero-enterities" in the villages of Bettageri, Onsana and Halike of Mudigere Taluk. It was reported that there was some scarcity of fodder in Kadur Taluk and fodder was available in other parts of the District.

CHITALDRUG.

8. Markets are reported to be well supplied except the controlled articles.

9. *Sowing.*—Sowing of cotton and navane in Muddapura Circle, Chitaldrug Taluk is reported to be in progress.

Standing crops.—Standing crops of jola, ragi, sajje, navane, sugarcane, groundnut, til, haraka, save and cotton which has been recently sown are withering for want of urgent rains. Ragi, jola, paddy, sugarcane are in good condition in places where facilities for lift irrigation exist in Hiriyur, Molakalmuru and Challakere Taluks.

Harvesting.—Harvesting of til and groundnut in some parts of Davangere and Hosadurga Taluks are reported to be in progress.

10. Cooly classes are finding sufficient labour except in some villages of Molakalmuru Taluk.

Cattle are reported to be generally healthy throughout the District except for the prevalence of "Blackquarter" disease in Gowripura in Mallenaballi Circle, Challakere Taluk. The Veterinary Department is reported to have been addressed for taking immediate steps to check the spread of disease. Public health is generally good except for the prevalence of cholera in some parts of Harihar Taluk. The District Health Officer is reported to have been addressed for taking immediate steps to check the spread of the disease.

11. Fodder is available throughout the District except in some parts of Chitaldrug and Molakalmuru Taluks where scarcity of fodder is reported.

Water is available throughout the District except in Sreerampura, Hosadurga Taluk, where scarcity of water is reported.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 18th September 1951.

K. SRINIVASAN,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

420

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 6TH SEPTEMBER 1951.

A total of 48 attacks with 18 deaths from Plague was returned from 8 villages in 4 taluks in 3 districts during the week, against 27 attacks with 7 deaths in the previous week. The Cities of Bangalore and Kolar Gold Field reported free from Plague. The Mysore City reported 1 attack with nil death. Comparative figures for the corresponding week in 1950 and 1949 were 3 attacks with nil death and 53 attacks with 23 deaths, respectively.

A total of 16 attacks with 7 deaths from Small-pox were reported from Mysore City and from the taluks of Bagepalli, Koratagere, Magadi, and Maddur.

Nineteen attacks with 9 deaths from Cholera were reported from Cities of Bangalore and Mysore and Shimoga Town and from the Taluks of Chikmagalur, Davangere, Harihar, Kolar, Nelamangala, Ramanagaram and T.-Narasipur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 217 (66 in hospitals) for 7 days representing a calculated death-rate of 14·3 (9·9 excluding hospital deaths) per mille of population (annual basis) as against 25·8 (17·8) for the corresponding week of last year. Classified according to causes, the deaths numbered 5 under Typhoid, 7 under Other Fevers, 29 under Dysentery and Diarrhœa and 176 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 57 (18 in hospitals) for 4 days representing a calculated death-rate of 21·0 (14·3 excluding hospital deaths) per mille of population (annual basis) as against 19·5 (4·8 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 2 under Small-pox, 2 under Cholera, 2 under Typhoid, 6 under Other Fevers 7 under Dysentery and Diarrhœa and 38 under All Other Causes. The reported mortality was very low.

There were 25 deaths (2 in hopitals) for 6 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 9·3 (8·6 excluding hospital deaths) per mille of population (annual basis) as against nil for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Malaria, 1 under Other Fevers, 2 under Dysentery and Diarrhœa and 21 under All Other Causes. The reported mortality was very low.

3374 T. CHANDRASEKHARAIYA, *Director.*

DEPARTMENT OF INDUSTRIES AND COMMERCE IN MYSORE, BANGALORE.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. The recent rains were of some help to the dry crops as they had withered very much. Still standing crops are badly in need of rains. Wet crops are suffering for want of sufficient water in tanks in all taluks except Channapatna and Magadi. Transplanting of paddy seedling is still going on in Bangalore North, Ramanagaram and Magadi Taluks. Groundnut is being harvested in Magadi Taluk. Rains are very late in Ramanagaram Taluk. Standing crops are good in Magadi and Channapatna Taluks. Kanva Reservoir has received 6 feet of water during the week. Urgent rains are required in almost all the taluks.

10. Prospects of the season is fair. Public health is generally good. Cattle are generally healthy. Water and fodder are available.

11. Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—Ragi, avare, thogari, horsegram, paddy and groundnut are all withering for want of rains. Even though the rainfall in Chikballapur and Sidlaghatta Taluk Headquarters was more than an inch it was not well distributed and the rainfall in Bagepally, Goribidnur and Malur was scanty and in the remaining taluks there was no rainfall at all during the week. People are anxiously awaiting rains immediately.

(3) *Crops harvested.*—Irrigated ragi raised under subsidy wells is being harvested.

10. People and cattle are reported to be healthy but for prevalence of small-pox in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of epidemic by the Public Health Department.

11. Fodder and water are available for cattle. As an emergency measure free grazing of cattle in State Forests is being arranged.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Sowing of horsegram and jola has commenced in parts of Tumkur, Gubbi and Chiknaikanahalli Taluks. The recent rains were helpful. Transplantation of paddy under Mayasandra Tank in Turuvekere Taluk is in progress.

Standing Crops.—Ragi, avare, thogari, groundnut and jola are reported to be fair on account of recent rains. Paddy and sugarcane are also reported to be fair in parts of Chiknaikanahalli, Kunigal, Gubbi and Tumkur Taluks. The crops are still in need of more rains.

Crops Harvested.—Paddy in Gubbi and Kunigal Taluks; and groundnut in parts of Chiknaikanahalli Taluk.

10. *Public Health.*—Public health is generally good, except for the prevalence of small-pox in Bidarakatte Village and a suspected case of plague in Mavukere in Tumkur Taluk. Plague is reported to have subsided in Chiknayakanahalli and Yelanadu Villages in Chiknayakanahalli Taluk. Preventive measures are reported to have been taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Sirodada of Kallambella Hobli in Sira Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available and labour is available for the cooly classes. The recent rains have eased the situation to some extent.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that horsegram was sown in Mysore, Hunsur, Heggadadevankote and Chamarajanagar taluks and pulses in Mysore, Periyapatna and Nanjangud taluks.

9. *Standing crops.*—Such as paddy, ragi, avare, cas tor, cotton, groundnut and sugarcane in all the Taluks ofrthe District except in Heggadadevakote, Chamarajanagar, Hunsur and Periyapatna taluks are showing signs of improvement due to recent rains. Ragi crop in parts of Hunsur Taluk is reported to have been affected by webbing caterpillar. The Agricultural Department has been requested to take immediate necessary measures to check its spread. The rains fed paddy crop in the taluks of Heggadadevankot and Periyapatna failed on account of continued draught.

10. *Crops harvested.*—It is reported that kar-ragi is being harvested in the taluks of Nanjangud, Periyapatna and Hunsur Taluks and jola in Gundlupet Taluk. Inadequate water supply in Nugu old R.B. Channel is stated to be not due to the opening of the L.B. Channel but is attributed to the low level of water in the river. Condition is stated to improve with the rise of water level in the river.

(1) Prospects of the season are improving in all the taluks of the District due to recent rains.

(2) There was fairly good rainfall in all the taluks of the District except in Chamarajanagar, Hunsur and Heggadadevankote Taluks.

(3) Sufficient quantities of food grains are made available all over the District.

(4) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(5) Public health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote, Nanjangud and Gundlupet Taluks and Cholera in a few villages of Mysore Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. Transplantation of paddy in Malavalli Taluk is reported to be under progress. The sowing operation in respect of dry crops was taken up now in respect of the area not sown previously on account of the late rains. The standing crops of sugarcane in Visvesvaraya Canal and Transplantation paddy under Nala and Tank atchkats are reported to be good. The recent rains were helpful to the standing dry crops and paddy crops.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District. Cattle are reported to be healthy. Water and fodder are reported to be available in sufficient quantities in all the Taluks of the District.

HASSAN.

8. Well supplied.

9. Agricultural operations regarding sowing and planting of paddy and ragi are over. There had been some rain throughout the District and this has improved the condition of the standing crops of paddy and ragi. Kolve Roga and Katte Roga are reported to be previling in some parts of Hassan and Manjarabad Taluks.

10. Rainfall is still required for paddy and doddaragi. Seasonal conditions are showing signs of improvement.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Ragi in Shikaripur Taluk and ground-nut and Save in Channagiri Taluk were being harvested. The recent rani-fall has improved the conditions of the Jola crop in

Honnali Taluk but the Ragi crop of the taluk is reported to be bad in many parts. The standing crop, of paddy in Sorab and Hosanagar Taluks, is reported to be withering for want of rains. Though there was some rainfall during the week it was not sufficient in almost all the taluks. Further adequate and urgent rainfall is needed for improving the condition of the crops.

Transplantation of paddy was going on in Bhadravathi Taluk. Paddy crop in Sorab and Thirthahalli Taluks suffered from pests. Preventive measures were taken.

10. Prospect of the season was generally fair. Though the recent rainfall has improved the condition of Jola crop in Honnali Taluk and the condition of the standing crops in Channagiri Taluk. Further adequate rainfall is required urgently for the standing crops in almost all the taluks in the District.

11. Cattle were healthy. Water and Fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. The prices of the food grains continued to be high.

9. (1) *Standing crops.*—Paddy, ragi and sugarcane in Chikmagalur Taluk, ragi, jola, paddy, sugarcane, groundnut, cotton, avare, horsegram and togari in Kadur and Tarikere Taluks, paddy, in Koppa, Mudigere Taluks, sugarcane and paddy in Narasimharajapura Sub-Taluk were the standing crops. Standing dry crops in Tarikere, Mudigere and Koppa are still in need of rains. Paddy crop in Mudigere Taluk is affected with "Leptispa" pest.

(2) *Seeds sown and transplantation made.*—Coriander, jola, and horsegram were being sown in Kadur Taluk.

(3) *Crops harvested.*—Groundnut and til in Tarikere Taluk were being harvested.

10. *Prospects of the season* :—Are reported to be slightly better than that of last week on account of recent showers. Still it is not sufficient to the standing crops in many taluks which require further rains. Tanks in Tarikere Taluk are not yet completely filled with water. The wet crops on makki lands require incessant rainfall during the coming days.

11. Public Health was reported to be generally good during the week under report. Cattle were generally healthy except in the villages of Bettagere, Halike and Owsana where there was prevalence of "Gastero-enterities" disease among the cattle.

CHITALDRUG.

8. Markets are reported to be well supplied except the controlled articles.

9. *Sowing.*—Sowing of Cotton, and Navane, Horsegram and Bilijola in Molakalmuru Taluk, Bilijola in Chitaldrug Taluk are reported to be in progress.

Standing crops.—Jola, Ragi, Haraka, Save, Sajje, Groundnut, Sugarcane, Paddy, Cotton, Doddaragi and oil seeds are reported to be improving due to recent rains.

Harvesting.—Harvesting of Til and Groundnut in Davangere and Hosadurga Taluks and Navane in Chitaldrug Taluk are reported to be in progress.

10. Coolie classes are finding sufficient labour throughout the District.

Cattle are reported to be generally healthy throughout the District.

Public health is generally good except the prevalence of Cholera in some parts of Harihar Taluk.

11. Fodder is available throughout the District except in some parts of Challakere and Molakalmuru Taluks where scarcity of fodder is reported.

Water is available throughout the District except in some parts of Challakere Taluk, where scarcity of water is reported.

3883

MYSORE STATE—DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, WEEK ENDED SEPTEMBER 13, 1951.

A total of 27 attacks with 39 deaths from Plague was returned from 11 villages in 7 taluks in 4 districts during the week against 48 attacks with 18 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 21 attacks with 7 deaths and 40 attacks with 18 deaths, respectively.

A total of 28 attacks with 7 deaths from Small-pox were reported from Mysore City and Mandya, Town and from the Taluks of Chintamani, Goribidnur and Honnali.

Seventy-four attacks with 35 deaths from Cholera were reported from Mysore City and from the towns of Anekal, Kankanhalli, Shimoga and from the taluks of Bangalore North, Bhadravati, Goribidnur, Holalkere, Harihar, Kanakanahalli, Krishnarajanagar, Magadi Mulbagal, Maddur, Nelamangala, Shikaripur and T.-Narasipur.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 224 (55 in hospitals) for 7 days representing a calculated death-rate of 14·7 (11·1 excluding hospital deaths) per mille of population (annual basis) as against 23·3 (16·7 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Typhoid, 1 under Other Fevers, 29 under Dysentery and Diarrhœa and 193 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 64 (28 in hospitals) for 5 days representing a calculated death-rate of 18·9 (10·6 excluding hospital deaths) per mille of population (annual basis) as against 20·9 (13·8 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were Small-pox 4, Malaria 1, Other Fevers 10, Dysentery and Diarrhœa 5 and All Other Causes 44. The reported mortality was very low.

There were 38 deaths (5 in hospitals) for 6 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 14·2 (12·3 excluding hospital deaths) per mille of population (annual basis). Classified according to causes, deaths numbered 1 under Typhoid, 1 under Other Fevers, 6 under Dysentery and Diarrhœa and 30 under All Other Causes. The reported mortality was very low.

T. CHANDRASEKHARAIYA,
Director.

4117

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

(HEALTH OF LIVE-STOCK DURING AUGUST 1951.)

Notification dated 19th September 1951.

In their order of severity, outbreaks of Rinderpest, Blackquarter, Hæmorrhagic-septicæmia, Anthrax, Foot and Mouth, Sheep-pox, Ranikhet, Gastro-entritis, Contagious-goat pleuro-pneumonia and Rabies were encountered in the State during August 1951. Altogether 297 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 339 villages during the previous month. The number of outbreaks was highest in Tumkur, Chitaldrug and Mysore Districts, while Mandya, Chikmagalur and Hassan Districts were least affected. These diseases accounted for 1,582 attacks of which 756 succumbed. The departmental staff conducted 41,014 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention other prophylactic measures were adopted against Foot and Mouth disease.

Four outbreaks of Rinderpest among cattle were registered in Sagar and Hosanagar Taluks accounting for 45 attacks, of which 9 succumbed. Prompt measures of control were undertaken by the Department to check its spread and 673 cattle in the infected villages and 2,235 cattle in 7 neighbouring villages were protected against this disease. The disease appeared to be well under control at the end of the month under report.

Diseases caused by internal parasites were reported from 103 villages accounting for 7 deaths as against 93 villages accounting for 11 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 6,164 animals as against 5,573 animals during the previous month.

The rest of the live-stock remained free from diseases during the month, and fodder and water were generally available throughout the State.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9 (1) Horsegram is sown in Bangalore North and Devanhalli Taluks.

(2) Paddy is being transplanted in Bangalore North Taluk and Dodballapur Taluk.

(3) Paddy crop under Varthur tank is damaged on account of overflow of water.

(4) On account of recent rains standing crops such as Paddy, Sugarcane, Ragi, Avare, Togari, Til are improving.

(5) Tanks have received water. More rains are required for Ragi in Anekal taluk. Ragi crop in parts of Hoskote, Kasaba-2, Sulibele, Nandigudi of Hoskote Taluk and parts of Kasaba, Satnur and Uyyamballi Hoblis of Kankanhalli Taluk had withered. Condition of standing crop is good in other parts of the District.

10. (1) Public are healthy.
(2) Cattle are healthy.

11. (1) Water and fooder are available.
(2) Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Horsegram is reported to have been sown in Sidlaghatta and Gudibanda Taluks.

(2) *Standing crops.*—The recent rains though late have improved the condition of the standing crops, *viz.*, Ragi, Paddy, Avare, Thogari and Horsegram. 'There is some hope of getting some crop at least' is instilled in the minds of the people. If regular rains were to come the yield of these crops may not be expected to be more than 4 annas.

(3) *Crops harvested.*—Nil.

10. There was rainfall of over an inch during the week in Kolar, Bangarpet, Chintamani, Malur, and Srinivasapur Taluks, and light showers in Bagepalli and Sidlaghatta Taluks. There was no rainfall in Mulbagal and Chikballapur Taluks during the week ending Saturday the 29th September 1951. But there was rainfall on Saturday which will be reported in the next week.

People and cattle are reported to be generaly healthy. Fodder and water are available for cattle.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Horsegram in parts of Tumkur, Gubbi, Chicknaikanahalli and Pavagada; ragi in parts of Chicknaikanahalli Taluk and Chitte jola is parts of Tumkur and Chicknaikanahalli Taluks. Transplantations of ragi is almost completed in Turuvekere Taluk.

Standing Crops.—The standing dry crops such as ragi, avare, jola, thogari, and other millets are reported to be fairly good. On account of recent rains, the withering crops have revived. The conditions of standing crops have slightly improved.

Crops Harvested.—Paddy in parts of Kunigal and Gubbi.

10. *Public Health.*—Public health is generally good, except for the prevalence of Plague in Kethrikehal and rat-fall in Malenahalli Village, in Chicknaikanahalli Taluk and plague in Kyathasandra Village in Tumkur Taluk. Needful action is reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy. Water and fodder are available. Labour is available for agricultural classes. The recent rains have considerably eased the situation. State forests have been thrown open for free grazing.

MYSORE.

429

8. It is reported that the markets are normally well supplied in all the taluks of the District.

Seeds sown.—It is reported that horsegram was sown in Heggaddevankote, Hunsur, Chamarajanagar and Mysore Taluks and pulses in Chamarajanagar, Nanjangud and Periyapatna Taluks.

9. *Standing crops.*—Such as paddy, ragi, togari, cotton, castor, sugarcane and groundnut are improving after recent rains all over the District except in case of Taluks in Mysore Sub-Division where paddy is not at all sown.

10. *Crops harvested.*—It is reported that kar-ragi is being harvested in Hunsur Taluk and harvesting of jola is almost completed in the Taluks of Mysore and Gundlupet. The yield of ragi and jola crop is very poor onaccount of the withholding of rains and due to pest attack.

(1) Prospects of the season are improving in all the taluks of the District due to recent good rains.

(2) There was good rainfall in all the taluks of the District except in Chamarajanagar, Heggaddevankote and Gundlupet Taluks where heavy rains are still needed in order to augment the supply of water to tanks.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of grains are made available all over the District.

(5) Public Health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote and Gundlupet Taluks and Cholera in a few villages of Mysore Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area is reported to be good. The standing paddy crop in nala and Tank atchkat is also reported to be good. Dry crops especially ragi in a large extent in all the Taluks had suffered on account of failure of rains and the crops which had survived are reported to have improved due to recent rains. Horsegram in being sown in all parts of the District.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be good throughout the District. Cattle are reported to be healthy. Fodder and water are reported to be available in sufficient quantities in all the taluks of the district.

HASSAN.

8. Well supplied.

9. Sowing operations are over. The condition of the standing crops, paddy, ragi, jola and sugarcane is reported to be fairly good. Due to recent rains the disease like gallfly and katte roga are reported to have subsided to a considerable extent in paddy fields.

10. There have been continuous rain throughout the District which has eased the tense situation which was prevailing in the previous week. Rainfall will be necessary for paddy crop. Some of the small tanks have received adequate water supply. Big tanks have yet to impound sufficient water supply.

11. Cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Transplantation of paddy was completed in Hosanagar Taluk. The recent rainfall has improved the condition of the standing crops. But the Ragi crop in Honnali Taluk is reported to have become bad in some parts of the Taluks. It is reported that the crops in the rainfed areas of Shikaripur Taluk have withered owing to continuous stoppage of rains in the previous weeks. It is also reported that the condition of the crops in the Taluk may improve if the present rainfall continues. Save and groundnut in Channagiri Taluk and the Ragi in Shikaripur were harvested.

10. Prospect of the season was generally good. Rainfall was sufficient in all the Taluks of the District except in Shikaripur Taluk where some more rainfall is needed for improving the condition of the crops in rainfed areas.

11. Cattle were healthy in all the Taluks of the District except in Honnali Taluk where there was prevalence of Chapperoga; preventive measures were taken. Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. The prices of the food grains continued to be high.

9. (1) *Standing crops.*—Paddy, ragi and sugarcane in Chikmagalur Taluk, ragi, paddy, groundnut, cotton, togari, avare, horsegram in Kadur and Tarikere Taluks, paddy, in Koppa, Mudigere and Sringeri Taluks, paddy and sugarcane in Narasimharajapura Sub-Taluk were the standing crops. Paddy crop in Mudigere Taluk was affected with Leptispa pest and action is being taken by the Local Plant Protection Assistant of the Agricultural Department in the matter.

(2) *Seeds sown and transplantation made.*—Summer jola, coriander and horsegram were sown during the week in Kadur Taluk.

(3) *Crops harvested.*—Nil.

10. Prospects of the season are reported to be generally fair during the week under report. There was good rainfall in all the Taluks. Rains are required in Kadur, Tarikere and Mudigere Taluks. Some of the tanks in Tarikere Taluk are full by recent rainfall and some others still require water.

11. Public Health was reported to be generally good. Cattle are generally healthy except in the villages of Bettagere, Halike and Owsana Villages of Mudigere Taluk where "Gastero-enterities" disease prevailed among the cattle. Water and fodder were sufficiently available.

CHITALDRUG.

8. Markets are well supplied except the controlled articles.

9. *Sowing.*—Sowing of Bilijola, Cotton, Kadle, Coriander and Kusume in Chitaldrug Taluk, Bilijola and Cotton in Hiriyur and Molakalmuru Taluks and Navane and Cotton in Jagalur Taluk are reported to be in progress.

Standing crops.—The dry crops of Jola, Navane, Haraka, Save have failed in Challakere Taluk due to failure of rains. Paddy, Jola, Navane, Sajje, Haraka, Cotton, Groundnut, Ragi, Togari and oil seeds are reported to be improving due to recent rains.

Harvesting.—Harvesting of Save, Groundnut and Til in Davangere Taluk, Sugarcane in Hiriyur Taluk, Giddaragi in Challakere Taluk are reported to be in progress.

10. Cooly classes are finding sufficient labour throughout the District.

Cattle are reported to be generally healthy throughout the District except the prevalence of Black Quarter in Challakere and Jagalur Taluks. The Veterinary Deprtment is reported to have been addressed to take preventive measures.

Public health is generally good except for the reported rat-fall at Komarnahalli in Harihar Taluk and the prevalence of Cholera in a few villages in Harihar Taluk and at Chikkajajur, Holalkere Railway Station in Holalkere Taluk and at Mayakonda in Davangere Taluk. The District Health Officer is reported to have been addressed to take preventive measures. Notifications prohibiting the holding of shandies at Holalkere Railway Station, Holalkere and Mayakonda are issued.

11. Fodder is available throughout the District except in some parts of Challakere and Molakalmuru Taluks. Water is available throughout the District.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,

Bangalore,
Dated 2nd October 1951.

K. SRINIVASAN,
Revenue Commissioner.

431

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, THE 20TH SEPTEMBER 1951.

A total of 31 attacks with 14 deaths from Plague was returned from 11 villages in 8 taluks in 3 districts during the week. The City of Bangalore reported free from Plague. The Cities of Mysore and Kolar Gold Fields reported 1 attack with nil death and 1 attack with nil death, respectively. Comparative figures for the corresponding week in 1950 and 1949 were 20 attacks with 16 death and 44 attacks with 27 deaths, respectively.

A total of 31 attacks with 6 deaths from Small-pox were reported from the Cities of Mysore, Kolar Gold Fields and Pandavapura Town and from the taluk of Bangalore South.

Forty-seven attacks with 22 deaths from Cholera were reported from the City of Bangalore and Arsikere Town and from the taluks of Goribidnur, Haribar, Holalkere, Mysore and Srirangapatna.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 250 (68 in hospitals) for 7 days representing a calculated death-rate of 16·4 (12·0 excluding hospital deaths) per mille of population (annual basis) as against 21·6 (14·1 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 3 under Typhoid, 2 under Other Fevers, 27 under Dysentery and Diarrhœa and 218 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 61 (21 in hospitals) for 6 days representing a calculated death-rate of 14·8 (9·7 excluding hospital deaths) per mille of population (annual basis) as against 17·2 (7·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were Small-pox 2, Malaria 2, Typhoid 1, Other Fevers 6, Dysentery and Diarrhœa 10 and All Other Causes 40. The reported mortality was very low.

There were 36 deaths (7 in hopitals) for 7 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 11·7 (9·4 excluding hospital deaths) per mille of population (annual basis). Classified according to causes the deaths numbered 1 under Small-pox, 1 under Malaria, 1 under Other Fevers, 4 under Dysentery and Diarrhœa and 29 under All Other Causes. The reported mortality was very low.

4264 T. CHANDRASEKHARAIYA, *Director.*

435

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9 (1) *Crop sown.*—Horsegram in Hoskote and Devanahalli Taluks.

(2) *Transplantation.*—Paddy in Bangalore North Taluk.

(3) *Harvest.*—Nil.

(4) *Standing crops.*—Paddy, ragi, sugarcane, avare, togari and til are fairly in good condition. The recent rains have given life to the dry crops. But fair yield could not be expected since rains are late.

(5) *Availability of water.*—Water is available in tanks for irrigation.

(6) In Hosakote Taluk crops in Kasaba II Circle, Sulibele and Nandagudi I and II Circles, are badly affected. Yield expected is below 4 annas in some of the villages of this Taluk. Dry crops require more rains in Kankanhalli, Doddaballapur and Hosakote Taluks.

10. (1) Public Health is generally good except for the prevalence of plague in Shivanapura and Bhimapura in Hosakote Taluk and cholera in Bannikuppe, Karenahalli, Bidadi Hobli, Ramanagaram Taluk. Out of 14 attacks, 4 deaths occurred. Action is taken to prevent the spread of diseases.

(2) Cattle are generally healthy.

11. (1) Water and fooder are available.

(2) Coolies find sufficient labour.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Horsegram is reported to have been sown.

(2) *Standing crops.*—There was rainfall on the last day of the previous week. The condition of the standing crops in some parts of Kolar, Malur, Bangarpet has slightly improved. But the loss suffered by crops however is not likely to be made good as a result of these rains and the recent showers have eased the situation of fodder and water for cattle. The condition of standing crops in the remaining taluks continues to be unsatisfactory.

(3) *Crops harvested.*—Nil.

10. Though there was rainfall during the week in all Taluks, the conditions of standing crops have not improved much. However as a precautionary measure action is being taken to start relief works to provide labour for cooly classes.

11. People and cattle are reported to be generally healthy.

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Sowing of chitte jola in parts of Tumkur; ragi and short term jola in parts of Chiknaikanahalli.

Standing crops.—The standing dry crops such as ragi, avare, jola, navane and other minor millets are reported to be fairly good on account of recent rains except in Pavagada Taluk where the crops are reported to have suffered badly for want of timely rains. Korlu and navane may improve. Paddy in Chiknaikanahalli, Gubbi, Tumkur, Koratagere and Kunigal Taluks, is reported to be in fair condition and sugarcane in parts of Kunigal Taluk is also reported to be good.

Crops Harvested.—Vaishaki paddy in parts of Gubbi and Kunigal Taluks.

10. *Public Health.*—Public health is generally good, except for the prevalence of rat falls in Malenahalli Village of Chiknaikanahalli Taluk. Needful action is reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Konthihalli of Tumkur Taluk and Musavanaghatta of Tiptur Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available. The State Forests have been thrown open for free grazing. Labour is available for agricultural classes.

MYSORE.

Not received.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area and paddy in the tank and nala atchkats are in all the taluks are reported to be in good condition. Transplantation of paddy under tank atchkats in Maddur Taluk is reported to be in progress. Horsegram is sown in all the parts of the District. The surviving ragi and other dry crops are reported to be fairly in good condition.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District except for the prevalence of stray cases of suspected cholera in Belagola and Srirangapatna Taluk. Preventive measures are reported to have been taken to check the spread of the epidemics. Cattle are reported to be healthy. Fodder and water are reported to be available in sufficient quantities in all the Taluks of the District.

HASSAN.

8. Well supplied.

9. Ibbani jola is being planted in Arsikere, Channarayapatna, Hole-Narasipur and Hassan Taluks. Harvesting of gidda ragi is almost over. Jola is being harvested. Condition of paddy, dodda ragi and sugarcane is reported to be fairly satisfactory.

10. Prospects of the season are fairly good.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. The standing crop has considerably improved on account of the recent rainfall. But the ragi crop in a few parts of Honnali Taluk is reported to have been affected adversely. Some more rain-fall is required for the jola crop of the taluk. More rains are needed for the rain-fed paddy crop of Shikaripur Taluk. The tanks in Shikaripur and Bhadravati Taluks need more rains to be filled up. Paddy pests in Sorab Taluk have been brought under control. In general the condition of the standing crop has been considerably improved on account of the recent rainfall. Groundnut is being harvested in Honnali and Chennagiri Taluks. Ragi is being harvested in Shikaripur Taluk. The harvest of ragi and jola has commenced in Chennagiri Taluk.

10. Prospect of the season was generally good. Rains are needed in Honnali, Shikaripur and Bhadravati Taluks. There was prevalence of Cholera in Anaveri Circle of Bhadravathi Taluk. Preventive measures were taken.

11. Cattle were healthy in all Taluks except in Honnali and Sagar Taluks where there prevailed cattle diseases. Preventive measures are reported to have been taken.

Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. Prices of the food grains were high.

9. (1) *Standing crops.*—Paddy, ragi and sugarcane in Chikmagalur Taluk, ragi, paddy, groundnut, avare, togari and sugarcane in Kadur and Tarikere Taluks, paddy in Mudigere, Koppa and Sringeri Taluks, paddy and sugarcane in Narasimharajapura Sub-Taluk were the standing crops.

In some villages of Amrithapur Hobli in Tarikere Taluk, it is reported that a type of insects of about 1 to 1½ inches in length green in colour are feeding upon grass in the grass fields but have not yet entered the standing paddy or ragi crops. However, the ryots have been advised in the matter. The authorities of the Agricultural Department have been intimated to take necessary preventive measures in the matter.

(2) *Seeds sown and transplantation made.*—Summer jola, horsegram and navane were sown in Kadur Taluk during the week under report.

(3) *Crops harvested.*—Groundnut, til and coriander where harvested in Tarikere Taluk during the week under report.

10. Prospects of the season are reported to be generally good except in Kadur Taluk, which requires further rains for the standing crops Tanks in Tarikere Taluk except in Shivane and Ajjampur hoblies are completely filled with water.

11. Public Health was reported to be generally good except in Kadur Taluk, where it was reported that there was rat fall in Yagati village of Yagati Hobli. The authorities of the Health Department were requested to take necessary preventive measures. Cattle are generally healthy except in the villages of Bettagere, Halike and Owsana villages, where "Gastero-enterities" disease prevailed among the cattle. Water and fodder were sufficiently available.

CHITALDRUG.

8. Markets are well supplied except the controlled commodities.

9. *Sowing.*—Sowing of Bilijola, Cotton, Kadle, Coriander and Kusume in Chitaldrug Taluk, Horsegram in Challakere Taluk, Bilijola in Hiriyur Taluk, Cotton, Navane and Bilijola in Holalkere Taluk, Horsegram, Cotton and Bilijola in Molakalmuru Taluk, Kadle in Jagalur Taluk and Cotton in Harihar Taluk are reported to be in progress.

Standing crops.—The dry crops in Challakere Taluk have failed due to failure of timely rains. Doddaragi and Karthiki Paddy in Challakere Taluk; Jola, Navane, groundnut in Hiriyur Taluk, Ragi, Jola, Cotton, Sajje, Paddy, Horsegram, Til, Dhall etc., in Davangere Taluk; Ragi, Jola, Groundnut, Horsegram in Jagalur Taluk; Ragi, Save, Navane, Paddy and Thogari in Hosadurga Taluk and Ragi, Jola, Navane, Cotton in Harihar Taluk are reported to be improving due to recent rains.

Harvesting.—Doddaragi in Challakere Taluk; Kesari Jola in Holalkere Taluk, Save and groundnuts in Davangere Taluk; Jola in Hosadurga Taluk are reported to be in progress.

10. Cooly classes are finding sufficient labour throughout the district.

Cattle are reported to be generally healthy except the prevalence of Black quarter in Chitaldrug, Challakere, Jagalur and Harihar Taluks. The Veterinary Department are reported to have been addressed to take preventive steps.

Public health is generally good except for the prevelance of Cholera in a few villages in Harihar Taluk at Chikkajajur, Holalkere Railway Station in Holalkere Taluk, and at Mayakonda in Davangere Taluk and reported rat-fall in Harihar Taluk as already reported in the last week. Notifications issued prohibiting the shandies at Holalkere Railway Station, Holalkere and Mayakonda is still in force.

11. Fodder and water are available throughout the district.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. (1) *Crops sown.*—Horsegram in Hoskote Taluk and Devanahalli Taluk.

(2) *Agricultural operations.*—Weeding of paddy is going on in the Magadi Taluk.

(3) *Standing crops.*—Paddy, sugarcane, ragi, avare, togari and til are fairly in good condition at present.

Harvest.—Nil Water available for irrigation.

10. Prospect of the season is satisfactory at present. Public Health is generally good except for the prevalence of Cholera in Vaderahalli, Harohalli Hobli, Kankanhalli Taluk and Honganur, Bandur, Valagarahalli, Channapatna Taluk; Bannikuppe, Bethingere and Karenahalli, Ramanagaram Taluk. Action is taken to prevent the spread of disease.

11. Cattle are generally healthy except for the prevalence of Blackquarter at Kyasapura, Ramanagaram Taluk. Action is taken to prevent the spread of disease. Coolies find sufficient labour. Water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Horsegram.

(2) *Standing crops.*—The damage caused to the standing crops owing to delayed rains in the past has not been made good by subsequent rains, even in favoured areas on the whole the condition of standing crops namely ragi and paddy continues to be quite unsatisfactory.

(3) *Crops harvested.*—Nil.

10. Though there was rainfall of over an inch in the Taluks of Bangarpet, Malur, Kolar, Chintamani, Mulbagal and Chickballapur during the week it was not properly distributed in the interior parts. Fodder is available for cattle. The people in affected parts, *viz.*, most of the areas in Chickballapur Sub-Division and portions in Kolar Sub-Division are anxiously praying for relief works by Government.

11. People and cattle are reported to be healthy but for prevalence of Black quarter to cattle in some parts of Srinivasapur Taluk. Preventive measures have been taken to check the spread of the epidemic by the Animal Husbandry Department.

TUMKUR.

Not received.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that horsegram was sown in Mysore Taluk and Bengalgram and coriander in Hunsur and Nanjangud Taluks.

9. *Standing crops.*—Such as paddy, ragi, avare, castor, togari, cotton, horsegram and pulses are reported to be improving after recent good rains except paddy in Heggaddevankote and Periyapatna Taluks. It is reported that ragi crop in some parts of Heggaddevankote Taluk has been affected by Red rot (ಮೊಟ್ಟೆರೋಗ). Agriculture Department are taking necessary measures to check its spread. It is reported that paddy in some parts of T.-Narsipur Taluk is reported to have been affected with Gal Fly. The Department of Agriculture are taking necessary preventive measures to check its spread.

10. *Crops harvested.*—It is reported that groundnut is being harvested in Nanjangud and Hunsur Taluks and chillies in Nanjangud Taluk.

(1) Prospects of the season are improving after the recent heavy rains.

(2) There was fairly good rainfall in all taluks of the District except in Gundlupet, T.-Narsipur and Heggaddevankote Taluks. Some of the tanks in Chamarajanagar, Periyapatna and Hunsur Taluks have received some water by recent rains.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of food grains are made available all over the District.

(5) Public Health is reported to be generally good except for the prevalence of Plague in a few villages of Heggaddevankote, Mysore, Gundlupet and Nanjangud Taluks and small pox in one village of Heggaddevankote Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area and paddy in nala and tank atchkats are reported to be in good condition. The standing dry crops are also reported to be fairly good in all the taluks of the District.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District. Cattle are reported to be healthy. Water and fodder are reported to be available in sufficient quantities in all the taluks of the District.

HASSAN.

8. Well supplied.

9. Agricultural operations are over. The condition of the standing crops such as paddy, dodda ragi and sugarcane is reported to be good. Harvesting of gidda ragi is over. For transplantation of dodda ragi rains are needed till about the third week of November 1951.

10. Prospects of the seasonal conditions are reported to be much improved.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. The condition of the standing crop has considerably improved on account of recent rains. But the ragi crop in a few parts of Honnali Taluk is reported to have been affected adversely. Some more rainfall is required for the standing crop of Honnali Taluk. The standing crop of the Shikaripur Taluk has also improved appreciably on account of continuous rainfall. Even the adversely affected crop in the taluk is reported to have improved. The ragi, rainfed paddy and the paddy crop in "Medu" portions of Bhadravathi are also reported to be improving—Groundnut, save, ragi and jola were harvested in Chennagiri Taluk—Ragi and groundnut were harvested in Shikaripur Taluk.

10. Prospect of the season was generally good. Rains are needed in Honnali and Thirthahalli Taluks. There was prevalence of "Cholera" in Dombarahalli Village of Bhadravathi Taluk. Preventive measures were taken.

11. Cattle were healthy in all the taluks except in Honnali and Sagar Taluks where there prevailed cattle diseases. Preventive measures were taken.

Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. Prices of the food grains were high.

9. (1) *Standing crops.*—Paddy, ragi and sugarcane in Chikmagalur Taluk, ragi, paddy, groundnut, avare, togari and sugarcane in Kadur and Tarikere Taluks, paddy in

Mudigere, Koppa and Sringeri Taluks, paddy and sugarcane in Narasimharajapura Sub-Taluk were the standing crops. The paddy crop in some parts in Mudigere taluk is affected by "Gallfly" Pest and in some other parts by leptispa and the Local Plant Protection Assistant is taking necessary preventive measures. In Tarikere taluk, a type of insects are found in Naganahalli village of Shivane Hobli, which are damaging the ragi and save crops. The authorities of the Agricultural Department have been requested to take necessary preventive measures.

(2) *Seeds sown and transplantation made.*—Sowing of Hingaru coriander was being done in some parts of Tarikere taluk.

(3) *Crops harvested.*—Coriander, til and groundnut were being harvested during the week under report in Tarikere Taluk.

10. Prospects of the season are reported to be generally good. Tanks in Tarikere Taluk were completely filled with water.

11. Public health is reported to be generally good during the week under report. Cattle are generally healthy except in the villages of Bettagere, Halike and Owsana villages, where "Gastero-enterities" disease prevailed among the cattle. Water and fodder were sufficiently available.

CHITALDRUG.

8. Markets are well supplied except the controlled articles..

9. *Sowing.*—Sowing of Bilijola and Gramdal in Chitaldrug Taluk, Horsegram in Challakere Taluk, Bilijola and Cotton in Hiriyur Taluk, Bilijola, Navane and Cotton n Holalkere Taluk, Kadle in Jagalur Taluk, Bilijola and Horsegram in Hosadurga Taluk and Cotton and Navane in Harihar Taluk are reported to be in progress due to recent rains.

Standing crops.—Jola in Chellakere Taluk has failed for want of timely rains. Karthiki paddy under Tanks, Nalas and Irrigation Wells in Chellakere Taluk, Paddy, Jola, Navane, Sajje, Ragi, Harka and Cotton in Hiriyur Taluk, Kesari Jola, Ragi, Navane, Cotton, Haraka, Save in Holalkere Taluk, Ragi, Jola, Cotton, Paddy, Dhal, Til, Horsegram and Sajje in Davangere Taluk, Groundnut, Togari, Navane, Cotton, Jola, Horsegram and paddy in Jagalur Taluk, Ragi, Jola, Navane and Cotton in Harihar Taluk are reported to be improving due to recent rains.

Harvesting.—Doddaragi and Giddaragi in Challakere Taluk; Sugarcane in Hiriyur Taluk, Kesari Jola in Holalkere Taluk, Groundnut, Save and Til in Davangere Taluk, Jola in Molakalmuru Taluk, groundnuts in Jagalur Taluk, Jola in Hosadurga Taluk and Groundnut in Harihar Taluk are reported to be in progress.

10. Cooly classes are finding sufficient labour throughout the district.

Cattle are reported to be generally healthy except the prevalence of Blackquarter in Challakere Taluk. No fresh cases of Blackquarter in Harihar Taluk are reported during this week. The Authorities of the Veterinary Department are reported to have been addressed to take preventive measures in Chellakere Taluk.

Public health is generally good except for the prevalence of Cholera at Chikkajajur, Holalkere Railway Station, Mayakonda in Kakkavada in Davangere Taluk. The District Health Officer is reported to have been addressed to take preventive measures. Notifications prohibiting the shandies at Holalkere Railway Station, Holalkere, Chikkajajur and Mayakonda issued are still in force. The Cholera prevailing in Harihar Taluk is reported to have subsided.

11. Fodder and water are available throughout the district.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,

Bangalore,
Dated 16th October 1951.

K. SRINIVASAN,
Revenue Commissioner.

MYSORE STATE—DEPARTMENT OF PUBLIC HEALTH.

441

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, FOR THE WEEK ENDED SEPTEMBER 27, 1951.

A total of 29 attacks with 10 deaths from Plague was returned from 13 villages in 8 taluks in 6 districts during the week against 31 attacks with 14 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Field reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 37 attacks with 19 deaths and 41 attacks with 241 deaths, respectively.

A total of 24 attacks with 3 deaths from Small-pox were reported from the Cities of Mysore and Kolar Gold Field and from the towns of Narasimharajapura and Shimoga and from the taluks of Bhadravathi, Holalkere, Honnali, Heggaddevankote, Mulbagal, Malur and Pandavapura.

Ninety-one attacks with 49 deaths from Cholera were reported from the towns of Arsikere and Shimoga and from the taluks of Bangalore South, Bagepalli, Holalkere, Harihar, Krishnarajanagar, Nelamangala and Sreerangapatna.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 218 (57 in hospitals) for 7 days representing a calculated death-rate of 14·3 (10·6 excluding hospital deaths) per mille of population (annual basis) as against 25·8 (18·4 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Typhoid, 2 under Other Fevers, 21 under Dysentery and Diarrhœa and 194 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 73 (31 in hospitals) for 5 days representing a calculated death-rate of 21·5 (12·4 excluding hospital deaths) per mille of population (annual basis) as against 21·2 (13·0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were Malaria 1, Other Fevers 11, Dysentery and Diarrhœa 9 and All Other Causes 52. The reported mortality was very low.

There were 78 deaths (58 in hospitals) for 6 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 29·2 (7·5 excluding hospital deaths) per mille of population (annual basis). Classified according to causes, deaths numbered 1 under Small-pox, 1 under Other Fevers, 5 under Dysentery and Diarrhœa and 71 under All Other Causes. The reported mortality was very low.

4414

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE WEEK ENDED THURSDAY, 4TH OCTOBER 1951.

A total of 8 attacks with 5 deaths from Plague was returned from 6 villages in 5 taluks in 4 districts during the week against 29 attacks with 10 deaths in the previous week. The Cities of Bangalore, Mysore, and Kolar Gold Fields, reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 16 attacks with 11 deaths and 27 attacks with 11 deaths respectively.

A total of 11 attacks with 5 deaths from Small-pox were reported from the Cities of Mysore and Kolar Gold Fields and from the Towns of Narasimharajapura and Shimoga and from Channagiri Taluk.

Seventy-eight attacks with 38 deaths from Chelora were reported from the taluks of Arsikere, Bangalore South, Hunsur, Holalkere, Harihar, and Sreerangapatna.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 192 (4.7 in hospitals) for 7 days representing a calculated death-rate of 12·6 (9·5 excluding hospital deaths) per mille of population (annual basis) as against 19·6 (14·0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths were Typhoid 1, Other Fevers 1, Dysentery and Diarrhœa 25 and All Other Causes, 165. The reported mortality was very low.

The total mortality for Mysore City was 72 (12 in hospitals) for 4 days representing a calculated death-rate of 26·8 (22·4 excluding hospital deaths) per mille of population (annual basis) as against 14.1 (9.0 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were Small-pox 2, Malaria 1, Typhoid 1, Other Fevers 10, Dysentery and Diarrhœa 7, and All Other Causes 51. The reported mortality was low.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Markets well supplied.

9. *Crops sown.*—Horsegram in Hoskote Taluk.

Standing crops.—Sugarcane, paddy, ragi, groundnut, avare, thogari and horsegram are fairly in good condition. In twenty villages of Kankanhalli Taluk, ragi crop had withered away by the time rains commenced.

Wet crops have failed in Uttarahalli Hobli, I Circle, Bangalore South Taluk. Dry crops in Krishnarajapuram, II Circle of Bangalore South Taluk require more rains. Ragi and dry crops are affected in Sasalu and part of Thubigere Hobli in Doddaballapur Taluk.

Availability of water.—The tank of Kambal Village, Somapur Circle I, has only 20 days of water. Tanks of Heggunda, Nidavanda, Narasipur, Doddabele in Nelamangala Taluk have not received supply of water.

Agricultural operations.—Weeding of paddy is going on in Magadi Taluk.

10. Fairly satisfactory.

Public Health is generally good except for rat falls at Yedehalli, Somapur I Circle, Nelamangala Taluk. Immediate preventive action is taken. Cholera at Bannikuppe, Karenahalli and Bethingere, Bidadi Hobli, Ramanagaram Taluk, is not yet subsided.

Preventive action is taken to prevent the spread of the disease. Cattle are generally healthy except for prevalence of Blackquarter in Kyasapura, Kutigere Hobli, Ramanagaram Taluk. Preventive measures are taken.

11. Water and fodder are available. Coolies find sufficient labour.

KOLAR.

Not received.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Sowing of short term jola and horsegram in parts of Chiknaikanahalli Taluk and jola in parts of Turuvekere Taluk.

Standing crops.—The standing dry crops are reported to be fair in all the Taluks except in Pavagada and Sira Taluks. The standing dry crops require more rain, paddy crop is reported to be good in Tumkur, Kunigal, Gubbi, Turuvekere, Koratagere, Gubbi and Chiknaikanahalli Taluks.

Crops harvested.—Vyshaki paddy in parts of Gubbi and Kunigal Taluks and yade ragi in parts of Sira Taluk.

10. *Public Health.*—Public Health is generally good, except for the prevalence of plague in Honnebagi and rat falls in Aralikere, Dibbadahalli, Kuppur, Kandikere, Maligehalli and Settikere Villages in Chiknaikanahalli Taluk. Needful action is reported to have been taken to check the spread of the epidemic.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Ganganala and Siddappana Palya villages in Tumkur Taluk and in Pura of Turuvekere Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available. The State Forests have been thrown open for free grazing. Labour is available for Agricultural Classes.

MYSORE.

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that coriander and Bengalgram was sown in Nanjangud, Hunsur and Periyapatna Taluks and pulses in Heggaddevankote Taluk.

9. *Standing crops.*—Such as ragi, paddy, castor, avare, togari, cotton, sugarcane and mulberry are reported to be generally good and improving after the recent heavy rains. The standing paddy crop in some parts of T.-Narasipur Taluk is reported to have been affected by a kind of pest, *viz.*, Gall Fly "ಕೊಳವೆ ರೋಗ" and the yield in these parts is stated to be low. The Agriculture Department are taking necessary measures to check its spread. The ragi crop in parts of Heggaddevankote Taluk is affected by Red Rot (ಮೊಟ್ಟೆರೋಗ). Agriculture Department are taking necessary measures to check its spread. But full ragi crop cannot be realised.

10. *Crops harvested.*—It is reported that jola is being harvested in Heggaddevankote Taluk and groundnut in Hunsur, Mysore and Nanjangud Taluks and chillies in Periyapatna and Nanjangud Taluks.

(1) The prospects of the season are much improving after recent good rains.

(2) There was fairly good rainfall in all taluks of the District except in the taluks of Krishnarajanagar, Gundlupet and Periyapatna.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of food grains are made available all over the District.

(5) Public Health is reported to be generally good except for the prevalence of plague in a few villages of Krishnarajanagar, Heggaddevankote, Mysore and Nanjangud Taluks and small-pox in one village of Chamarajanagar Taluk. Necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available all over the District.

MANDYA.

8. Well supplied.

9. The standing crop of sugarcane in Visvesvaraya Canal Area and paddy in nala and tank atchkats are reported to be in good condition. The standing dry crops are also reported to be fairly good in all the taluks of the District.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District. Cattle are reported to be healthy. Fodder and water are reported to be available in sufficient quantities in all the taluks of the District.

HASSAN.

8. Markets well supplied.

9. Agricultural operations are over. The condition of the standing crops such as paddy, dodda-ragi and sugarcane is reported to be good. Harvesting of gidda-ragi is over. Sowing of horsegram, bengalgram is done in Channarayapatna, Hassan, Arsikere and Holenarasipur Taluks.

10. Prospects of the season are reported to be fair.

11. The cattle were healthy and fodder available.

SHIMOGA.

8. Well supplied.

9. Coriander in Shikaripur Taluk; and horsegram, bengalgram and wheat in Honnali Taluk, were sown.

The condition of the standing crop was generally fair. But the ragi crop in a few parts of Honnali Taluk, and the paddy crop in border villages of Shikaripur Taluk were affected adversely on account of the past draught. The adversely affected crop of Bhadravati Taluk is improving on account of recent rainfall. The average yield of the mungar crop of Sorab Taluk is reported to be a little less on account of the past draught. Ragi and jola in Chennagiri Taluk. Groundnut in Shikaripur, Honnali and Bhadravati Taluks were harvested.

10. Prospect of the season was generally fair. Rains are needed to the paddy crop of the villages round about

Tavarekere in Chennagiri Taluk. The standing crop of Honnali Taluk is also in need of some more rainfall. The standing crop of Makkigadde Village in Thirthahalli Taluk is in need of rainfall.

11. Cattle were healthy in all the taluks of the District except in the taluks of Honnali and Sagar where cattle diseases prevailed. Preventive measures were taken.

Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. Prices of the food-grains were high.

9. (1) *Standing crops.*—Paddy, ragi and sugarcane in Chikmagalur Taluk, ragi, paddy, sugarcane, cotton, groundnut, togari and avare in Kadur Taluk, paddy, ragi, jola, greengram, wheat, blackgram, sugarcane and horsegram in Tarikere Taluk, paddy in Mudigere, Koppa and Sringeri Taluks, paddy and sugarcane in Narasimharajapura Sub-Taluk were the standing crops. Ragi and save crops are damaged by some insects in Nagenahalli Village and other surrounding villages in Shivane Hobli of Tarikere Taluk. The authorities of the Agricultural Department have been requested to take necessary preventive measures.

(2) *Seeds sown and transplantation made.*—Sowing of Hingaru coriander and bengalgram in some parts of Tarikere Taluk was under progress.

(3) *Crops harvested.*—Groundnut, til and coriander were harvested in Tarikere Taluk and the thrashing of Mungar jola was going.

10. Prospects of the season are reported to be generally good throughout the District. The makki lands in Sringeri Sub-Taluk are reported to be in need of rain, as there was no rainfall during the last week. Rainfall is required for the other rainfed paddy lands in the district.

11. Public health was reported to be generally good during the week under report, except for the outbreak of Small-pox in Narasimharajapura. Cattle were generally healthy. Water and fodder were sufficiently available.

CHITALDRUG.

8. Markets are well supplied except the controlled commodities.

9. *Sowing.*—Sowing of Bilijola, Cotton, Kadle, Coriander and Kusume in Chitaldrug Taluk, Horsegram in Challakere Taluk, Bilijola and Cotton in Hiriyur Taluk, Navane, Bengalgram and Bilijola in Holalkere Taluk and Horsegram in Harihar Taluk are reported to be in progress.

Standing crops.—Jola crop in Challakere Taluk has failed for want of timely rains. Karthiki paddy under irrigation wells and nalas and tanks in Challakere Paddy, Jola, Navane, Sajje, Ragi, Haraka, Cotton and Sugarcane in Hiriyur Taluk; Ragi, Jola, Cotton, Paddy, Horsegram, Dhall, Til, in Davangere Taluk; Jola, Sajje, Groundnut, Navane, Paddy, Kadle, Cotton in Jagalur Taluk and Ragi, Save, Sajje, Navane and Paddy in Hosadurga Taluk are reported to be improving due to recent rains.

Harvesting.—Doddaragi in Challakere Taluk; Sugarcane in Hiriyur Taluk, Kesari Jola in Holalkere Taluk; Groundnut and Til in Davangere Taluk; Jola and groundnut in Molakalmuru Taluk, Groundnut in Jagalur Taluk; Jola in Hosadurga Taluk and Groundnut in Harihar Taluk are reported to be in progress.

10. Cooly classes are finding sufficient labour throughout the district.

The cattle are reported to be generally healthy except for the prevalence of Blackquarter in a few villages in Chitaldrug, Challakere and Jagalur Taluks. No fresh cases of "Blackquarter" in Harihar Taluk are reported during this week. The Authorities of Veterinary Department are reported to have been addressed to take preventive measures. Public health is generally good except for the prevalence of "Small-Pox" and "Malaria" in Palavanahalli in Hiriyur Taluk, "Cholera" at Kokkavada, Kolenahalli and Kanagondanahalli in Davangere Taluk and Chikjajur in Holalkere Taluk. The District Health Officer is reported to have been addressed to take preventive measures. Notifications prohibiting the shandies at Chikjajur is still in force. The "Cholera" prevailing in Harihar Taluk is reported to have subsided.

11. Fodder and water are available throughout the district for the present.

444

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,

Bangalore,
Dated 23rd October 1951.

K. SRINIVASAN,
Revenue Commissioner.

MYSORE STATE DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE WEEK ENDED 11TH OCTOBER 1951.

A total of 16 attacks with 7 deaths from Plague was returned from 11 villages in 5 taluks in 3 districts during the week against 8 attacks with 5 deaths in the previous week. The City of Mysore reported 1 attack with 1 death. The Cities of Bangalore and Kolar Gold Fields reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 20 attacks with 13 deaths and 39 attacks with 17 deaths respectively.

A total of 29 attacks with 8 deaths from Small-pox were reported from the Cities of Mysore and Kolar Gold Fields and from the Towns of Pandavapura and Shimoga and from the Taluks of Chamarajanagar, Goribidnur, Gundlupet, Harihar, Shikaripur and Shimoga.

Forty-nine attacks with 27 deaths from Chelora were reported from Mysore City, and from the towns of Maya, konda and Tiptur and from the taluks of Arsikere, Bangalore N., Bangalore S., Channagiri, Harihar, Hassan-Hunsur, S. R. Patna and Shimoga.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 196 (47 in hospitals) for 7 days representing a calculated death-rate of 12·9 (9·8 excluding hospital deaths) per mille of population (annual basis) as against 19·9 (13·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, the deaths numbered 3 under Other Fevers, 22 under Dysentery and Diarrhœa, and 171 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 23 (10 in hospitals) for 3 days representing a calculated death-rate of 11·2 (6·3 excluding hospital deaths) per mille of population annual basis as against 13.3 (9.7 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were Small-pox 1, Other Fevers 8, Dysentery and Diarrhœa 1, and All Other Causes 13. The reported mortality was very low.

4607 T. CHANDRASEKHARAIYA, *Director.*

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

(HEALTH OF LIVE-STOCK DURING SEPTEMBER 1951.)

Notification dated 19th September 1951.

In their order of severity, outbreaks of Rinderpest, Blackquarter, Hæmorrhagic-septicæmia, Anthrax, Foot and Mouth, Sheep-pox, Ranikhet, Gastro-entritis and Contagious-goat Pleuro-pneumonia were encountered in the State during September 1951. Altogether 236 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 297 villages during the previous month. The number of outbreaks was highest in Tumkur, Kolar, Chitaldrug and Mysore Districts, while Mandya, Hassan and Chikmagalur Districts were least affected. These diseases accounted for 993 attacks, of which 690 succumbed. The departmental staff conducted 30,017 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention other prophylactic measures were adopted against Foot and Mouth disease.

An outbreak of Rinderpest among sheep were registered in Davangere Taluk accounting for 35 attacks, of which 10 succumbed. Prompt measures of control were undertaken by the Department to check its spread and 4,580 animals in the infected villages and 117 cattle and 275 sheep and goats in 2 neighbouring villages were protected against this disease. The disease appeared to be well under control at the end of the month under report.

Diseases caused by internal parasites were reported from 95 villages accounting for 7 deaths as against 103 villages accounting for 7 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 6,385 animals as against 6,164 animals during the previous month.

The rest of the live-stock remained free from disease during the month, and fodder and water were generally available throughout the State.

4673 P. M. NARAYANASWAMI NAIDU, *Director.*

K. SRINIVASAN, *Revenue Commissioner.*

TUMKUR.

8. Fairly well supplied.

Seeds sown.—Sowing of chitte jola in parts of Tumkur Taluk.

9. *Standing crops.*—The standing dry crops are reported to be fairly good in all the taluks except in Pavagada, Madhugiri and Sira Taluks, where the crops have suffered rather badly. They are still in need of rains. Paddy in parts of Chiknaikanahalli, Gubbi, Tumkur, Kunigal and Koratagere and sugarcane in parts of Kunigal Taluks, are reported to be in a fair condition. None of the major tanks and very few minor tanks have discharged. There is not enough water in most of the tanks for the standing crops.

Crops harvested.—Vaishaki paddy in parts of Kunigal and Gubbi Taluks and Yaderagi in parts of Sira Taluk.

10. *Public Health.*—Public health is generally good, except for the prevalence of Plague in Kuppur and Marasandra Villages and rat falls in Dibbanahalli and Aralikere Villages of Chiknaikanahalli Taluk and needful action is reported to have been taken to check the spread of the epidemic.

11. Cattle are reported to be generally healthy except for the prevalence of Blackquarter in Sopanahalli Village in Tumkur Taluk and Pleuro-pneumonia to sheep in the hamlet village of Kengalapura in Chickanaikanahalli Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available. The State Forests have been thrown open for free grazing. Labour is available for agricultural classes.

8. Market how supplied.

9. Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.

10. Prospects of season, tracts in which rainfall has been insufficient, areas affected by scarcity, number of people under relief and state of food stock.

11. Remarks on the condition of agricultural stock, failure of pasturage of fodder, etc.

BANGALORE.

8. Well supplied.

9. *Crops sown.*—Nil.

Standing crops.—Paddy, sugarcane, ragi, groundnut, avare, thogari, til and horsegram are fairly in good condition. But urgent rains are required. Ragi and other dry crops are affected to some extent in some parts of Kankanhalli, Bangalore South and Doddaballapur Taluks.

Harvests.—Groundnut in Devanahalli and til in Hoskote Taluks.

Availability of water.—Available at present. During the week there was no supply of water to tanks.

10. Public Health is generally good. Prospects of the season is fairly satisfactory. Cattle are generally healthy.

11. Coolies find sufficient labour. Drinking water and fodder are available.

KOLAR.

8. Moderately supplied.

9. (1) *Seeds sown.*—Nil.

(2) *Standing crops.*—The condition of standing crops remains unsatisfactory as before.

(3) *Crops harvested.*—Same and groundnut are being harvested.

10. There was rainfall of over an inch in Mulbagal and Srinivasapur Taluks and the rainfall in the remaining Taluks was negligible being few cents. Fodder and water are available for cattle.

11. People and cattle are reported to be healthy except for prevalence of Cholera in some parts of Mulbagal Taluk. Preventive measures have been taken to check the spread of the epidemic by the Public Health Department.

TUMKUR.

8. Fairly well supplied.

9. *Seeds sown.*—Sowing of short term jola and horsegram in parts of Chiknaikanahalli Taluk.

Standing crops.—The standing dry crops are reported to be fair in all the Taluks except in Sira and Pavagada Taluks. The standing dry crops are badly in need of rains. The crops have however already suffered badly and not more than four annas crop expected except in Kunigal, Turuvekere, Gubbi, Tiptur and in parts of Tumkur and Chiknaikanahalli Taluks. Paddy crop is reported to be good in Tumkur, Kunigal, Gubbi, Turuvekere Koratagere and Chiknaikanahalli Taluks and sugarcane also in good condition in parts of Gubbi and Kunigal Taluks.

Crops harvested.—Vyshaki paddy in parts of Gubbi and Kunigal Taluks and yade ragi in parts of Sira Taluk.

10. *Public Health.*—Public Health is generally good, except for the prevalence of plague in Asalipura of Tumkur Taluk and Byalakere Village in Chiknaikanahalli Taluk and rat falls in Kaggere of Tumkur Taluk, Madapura Village in Chelur Hobli in Gubbi Taluk and Hatna and Kibbanahalli Villages in Tiptur Taluk. Needful action is reported to have been taken to check the spread of the epidemic.

11. *Cattle.*—Cattle are reported to be generally healthy except for the prevalence of Anthrax in Naravangala of Tumkur Taluk and Blackquarter in Kithnamangala Village of Kunigal Taluk. Preventive measures are reported to have been taken to check the spread of the epidemic. Water and fodder are available. The State Forests have been thrown open for free grazing. Labour is available for Agricultural Classes.

MYSORE.

449

8. It is reported that the markets are normally well supplied in all the taluks of the District during the week.

Seeds sown.—It is reported that pulses and coriander were sown in Heggaddevankote and Periyapatna Taluks.

9. *Standing crops.*—Such as paddy, ragi, avare, togari, castor, cotton, sugarcane, pulses and groundnut are reported to be in good condition but full ragi crop cannot be realised. It is reported that the standing paddy crop in parts of T.-Narasipur Taluk is reported to have been affected by a kind of pest known as paddy Gall Fly (ಕೊಳವೆ ರೋಗ) and the Agricultural Department are taking necessary measures to check its spread. Rains are urgently required for the standing hyn ragi and paddy.

10. *Crops harvested.*—It is reported that groundnut and cotton is being harvested in Hunsur and Nanjangud Taluks; jola in Heggaddevankote; chillies and castor in Nanjangud Taluk and ragi in parts of Chamarajanagar Taluk.

(1) Prospects of the season are improving after recent good rains.

(2) There was fairly good rainfall in all the taluks of the District except in the taluk s of Chamarajanagar, Heggaddevankote, Gundlupet and Periyapatna.

(3) Both the cooly and agricultural classes are finding sufficient employment all over the District.

(4) Sufficient quantities of food grains are made available all over the District.

(5) Public Health is reported to be generally good except for the prevalence of plague in a few villages of Nanjangud, Heggaddevankote and Mysore Taluks and smallpox in some villages of Hunsur Taluk; necessary preventive and remedial measures are being taken to check the spread of the epidemics.

11. Cattle are reported to be generally healthy. Sufficient quantities of water and fodder are available throughout the District.

MANDYA.

8. Well supplied.

9. The standing crops of sugarcane in Visvesvaraya Canal Area and paddy in nala and tank atchkats are reported to be in good condition. The standing dry crops are also reported to be in good condition. There was failure of dry crops in large extents in the several taluks of this District due to failure of timely rains in previous months.

10. Prospects of the season are reported to be satisfactory.

11. The public health is reported to be generally good throughout the District except for the prevalence of smallpox infection in Belakavadi Town of Malavally Taluk and Pandavapura Town. Preventive measures are reported to have been taken to check the spread of the epidemic. Cattle are reported to be healthy. Fodder and water are reported to be available in sufficient quantities in all the taluks of the District.

HASSAN.

8. Well supplied.

9. The standing crops of paddy, ragi and sugarcane, etc., are in good condition. Rains are required throughout the District.

10. Prospects of the season are fair. The standing crops are in need of rains. Rat fall is reported in Anachihalli in Kasaba Hobli of Hassan Taluk for which remedial measures are being taken.

11. Cattle are reported to be generally healthy throughout the District, except for (ಮೊಜೆ ರೋಗ) in Baktihalli and Rachanahalli in Kasaba Hobli of Hassan Taluk for which remedial measures are being taken. Fodder and water are available.

SHIMOGA.

8. Well supplied.

9. Fields are being prepared for sowing of wheat and Bengalgram in Honnali Taluk. The standing crop is generally fair. But the ragi crop in a few parts of Honnal Taluk, the mumphal crops and millets in Sorab Taluk and the rainfed wet crop and wet crop in medu portions of

Bhadravati Taluk were affected adversely on account of failure of timely rains in the past. Ragi and Jola in some parts of Chennagiri Taluk. Groundnut and ragi in Honnali Taluk; paddy, ragi and groundnut in Shikaripur Taluk, and the mumphal paddy crop in a few parts of Sorab Taluk were harvested. Harvesting of paddy has commenced in a few villages of Tirthahalli Taluk.

10. Prospects of the season was generally good. More rains are required for the standing crop in Chennagiri and Honnali Taluks.

11. Cattle were healthy in all the taluks in the District except in Sagar and Tirthahalli taluks where the cattle suffered from 'Naradiroga' and 'Foot and Mouth' diseases. Preventive measures are reported to have been taken.

Water and fodder were available.

CHIKMAGALUR.

8. Markets were fairly well supplied. Prices were high.

9. (1) *Standing crops.*—Paddy, ragi, Coffee and sugarcane in Chikmagalur Taluk; jola, ragi, togari, avare, horsegram, til, groundnut and sugarcane, in Kadur and Tarikere Taluks; Paddy in other Taluks were the standing crops. It is reported that the damage caused by the insects on Ragi Crop in Tarikere Taluk is reduced considerably, owing to the timely action by the Agricultural Department in the matter.

(2) *Seeds sown and transplantation made.*—Sowing of Bengalgram in some parts of Tarikere Taluk was done.

(3) *Crops harvested.*—Mungar jola and coriander were being harvested in Tarikere Taluk during the week under report.

10. Prospects of the season are reported to be generally good throughout the District. The Makki lands in Sringeri Sub-Taluk are reported to be in need of rains, as also standing dry crops in Tarikere Taluk. The situation having improved to a considerable extent, there is no anxiety among the agricultural classes.

11. Public health is reported to be generally good during the week under report. Stray cases of outbreak of Plague in some places in Kadur Taluk are reported. Cattle were generally healthy except in Hemmakki village of Kalasa Hobli in Mudigere Taluk, where it is reported that some cattle disease prevailed. Black-quarter Disease is reported among cattle in Ittage Village of Tarikere Taluk. The Authorities of the Animal Husbandry Department have been requested to take necessary preventive measures.

CHITALDRUG.

8. Markets are well supplied except the controlled commodities.

9. *Sowing.*—Sowing of Bilijola, Cotton, Bengalgram, Kusume and Coriander in Chitaldrug Taluk is reported to be in progress.

Standing crops.—The dry crops as Sajje and Navane are reported to be not satisfactory in Challakere Taluk. Karthiki Paddy under irrigation wells, nalas and tanks in Challakere Taluk; Paddy, Jola, Navane, Sajje, Harka, Ragi, Cotton and Sugarcane in Hiriyur Taluk; Ragi, Jola, Til, Sajje, Cotton, Paddy, Horsegram in Davangere Taluk; Navane, Jola, Sajje, Paddy, Groundnut, Cotton in Jagalur Taluk and Jola, Ragi, Navane in Harihar Taluk are reported to be good but are in urgent need of rains.

Harvesting.—Doddaragi in Challakere Taluk, Sugarcane in Hiriyur Taluk, Groundnut, Til, Save and Kesari Jola in Davangere Taluk and Jola in Jagalur Taluk are reported to be in progress.

Cooly classes are finding sufficient labour throughout the District.

The cattle are reported to be generally healthy except for the prevalence of Blackquarter in a few villages in Jagalur Taluk. The authorities of Veterinary Department are reported to have been addressed to take preventive measures.

10. Public health is generally good except for prevalence of Small-Pox in Palavanahalli in Hiriyur Taluk, and Cholera at *Kakkavada*, Kolenahalli Kanagonanahalli in Davangere Taluk, Chikjajur in Holalkere Taluk and Devarabelakere, Kadalagondi in Harihar Taluk. The authorities of Health Department are reported to have been addressed to take immediate preventive measures. Notification prohibiting the Shandy at Chikjajur issued is still in force.

11. Fodder and water are available for the present.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,
Bangalore,
Dated 22nd OCTOBER 1951.

K. SRINIVASAN,
Revenue Commissioner.

MYSORE STATE—DEPARTMENT OF PUBLIC HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE, FOR THE WEEK ENDED OCTOBER 18, 1951.

A total of 8 attacks with 6 deaths from Plague was returned from 4 villages in 4 taluks in 4 districts during the week against 16 attacks with 7 deaths in the previous week. The Cities of Bangalore, Mysore and Kolar Gold Fields reported free from Plague. Comparative figures for the corresponding week in 1950 and 1949 were 33 attacks with 20 deaths and 23 attacks with 10 deaths, respectively.

A total of 1 attack with 3 deaths from Small-pox were reported from Kolar Gold Fields and from the taluks of Maddur and Malur.

Eleven attacks with 2 deaths from Cholera were reported from the Citiy of Bangalore and from the taluks of Channagiri, Davanagere and Shimoga.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore Corporation amounted to 247 (64 in hospitals) for 7 days representing a calculated death-rate of 16·2 (12·0 excluding hospital deaths) per mille of population (annual basis) as against 24·3 (14·8 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths numbered 1 under Typhoid, 3 under Other Fevers, 26 under Dysentery and Diarrhœa and 217 under All Other Causes. The reported mortality was very low.

The total mortality for Mysore City was 62 (30 in hospitals) for 5 days representing a calculated death-rate of 18·2 (9·4 excluding hospital deaths) per mille of population (annual basis) as against 10·0 (6·6 excluding hospital deaths) for the corresponding week of last year. Classified according to causes the deaths were Malaria 2, Other Fevers 12, Dysentery and Diarrhœa 5 and All Other Causes 43. The reported mortality was very low.

There were 13 deaths (3 in hospitals) for 4 days from all causes in Kolar Gold Fields equivalent to a calculated death-rate of 7·3 (5·6 excluding hospital deaths) per mille of population (annual basis) as against 3·5 (2·5 excluding hospital deaths) for the corresponding week of last year. Classified according to causes, deaths numbered 2 under Other Fevers, 3 under Dysentery and Diarrhœa and 8 under All Other Causes. The reported mortality was very low.

T. CHANDRASEKHARAIYA,
Director.
